CAPPOQUIN MAN CONVICTED OF DANGEROUS DRIVING

When a car drove over a severe hump-backed bridge at Ligh speed it was air borne to the ex-tent of one and a half feet Dis-trict Justice William F O'Con-nel, was told at Lismore Court

Before the court was Maurice Donnell Lyre, Cappoquin and he was convicted of dangerous driving at Townspark West Lis more on February 10th last

Garda Joe O'Sul'ıv ın told the court that he was on traffic duty on the afternoon in question when the Tallow Point to Point racing fixture was staged After the races had finished there was very heavy traffic and he then saw the defendants car come over a severe hump-backed bridge at a fast speed The car was actually air borne being about eighteen inches off the ground' Garda O'Sullivan said adding that he signalled the driver to stop

Garda O Sullivan said the driver stopped about ninety yards beyond him but as he approached the car drove off again forcing two other cars to brake violently to avoid a collision. He interviewed O'Donnell on February 22nd and while he declined to make a statement he did admit driving the car on the occasion

FAIR ROLLICKING

Cross-examined by Mr J P Gordon Solr Garda O Sullivan agreed that the bridge was a very severe hump backed one also open to the vandalism He and a car travelling at 30 miles added that a number of these an hour would get a fair rolllicking on it.

O Donnell told the court that he came to the bridge doing about 50 miles an hour He agreed the car was airborne but not to the extent of eighteer inches He was not sure if the garda had flagged him down Refusing the request of Mr Gordon to reduce the charge to one of careless driving Justice O Connell convicted O Donnell of dangerous driving fined him £35 and endorsed the conviction Recognisances were fixed in the event of an appeal

on Sunday last for the very first time since gaining senior recorded a win in championship football And though only three points separated the sides at the all of time Tallow were impressive winners who had to

brought us level huiled back every attempt to breach the centre Kieran Ryan and Ray O Brien tightened the midfield grip and the fitter Tal low men swarmed into attack Four points followed and when Stephen Curley fisted the fourth one over one felt that this time there could be no reprieve for the Easterners Their final des-perate attempt to salvage the game ended with Timmle Shee-

han emerging with the ball as the long whistle sounded Best in defence were Timmie Sheehan Con Ryan Billy Sheehan Liam O Brien Tom McCarth and Michael Geary When Michael was introduced at half time for the injured Tom Mc-Sweeney he did so well as to stake a claim to a permanent

position on the team Midfield did very well when they got going and of the forwards Tom Doyle Pat Daly Mickle Curley and Stephen Curley were best Fitness was a major factor in

this historic first championship win for our senior footballers and a tribute to the great work of trainer Brendan Barry who video-taped the game Next outing for this team ex-

pected to be played soon will be the league quarter-final against Butlerstown They have played six games in 1980 and have yet to taste defeat John Moore's handling of the

The eagerness and determination with which Tallow resum ed after the interval were soon to be reflected on the scoreto with midfield taking the scoreto competition we oppose Cappodum while Ballyduff have Listense amongst those youngsters as all have one thing foremost in their minds at present—that is to be the proud holder of the covered Mass Lane Cup

Down through the years this league has produced great games and great burlers and more to overcome

Cappoquin have been making Pat Daly Stephen Curley and Mickie Curley Three points followed before their opponents got a point — 2-5 to 1-6
