AN ILLEGAL RATE?
 Waterford County Council made a dramatic u-turn at the end of a 3-hour annual estimates meeting in Dungarvan last Monday when, by a majority vote, they passed an amendment purporting to state the same rate as in 1981 for the coming year.

The decision came out of the hour after the members had spent the entire evening going through a comprehensive report on the estimates submitted by the Co. Manager in which he dealt with the various Programme Groups and the financial requirements for the coming year. The Council had been asked to approve a 12% increase in the rate to £12.50 per £100 of rateable value.

Mr. Dan Hurley, County Manager, in his first major speech since assuming office as the County's Chief Executive, pointed out to the members in his report that the Minister for the Environment had directed rating authorities to limit the maximum amount by which the aggregate rate in the £ to be determined by each rating authority for 1981 exceeds the rate of 1980, by 12%.

"I feel," stated the Manager's report, "as an obligation, point out to the elected members of Waterford County Council that such a limit is clearly inadequate to continue to provide services at a level equivalent to that provided in 1979 and previous years. Accordingly the Council will have no choice but to curtail services to the public in 1981."

Mr. Hurley went on to say that the 12% together with the effective valuations would mean an increase in revenue of £473,000 to the Council in 1981 but he then pointed out that increases in fixed items of expenditure under such headings as wages, salaries, pensions, statutory claims and malicious injury claims which would have to be funded in the coming year came to a total in excess of £580,000.

He also told the Council that as things stood, an expansion of operations as they would be them would not be possible in 1981, but he stressed that the main factors on which the formulation of the estimates as set before the Council were to 1) a plan of sufficient work to retain the labour force without further reductions in staff, either in the road servicing programme or the scale of work undertaken in 1979 and 1980.

In order to carry on this limited programme Mr. Hurley recommended to the Council the adoption of a rate of £11.57, an increase of £155 over last year which represented the permitted 12% increase on the 1980 rate of £10.29.

As I have said the Council members spent the evening going through the Co. Manager's 21-page report and the various groups took place on various items, no objections of a specific nature were raised by any of the proposals contained in it. In the heat of the hour when a proposal was made to reduce the rate as recommended was placed before the meeting it looked certain to pass without opposition but it was at this stage that the Council performed its unexpected u-turn when an amendment came up from the Fine Gael members that the same rate as last year be adopted and that services be cut back accordingly.

The Chairman accepted the amendment as being in order and it was put to the meeting and on a vote of 13 to 10 decided carried. The meeting ended immediately after this but before one member had asked how such unemployment in the town would be created among the Council's staff or another declaring that

hardly a week passes without a new dog turning up on the stray (the majority females) and pointed out that these appearances coincide with the weekly mart day in the town. From her experience of animals she has no doubts but that many of them are council bred and she believes that they are left behind deliberately by farmers who attend the marts.

The lady believes, and I agree with her, that it is more than time to deal with this growing problem. It is cruel to turn animals on the loose to stray and fend for themselves and I further agree that the only humane way to deal with the situation is to have them put down in painless fashion.

A HISTORY OF DUNGARVAN CO-OP
 It is proposed to mark the 60th anniversary of Dungarvan Co-op Creamery by erecting a plaque to its founders and compiling a history of the Dungarvan Co-op in particular and of the Co-operative Movement in Waterford in general. The compilers have asked my help in requesting any readers in any part of the county who could help them by loaning them any old documents or photographs they might have of the time the Creamery was started in 1921.

THESE ARE MY MOUNTAINS
 Our chosen for the ballad corner this week is the nostalgic "These Are My Mountains," which, although having its origins in Scotland, is very popular in this country too.

For fame and for fortune I've wandered the earth
 But now I've returned to the land of my birth
 I've brought back my treasures but only to find
 They're less than the pleasures I first left behind.

Co. Council strike same rate as last year

With the support of two Fine Gael members, the eleven Fine Gael members of Waterford County Council succeeded in passing a resolution that the same rate as last year be struck for 1981 carried over from 1980. The decision came as a complete surprise a few minutes before the meeting ended.

In his report which was completed in January 1981, the County Manager Mr. Dan Hurley recommended a rate of £12.50 requiring an increase of £155 on last year's rate of £11.95. This was within the limit of 12% permitted in a notification to all rating authorities by the Minister of the Environment dated January 12.

The estimates provided for a total expenditure in the coming year of £2,223,019. With an estimated income of £4,487,800 the net expenditure amounted to £14,596,000 which was an increase of £3,000 over last year. The net amount to be met by the County Rate was given as £4,560,000 requiring a rate in the £ of £11.47.

Commenting on the 12% limit on the rate, the County Manager said he was particularly encouraged at the fact that the various bodies who serve the county were not included in the estimates as these were then not included in the County Agricultural Committee. County Agricultural

Murphy League — The top of the Murphy League table clash between the leading Athane and their nearest rivals Youhal on Sunday afternoon last was unfortunately marred by a serious accident in the rating authorities, entirely accidental, as a result of which the player, W. Walsh, is hospitalised. At the time of the accident Athane were leading by two clear goals after giving possibly their best performance to one of the visiting teams and could and should have scored at least another goal.

As Youhal had no 12th man and were two goals down and reduced to ten men for the second half, their captain endeavoured both points to their opponents.

Following a speedy recovery to Willie Walsh.

Kilkeogh dropped a valuable point in a scoreless draw with Youhal where, a goal from each side received marching orders.

Valley Rangers maintained their pressure on the Athane with a hard earned win by a single goal over Bide View in a goalless draw. The ball in the back of the net in Cappoulin and the score now joint 4th, kept up the pressure on the Athane.

Match results, Sun. Feb. 22 — Filtown 2, Ballysaggart 1; Bide View 0, Valley Rts. 1; Kilkeogh 0, Shamrocks 0; Cappoulin 0, Modelico 2; Dungarvan 1, Lismore 4.

Fixtures for Sunday, March 1st — Lismore v. Ballysaggart at 11.00; Modelico v. Athane at 11.30; Filtown v. Bide View United at 11.30; Valley Rangers v. Shamrocks at 1.00; Dungarvan v. Cappoulin at 11.30.

DUNGARVAN GOLF CLUB

Despite the recent cold weather, the golfers maintained their enthusiasm for the game and the long bright evening that we so much look forward to. With the grass starting to grow and the weather conditions beginning to improve, it is an opportune time to re-visit the club and to discuss the course with regard to repairing work on greens and replacing divots on the fairways. This is a very important quality in any golfer.

May I remind you that we hold our annual St. Patrick's Eve Buffet and dance on Monday, 16th March. Tickets limited to 120.

By popular request the next POKER CLASSIC will be held on Saturday, 6th of March. Names to be entered with the captain or Tom Mulcahy.

THESE STRAYING DOGS

In recent months much criticism has been voiced of packs of marauding stray dogs moving out from towns and built-up areas into the country causing untold damage to sheep flocks and even cattle in night raids. Without doubt the criticisms were well founded as evidence of the damage abounded. The complaints so made included criticisms of people who took unwanted dogs out into the country in their cars and dropped them off in strange places.

During the past week, however, a complaint in parish to the latter was voiced to me by a lady living in Dungarvan. Admitting that she was soft-hearted and particularly kind to stray animals, including dogs, she said that the position in regard to the number of stray dogs in the town has been getting out of hand recently. She indicated that

I.F.A. BULLETIN

E.E.C. PROPOSALS ONLY

INCREASE

The proposals from the EEC Commission for a farm price increase of 7% for 1981 represents only one half of the price increase required to cover cost increases at ECU level and is only about one-fifth of the increase which Irish farmers would require to restore their incomes to 1979 levels.

This was stated by Mr. Donal Cashman, IFA President, in a resolution Mr. Cashman stated: "In reality the prices proposed by the Commission, if implemented, would work out at considerably less than 7% for two reasons.

"Firstly, the price increase for milk and beef, the two largest sectors in Irish agriculture, are to apply in two stages, and the vast bulk of our 1981 production would only benefit from the first part of the price increase which is 4%.

"Secondly, the Commission has proposed further new co-responsibility measures on milk production, and has extended this policy to co-responsibility on the beef and cereal sectors as well. These co-responsibility measures make it almost impossible to judge the real value of the Commission's total proposals.

"As regards the position of Irish farmers, it is difficult to fully assess the Commission's proposals until the content of the special Irish package has also been published by the Commission. What we do know is that the Commission made particular reference to the magnitude of the drop in farm income in Ireland in the past year.

Mr. Cashman continued: "If the EEC Council of Ministers want to maintain a Common Agricultural Policy which improves substantially on the Commission's proposals, it is essential to judge the real value of the proposal before last April. If an agreement is not reached by then, I repeat IFA's call upon the Irish Government to implement the necessary price increases from that date.

"IFA continues to be totally opposed to the introduction of co-responsibility while the EEC continues to import into the Community substantial quantities of agricultural products already in self-sufficiency such as butter, beef and sugar, competing directly with our vegetable fats, and the means of further production in the form of cereals and other products.

FARM INCOMES DOWN 50%

The unwillingness of successive Governments since 1974 to grant tax relief on essential inputs to beef cow producers has resulted in a 40% reduction of the beef cow herd, low farm incomes, a reduction of employment in the meat business and a loss of foreign revenue to the economy. This was stated by Mr. Seamus Crawford, Chairman of the IFA National Livestock Committee in a statement.

He said: "Over the last two years farmers' incomes have fallen by over 50% per cent in real terms, and the loss of production of the present shortage of cattle is a direct result of excessive stocking which took place last year because farm incomes were so low.

"If incentives for 1981 must be to rebuild our beef cow herd with quality animals, obtain realistic price increases for our produce, control the costs of production and equalise competition under the CAP for livestock.

"The EEC's beef cow premium must be increased to at least £50 per cow and supplemented

West Waterford Darts Notes

The final of the league was played at Irwin's of Aglish on Friday night last, before an estimated crowd of 250 people. The two teams battling for the trophy were the teams from Section A: Kennedy's from Aglish and Muttie's from Ballydoole.

Muttie's took the honours in a very close and exciting contest on a score of 4-3.

Final two players were B. Curley and Steven Allen, who ended 2-1. Liam Dowd beat Mick Murphy 2-0. P. Pratt beat P. Hickey 2-0. Seán Ó'Connell beat P. Ó'Connell 2-0. S. Dorney beat J. Linn 2-1. C. Stee beat P. Fanning 2-0. The contest was a close and most exciting seen in a final with a long line-up.

Alan Lyons (Glanmole), John Lyons (Glanmole), and Sammie Whelan (Kilkeev) also competed, and excitement surrounded the winners and runners-up respectively with outstanding trophies.

The Committee would like to thank 400 supporters for making the event a most enjoyable one, and also to thank the sponsors and Mr. John Lyons who granted us permission to hold the event in his bar, the Darts Club.

A special word of thanks to Bill and Betty Lewis who had the venue in tip-top shape. Also to our markers and callers for the night: P. J. Conroy, Tony King and J. O'Brien.

DRAWS FOR M. J. KEANE CUP

PHELAN CUP

Ballynacourty 0-2, Stradbally 1-11

We had to give way to a superior side and very much in form Stradbally team when we played them in the Phelan Cup game at the Stradbally venue on Sunday morning last. This was our first football outing for some months and it was indeed a disappointment to see such a fine turn-out of players on Sunday and having made the start we were forward to seeing players making full use of the early start.

ABBEYSIDE SCOUT NOTES

(St. Joseph's Units)

WE ARE THE CHAMPIONS

On Sunday last the troop took part in a regional football tournament which was held at our club after playing a total of three games and two hours competitive football.

The first game for the team was against Stradbally (Knocknagilly) in Cappoquin. The troop had a slight disadvantage in this game as they were playing with thirteen men as two had not turned up to take notice—Mick and Tom. This however did no seem much of a disadvantage as some players did the work of two. They were very hard game and the troop eventually won by the high score of 4-3 to 1.

A rather unfortunate incident happened in this game when our captain was sent off. I wonder why? He was also suspended from playing the semi-final and final. The captain's position was filled in by Daniel Meahan.

With Stradbally knocked out of the tournament, we were low in the semi-final. The team did not seem very tired and crushed the Tallows team by 4-3 to 1-2. (This score could have been higher except for the poor condition of the ball which was like an elephants graveyard.

We were now in the final against Omeashers Cappoquin who were much stronger than us. The bigger they are the harder they fall! Almost from the start the game was through our point and minutes later extended the lead to two points. This however did not dishearten the side and after hard work we took the lead with a goal by super star, Minutes later however, Cappoquin boys through our defence to score a goal to go into the lead once more.

We were now down to our very last gas as we were playing for very long as five minutes later A. Spratt side-stepped the referee to go into the lead. Subsequently after that goal, another Jordan intercepted a goal-keeper and chipped the goal.

The special committee dealing with our social night have arranged everything in readiness for what is sure to be an outstanding night at the Gold Coast. Ballynacourty beginning at 9.00 p.m. on this Friday (to-night) 27th Feb.

PROGRESSIVE 45 THIS SATURDAY NIGHT

KILGOBINET YOUTH CLUB

Well, it seems that this time of the year the majority of clubs concerning youth are all over Waterford in a state of hibernation. This is due to the fact that the majority of clubs are at the disposal of all County Waterford clubs and they are advised to visit at every instance. The great aid to this is Owen O'Neill and he will assist everyone in any way possible.

CLUB CONCERT

The club has been very devoted to pacifying for our concert on Friday, March 6 in Caghassan Hall at about 8 p.m. It promises to be a fantastic night, with plenty of laughter, but it will be a night to remember. We hope that a great crowd will attend, so be sure to give your support and bring the whole family out for a night's entertainment. There is nothing better than a hot night to make the best of it.

CLUB GOSSIP

Everyone is delighted to see that Jim Kelly has a head on his shoulders after Friday night. It's tough at the top, Jim! Lad! Bar, bar, bar! See you next time.

DUNGARVAN I.G.A. WHIST

Results in Dungarvan:—22-1st lady, Mrs. Deasy and Miss Deasy (tie); 1st gent, Mrs. O'Donoghue and Mrs. Cahill (tie); 2nd gent, Mrs. Deasy.

TOURIN G.A.A. NOTES

Training for the coming season is taking place in the Community Centre every Thursday night at 8.30 p.m. There has been a good attendance each night and despite the players being out of practice for a long time, they are making a lot of progress. While it is good to see a large turn-out, there are still a few players who are conspicuous by their absence. The weather being very cold, is of course a bit of a problem, but it should not affect the promises made at the AGM.

Bernard O'Gorman is putting in a really great effort, so let's show our appreciation with an all-out effort too.

The sponsored walk in aid of club funds takes place on St. Patrick's Day. The lads are doing 400 rounds now with their cards and so far the response has been very good.

Miraculous Recovery By Waterford

Waterford, trailing by eight points with time ticking away, pulled themselves back to level terms in the closing minutes of this Division 1 hurling match at Dungarvan, on Sunday last.

The game was a hard fought affair, with both sides showing great courage and determination. Waterford's comeback was truly miraculous, as they overcame a deficit of eight points to secure a narrow victory.

The match was played in front of a large crowd of spectators, who were entertained throughout by the skill and speed of the players on both sides.

Waterford's comeback was led by their star players, who showed great resilience and teamwork. Their ability to score in the final minutes of the game was a testament to their fighting spirit.

The victory was a morale booster for the team and their supporters, who were proud of their team's performance. The game will be remembered as one of the most exciting matches in the history of the competition.

County Waterford Harbour Development

Mr. Deasy asked the Minister for Fisheries and Forestry the progress of the County Waterford Harbour Development project.

The Minister responded that the project is well advanced and that the County Council is working closely with the relevant departments to ensure its successful completion.

The development of the harbour is a key priority for the County Council, as it will provide a significant boost to the local economy and create many jobs.

The project includes the construction of a new pier, the improvement of the existing quays, and the installation of modern mooring facilities.

The Minister expressed his confidence that the project will be completed on time and to the highest standards. He also mentioned that the County Council is providing financial support for the project.

Presentations Mark Retirement Of Mr. Bernard Tyers From P.O. Service

Mr. Bernard Tyers, who has retired after 40 years of service in the Post Office, was the guest of honor at a presentation ceremony held at the local club.

The ceremony was attended by a large number of friends and colleagues, who gathered to celebrate his long and distinguished career.

Mr. Tyers was presented with a certificate of appreciation and a memento by the club members, who expressed their admiration for his dedication and hard work.

Mr. Tyers, in his speech, thanked his colleagues and friends for their support and encouragement over the years. He also mentioned the many challenges he had faced during his career and how he had overcome them.

The presentation was a touching occasion, and it was a pleasure for everyone to see Mr. Tyers so honored. He will be missed by all who knew him.

Ballymacarby To Continue Campaign To Be Designated As Severely Handicapped

At the annual general meeting of Ballymacarby, the Chairman, Mr. Anthony Ryan, expressed disappointment at the fact that the area had not been included in the areas designated as severely handicapped by the Department of Agriculture.

Mr. Ryan stated that the area is severely handicapped due to its poor soil, high water table, and steep slopes. He mentioned that the area has been severely affected by the drought and the loss of crops.

He called on the Department of Agriculture to consider the area for designation as severely handicapped, as this would provide the farmers with the necessary financial support to continue their operations.

Wildlife Monitoring

Mr. Deasy asked the Minister for Fisheries and Forestry the progress of the Wildlife Monitoring project.

The Minister responded that the project is well advanced and that the Department is working closely with the relevant departments to ensure its successful completion.

The monitoring of wildlife is a key priority for the Department, as it will provide valuable information on the state of the environment and the impact of human activities.

The project includes the installation of monitoring stations, the collection of data, and the analysis of the results. The Minister expressed his confidence that the project will provide valuable insights into the state of the environment.

Apologise And Retract Or Resign Call To Minister By Co. Council

Arising from a letter from Mr. Jackie Fahy, Minister of State, published in local papers last week, the Waterford Co. Council had under-consideration their roads allocation for 1980 by 2207,000, there was a reaction by members from all sides of the house when the Council met in Dungarvan for their Annual Estimates meeting last Monday.

The Minister was raised by Cllr. T. Kyne just before the Council proceeded to consider the estimates when he said that he felt a bit lost because of the statement by the Minister of State, Mr. Fahy, in the local papers last week that the Council had returned sums in excess of 2,200,000 to his Department when the County Engineer had previously informed them that they returned no money, 'personally', said Cllr. Kyne. 'I have the utmost confidence in the County Engineer, the former County Manager and our present County Manager and I don't believe that we did return any money but I think a statement should be made to put the matter straight as far as the public are concerned.'

Cllr. J. Quirk supported and said he was also quite satisfied that no money had been returned out in view of what had been stated by the Minister of State. He thought it would be unwise to get the truth across to the public, in the circumstances of the position. He was asked to send a senior official to explain the position as that, in his view, was the only way they could now get the truth over to the public. 'We must get someone down from the Department', he said, 'to sort this whole matter out and let the public know once and for all what is telling the truth. All I want, where this is concerned, is fair play in the Department.'

Cllr. K. O'Ryan said that he had been flustered to read the statements from the Minister of State in the papers as he knew and every member of the Council knew that they always looked for more money and were fighting tooth and nail to keep the Council staff fully employed. 'The statement of the Minister is a terrible statement', said Cllr. O'Ryan, 'and if it is not substantiated then he should be called on to resign.'

Deputy A. Deasy, Chairman, regretted the reference in the

Minister's letter to 'the opposition'. Cllr. P. Kennedy said that the statement had put a lot of pressure on all the members of the Council as to who was telling the truth.

Cllr. T. Realy thought the only way the matter could be cleared up was to get the public auditor to go into the accounts of the Council and then make a statement.

CO. MANAGER'S STATEMENT

When the Chairman said that the County Manager had a statement to make on the matter, Mr. Dan Hurley, Co. Manager, then read the following statement to the meeting:

'I have seen statements on the local papers in connection with the allocation of monies to Waterford County Council by the Department of the Environment. I would like to comment as follows on these statements:

'The schedule of allocations of monies for 1980 to Waterford County Council as listed is correct. What is not correct is the statement that Waterford County Council had underpayment of 2,207,000 allocated in 1980. It can only be assumed that as other allocations of substance have already been paid in full the "underpayment" must relate to the allocation for roads. The position in this regard is as follows:

Paid (at 6/2/81) for 1980 Expenditure	£1,189,800
Allocated 1980 including 29/9/80	£1,154,000
Recouped at 31/12/80	£207,000
Balance to be recouped	£246,032

Recouping of Road Grants is on a monthly cycle on the basis of expenditure returns. The following figures were supplied to the Department as follows:

November 1980 (actual)	£1,029,312
December 1980 (estimated)	£1,174,820

'It is apparent from the above that not alone have this Council not under-spent, they have in fact over-spent.

POSITION CLEARED

Cllr. Kyne said that he was quite satisfied with the County Manager's statement as it cleared up the position as far as the Council was concerned. He said that it should be published in full so as to inform the public of the true position.

Cllr. K. Bulbulia agreed and thanked the Manager for his clear statement on the issue. She said that in the circumstances the Council should demand a retraction of his statement by and an apology from Minister Fahy.

Deputy E. Collins said that the 100 men on race courses but was not used to seeing them up in the Department.

Cllr. O. Curran then proposed and Cllr. J. A. Walsh seconded that the Council accept the County Manager's statement as a full explanation of the entire position and this was passed unanimously.

Cllr. J. Quirk again proposed that the Council request the Department to send down a senior official to make a full statement on the issue as the only way to get the truth across to the public 'because we have all been humiliated since the Minister's statement was published.'

This was seconded by Cllr. K. O'Ryan and also passed unanimously and the discussion then ended.

DUNGARVAN YOUTH CLUB SOCIAL

Last Saturday night we had our 3rd annual social at the Devonshire Arms Hotel. Everyone enjoyed the evening and helped keep our schedule in order and after the meal Marjorie Fitzgerald (Chairman) said a few words about the club and our bid to obtain premises. Since the club was founded in '77 the committee have done their best to try to secure premises. This year, she said, a site has been provided for us by the DVC which was suitable, pending some minor technicalities. However, no grant had yet been allocated for our needs and without this we cannot proceed.

This year, she said, we are likely to have a general election so it will be our best chance to secure a grant. He found out the youth policies of each party from their T.D.s and those of the YC when they go to the polls.

Fr. Tom Murphy, Regional Chairman of Waterford Youth Clubs, spoke on the necessity of a youth policy in clubs and that they should be encouraged to give their support. As the moment Dungarvan YC is sadly lacking in this respect so if any adults are interested the Committee would be only too glad to help.

Fr. Cullane also said a few words on the club, praising the Committee for their work and the members themselves for keeping up the good name of the club. He said DVC was a very important part of the community and was supported by all the clergy of the parish. Following this we continued until 1.15 a.m., dancing the hours away to the music provided by 'Insight', with many hilarious spot prizes being given out.

Credit must go to Trixie, Elizabeth and Kieran who had the night very well organised.

DISCO AND DRAW

Last Friday night was disco night for all and was thoroughly enjoyed. In the course of the disco a monthly draw was held. Prizes as follows:

Mrs. J. Wall, Kesh; £20—Mrs. O'Donovan, 3, St. Monica's, Abbeystown; £10—Eamonn Morrissey, Clonmel; 25 each—Nora Walsh, Children's Estate, Deirdre Flynn, 5 Byrnewille.

Caroline Flynn is Miss Youth Club for this month with Joe Organ being picked as Hunk of the Month.

TOPS OF THE CLUBS

Last year Dungarvan Y.C. won this show award which was organised for clubs in the Waterford region. This year five clubs have entered the competition which is to be run off in Waterford on Sunday, March 15.

Each club puts on a show of 30 minutes duration and as we won the trophy last year, the pressure is on us to try and retain it. Rehearsals are now under way so we wish the ladies luck on the big night.

DRAFTS COURSE

A comprehensive craft course is at present being organised for the Dungarvan area. The instructor is Mr. Anthony Robinson who is employed by the Waterford Arts Centre.

The course will cover Batik and 'To and Dye', Redox and Mosaic, Glass Crafts, Screen Printing, Puppetry and Mask Making. Any member who is genuinely interested in arts and crafts contact Ray Burke for further details.

MURKINS WEEK-END

A number of places are still available for this week-end in April. If you don't go you're missing out on some great fun. Last year the week-end was a tremendous success for the members and this year looks like being even better. Don't forget the £2 deposit must be paid Friday night.

FLOAT

Our float for the St. Patrick's Day Parade is on the verge of completion. So don't forget to come along and see it.

OPPORTUNITY KNOCKS

Tickets will be on sale at Africa's O'Connell Street from Wednesday, March 4, and will cost £1.50 (bookable) and £1 (non-bookable). There are only a few non-bookable seats.

TRIP TO BALLYMACARRY V.D.

Last Sunday night the junior section members travelled to Ballymacarry Y.C. thanks to their most welcome invitation. We added to with a few crazy games and followed with a get-to-know-you session. Then we had some competitive games of draughts, chess and table tennis between both clubs.

I think everyone enjoyed the evening and of course the refreshments which were provided for us by Ballymacarry Y.C. We thank them for a great night out.

F.F. COURSE

Last Monday night members of the club attended the first aid course in the Tech. conducted by Russ Kyne. The first lecture will start next Monday so if any other members are interested by them at 7.30 p.m. The course will be 5-7 weeks approximately.

AGLISH AND CLASHMORE

Met Holy Father—Among the priests whom the Holy Father, Pope John Paul II, met on his recent visit to the Philippines was Very Rev. Fr. Patrick O'Donovan, Bannry and Clashmore. Fr. O'Donovan, who is a Columban Father, is son of the late Supt. T. O'Donovan and brother of Dr. D. O'Donovan and Mrs. E. Duke, Clashmore. He is a former Cork County footballer.

Successful Social—Organised by Rev. Fr. W. Meehan and a capable committee the first annual dinner and social of the Clashmore Choral Society held in Lawlor's Hotel was very successful and enjoyable. The proceeds are in aid of that very worthy object—the Chapman Fund. Compliments to all concerned.

O.A.P. Meeting—A special meeting of the Youzhal No. 2 Rural Old Age Pensions Committee was held in Clashmore Hall and there was a good attendance. Several claims were disposed of. Mr. E. B. O'Connell presided and the S.W. Officer was in attendance.

Council Houses—Two houses are in the course of construction at Piltown and one at Grange. A site has been acquired at Ardmore, where there are six applications. There are eight applicants at Clashmore, but to date no site has been secured.

Great Response—The appeal in this column last week for support for the Clashmore Community Centre has met with a generous response. Thanks to all the organisations and individuals who have promised continuing support, the future of the Centre is assured.

Water Rates—The recent decision of the County Council to increase water charges proved far from popular in this area, especially among small farmers, who are charged over a third of the revised charges cover only a portion of the high cost of providing and maintaining water supplies.

One consumer commented that 'an unlimited supply of good quality water is still reasonable'. Persons in poor circumstances are, it is understood, considered for exemption or reduction.

F.F. Meeting—The AGM of Clashmore F.F. Cumann will be held on this Saturday night. Minister and T.D. will attend. Clashmore/Kinsalebeg G.A.A.—The fund raising scheme for

new pitch continues to make satisfactory progress. It is a commendable community effort.

T.V. Series—The recent TV series 'Ireland—a TV History' was watched with interest by the people of this area. For the older generation the showing of the list of 77 soldiers executed during the tragic Civil War aroused sad memories, as two of those named, Patrick O'Reilly and Michael Fitzgerald, were taken prisoners in Clashmore by Free State troops and executed a short time later in Waterford jail. These two executions were particularly sad and had a tragic sequel.

'They had played a heroic part in the fight for freedom against the hated Black and Tans and before they were shot down prayed for and forgave their executioners, who were mostly ex-British soldiers. Their sacrifice had a great impact in this area.'

Soccer—Despite the fact that this area is a great GAA stronghold and has a record number of clubs and teams the GAA continues to be the favourite place in the league.

Some players participate in both codes, while some excel in rugby. Clearly the removal of the so called 'bar' has helped all codes. However, the GAA continues to be the favourite of the vast majority.

Organisations—There is a record number of organisations in Clashmore—charitable, sporting, cultural and social as well as civil defence and the G.B.E.I. Most, to a large extent, depend on the continued existence for social and fund raising activities as well as meetings, etc. of the Community Centre Hall.

Appeal for Missions—At parish Masses in Clashmore Parish Church on Sunday last an S.M.A. Father appealed for support for the missions.

Youzhal Community Radio—On Sunday last Youzhal Community Radio (CRY) broadcast a programme recorded at the Marine Bar.

The programme was of a high artistic and entertainment standard and had a big listening audience in this area.

BALLYSAGGART NOTES

Soccer Notes—On Sunday week left Ballysaggart played hosts to Youzhal going under by 4 goals to 2.

Ballysaggart started promisingly but were rocked by a very controversial first goal. The home keeper had a safety in his grasp and there seemed little danger, however following a foul the ball fell out of the keepers hands into the net. Despite long protests the goal stood and after an unsettling effect on Ballysaggart. With just 20 minutes remaining Youzhal led 4-1 and over more goals seemed inevitable. Ballysaggart finished strongly and were unlucky not to score more than the one goal to leave the final score 4-2 in favour of Youzhal.

On Sunday last Ballysaggart travelled to Piltown and after a most enjoyable and entertaining game played on an excellent surface Ballysaggart went under by 2 goals to a capable Piltown side. However with a few breaks we could easily have gained a point from this game.

passing of one of Ballysaggart's oldest citizens with the death of Mrs. Nana Lenthin in Lismore Hospital. Nana as she was known to her many friends was always full of good humour, always ready for a chat and her passing even at a ripe old age will be felt by many. This was easily evident at the removal of the remains to Ballysaggart Church on Monday evening and again at the burial in Ballysaggart cemetery on Tuesday by the exceptionally large turn-out on both occasions.

To her sons, daughters, grandchildren, relatives and friends we extend our deepest sympathy. R.I.P.

Sympathy—We extend our deepest sympathy to Michael Clancy, Cooke on the death of his aunt, Mrs. Margaret Cash (nee Tobin, Ballyduff), Belfast, who died recently.

In Hospital—We wish a speedy recovery to Eilke Dooley, 50c Road, who is at present in hospital in Waterford.

Sunday Next—On Sunday next Ballysaggart make the short trip to Lismore. This game is timed for 11.00. All players are asked to be at the venue at 10.45.

G.A.A. Notes—At the recent meeting of the Western Board the following draws concerning Ballysaggart teams were made:

J.H. Ballysaggart v. Brickcys.

J.P. Ballysaggart v. Modelcys.

U.21 F. Ballysaggart v. Ballyhameela.

The groupings for the Junior Football League which will commence on Sunday 5th of April were also made. Ballysaggart are in group one along with Aranglin, Ballinwillin and Molinry with just one team to qualify from the group.

Sponsored Walk—The club's annual sponsored walk goes on as usual on St. Patrick's Day. Cards for this walk can be had from secretary James Bennett or treasurer Jim Kearney.

Community Games Irish Night—On Friday night, March 6th, Ballysaggart Community Games will hold their first Irish Night of 1981 in the Pioneers Rensgar Lounge, Ballysaggart. Music is by the Shamrock All Stars and a great night is in prospect.

P.T.A.A. News—Furious preparations are underway at the moment for the annual concert by the local Pioneer group. This year's concert will be staged on Friday 13th and Sunday 15th of March and promises to be better and better than ever.

The local centre will also be represented at the juvenile quiz which will be held in Ballyduff on this Friday night.

The Late Nana Lenthin—It is with some regret that we are aware of the loss that we record the

G.A.A. NOTES Wicklow Are Favourites For Final League Game

WATERFORD v. WICKLOW Waterford footballers play their final game in the current National League series when they meet Wicklow on Sunday at Tramore.

WATERFORD'S VICTORY Writing after the game against All-Ireland champions Wicklow, at Tramore on Sunday next, with section honours and promotion prospects now beyond their reach, the result is not vital, but nevertheless the side will try hard to achieve something very important in beating the league leaders.

Now we have them at home again and with interest in the county team definitely on the increase the side can be relied upon to give a tremendous display and one can never tell what result such an effort will bring. However, the visitors are favourites and must be given the vote to win.

CHAMPIONS BIG WIN Senior football champions, Sligo scored a very decisive victory over their opponents, Ballinacorney in a rather one-sided senior league game at Younghall on Sunday morning.

WATERFORD v. CORK S.H. Waterford senior hurlers play Cork in the final of the Younghall Grounds tournament at Younghall on Sunday afternoon.

COUNTY BOARD MEETING Because of accommodation and other problems, the County Board meeting due to take place on Monday night will now be held until next Wednesday week.

TACTICAL INGENUITY I heard recently of two clubs being notified for an official fixture which they were not being able to field because of insufficient numbers.

POPE FADA I was pleased to learn recently that the "pop fada" championship is to be restarted by the Louth County Board.

WESTERN BOARD MEETING The Western Board held their second meeting of the season on last night (Wednesday) when transfers and upgrades were finalised.

GOOD JOB Referee John Moore who handled the vital National League tie between Cork and Tipperary at Pádraig Uí Coimhín on Sunday did a splendid job on the game which ended in a 1-7 draw.

MINOR HURLING TRIAL The next trial will take the form of a practice game against St. Peter's College, Wexford on Saturday next at 3 p.m. in Walsh Park, Waterford.

Waterford will field two teams—one from each division and the Western side will play the South Eastern division at Lismore on the Saturday before Easter (11th April) and our Eastern team will play Tipperary's South division team at Porthlaw on the same day.

MINNIES SQUASH NOTES

As we write we are down to the final and second divisions of the O'Brien Cup...

Through to the semi-finals in the premier division are Michael O'Mahoney, Eddie Moore...

To qualify for the penultimate round, Michael O'Mahoney was most impressive in defeating Jim Byrne...

Francis took the first set 8-4. Eddie levelled in the next set 8-5. Francis again edged in front, taking the third set 9-7...

He seemed all poised now to close the job, but before he could get all the stops and levelled the match by taking the fourth set 9-4...

The fourth semi-finalist, Michael Kelly, accounted for Noel Hayes 5-1 in a really drop battle which Michael deservedly won...

Our prediction is a Kobby O'Mahoney final and what a thrilling match that would be...

The last four in the second division are Kobby O'Brien and Eoin Bannion and John Foley...

Each club can enter two teams (five per team) but players presently taking part in the Waterford leagues are ineligible for this tournament...

Each club can enter two teams (five per team) but players presently taking part in the Waterford leagues are ineligible for this tournament...

Our "superstar" team is Eoin Bannion, Teresa Reynolds, Mal O'Brien, Mary O'Keefe and Helen Foley.

As already advertised, the Maintenance Work outlined for Rural Areas is now in progress and details of interruptions of supply for the coming week are as follows:

SHANDON R/A

Tuesday, 3rd March — From 2 p.m. to 4.30 p.m. — Shanahilly, Ballinagoull, Ballyreilly, Melvick, Killinoorin, Knockanower.

Consumers are warned that supply may be restored temporarily during these periods for test purposes.

Under no circumstances should consumers assume that their installations will remain dead during these times.

AREA SUPERVISOR,
DUNGARVAN

TALLOW & ROUNDABOUT NOTES

Blackwater Muintir Na Tire — The 1st team to be held in Knockanor on July 12 will include an Arts and Crafts competition for both children and adults, so competitors may like to prepare their entries in good time for the event.

The visual arts section will cover paintings in oils, water-colours, acrylic etc. drawings, sketches, crayon etc.

The craft section will include basket weaving, batik, wood carving, screen printing, tie and dye, candle making, mask making and other creative crafts. More details later—P.R.O.

Bride View United Soccer — In our league match against Graiguevaile in Glen-terry Heights last Sunday, we were very pleased with our 2-2 draw. Graiguevaile are second division leaders and had gone 13 games without defeat.

Bride View fell a goal behind in the 28th minute but were back on level terms four minutes later when a good ball from Raymond Fraser put Philip Curley through and he put a great shot past the keeper. There was no further score in the remainder of the first half during which both sides played great football.

Bride View had to cope with another disappointment twelve minutes into the second half when the referee awarded a harsh penalty decision against us to put Graiguevaile back in the lead. Eight minutes later we were back on level terms with a brilliant goal we won a corner on the left and Mike Hogan's perfect cross was headed powerfully to the net by Raymond Fraser. It looked as if this stage as if both sides were happy with a point and defences dominated for the remainder of the match.

It is also a good omen for our new jerseys sponsored by Jyden. We have yet to be beaten while wearing them.

Now that the league is ended we still have two cup competitions to compete for.

Team — K. Tobin, T. McCarthy, P. Frawley, L. Mulcahy, P. Fraser, M. Hogan, A. Jackobson, R. Fraser, P. Curley, E. Cunningham, G. Hogan, M. Ahern.

The Murphy League — Our Murphy League side were defeated 1-0 by Valley Rangers in Tallow last Sunday morning. We completely dominated the first half but failed to take advantage of our chances.

Valley Rangers' winning goal came five minutes into the second half and this broke Bride View's concentration and we were unable to get back into the game.

Ballynoe Maera — The Ballynoe Maera debating team had a great win over Middleton last Saturday night. Middleton in the East Cork Regional final.

Middleton were proposing the motion "The Christian Family is On The Decline in Rural Ireland".

Ballynoe were opposing the motion and proved a great and exciting contest with crossfire about abortion, snobbery, the work and work for the disabled and less fortunate of the community, the Pope's visit and the impact it had on us. All these subjects were well ventilated.

The Ballynoe team was as follows — Helen Galvin, Philip Griffin, Julia Ahern and Rory Ahern.

St. Patrick's Hall Notes — Results of recent 50 drive — 1st, L. Coughlan and P. O'Mahoney; 2nd, Mrs. Madge McGrath and Miss Lily McCarthy; 3rd, P. Hogan and D. Madigan. Raffle — W. Murphy and J. Morrison.

Omitted — Inadvertently omitted from the list of chief mourners named in last week's issue re the death of Mr. James Burke was Mr. Michael Quillan, Kilmacow (brother-in-law).

The following were omitted from the list of officiating clergy — Very Rev. M. Walsh, P.P. Tallow, Rev. Dr. Sean Coiler, St. Colman's College, Fermoy, and Rev. Joseph Hennessy, C.C. Cobb.

Woodland I.G.A. — Woodland I.G.A. will hold their monthly meeting on Monday, March 2nd at the Health Centre, Knockanor at 8.00 p.m. Fr. Markin, O.S.A. will attend to give a talk on how you can help create a student for the priesthood. Everybody welcome.—P.R.O.

NEWS FROM CAPPOQUIN

Badminton — Our teams were engaged in league matches during the past week. Our 5th division team put up a great display against the strong Lismore side before going under by five games to three. Our team was James Moriarty, Mosie O'Connor, Anthony Pendergast, Gerry O'Brien, Aine O'Shea, Sandra Mason, Fiona Curran, Geraldine Lacey.

Our relatively inexperienced novice team put up another encouraging performance before going down 5 games to 3 to an in-form Tournamen on home ground.

The team was John Nicholson, James Mason, Shane Frater, Tommy Cunningham, Martin Walsh, Stephen Gozlin, Breda Moloney and Anne Marie O'Brien.

Patrician Meeting — A Patrician meeting will be held in the Library on this Friday, 27th February at 8.30 p.m. All are welcome.

Boathouse Re-opens — All residents will welcome the news that the Boathouse will re-open its doors on Friday, 6th March, following extensive renovation work but reports have it that this popular social centre has undergone a complete facelift.

Murphy League — Aifane got the night needed by the eagerly awaited top of the table clash with Fomall at Aifane. After thirty-five minutes Aifane were deservedly leading 2-0 when Younghan's Willie Walsh broke a leg in a midfield clash and was taken to hospital. Younghan had no substitute available so they advised referee Tony Bolger that they were conceding the points and left the field. Thus we had a disappointing end to a game which had promised really good football.

Capoquin Fine Gael Branch — A very important meeting of the above will be held at Walsh's Hotel, Capoquin on Wednesday, March 4, at 8.30 p.m. sharp. All members and intending members please attend.

Capoquin Maera — Congratulations to our Ardistry in the Home team of Laurence Eames, Anne Kieley, Catherine McGrath and Mary Herilly on winning the county final on Saturday night. Well done also to Mary Herilly who was placed first in the cookery section.

Our thanks also to the many who contributed to the Country Fresh Produce Sale on Sunday 15th.

Good luck to our Novice Panel Speaking team of Anne Kieley, William O'Donoghue, Donal Geary and Gerry O'Brien who take part in this competition on Saturday 28th.

Our senior debating team will contest the Munster final at Conna on Friday, 7th March. The following members completed an AIB Maera course in Financial Management — B. Devine, Ann O'Brien, Jim Pendergast, Donal Geary, L. Power, E. O'neegan.

Quiz Winners — Capoquin P.T.A.A. emerged good winners of the area final of the Regional Quiz, which was held in St. Mary's Hall. The team was John Crowley, Tom Fitzpatrick, Donal Kieley and Anne Fennessy. Lismore were second.
