Munster Colleges Senior Football Semi-Final PRIARY SEAL VICTORY WITH LATE POINTS

Priory 0-18, St. Flannan's 0-8, Urged on by the full-throated and frantic encouragement of their supporters, the Friary staged a do-or-die rally and seal ed their victory with two glorious late points from Ger Sullivan and Ger Walsh. Though dubted a lucky win by some, it would nevertheless have been a travesty of justice if St. Augustravesty of justice if St. Augus-tine's had lost this Munster Col-leges semi-final, as they looked the more accomplished football squad during the hour Indeed, only their tremendous spirit kept St. Flannan's in the hunt. The Friary won the toss and elected to play against the tricky wind, a decision that looked mistaken when Flanthrow-in and their full-forward picked off a point in the open ing seconds. But then the decision proved a match-winner cision proved a match-winner as the back line settled into their task. Inspired by the high-fielding of full-back Danno Looby, who seemed to have a reconstitution with the contraction of the contraction proprietorial right on every ball inside the 21 the two corner men. S. Keevers (Ardmore) and M. Waterford who now await the outcome of the Kilkenny/Wexford game to get a clearer insight into their position dominated last Sunday's clash from an Offaly side whose performance overall belied the good ing point of view from the game although the Waterford victory

There was a vast difference in the standards of the sides and Offaly forward division below par performances of some of the players and may have been the cause of the apalling inaccuracy displayed by the Waterford forwards in partWaterford forwards in partWaterford forwards in part-

Offaly had few stars in last Sunday's game and in parti-cular they failed miserably to match the home side in the centre of the field where Mossie Walsh and Kieran Ryan in particular were brilliant

It was Ryan's goal from a 0-3 each E Goghlan and M sixty yards shot in the 8th min-Cleere 0-1 each ute which really set Waterford to 0-3 interval lead belied their overall first half supremacy and they looked anything but comfortable at this stage having played with the advantage of the very strong breeze
