"Ironically," he remarked, "if a crew member of one of these trawlers were to apply for an available licence all he would need is a certificate from the skipper."

ST. CATHERINE'S G.A.A. St. Ita's (Gortree) 1-3 The above game in the final of the B division of the county championship produced the battle which was expected of this clash. It was played in an excellent condition and when the referee was called into the field the ball the stage was set for a real thriller. Catherine's were playing against a fairly strong unit from Gortree as did St. Ita's. Catherine's advanced goalwards and John Lane hit a brilliant smashing goal. A free then to Catherine's saw Joe Hartnett score over points and the same player with a couple of more points. Ita's replied with a few points but Catherine's in a few minutes of the first half Willie Kearney raised the green flag with a brilliant goal. Points were again exchanged and the halftime score read 2-7 to 0-6.
