I.F.A. WEEKLY BULLETIN RESOURCE TAX TO BE ICMSA Welcomes Resource

The ICMSA welcomed the reassurances from the Taolseach in the Dail on the Govern ment's adherence to the principles of the CAP and the decision to terminate the resource tax at the end of the year

The President of ICMSA Mr Anthony Leddy said While it is reassuring to note the Government's attitude towards the CAP farmers are deeply concerned to see the CAP working in practice in their own individual cases.
'Unfortunately many of the

benefits of the CAP are not reaching the farmers themselves and this is particularly true in Whisting — 11 14—1, Gerard the case of farmers who have the avely borrowed for their enter prises and those on the smaller acreages
Adhering to the principles of the CAP is not quite sufficient

We must have the policies and the machinery to translate these benefits directly into increased farm incomes In relation to the resource tax I would even at this late

stage urge the Government to consider its complete abolition by withdrawing legislation gov erning this year Farmers are in no position to pay our unjust tax in what is turning out to be one of the worst financial years in recent farming history would also urge the Government to reconsider the reintroduction of the agricultural rates grant"

LAND POLICY CONTENTIOUS

There can be only one reason why the Minister for Agriculture is not prepared to introduce a new national land policy This has been a politically content lous issue which demands forthright and courageous decisions and actions which regrettably are not forthcoming This was stated by Mr Hugh Ryan, Deputy President of the

Irish Farmers Association in a statement Mr Ryan said For Minister McSharry to talk about intro-ducing a White Paper on this subject is a clear admission of this fact This is not good

ALL FARMERS GOING THROUGH DIFFICULT TIME

The cost to the State in the maintenance of minimum living conditions and social security benefits is likely to increase substantially among the small far mer section of the agricultural community

This was stated by Mr Terry Sexton Vice-President IFA speaking in Co Longford. Mr Sexton said All farmers are going through a difficult time Even the bigger farmers, if they have capital repayments to make, can find it hard to make ends meet at the moment One-third of all farmers how ever have less than 30 acres of land and the vast majority of them. them are experiencing major difficulties in trying to live on their farms To put it bluntly would be true to say that the future in agriculture for at least half of the farmers in Ireland in doubt Without alternative employment opportunities they have nowhere else to look for as sistance than to the State"

Ardmore seem to have the unusual knack of upsetting newspaper predictions and the recurrence of the provention of the pr paper predictions and the records prove that they have won quite a number of important matches in which they started

To me these are the main elements in the character of both Stradbally and Ardmore or to put it more plainly I believe that what has been happening to both in recent years is more important than past records We

are all inclined to over-When the same sides met in the 1977 county final at Dungar van Stradbally started as the nottest favourites to win a title in that decade That was the occasion on which the Stradbally players exercised on the strand at Clonea before coming strand at Clonea before coming stradbally had things too easy against Kilrossanty and their clashmore won well against Villerstown and are playing as well as they did last season Clashmore at their best can be a danger to any side and if they can bank last Sunday Stradbally beat Kilgobinet strand at Clonea before coming have not been tested yet. They to town I still have a very will be on Sunday when players vivid recollection of what hap-like Pat Clancy, Tom Considine pened in that final and I am Sean Robin and Tom Ahearne sure both Stradbally and espec-larly Ardmore will remember too

SH TOURNAMENT was something delightful to

Tallow beat Passage because they were slightly the better team and because manager Edbetter team die Cunningham knows the right way to wield the iron fist in the velvet glove They next play the winners of the Cappoquin/
Mount Sion replay

Kilrossantys year in senior football came to a disappointing end at Portlaw when they were decisively beaten by Ferrybank This game was all but over at half-time It was at a late stage number of our players were in the Western and old them.

Ballinameela surpassed all previous performances when beating Clashmore in their senor football replay at Cappoquin on Sunday evening It was being said here and there that Ballinameela could surprise the favourites but I doubt if very

many believed it possible The junior champions of 1978 the intermediate champions of 1979 could possibly be the senior champions of 80 Don t anyone think it impossible

Emmetts really flopped against sliabh gCua on Sunday evening when being held scoreless over the hour
Ardmore defeated Dungarvan
and produced a shock result to this first round intermediate hurling tie. It was a shock re-sult because of a declaration by

Ardmore that they would field only their second team This only their second team was not the case Shamrocks advanced another step in the junior hurling championship over the week-end when beating Stradbally The game was played in a downpour and what bits of good hurling that we saw was on the Sham-rocks side The score at half-time was 3-3 to 1-0 and this also

was the full-time score

Players will leave from Kiely's corner at 630 pm.

SPONSORED WALK

The Sponsored Walk to Cruacham organised by the Club Development Committee was as expected a wonderful success with one hundred and fifty walkers taking part Most of those taking part reached the top of the mountain and even though tired and a little leg weary they were nonetheless delighted to have covered the distance in such a relaxed and pleasent atmosphere with their friends Indeed at the mountain top, as the walkers filed to the checkpoint they were heard singing and chatting in the peace and quiet of nature's own beauty Many expressed an obvious sense of achievement, having covered the course and all taking part felt they had done their bit Indeed we agree and we say well done and thank you all

As with all successful ventures,

we agree and we say well done and thank you all

As with all successful ventures, this one had a wonderful backup service We had the Brass Band and the Scouts Pipe Band to set us on our way with a wonderful rendering of lively music Michael Hogan provided the sound system as well as providing the girls to address the walkers Also present were the local Civil Defence and even though there were no casualties their presence was greatly appreciated. The Abboeyside Scouts were acting as stewards and as always they were courteous and efficient Another important factor in the success.

As years ahead

Added attractions to the final were the photographs of the teams and presentations taken by Seamus O Braonan and a video recording of the match which was done by Fr Moran The film of the game was shown at the school on Friday riorning and was enjoyed by all the boys.

A special word of thanks to Edde O'Hollogan who organised. and as always they were courteous and efficient Another important factor in the success was the participation of the lady walkers and helpers The added a bit of colour and excitement to the occasion and they were at their best at the stalls when helping with the refreshments At the stalls minerals milk or the U/16 championships—

SH TOURNAMENT

On Sunday evening our senior hurling team will take part in the sunday through the second half when they had the ball in the Tallow net but the referee disallowed the goal for an infringement in the square Tallow attacked swiftly after this let-off and came close to banging in a goal but the Abbeyshide backs with Kieran Doyle and Pat McGrath dominant held on grimly to halt the Tallow on the Chainn Naomh Chibbeir volleting the Ch was something delighted to watch The same cannot be said about the game I thought it poor with the standard disappointing Cappoquin should won decisively they were the better than to the standard disappoints.

On Sunday evening our senior is ideal backs with Kieran Doyle and Pat McGrath dominant held on grimly to halt the Tallow on g point lead Kieran Doyle who had now switched to the for-ward line soloed his way in to crash home a great goal to put the issue beyond doubt

This was a fine win and full marks to Pat White who had the Village boys well drilled and in fine shape to take the title for the second successive year Full marks to Tallow also who played such delightful football and made us battle all the way Final score — Abbeyside 2-3

Fr. Twomey's Residents Association

At a recent committee meeting of the Fr Twomey's Residents Association in Dungarvan con-cern was expressed at the continued trend of speculators buying and then renting out houses in the area

It was felt that the moral

ssue of people buying up houses for investment while young families were seeking homes was an area for action by elected representatives. However it was also strongly felt that the Residents Association had a role to play in ensuring that landlords who rented out houses in the area complied with their moral obligations to the com munity that their property was well maintained and their ten ants well-behaved It was decided that close watch be maintained on the situation and where any resident feels that they have a reasonable complaint should contact the commit ee who would then take ap propriate action where deemed necessary—PRO
