(Friday) January 6 which is POLLUTION PROBLEMS IN heard tips day referred to as Wome & Christmas (Nollaig No moon in Irish), Little Elsewhere in this issue a Christmas and Hungry Christ- letter from the Hon Segretary

excesses of having had too the assertions they had made much to eat and too much to From my own experience I

wishes were exchanged and where the dump is located it

Red Indians and Cowboys on become infested with ratsne screen during the period this is a fact which cannot be hat I arrived at the concludenced sion that the big brass up ust plain suckers

director to wait until not any Square, Dungarvan at 830 Christmas but also the New pm
Year had passed before this was televised It would have been ideal for a slot on Christmas Day or St Stethen's Day It sounded a bit

recders who sent me so many who frequent them are men-cards over the Christmas and tioned in the Report

Nature is again beginning to Other Ibcal anglers who stir herself and soon the days caught specimen flounder in will again begin to extend Dungarvan are Walter Keane, themselves

The Charismatic Renewal two on the same day also with Movement has been growing a lugworm bait specimen Spur Dogfish (12 many parts of the county and of the county and of the county and over) were caught in the cre particularly active groups in Water ford city (lonnel and Dundary both using mackere bait arvant.

More about the Charismatic (specimen weight 100 lbs)
Renewal will be afforded an importunity of doing so when the South Eastern Regional Conference will be bold at St.

vent, Dungaryan, The lestive season of the Conference fee of £3 per Christings will end to-morrow person should be remitted

RIVER COLLIGAN

Elsewhere in this issue a refers to the fact that little Anglers Club its published it or none of the good cheer which was stored in for the great day remained at this first was a clong Christmas from the club which attended this very comical old song. The little words of this very comical old song. The little words of this very comical old song. The little words of this very comical old song. The little December monthly meething of Dungarvan Urban thook me a long time before my start was rewarded as a mather of fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to extend the locate the fact it was a case of two days and the council to increase in remuneration by the Council on the locate the fact the hall the council on the current and the council on the council on the proposal of the total the table showed that the council on the council on the council on the proposal of the council on the council on the council on the council on the locate the fact in the locate the fact in the locate the fact the long the council on mos The latter apparently of the Dungarvan Freshwater

shortage of money and busi- | The anglers of the club ness houses all reported on claim that the dump is pol excellent trade
to For the most part the will kill it and all the fish life weather was dry and mild and n it The Council officials ithe w ser ones took advantage have rejected these claims of the dood outdoor conditions and the Town Engineer has to get in some much wanted stated that it would be very exercise to work off the difficult for the club to prove

would be more inclined to The New Year was ushered accept what the anglers n with the usual gaiety last state, not begause I am a very Saturday night and wherever amateur angler myself, but crowds had gathered for the from the conditions which I occasion the traditional good have seen along the river

songs such as "Auld Lang is polluting the environs of type" were sung this one-time beautiful local-One of the major disap-lity almost totally Not only continents over Christmas can it be said that it pollutes or those of us in one-channel the river but also the atmos area was the poorness of the phere which throughout most television programmes from of the summer is destroyed RTE. The big build-up put on by the heavy pall of smoke by the publicity, side of the station never materialised and which emanates from the station never materialised and while we might have had set to the manner. quant to we certainly did not Added to this is the manner have quality, I saw so many in which the entire area has

The protection of the Colli here in Montrose must think gan as an amenity area is hat all of us down here are now a matter which should interest everyone The anglers Ore of the nicest and most are giving the lead and will ecsonal of the programmes take the matter a step furcme out last Monday even ther on next Saturday night ng, "Perry Como's Christmas when a further public meeting in Austria" but why in good- to which all are invited will ness name had the programme be held at Paddy Foley's,

WHERE SPECIMEN FISH WERE CAUGHT

The Report for the Year sour to hear Como wind up 1977 recently issued by the the programme by wishing Irish Specimen Fish Commiteveryone "A merry Christ- tee records where all the big mas"—more than a week be- fish were aught during the had time—according to RTE year and it is a pleasure to note that several sea-fishing Having said so much I oreas in the County Waterford would like to thank the many as well as the local anglers

New Year and to say how Among the five top anglers much I apprec ate all the who qualified in 1977 for the 300d wishes they contained special award made to anglers.

And now it is all over and who have caught ten or more we face into a New Year specimen fish is Michael again trapefully Spring will Cowming, 4 O'Connell Street, come ea y this year and I Dungarvan who landed seven was reminded of this during flounder over specimen weight the week when I spotted some (2 lbs 8 ozs) in Dungarvan daffodil shoots in my garden throughout the year using a

themselves It is always won- using a peeter crab bait, Mas-derful to see these first signs ter P Lennon using a crab of the recombkening of nature bait, Michael Kelly who had and it should fill us with hope two caught on lugworm, and give us courage to face Michael Power who also had his on a lugworm, Alan Md-CHARISMATIC RENEWAL Gurdy on lugworm and Miguel Garcia who landed

A specimen Blue Shark Those interested in learning weighing 108 libs 8 ozs

Conference will be held at St | A Dutch visitor to Dungar-Augustine's College, Abbey van, A Von Zonderland, got his name into the Record book with a 44 libs Angler Fish which he landed during the btain full details about the landed during the lander on August 28 The Onference from Sister M Dungarvan on August 28 The Presentation Con-specimen weight for this

Dungarvan also figured in the Bass fishing section with Jim Clancy landing a 12 lbs 8 ozs bass (specimen weight 10 lbs) while an English visi-

tar Malcolm Tucker had one Waterfold County Council at
