PUBLIC NOTICE WATERFORD COUNTY COUNCIL

DUNGARYAN URBAN DISTRICT COUNCIL
Local Government (Financial Provisions) Act, 1878
RELIEF OF DOMESTIC AND CERTAIN OTHER RATES
APPLICATIONS AND APPEALS

The above Act validates the full relief of rates which applies from January 1 1978 to domestic property the domestic portion of mixed property (Le property embody ing a non-domestic as well as a domestic use), secondary schools, community halls and farm buildings not previously exempted from rates The Act also validates the 25% relief of rates which applied to domestic property and to the domestic part of mixed property in 1977 The attention of ratepayers is drawn to certain of the more important rights which are available to them under ction 7 of the Act.

Application to District Court for Rates Relief Where, in 1979 or any subsequent year a ratepayer is aggrieved at the failure of a rating authority to grant him an allowance under the new Act or where he feels that the wrong allowance has been granted (e.g. that his property should be treated as fully domestic rather than as mixed) he has the following redress Within 2 months of the date of the making of the rate—notice of this is given in the newspapers—the ratepayer can write to the rating authority asking them to grant the appropriate allowance If the rating authority refuse—and failure by them to reply within 28 days will count as a refusal—the ratepayer can apply to the District Court within 4 months of the making of the rate, to have the relief given. The Dis-

trict Court, if satisfied with the ratepayer's case will direct the rating authority to give the rates relief sought This right of application applies also in relation to 1977 and 1978 Any ratepayer aggrieved in relation to those years may make a written request for relief to the rating authority not later than February 19, 1979 and if dissatisfied with their decision may apply for relief to the District Court not later than April 19

Application for special Apportionment of Valuation of mixed property the Act provides for the determination, by reference to a standard formula or the domestic portion of the valuation of mixed property (i.e a property embodying a non-domestic as well as a domestic use) However the rated occupier of such property may, if he is dissatisfied with the application of the standard for-mula, apply through the rating authority to the Commissioner of Valuation to have the domestic and nondomestic elements of his valuation specially appor-tioned for the purposes of the new rates reliefs. This application may be made at any time but it will only affect the amount of the relief to be allowed in the

year in which it is taken if
(a) it is brought not later than August 31 of that vear and (b) no previous apportionment has been obtained in

An appeal may be taken to the Circuit Court within 21 days against a decision by the Commissioner of As regards 1977 and 1978 apportionments which will

be effective for those years may be sought up to June Enquiries about this notice should be made to WATERFORD COUNTY COUNCIL
