SUNDAY CALL **FOR ELECTIONS**

Mr P Cahili at a meeting of Waterford County Council held in Dungarvan last week that the next election and future general elections in this counly be held on Sundays. He said that holding these elections and also local elections on Sunday would mean less trouble in taking over schools as polling stations and child-ren would not have their schooling disrupted
Seconding the motion Mr P
Crotty said that it could mean there would be higher as people would have more time on Sundays to vote Mr T Healy pointed out that a big numbe of European countries held their elections on Sundays now and it might be no harm to make a similar

change here Ing that Sunday was the Lord's ing for this season so please, day and would be inappropriate for election activities on the motion was declarated.
