FISHERMAN DISMISSED

While the action of an Andmore disherman in lining two file shots on the cliffside over-tooking ardinore Bay on August 16 last might have been suspicious, it was not sufficient to warrant a conviction, District Justice O'Connell said at Youghal Court.

Before the court was John Cronin of Lisarrow, Ardmore, who was prosecuted by the Southern Regional Pisherles Board for unlawfully giving warning to persons dishing illegally in Ardmore Bay on August 16.

The defendant, represented by Mr. J. P. Gordon, soft, pleaded not guilty.

THREE-DAY EVENT A TREMENDOUS SUCCESS

A massive turnout of over 200 anglers lished our 3-day gold mediar competition on Friday, Saturday and Sunday, 1, 2 and 3 July. This was the clubs first venture into a 3-day angling festival and a tremendous success it proved to be, with all the anglers in great praise of the prizes and the organisation of it.

The competition in itself was worth £850 with some very valuable prizes which included a portable t.v. deep fat frier, a range of Black & Decker tools and many more. But alas, very few were captured by local anglers.

well beaten in the County rines of the U/14 hurling championships.

In the "A" dinal Dungarvan put up a great show before eventually going down to a very strong Mount Sion side that showed the benefits gained from Felle na nGae!

In the "B" final St. Mary's were also beaten by a stronger De La Salle fifteen but not before putting up a tremendous display. For the Mary's, however, this has been a fantastic year to date with the 1/14 "B" championship "in the bag" plus the 1/14 "B" hurling league. Full marks to all concerned.

Thanks to Galvin and Hannon, to McGrath and Casey and company for the marvellous entertainment they have given us over the past few years.

Spare a thought though for the lads who went to Limerick on Sunday with just the one objective in mind — to win for waterford. The hoped for victory did not materialise — we lost to a good Cork team. The press and come will be tossed and the result will still be the same.

Let's Just say thanks to all the lads for bringing us to Limerick to contest a Munster final. You must be in one to win one. Regardless of some opinion we are still second best in Munster and therefore just one step from the top. The do's and don'ts must be threshed out eventual between totally new horizons opened up for each and every one of us within the county. The club championship endeavours would have been totally new horizons opened up for each and every one of us within the county. The club championship endeavours would have taken on greater proportions — the youngsters would have their new heroes as we had in Grimes, Power and waish. We'd be planning our spins to Dublin and wondering when we'd come home.
