long retain happy memories of We just could not have played host to a nicer bunch of youngsters or a finer group of adult officials. They slotted in like a well made glove and we

were honestly very sad to see them leave us on Sunday Its the kind of friendship we hope will be maintained with cur Galway friends and PG at some future date we hope to journey West where we know we will be feted in style by

Killimor
As for the playing side of Feile our under 14's did us proud Not unexpectedly Killimor proved too strong for us in our opening Saturday morning game and so it was into the sers group for us But how magnificently the

nastered Tallow in a great ame at Cappoguin on Saturday afternoon and later in the day we pulled off our greatest victhe reigning Western champions Abbeyside by a point We trailed by five points at half time but harired by the magnificence of Rocky Ronayne we went on to 8 15—Secret Interlude Starring register a truly superb win And so to the losers group with the losers group wi final at Leamybrien on Saturday night Our opponents Roanmore were much bigger and stronger and yet we led them for most of the way In the end however

Roanmore's physical advantage told and we went under by six points But the boys played magnificently and were a credit to the c'ub

IF.C
On Saturday night we face

Brickey Rangers in the first

bund of the intermediate foot ball championship at Leamy brien This game will take great deal of winning but given the right approach we could bull it off
The game is timed for 730

and all players are asked to be at Youghal Road corner not later than 645 pn Considerably below strength,

our senior hurling group team bowed out of the championship against Cappoquin last Sunday night The side never really clicked and the loss of so many key players was goo great for THANKS TO PARENTS

One final word on Feile na Gael The club wishes to thank most sincerely the parents and families who hosted boys and officials of the Killi mor club on Friday Saturday and Sunday We deeply appreciate their very fine gesture
