LISMORE MAN IS LIMERICK'S NEW SINGING STAR GAEILGE GRANT FOR WATERFORD It was confirmed in Dungar-van last week that Bord an Gaeffge is to give a £2,000 grant to the Irish language and cultural revival movement set up three years ago by the County Vocational Education Committee in the western end of the county

of the county The Bord na Gaelige decision comes within weeks of the Minister for the Gaeltacht, Mr Tom O'Donnell publicly describing the West Waterford movement as the most important, most successful and most comprehensive commu-nity effort ever made at re-gional and local level to pro-mote the language and culture WELCOME SURPRISE

The decision of Bord na Gaetige to financially assist the movement was not alto-gether unexpected, but the size of the financial contribution came as a very welcome sur-prise to those who have so successfully ploneered the cul-tural drive in the county over

the past three years.
Mr Donal O Ceilleachair, the past three years.

Mr Donal O Ceilleachair,
C.E.O., County Vocational Education Committee said that
the £2 000 grant would be used
to "carry on the good work."

Mr O Ceilleachair, who is a
member of Bord na Gaeilge,
said the grant, sizeable though
it was, was no more than the it was, was no more than the cultural movement deserved. "In three years this movement has achieved magnificent suc-cess." he said adding that it was only right and proper that that work should be acknowledged by a body such as Bord

na Gaeilge
The grant was also "warmly welcomed" by the chairman of the cultural movement Seamus O Maoldomhnaigh. "It proves" he said "that all our work has not been in vain and we are very grateful for this very welcome Christmas pre-sent from the Bord."

IDEAL BLUEPRINT The West Waterford movement has so impressed Gaeltacht Minister Tom O'Donnell that he has gone on record as saying it provides an ideal blueprint for a major national language and cultural revival movement which can be readly applied to every county in

Almost inevitable then Bord na Gaeilge backing — in a tangible way — was to be ex-

Of course some of those who voiced the lloudest criticisms about the non-appearance of the lights this year could be numbered amonast those who baulked when a subscription towards the cost was sought in other years Anyway if a lesson has been learned this year, perhaps there will be a greater spirit of co-operation with a greater willingness to subscribe when the time comes around again this time twelve months

THE TRISH JUBILEE

There's a little slogan posted up here in the Leader" Office which laconically states "Nothing is impossible" It's nice to think so or even that aimout nothing is impossible However, when County Coun-cilier Tom Healy of Tramore cilior Tom Healy of Tramore sent me a request for the words of an old ballad called "The Irish Jubilee" I thought that this would not be possible to meet. However, in the faint hope that our slogan was correct we published the request in this column almost a couple of months ago. Imagine my surprise; then, when a gentleman came to the office last week and presented the words of the ballad all beautifully

word came to him from a friend been a patient in the Sacred in the Ardmore area. To them Heart Home for Old Folk in all I say thank you very much

pawn Single men double men and men who had their glasses

Before many minutes nearly every chair was taken The front rooms and mushrooms were packed to suffocation

When everyone was seated then they started to lay out the feast Cassidy said rise up and giv us each a cake of yeast He then said, as manager,

he would try and fill the We then sat down and we looked at the bill of fare There was pigs heads, gold fish mocking birds and

ostriches Icecream, cold cream vase line and sandwiches Blue fish, green fish, books and patridges, Fish balls snowballs, cannon balls and cartridges

And we ate oatmeal until we couldn't hardly stirabout There was ketchup hurry up sweet, trout and sour trout Dressed beef, naked beef and beef with all its dresses on Soda crackers fire crackers linbourg cheese

who was going to pay the For dessert we had tooth picks ice picks and skipping rope And washed them all down with a big piece of shaving We ate everything that was down on the bill of fare And looked at the back of it

to see if any more was there. Then the band played a horn pipe, gas pipes and Irish We danced to the music of the wind that shakes the
