THOUSANDS TO SEE ALL WESTERN FOOTBALL FINAL

SUNDAY NEXT

Sunday next is county senior football final day and supporters of the big-ball game will it is within the bounds of the parade will be better the parade will b football final day and supportof the big-ball game will
come in their thousands to see
this interesting and exciting allWestern clash between two sides
who have survived top-class
opposition in one of the best
championships that we have
seen for some time
Ballinacourty who have defeated such sides as Kill Stradbally Dunhul and John Mitchels
Will be opposed by Clashmore,
a side who came from rags to
stolding that beat Affane—then
it is within the bounds of possibility Unlike Ballinacourty, if
Clashmore win, it will not be
the first tame that the clubs
name will appear in the record
book — which tells us that
Clashmore are the only club in
the county to have held the title
for five successive years (1903
to 1907) They also won the
county title in 1920 and again
in 1925 and an interesting fact
about all these victories is that
the parade will be better organised — players will be compelled to wear uniform finicks and
stockings
will be in attendance to select
the player of the senior game
who will be in attendance to select
the player of the senior game
who will be presented with the
Youcher for a track-suit and
football boots

What about Clashmore last year's county intermediate final they entered the fray as outsiders but in the end they proved worthy winners over a very shocked Ferrybank side They were rank outsiders when pitted against Affane in the first round of the senior champion-ship and many people had to wait to see the result in print before believing it Bonmahon were cock-sure of beating them in the next round but they did came to the Fraher field fully covinced that they would "put a stop to their gallop" but here again the story was the same and Clashmore came off the field fully confident that they would beat Affiane in the next round Even the famous Ripley would have found it difficult to believe this one but it happen ed as we saw and now Clash-more—once the most famous name in Waterford football are in the county final on Sunday and again fully confident of
