CLEAN UP IRELAND WEEK

Last week was designated by the Department of the Environment as "Clean Up Ireland Week" in an effort to make us all more conscious of the need for environmental awareness.

In response to an invitation from the Minister, Mr. John Boland, most local authorities throughout the country submitted plans covering a wide range of projects and activities which were proposed to high-light the clean up campaign.

Here in County Waterford, which in the last two years has been awarded the Bord Fáilte plaque as the cleanest county in Ireland, a programme of tree and shrub planting in towns and villages was laid out by County Manager, Mr. Dan Hurley and County Engineer, Mr. John O'Flynn and members of the Engineering staff. Increased work in the maintenance of open spaces was also undertaken. A major effort to remove abandoned cars, fly-posting and graffiti was also mounted while a clean up of unofficial dumps was also included.

But as we have pointed out several times in the past there was little evidence of any co-operation by the general public or at least by that section of it which seems to see nothing wrong in spreading litter on streets and roadways. It is not surprising then that the Minister of State at the Department of Tourism, Mr. Michael Moynihan, saw fit, while welcoming the Department of the Environment "Clean Up Ireland Week", to slam Irish litter louts.

Mr. Moynihan emphasised the paramount importance to tourism of an unspoilt and unpolluted environment. "Our relatively clean environment has been, and hopefully will continue to be, the key element of the Irish tourism product," said Mr. Moynihan. But he went on to say that "in comparison to most of our European neighbours the irresponsible attitude of some Irish people to litter is very clearly evidenced by the condition of our streets and our beaches."

Ever hopeful that before it is too late we will awake to the need to preserve our comparatively unspoilt environment we join with Minister Moynihan in expressing the hope that last week's clean-up campaign will provoke a new public awareness of the value of our environmental heritage and that the more positive approach to the environment adopted by the local authorities will continue in the interests of both the community at large and our tourists.

THE GREY OR SPECKLED HILL

Speaking at the sod turning ceremony which he performed for the new Sterling Drug Plant in Dungarvan last week, the Minister for Agriculture, Mr. Austin Deasy pointed out that the new factory was located in the townland of Knockbrack which, for the benefit of the American principals of the Company, he explained translated from the Irish meant the grey or speckled hill. He said he had been informed that in the past the field had been used for the coursing and training of greyhounds by the local aficionados.

Minister Deasy, recalling his youthful years in Dungarvan, pointed out that close by to the new factory site was the area which during the "Emergency" of the 1940's was known as "the allotments" where local people with no gardens of their own were allotted portions of the ground where they could grow their own potatoes and vegetables and where he had spent many back-aching hours as a young fellow. Indeed it was good to hear the Minister speaking of

such homely topics in his home town even on such an important occasion and we are sure that this was greatly appreciated by the American visitors.

As has already been pointed out, Sterling Drug Inc. is a leading manufacturer of pharmaceuticals and consumer products and at their new Dungarvan plant solid dosage pharmaceuticals will be manufactured. It is a diversified company with worldwide sales in 1985 in excess of 1.7 billion dollars.

Another subsidiary, Sterling Roncraft, is already responsible for marketing a wide variety of DIY products throughout Ireland. These include Ronseal Varnish, Hammerite, Ronseal Fencelife, Exterior Wood Finish, Colron and Ronstrip.

Construction work on the Dungarvan plant is now underway with completion scheduled for the first quarter of 1988. It is expected to employ approximately 150 people at first with expansion to approximately 250 employees over the next five years.

Incidentally Minister Deasy, speaking later at the luncheon reception held to mark the occasion, mentioned how very pleased the Sterling Drug executives were with the speed with which the local authority in Dungarvan had dealt with all the preliminary planning for the new project and this, of course, reflects again to the credit of County Manager, Mr. Dan Hurley and Town Clerk, Mr. Bertie White, both of whom have been involved in the project since the 44-acre site was first purchased at Knockbrack as the site for the plant nearly five years ago.

ANNUAL MASS AT ST. GEHAN'S WELL

Friday, July 18 is the Feast of St. Vincent de Paul but in latter years it has also marked the celebration of the Annual Open Air Mass at the holy well of St. Gehan, located at the entrance to Glendine Wood, at Tarr's Bridge near Dungarvan.

In olden days, July 18 was the "pattern day" of Garranbane, now part of the united parishes of Abbeyside, Ballinroad and Garranbane and in those times, the day was marked as a festive occasion of fun and sports which attracted parishioners from all parts of the parish. Those celebrations have long ago faded into oblivion and the holy well of St. Gehan was also forgotten.

That was until a few years ago when the late Fr. Jimmy Power, Clonea, retired from his active pastoral duties in the U.S. and returned home. In a short time he focussed attention on the holy well and its significance and with the co-operation of the Parish clergy in Abbeyside he organised the celebration of the first open air Mass there. It was attended by a huge crowd.

Since then Fr. Jimmy was called to his heavenly reward with tragic suddenness but his many friends from the Garranbane area of the parish are not going to allow the custom which he resurrected to die and have been preparing the area adjoining the well for the Mass again this year. Indeed they could pay no better tribute to his memory or one which would have pleased him more than this. The Mass will take place on Friday, July 18 at 8 p.m.

FLOODLIGHTING ARDMORE ROUND TOWER

Work on the installation of floodlighting at the Round Tower, Ardmore has now been completed and the official switching on will take place on this Friday night, July 11.

SEA ANGLING

Entries Good For King And Queen Of The Sea

There are just a few days to go to the King and Queen of the Sea Competition sponsored by Merrys Bar and the Trustee's Savings Bank. The entries are very good and everybody is wondering as to who will reign for the coming year. Hopefully the weather will be favourable for Sunday.

The re-run of the Fish for all day was fished from the shore at Helvick on Tuesday night July 1. Fishing was quite good with Conger and dogfish being landed. Abbeyside Club were the winners with a team of four: Mick Cowling, George Young, Miguel Garcia and Pat Donovan. Congratulations to all Tankards were presented to the winning team.

One has heard of unusual catches but Tony Crowe deserves a prize for his catch. During the Waterford Glass competition on Sunday the 22nd June, he landed a ringed plover while out fishing for the day.

The guessing game is on again this year. All committee members are at the moment selling lines for the prize. Pay £1 for a line with a chance of winning £250. All you have to do is guess the number of fish that will be caught on 23rd and 24th August in the Yoplait International Gold Medal two day event.

Entry forms are now available for this competition and it is advisable to book early as the committee may not be able to facilitate late entries. Entry forms are available from Seamus Baumann, Jeweller, Mary St., Dungarvan.

The Master and Lady Angler competition is now well under way. Leading in the Master Angler is Pat Donovan and in close contention are John Cronin and Billy Bumster. In the ladies category Eileen Fen-

nel leads the board with Betty Dee and Helen O'Grady in close contention. There is a long way to go yet and I am sure it will be a very close contest.

These notes end on a very sad note as the flags and bunting erected on the Quay before each competition were vandalised on Saturday night before our last competition. On

the Sunday morning of the Waterford Glass competition when members of the committee arrived on the Quay it was found that all the flags, Provincial and club flags together with others had vanished from the flag poles and the bunting had been torn down. This is a great loss to the club as the flags had been only purchased at the

beginning of the season and had cost a lot of money. It is sad in this day and age that such vandalism should occur in Dungarvan town and it looks very bad in the eyes of the tourists.—P.R.O.

Dungarvan Library: Childrens Storyhour

A storyhour will be held in Dungarvan Library every Thursday during the months of July and August for children under 6 years, beginning at 2.30 p.m. Why not bring your child along and you may find that you too will enjoy once more tales such as "The Three Little Pigs," "The Very Hungry Caterpillar," "The Ugly Duckling," "Mog," "Ailie Gets In First"—a varied selection of the old and the new read by an enthusiastic body of volunteer storytellers.

Traffic Lights At Dungarvan Ring Road

In reply to queries by Cllr. E. Kyne as to the timing of the traffic lights at the Ring Road junction at Kilrush, Dungarvan, the Co. Engineer, Mr. John O'Flynn has informed him that they have been looking at the pedestrian phase of the lights and have arranged to have the crossing time increased from 15 to 20 seconds.

Cllr. Kyne had stated that pedestrians found that the time allowed was not enough to enable them to get through the junction with safety before the lights changed.

ATHLETICS

ANOTHER BUSY WEEK-END FOR ATHLETICS COMING UP

The athletic season, now in full swing, has another busy week-end ahead. Several fixtures in which Waterford athletes will be participating are down for decision. The most important is the National under 15 to under 17 championships in Tuillamore on Saturday and Sunday next for boys and girls.

On Sunday the first round of the National League takes place and Waterford City A.C. and Ferrybank A.C. will be competing. On Saturday evening at 7.30 p.m. there is a 10 km Road Race in Bandon and on Sunday in Kilmore, Co. Wexford at 2 p.m. there are open sports for juveniles.

DATE CHANGE

All athletes, officials and supporters, please note that the annual Waterford City Open Sports has a new date. It is

being held in Newtown School, Waterford on Tuesday, July 22 and not on Thursday 24 as originally announced. There are numerous events for men, women, junior, veterans and juveniles and the first event is timed for 6.45 p.m. with the usual top class prizes.

COUNTY PENTATHLON

Another fixture for Newtown School during July is the County Juvenile Pentathlon for boys and girls under 14 to under 17 which is scheduled for Thursday evening July 17.

WATERFORD TO TRAMORE

A final reminder that the annual Waterford to Tramore open road race takes place this Thursday evening, July 10 at 7.45 p.m. from the City Hall, Waterford. Valuable prizes on offer for men, women, veterans and junior teams.

DUNGARVAN NUN'S SILVER JUBILEE

Family relations, friends and a large number of well wishers of the Order gathered at the Presentation Convent, Dungarvan, on Saturday last July 5 to join in celebrating the Silver Jubilee as a member of the Order of Sister M. Gertrude.

A special Mass of Thanksgiving was celebrated in the Convent Chapel by Very Rev. Dean Cassidy, P.P., and by Very Rev. Fr. J. Murphy, P.P. Clashmore and Rev. Fr. W. Casey, C.C. during which the Jubilarian made a renewal of her vows. Incidentally when she initially entered the order, in 1961 it was Fr. Murphy who officiated at the ceremony.

A native of Clonmel, Sister Gertrude has spent all her years in the Order in Dungarvan where, in the past, she has been a dedicated member of the teaching staff of the Convent. In latter years she has been more involved in community work in the parish, assisting in a special way many in the disadvantaged sectors.

Speeches By Sterling Drug Chief At Sod Turning Ceremony

Mr. John M. Pietruski, Chairman of the Board and Chief Executive Officer of Sterling Drug Inc., speaking at the sod turning ceremony at the new Sterling Drug plant site in Dungarvan on Tuesday, July 1 (extensively reported in our last issue) said:

On behalf of Sterling Drug, I would like to welcome you here today on this very happy occasion. As you know, today's ceremony marks the first step in the development of a major new enterprise for Co. Waterford, and for the Irish economy generally. It is not too often that we find ourselves in situations where a particular event can benefit so many people.

We in Sterling are confident that the new Irish manufacturing plant will benefit our world-

wide organisation, and are delighted that we can avail ourselves of the immense talent that abounds in this country. Likewise, we are aware that a new company which will employ nearly 100 workers from the outset — and which is expected to expand to 250 or more employees within the next five years — cannot but benefit the local community and the country as a whole. In a different vein, we expect that our decision to manufacture in this country may serve as an incentive for other worldwide manufacturers to do the same.

I would like to thank the Minister, Mr. Austin Deasy, and the Department of Industry & Commerce for supporting us through the planning and organisational stages of this operation. Also, I would like to

thank Mr. James McCauley and the entire staff of the IDA in Dublin and Mr. Frank Burke of the IDA here in Waterford for all the co-operation and encouragement they have given us in bringing this project to this stage. Also, my thanks go to Mr. Dan Hurley, Waterford Co. Manager. And, I would like to say a particular thank you to the people of the local Dungarvan community for all their support.

I must now take this opportunity to thank Sterling's Mr. Austin Deasy, who has served as Project Manager and is General Manager of Sterling Drug (Ireland) Ltd., and all of those from Sterling here and back in the United States who have brought this project to fruition. Sterling has historically enjoyed a warm business relation-

ship in Ireland. We are pleased that that relationship is now being expanded through the establishment of Sterling Drug (Ireland) and the construction of the new manufacturing facility which we are commemorating here today.

It is now my pleasure to call upon Mr. Austin Deasy, I.D., to perform the actual sod turning ceremony. Mr. Deasy, actually obliged with the new spade provided for the job.

PRE-LUNCH SPEECH

The formal speeches at the subsequent reception held at the Gold Coast Restaurant, Ballinacorney, were all made before lunch was actually served and although a departure from the accepted routine, is proved to be an excellent decision by the very capable M.C. for the occasion, Mr. Frank Burke, Regional Manager, IDA, Waterford.

Mr. Deasy, Minister for Agriculture first addressed the gathering of VIP's and invited guests and recalled local associations which this country had with the U.S. mentioning in particular that of Mr. Ronald Reagan, U.S. President with Ballyporeen "just 35 miles up the road" and of the late Mayor Richard Daley of Chicago whose ancestors hailed from nearby Old Parish.

Mr. Pietruski then followed and as a preamble created some laughter when he remarked that with a name like Pietruski it would be hard to claim Irish relations although he did say that there was Irish ancestry on his grandmother's side. He then continued in more serious vein:

I thank Minister Deasy for his kind remarks, and I thank all of you here for the warm welcome and gracious hospitality that you have given us. On behalf of Sterling Drug, I would like to welcome you to this luncheon today and thank you for taking the time to join us on this happy occasion.

As you know, Sterling is one of the world's leading pharmaceutical and consumer products companies. We are delighted that we will have an Irish manufacturing base. Much praise must go to the Industrial Development Authority which is assisting us in this venture and which has been so co-operative in all our negotiations.

More than 12 million pounds in the new plant, for which we just broke ground this afternoon. We expect the facility to be in production by early 1988.

Initial employment is expected to begin at a little less than 100 people and grow to approximately 150 within two years. The plant has been designed to allow further expansion and additional production, potentially to a workforce of approximately 250 people within the next five years. As we mentioned at the official sod turning ceremony earlier, we expect construction of the new 85,000 square foot facility to begin tomorrow.

This construction represents more than an incremental increase to our worldwide production capabilities. It is an important part of our overall plan to help accelerate the sales and earnings of Sterling Drug Inc. One of our major strategies has been to establish a worldwide corporate sourcing programme which realises production efficiencies by using state-of-the-art technologies and placing facilities in locations with a favourable economic climate.

Sterling Drug (Ireland) is a major step in the implementation of our forward looking sourcing programme.

I would hope that you are all familiar with many of the Sterling products available to you here in Ireland, especially consumer products such as Magnesia, Panadol, Andrews Liver Salt, and our Ronseal Wood Treatment products. At the Dungarvan plant, solid dosage forms of both prescription and non-prescription pharmaceuticals will be produced for sale to export markets and also here in Ireland.

We are hopeful that choosing Ireland as the base for this major new facility will benefit the country as a whole, and perhaps also encourage other leading worldwide manufacturers to invest here. We have great faith in Ireland and the

Irish people, and are confident that Sterling Drug (Ireland) will be enormously successful.

Naturally, we in Sterling are delighted that we are in a position to invest in and give employment to the Waterford Region. We would like to thank everyone who has been involved, including the IDA, the Minister, the Department of Industry & Commerce and the Waterford County Management and the local community which has been so co-operative in all our dealings with it.

I invite you now to please relax and enjoy the luncheon. I know I shall. Thank you again for joining us.

An excellent lunch was then served by Mr. and Mrs. John Quinn and staff for which they were subsequently deservedly thanked.

SHOP-FRONT EXHIBITION BY DUNGARVAN MUSEUM SOCIETY

Older people, and others not so old will have noticed the rapidly changing styles in shops. Dungarvan Museum Society are trying to re-create the atmosphere of traditional shops. Members of the committee have been collecting information and materials in recent weeks.

They are interested in businesses and industries of the past, all objects are of interest such as billheads, ledgers, photographs, calendars, signs. Equipment and tools used in all premises are also needed. The Society would be grateful for any items whether donated or on loan. Members of the committee will call during July to collect anything available. Many interesting items have already been donated, for which we thank the donors.

PHOTOGRAPHIC ARCHIVE

The Museum has been given a valuable collection of old photographs of the West Waterford area and the Society intends to use it as a basis for a permanent photographic archive. Have you anything suitable? The Society would like any old photographs, alternatively they could have copies made and the originals returned.

ABBEYSIDE SEA ANGLING CLUB NOTES

The re-run of the "Fish For All Day" was fished on Tuesday night, July 1, at Helvick, and a very good venue it turned out to be. Old rivalry was renewed again between Abbeyside and Dungarvan, with the Abbeyside C team coming out on top by the narrowest of margins.

Dungarvan B team, led by their captain, Seav, Baumann, finished a very creditable second. Seav, making a welcome return to the shore after a long absence, proved himself very worthy once again with the beach-caster.

Jerry Donovan's first venture on the shore was successful and he could very well be a force to be reckoned with in the future. Old reliables, Don O'Connor and Tony Crowe could very well have turned the tables on Abbeyside on the night, but the experience of the Abbeyside team proved too great as they proved unbeatable.

The winning team consisted of George Young, Pat Donovan, Michael Cowling and Michael Power. The proceeds of this competition will be donated to the Lourdes Invalid Fund.

As this venue proved very successful on the night, the forthcoming gold medal trophy competition could very well be fished at Helvick.

All anglers please note that times and venues will appear in the next issue of the "Leader" and also that some very valuable prizes are there to be picked up.

SALMON WAR

Fishermen Disillusioned At Meeting With Minister

A ceasefire in the continuing war between offshore salmon fishermen and fishery officers was called for last Thursday by Fisheries Minister Liam Kavanagh, who asked leaders of the Irish Fishermen's Organisation (IFO) at a meeting in Dublin to call upon their members to desist from any further violent action.

The IFO claimed in a statement later on Thursday night that Mr. Kavanagh—who was accompanied by his Minister for State John Donohue—had refused to meet the members of the delegation who did not

possess a draft net licence. Expressing "disillusionment and frustration" at the meeting, an IFO spokesman said later that the Minister appeared "totally unsympathetic" towards the position which drift net fishermen found themselves in.

CYCLING

SEAN KELLY OUT OF TOUR DE FRANCE

Irish cycling ace and the world's No. 1, Sean Kelly of Carrick-On-Suir, was reluctantly forced at the last minute to withdraw from the great Tour de France which started last Friday because of injuries suffered in a fall.

Kelly who made a great start to the season had set his sights of winning this year's cycling "piece-de-resistance", the Tour de France. Unfortunately while

taking part in a race in Switzerland a week or so previous to the Tour he tumbled in a ravine suffering a severe gash in the calf of his left leg which took seven stitches to close. He tried to continue training but found that once he applied pressure for high speeds the leg became very painful. This eventually forced his decision to withdraw from the Tour in which he finished fourth last year.

Ballinacourty To Qualify For Football Final

WEEK-END GAMES
The first senior football semi-final between KilmacThomas and Ballinacourty at Leamybrien, the quarter final of the same championship between the holders, Kilrossanty and Dungarvan at Stradbally and the under 21 Western hurling final between Lismore and Fourmlewater, should prove to be the highlights of next week-end very interesting and attractive programme.

BALLINACOURTY V. KILMAC'
At Monday night's meeting of the County Board, Phil Fanning spoke about the improved standards in the senior hurling and football championships, at club level this year. We agree with him about the hurling standards, but only one or two would fit into the category in football.

One that stands out is the second round game between KilmacThomas and Butlerstown. According to all reports it was outstanding and the best so far. It was a game that put Kilmac' into the reckoning for a title this year. The display of players like Derry Kiely and Ned Power at centre-field are still talking points. Tom Power, Paudie Whelan, Burke, Behan and Purcell were others who played a vital role in their sides tremendous win. Unfortunately for them comes the news that their star centre-field player, Derry Kiely, is out because of a leg injury received in training. His loss will be a serious one and his replacement will be difficult to fit. It can be presumed that Peter Coughlan who starred on the county under 21 team against Clare last year, will take over the position.

They beat Butlerstown by 2-11 to 1-8. Ballinacourty will have very little time to shake off the effects of Saturday night's marathon endurance test against Clashmore and are not too pleased that the semi-final comes up so quickly. They have a couple of injury problems, Gerry O'Connor is under suspension, Michael O'Riordan is in Spain, Ray Moloney is on the injured list and Conor Clancy missed Saturday's match because of flu. However, in spite of their tale of woe, I have no doubt but that they will come out fighting for that place in the county final.

Both sides are young and both play a fast open style of football. These are reasons for supposing that it will be a rather spectacular game to watch. Who is going to win, is a question not easily answered. Two weeks ago Kilmac' were at odds on to reach the final, but having seen the manner in which Ballinacourty overcame adversity at Ardmore last week, plus the absence of Kiely from the Kilmac' side, I believe that it is possible for Ballinacourty to qualify.

DUNGARVAN V. KILROSSANTY
Stradbally is the venue for this attractive Sunday evening game when the county champions, Kilrossanty put their title on the line in a battle with last year's immediate county champions, Dungarvan. Unfortunately for Dungarvan, they will be without David Burke, David Power and Peter Quailly who helped them in the intermediate title, but it is good news that Martin Sheehan who missed last Sunday's replay against Rathgormack, will be home on Sunday and available to play.

Two years ago when a qualifying round was played in the senior football championship, Dungarvan and Kilrossanty had to meet for a second time at Stradbally to decide which went forward to the championship proper. It can be fairly said that now both sides are better. Kilrossanty are county champions and have already accounted for Tramore, whom they beat in last year's county final. This game was at Kilmac' two weeks ago and their win was fully deserved, it could not be said that the game was of a high standard. Pierre White, Jim Maher, Pat and Tom Keating, Pat Quinn, P. Walsh and a couple of other Kilrossanty players who have worn the county jersey so often, did not shine on that occasion.

Dungarvan's mentors are very pleased at having got over Rathgormack and one of them told me that now the pressure is off and as the clear outsiders, they will enjoy playing the county champions. About the result he said "who knows?"

It is a two-horse race, but the champions must be given a confident vote. I feel they will be a bit too strong and too experienced for their lighter opponents.

Well Deserved Title For The Nire

Nire took the western under 21 football title when they scored an emphatic win over Stradbally in what turned out to be a rather one-sided final played at Fraher field, Dungarvan, on Sunday night last.

The game drew a nice crowd to the venue and they got full value from a clash which was close, at least up to the half way stage.

Indeed few could visualise such a resounding win for the Nire in the first half. Stradbally had the wind behind them in this period and certainly took advantage with sharpshooter Liam O'Brien kicking them to an 0-5 to 0-1 lead inside the first ten minutes of the game.

The Nire were struggling throughout this first half and while they did manage to create some chances they really never looked like scoring from play. Their point came from right half back Michael Guiry from a free and it was the same player who got the score which won the game for them, again from a placed ball.

This came in the 25th minute after a scoreless 15 minute period, when his shot from a thirty yards free went all the way to the Stradbally net. Fortuitously it may have been, but it was the confidence booster that they badly needed as they went into the second half trailing by just two points, 0-6 to 1-1.

They attacked Stradbally from the restart and Guiry sent over two points in the opening four minutes to bring them level. Three minutes later he shot them into the lead from a free. There was a noticeable change in the Nire's play now as they dictated the exchanges with total authority.

HOPES KILLED OFF
Michael Wall had points in the 13th and 16th minutes and four minutes later they killed off any hopes Stradbally might still have when Ger Walsh who had moved from defence to attack shot home a great goal to leave them 2-6 to 0-6 in front.

Scorer in chief, Michael Guiry, added a point from a 45' a minute later and they were so much in command in this half that Stradbally had to wait until the 25th minute for their first score of the half when Liam O'Brien converted a free.

Stradbally made a late flurry in an effort to turn the tide and Pat Curran pointed in the 29th minute.

THIS WEEK ACOT CO. WATERFORD SAYS
GRASSLAND MANAGEMENT
Milk yields on many farms have dropped in the last few weeks, even though swards have more grass than in spring.

Where grass has gone strong in grazing pasture, close off any fields and take a light cut of silage. Topping of the remainder to three inches will ensure high quality grass for the rest of the grazing season. Cattle and sheep performance will be very poor unless corrective action is taken immediately. Milk yield should only drop 2% per week throughout the summer months.

PERENNIAL WEEDS
Now is a good time to spray perennial weeds such as docks or nettles on aftergrass or second cut silage. Control of these is best when there is good growth of leaf present.

Docks—Spray with C.M.P.P. or Ban Dock.
Nettles—Spray with Nettle Ban.
When dock infestation is very bad, consider spraying with Round-Up and reseeding in Autumn.

POTATO BLIGHT
Farmers are warned to be particularly vigilant about potato blight. The present humid weather is very conducive to blight spread. Spraying with MANEB or DITHANE is recommended every 7-10 days if sultry weather continues. If it is not possible to spray frequently, a systemic Manzcozeb spray such as RIDOMIL MZ or RIPOST should be used. Such sprays have the advantage of being rainfast and curative i.e. will prevent plants already diseased from getting worse.

DUNGARVAN COMHAIRLE CEANNTAIR FIANNA FAIL A.G.M.
The annual general meeting of the above Comhairle Ceanntair was held at Whitechurch House Hotel on Monday June 23. A very large attendance was present. The meeting was presided over by the Chairman of Comhairle Dail, Peter Griffin.

The outgoing committee thanked everyone for their dedication and help during the year and for the tremendous input in the constituency draw and dinner dance.

Election of officers 1986: President—William Cotter, Abbeyside; Chairman—Maurice Tobin, Mcdeligo; Vice-Chairman—Michael O'Toibin, An Sean Phobal; Secretary—Michael Power, Abbeyside; Treasurers—Cath Ni Fhaoilain, An Rinn, Seamus Ahearne, Glenbeg; Youth Officer—Donal McGrath, Glenbeg; P.R.O.—Mary B. Deane, Orange. Delegates to Comhairle Dail—John Moloney, Ardmore, Mary Dee, Grange, Micheal Foley, Clashmore. Co-opted delegates—Mrs. Angela Creedon, Francis Hackett.

FIRST TITLE
The Western Board are well on schedule with their underage championships this year and have completed the under 21 football final three weeks before the county final is due to be played.

This was the match between the Nire and Stradbally at Fraher Field on Sunday evening. It was won by the Nire, who were the favourites to take this, their first title as a club. They won some years ago when joined with another club. Their second half performance saw a big improvement on their first half display and they fully deserved their win.

After the final, Board Chairman, Denis McGrath presented the cup to the winning captain, Pat Ryan, amid tremendous excitement.

Earlier in the day, Kilrossanty had a narrow win against Cappaugh on last Saturday night, our representative, M. Butler, Kilgobinet club, certainly made the Handball world sit up and take notice when he ran D. Kirby (one of the famous Kirby handballing family) and multi-all-Ireland senior winner, very close in a thrilling contest.

Kirby got some frigh, when the Waterford outsider ran him to 21-17 in the first game. In the second the winner won by 21-11 and this was also a splendid effort by Butler, who really enhanced his reputation in this contest. He is now one of the great handballing prospects in the county.

On next Wednesday, our Masters' doubles pair, M. Butler and D. Mulcahy take on Clare's D. Kirby and M. Hogan in the Munster Masters doubles final and on Saturday night, at Hospital our juniors play Limerick and Kerry respectively and here we will be represented by our champions, S. Lyons and J. J. Wright. Best of luck to them all.

V.A.T. ON HURLEYS
I was glad to see this disgraceful imposition highlighted once again over the weekend. I should, of course say again, because having read about it on the Sunday Independent where Liam Mulvihill told what he thought of the people who are ranking off approx. £400,000 in V.A.T. on hurleys each year, I read in a copy of the programme for last Sunday's Munster final, which was given by a friend on Sunday night, that "One would think that such selfless commitment on behalf of and for the benefit of the people of Ireland and in particular our younger generation, would be acknowledged and rewarded by our political leaders. Sad to relate, this is not the case. Successive Governments find it convenient and appropriate to tax our association through the imposition of rates on our playing fields. V.A.T. on our hurleys and D.L.F.T. on our resources. This is a shameful policy and we call on politicians of all sides to end what is a gross injustice, by the removal of those penal taxes immediately".

RESULTS
Ballinacourty are into the county semi-final as a result of their good win against Clashmore at Ardmore on Saturday night. The sides were level at the end of the second hour, but because of the rule, they were required to play extra time if the clubs had a choice. The result was a very hard hour in the rain.

Both teams were given chances of winning. Ballinacourty having had the greater resources, they were wide throughout. In the end they deserved to win but it was very tough on Clashmore, having battled so well for two and a half hours and already having disposed of Ferrybank. Despite the greater resources sent off this was not an unsporting match. Conditions got the better of a few players and all might have been sent off for indiscipline. The crowd was bigger than when the teams drew two weeks earlier.

Someone said that it was only Providence stopped this one from going to extra time also. This was a third meeting — the replay having been abandoned after less than a minute after Peter Quailly was injured. As in the drawn match, it was close all the way with the issue in doubt up to the final whistle. Dungarvan were forced to field without Peter Quailly and Martin Sheehan, but still managed to outplay their more experienced opponents Rathgormack to win by the narrowest of margins to qualify for a quarter-final spot after their first senior championship win.

Ballysaggart just about deserved their narrow win against Kilgobinet in a splendidly contested and exciting junior hurling game at Cappoquin. There was little between the sides at any stage and they were level at the break. Kilgobinet had been unbeaten up to this point, while Ballysaggart had dropped two points against Stradbally.

The championship table now reads (in the J.H. proper):— Kilgobinet (4) 6 points Ballysaggart (4) 6 points Clashmore (3) 6 points Ardmore (4) 4 points Stradbally (2) 4 points Tourin (4) 2 points

An Rinn have withdrawn after three fixtures and had no points. This shows how open the championship is after so many games.

The following were the nominees, Phil Fanning, Mount Sion, Jimmy Hennerty, P. Law, Tony Mansfield, Abbeyside, Ollie Wilkinson, Tourin, Michael Ormond, Lismore and Eddie Cunningham, Talow. Following a ballot, the following three were elected, Phil Fanning, Tony Mansfield and Ollie Wilkinson. Eddie Cunningham, one of the outgoing selectors who was tipped for a place on the committee, congratulated the new members and wished them every success.

FOOTBALL
A recommendation was submitted from Clisde na Peil, that the decision of the previous meeting, in relation to football selectors, be rescinded, and that permission be given to Clisde Na Peil, to nominate them. This was carried by a big majority as also was a recommendation that the number should be five.

UNDER-AGE
On the proposition of Tommy Hennessey, Kill, the football committee were asked to also nominate the under 21 minor football selectors. The new chairman of Clisde na Peil, P. J. Coleman, Stradbally, said the committee would comply with the wishes of County Board.

Clisde Gnotha were given responsibility for naming the under age hurling committees. **COUNTY GROUNDS**
The chairman informed the meeting that the grounds had been given to have urgent work done at both county grounds and this, if possible to be completed within a couple of weeks. At Dungarvan's Fraher field it will mean a new scoreboard, netting behind both goals, repairs to fences and grass cutting behind the country goal. Similar work is to be carried out at Walsh Park, where 12 hurling balls were reported lost in one afternoon, according to Frankie Cullane and Eamon Murphy.

APPEAL
Although the matter doesn't seem to have been published, County Bord na n-Og recently handed out some serious penalties on Lismore club, because of indiscipline during and after a Felle na Gael final at KilmacThomas. One of the penalties imposed was a fine of £200. Monday night's meeting the club appealed against the fine, but quoted the wrong rule, (they quoted the rule from the old book). Clisde na nOg were not represented at the meeting. The chairman agreed that quoting the wrong rule was due to a mistake and he would not rule it out on these grounds, but he was referring it back to the Juvenile Board, Lismore complained that they were not given the right to be heard in their own defence at the Bord na n-Og meeting, as required by rule. Christy O'Brien, Lismore said the club would prefer to have the matter dealt with by the County Board, but the chairman would not agree under the circumstances.

SCHOLARSHIPS
It was announced that the date for acceptance of applications for Board scholarships to An Rinn Gaeltacht, was extended to July 23rd. 25 have already successfully applied. Clubs and individuals will each be required to pay £15 before the county is taken. The Olig-each Gaelige Niclas Mac Craith said he was aware that all club secretaries did not inform their members of the availability of the scholarships.

5 YEAR TICKETS
This county is to receive a total of 113 Hogan stand tickets under the new five year scheme. Tickets for the centre block will cost £150 and outside block £100. All applications must come through clubs to the County Board. This also applies to previous long term ticket holders. Unless they also apply through their clubs or direct to County Board, their applications will not be considered as Croke Park has decided not to entertain applications from individuals. Applications should be made immediately as the Board meets in about ten days to decide on the applications. No money should be sent with the applications.

HURLING REPORT
This comprehensive report from the hurling officer, P. Fitzgerald and other items from the meeting will be dealt with next week.

ABBEYSIDE SCOUT NOTES

DE BURCA SHIELD
Once again we had a team representing the Village in the De Burca Shield. This year the competition was held in Ardmore. Five teams took part and the overall standard was very high.

The lads from the Village were headed by Alan Ryan. The team was composed of P/Ls and A/P/Ls. After two solid weeks of preparation under the careful eye of A/S/M Sean Fitzgerald the team was ready.

On Friday night last a convoy of cars left the Den for Ardmore. All Friday night was taken up with setting up the site and gadgets. The lads put a lot of hard work into the site and as the results showed, it all paid off in the end.

The competition was officially opened by and all the teams were welcomed by Mr. J. D. Hally R.C. on Saturday morning. A uniform and kit inspection followed. The hike was the main activity of the day. At 11.30 Alan, Michael, Sean and Niall departed for the hike which was 10 miles distance (or was it 14 miles lads!). Meanwhile back at the base the remainder of the patrol, namely, John, Keith, Neil and Sean finished off the campsite.

The base crew started to prepare the test meal at 5 o'clock. The hike team returned and soon the guests arrived and were welcomed by the P.L. Mrs. Keever's was high in her praise of the lads' testmeal.

The campfire followed the test meal and John O'Mahoney from Tallow did a great job in starting the fire. We had special guests present at the campfire, namely Caroline and Mary who contributed greatly to the atmosphere. The standard was very high and Noel Brennan was the judge. Tallow will be remembered for a long time with the saying "rubber balloons". Soup was distributed by Liam and company.

Sunday morning saw another kit inspection. The whole patrol started on their pioneering project. M. Cosgrave and J. Whelan soon had the lads buzzing around and the tower was up in record time. S. James and N. Carthy did well in the semaphore while Keith and S. Cartwright won the Kim's games. N. O'Connor was kept on his toes all the time because it was his responsibility to keep the site clean.

Lunch followed the morning activities and then the job of cleaning up was tackled. Alan had the site down in record time. All the patrols gathered for Mass which was celebrated by Fr. Meehan. After Mass the big moment had come as J. D. gave a break-down of the marks and the various individual trophies were presented.

The lads collected the Pioneering trophy, Kim's game trophy and the Map and Compass trophy. Every patrol received a trophy.

This year a new topic was brought into the competition which was troop records, reports, etc. Abbeyside won this section and credit is due to the scribes who put a lot of hard work into the log, etc.

Next came the announcement we were all waiting for, the De

Burca Shield winners. J. D. made the announcement as follows—In 3rd place, Tallow; in 2nd place, Abbeyside. There were roars of triumph as Alan Ryan went forward and collected the trophy and each member of the team collected an individual trophy.

The celebrations began in earnest when we got home. A convoy of cars drove around Abbeyside chanting and singing. Hooters blazed, whistles blew, neckerchiefs flew, scouts sat out of car windows. Abbeyside greeted the victors with cheers and shouts. This year will go down in local scouting history. The troop took part in the Regional Quiz, O'Farrell Trophy and the De Burca Shield and won all three, what an achievement. The team was P/L Alan Ryan, A/P/L John Whelan, Sean James, Sean Cartwright, Niall Carthy, Niall O'Connor, Keith Power, Michael Cosgrave.

TROOP MEETING
The meeting started at 7.30 p.m. on Tuesday night, for a change. The new scouts went outdoors on a trail. The trail involved finding information about the World Cup; Joe's and Fr. Ahearne's telephone numbers, as well as other items, such as finding four different types of shells, lollipop sticks, etc. At the end of the evening both teams returned weary and with all the necessary information and items. Michael Sheehan's team came first, only three and a half marks ahead of J. P. Cosgrave's gang. Congratulations to both teams.

Meanwhile the England-bound scouts sat down to talk about the camp programme, etc. Then they were split up into two groups for a soft-ball game. The usual "dirty play" from Keith Power and Brendan Kiersey.

At the end of the meeting details were given on activities coming up soon. After the meeting a representative from each of the three camp patrols attended the C.O.H. during which Sean Fitz., Cozzie and Joe collected gadgetwood from Glenshelane to be used for the De Burca Shield.

ST. JOSEPH'S VENTURER NOTES
Last weekend, Liam, David, William and Vinny headed off to Whiting Bay near Ardmore to cook for the examiners and other VIP's involved in the De Burca Shield. We set up our own tent, the leaders tent and dining shelter and later moved into the leaders tent as it was not being used by that many. The breakfast at eleven before hitting the road.

Vinny and David were up bright and early on Saturday morning to get breakfast. Also helping us out with the cooking was Sean "that's my cup" Fitzgerald, who entertained us throughout the day with his stories. We cooked a dinner of soup, stew and a dessert for ourselves and some examiners. We also had some visitors who highly complimented us on our cooking.

After the wash-up, J. D.'s prayers were answered and it stopped raining. We all then went down in the chuck wagon to the strand, where we held a campfire and all the troops did sketches and sang songs. Ray and Muller arrived for the campfire. Mandy and Caroline arrived to provide some brilliant entertainment for the campfire.

Later, after the scouts had left, we held our own campfire and with Muller and the two girls contributing to it, we had a great time. Down on the sand were some messages, which were linked to a certain Ray Moore and to Sean "that's my cup" Fitzgerald.

Later that night we had some late night visitors, but these were soon moved on by Joe. Liam was up early on Sunday morning, the rest of the lads didn't rise 'till 8.55 a.m., even though J. D. tried to get them up earlier. After lunch we tidied up and packed away the gear before changing into our uniforms for Mass. After Mass the winners were announced and for the third time Abbeyside were victorious. We then headed for home with Muller. It was a great weekend. — ("The Venturer")

LATE MONICA BARRY
On behalf of everyone in the Club I would like to extend sincere sympathy to the Barry family of Mitchel Street on the untimely death of Mrs. Monica Barry last week.

The deceased lady was wife of Donle Barry who has held office in our club in the past and who to this day remains one of our most loyal supporters.

Mrs. Barry was a charming lady and her death is deeply regretted by all in our club. Go ndeine Dia trocaire ar a h-anam dills.

GERALDINES GAA Notes
Sympathy is extended to Eamonn Stack, Headmaster, Aghlish National School on the death of his mother, Mrs. Margaret Stack, Dungarvan, which sad event took place last week. May she rest in peace.

INTERMEDIATE FOOTBALL CHAMPIONSHIP
Our game with Slabh gCua is fixed for two weeks. As far as we are concerned now we are in the knock-out stages of the championship.

CHALLENGE GAMES
We had a fairly good challenge game with Stradbally down in Stradbally last week. St. Oliver's and Naomh Brid under 16 hurlers also had a great game in the field last Friday night when there were promising young hurlers on both sides.

FIELD COMMITTEE
The five members of the Field Committee and any other club members who wish to give a hand lining the field should be present on Thursday and Friday evening.—P.R.O.

REMEMBERING OTHER DAYS

The photo in our "Remembering Other Days" series this week recalls the scenes of great devotion at the historic Rosary Rally held in Dungarvan more than thirty years ago on the occasion of the visit of the great Rosary Priest, Fr. Peyton. People flocked to the Old Boro' from all over the county for the occasion and our photo shows members of the then Dungarvan Urban and Waterford County Councils as the procession marched along Shandon (where the Fire Station now stands) en route to the Gaelic Field where the great rally took place. In the background is the Dungarvan Brass Band with the Children of Mary following on behind. Our thanks to Sr. M. Baptist, District Hospital for loaning us the photograph.

Health Board Still Faces £2m. Annual Deficit

Despite expenditure cuts in its annual budget the South Eastern Health Board will still have to cope with a likely annual gap of about £2 million.

This is the news which is contained in the Finance Report of the Board, Mr. P. G. McQuillan, which will be considered by the members of the Board at their monthly meeting to be held in Kilkenny to-day (Thursday).

The CEO's Finance Report gives the following details:—
Summary: The objective of the Board in recasting its expenditure for 1986 was to reduce its annual rate of spending by £4.565m, or 4.9%.

As a result of the discussions between the Board and the Minister for Health agreement was reached on the elimination of debt balances caused by over-spending in 1984 and 1985. No additional funds are available for 1986 to help reduce the rate of current overspending. This must be done by reducing annual spending or increasing annual income. However the Minister has approved an additional £180,000 per annum to fund a consultant paediatric practice at Wexford General Hospital.

The steps which have been taken so far by the Board to bridge the gap of £4.565m. per annum are:—

Pay Costs	£
Locums	350,000
Payroll Extras	190,000
Administration Costs	120,000
Welfare Homes	150,000
	720,000
Non-Pay Costs	
Energy	400,000
Travelling Expenses	80,000
Nursing Homes	500,000
Free Milk Scheme	200,000
Other Costs	50,000
Reduced Inflation	400,000
Clinic Transport	100,000
	1,730,000
Income	
Charges for services	1,000,000
Charges for staff meals	100,000
Staff accommodation	25,000
Maintenance in long-stay hospitals	100,000
	1,225,000
TOTAL	£3,875,000

STILL A GAP
There is therefore still a gap of £280,000 to be bridged. However some of the decisions already taken are not likely to bear fruit as expected. When we met the Minister for Health he made it clear he did not intend to introduce charges so there is no prospect of our having that income to balance the books.

The optimistic forecasts for a further fall in inflation now look as though they may not be realised. Some of the other cuts made are taking some time to

get introduced. So the real annual gap is more likely to be still about £2,000,000 and further expenditure cuts must be considered to offset it.

At the present time the concentration is on giving effect to the decisions already taken but the Board can expect that further proposals to reduce spending will be brought for decision in due course.

A service which may yield some economy from rationalisation is the laundry service and

this is being examined. An extension of investment in catering services may also give good returns in annual cost reductions as has already been achieved in some hospitals. Any opportunity to curtail spending must be taken but it seems inevitable at present that when all possible efforts have been exhausted we will be faced with real reductions in services as being the only remaining way of making the scale of reductions needed to keep within the allocation.

DUNGARVAN G.A.A. NOTES

TRIUMPH OVER ADVERSITY
Against all the odds, our senior footballers reached the championship quarter final last Saturday evening with a 1-4 to 1-3 replay victory over Rathorack Leamybrien.

Missing no fewer than five of last November's county intermediate championship winning team, our men rose to the occasion in fine style, and while the winning point from Martin Houlihan only came a minute from time we should have won this replay literally "hands down".

JUNIOR GAME OFF
Our junior football championship game against Stradbally which was provisionally fixed for next Saturday evening has been postponed because of the senior quarter final on Sunday. A new date will be announced for it when the Fixtures Committee of the Western Board meets.

UNDER 21 HURLING
The Under 21 hurlers were in action last week-end and recorded good victories over St. Mary's (Kill) and Mount Sion. These games will have provided ideal preparation for the Bord na nOg tournament which is being played this week when we have games against Abbeyside and Lismore and Tallow (next Tuesday) at the Showgrounds.

MINORS WIN
Our minor hurlers, although not over-impressive, still scored a 3-6 to 1-6 championship win over Ballyduff/Shamrocks last Thursday evening.

We trailed at half-time, but positional changes at midfield and in attack brought about the desired improvement, and grabbed the all important scores in the closing ten minutes.

Overall not a great performance, and certainly one that will have to be improved upon if we are to entertain any realistic chance of figuring in the final stages of the title race.

The panel was: D. McCarthy, I. Hayes, J. P. Moran, E. Egan, D. Flynn, E. McGarry, E. Mansfield, J. Ferncombe, B. Morrissey, A. Simms, E. Burke, J. Walsh, M. Callaghan, T. Butler, E. Maher, E. Mahony, K. O'Neill, K. Fitzgerald.

"MELADON" TOURNAMENT
The Under 16 hurling "Meladon Cup" tournament is being revived by the club after a lapse of six years and the teams taking part will be Abbeyside, St. Patrick's, St. Oliver's, and Dungarvan. In the first game we play Abbeyside on this Thursday night.

The Meladon Cup was presented to us by Mrs. Dotie Flynn and the late Niall Flynn in honour of their great horse "Meladon" which won the Daily Express Triumph Hurdle at Cheltenham on St. Patrick's Day 1977—when I'm happy to say I was there for the historic occasion.

Our winning team of the Meladon Cup in 1980 was: Paddy Ferncombe; Ger Moran; Ray Dwyer (capt.); Brendan Donnelly; Tony Hamilton; Tom Curran; Martin Houlihan. Chris Meehan; Seamas Mansfield; Morrie Ferncombe. Maithew Monahan; Peter Ferncombe; Colin Quarry; Alan Sheehan. The subs were John O'Shea and Johnny Roche, and Tallow provided the opposition in that final.

SUNDAY'S QUARTER FINAL
We face another major task on Sunday evening next when the reigning senior football champions Kilrossanty provide the opposition in the quarter final at Stradbally (7.30). We are hoping to have Martin Sheehan available for selection, but of course we will again be without several other players for varying reasons.

We are not unmindful of the fact that we enter this game as the rank outsiders, that's something that won't unduly worry us however, and it should merely steer every player into giving this a real go.

Indeed such is the level of determination in the camp right now that we are confident of acquitting ourselves well. We've defied the odds in reaching this quarter final; dare anyone say we cannot go another step along the title road. It's certainly worth striving might and main to achieve.

We leave from our usual departure point at 6.30 and are hoping for big support on the night.

WESTERN BORD NA nOG NOTES

LISMORE WIN THRILLING "A" FINAL
Lismore retained the u-14 Divisional Hurling title when they defeated Tallow in a thrilling final before a large attendance at Cappoquin on Monday night of last week.

Tallow opened the scoring with a Clive Barry point but Lismore quickly equalised with a point from a Michael Hickey free. Tallow missed a great chance of a goal after 10 minutes and they trailed by 1-1 to 0-2 after 20 minutes play but then Tallow took over and scored 1-3 without reply to lead at half-time by 1-5 to 1-1.

Two goals for Lismore after the break put them back in front by 3-1 to 1-5 before Clive Barry goalied to put Tallow back in front. Both sides exchanged points before Kieran O'Gorman equalised for the winners and then put them in front with another point. Tallow fought hard for an equaliser but it was Lismore who scored again for a narrow two-point win.

In the second half Melleray found scores hard to come by and in actual fact failed to score in the half. Clashmore's goal came late in the game from Michael Fenton and Melleray held on for a narrow win. After the game, Bord Chair-

ST. CATHERINES GAA - East Cork U12 Hurling Final At Duncannon. St. Catherines 8-8, Fr. O'Neills 0-3. Our U12 hurlers, with a stylish performance last Wednesday evening, annexed divisional honours defeating Fr. O'Neills at Duncannon.

CONNA PARISH FETE - Excellent organisation aided by fine weather and a large spending crowd were the ingredients for this outstanding Church Fete at Conna Sportsfield last Sunday. The various items, competitions, stalls, draws, too numerous to mention were very well patronised.

FEIS - The class feis was held on June 30 at St. Catherines Hall and the following were successful - Orla Walsh, Elaine Harper, Niamh Murphy, Ann Marie Houlihan, Liz Dineen, Laura Lane, Niamh Mangan, Dolores.

INTERMEDIATE HURLING LEAGUE - St. Catherines 2-11 Castletownroche 1-10. This was the third meeting of these two teams this year when they met at Ballynoe last Friday evening in the league contest and on each occasion they provided great hurling fare for the spectators.

JUVENILE CLUB'S TRIP TO WEXFORD - Last Saturday 47 young hurlers and footballers plus 8 adults made the journey to Grantstown, Wexford. The U12 footballers and the U14 hurlers played a team called Ballymitty in both games registering a win in each encounter.

BALLYDUFF FESTIVAL TOURNAMENT - St. Catherines 4-15 Kilworth 4-15. St. Catherines looked like coasting to an easy victory in the above hurling final at Ballyduff last Sunday evening. Having chalked up 2-12 to Kilworth's 1-8 after a rather tame first half they looked to be "home and dried," but Kilworth were a different team in the second half, when playing with great dexterity and determination they came back into the game to come within 2 and 3 points of Catherines tally at times. The latter pulled away again but back came Kilworth in a grandstand finish scoring

CAPPOQUIN AND DISTRICT NOTES

MOVING SCENES AT OBSEQUIES FOR JOHN BUCKLEY

The sense of shock and sorrow at the tragic death of 22-year-old John Buckley, Church Street, still lies heavily over the town and area. An intercontinental haulier, and eldest son of James and Helen Buckley, he lost his life last Wednesday, July 2 when his truck became involved in a pile-up traffic accident near Dover in England. The immensity of the public sympathy aroused by this untimely loss of a young life was fully indicated by the immense numbers who filled St. Mary's Church to overflowing when the remains were received there on Saturday evening by Rev. S. O'Dowd, C.C. Again on Sunday morning the Church was thronged when Fr. O'Dowd was the principal celebrant of consecrated Requiem Mass and concelebrating were Rev. Fr. Francis, O.C.S.O., and Rev. G. O'Dowd, Dublin.

A moving tribute was paid by very many of his trucking comrades who travelled long distances to be present.

The coffin had been borne from the Church through the town, where crowds lined the streets to pay their respects, to where, outside the G.A.A. grounds, it was placed on a truck and covered by the huge number of floral tributes. With this final and so appropriate a tribute, the cortege proceeded to Affane cemetery where Fr. O'Dowd officiated at the burial assisted by Very Rev. M. Russell, P.P., Modeligo, Rev. P. Fitzgerald, C.C., Ballinameela and Rev. W. Meehan, C.C., Clashmore.

To his bereaved family and relatives sincere sympathy is extended in the great loss they have suffered.

He is survived by his parents James and Helen; Tom, Seamas and Barry (brothers); Marie and Catriona (sisters); May Keane, England; Eily Buckley, Joanne Kett, Moneygorm (aunts); Paddy Buckley, Geosh, Sean Buckley, Ballyhane, Jim Cliffe, Bewley, Mossie Cliffe, Kinsalebeg, David Cliffe, Fernoy, Michael Cliffe, Ballygalane, Pat Cliffe, Knockmaun (uncles); Marie (friend); grandaunts, granduncles, cousins, relatives and friends.

(Funeral arrangements were carried out by Aidan Walsh & Sons, Undertakers, Cappoquin).

FOROIGE

The local club were hosts to a club from Monaghan last week-end and a very happy

time was spent. The week-end began with a very enjoyable Disco at the Parochial Hall last Friday. Saturday was spent on a trip to Fota which proved interesting and educational. The visitors were brought to Tramore on Sunday and thankfully the weather on this occasion proved kind. An active and enjoyable week-end was completed with a video at the School Hall on Sunday night. It was a happy time and the local club has received an invitation to visit Monaghan probably in August.

SOCCER—RAILWAY ATHLETIC NEWS

CAPPOQUIN COMMUNITY GAMES

We travelled to Ballyduff on Sunday last to compete in the County Final. Our athletes did us proud by winning the fine total of 29 medals. We would like to congratulate Ballyduff on the splendid victory they handled such a fine sporting fixture and also Ferrybank on winning the magnificent Overall Trophy, piping us by just one point. But for the athletes who did not think it worth their while to turn out for us on the day we could possibly have won this trophy.

Next week our church gate collection takes place at all Masses in Cappoquin and Affane and we would appeal to the community to be as generous as possible as expenses this year are very great. We would ask any member who did not return a singlet last Sunday to please do so immediately to Jim Cashman also two relay batons.

Training continues this Thursday evening at 7 p.m. for the local sports meeting on the August week-end.

Results from the games:

MINOR HURLERS WIN

Cappoquin 2-6 Naomh Brid 2-5

Our minor hurlers came back from the jaws of defeat

to score a point victory over the group side Naomh Brid. Seven points down our young lads literally picked themselves off the floor and whittled away at the lead to finally forge ahead to record a sensational victory. While this win has its merits we most certainly can improve so come on lads lets buckle down and get going from the start of the game in future.

CAPPOQUIN BALLINAMEELA ATHLETIC CLUB

On Sunday week last the Middleton Open Sports took place. Not all our athletes were available on the day and this proved costly as the club finished second best club overall and may have won it if all our athletes were present. The athletes present gave a great performance by winning sixteen trophies. Eileen O'Brien, Corrina Walsh, Lorraine Maher and Kenneth Lorrain finished first in their respective races.

Full results were as follows: Eileen O'Brien, 1st, 60m.; Kenneth Stack, 2nd, 100m. and 1st 400m.; Aidan Ahearne, 4th 100m.; Corrina Walsh, 1st 800m.; Eamonn Lynch, 3rd shot; Lorraine Maher, 1st 100m.; Niamh Scanlon, 2nd 800m. and 4th 100m.; Martin Lacey, 4th 800m.; Fiona Lynch, 2nd shot and 2nd long jump; Jeremiah Connors, 4th 800m.; Anne Browne, 2nd 100m. and 3rd 800m.; Johnny Burke, 2nd 800m. So, congratulations to all on a fine performance last Sunday week.

CAPPOQUIN MACRA NA FAIRME

Our annual field evening which was held on Sunday June 15 in Tourin G.A.A. grounds was a great success. We had a total of 13 teams from both within and outside the County.

We gratefully acknowledge the help and support of both our members and sponsors. The best overall team on the night was Ballyduff.

Last Friday evening was a sad evening for some members of the club when they had to say farewell to our English visitors.

But I believe it will not be long before we will see some of them again. Ahem!

P.R.O.

DUNGARVAN SEA ANGLING CLUB NOTES

BANK OF IRELAND COMPETITION

The Bank of Ireland competition got off to a good start last Sunday week with a total of forty-four anglers for the day. Being a first competition sponsored by the Bank of Ireland the overall attendance and interest was good. The boats left the Quay at 10 a.m. and returned at 6 o'clock. A disappointing day was had weatherwise, but it did not deter the anglers with a total of 135 fish landed with a variety of eight — 71 conger, 19 ling, 29 dog, 2 spur-dog, 2 pollock, 8 pouting, 3 coalfish and 1 cutkoo wrasse.

A presentation of prizes was made by Mr. Con Crowley, newly appointed Manager, Bank of Ireland in the Moorings Bar later. Fred Forsey welcomed Mr. Crowley to town and hoped on behalf of everybody that his stay would be a nice one.

The results were as follows:— 1st, Club Recorder, Don O'Connor 132 pts.; 2nd (greatest variety), Len Rouse, 4 varieties; 3rd, John Cronin 99 pts.; 4th, Michael Healy 94 pts.; 5th, Tony Elstead 90 pts.; 6th, Alban O'Donoghue 79 pts.; 7th, Bill Mullins 65 pts.; 8th, Eugene Burke 64 pts.

Five boats were used for the day and the Skippers Prize went to Connie McGrath of the "Kara Maria".

Incidentally congrats to Eugene Burke for taking a prize, this in his first competition this season. Welcome back to Anne Dillon (nee Fuller) after an absence from the angling scene for three years. Rumours have it that Olive White landed the biggest conger of the day — it was so big that they could hardly get it on the boat.

Mr. Crowley went on to thank everybody for fishing and for coming to the presentation. He spoke of his love for the sea as a true angler would and also assured everybody present that there would be a Bank of Ireland competition next season.

Michael Burke, Lawlor's Hotel (sponsors), presents his prizes to John Cronin and Brian Mansfield, winners of the Dungarvan Sea Angling Club's Pairs Competition. (Rory Wyley).

WATERFORD COMTEC LAUNCHED

The Waterford COMTEC (Community Training and Employment Consortium), the seventh of eight pilot COMTECs to be commissioned by the Youth Employment Agency, was launched by Mr. Austin Deasy, T.D., Minister for Agriculture, at a meeting in St. Bridget's Hall, Waterford.

COMTEC is aimed at improving training and employment opportunities for young people by enhancing the impact of the Youth Employment Levy at local level.

At the inaugural meeting, Minister Deasy stated that the whole COMTEC pilot process is one of considerable significance in terms of developments in manpower policy overall. "At a time when we are in the context of the forthcoming White Paper on Manpower Policy, engaged in an analysis of the need for effective co-ordination of services at a national level, we should not lose sight of needs on the ground at local level," he said.

Mr. Tom Costello, Director of Projects, Youth Employment Agency, said that COMTEC is seen by the Agency as a serious effort, in the short term, to get the maximum possible results from the current range of Youth Employment Levy-funded programmes in the area.

COMTEC is aimed at improving training and employment opportunities for young people by enhancing the impact of the Youth Employment Levy at local level.

ANIMAL DRUGS LEGISLATION

From Tuesday, July 1, new Antibiotic Regulations came into force which impose restrictions on Veterinary Surgeons, farmers and chemists and exclude van men from sale of antibiotics.

As and from that date, sale of antibiotic substances is restricted to sale from a pharmacy and only on a Veterinary prescription.

Intermammary tubes of antibiotics are excluded from pharmacy only sale, and may be bought from licensed sellers.

Veterinary Surgeons are restricted to supplying antibiotics for animals under their care.

Farmers are required to keep a book called a Record, where purchase of antibiotics is registered.

Veterinary Surgeons are required to keep a book called a Register, where all usage of antibiotics is recorded.

From that date also, firms who supply antibiotics are required to state withdrawal times on the product and no Veterinary Surgeon may implant hormonal hormones in animals born after the first of November 1985.

The Department of Agriculture has issued warrants to 300 inspectors within the department to supervise the implementation of the regulations.

Those inspectors have authority to enter premises or farms where antibiotics are suspected to be held, and either confiscate the drugs and initiate prosecution, if the farmer has not a prescription.

It is now an offence to present animals for sale who have been treated with antibiotics or hormones and where stated expiry dates are not adhered to.

Those regulations bring Ireland into line with other European countries, and are not as restrictive as in Denmark.

Adherence to the regulations will add to the good name of Irish food products and help to promote them in the lucrative European markets where consumers are very concerned with residues in meat and milk.

THE BIG TURF FIRE

Our choice for the ballad corner this week is "The Big Turf Fire," a song about a happy man which was a popular choice especially with the street singers who were, in years gone by, a familiar sight throughout the towns and villages of Ireland.

O, the big turf fire and the hearth sweep clean,
 Sure there's no one half so happy as myself, Paddy Keane,
 To the baby in the cradle you can hear the good wife say:
 "Wouldn't you go to sleep, alanna, till I wet your daddy's 'tay'."

O, the man that I work for is a richer man than me,
 And sure in this wide world we never can agree,
 He has big towering mansions and castles over all,
 But I wouldn't exchange for them my little marble hall.

I've a nice little house and a tidy bit of land,
 Sure you wouldn't see the finer on the side of Knocknagran,
 I've no piano in the corner and no pictures on the wall,
 But I'm somehow quite contented in my little marble hall.

O, the big turf fire and the hearth sweep clean,
 Sure there's no one half so happy as myself, Paddy Keane,
 To the baby in the cradle, you can hear the good wife say:
 "Wouldn't you go to sleep, alanna, till I wet your daddy's 'tay'."

the reigning grade 'B' champions, Villerstown in junior hurling. This was a keenly contested game and remained in the balance right up to the final whistle. Veteran goalkeeper, Johnie O'Grady for Villerstown and Noel Walsh for Kilrossanty, both performed well.

In the second game it was all one-way traffic as last season's runners-up, Modeligo scored a decisive win over Faha, who have yet to win a game in hurling or football this season.

Ardmore scored their second win of the season in junior hurling when they beat Tourin very decisively in the opening game at Cappoquin. The win is hardly enough to bring Ardmore back into contention.

In junior football, Emmets had a decisive win over Eire Og and Lismore had very little difficulty in disposing of Melleray.
