CHARGED WITH ROBBERIES IN FOUR COUNTIES

A young woman dressed in blue jeans and a lawn anorak appeared at Dungarvan Court before District Justice W. F. O'Connell on a long list of robbery charges at places ranging over Counties Wexford, Waterford, Kilkenny and Cork.

In the custody of a Prison Wardress, 22 years old Mary Dowling, no fixed address but stated to be a native of Ballinacorney, Grangienamansh, Co. Kilkenny, heard the long list of charges committed in Wexford, Gorey, New Ross, Arklow, Cork City, Ardmore, Dungarvan, Kilmurry, read over to her involving the robbery of cash, jewellery, clothes and goods and the hitting of clerics, and receiving by false pretences, to most of which she pleaded guilty.

The offences were all committed between September 1981 and March 1982. In Dungarvan she was charged with the robbery of £20 and £115 worth of goods, the property of Miss Patricia Ormonde, T. P. Meagher Street, on March 28, while in Ardmore she was charged that on February 26 she did steal £70 and a cheque book, the property of Nora Mansfield and on the same day did steal £217 at Cliff House Hotel and damage a door and window at the hotel.

Mr. J. P. Gordon, Solr, who appeared for the defendant said that as there might be other charges pending, it would be better to remand the defendant until all the charges had been completed instead of going ahead piecemeal.

By consent the District Justice further remanded the defendant in custody to Young Hall Court on April 22 where Supl. M. Ennis, who presided, said he would do his best to be ready to go ahead.

Derelict House Demolished At Last

The much discussed derelict house at the old CIE level crossing at Strandside South, Abbeyside, which has been the centre of controversy for years because it constituted a health hazard and eyesore has at last been demolished.

On Wednesday a County Council bulldozer moved in and levelled the derelict building. We understand from the Co-Manager, Mr. Dan Hurley, that when cleared the area will be cultivated and planted with flowers and shrubs - another most welcome change.

CLEAR CUT WIN FOR LISMORE

Lismore had a clear-cut win over Abbeyside in this minor hurling championship tie at Cappoquin. Except for some uncertain moments in the second quarter, they were never in danger, and held the leaders scoreless in the second half.

For Abbeyside, Davy Hogan, Tom O'Mahoney, Kevin Coleman and Bono O'Mahoney made the most impact. Scorers - Lismore: B. Lee (1-1), P. O'Donoghue (0-3), L. Ryan (0-2), E. Sullivan (0-2), B. Prendergast (0-2), B. Lawton, T. Cashman and P. Ryan (0-1 each). Abbeyside: E. O'Mahoney (1-0) and D. Hogan (0-2).

audia Affair?

Who travels to the North where the sheet descends by his boyhood friend from Limerick in a cross-country and the real tragedy is that the Catholic British Army is not the same as the British Army.

The name of the book is: 'The Name of the Game' and it is a story of a man who has been turned down once or twice already. I have had hopes for it. Another one that I followed it through the pages of something I heard while in America. It seemed too fantastic at the time but the more I read the more I became fascinated. It seems that when Damon de la Cruz was in the States he was told to go to the States and see if he could get a job. He was told to go to the States and see if he could get a job. NEWS FROM CAPPOQUIN

TRAGIC BEREAVEMENT
There was widespread regret at the news of the tragic death of fourteen year old Donal Colender, Cullin House, Kinsalebeg on Good Friday. He was son of Mrs. Pea Colender and the late Neil Colender, formerly of Tourin who succeeded him two years ago. The funeral was held at St. Declan's Cemetery where the grave was lined with moss and flowers, were indicative of the sorrow at this tragic happening.

Senior Hurling Challenge
O'Loughlin's (Kilkenny) 4-10
Cappoquin 1-2
Our senior hurlers had a restful day on Friday night. The hurling was a big success, fit and very skillful team and should be a force in Kilkenny hurling when they establish themselves in senior ranks. We were short some of our regular players but this should not be used as an excuse. Our marking was very strong and our final tally of 6-10 was a very creditable result. We only scored one point in the second half and O'Loughlin's took out easy winners. Let us hope we can learn something from this game.

SCOUT NOTES
It has indeed been an eventful few weeks for the boys of the Waterford C.B.S.L. with the boys attending the regional camps and camps week-end in Mellary Scout Centre.
Last week-end the boys had a fabulous time and their leader Helen Morley said they should derive great benefit from the activities they were engaged in. The boys who attended this All-Ireland week-end were Trevor O'Loughlin, Thomas Doyle, Dennis Redher, Reginald McLoughlin, John Mulhally and Eric Prater.
Incidentally a word of praise for leader Helen Morley who sacrificed her week-end to attend in Mellary. This is the kind of dedication and cooperation that is needed in the movement. Also in attendance in Mellary was our Unit Leader, Willie Gallagher in his capacity as Cub Commissioner.
Great projects were forthcoming from our scouts on their 70 mile hike. At the various checkpoints they said they were thoroughly enjoying themselves. The going was tough but weather conditions were very favourable and they were glad they made the decision to tackle this enormous task.

PENSMAN TAKES YOU behind the SPOTLIGHT

THIS IS REALLY NOT GOOD ENOUGH
While postal services in West Waterford have been the subject of dissatisfaction for a long time, the days that occurred from almost the entire area last week are really not good enough at all and can no longer be tolerated by a public who are being asked to pay more and more for a diminishing service.
Letters posted in Tallow, Clahmore, and in the vicinity of Upper Upper Lismore, on Tuesday, April 13, and addressed to the "Leader" Office in Dungarvan were not delivered here until Friday morning, April 16, taking almost three days! The result was that many items, including important notices of public functions, arrived too late for publication in our last issue.
It is hard to imagine in this day and age with the best postal charges in Europe operating that it should take so long to deliver letters over such short distances all within a radius of 25 miles. It will go so far as to say that it is scandalous and people are increasingly more than tolerant to put up with it.
But put up with it any longer they should not and the postal authorities will have to do something to ensure that letters posted in the towns and villages in West Waterford are delivered within 24 hours. The present disgraceful service, which has been going on for a long time now, indicates in many ways a "couldn't care less" attitude by the P. and T. authorities towards the people who are being fleeced to pay for it. It really is not good enough and should not be tolerated any longer.

PLANTS BEING PILFERED
Some weeks ago we referred to the colourful additions to various parts of Dungarvan which the new ornamental tubs containing flowering plants and shrubs have provided. These are the first results of the new Parks Division of the local Urban Council which has been established under the initiative of County Manager, Dan Hurley.
At the time we also expressed satisfaction that vandals had so far left the tubs untouched and in addition, the hope that they would continue to show appreciation of what has been done to improve the environment of the town by leaving them be in the positions in which they had been placed.
So far they have done so and the tubs have not been touched. However, this does not mean that they have escaped scot free. A more sophisticated (if that's the correct word) vandal had appeared on the scene and flowers and shrubs (especially if they are out of the ordinary run) have been removed from the tubs, roots and all. Obviously there must be a number of selective gardeners in the area who are helping themselves at the expense of the Council. Council officials are monitoring the situation.

DEEP BITE BY PRSI INCREASES
The increases in the Pay Related Social Insurance contributions under the recent budget which came into operation within the last few weeks have bitten into the pay packets of workers much deeper than had at first been expected. It is rather strange that this aspect of both budgets (first that of the Coalition and later that of Fianna Fail) was allowed to slip through without question or complaint. Obviously the budget debates had to become actual fact before it was realised how deep they were going to bite.
Now there is widespread protest and the government could well find itself in difficulty if some steps are not taken as a matter of urgency to ease the situation and to store the tap which has so suddenly made its appearance in workers' pay packets.

ORCAHTAS DANCER FROM NEW JERSEY
Earlier this month Orcahtas Rince na Cruinne, 1982 was held in Galway City. To be precise the event took place from April 7 to 12, over the Easter Week end, in Leasrahan—the huge recreation centre in the Western Capital. Under the auspices of the Irish Dancing Commission, the winners of the various competitions at the event are given recognition as world champions, hence Orcahtas na Cruinne.
Our interest in this year's Orcahtas Rince na Cruinne centred around a young ninety-year old girl and her cousin who came all the way from New Jersey in the USA to compete. Members of the Friel School of Irish Dancing in that city were successfully competing in the qualifying competitions. She won a sponsored trip to the finals with 19 members of the school. The nine-year-old is Aileen daughter of Mr. Peter family and Mapstown.

FOR CHILDREN
Children are the world's future. This future is seriously jeopardised. Seventeen million people died last year and millions more will die this year. The great majority of these children die due to causes related to the consumption of contaminated water. With a simple vaccination or oral rehydration salts, these deaths can be avoided.
The world of waste has hardened man's heart to the extent that he has become indifferent to this dramatic situation. Every day, hunger, thirst, abandonment and war condemn millions of children to certain death. The moment to say "No has come! We cannot remain passive in front of this silent agony.
We believe in life. And because we believe in it, we appeal to everyone to take the action which will spare these innocent victims.
We can put an end to this vicious circle. It is a feasible task. It is urgent. UNICEF (United Nations Children's Fund) puts its means, limited indeed, at the disposal of children to make life possible for them.
We support these initiatives and we urge every one who can, from government level down, to participate in the task. As the motto of UNICEF declares: "Mankind owes to the child the best it has to give." Those who wish to join in this crusade can do so by contacting the secretary of UNICEF, 4, St. Andrew St., Dublin 2.

Dungarvan Urban Rate Is £15.87 In Pound

Dungarvan Urban Council at their annual estimates meeting last Monday night unanimously adopted a rate of £15.87, the figure submitted by County Manager, Dan Hurley for the coming year. This is an increase of 2.1% over last year's rate and the total estimate provides for a gross expenditure of £1,266,195 to finance the various Urban services for 1982. Main heads of expenditure in the estimate are as follows: Housing and Building £549,347; Roads £22,224; Water and Sewerage £236,214; Development Incentives and Patronage (Industrial Development) £1,000,000; Town Planning £3,862; Environmental Protection (Refuse collection and street cleaning, etc.) £105,871; Recreation and Amenity (Swimming Pool, Town Hall, etc.) £70,000; Agriculture, Education, Health and Welfare £72,000; Miscellaneous Services £1,333; County Demands £145,224.
In the course of his report which accompanied the Book of Estimates, the County Manager stated that for 1982 the following proposals which have a major cost implication to the Council are all being reviewed: Sports Complex, Harbour Development, Nursery Development, Water Supplies, Acquisition of alternative site for bus and tram services, Sewerage Disposal, Off Street Car Parking, Environmental Protection, Development of Industrial Estate at Shandon, Acquisition of Land for housing and burial grounds, Development of Private Streets, etc.
The Councilors will also note the improvement in the town now that some of the houses and premises underlain by I intend to pursue this policy throughout the year which further areas will be available to the citizens. The garden unit is now self-sufficient in that it has been provided with its own transport. It has also become necessary to replace the present refuse Truck and I have completed an arrangement for the sale and purchase of a demonstrator (four wheel drive) for the net cost of £22,000.
The work on the Sports Complex is proceeding and it is hoped that the work will be put out to collective tender during the next month. I expect that construction work should begin about July.
It will be noted that I have again made provision for the Christmas Relief and Youth Employment Schemes for the current year.
"It will be seen from the Estimates and from the activities in the town and the demands on the Urban Council are increasing. I propose, therefore, to recruit a Temporary Engineer for a six-month period to assist the Town Engineer in seeing that all the works programme is carried out.
"I would like to thank all members of the staff, both indoor and outdoor, who undertake work programmes prepared for them during the year. In particular I would like to thank the Senior Officers of the Urban Council, Mr. E. White, Town Clerk, and Mr. T. Walsh, Town Engineer, for their assistance in the compilation of these estimates, which called for many hours additional work over and above the call of duty.
PURCHASE OF OLD MARKET HOUSE
Mr. Hurley then told the Council members that he had completed negotiations for the purchase of the old Market House ("Merry") which he proposed to convert without interfering with the funds for cultural purposes for the town including a library and museum. He said that he felt that it

SEEKING INFORMATION ABOUT FAMILY

Included in my post-bag during the past week was a letter from Australia. It came from Mrs. Mary Bowie with an address at 12, Kendall Road, New South Wales 2069 who is seeking information about any possible family relatives.
Mrs. Bowie's letter states: "I am researching my family history and I am wondering if any of your readers would have any knowledge of descendants of John and Bridget McClellan (or Lennon), nee Scanlan of Lismore, County Waterford. John McClellan was in the Irish Constabulary. He and his wife had nine children—Fanny, Elena, Ann, Bridget, Hannah, Margaret, William, Maria and John, some of whom migrated to USA and New Zealand probably about 1860-1875. William, my grandfather, migrated to New Zealand in 1875. I would be grateful for any information."

Should any reader in Lismore be able to help, contact could be made direct with Mrs. Bowie at the address given above or if any information is submitted to us we will see that it is passed on to her.

THE LOW-BACKED CAR

Just before Easter I had a letter from a reader who is a long time exiled in Canada and included in it was a request for the words of a song that made famous by John McCormack, composed by Samuel Lerner. It indeed, a most beautiful song and an excellent choice for the ballad corner this week:
When first I saw sweet Peggy,
'Twas on a market day,
A low-backed car she drove,
and sat
Upon a tress of hay;
But when that hay was
blowing grass,
And decked with flowers of Spring,
No low't was there that could compare
With the blooming girl I sing.
Chorus:
As she sat on the low-backed car,
The man at the temple Never asked for a toll,
But just scratched his old And looked after the low-backed car.
In the battle's wild commotion,
The proud and mighty Mars, With hostile scythes, demands his tithes.
Of death in warlike cars,
His dart in her bright eye,
That knock men down in the market town,
As right and left they fly—
While she sits in her low-backed car,
Than battle more dangerous far—
For the doctor's art Cannot cure the heart,
That is hit from the low-backed car.
Oh, I'd rather own that car,
With Peggy by my side,
Than a coach-and-four and sold spore,
And a lady for my bride,
For the lady would all furnish me with taste,
Oh, a cushion made with taste,
While Peggy would sit beside me,
With my arm around her waist—
While we drove in the low-backed car,
To be married by Father Maher,
Oh my heart would beat high At her glance and her sigh,
Though I bent in a low-backed car.

BIGGEST SHIP EVER TO DOCK IN DUNGARVAN

County Manager Dan Hurley told members of Dungarvan Urban Council at their estimates meeting last Monday night that the preliminary report of the Consultants of the Harbour Improvement Scheme had now some to hand and was being examined with a view to finalisation for consideration by the members and submission to the Government. The report shows that the harbour could be developed at reasonable cost.
In this regard the Co. Manager announced that this week the biggest ship ever to come to Dungarvan would dock at the quay and it would be interesting to see how things turned out as an indication for the future. He added that he thought that the Council would be holding a special meeting about the harbour in the course of the next few weeks.
An Tuesday evening, the 4,000 ton M.V. Unitash-H arrived light and berthed at Dungarvan Quay. She is to take on a cargo of 1,350 tons of grain for An Bord Grain which is going to Denmark. Loading operations commenced on Wednesday morning and when completed, the vessel will leave for Denmark.
The previous biggest vessel to dock at Dungarvan was one of 999 tons.

Urban Council To Send Delegate To London Sports Conference

Mr. J. Byrne, Labour member of Dungarvan Urban Council, was selected at the Council's meeting last Monday night as a delegate to attend the International Sports Conference at Wembley Conference Centre, London, from May 4 to May 7 (inclusive).
Mr. J. Byrne said that he was always opposed to these trips abroad and still felt the same way about them.
Mr. Dan Hurley, County Manager, said that this particular Conference had a specific interest for Dungarvan this year in that the proposal to build a new sports complex and he thought it would not be inappropriate if the Council was represented at this particular conference and for that reason it was one at which he would recommend attendance.
Mr. T. Wade then proposed that the Council send a delegate and Mr. J. Byrne seconded the proposal which was declared carried with Mr. Goode dissenting.
Mr. J. Byrne was then nominated to be the member of the Labour Party on this occasion.

BALLYDUFF NOTES

MACRA NA FEIRME
The club held a very successful field evening last Sunday. A total of 33 teams took part in the competitions and a very large crowd attended the dance. The side shows proved to be a very popular attraction and a lot of fun was had by everyone.
The best overall team of the night was Conna. The best ladies team was Killagee and the best gents team was Glanworth. The Superstars competition was won by Joe Hourie, Lismore. The identification of flowers was won by Carmel Cotler, Killagee and the identification of machinery parts was won by the Glanworth club.
Jan Winters of the Mallow club came out on top in the inter-school competition and the Mallow again competition was won again by Glanworth.
The club would like to thank sincerely all those who sponsored us. These were Fitzgeralds Homes, Ballyshool, J. Woods, Spollen, Castletyons Co-op, A.I.B. Lismore and especially Pat Flynn of the local hardware who provided us with much equipment and gave us so much help on the night. A sincere thanks also to Tommy Kearney for all the work he put into this evening. We would like to thank the following who lent us the competitors: Marian Looby, Conna, Michael Regan, Tallow, Mrs. McCarthy, Ballyduff, Our thanks to Fr. Quailly and the School Committee for the use of the field on the night. Also to all the shopkeepers and people of Ballyduff who proved to be very co-operative and to the Mallow Club who provided us with many memorable games and some outstanding individual performances.
Particularly notable games were the clashes between Glanworth and the Pentons, Kevin Regan, Pentons just played the Friday encounter, but Kieran Doyle, Michaels turned the tables when the sides met in the second round game.
Na Plarsagh, captained by Benny Organ, caused a bit of a stir when in top gear and played in a number of exciting games. But perhaps the most outstanding game was the one to date was the first round game between Cuchullain, led by their captain Mike Reynolds and the Pentons. The game was all square and provided us with all the thrills and spills of Gaelic football.

County Engineer Doesn't Want Country Festooned With Signs

At the monthly meeting of Waterford County Council held in Dungarvan last Friday, Cllr. D. Goode raised a complaint about the removal of three signs by the Council which had been erected by Mr. Michael Casey concerning his restaurant and bar known as The Sannahall. He asked why the signs, in regard to which planning permission had been granted, had been removed.
Mr. J. D. Hally, County Engineer, said that there were already an adequate number of signs there at the moment and the three additional signs referred to had been removed, even though planning permission had been granted for their erection on Council property without the Council's permission.
In a further question by Cllr. B. Kane, Mr. Hally said that he would have objected to those additional signs even if they had not been placed on Council property as there were already enough signs in that locality. He did not want to have the country festooned with signs.
Mr. Dan Hurley, County Manager, said that they would have the existing signs for the Sannahall photographed and the position to be considered at the Council's next meeting.

We had a very energetic and exciting game on Sunday night last. After an hour of a very sporting and exciting battle, Belan's team emerged as the victors.
Senior members are asked to bring hammers with them next Sunday if they wish to take part in the hibernation programme.
We wish to express our appreciation to the Dungarvan Chess Club for their recent donation to our funds. (M.A.C.)

GERALDINES G.A.A. NOTES

For the second year in succession we are through to the final of the Stradbally Tournament. This came about by wins over Newtown a few weeks ago, and on last Saturday evening a great victory over a fancied Faha team.
Everybody played a part in this success and we are proud to say that we were able to win it all in style.
The scene is now set for another good game at Stradbally who are appearing in the final of their own tournament and as we have heard, hoping to win it. Yes we know they are not favourites, but also for the championship as well. They beat us last year in the tournament final fairly easily, but this time we hope to give them a better game.
All our players and officials should be at the venue at 7 p.m. as the game is timed for 7.15 p.m. An concerned would like to see a bit of support for the team who have gone to the limit of anything. — (P.R.O.)

RECENT DEATHS

The unexpected death of a comparatively early age of Mr. Patrick (Pat) Keating, Marlon Villa, Killmacshannon, occurred at his residence on Sunday April 18.
The sudden death of Mr. Joseph (Joe) Duggan, Congress Villas, Dungarvan, which occurred last Monday evening came as a great shock to his family, relatives and friends. A popular employee of the local leather factory, he was visiting a relative in the local hospital when he was taken suddenly ill and died.
The death of Mr. John Flynn, Caseville, Dungarvan, took place after a rather protracted illness on Tuesday, April 20. A member of the maintenance staff of the local Health Authority for many years, he was prominently associated with the Dungarvan Sailing and Sea Angling Clubs.
To all the bereaved families and relatives we extend our deep and sincere sympathy.

HIGGINN CUP
FOOTBALL LEAGUE
The Higgins Cup Football League which was in progress since early last season when we played the final on Saturday evening at 6.30 p.m. at the Frater Field grounds. This year's league played on a two round basis, provided us with many memorable games and some outstanding individual performances. Particularly notable games were the clashes between Sligo and the Pentons, Kevin Regan, Pentons just played the Friday encounter, but Kieran Doyle, Michaels turned the tables when the sides met in the second round game.
Na Plarsagh, captained by Benny Organ, caused a bit of a stir when in top gear and played in a number of exciting games. But perhaps the most outstanding game was the one to date was the first round game between Cuchullain, led by their captain Mike Reynolds and the Pentons. The game was all square and provided us with all the thrills and spills of Gaelic football.

THE FINAL

As already the place is to be on Saturday night at the Showgrounds at the Frater Field, where the Pentons and the Michaels are to battle for the right to hold the coveted Higgins Cup for '82. Both camps are confident of taking the trophy and going on their form in the league it must be a fifty-fifty affair. The Michaels side already having a win over each other. One thing for sure is that we are going to have a very exciting game. The Frater side will once again rise with worthy winners.

UNDER 21 HURLING
Saturday evening last was a history-making occasion for St. Mary's when our under 21 hurlers beat Abbeyside in the first round of the championship. This was the first time since the club was reformed in 1970 that St. Mary's held a first round win and what greater start could one ask for. We went to Cappoquin knowing well we had mighty task in hand, but the ladies rose to the occasion and at the sound of the final whistle had our points to spare over rivals Abbeyside.

MOTION ON ROAD IMPROVEMENT SCHEME

Waterford County Council at their monthly meeting in Dungarvan last Friday decided to refer to the General Council of County Councils a motion in the name of Cllr. James Walsh, that the County Council should to some extent, the cost of material and machinery required to maintain the road under the Road Improvement Scheme since the Council's decision not to "take over" such roads.
Cllr. Walsh said that if these roads were not maintained after being repaired they would soon revert to their original stage.
