The prebiems which local authorities are laced with in the curent year as a result of their depressed financial positions was ingli-lighted by the report of the County Manager, the Dan hurley, which was considered by the County Concil at their meeting last week in Dungarvan.

The report, which one meet described as "a depressing document," stated that basically the cause of the financial difficulty in which the County Concil now finds itself is the attempt to maintain services at a level that available finance does not permit. It stated that as a result a relied projection of the position as at December 31 next shicipated a next deficit of C234,500.

The Manager's report states

The pushions which local within the current year as a result of her depressed fushed by the current year as a result of her depressed fushed by the current year as a result of her depressed fushed by the current year as a result of her depressed fushed by the current year and the fushed by the current year and the fushed properties of \$1. This states: "On the basis by the current year and the fushed properties of \$2.00 to fush one mean the described as "a depressing decument," stated that basically the cause of the financial affliculty in which the County Council on with the county Council on the finance and the county of the county Council on the finance and the county of the county Council on the finance and the county of the county Council on the finance and the county of the county Council on the finance and the county of the county council on the finance and the county of the county council on the finance and the county of the county council on the finance and the county of the county council on the finance and the county of the county council on the finance and the county of the county council members that the particularly for roads. Notes
Tuesday Mehrt Section
Tuesday Meekerd Saw the bestanding of our inter-patrol
competition. So far the Panthors and Hawks lead with 6
polities each, followed by the
Wolfhounds with 5, and the
Sarties with 3.

M. O'Brien, and J. Streat,
M. O'Comon and J. Fower were
best at the "ninefield" game.
On Tuesday might last we
held our meetling in the Abbeyside Scout. Halt and the big
spaclous den afforded us ample
opportunities to play a wide
range of games. The meeting
was highly successful and our
life froop who kindly gave us
the use of their den for the
evening.

During the year the section
took part in numerous activities which included filkes to
Ring, the Comernais.

The highlight of the year
was the trip to Dublin, which
took in Turlough fill, the Zeo

week-ends to Mt. Melleray.

The highlight of the year was the brip to Dublin, which took in Turbough Illi, the Zoo Lional Gallery and Library.

Our thanks to all those who assisted us in these activities, in particular Jackie Kenneally, whose cooking was superb and without whose help the Dublin weekend would not have been so successful, our secretary, Jerry Dee, who was always there when we noeded help with transport end, and from scout activities.

This week-end sees us off to molicity when the medical help will be a superbounded to the definition of the medical help with transport end, and from scout activities.

This week-end sees us off to molicity in the medical help old don in Marry Street at 6.30 p.m.

GERALDINES G.A.A. NOTES

We scored a good win lass study in Dungarvan over a fancied Affane team. It was the whole-hearted effort from every player that, saw us through to the semi-final in which substitution a spirited Affane side that never gave up. The final score was 1-4 to 0.5. We will need a lot more scores if we are to give a fair game to the Touraneena men. Well done, anyway, łads.

We wish a speedy recovery to Johnny Cotter who missed the last match through filess.

NOTES

MELLERAY

FOLLOWING MEETING WITH MINISTERS

"Thierry useless and therefore a major disappointment" was how three farm leaders described the meeting with the Minister of State for Agriculture. As Michael Darcy, The meeting was called to deal with the farmer representations. The farmer representations of FPA ICMSA and Macra na Petities and Mr. Scan Mr. Donal Cashoun and Mr. Scan Keily and Mr. Fer Riordan.

The larm leaders said later in a scalar mean that the drain leaders and later of the Donal Cashoun and Mr. Scan Keily and Mr. Fer Riordan.

The larm leaders said later in a scalar mean that the drain leads scalar headers and later the Books counter notified and would not be of any real assistance to Inturnat with relayment problems.

The farmers demarked that the drain leaders with him in a serious effort agent real soletions to the problems of lateral problems of the farm leaders with him in a serious effort agent real soletions to the problems of lateral problems.

The Minister agreed to arrange this meeting for next week.

ARE SUGAR PLANTS TO

WORK TO RULE BY FARMERS eleur obligation

kin at an emergency of the IFA Comrell in mers will insist that the macre failth this obliga-nd that the correction of minimum situation takes eare over my other ele-many new "National standing" which may

emerge The 1st Council gave his full Awareness Campaign, in the awith ICMSA, ICOS acra ma Feirme, to high-the exceptionally severe of inflation on the farm-at agri-business sectors

lines which will be issued by the Association.

The IFA Policy Demind and Actor Fregramics will be outformed by the property of the country in the weeks immediately theat.

In Action Group was authorised by the Council to evaluate and implement afternative kines of action which may be requised to support the Association's demands for farmers. Council fully endorsed like siterir warning issued by the Association's Boet Section as to the consequences for the sugar industry if the processing of whis year's beet crop is not allowed to proceed an an orderly manner and so examining differentiative uses for the crop.

"UTTERLY USELESS, A MAJOR DISAPPOINTMENT" SAY FARM LEADERS FOLLOWING MEETING WITH MINISTERS

ARE SUGAR PLANTS TO BECOME "TOMBSTONES" TO THE INDUSTRY

THE INDISTRY

The Irish Sugar Company plants could become rour tony-stones to the memory of the stones to the memory of the trans Sugar Beet Industry unless this year's crop is processed to the normal orderly dashion.

This was stated by Mr. Padde Wright, IFA Vice-President and Chairman of the Sugar Beet Section in a statement.

Mr. Wright said that sugar Beet Section in a statement.

Mr. Wright said that sugar Beet Section in a statement of the sugar beet section in a statement of the sugar beet section in a statement.

Mr. Wright said that sugar section in a statement of the sugar beet of the sugar beet sugar so marsinal and therefore any delay processing it would cause the producers.

Mr. Wright said that work of the sugar beet growers the crop was to marsinal and therefore any delay processing it would cause the producers.

Mr. Wright would be the workers are the possible the skilled crafts all the could be sugar beet growers. It was alle possible the skilled crafts all the crafts and the sugar pad stiermatice loss in the sugar pad stiermat

Tallow Fruitgrower On Disastrous

Failure Of Apple Crop

The whole future of the Irish applie-growing including is now mader serious direct, and this years arop will be recalled as the worst in tiving memory." The head of one of the largest fruit-growing dirms in the country said hast week.

Alt. While McDonnell of the Bride Valley Fruit Farm, Tallow said that the 1891 applie crop is down to 10°, of the normal yield, and said that growers blamed the usussaidly harsh spoing with its rough winds for the disastrous failings of the crop.

binned the ususususay mananspoing wich its rough winds
for the disastrous fallure of the
crop.

Art. McDonnell, who is a Direc
Coarl member of Waterford Cocoarl area, revealed that one of
this apple delay, which normally
produces 1,000 boxes of Bramley cooking apples, had this
year only yielded 100 boxes and
this represented the general
tend throughout most frish
During the last few years, he
won't on, many Inish truit
growers had gone out of business, especially in countles
Waterford and Kilkenny, due to
the very poor apple prices. This
year's crop yields would make
the industry more uninerable
still, and he generabley feared
for the future of the industry
in treesum releding problems, and comportion from the Greech in
ported apples, for the tradistry
in the country today. "Apple
growing has olanges a lot in
freeland over the pash decode."
This year Irish feut growers
with according to Mr. McDorneel, have a very chort apple
ploking season and he warms
that the linish housewife may
not see chier firsh cating or
cooking apples in the shops
after Christmas. has peached
crists point of that there can
be and doobt," concluded Mr.

McDonnell.

no. 203) — was a saggraft GAA Olab would saggraft GAA Olab would like to dibook all who helped to make dhe draw the success it was; all wido sold likekets and especially labose who supported that development work on the field up buying thesels, and a word of phanks to Fr. O'Gorman who conducted the draw who conducted the draw who conducted the draw.

This Week ACOT Co. Waterford Says

TIDY TOWNS COMPETITION - TALLOW

Marks awarded 115; Adjudiention Population: Section C.

Effort (35): 26 marks. — The improvements made in previous years in the presentation of Tailow have so time to the commended. This had not been supposed to the community by the large number of derelict or disused buildings along the main street and the side streets of the town. These derelicts of the town. These had the side streets of the town. These particular to the side of th

Tidiness (20): 15 marks.—By and large the town was litter free whom inspected and this so ommended. However, as was now above, the general sin the town is being marked by the continued exist a full distance of a dumber of rulengs on

is commended. However, as was a commended. However, as was a commended to the general air of the conditions in the general air of the conditions. It is general air of the conditions. Perhaps the local authoristic could help on this point of these. Perhaps the local authoristic could help on this point of these perhaps the local authoristic could help on this point of these perhaps the local authoristic could help on this point of the condition of materials, such as long and tertiliser on the grass local and anyone over 15 years of age and ander 100! The programme of the eventualities of materials, such as local air of measurements of the common bublic buildings and public buildings and bublic bublicity of the public bublics promise and the substance of the public bublics on the Midelon road were in fair condition while the railings of the entance into the Church of trained could be public doubts and the public bublics are a troop and the public bublics are a troop and presented and the public bublics are a strong though and the public bublics and the public bublics are a strong though and the public bublics and the public bublics and the public bublics are a strong though and the public bublics and the public bub

Co. Waterford Says

Tillage—Autumn stubble cultivation, followed by early plougifing, with help control weeds and discase in 1982 corn crops.

Livestook—Pirst call heliers should not be left get too thin before drying off.

Grassland—Get slurry, lime and fertillisers spread while the ground is still firm.

Rolling of badly poached pastures should be considered now that soil conditions are suitbable.

Beckeping — Stocks with

and the edges of footpaths have been weeded, thus adding are very attractively presented, to the neat appearance of the town. The seeding of the new own. The seeding of the new own that the seeding of the new own. The seeding of the new own that the seeding of the new own. The seeding of the new own that the seeding of the new own. The seeding of the new own that the seeding of the seed of the seed

GAA NOTES

SENIOR FOOTBALL COUNTY
FINAL—A MIGHTY TASK

For the third time is four
years our senior Coubsilers;
step into the fray when on this
sunday we take on the might
of Ardmore in the third at 3.30
p.m. at the France Fish Simday
is Indeed one of monumenal
proportions. When one considers
the estraordinary injury
problems we are faced with it
is indeed are outstanding
antievement are outstanding
antievement are outstanding
antievement of the finite in the
land of the finite in the
land of the finite in the
adverse circumstances. We had
hoped agadust hope that some
of the injured players would be
replaced
to the finite such hopes were
dashed last week and it is now
clear that all four will have to
be replaced.
Senior of the club and people
of the pain in their efforts to
take the covered title.

The covered title is a must,
and we take forward to seeing a
big turn out for the Blue
Riband of the footballing year.

Cliste Gafe are reminded to hand in cards for the October National Draw. Thanks is due to the following promoters for their work during the year—Brendan Offrien. Jee Power, Bobby Buckley, Michael Fechun, Jimmie O'Leary, Liam Enright and Anne French.

IN ACTION AGAIN

IN ACTION ACAIN
Reports from the Abbeyside
schools indicate that the young
Abbeyside burlers of the future
are busy in action and we noted
last week as we passed by the
club grounds after school-time
tore; us Beddle Halloran had
the young lads back at the
well have more details of
how things are coming along
in the next few weeks. So
watch these notes.

watch these notes.

DATES FOR YOUR DIARY Ladies committee are organi-sing a sponsored knit night on Tucsday, 27th October. So make it a date and be with us make it a date and be with us on this one this one this one this one this one of the braw on first Monday of each month. It you hope to win, you must be in. Be sure to see our promoters for details.

Seisiun Na Samhna

In Dungarvan

Dungarvan will be the foca-point for a feast of traditional frish ausic on the week-end of October 25rd-26th when the town hosts the annual Selsium a Samhan for the second suc-cessive year.

town hosts the annual sensual na Samhan for the second successive year.

A total of 29 groups from all over Ireland will be taking part, the sure-fire guarantee of a memorable week-end of traditional music at its very best. It is a tremendous feather in the second sensual traditional music at its very best. It is a tremendous feather in the second year on the trot. Durgarvan was chosen in the face of very strong competition from other interested entres and doubtiess the flawless way last year's Seislum was an influenced and run off was an influenced and run of the pecies again to the second to the pecies and to the pecies and the period of the per
