TOURIN G.A.A. NOTES HURLING LEAGUE

We played our second match of the league against Fournile-water on Sunday last, Feb 19th Weather conditions were again. not too kind to us But despite this, the standard of hurling was quite good We again tasted defeat

as in our previous match, the new-found spirit of the team was very apparent From the beginning, we were short several of our regulars and we were almost immediately under sure we conceded some early scores and took quite some time to settle down Nevertheless de-spite all the cdds stace against us, we continued to play good hurling and every player should be well pleased with the performance TRAINING

The attendance at last weeks ession was not very good and there was a lot of missing faces It is the duty of every player who hopes to play on the team to attend these sessions The championship is just over a wants to be on the team he must dram SOCIAL
