Boundary **Cunnigar Breach Imminent Says** Extension

The amount of compensation to be paid to Waterford County Council by Waterford Corporation is now one of the key issues in the proposed extension of

the city boundary

Already the Corporation has placed its plans for a major extension of the city boundary before the Council and now Council officials headed by County Manager, Mr C A O Connor have finalised what for the vast acreage of entire Brickey drainage scheme they regard as fair compensa land that would be 'lost' to the county under the proposed ex-

The financial details however are being kept a closely guarded secret and will remain so until they have been officially conveyed to the Corporation This is likely to be done within the next week or ten days when Mr O Connor will meet his city counterpart, Mr Michael Doody It is no secret however that eally 'big money' will be involved because much of the land that would be brought un der the wing of Waterford Corporation under the boundary

Details of the compensation being sought by the County Council are likely to be unfolded at the next meeting in Dungarvan on May 2th when May ed at the next meeting in Dan-garvan on May 8th when Mr O'Connor has promised to re-port back in detail on his meet ing with the Corporation

Council Protests Over Midnight Car

Several members of Waterford County Council made protests at this week's meeting of the Council in Dungarvan over the noise and inconvenience occasioned to people in East Waterford during a recent week-end car rally held in the area Cilr P Cahill who raised the

matter said that he had re ceived a great number of com-plaints about the rally from people living in the Kilmeaden and Ballyduff areas Fifty or sixty cars all travelling at between 60 and 70 moh took part in the midnight rally said Clir Cahill

He added that the rally had been organised by the Carrick-On-Suir Motor Club and people were awakened in the dead of night by the sound of roaring engines Children in particular were unable to sleep with the noise of the speeding cars" he

said
Cilr F' King said that residents of the Knockhouse area had made similar complaints to him while Cilr P Crotty said that the people of Dunmore East were none too happy about the rally either
Mr J D Hally Co Engin
eer told the Council that motor

clubs normally make applica-tion to the Council for the clos ing of roads for such rallies In the instance referred to how ever no such application had been received Finally on the suggestion of Cilr King the Council decided to refer the matter to the Garda authorities in Waterford

DEFEAT

We certainly paid the penalty last Sunday for fielding a very much below strength side in the first round of the intermediate football championship and we can have no cribs about our 2-9 to 1-7 defeat by Brickey Rangers at Fraher Field

We started very promisingly and with the strong breeze to our backs led 1-3 to nil after quarter of an hour we were pulled back to four points by half time and eventually Brickeys took the lead and went on to register a well deserved victory.

Young Tommy Sheehan was our best player on the day while Jimmy Healy too had a fine game in attack But really the absence of so many regulars was too great a handicap Not to mention our obvious lack of fitness
