SECRETARY'S REPORT

Secretary Seamus O Brien in his very comprehensive report had much criticism of the championships when he said— "I believe that the program-ming of our championships is desperately in need of overhaul A championship season extending from March to Deplacing too much of a strain on players, club officials and members who manage our fixtures One of the root causes of the trouble in this respect. the policy of avoiding Munand All-Ireland final dates for retary of the applicant's club the playing of our champion refuses to sign the transfer, our county is not involved as application. That the list of names will soon find our board being asked and expected not to make asked and expected not to m fixtures for dates on which secretaries within the division lesser counter-att actions are immediately after these com-

The hurling championship too was in his opinion losing status and he recommended that like its football counterit should be run on a County basis for a trial period With regard to the under 21 championships he said that he could never see Central Council fashioning these competitions to the Boards liking and he urged that these championships should begin not later

than April of each year Dealing with the minor championships the Secretary said that the standard in the first rounds was disappointing because teams got a second man chance through the losers made chance through the losers made by Munster Council group He thought the losers Chairman Nioclas Mac Craith groups should now be dispenwith and be replaced by another competition confined to teams beaten in the first

BALLINAMEELA C.A.A. NOTES

The above club held their AG Min the Old School Ballinameela on Saturday, 8th Jan-uary The meeting was fairly well attended by the members of the club The Secretary gave a very detailed account of last year's activities within the club From this account a long discussion took place on the reasons for the club's failure in 1976

The Chairman in his address eemed to suggest that it was the lack of spirit with the club which was the root cause to this failure and this suggestion was agreed upon by other members of the club From a financial point of view the club was shown to be in a reasonably good position considering some of the financial setbacks

The following officers were elected for 1977—President M O Brien Vice-presidents H Conway M. Culloo, J Quinn, J O Donnell Chairman J Power, Secretary N Walsh Treasurer T Ba ron Selectors—J Browne M O'Brien J Cashman, E
