The 1980 Peugeot 504's

Sheer Good Value

Value for money motoring is a rare commodity in these tough times but Peugeot now present their 1980 504 Saloon and Estate range as their answer to inflation and spiralling fuel costs

Fuel Economy

For such a large car the Peugeot 504 offers you amazing economy. The 504 1800 s run on regular petrol and the Saloon returns up to 36 mpg

at 56 miles per hour * But economy means more than just good miles per gallon. Lift the bonnet and you will see that there is plenty of room around the engine meaning easier and therefore cheaper servicing it means main services only being required every 10,000 miles and a 12 month guarantee

Strength and reliability

The Peugeot 504 range offers you more than just pound for pound value Well over 21/2 million cars have been produced worldwide and have proved themselves time and time again with outright wins in the most gruelling long distance rallies Like all Peugeots the 504 receives comprehensive electrophoresis rust protection as well as stringent in factory quality control testing

Space, comfort and ride

The 504 Salcons offer you true family car comfort with plenty of head leg and shoulder room for five adults to travel in absolute comfort. The 504 Estate offers you an amazing amount of load space With the back seat folded there is a massive load volume and an incredible 6 ft 4 ins load-deck length But don't be mistaken. The Estate is not just another version of the Saloon It is built as an Estate car and to give you true superiority over other saloon car adaptations features a long wheelbase and specially strengthened suspension while the family estates offer power assisted steering and

IT'S CAPPOQUIN IN A THRILLER

Cappoquin 4-5, Tallow 2-9

In the year's finest hurling match a game that throbbed with all that is best in our announcement of the position and has matured quickof those self same opponents The beautiful autumnal sunshine drew a very big crowd to Lismore and whatever about an understandable disappointment by Tallow supporters at the loss of a title which could so easily was a lack of penetration in our of a title which could so easily have been retained no person forward division which evenpresent could deny that this was an outstanding game The
pitch was as good as the best putch is just now but following runs and Michael Condon took the continual rainfall of the last month conditions were all of the possession so bravely sticky, there was no run on the won there was quite a lot of ball and lifting was a difficult scoring chances squandered and the quick tackling of the Cappoquin backs made scoring

to come within 30 seconds Philly Curley's point one min-ute later gave Tallow a lead which they enjoyed until within five minutes of the half time whistle In between we witnessed some marvellous physical
whole-hearted commitment from Sheehan G Hogan J Fitzger toth sides that allowed no aid F Ryan M Curley M spectator respite you darent Beecher P Curley S Pratt, D take your eyes on the play in Cantillon M Condon case you missed a stroke of this Referee — R Orm hurling spectacular Machael Condon's goal in the eighth minute (1-3 to 0-2) Cappoquin's arst goal after fourteen minutes (1-3 to 1-2). Condon's second goal (2-3 to 1-2) all kept time to the quickening pulse Brave Cappoquin lifted their game for the remaining twelve minutes of this half and denied Tallow a score during this period while scoring two points themselves and taking the lead and better than their hosts for the first time when Fintan Murray shot to the net in the twenty-fifth minute Five hectic that point ahead (2-4 to 2-3) when half time allowed everyone time to draw a breath

In the Under 10 match the visitors proved to be stronger and better than their hosts Dominating the first half their strong play helped to give them a good five goal lead at half time Whatever notions they may have entertained of strolling through the second half were rudely shattered by Tallow's spirited hurling when play resumed. The home team at the merits of Cappoquin's naring the first prize a boutle of sherry, 2nd prize went to congratulate them and do sincerely hope that they will go on to annex the county under 21 title.
