BUILDING ON REALITY? Copies of the government's were indications from some 2 chainout plan (Building On Reality Lave been distributed to members of Warerford County Council and consideral following the visit.

and abandoned the company said.
Industry sources have since said that the well was discounting as it had not proved only additional reserves in the North East Cellie Sed area. However according to stock market reports which also surfaced last Monday. Atlantic Resources, the principal frish interest in the Gulf conflomerate, are planning to issue a sharply contrasting statement on the well to its shares holders later this week making can be opposing interregiation.

Resources, the principal Irish interest in the Gulf conglomerate, are planning to issue a sharply contrasting statement on the well 16; its shareholders later this week making an opposing interpretation which says that the outcome was encouraging.

Gulf is believed to be helding to its original view that the well 16; its original view that the well 16; its riginal view that the didesed to the "Dungarvan Groot-Brittannie," which as far as the writer and his organisation are concerned labbling in oil shares when news of the oil "find" first-broke, the problem now is to decide where the truth really less. Games have already been played for high stakes where the truth really less. Games have already been played for high stakes where the capitle share and while some made big killings many of the smaller more worldwide friendships many of the spatie of different of The old saying has it, you pays your hioney and you takes your chance!

VALUABLE VISIT

VALUABLE VISIT
Trish Leathers of Portlaw has
won an order worth C448,000
from an English shoe ananufacturer. The order has been won
following a recent group visit
by a party of British bityers to
the Waterford area organised
by Coras Truchtiha
This was announced last
Monday by Mr. Eddie Collins,
Jimster of Stale ar the Department of Industry and
Largy when he paid an official
visit to the Portlaw tamery.

national plan Building On Reality have been distributed to members of waterford County Council and consideration of the plan was an item ancluded on the agenda for the Council's monthly meeting in Dungaryan last Monday.

Fortunately wise counsels provided and the matter was not discussed although sone members thought the Council wave turning clicken' in side-stepping the issee. Had any discussion been allowed it was evident that it would have turned into a political degical, and the matter was shelved in was however, agreed that the County Manager would propare a synopsis of the plan insofar as it was likely to affect the Council financially or otherwise and this will be discussed the Council financially or otherwise and this will be discussed the Council financially or otherwise and this will be discussed the Council financially or otherwise and this will be discussed between.

We have had a spate of these plans over the years, most of which are lying dust covered on store-room shelves. Last week-taid, a man, whose name became a household word throughout treland nine years ago when he was kidnapped. Dr. Teide Herrena, was in Dublin. He was head of the gaint Ferenck prayeet at Sharano at the time and now retired from the molter and the first possible to the firing the plant ferenck propect at Sharano at the time and now retired from the molter and the proper in a flowed roomy the first but the firing this provided as saying. Tike the Irish but the firing this provided in the water of the county desired the Council and the erectal was a firing to the removal of the office and offi

Breeders SELENAVITE 'E' AT THE STUD

THE MAIN AIM OF ALL STUDS IS TO GET THE MARE QUICKLY IN FOAL

GET THE MARE QUICKLY IN FOAL

To maintain the pregnancy and finish with a good strong foal who is going to thrive and develop.

SELENAVITE E plays a very important part in all of these sleps. Vitamin E has been used for a considerable time to promote ferthilly but is dependent on adequate Selenium to brave its juid effect.

It has been shown that low Selenium in the diet can result in repeat breedings, carly embryonic death, pyomotritis, abortion and sudden death in feals. Selenium is passed in small amounts scross the placents and in larger amounts in the milk and is vital in the prevention of muscolar dystrophy finadequate muscule served in the prevention of muscolar dystrophy finadequate muscule served in the proper bearing formation and the foal.

SELENAVITE development in the foal.

SELENAVITE on the past share years has shown that Selenium may play an important part in the prevention of openyists in floats and yearlings, and we have seen marked reduction in its inteldence among foals of the should be for the past share during the last stree insults of pregnancy and whiles the foals to street marked in the prevention of should be ford to miscas during the last three unsults of pregnancy and whiles the foals to uccessing a least six weeks manual carries by EQUIME PRODUCTS (U.K.) LTD.

DEPARTMENT OF SOCIAL WELFARE

Answer "Yes" to these three **QUESTIONS AND YOU COULD** CLAIM UP TO £15 A WEEK

1. Do you work full-time for an employer?

Do you have any children for whom Childrens Allowance is being paid?

Is your family's total income less than the amount shown opposite for your size family?

FIS.-FAMILY INCOME SUPPLEMENT FIS is a new Department of Social Welfare Scheme to help familles-including one-parent families-on low incomes. The scheme applies only to persons in full-time employment.

There is a FIS leaflet available giving full details of the scheme. The following is an outline of who can claim and how much can be claimed.

1 child	£95a	week	£8awee
2children	£110a	week	£9.75 awee
3 children	£125a		£11.50 a wee
4 children	£140a	week	£13.25 a week
5 childrenor more	£155a	week	∴ £15aweel

you claim—your own and your husband's/wife's wages before deductions, income from self-employment, certain Social Welfare benefits, etc.

If you would like full details of the Family Income Supplement till in this coupon and send it to us-or pick up an FIS leaflet in your local Social Wellare Office. If you prefer, you can telephone Information Section at 01-786466. If your FIS claim is received before the 1st of December

1984 it will be paid from the beginning of September 1984. To: Department of Social Welfare, Information Section, Aras Mhic Dhairmada, Store St., Dublin 1.

Picase send me a leaflet and claim form for FIS

TOURANEENA NOTES

DITTLE NELLIE OF HOLY, GOD

On the 24th August, 1903, a baby was born to William Organ of Dungat vin and his wife Mary, nec Aherno of Portlaw. The child was called Nellie. She was the youngest of four children, Mary Organ suffered from consumption, and before Nellie was 4 years of age she follow her mother's coffin to the grave. After, her death the children wore separated. Nellie and her sister bend Convent. Sundays. Well, Cork. Nellie was in very poor health, but she bore her sufferings bravely, and had an intense love of "Holy God" as she used to say. By special permission of the Bishop she was given her first Holy Communion when she was just over 4 wents, and the sunday of the Bishop she was given her first Holy Communion when she was just over 4 wents, and the sunday of the Bishop she was given her first Holy Communion when she was just over 4 wents, and the first of the sufferings, the sunday of the State of

tion.

Can we doubt for a moment that He who said, "Suffer little children to come unto Me" will raise to Sainthond this remarkable child of the Deise, Little Netlie, of Holy God.

Gind,
On Saturday, December 8, at 11
a.m, in Portlaw Church a memorial in honour of Nellie Organ willibe blessed by Rev. Fr. Sean Nugent, C.C. formerly of Toura-neena.

Fr. Sean invites everyone from
