Colligan are ator hurling MIN . KILGOBINET The above are two of six or can teams, who are still in junior hurling champion in with a good chance. The uners will be listed on the art list to take the county le next month At this ment I would not rate either e good enough to win even Western title. Sathering meelves for the champion

in when they lost to Collina in the first round and they re not over impressive when resting Villerstown in the last round at Cappoquin three Ther seem to have some sort over Kilgobinet b se as far as I can recall er have always managed to

ering Kirossanty As a re-it of this they may be better additioned for the clash this it is another very open game ether side could win and to 10 feel very confident in CAPPOQUIN vote

And her very enjoyable double here the programme opens th the number football the bettern Eire Og and Shamrocks s des were good last sea-El e Og going to the West n li a. where they did not samrocks failed by just a whie of points to get to the mi-final This season, both we played in senior football out sides, so their football andards could have improved ain I know that both clubs preview the match in their ab notes so I leave it to their ribes to tell us about their expects. I give the vote to e group final in which they

Il play Kilgobinet RAGLIN v. CLASHMORE Aragin are the team that all urring about They have uproved wonderfully since last ar and must be a force in is championship. I saw them it against Fourmilewater in league and was surprised the improvement since last r Personally I do not exet Clashmore to beat them er though they were quite anymoung in beating Glen overs at the same venue on

Aye, well you may ask with the course marked fair By the buoys in daylight, at night the light From the lighthouse flashed with its warning glare Tis hard you'd say not to steer alright

But in dairty weather? Aye aye even so There's the sheltered pool all safe and snug, With good holding ground both at ebb and flow Where close any craft the shore can hug

Then what under heaven left her there, old man Rince all about it you seem to Ave the tale I can tell sir if any man can With my own eyes to splinters saw her go
