GAA Notes - Sunday last saw the start of the U 21 hurling championship when Lismore/ Melleray faced a fancied Abbey-side in Cappoquin Playing against a very stiff breeze in the first half Abbeyside were quicker to settle and were 1-2 to nil up after 15 minutes Three minutes later Lismore's Pat Ahearne scored a goal direct from a "65" and though both sides notched some further points at the break Lismore trailed by 2 pts F Geoghegan moved to full-forward and J Flynn to right-half back and these switches proved vital as in the opening 20 min utes of the second half Geogheefforts of Michael Barry aond the O Sullivan twins Michael gan knocked in three goals one of which was disallowed

Further goals by J Rourke and B Prendergast and points by Landers and Ahearne gave Lismore a convincing win

USE THE MONEY TOHIRE ANOTHER SECRETARY.

Work it out. For £20 a day you could add another secretary to your staff. Including overheads.

And £20 a day is the sort of fine an employer is liable to if he neglects to return his annual Form P35.

Spending money on fines is a crazy way to run a business. Much better to save it or invest it. Especially when the P35 is so simple and straightforward.

If you have difficulty, or any problem that prevents you making the return, please get in touch with us without delay.* We'd much rather help than prosecute.

Be fair to your employees and to yourself. Attend to your P35 right away.

Waterford Footballers Can **Beat Tipperary**

WATERFORD v TIPPERARY
The meeting of Waterford and Tipperary seems like becoming a Walsh Park regular feature of the Munster senior football championship first round game as this will be the third year in succession on which they will have played against each other in a first round In fact one could justifiably say they had to meet twice and then play extra time before deciding which county would go forward to the next On that occasion we drew after a thrilling game at Clonmel and the replay at Dun garvan two weeks later was every bit as exciting and had to May 20th go to extra time before Waterfor came out on top (2-19 to 217) We were subsequently beaten by Kerry

Last year following a very unsatisfactory preparation by some of the players we were hammerwinners certainly were not flattered by their ten points win-ning margin (1-14 to 0-7) Our team showed seven changes in personnel from one year to the

Next Sunday 3 meeting goes on at the Fraher field and the disappointing news for Water ford is that centre-field man cent club championship game doing their business on time

The side selected shows sweepyear's team Tom Hunt in goal and lames Keane corner-back Kerry the distance being unwill play in the same positions | fair to Waterford After the team had wound up its league campaign with a great tive. Tom Cunningham said display against Wexford the that the fixture was a home selectors of down to business and Joe Conway and company right to fix the game for any left nothing undone to ensure venue in their county provided left nothing undone to ensure that all players will be fit and read, for this important game In preparation they have play-

ed practice cames against such sides as Kildare and Wexford and have played against some of the top Dublin club teams So all now appears to be ready for the game and there is an air of confidence in the camp There is the feeling that the fram is a little above the ordin ary as Waterford football teams go and that we can beat Tipp as we did on their last visit to

Tomas Handcock Martin Allen Dermot Hénley, Gerald Sice rootballers of Tallow and Rathshould have seen no need of a replay with the possession enscore should have been trebled and jet in those last frenetic minutes Rathgormack might so easily have snatched the winner

be ore driving wide repeatedly haingormack were much more and Ray OBrien and a surge which yielded further points by ievel at half time 0-5 each

Pat Daly was on the team as ad low trouped out to begin the second half and he quickly made HIS presence .elt when pointing the lead Rathgormack began to t ghten their grip at midfield and but for the great displays of 10 n McCarthy and Con Ryan the game could not have been saved as the Eastern men made repeated raids on the Tallow posts The pressure told when Rathgormack finished the ball to the net after a melee If we windered about the effects of this nammer blow we did not nave long to wait The ball lob red into the Rathgormack area Nocl Shechan's sure hands rose high to grasp it and the next moment he was on the ground The referees whistle halted A penalty! Mickie Curley stroked the ball past the agitated goalie to give Tallow a 1-6 to 1-5 lead When Ray OBrien promptly sent a long range shot sailing between the posts the tide it seemed had turned Michael Geary came on and exceptionally well at Tom McCarthy's great solo run slowed the rest-of his team the way to goal but a free to Rathgormack narrowed the Kieran Ryan's long range point stretched Tallow & advanutes remaining but from here to the last blast of John Moore's whistle it was Rathgormack bringing the game level and al-

most stealing it
No need to pinpoint Tallow's weakness — forward inaccuracy That and a refusal to attempt the shot from midfield Sheehan had a first class game safe and completely reliable with the ability to place his clearances to a team mate Billy Sheehan Con Ryan Liam O Brien and Tom McCarthy (man or the match) were excelleut defenders We lost midfield though Kieran Ryan did much good work Pick of the attack Adrian Cronin Gerald Sice Jim-

GREAT VICTORY

Tallow 5-4, St Olivers 3 1. When you qualify for a final by beating a good team after a really exciting competitive game you have every right to feel elated. Thus Tallow under-14 hurlers delighted tnemselves. and their followers by pulling out all the stops to overcome St Olivers in the League at Tallow on Thursday evening last Fullure to beat St Olivers

rould have meant elimination tro: the play off stages so there d to te a hundred per cent Fort ir m all To heir credit Tillor were equal to the task s i for them and the coronne scant jusice to the fine

Faking covantage of the rt with Gerard Beecher goaland for the next fitten min the had the petter of the exchanges Undaunted St Olivers Fruck Fact to such telling effect tori to half time they were a Tie point cehind Tallow 2-2 St Olivers 2-1 and eagerl awaitit a the resumption of hostilities But as it transpired their fate was decided in the first ten nutes of that second half In this period Tallow pinned St Cavers in their own half and rever allowed them reassert themselves frue enough Ohvers' efforts never flagged but Tallow's backline was brilliantly defiant and their skillful tackling and economy of effort denied the visitors the transfus ion of scores which might so casily have changed the final

indecisive meeting of the senior and Ian Barry kept our goal intact and despite the heavy presgormack at Leamyorien last Sunday in the first round were marked by tension excitement and missed opportunities Either Mark Murphy and Gerard Beechteam could have won and from er played a major role in this iailows point of view there win and can feel very proud of their efforts

Now we know why St Olivers came through their league campaig unbeaten Short their star centr-back Morrissey they neverthe less almost compensated for this big loss by increased work With the wind to their backs rate all round They have plenty Lallow opened brightly winning of skill heaps of spirit plenty of aggression and never once with the policy of run-and-pass pulled a dirty stroke They are a credit to themselves and to Fr Fitzgerald and Terry and if

In the Eastern end of the county Councillor M Queally All the work was completed on said that dead animals were put in plastic bags and dumped on the roadside a highly dangerous practice as it causes the spreading of disease In the Western part of the
