## PENSMAN TAKES YOU behind the SPOTLIGHT

**THE IRISH DISEASE**  
On Friday last, the Taoiseach, Mr Jack Lynch diagnosed the Irish disease — long and frequent strikes that cut off basic public services such as electricity, telephones and postal services. And no sooner had he made his diagnosis than one of these services commenced to react again with country-wide power cuts which started on Monday, throwing everything out of gear yet one more time.

Having staggered through an 18 weeks telephone and postal stoppage we have now been plunged into yet another crippling situation and it would appear that the public services in this country are just hell bent on smashing everything in the pursuit of their own sectional interests.

The power cuts which started on Monday are we have been told due to a fault in the Tarbert plant and the internal union dissension within the ESB as to who presses which switch. These are the reasons which have been coming up on each occasion when we have had interruptions in the past. They are problems which should have been solved long ago if the Management and Unions of the ESB were doing their job positively and competently.

However, it is now being generally stated that the ESB are availing of these situations to cut off power necessary in order to convince the public that there is need for nuclear power on the ground that the necessary energy is not available under a present system. If this is true it is nothing less than criminal.

It is true that the necessary energy is not now available simply means that the ESB have failed to do their job in providing adequate supplies of power to cope even with the ever increased demands now being made on it. But this is not summer time and the weather is warm so demands except for cooking, just in the domestic field are at a rate of minimal.

If we are now subjected to this on the score of just shud-

## BALLYDUFF NOTES

**Ballyduff Loses A Great Friend** — With the unexpected and untimely death of Mr Jack Tinnely, Lismore, we in Ballyduff and in Muntz na Three especially have lost a very dear friend. We all loved and respected Jack and his family since they came to Lismore five years ago.

We are loved to visit Ballyduff. We used all gather round to listen to him sing his favourite songs.

To his loving wife Eileen family parents and relatives we tender deep sympathy.

May the sod of his beloved Rostrevor rest lightly on him.

## Abbeyside Pattern Notes

With less than a month to go preparations are well under way for the Pattern. This year's Pattern will run from the 12th to 19th of August and will be bigger and better than ever. As well as the many usual activities, there will be skittles, horse shoe throwing a talent contest and other new events.

The talent contest will be held on-stage at the Pond where there will be entertainment for seven nights during the Pattern.

Details of entry for groups will be given later on, but individual contestants will be able to enter the contest at the Pond.

The closing-date for the Pattern Squash Tournament is next Sunday July 22nd. A full programme of the Pattern events will be available in about two weeks time. Most of the competitions have already been sponsored but if someone wishes to sponsor an event they should contact a member of the committee. Their name may not go down in posterity as a result but it will go down in the programme.

Keep an eye on these notes over the coming weeks when further information will be given about what's in store for Pattern week. — PRO

## A WALK AROUND ARDMORE

Tuesday next, July 24 is the feast of St Declan and it marks the pattern week of Ardmore. The event now is not what it used to be in the old days but nonetheless many visitors still go to the picturesque seaside village to take part in the traditional devotions long associated with the pattern. These pilgrim visitors together with the growing numbers which in recent years have been making it the base for summer holidays will turn Ardmore into a busier than usual place during the coming week.

For those visiting St Declan's village for the pattern this year there will be an added pleasure if they can lay their hands on a beautiful little booklet just published under the title "A Walk Around Ardmore". It is the work of the Lincoln family who have long associations with the area.

Written by Siobhan Lincoln, the design lettering and research were done by Colm and Mary and the beautiful line drawings which illustrate the booklet were the work of another member of the family, Gay Brabazon. The booklet forms the basis of a most informative tour of the village taking in all the points and old stories associated with St Declan. I understand that copies of the booklet, which was published by the Lincoln family at their own expense, are now available at many shops in the village.

The following extract from the booklet shows how well the subject was researched before it went to print.

"St Declan's feast-day is celebrated on the 24th July Pattern Day. It has been referred to as 'certainly the most ancient and notable popular assemblage in the Decies'.

"There is a gathering at the well at midnight on the 23rd July and the 'Rounds' are done but the principal gathering is on Pattern Sunday, the Sunday nearest to the 24th July. Pilgrims continue to come all during the following week but not at all to the extent that they did in former years.

"A first-hand account of the Pattern in Ardmore was given by a gentleman of high attainment and undoubted veracity to Mr and Mrs J. C. Hall, who toured the country in 1838 and 1840 as follows

The crowd then formed a long line winding up the narrow path that leads along the mountain brow to St Declan's chapel. The scenery was beautiful as we looked over the precipitous cliff across the Bay of Ardmore. On the brink, stand the remnants of a chapel, said to be the first built in the town, entering the gate on your right hand is the well St Declan blessed, a narrow doorway leads to it. They then knelt down to the well and said their prayers.

At twenty different periods I counted the people as they passed, they averaged 55 a minute, which gives a total of 12 or 15,000 persons.

The account then relates the activities in the village, "the tents 64 in number are now complete. Eating drinking dancing occupy the multitude. One figure is walking about with a boiled leg of mutton and salt in one hand, a big knife in the other, vociferating 'a cut for a penny, a cut for a penny! Here cheese and fish are selling, some tents contain gaming tables'.

Certainly "A Walk Around Ardmore" is a booklet which anyone who wants to know the historic background to the village and its pattern should make a point of getting.

This club will run off an open boat event on the 12th August for the Abbeyside Pattern 10.00 to 18.00 hours

**DUNGARVAN FISHING AREA**  
Some very interesting news of two boats The May Day and the Atlantis who went out with two parties from the North of Ireland and England 5 in one boat and 4 in the other They landed between the two boats 6 blue sharks which having been brought aboard were then tagged and released The sharks ranged from 50 to 97 lbs Bass also were landed by both these parties near Clonmel Beach and ranged from 8 lbs to 9 lbs The parties fished from 10 am to 7 pm Thursday

These visiting anglers are attracted by the variety of fishing and what is important the availability of boats that can be readily hired and ready for the visitor Anglers from Germany more than amazed onlookers including the Conger King with the splendid catch they arrived in port with after their party's fishing 4 made up the party in The King Fisher who caught over 30 pollack from 8 to 20 lbs and congers over eight to each rod These visitors are staying in the Old Borough and His Majesty expects to accompany them on an outing during the coming week He presented them with a few of his paintings and they were indeed appreciative

NEWS FROM CAPPOQUIN

Another Meeting — Reactions to the drawn senior hurling championship game against Ballyduff on Sunday last continue to vary. Many regard it as a great recovery in a bad situation others as an opportunity lost. Certainly Cappoquin were unlucky to see a notable victory which they had notched out of nothing snatched from them in the last seconds but it must fairly be said that with twenty minutes left for play there was a little cause to hope for a draw much less a win. All credit to the whole fifteen for the manner in which they raised their game after a miserable first forty minutes. They did enough to deserve a win but in the long term the experience gained will be of untold value.

The game will be remembered only for the heart-stopping excitement of that last quarter. Selectors experiments did not quite work out and Mick Hackett and Johnny Mason did not make their final decisive contribution until they moved out from the corner positions where they began. Over the hour Brian Hennessy and Fintan Murray achieved a share of midfield possession which Cappoquin required. Michael Brackett again dominated at full-back—his loss in the final minutes was a disaster—and Tom Scanlon and Jasper McCarthy were always in the thick of it.

One final comment. The public are surely entitled to an official explanation of the mess up which occurred through the continual changing of line-ups of the game. Many people took newspaper announcements at their face value and turned up at Lismore at 7.30 on Sunday evening. The people who pay at the gate are certainly entitled to feel that this is not good enough.

BLE League—The league competition for BLE clubs continues to provide good fare and Cappoquin club athletes are doing very well as results indicate.

Plans are going ahead for a victory celebration for our recent All-Ireland debating win. Further details will be published later. Next meeting is on Saturday 21st July at 8.30 p.m. when the agenda includes Dungarvan Show Field Evening and Victory Celebration plans.

Blood Donor Awards—Congratulations to Mr W O'Donoghue (Sr) and Mr Jim Murray on their reception of the Gold Awards from the Blood Trans-

fusion Service Board—a symbol of practical concern for the welfare of others

Rugby Gold—Cappoquin's under 11 Rugby team had a great win on Thursday evening last by beating a very strong St Saviour's (Waterford) team in the County Final 16-0 and so collecting gold for the first time in this sport. This was a very good team performance with every player playing his part especially as regards tackling as they kept their line intact.

Our tries came from Eamonn O'Shea (2) Martin Power (1) and Kevin Reddy (1).

There was tremendous excitement as the cup was presented to team captain Eamonn O'Shea. We all look forward to the Monster semi-final at Thurles on Saturday, July 28th.

The victorious panel was Eamonn O'Shea, Pearse McCarthy, John McGrath, Martin Power, Kevin Reddy, Seamus McLoughlin, Simon O'Brien, Alan O'Connor, Fintan Veale, Kieran Veale, Donagh Cummins and Michael Ormonde.

The team lined out as follows: Scrum half—M Power. Out half—E O'Shea, Centres—F Veale and K Reddy. Wings—S O'Brien and J McGrath. Forwards—Hooker A O'Connor, Props—P McCarthy and S McLoughlin.

Cappoquin Angling Club—The 5th annual competition is being held at Cappoquin on Sunday next, July 22nd, starting at 1.30 p.m. The competition is being sponsored by the business people of the area. Worthwhile prizes to be won. (Adv't)

G.A.A. NOTES

Tallow fancied to beat Dungarvan

WEEK END PROGRAMME

Maybe not as interesting as last week-end's fixtures but we still have a dozen matches that can provide excitement for both hurling and football fans throughout the division.

The list includes the meeting of Dungarvan and Tallow in senior hurling at Cappoquin on tonight (Friday) the local derby involving John Mitchels and neighbours Kilmathomas at Leamybrien on Sunday evening and the clashes between Ballyduff and Ring in intermediate football in Dungarvan on the afternoon of Sunday and Colligan against Kilgobinet in the evening at the same venue.

DUNGARVAN v TALLOW

Tallow will probably have to find without Pat Daly out nevertheless they should beat Dungarvan in tomorrow (Friday) night's losers senior hurling tie at Cappoquin.

Tallow lost to Ballyduff in a thriller in the first round but made no mistake against Erin's Own a few weeks later at Dungarvan. Practically every player on their side has more senior experience than their counterparts on the opposition and this must be a factor.

Dungarvan winners of the intermediate title last year have made very good progress since the award since their promotion. They lost to Abbeyside in the first round and beat Ballygunner in their next match. They have been playing very well in the senior league having defeated Abbeyside and Tourin and drawn with Fourmilewater.

Since their advent to senior status there has been tremendous dedication on the part of the players and the men who will represent them in this game —Patsy Hackett, Jim Sullivan, Sean Murphy, John Power, Pádraic Martin, Sandford, Michael Norris, Liam Simeon, Tommy Healy, Pat Terry, Jimmy Healy, Michael Donnelly etc. have all shown marked improvement over the year. They will certainly make Tallow travel all day was at full stretch for the hour but they are not likely to win.

MITCHELS v KILMATHOMAS

The meeting of these neighbours in senior football at Leamybrien on Sunday evening is a local derby of the highest quality. It is a second round Waterford and the interest it has generated reflects the tremendous rivalry between the sides.

Kilmathomas who lost to Ballinacorney in the junior county final last year opted for senior and have made a great impression in the championship so far.

Mitchels lost to Stradbally in the first round but almost annihilated the Nire in their losers group tie two weeks ago. It is expected that Mitchels will win but it is a year of surprises.

RING v BALLYDUFF

This is the big afternoon attraction in Dungarvan with both sides bidding for a place in the intermediate football final. Ring looked a very good side when beating junior county champions Ballinacorney six weeks ago and a repeat of that form could see them through. It's been quite some time since Ring played this type of open and fast football. It is an attractive style but it might not work

against every opposition. Now that they have seemed to develop this style I am sure they will stick to it.

The players that represented them in their opening match Noclach Og Mac Craith, Seamus Manahan, Tom Maher, P. Kelly, Noel and Donna Murchu, Sean Lenane, Kevin Curran, Michael Drummy, M. Wheelan, Pat Hart, B'nc S Murray etc. have reported it and following a very satisfactory training session they will all be expected to play as well as in their first game and win.

Ballyduff have two big irons in the fire at the moment and are watching the hurling one match more than the football. At the big ball game Ballyduff can be good or bad. They were good when beating Ring in the first round last year and were very poor when losing to Briceys in the Western final. If memory serves me right then Ballyduff have beaten Ring in their last two meetings a fact that will make them confident of being able to repeat the feat. Somehow I don't believe that they will this time.

COLLIGAN v KILGOBINET

This local derby junior hurling tie will attract quite a few to the Fraher field on Sunday evening and the game should be entertaining and quite exciting. The standard of hurling most certainly will not compare with the kind of stuff that the same teams could play several years ago. The standard of both sides has fallen and this was very much in evidence last Sunday when Colligan only just managed to beat an under-strength Clashmore side. Colligan can certainly play hurling but their teamwork and sense of positioning was absolutely atrocious.

Kilgobinet have not been seen out since beating Ere O2 and this was such a lion and mouse affair that the team could hardly be judged on the particular display. There can be very little between the sides and it will be touch and go all the way.

Colligan having had the ankle of a tough trial on last Sunday may field the better prepared side and just about win.

EIRE OG v MODELIGO

This will be the opening match at the Fraher field on Sunday. It is a second round junior hurling tie in the losers group and if present form is a true guide then I take Modeligo to win.

They played well against Colligan in the first round and beat the Briceys rather narrowly in the first round of the losers section.

Eire Og on the other hand were very poor against Kilgobinet in their first game and unless they have improved considerably since I cannot see them winning here.

TOURIN v LISMORE

This is a second round junior football tie and it will take place at Cappoquin on Saturday evening. Football standards on both sides have sunk quite a bit in recent years so it is unlikely that the quality of the football will be of a high order. Lismore who are the fitter team at the moment will be favourites and may win.

SENIOR FOOTBALL CHAMPIONSHIP

Following last Sunday's results county champions Ballinacorney and Ferrysbank are through to the semi-finals of the senior football championship and when the third quarter final between Dunhill and Kilmathomas will be known The fourth semi-finalists will come from the losers group and at the moment the teams remaining in that section are Mitchels, Kilmathomas, Tramore, Rathgormack, Aifane and Clashmore. So with ten teams remaining it is still any ones guess as to who will win the title this year.

Ballinacorney began Ladly against Ardmore on Sunday evening but in the second half they really showed and won the game as a great display and while Ballinacorney were the better team Ardmore were very unlucky with at least two shots at goal. Ballinacorney certainly had the luck but they deserved to win. They were very unlucky too that the injury which forced Nucky Cashin to retire in the second half is more serious than was suspected. It did not help the injury either when Nucky insisted on going back on late in the game as when ex-rayed on Monday it was found that he had a hairline fracture on the ankle and his leg is now in plaster. This was confirmed to me on Monday night and it is very bad news for the club that were inter-practical and county full-back will miss their vital hurling tie against Lismore on Sunday week.

By Commentator

SENIOR HURLING

The position here is not quite so clear even though only nine teams are left at this stage. No team has yet qualified for the semi-finals. Ballyduff and Cappoquin nearly did when they played a draw last Sunday. Cappoquin who incidentally were only once ever beaten by Ballyduff were the unlucky ones when they failed to hold their four points lead which they held only a couple of minutes from the finish.

The replay, which is likely to take place on August 5th, will certainly be looked forward to with interest. I recall the last occasion on which the same sides drew (1948 in junior) and Cappoquin winning the replay. Lismore and Abbeyside will meet on Sunday week to decide which of those who get to the first semi-final. In the losers group Mount Son (who beat Clones on Sunday last) Tallis and Dungarvan who met at Friday night and Butlerstown who are also waiting in the wings all have a bit to do before qualifying for the fourth semi-final.

# Decisive Win For Ballinacourty

Champions Ballinacourty successfully defended their senior football crown at Fraher Field Dungarvan, on Sunday night last when they scored what in the end proved to be a decisive six points win over Ardmore in a tough but sporting encounter.

Watched by a very large crowd the champions struggled throughout the opening half despite having a strong hold on the centre of the field but once they got moving in the second half they showed that it will take a better than average side to wrest the title from them.

They have matured into a tough battling well balanced side and this they proved last Sunday night. They were under strong pressure early on from an Ardmore side which looked sharp and dangerous conceded a penalty and then had two marvellous escapes in front of goal.

But they survived all the pressure to come out in the second half with a power packed display to which the challengers had no answer.

Ardmore raced into an early two points lead but the sides were level at 0-2 each by the tenth minute. Pat Enright put the champions in front a minute later but the sides were level for the second time when Noel O'Connor pointed for Ardmore in the 15th minute.

Ardmore despite losing the midfield duel were moving the better of the two at this stage and when Noel O'Connor was felled in the Ballinacourty goalmouth in the 21st minute and Denis Conway goaled from the penalty the champions looked to be in real trouble.

The Ballinacourty defence were in trouble again two minutes later when Ardmore full forward Declan O'Brien found himself in possession and unmarked right in front of the champions goal. But the Ardmore man made a mess of the chance shot too soon and right at the advancing keeper and the ball was subsequently scrambled clear.

It was a tragic miss for Ardmore who were playing very well at the time but the narrow escape really shook Ballinacourty who suddenly became transformed

BALLINACOURTY 0-14, ARDMORE 1-5

**CLICKED**  
Full forward Tom Whelan switched with centre forward John Dwyer and the team suddenly clicked into top gear as the former Rung man completely outjumped Ardmore centre back Denis Conway, who up to this had been very prominent as an attacking defender.

The champions were in complete control in the centre of the field and slowly they forced Ardmore back on the defensive. Tom Whelan pointed in the 28th minute and points from John Dwyer and John Moloney had the sides level at 0-6 to 1-3 at the interval.

Ballinacourty took the lead for the second time in the game, a lead they subsequently held as Pat Enright swept over a great point ten seconds after the restart.

Ardmore made a great bid to get back into the game but again full forward Declan O'Brien missed a golden opportunity of goaling. These were chances they could ill afford to lose against the champions and this was borne true as the winners swept into attack putting the Ardmore defence under extreme pressure.

So much on top were the champions for the remainder of the game that Ardmore did not score in this half until the 22nd minute when Declan Hennessy pointed. Before this Ballinacourty had points from Seamus Fitzgerald, John Moloney and two from Pat Enright and their title was safe for another spell as they led 0-11 to 1-4 with just eight minutes remaining.

Enright and John Dwyer added points to consolidate their position. Tom O'Connor had Ardmore's second score of the half three minutes from time but substitute Gerry Lookey finished the scoring with a point for a rampant Ballinacourty just two minutes before the end.

**HARD WON VICTORY**  
In the final analysis it proved a hard won victory for the champions. It was a game which really tested their courage and had Ardmore who battled grimly to the end scored from the

two good chances they got the battle would have been all the greater. But still Ballinacourty in the mood they were in in the second half would have been mighty hard to beat.

Johnny Burns turned in another great display in the half line of defence, where Nicky Cashin was also prominent until he retired injured in the full line. Eddie Cashin and Michael Flynn were in tremendous form while Felix Shindler and captain Joe Power had their moments. Jim Kiely made some very good saves in goal and on one occasion denied Ardmore a certain goal.

Michael Hanrahan and John Moloney were unbeatable in the centre of the field while the second half display of Pat Enright in the forward line had to be seen to be believed. Tom Whelan played very well when moved to centre forward. John Dwyer also improved after the switch while Marty Kiely, Jim Kiely and Seamus Fitzgerald all contributed here.

Ardmore will certainly rue the chances they missed but certainly their selectors did nothing to help the side by failing to make changes when it was obvious to everyone that changes were needed.

Noel O'Connor was little more than a passenger at centre-field where it was obvious that he was suffering from a leg that was heavily bandaged. He found it hard to keep up with the play from the start yet the selectors insisted on him remaining in this vital area until late in the game.

There were other areas particularly in attack which needed changing yet the selectors waited until three minutes from the end before making a substitution and then it was a defender they took off. Whether Ardmore would have beaten the champions or not had changes been made is not the question. The fact remains that changes were called for from early on but were not made and when they did make a substitution it was too late and in the wrong area anyway.

John Colbert kept a good goal for the losers. Pat Pender was a tower of strength at full back and got good assistance in defence from Denis Conway and Lynch. Noel Conway fought a lone battle at midfield while Johnny Hennessy, Declan Hennessy and Tom O'Connor were best in attack.

**Scorers** Ballinacourty: P Enright 0-5, J Dwyer, J Moloney and S Fitzgerald 0-2 each, T Whelan, J Kiely and G Lookey 0-1 each. Ardmore: D Conway 1-0, D Hennessy 0-2, J O'Donnell, T O'Connor and N O'Connor 0-1 each.

The position of sacristan at Ardmore is a full-time commitment. It is but just that he is generously remunerated for his very deserving collection.

Despite the many claims being made on their finances at the present time parishioners and visitors are asked to be generous in their contributions to this very deserving collection.

## Colligan Survived Tremendous Battle

**Colligan 1-12, Clashmore 1-9**  
Colligan survived a tremendous battle with Clashmore in this close and exciting junior hurling tie played at Dungarvan on Sunday last.

The game was fast and furious with the lead changing hands several times. Both sides were evenly matched and although Clashmore seemed the fitter side Colligan had a bit more hurling craft and were worthy winners in the end.

Clashmore got the better of the early exchanges and were 0-7 to 0-5 up entering the final minutes of the first half but a great goal from John Ahearne just before the break gave Colligan a 1-5 to 0-7 advantage.

The winners were leading by 1-7 to 0-8 after ten minutes of the second half but a goal from Mike O'Neill shot Clashmore into a 1-7 to 1-8 lead going into the final quarter. Colligan's craft began to tell at this stage and points from Jim Brett and John Ahearne (two) left them two points clear.

Declan Terry pointed a Clashmore free but Colligan were not to be denied and points from Paudie Flynn and Jim Brett left them three points clear at the finish.

The winner were well served by Anthony Walsh, Sean Wall, Larry Cliffe, Tony Whelan, Jim Brett, Michael Flynn, Paudie Flynn, Roddy Fitzgerald, Tom Whelan and John Ahearne.

Clashmore's best were Michael Terry, Eddie O'Halloran, Vinny Rourke, Dec Terry, Tony Shalloe and Mike O'Neill.

## Waterford Courthouse Could Cost £1 Million

A letter from Waterford City Manager Mr M Doody read at a meeting of Waterford County Council last week. Dunganarvan stated that tenders received by the Board of Works for the reconstruction of the Courthouse at Catham Street, Waterford indicated that the cost would likely be in excess of the original estimate and would probably be in the £1 million area.

The City Manager expressed the view that it would be impossible for the Corporation to fund its appropriate share of the annual loan charges within a substantial shedding of existing programmes. He said that the Corporation was urgently proposing the formation of a joint deputation with the County Council to the Minister for Justice to have the entire cost of the project met out of a State fund or as a minimum that a substantial State contribution be made towards the cost.

Mr Doody said that the County Council should reserve their rights in regard to the proportion of the cost that would have to eventually pay.

## TALLOW AND ROUNDABOUT NOTES

**Athletic Club**—Some members of the club travelled to Glanmire on Sunday last to a very successful sports meeting held there. Jacqueline Henley had a 2nd and 3rd Paula Collins a 3rd and Jennifer Cunningham a 2nd and 3rd in the ladies. Jennifer who won two gold medals in the Munster sports hopes to take part in the National Championships in Cork on Saturday and Sunday next. We wish her the best of luck. The clubs annual sports day is on Sunday 29th July.

**Tallow Community Centre**—The programme for the 1979 Horse Fair Festival is now nearly complete. Top class groups are booked for the outdoor stage. Dancing patrons will have an opportunity of dancing to some of the best music in the country. D.J. Noel Cunningham will be on stage before all the dance bands so you will not need to wait for the bands to come on stage before you can dance. On Thursday, 30th August an Irish night will be held on the outdoor stage. We will have more details about this at a later stage.

**Future Functions**—In future any club or committee wishing to use the Community Hall should contact Mr Tom Cunningham or Mr J.W. McCarthy. Congratulations—We would like to take this opportunity of congratulating Miss Jennifer Cunningham on her success in the recent Munster Championships of the NACAA and wish her success in the National Finals. She is Chairperson of the Community Centre Youth Committee.

**Brideview Notes**—Brideviews dismal run continued with a defeat at the hands of Mullaigh Carports in the first round of the East Cork Cup in Midleton on Tuesday week last. Brideview took the lead midway through the first half with a superb individualist goal by Milo Ahearne. With play swinging from end to end their defence slipped up to leave the factory side in for the equaliser before half time.

In the latter stages of the second half with the sides still locked at one all the Carports switched their goal-keeper with a striker. This tactical move which apparently went unnoticed by the Brideview menors brought them victory as the keeper turned striker tucked away two goals. Brideview's determination fitness and ability deserved better but they lacked the organisation which is necessary to succeed at this level of competition. Don Henley especially.

## Tallow G.A.A. Notes

**HIGH SEASON**—Just now hurling and football games come crowding on one another in quick succession and with the present pleasant summer weather it is not surprising that players, officials and spectators can enjoy themselves to the full. Under 14 juvenile minor last week we had them all over the last week. Dunggourney came to Tallow on Wednesday to take on Tallow's junior string and though the East Cork men emerged victorious there was little enough in what proved to be quite a lively game.

When Tallow met Dungarvan in Cappoquin in juvenile football last Saturday only one result seemed possible—victory for the Old Boro boys. They duly qualified right enough but Tallow made them battle hard before Dungarvan's superior forward power saw them safely through 3-6 to 0-5. Tallow—R. McCarthy S. Lyons P. Geary M. Tobin E. Cantillon A. Ryan S. Power P. Curley L. Ahearne M. Murphy, T. Flynn K. O'Herlihy P. Power J. Buckley B. Clynch J. Referee J. Jackson.

Tallow 5-6, Cappoquin 4. Friday's minor hurling clash of Tallow and Cappoquin at Lismore provided some of the most fervent hurling of the year particularly during the first half when very little separated the sides. In this half Cappoquin put it up to Tallow right from the throw-in and for all the pressure exerted by the winners it was almost half time before the scoreboard reflected their superiority. When on remembers Con Ryan's dominance of the entire area immediately around the in-goal and his lengthy clearances one realises that the main reason why Tallow had the game well in hand by the three-quarter stage was their ability to get scores while Con Ryan, Mickey Beecher and the other defenders restricted the Cappoquin attack to the occasional score. John Kelly showed great composure and drive and did very well indeed especially at mid-field when he swapped positions with Gerry Hogan. Pat Murphy got through a busy hour and Tommy Flynn's 2-1 and a splendid goal from Barty O'Donoghue stand out in the memory.

Tallow—M. Prendergast S. Lyons C. Ryan A. Ryan P. Geary M. Beecher J. O'Donoghue P. Curley J. Kelly, T. Flynn M. Condon E. O'Donoghue. Referee R. O'Mooney. Tallow 2-13, Lismore 2-6. The final of the Boola Tournament in Melleray on Saturday evening was a senior hurling game to remember. Contested with fierce determination from beginning to end it provided the big entertainment for the big crowd present. Lismore never got on level terms but they played at such a brisk pace with a positive attacking spirit of adventure that they left the outcome in doubt right to the final 3 minutes. Even then Tallow's defence with Liam O'Brien the star and the others taking their cue from him had to roll back wave after wave of attacks. Some of the scores were great ones—Dermot Cantillon's goal. Ducky O'Mooney's cracking shot for the first half goal a great Moroney effort at a time in the second half when Lismore were coming right into the game and fine points by Ray O'Brien, Mickey Curley, Kieran Ryan, John Hartigan and Billy O'Mooney. This game was reminiscent of the Tallow/Ballyduff game which is high praise indeed. Congratulations to two good teams. Tallow—S. Curley F. Ryan D. Henley P. Curley J. Cronin L. O'Brien C. Curley J. McDonnell, M. Curley R. O'Brien K. Ryan S. Treacy, Hartigan D. Cantillon L. Moroney. St. Patrick's G.K.K. 10-2, Tallow 3-1. A weakened under 14 Tallow fifteen were no match for St. Patrick's in the English Tournament earlier this week. Tallow's representatives battled bravely against bigger strong opponents but were too young, too small and inexperienced to cope with the Collihan Kilgobnet Kilbrien boys. Drawing level after ten minutes Tallow tried to break through but the score which would boost their confidence. St. Patrick's big full-back Power proved himself a stone-wall defender whose mighty clearances sent his team on the attack time and again. There was no shame in defeat for a team comprising under 10's under 11's under 12's and under 13's. Tallow—M. Cunningham G. Wales M. Allen, G. Sice A. O'Brien B. Clynch J. J. O'Gorman F. Ryan P. Curley S. Ahearne J. Tobin D. Henley M. McCarthy M. Murphy J. Henley Referee P. J. Conery.

## NEWS FROM LISMORE

**The Week That Was**—This was one of those weeks when many things went wrong. The demand notices for the water rate (increased to £12.00 for a private household) were issued in a week when the water itself had been turned off more often than on. On Monday the ESB unions who are unable to decide who does what once again brought this zone to a standstill, without any prior warning, the national radio announced it 15 minutes after it had been cut off and to crown a miserable week on Sunday last we had the senior hurling attraction between Cappoquin and Ballyduff which according to this paper at least was billed for a 7.30 p.m. start but surprise, it was played at 3.30 p.m. to the disappointment of many who were misled who takes the blame for this blunder? Happily the much maligned weather was for a change very much in our favour—something to be thankful for while once again Villierstown's John Treacy showed in no uncertain manner that he can be rated one of the best in the county. We extend our sympathy to Mr Thomas Scallan, Chapel Street Lismore on the recent death of his sister which occurred in England. Our sympathy also to Mrs Scallan New Street on the recent death of her brother in Cork.

**Goal**—The winner of the O'Connor Cup which was an 18 Hole Stroke competition was Tom Dooney with 66 nett. Second and third were Tom Ryan and Tom Treacy also with 66 nett. The first sixteen in this competition qualified for the Club Mixed Foursomes Competition and they are as follows: J. Crowley V. Quirk T. Dooney S. Hales B. Halahan F. Geary T. Fives T. McMahon P. Murray M. O'Grady T. Ryan V. Flynn J. Gough R. O'Brien D. Howard and S. Beecher. The Clubs Open Women's will run from 28th July to the 6th August 1979 with many valuable prizes to be won.

**Camogie News**—In a very exciting first round championship match on Monday night in Tallow Lismore camogie team emerged victors over a very fit and determined Shamrocks team. Lismore took an early lead with 2 pts but Shamrocks came back with a goal and the lead but Lismore quickly equalised and the score remained level until well into the second half. However thanks to some great goalkeeping from the Lismore keeper fronted by a great backline they held out and in a great final ten minutes netted 3 goals and 1 point to win on the scoreline of 3-4 to 1-0. On Monday night next the President of the Camogie Association of Ireland Mary Moran draws for this competition to do a three hour coaching course from 6.30 to 9.30 p.m. We hope to have a good turn out for her from Shamrocks, Ballyduff Tallow and Cappoquin.

Our next round in the championship is against Kilmac Thomas on Thursday July 26th in Dungarvan or Abbeyside venue to be confirmed later. Team that beat Shamrocks—M. Coleman E. Donoghue J. Robin F. Whelan, A. Hannon T. Caples S. Tobin P. Bolger A. Flannusa M. Sullivan J. Whelan Subs—P. Landers M. Dunne. Flynn. Scorers for Lismore—J. Whelan (2-1), P. Bolger T. Caples, A. Flannusa (1-0 each) S. Tobin (1-0).

**Monster Draw**—Tickets are now on sale for the C.B.S.P.U. Monster Draw to be held on August 12th. They can be had from any member of the committee. (Adv't)  
**First Win For Cricketers**—On Friday last July 15th the Lismore Cricket team had another fine win when they were hosts to Wanderers Cricket Club from Cork in a junior friendly. The visitors batting first but 143 thanks mainly to 61 by B. O'Flynn. Bowling honours for Lismore were shared between E. Flynn, with 4 not out, and J. Campion with 2 for 13. Lismore then proceeded to hit 145 for a loss of just 5 wickets. Top scorers for Lismore were D. Edwards who hit 56 E. Flynn with 29 and 12 year old W. Edwards who in his first game for Lismore hit a creditable 21 not out. Team—E. Flynn G. Kingston A. King M. O'Leary D. Edwards W. Edwards G. Kennedy J. Campion B. Willoughby J. Pollard, D. Edwards. On Sunday July 8th the Lismore cricket team travelled to Harlequin Park in Cork to play a junior league match with Harlequins. Bating first Lismore reached 177 thanks to a brilliant display by opening bat D. Edwards whose 102 was the highlight of a very exciting game. The Cork side in response could reach only 138, thanks to some fine bowling by P. Pollard and E. Foley. Pollard took 3 wickets for 41 runs and Foley had 2 for 22. On this form Lismore must stand a good chance of retaining their league title and again add their name to the Elvery Cup. Team—E. Flynn (capt.) D. Edwards P. Pollard M. Hickey G. Foley G. Kennedy J. Campion J. Pollard B. Willoughby E. Foley P. Campion. Lismore Soccer Notes—The draws for the local Festival Tournament sponsored by H & H equipment have at last been finalised. Tuesday 7th August—Lismore v Cappoquin. Thursday 9th August—Bride View v Tourin. Saturday 11th August—final. All games must start at 7.30 p.m. and teams are asked to submit a panel of 15 players before Sunday, 5th August. A Unisex derby competition will take place on Wednesday 8th August consisting of teams of 5 players (3 male 2 female). Each team to take 25 penalties. Draws for this competition will take place on Sunday, 5th August. So any teams interested in competing should contact either John Walsh Michael Walsh or Donald Dunne. The Legion of Mary will recite the Rosary at the Statue of Our Lady at the Vee on Sunday next at 3 p.m. It is hoped that many of the public will be present.
