to have to pick a side that might be expected to beat Galway and many of our supportens will agree when reading the team that they now appear to make changes, just for the sake of changing

Few people will agree that it is good policy, at this stage to change the goalkeeper, as Pat Cox was hardly to blame for what happened in the last 3 or 4 games George O'Grady, who is selected is a good keep-er but one might ask what has he done recently to prove that he should replace a man who was the selectors' first choice up unal now There are other changes that might justify the loubts of supporters, but in ords not to undermine confidence of these players reserve further comment for

LABOUR PARTY ANNUAL GENERAL MEETING

(Abbeyside Branch)

The annual general meeting of the Abbeyside Branch of the Labour Party was held on Fri-day night January 14th | 1977, in the Union Office Dungarvan Deputy Kyne, Chairman, opened the meeting and said he was very pleased with the good attendance in view of the arctic conditions of the night

He said that as well as meet ing to elect Officers and Committee for 1977 he was glad glad Canthat the official Labour didate, Councillor Frank King who had travelled from Water-ford despite icy roads to at-tend would have a chance of meeting the members | He also said that as far as he could judge the General Election was likely to take place sometime this year It was necessary then to get ready plans to get out every available Labour vote in different Polling Stations which the Abbeyside Branch was responsible

Deputy Kyne then reported on the result of the motion put the Parliamentary Labour in Dublin on the 12th January HIT BY WEATHER last which he had tabled at the request of Councillor King calling on the Parliamentary for Posts and Telegraphs to review his decision on the intro that the Dungarvan Dramatic conversant with the different round duction of a second RTE Club's presentation of the sections of this Bill as it will League duction of a second RTE Citio's presentation of the television channel and to promote instead the rebroadcast- at the Fnary Hall last week was ing of BBC 1 After a short affected so badly by both the discussion the Minister under- atrocious weather and the Buzzards Eagles Falcons Har- van I travelled to Melleray on taken discussion the Minister under-discussion the Minister under-addiscussion the Minister under-discussion the Minister under-discussion in the Cowls The following species of wild animals are protected— wild animals are protect

Councillor King thanked the members for their welcome overcame the drawbacks that and said that he realised that might well have daunted an Dungarvan and Abbeyside experienced professional group Branches were key factors if he was to get most of the Lab our vote that Deputy Kyne had out into the frost and snow built up in the town | He had were amply rewarded with a already agreed on a plan of production that provided much Waterford and he had already Mef from the crises and tensions started monthly visits to Tal- that seemed to abound everyvisiting all areas low. E.S.B. MAJOR MAINTENANCE **PROGRAMME**

DUNGARVAN, SHANDON AREAS

The ESB wishes to inform consumers in the above areas that it is proposed to carry out a programme of major maintenance to networks, transformers and services during the coming months

The work would also include extensive mechanical and manual hedge and timber cutting, generally in advance of network maintenance

The purpose of the work is to improve security of supply and will involve planned electricity switch outs

The work is being carefully organised and every effort will be made to avoid undue inconvenience to consumers by reducing the number of interruptions in supply to a minimum

The Townlands affected will be specified and consumers are asked to watch this space each week for details
