A HAZARBOUS JUNCTION

It seems to me that this complex junction is a hazard to motorists and the problem will occur again and again judies traffic lights are placed fiere. It was Circuit Court Judge Sheradan said this when he was adjudicating in an action for damages at Dungarvan. Circuit Court last week in which two motorists brought claim against each other arising from a collision in which twy were involved at the Mayr Street corner with the Square in Dungarvan.

Must Street corner with the Square in Dungarvan.

Must Street corner with the Square in Dungarvan.

Writing in the "Mish Times"

Mary Street corner with the boden as well as Secretary to Source in Dungarvan.

Judge Sheridan went on to describe the junction as a jight for Dungarvan is to see where their duty tay while negotiating it. As is a Dungarvan man, a rare beknew the situation the only way to solve the problem at the greation was the intro-duction of traffic lights. But of the problem at the greation was the intro-duction of traffic lights. But of the problem at the greation was the intro-duction of traffic lights. Your co-operation in the collection of grain from rms is requested so as to make the operation quick

nd efficient.

We list the following guidelines:—

1.—Pile the grain in a place where heavy transport can reach easily.

2.—Pile the grain as high as possible on the ground sheets and ensure that the lorry has access to each side of the pile.

3.—Have a tractor and shovel or yard scraper available to push the grain during the loading operation.

Pollution Alert— St. Laurences Southern Fisheries Tennis Club Region

For the past couple of weeks now. St. Laurence's Tennis Club has been a hive of activity, and last Saturday a large workforce turned up to put the final touches to the couple who have given up their own spare time and put so, much effort into having the courts and pavision and pavision and pavision much effort into having the courts and pavision in "shipshape."

The stage is now set for what appears to be a most successful. First A natural Our Week, commencing on the 6th August. Entry forms have been circulated to all the clubs within a 50 mile radius and the response has been excellent.

Meanwhile on the homefront the courts in Ballinroad are packed every evening as every-body is getting in a little extra pructice before the 8th August. The the section resistons have the control of the property of the potential in the club for future days.
