SO NEAR AND VET SO FAR

Our intermediate footballers travelled to Cappoquin last Sunday more in hope than in confidence to take on Bullyduff in the Western Intermediate Football Championship, We returned home bitterly disappointed having lost a Giral we should most certainly have won—2-8 to 2-7.

At half-time no one would give tuppence for our chames. At that stage Ballyduff led 2-8 to 0-2 and a real drubbling was possible.

But then we saw exacts

to 0.2 and a real drubbing was possible.

But then we saw exactly what these footballers of ours are made of. They took the game determinedby to Ballyduff, they lorded the exchanges in practically every sector, and point by point that huge interval defeit was whittled down. At the call of time there was but a solitary point in it, and none will deny that on the run of play we were at least worthy of a draw.

The game, nonetheless, proved the game, and they derive to fear in this grade. Ballyduff, it should be remembered, were county the sinday let us resolve to buckle down to the task in 1983. Believe me this is one county title we can win, provided the cilori is put in.

Memories of the Past

From the camera of TOM TOBIN

This photograph looks hack through the years, it will recall memories for many of our readers, some of whom will be prompted to ask; WHERE ARE THEY NOW? Others will recall the day it was taken and many more will recall the significance of the occasion. For those who can recall the faces and places, the "Dungarvan Leader" would be pleased to share the memories. Afterall, it is only when we take a close look at this picture that we realise all too clearly how quickly we forget. If you wish to share your memories put your pen to paper and let us hear
