SENIOR FOOTBALL CHAMPIONSHIP

Our footballers made their exit from the championship on last Sunday night at Leamybrien when we were beaten by Tramore on the score 3-11 to It was only our second match in the senior championship this year

It is old news that beaten by Killure in the first round but it must be pointed out that the team which lined out that day were playing their first match together this year have already pointed out in these notes that the football players were not putting in the required effort and we had a different 15 for nearly every challenge match Then when we 21 s are asked to train Monday really needed a championship

Wednesday and Friday nights match Mt Sion conceded a walk-over to Affane We have a good bunch of lads with youth on their side and let us hope for a far better effort next year PG
