club and outlined his reasons why the system was not serving

its purpose.

Ned Power, St. Mary's, supported and Noel Fleming and Frankie Corcoran spoke against. Clashmore supported the motion and Ballinameela opposed As the motions are due to be discussed by the County Con-vention a vote was not taken, but it was evident from the floor, that there is growing sap-port for the abolition of the system and this will make the County Convention debates all

the more interesting
Abbeyside / Ballinacourty 8 motion to have the bye-law requiring the Board to make a new draw for each round of the championships, abolished was given unanimous support, but this must now be ratified by County Convention. Tony Mansheld also moved this motion.

Speaking on Clashmore's motion to have the Board Officers set up a league programme Eddie O'Halloran said the idea was to confine the leagues to independent junior clubs, who should get four or five matches out of the league and he suggested that it be run in conunction with the championthips. This motion was passed unanimously

The Chairman said that clarification would have to be sought on the Abbeyside motion about playing extra time if a first round game with a losers group ended in a draw Such a motion, if passed could conflict with general rules, but the mat-ter could be clarified by County

Eddie Cunningham was Tal-lows speaker on their motions about the recruitment of referees and penalising of clubs who failed to turn out for games — not having given the stipulated notice to the Board Both were approved NO LOSERS GROUP IN

As a result of the first motion by Abbeyside — the seeking to have the losers group in the minor cham-pionships abolished it was discovered that, in fact, there was no losers group in the minor championships since 1966 and it was introduced in the West fol-lowing the 1969 Convention, but the Divisional motions were not ratified by the County Conven-tion, so in fact they never were proper championships

As the motion cannot now be ratified by County Convention there will not be a losers group n the 1979 minor championships of either division.

Decian O Sullivan Dungaryan both attended the Convention at Lismore on Sunday last and wre congratulated by the Chairman in having attended all lifty-three Conventions since the Board was set up Dec told me afterwards that at the first the Green Room in the Town Hall, Dungarvan only 14 delegates attended. There were 148 elegates present last Sunday Lismore club certainly had their hands full on Sunday in managing the senior hurling tournament and arranging accommodation for the Conv. n-tion. They certainly did a splendid Job in both.

The annual Draws and Fix-

tures meeting of the Board has been fixed for February 6th at Dungarvan.

The senior hurling team which had a useful outing and played well against Tipperary on Sunday last, will be in action again on next Sunday when they meet Kilkenny at Walsh Park. The team has not been but it is unlikely to show any changes apart from the recall out of the game last Sunday because of a bout of flu

matter of the County Convention this week, but I find that I must wait until next week for a full preview of the meeting I understand that is is now a fact that there will be two definite changes in the new of the outgoing members will no. stand. With four changes already having been made at West and two in the East-this means that there will be least six new faces at the 1979 County Board meetings FOR INTER FIRMS FINAL

waterford Commercials quali-ta fied for the final of the Interfirms senior hurling when they defeated the Galway side 2-8 to 0-7 in the semi-final played in of Waterford last Sunday and now go on to meet Avonmore Cream-eries in the final which will be played at Walsh Park on Sun-of day January 27th.

Citizens Of The **World Visit** Dungaryan

On 24th and 25th January oversea students from the four corners of the earth will converge on Dungarvan in a massive educational exercise organtor Overseas Students in conjunction with local schools The aim of the programme is to stimulate a greater awareness among Irish people leading towards a better understanding and appreciation of our neighbours from developing countries Although development education now finds a place in almost every schools curriculum the issue can often appear dull and irrelevant compared with other subjects. So this week, a number of young overseas peode currently studying in Ireiand will visit Dungarvan schools and talk about their lifestyle in their homelands their culture their religions and their traditions. The overseas students themselves are in Ireland for a variety of reasons, some have come for a long stay others will simply remain for a few months. But they all have one thing in common they are studying skills which they hope will one day benefit their people on their return home DIRECT CONTRAST

Few Irish people ever get a chance to make a friend among our overseas students. This is because it is hard to meet them they are studying extremely hard and usually do very well in their examinations and then they are different their lifestyle is in direct contrast with our own. But it is worth finding out about them, it is worth making an effort to discover what things are important to them. After all, they spend a great deal of time adapting to the Irish way of life so perhaps we could meet them halfway

The Irish Council for Over-seas Students would like to take this opportunity to thank all the people of Dungarvan who have extended a very hearty 'Cead Mile Failte' to our overseas visitors.

COUNTY COUNCIL NEED ALMOST £6} MILLION

40 m.p.h. Speed Limit At Grange Not Practical

When Cllr Sean Whelan pro-posed at last Monday's meeting f Waterford County Council in Dungarvan that a 40 mph stretch of road on either side of Grange Church he said that people going to Mass on Sun-days were unable to cross the road because of the speeding traffic He suggested a similar arrangement as at Leamybrien Waterford County Council ected even though not legal as have approved in principle of they would have the effect of slowing down cars

The Co Engineer Mr J D Hally said that the proposal was not a practical one as this was an open road but he said he would discuss the position

Deputy A Deasy said that he would like a definite answer about the speed signs at Leamybrien for the next meeting as he understood people had been prosecuted for speeding there Cllr T Kyne thought the idea of a speed limit at Grange crazy 'If you do that you will block up the whole road from here to Cork" he said

ST. LAURENCE'S YOUTH CLUB

The disco last week was good with the music of Soundsur-round Our next disco in a fortaight's time will feature a new DJ Details later on.

Last Friday saw our concert practice open for 1979 Attend-ance could have been better but we expect a much better reac-tion next Friday Practice will start at 815 sharp and there will also be practice on Sunday at 300 Plenty of parts are still available in sketches and chorus and if anyone feels they have an act for the concert alert one of the committee

Waterford Has Youth was the theme of the information night held recently in St John's College Waterford We were represented by Geraldine Pat and

A last word about the concert This year our material is even better than last year and you know the talent we have -so come along and give us the sup port we need By the time you read this we

should have met with Dungar-an Youth Club to iron out the ie al's of a get-together be-tween the two clubs This pronives to be a great night with fun i errs we haven t tried be-fore Till next week then —'CLUB SPY'

> Music teacher Mr Eamonn Walsh of Dungarvan said he

knew accused since he himself was a child Ordinarily he was pleasant like a child, but he could have varied moods and react very suddenly

A typical incident was when Murray was playing cards with witness and some children A child made a mistake and Murray reacted violently by leaving the table quite sudden-

VERDICT This concluded the evidence and the jury of eleven men and one woman retired and return-ed after an absence of 21 hours Their verdict acquitted accused on the murder charge but found him guilty of manslaughter

Murray was then put back un-

til next Tuesday in custody
