F. CHAMPIONSHIP We were worth at least a draw in this senior football draw in this senior football championship tie with Tramore at Walsh Park last Sunday Tramore's winning point in injury' time left us no time for recovery but truth to tell had we availed of all the chances that presented them selves over the hour we could have had his game all wrapped up and packaged long before the ref's long whistle Playing against a very tricky Playing against a very tricky wind in the first half we held the opposition to a point at half time and indeed could, and should, have been in front we failed to take our chances, however and even a Michael Kelly goal early in the second-balf failed to raise our game. On last Saturday evening we made our way to the next round of the junior hurling championship through a hard earned but well deserved vittory over arch rivals Ardmore This was a game that we should have won by a lot more, but our forwards were not un target In the first-half after having most of the play, but playing against a strong wind, we ended up at half-time traffing by three points
