Ballyvolle Strand will be the yone for our annual ovent to rulse, much needed funds for rulse, much needed funds for the R.N.L.I. This area has in the past produced such spocies as bass, conger, Housdorf, coallish and lesser spotled dogitish. If the competition measures any we will have a record entry, I stated in this column recently that there would be no Indies or Juvenile section as has been the case since the imaguration of this ovent. However, bits has now been overried and I'm indies will welcome this decision. The ovent this year is being sponsored for the first time ever and will ensure a much greater contribution to the R.N.L.I. Our sincere thanks to Mr. Michael Moloney, "Hardware," Bridge Street, Dungar-van for generous sponsoreship for the first dimediated in the "Leader" lock, week.
