BALLYSAGGART NOTES

GAA-U14's Bow Out To Ma Deilge — On Monday evening last at Cappoquin our under 14 footballers lost their game against Ma Deilge on the score line 5-5 to 0 0 But this in no way tells the story of what was our best display to date

Our opponents raced into a quick lead and most of their scores came in the first few min utes Then Ballysaggart went on the defensive and held the opposition at bay with some great saves stout defence and never say-die attitude and despite all the pressure imposed on them our defence did not concede the final goal until the last minute of the game Building Fund Makes Good

County Council in Dungaryan prior to his retirement some few years ago where he enjoyed the widest fopularity not only from the Council officials but also from his fellow-workers. He was a man with an expert knowledge of his job as a fitter mechanic and his sound judgment and practical approach to all problems were qualities which were keenly sought after and were always readily available.

In his young days he was a hurler of note with the Dungar van Club and played for his county several times and had won not only county medals but also minor and junior All-Ireland medals Throughout his life he maintained an active in terest in the affairs of the GAA and at one period he was a senior county hurling selector. The late Mr Whelan was a friend of all who had the pleasure of his acquaintance and his jovial disposition made him a general favourite. However the greatest quality he held was that of a wonderful husband and a kind and loving father. His remains were removed on Wednesday evening to St Marys Pairsh Church Dungaryan followed by a huge cortege which consisted of all sections of the community with an especially large representation of Council
