A pulse of the Circuit Court last week issued a call to the Control of the Court pudges available, being D. P. Sheridan who is the jud, assigned to the south Eastern Region made the call at the start of court business on Friday last in waterfold City when he referred to the "intolerable bucken" on the court for the region.

some of the cases listed and who therefore did not wish to adjudicate in such cases. IT CAN ONLY IMPROVE

A pulse of the Corcuit Court lost week issued a call to the covernment to make more Cistuit judges awalable, look D. P. Sheridan who is take D. P. Sheridan who is the luter look assigned to the south the court assigned to the south the start of court business on Friday last in Waterford City when he refered to the "intolerable busen" on the court for the rigion.

He said that since 1975 court how is throughout the rigion of the court was now sating a double shift each week.

"I have often spoken about mis dilemma which has now reached crisis proportions," of the week because of the cidence of indictable crime. Judge Sheridan said that he was aware of the lack of lards but he entreated the week because of the cidence of indictable crime. Judge Sheridan said that he was aware of the lack of lards but he entreated the Safe to provide additional forcuit judges and personnel for the various offices. "Since the November 1983) sittings 22 people have been returned for trial to Waterford and it is quite indentified of indictable crime. Judges and personnel for the various offices. "Since the November 1983) sittings 22 people have been returned for trial to Waterford and it is quite indentified the formation of the bar, solicitors, and indeed littigants, it is now quite impossible to serve this circuit in the manner in which would desire," he added. Judge Sheridan sits in Dungarvar, this week and when the Court opened on Tuesday in the Court opened on Tuesday in the Court opened on Tuesday in the Court opened on Tuesday of last year a reply to a complaint made by us in february of last year a concerning copies of the county of last year a reply to a complaint made by us in february of last year concerning copies of the "Leader" the Court opened on Tuesday in the Court opened o

The Western final of the senior scor was held in the Town Hall in Dungarvan on Saturday night last and it was indeed, a great disappointment for the Clashmure / Kinsalebeg set who did not qualify for the county linal. This group of young people put a lot of work and practice in for this competition but were beaten by marginal points.

points.

But all was not a disappointment as the club novelty act sit through and will perform in the county final in Kilmaneithoms and a little more support for the contestants, would be welcome and we wish them every sucaniforms.

Radio Na Gaeltachta will re-cord a programme of traditional music and singing in Ballydull on Thursday, March 8.

DUNGARYAN YOUTH CLUB NOTES

PROGARMME
Las Triday night we played
two programmes, the first was
"guess the object," which consisted of five teams who had
to make out what the objects
in the boxes were. The second
game was "know your partner,"
This was about each couple
being asked questions about
each other and in the end Paul
and Caroline were the winners.
Overall it was a very enjoyable
programme.

Overtainne at Scholler Alland Scholl Scholler Alland Scholl In the Ormonde Hotel All the members and their friends had a great night. Cosail Sobhan fearred a lot about Galway last weekend.

Over 99%* of Irish homes have it.

AMENITY AWARENESS

SECOND NATIONAL COUNCIL MEETING

Members are again reminder that the closing date for early registration for the above meet ing in Cork is March 1st.

The Junior Chamber, Dungar-van Pulss Quiz in aid of Re-Haub has now reached the 2nd round stage of the main competition and the preliminary round of the piate competition.

Had the Irish Co-Operative Society received \$11 million of the \$10 million returned to the Government by the Youth Employment Agency they could have made a major contribition to job creation in the productive sector of the economy through the formation of Workers Co-Ops, This was stated by T. J. Maher, MEP., a former President of the Co-Op movement.

Government by the Youth Europhopment Agency, they could nave made a major contribution to job creation in the product they cover of the common through the product of the p

EMPTY PROMISES

Mr. Maher accused the Government and Opposition Parties of having no practical policies to get the Jobbes back to work. Empty phrases of regret from politicians instead of solutions are no consolidate work. Mr. Malack positive action to reduce imports by replacements of equal quality and value produced at home was a clear indication of the lack of commitment from the present Government and their predecessors to zet our youth back to work.

Mr. Maher sald when there

versors to get our youth back to work.

Mr. Maher said when there is so much work that urgently requires doing in many access of this country, it was difficult to understand with we should have such discountry in the property of the country to accept person and the property of the country to the country to the country to the country back on the feet of the country back on its feet, Such policies and chipping those still at work and their employers by excessive claw backs.

ABBEYSIDE SCOUT NOTES

SCOUT SECTION

Our trough meeting was on Saturday might as usual. The Saturday might as usual. The Revision Section concentrated on knots, Scout law and sign and salute. Then a number of games were played. Austin R, showed his skill at skipping while Garath H, was having problems. Cooking was the tieme for the meeting Instructions on the use of gas cookers, handling and storing of food, and ensuring that water is safe to trink.

The SYL then gave a short alk on flags and we also learned the proper way to feld a flags of the state of them. while we heart the keaders had a late meeting but This concluded the meeting, but This concluded to St. Mary's case and the state of them will be a state of them. while we heart the keaders had a late meeting discussing camp 84.

On Sunday afternoon the Troop paraded to St. Mary's Parish Church to take part in the celebrations of B.P. Day, The event was organised by the local Brownic Packs. Mass was celebrated by Rev. Fr.

Griffin who was assisted by Rev. Fr. Aberare and during the Mass a number of Guides and Brownies were Invested, Adisco followed at which we had some eats.

We hear Nickey Sheehan had show collided with an election both troops, at least this is what one of the Brownic Heart with the Brownies for inviting us to par-

dates in June last year at a time-before he had taken out a ficence.

Mr. Fergus Power, solr, for the Fishery Board stated that Liam Kelly was a drift and fisherman at Helvick and above affocused a salmon ficence for 1983. He did not take out the licence until July 4, 1983 hut he had fished before that date. He had been charged on a number of counts at Dungers van Court with selling a total of 207 salmon to two registered salmon dealers which had been affocused to a sumble of counts at Dungers van Court with selling a total of 207 salmon to two registered salmon dealers which had been affocused to make a minuber of counts at Dungers van Court with selling a total of 207 salmon to two registered that the first of the second case. In the first case he was fined £40 with additional fines of £10 in respect of each and colors. In the first case he was fined £40 with additional fines of £10 in respect of each and the others were then taken in June and had been allocated to pay £75 to costs. On the second case, similar fines totalling a further at the court of the first previous years on water for the previous years on water for the previous convictions for flater of the court of the first previous years to the office of the new Fishery of florers and using a previous years to the office of the new Fishery to office of the new Fishery to office of the new Fishery to other office of the new Fishery to the following the previous years but it was returned as the application should all the previous years but it was returned as the application should at the court of the fishing and around June 11 and his application for the previous years of the draft flag to the previous years but it was returned as the application should all the previous years but it was returned as the application should all the previous years but it was returned as the application should all the previous years old and consecuence of reduction in fre

Liam Kelly in evidence said that he was the owner of the 50ft, trawler "Vega" which was now 33 years old and consequently in poor condition. He was a licensed saimon fisherman for the best part of 20 years.

Referring to the price of sal-mon, witness said he never got more than £1 per lb. for peal and he had never fished before June 1 and never took out a licence before he started to fish.

Indue Gleeson said that the

FAILURE TO STRIKE RATE AT FIRST

A Helvick fisherman who was fined a total of £600 with £150 costs when convicted at Dungar van District Court of tishing for salmon while not the holder of a licence had the fines halved when he appealed against the severity of the fines at Dungar van Circuit Court.

He was Liam Kelly, matried by the South East Regional Fishery Board with selling a total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon on various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of 207 salmon of various dates in June last year at a time total of the proposal year specific last the council storage at the policy of the fine policy
