SENIOR HURLING

Tallow 5 12, Dungarvan 16

Our senior hurlers made their expected exit from the Lounty Championship at Cappoquin on last riday evening when going under heavily to a nt Tallow

The loss of key players Timmy Healy and Michael Donnelly through injury at a stage in the game when we were holding our own with the Tallow men (halftime score Tallow 2-4 Dungarvan 1-4) did not help our cause but the indifferent attitude of many towards training from the beginning of the championship bore its own results in the second half when we were outplayed by a Tallow team that bears our best wishes for the remainder of the championship cam-

SCOUTS NOTES

4th WATERFORD (ABBEYSIDE)

By the time you read these notes we will be well and truly settled into our campsite in Bunclody This year's annual camp will be an interesting one because of the fact that for the first time over we will be using first time ever we will be using the patrol system of cooking instead of the central system But we the leaders feel that the boys will be well able for the task Who knows maybe we might discover some budding young chefs

All during the camp we will be holding a competition and a trophy will be given to the patrol at the end of camp that we the leaders thought had the cleanest site, cleanest tent best gadgets etc

As this camp is the first camp for quite a number of the boys we hope they will enjoy themselves—they should because we have a full programme with a number of surprises'

Before I finish I would like to thank our fellow scouts in Old Parish (21st Waterford) for inviting the P/Ls and leaders to their victory party and to say that a great night was enjoyed by all

There is one question I would like to ask however and that is—who won the soccer match and who was the ref? VARIETY NIGHTS Just a reminder to parents
