NEWS FROM LISMORE

Whist — Top prize in the weekly whist drive held in St. Carthage's Hall on Tuesday night last was won by Miss S. Willoughby, Lismore. Mrs. R. O'Donoghue, Dungarvan was the winner of the 2nd prize while Mrs. P. O'Connor, Cappoquin won 3rd. Miss N. Willoughby also won the miniature with a score of 44 or over in this competition now stands at 47.30

Sympathy — Our sympathy to Mrs. Julia Peely, Main St. Mrs. Mullins, New Street and Tommy O'Donoghue, Chapel St. on the recent death of their brother.

Bridge Results — Sept. 29th last at Crofts and Drags S. Hales, 2nd. Mrs. A. Twomey and Mrs. T. Ryan, 3rd. Miss C. Quinlan and Mrs. K. Barry. Engaged — Congratulations to Phil Whelan, S.F.N. S.C.N., only daughter of Mrs. Mary Whelan, Paris Road and the late Tommy Whelan, and Michael Hallahan, eldest son of Mr. and Mrs. Thomas Hallahan, Bridge House, Rathernmac, on their recent engagement.

Died in England — The death occurred at his residence in England of Mr. John Hogan, formerly of Glenash, though in indifferent health for quite some time his passing on Sept. 28th was rather sudden. For the past 25 years or so he had resided in England, but was always a regular visitor to Glenash and Lismore. He was in his mid-70's.

To his grieving widow, daughter and relatives we tender our deepest sympathy. The remains were brought from England to St. Carthage's Church on October 2nd and the burial took place to St. Carthage's Cemetery on Saturday, October 3rd. Officiating clergy were Rev. Fr. M. O'Gorman, C.C. and Rev. J. Canon Power, P.P. V.P.

Chief mourners — Nora Hogan (widow); Mary (daughter) and Marian (grand-daughter); Mrs. K. Hoplock (sister); Mrs. M. Hogan and Mrs. Alice Hogan, Glenash (sisters-in-law); nieces, nephews and relatives.

Juvenile G.A.A. Notes — Two more entertaining games of hurling were played on Sunday morning last. The first game between Team B captained by Brian Crowley and Team D with Frank Power as captain was a nicely contested affair with both teams being on equal terms at half-time. Team D 1-5 and Team B 2-4.

There was nothing between the teams during the second half, both teams were level with three minutes to go, but a late goal and a point sealed the issue for Team D. Score — Team D 4-5; Team B 2-4.

Team D — Frank Power (capt.), Mark Feeney, Dun Gleeson, Martin O'Keefe, Patrick Sheehan, Mark Sullivan, Kieran O'Gorman, Declan Landers, John Madden, John Tobin, Stephen McCarthy and John Russell.

Team B — Brendan Crowley (capt.), Gerard Sheehan, Brian O'Gorman, Martin O'Brien, Peter Kennedy, Boib Madden, Michael O'Sullivan, Richard Barry, John O'Gorman, Michael Whelan and Liam Cunningham.

Second Game — Team A, with Michael Twomey as captain and Sean Prendergast met in the second half. From the throw-in in this game Team C did all the early attacking and were in full command during the first half and secured as if they would have a run-away victory.

However the second-half saw a more determined Team A and the game really came to life in the closing minutes when Team A tried all they knew to clinch victory. Score — Team C 4-4; Team A 3-4.

Team C — Seamus Prendergast (capt.), Pat Roche, Paul Prendergast, Anthony Solger, Sean Daly, Niall Power, David

NEWS FROM CAPPOQUIN

Cappoquin/Affane G.A.A. Notes — Junior Footballers defeated Affane by Geratindine 1-4 on Tuesday night last. The team was captained by Michael Twomey (capt.), Brundan Lawton, Adrian Meehan, John Barry, Kieran Lawton, Michael Coughlan, Jim Sullivan, Michael Barry, Noel Burns, Sean Roche and Ken Cullen.

Ref. Denis Buckley. October 11th. At the G.A.A. Field — Team A vs. Team C. Team A won by 1-0 a.m.

New Appointment at G.B.S. Primary School — Miss Patricia Power, B.D., daughter of Mr. and Mrs. Eamonn Power of Tallow, has been appointed assistant teacher to succeed the late lamented Mr. George Armstrong, N.T. McGovern at the Christian Brothers Primary School, Lismore.

Patricia received her primary education at Tallow Girls National School, her secondary education at the Convent of Mercy, Cahir and trained as a teacher at the Mary Immaculate College of Education in Limerick.

She follows the family tradition in her chosen career, as both her parents are teachers. We welcome Miss Power to our school and wish her every Blessing and many fruitful years in the classroom.

Lismore G.A.A. Notes — On Monday night last at the Keaneland Hotel, the Bernard Fennell's Perpetual Trophy was presented to our junior hurlers. This was as a result of our victory during the recent Ballygarra's tour.

It is a magnificent trophy for any club to accept and we would like to thank Mr. Prendergast and Mr. Stack (both home from the U.S.A.) for this trophy and also the Ballygarra's G.A.A. club for inviting us to play.

From reports going around, the U/21 hurling goes ahead on this Sunday in Cappoquin. However, notices will be put up around the town and the official time will be later.

(K. Ryan, P.P.O.) Lismore A.F.C. Notes — Sunday night was the start of the Red House League, when we take on Killeagh at the Castle Grounds at 11.30 a.m. This game will be no pushover, as Killeagh, who started badly last year, finished above Lismore at the end of the season.

Indeed it will be a hard decision for the selectors to announce their team, but after two recent challenge games, their minds should be pretty well made up by now. So it is to wish the players and the fans that they can get off to a winning start.

We played Youngtal last Sunday in a challenge game and again disappointed by going down 1-0 to one. Though we opened the scoring after 15 minutes through Tom Shanahan, we will also be disappointed after that and at half-time it was 1-1 and in the end, Youngtal were the winners.

Team — J. Walsh, T. Donoghue, D. Donnell, Billy Landers, J. Ahernan, Niall Daly, D. Landers, Billy Cunningham, Dave Landers, Tom Shanahan, B. Carley, Subs. — J. Ryan for B. Carley; T. Landers and Ed. Fenton.

Training every Tuesday and Thursday, starting at 7.15 p.m. with the players gathering at the Red House. Incidentally, we would appeal to the public to come along and cheer on the lads on Sunday morning. Who knows it might 'egg' them on a bit more, with plenty of vocal support. — K. Ryan, P.P.O.

Credit Union Question Time — Eight confirmed enquiries have been received by the Credit Union Question Time at the Keaneland Hotel on Wednesday next the 14th and more are in prospect. Question Master will be Mr. John Egan, Tallow, the starting time is 8 p.m. Entries may still be handed in up to Monday 12th. The splendid trophies on display in Mr. Billy Fagan's have attracted much favourable comment.

PENSMAN TAKES YOU behind the SPOTLIGHT

IT HAS HAPPENED AGAIN

Last week our much vaunted postal service took a full two days to deliver two letters posted in Tallow to Dungarvan, a distance of 20 miles. The letters, both containing news items for publication in last week's "Leader" (one containing our usual Tallow Notes and the other the Tallow GAA Notes) were posted in the Brideside town on Tuesday evening. Neither of them turned up at the "Leader" Office until Thursday evening, too late for inclusion in last week's issue.

For this, of course, we must again apologise to our readers. This, as most of them must now know, is not the first occasion in which this has happened as a number of similar delays have been occurring regularly over the past number of years.

Postal rates in this country are now enormous and one of the excuses for the most recent hefty increases was that it would ensure a faster, more reliable and more efficient service. Well if the Department cannot deliver letters to towns of not more than twenty miles apart inside of two days they can hardly claim that the service they are providing is either fast or efficient.

While penning these lines on Monday night I broke off to watch the 9 o'clock news-cast on RTE 1 and heard that the Department were about to initiate a new overnight postal service which would ensure the delivery of letters within certain designated cities in a couple of hours! While this might be alright in its own way I think the Department might be more profitably employed in applying itself to speed up the two days which it now often takes to deliver letters over a distance of only twenty miles in country areas.

And this brings me to another aspect of the activities

the U.N. forces in the Middle East.

Lieut.-Colonel Quinlan comes from Colligan, Dungarvan and is son of the late John Quinlan and of Mrs. Margaret Quinlan who resides with her daughter Mrs. T. Butler, Mapstown, Dungarvan and brother of Mr. Eddie Quinlan, Colligan.

Lieut.-Col. Quinlan is an Officer of our Defence Forces with much overseas service experience having been O.C. of the 45 Infantry Battalion (Irish Contingent) attached to the United Nations Forces which served in Lebanon within the last couple of years.

Defence Minister Tully happened to visit Cairo in the course of his tour of Irish peace-keeping units serving with the U.N. in the Middle East and had been invited to join the VIP group on the stand from which President Sadat was reviewing a parade of the Egyptian armed forces. He sustained facial injuries which required half-a-dozen stitches when a small piece of shrapnel went through his cheek. He was extremely lucky not to have sustained more serious injuries and indeed to have escaped death during the course of the attack in which the Egyptian President was killed.

Farmers Complain Of High Bills For Water Supplies

Following a complaint made by Cllr. James Walsh at the September monthly meeting of Waterford County Council farmers were receiving very high bills for their water supplies from the Council. The matter was again raised by Cllr. J. O'Brien at the October monthly meeting of the Council in Dungarvan last Monday.

Cllr. O'Brien said that many farmers in his area were complaining about the high charges they were being asked to pay for water. He said that as a result of these high charges many farmers were thinking of providing their own supplies, a position which would be very feasible in his area. If this should happen then the Council would be left with their own supply on their hands, he said.

County Manager Mr. Dan Hurley said that this matter had been discussed at length at the previous meeting when he indicated that the charges which had been fixed for 1981 would stand. He went on to say that while they understood the difficulties which farmers had to face at present, the charge of £1,000 a year in respect of 100 cattle worked out at 35p per day and he did not think that was excessive.

Pointing out that the Council was only charging what cost them to produce the water, he said that he would review the position to arrive at an equitable charge across the board.

Cllr. J. A. Walsh, who raised the matter in the first instance, said that those who are metered are subsidising those who are not, he said. He added that if the water charges were not made somewhat higher, the Council's water schemes would eventually be used by no one except householders.

Cllr. W. McDonnell said that he had no doubts but that some farmers were being treated unfairly in regard to water charges.

It was agreed to defer further discussion on the subject until the review being prepared by the Co. Manager became available.

TRIBUTE TO BRAVERY

Mr. Jim Tully, T.D., our Minister for Defence, who received facial injuries in the attack which culminated in the assassination of Egypt's President Sadat in Cairo last week subsequently paid an outstanding tribute to two senior officers of the Irish Defence Forces on the occasion.

Mr. Tully, who was only four places away from President Sadat on the reviewing stand when the assassins struck and sprayed the stand with machine-gun fire and grenades told how the Irish Officers ran from their places at the back of the stand to see how he was when the firing commenced.

"As other men with rows of medals ran like hell the two Irish Officers ran to my aid," said Mr. Tully in describing the action of Irish Chief-of-Staff, Lieut.-General Louis Hogan and Lieut.-Colonel Tom Quinlan, at present assigned as an observer with

ANOTHER FIRST

Recently we referred to the appearance of a large, unidentified fish in the estuary of Dungarvan Bay. Believed by experts who saw it in the water to have been a barracuda or a sturgeon, it succeeded in getting back into deep water before a positive identification could be made.

Whichever of the species it was, it was an unusual and very strange visitor to our waters.

Now we can record that another strange and unusual finny visitor has been found in the vicinity of Dungarvan—and this time it did not get away.

On Thursday morning of last week the Helvick fishing trawler "Vega" with Skipper Liam Kelly and crew while operating about quarter of a mile out from Helvick Head got involved with a huge fish which they succeeded in holding and bringing back to Helvick pier.

Again unable to make a positive identification they contacted ace sea-angler John Casey who travelled out from Dungarvan to inspect the big catch which after examination he identified as a Thresher Shark. The fish weighed 600 lbs. and measured 16 feet from snout to tail. John Casey described it as a beautiful fish and said that this particular species of the shark family are complete strangers to Northern waters and normally frequent the warmer seas off the Canary Islands. He added that they were dangerous and could be described as killers.

Perhaps our Sea Angling Correspondent, Des Kelly who contributes the "Conger King's" column regularly in the "Leader" may be able to supply us with more information on Thresher sharks and how such a stranger came to be off Helvick at this time of year.

Pantomime Time Again in Dungarvan

After a lapse of some years a grand Christmas Pantomime is to be presented in the Priory Hall Theatre, Dungarvan, for mounding the charming story of "The Babes in the Wood" are well in hand.

Musical Director, Choreographer, Stage Director and Producer have been appointed. An excellent script has been produced containing all the traditional ingredients that go to make a lavish and entertaining production. There is music and laughter from the machinations of the evil Baron and his two henchmen; fantasy from the Fairy Queen and the little elves and robins; music, song and dance from an experienced chorus line; and where would pantomime be without the merry lovable Dame?

All in all an outstanding show is forecast. Rehearsals are about to commence. Look out for further news.

THE LAST THING ON MY MIND

Our choice for the ballad corner this week is a very beautiful song made popular by the well-known international country and western singer, Tom Paxton, "The Last Thing On My Mind".

It's a lesson too late for the learning.
Made of sand, made of sand.
In the wink of an eye my heart is turnin' in your hand.
In your hand, in your hand.

Chorus: (repeat after each verse)
Are you going away with no word of farewell?
Will there be not a trace left behind?
I could have loved you better, didn't mean to be unkind.
You know that was the last thing on my mind.

Now you'd plenty of reason for going.
This I know, this I know.
Our loves were had been steadily growing.
Please don't go, please don't go.

As I lie in my bed in the morning.
Without you, without you.
Every song in my heart dies mourning.
Without you, without you.

Chorus.

Warning That Some Farmers May Go Bankrupt If Something Not Done Soon

Unless something was done soon many top-class farmers would go bankrupt and the country could not afford to lose men of this calibre.

The Minister who spoke on the new interest Subsidy scheme for Development Farmers dealt principally with the financial problems facing agriculture.

Mr. Tom Murphy, I.C.O.S. said that the social system which they had at present in the present state of affairs was not a fair one.

Mr. D'Arcy concluded his address by assuring the members that the Government would do everything within its power to bring about a solution in agriculture in 1982.

MINNIES SQUASH NOTES

Well, folks, the final of the Minnies tournament promised to be a thriller and that's just what it turned out to be on Wednesday night last.

But, just for a moment, let us return to Monday night, when the semi-finals were down for decision.

Before the packed gallery, Michael O'Mahoney's team (as predicted some weeks ago) beat Pearse Mooney's team in one of the best finals seen for some time in Minnies.

TALLOW G.A.A. NOTES

This early ascendancy wasn't maintained for long however as Roanmore took on four points before Philip Curley's 10th minute point left Tallow trailing 1-5 to 1-4 midway through the half.

But for the brave tackling of the Tallow backs and the missed opportunities of Roanmore's forwards, the gap could have been much wider as the Eastern champions continued to raise flags during the remaining half.

By this stage the tension was high, but it was not to affect Noel Dwyer who played inspired squash to beat the very consistent Michael Mooney.

G.A.A. NOTES WESTERN J.H. FINAL AT CAPPOQUIN IS PRIME WEEK-END FIXTURE

NEXT SUNDAY
Although the minor football county final is listed for Dungarvan on Sunday next, by far the most important fixture of the week-end will be the Junior hurling Western final between Ballysagar and the holders, Tallow, in the feature game at Cappoquin. The hurling final is also expected to be a thriller so it can be safely expected that the Cappoquin venue will draw the crowds on Sunday.

BALLYSGAG V. TALLOW
If one could feel sure that Tallow and Ballysagar would both produce the same form as displayed in the semi-finals last month, there would have no hesitation in giving a 50-50 chance to Ballysagar who were by far the better team on that day. Tallow's 3-13 to 3-5 victory over Ballinacourty did look as impressive as the score makes it appear and it is the fact that their standard was way down on last year, when they took the Western title very decisively.

Of course this is a different game and it's final and final is a different matter. Tallow can be sure that Ballysagar will leave no stone unturned to retain their title and compensation for their subscribers to some extent for the defeat of their seniors by Mount Sion.

Ballysagar, whose history dates back to the 18th century, is the Association to win their third Western title since 1910. In that year the club took their first hurling championship title when they defeated St. Mary's at a hurler at Dungarvan. It was subsequently beaten in the final by Mount Sion.

WINTER FINAL
On Saturday last, Tramore rather surprisingly qualified for the final of the County Junior hurling competition when they beat Roscommon who were the favourites. Little is known about this Eastern side, but it would be difficult to see the chances of the reigning county and Western champions.

N.F.L. LEAGUE V. LIMERICK
Waterford footballers play their first National League game on Sunday next when they have an away match against Limerick. In a recent report to County Board the selectors outlined a programme they expected would win them Division 4 honours. The County Board have given a vote of confidence to the selectors and hopefully they will achieve their ambition.

By Commentator Ballinacourty Impress In Taking Third S.F. County Title

Turning on a second half display of power football which Ardmore had no real effective answer, Ballinacourty impressively captured their third county senior football championship in four years at Frasher Field, Dungarvan last Sunday. Perhaps the eventual margin of victory — a whopping fourteen points — flattered County just a little, but the sheer quality of their football in the final twenty minutes left no room whatever for argument about the justice of the result.

On a near perfect day for football this was a final that lived up to expectations for three-quarters of the hour. During that period Ardmore remained in live contention, despite having to concede a decisive territorial advantage to Ballinacourty. And the issue still very much in the melting pot when County entered that final quarter just three points in front — 9-8 to 6-7.

But then the winners proceeded to play their best football of the year as they imposed their authority in practically every sector. A magnificent defence nullified the fast diminishing threat from the Ardmore attack; Jimmy Healy's advent to midfield as partner to Richie Harrahan saw them regain control of this key sector, and their forward line went on a scoring rampage as they notched the goals and points that ultimately swept Ardmore's resistance almost contemptuously aside.

County were a treat to watch in their closing stages as they proceeded to demolish the Ardmore resistance. Many of their scores, particularly their two-pointers in the space of thirty seconds, were absolute gems, and the county has worthy champions for the forthcoming National League.

Almost from the outset one could sense that this was going to be Ballinacourty's day. Although it was Ardmore who jumped into a 3rd minute lead with a point from Frankie North the winners soon began to exert decisive control in many of the key sectors. Jimmy Healy's free brought a five minute equaliser and when Tommy Wade edged them in front with a superb point five minutes later County had taken a lead which they never again relinquished.

With the midfield pairing of Richie Harrahan and Albert Burke leading the exchanges, the early efforts of John Hennessy, there was increasing pressure on an Ardmore defence which centre back Denis Conway emerged as a commanding figure. And in an effort to break that midfield partnership after the half, Noel Conway from right half forward to the area in a direct switch with North after a quarter of an hour.

Ballinacourty, however, continued to dominate but some poor marksmanship cost them several scores. Healy, Wade and Wade did add on points before Garry O'Connor replied with Ardmore's only other point of the half and Wade's superbly

October has considerably affected the attendance a few weeks to make a difference. A matter that did invite comment was the fact that despite rumours to the contrary, Ballinacourty did the out with the three players who had been injured in the semi-final, and two of these, Albert Burke and John Moloney played outstandingly. John Byrne also played very effectively. The club notes did report that all were certain not to play on Thursday. I must say that was not intentional, but it was unfortunate.

DUNGARVAN'S VICTORY
I know the Bord has not yet noted what fully with the game, but let me add my congratulations to a brilliant young Dungarvan side who played some great football in mastering a bigger team than they had been hitherto fancied to take the title in the under 16 "A" football championship.

It was a splendid effort on the part of Dungarvan who were taking their first title in the grade Dungarvan had previously lost the hurling county final to the same opposition. Strangely enough when Dungarvan won their first under 16 hurling title they lost the county football in the same grade in the same year.

Ballinacourty Impress In Taking Third S.F. County Title

Turning on a second half display of power football which Ardmore had no real effective answer, Ballinacourty impressively captured their third county senior football championship in four years at Frasher Field, Dungarvan last Sunday. Perhaps the eventual margin of victory — a whopping fourteen points — flattered County just a little, but the sheer quality of their football in the final twenty minutes left no room whatever for argument about the justice of the result.

On a near perfect day for football this was a final that lived up to expectations for three-quarters of the hour. During that period Ardmore remained in live contention, despite having to concede a decisive territorial advantage to Ballinacourty. And the issue still very much in the melting pot when County entered that final quarter just three points in front — 9-8 to 6-7.

But then the winners proceeded to play their best football of the year as they imposed their authority in practically every sector. A magnificent defence nullified the fast diminishing threat from the Ardmore attack; Jimmy Healy's advent to midfield as partner to Richie Harrahan saw them regain control of this key sector, and their forward line went on a scoring rampage as they notched the goals and points that ultimately swept Ardmore's resistance almost contemptuously aside.

County were a treat to watch in their closing stages as they proceeded to demolish the Ardmore resistance. Many of their scores, particularly their two-pointers in the space of thirty seconds, were absolute gems, and the county has worthy champions for the forthcoming National League.

Almost from the outset one could sense that this was going to be Ballinacourty's day. Although it was Ardmore who jumped into a 3rd minute lead with a point from Frankie North the winners soon began to exert decisive control in many of the key sectors. Jimmy Healy's free brought a five minute equaliser and when Tommy Wade edged them in front with a superb point five minutes later County had taken a lead which they never again relinquished.

With the midfield pairing of Richie Harrahan and Albert Burke leading the exchanges, the early efforts of John Hennessy, there was increasing pressure on an Ardmore defence which centre back Denis Conway emerged as a commanding figure. And in an effort to break that midfield partnership after the half, Noel Conway from right half forward to the area in a direct switch with North after a quarter of an hour.

Ballinacourty, however, continued to dominate but some poor marksmanship cost them several scores. Healy, Wade and Wade did add on points before Garry O'Connor replied with Ardmore's only other point of the half and Wade's superbly

October has considerably affected the attendance a few weeks to make a difference. A matter that did invite comment was the fact that despite rumours to the contrary, Ballinacourty did the out with the three players who had been injured in the semi-final, and two of these, Albert Burke and John Moloney played outstandingly. John Byrne also played very effectively. The club notes did report that all were certain not to play on Thursday. I must say that was not intentional, but it was unfortunate.

DUNGARVAN'S VICTORY
I know the Bord has not yet noted what fully with the game, but let me add my congratulations to a brilliant young Dungarvan side who played some great football in mastering a bigger team than they had been hitherto fancied to take the title in the under 16 "A" football championship.

It was a splendid effort on the part of Dungarvan who were taking their first title in the grade Dungarvan had previously lost the hurling county final to the same opposition. Strangely enough when Dungarvan won their first under 16 hurling title they lost the county football in the same grade in the same year.

BALLINACOURTY 2-14; ARDMORE 0-6

Two minutes later Noel O'Connor narrowed the gap with a point and within another minute the same player cut the deficit to five minutes with a delightful score following a movement initiated deep in their own defence. Substitute Pat Burghill — he was to contribute handsomely to the Ballinacourty triumph in the second half — replied with a 5th minute point but when Declan Hennessy neutralised it in their own half, it was not to be, however, because with Healy's move to partner Richie Harrahan in midfield, Ballinacourty gradually began to assert decisive dominance as they notched the 41st minute and on the three-quarter hour, Healy's pointed set up Burke for a grandstand finish.

It was not to be, however, because with Healy's move to partner Richie Harrahan in midfield, Ballinacourty gradually began to assert decisive dominance as they notched the 41st minute and on the three-quarter hour, Healy's pointed set up Burke for a grandstand finish.

It was now all Ballinacourty as the team began firing devastatingly on all cylinders. Albert Burke, now at full forward, stretched the lead with a superb 48th minute point and though Declan Hennessy hit back with a point from an Ardmore goal, it proved to be their final score.

The killer blow was delivered six minutes from when a hitherto fairly subdued Michael Harrahan rose highest of all to a John Mulligan 45' was who put them two points clear in the final quarter. When County came out and Burke set up Burke for the two-point goal, it was a superb goal, but it was not to be, however, because with Healy's move to partner Richie Harrahan in midfield, Ballinacourty gradually began to assert decisive dominance as they notched the 41st minute and on the three-quarter hour, Healy's pointed set up Burke for a grandstand finish.

TALLOW & ROUNDABOUT NOTES

St. Catherine's G.A.A. Notes - Awaiting their semi-final tie with South East Cork champions Shamrocks, St. Catherine's junior hurlers had a very useful work out with Erin's Own intermediate team at the latter's new pitch at Caherlog, near Little Island on last Sunday. The Catherine's, who were short-coupled of players owing to injuries still served up a good game of hurling and were just pipped at the final whistle by a couple of points.

Under 18 Football Semi-Final - The Castleblayns under 18 footballers, too, came off second best in their semi-final contest with the lads from Beara at Inchigeelagh last Sunday - but they gave of their best and we congratulate them on making such a fine bid for county honours.

Thomas Pratt probably put his name in the history books for scoring one of the quickest goals in A.U.L. football - according to the referee after only five seconds. Mickey Curley kicked off to Stephen Curley and his through ball was brushed down by Thomson who shot it to the net. Bridie View went 2-0 up in the 34th minute when Bomber McCarthy gave a pass from Mickey Curley and his perfect cross was slotted into the net by Stephen Curley. Mickey Curley had a chance to put Bridie View further ahead just before the interval but the referee's foul play made a brilliant save.
