Oh Earn dear, another year Has slowly passed us by, And every day we think of you There are very few upon this earth Who meant so much to us And we want you to know We miss you very much To see again your smiling face Would be a dream come true But we know inside our hearts There is nothing we can do Our hearts did break upon that

You never said goodbye, And if our wishes had come true, You never would have died Now we're sending a message And a very special prayer Hoping you'll watch over us And wait for us up there
