voted in local elections, and General elections, but on Thursday 7th June you'll be voting for the first time ever in the European Parliament elections

180,000,000 others are due to do likewise because up to now the European Parliament has been appointed by the National Parliaments But this year. for the first time, its 410 members will be directly elected by the people of the EEC

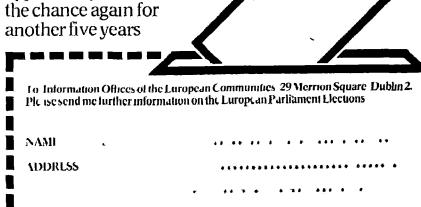

When you think of what the Parliament does you realise why these elections are so important. There are 410 members, divided not into national groups, but into political groups, so the 15 Irish members split-up according to their political philosophies

By joining with others, their point of view gains more weight

Any new legislation must be debated in public by the Parliament before it can be passed by the Council of Ministers It also debates how much money should be given by the different Funds and

membership up to now-so by voting to someone with your interests at heart, you are doing your community and your country a service

It's something you've never done before, so don't miss the opportunity You won't get the chance again for another five years

VOTE! And let someone you know keep an eye on things.

12 HURLING FINAL Ger Beresford 4-5

Michael Dwyer 4-0 There was an upset in the form book at the C.B.S. field last triday evening when the favourites for the clubs U/12 Hurling League Final were beaten by cirtue of a very determined efort by Ger Beresford's team.

From the very outset it was clear that an upset could well te on the cards as young Beresfords squad seemed to be bent on avenging earlier defeats while Michael Dwyer's team, apart rom one or two never really got involved in the proredines.

Scoring wise it was all one ay traffic in the first half and with Con Connors in particularly good form, he scored 3-4 in all the winners led at the break br 3-1 to 00

With the aid of the breeze in the second half Michael Dwyers team came more into the reckoning. Gerard Ryan was on hand to finish a good Richard Ronaine effort to the net and Michael Dwyer had a long puck-out deflected into the goal However that man Connors

was on hand again and he had some more tital scores to keep the opposition at bay with six minutes remaining The losers now threw caution to the wind -Pat Early and Richard Ron avne had good goals and they final whistle blew

There is no doubt that Ger Beres'ord's team deserved their victory as they gave 100%, effort throughout while the favourites only seemed to get going when are cegan to run out Apart from Con Connors the

winners were ter, well served by their captain plus Pat Whelan, who never stops trying in each gare Kieran Curran and Martin Kelly The losers having promised so

MAN, OLDEST MAN?

The skulls Kilgreany A and B are preserved in the National Museum. Dublin. The experts eem to agree that Kilgreany B is the oldest of all human skulls o far discovered in Ireland This would make him the oldest brishman, despite the fact that the experts find features like low forehead measurement not found in the modern Irishman An interesting feature is that his teeth are excellent, not so worn as the Bronze age man sho ate a lot of grain where our stone age man ate more meat and raw meat, at that! On the other hand, some of the bones showed signs of arthritis!

ABBEYSIDE COMMUNITY

A meeting was held in Abceyside School on Tuesday night It was decided that as there were no organisers to run tennis and pasketball we will not be participating in county competitions This is a pity as once again the children are the victims of our lack of interest

As some new activities are being introduced there is a chance that some children could per suade their parents to organise draughts for under 10 years GAA for girls under 14 and clay modelling for the same age Variety 15 minute spot Pitch and

Putt and girls soccer COUNTY BOARD The County Board at its last meeting made draws in all existing activities but the new activities above will be considered if there is sufficient response from areas On cost it is worth noting that the approximate cost for the week-end in Butlins is £14 00

On Easter Monday night in the Town Hall the Community Games Disco will be held There are still a number of tickets available at Danny's Supermaret and Frank Murphy's The DP is of course the very popular Blue Flame For 50p you can be assured of value for
