ROMORE FOR FINAL strous start to beat Tramore the replay of their drawn ani final of the senior football nampion h.p at the Fraher

On form for the past few asons, there is a big differ ace in the standards of the sides—the form weighing cavily in favour of Ardmore efore beating Tramore they ored a two goal win over Dun when again having to over me a very poor start in p ayers like John Hennes w Matty Cromn, James O Don Pat Pender Denis and Conway Machael Hennes But Harty Fred North they will have too much sorball for Kilrossanty who have to wait for a couple reasons more before they an be rated in the same brac

Having defeated Tallow in a clay Kilressanty beat Rath mack in a very mediocre month ago Unless they can show tremen ous improvement on that form er cannot be given a fair

LASHMORE V RING An unavoidable rearrangeof the fixtures list has rought this game to Cappoquin Sunday It is the semi final t the intermediate football hampionship and without cubt the uniners vill be in alled a, firm favourites to win

Ring-strunge to say will be aving the rirst outing of the eason in this chambionship al rough many of their players group team in the senior hamponship. The lack of an utility together will be a big isadvantage to Ring Clashmore on the other and although they have only

ne championship game so far ave been very busy and have laved several useful challenge Also the group team of Clashmore formed the part played extremely eli—a fact that indicated that iashmore are the form team nd the likely winners

BALLYSAGGART There can hardly be a doubt bout the outcome of this game iligooinet are the hottest of avourities and should win andsomely This junior foot all tie will be the only game

here should be quite an am int of routine business to be ealt with when the members seemble a Dungarvan on Monday night next

Following the meeting the intures Committee will set dates c; the county finals in all

The Western Board will meet n Friday night of next week to ispose of the referees report the Aragin/Clashmore jun or hurling game and to dis football final CORRECTION

When commenting on the rading of referees last week referred to the demotion of ounty referee Jim Joe Lan lers To my amazement I learnnore that Jim Joe had never neen graded 'A' in the referee ng business The man himself was a little bit annoyed that wrote about his being de

raded, when in fact he was ide so Sorry Jim Joe However if I complained bout the system that demoted I must now complain bout the system that did not romote him Surely this man s as good as we have in the refereeing business. As some into business as some into bounday in the something seriously wrong the the good of referees. with the grading of referees
