OBITUARY

Mr. Peter Keane

No words of mine can express our disappointment at the stradbally decision not to fulning county final date with us. Seemingly the Reds have injury problems and when their application to the County Board early last week for a postponement of the final was refused they subsequently interest that they would not be going ahead with the fixture on the scheduled date.

We recold the unexpected death curred on Indisally October at Arakeen hospital alter a duration of inness and at a comparatively early age included on Saturday October.
