COMMON ORGANISATION OF THE MARKET FOR SHEEPMEAT

(Council Regulation EEC 1837/80) Scheme of Premiums for Good Quality Ewes 1980/81

A system of compensatory premiums will be payable under the above Regulation for good quality ewes used for breeding and which were I year old on 20 October, 1980 The amount of the premium payable for the period 20 October, 1980 to 5 April, 1981 should be about £3 50 per ewe Since however the calculation of the amount is based among other things on the actual level of market prices in that period, the final figure can be only an estimate at this stage

An advance of the premium estimated at about £2.75 per ewe (but this figure may vary up or down depending on how market prices develop) will be paid in January 1981. The balance will be paid after the end of the parketing year which ends on 5 April 1981 when the precise figure has been calculated.

opplication forms for the premium have been posted to li potential applicants registered with the Department inder existing sheep headage schemes (i e Disadvan aged Area Schemes and Lowland Hogget Ewe Scheme) you are not registered under existing sheep headage chemes or even if you are but have not received an application form by 10 NOVEMBER, 1981 you should write for a form to-
