TALLOW HORSE FAIR FESTIVAL

Having had no summer (except according to the calendar) it is difficult to realise that the year has so far gone. However the imminence of Tallow's great annual Horse Fair Festival stresses the fact that the month of August has almost passed and that September is just around the corner.

The festival kicks off for 1986 on this Friday evening, August 29, at 7.30 with an adult and children's fancy dress parade while the official opening will be performed by Mayor of Waterford, Cllr. Brian Swift an hour later at 8.30 p.m. From then on there is a full programme of events which should provide entertainment for all for the ensuing five days with the climax on Wednesday next, September 3, with the holding of the famous fair.

The organising committee have made every effort to make most of the entertainment free to the public but instead of having it on an open air stage as in previous years it will go ahead in the Community Hall but it will still be free. As a matter of fact this could be a blessing in disguise as the weather of recent weeks would entice no one to stay out of doors and with the provision of heating and seating in the Hall, the public will find this free entertainment more enjoyable in such comfortable surroundings this year.

We understand that the Committee came to this decision when they discovered that a public liability insurance for outdoor functions would set them back £1,500, a sum which, very understandably, they could not afford.

A special article about the festival appears elsewhere in this issue of the "Leader" while details of the various items on the programme are provided in our advertising columns.

THE TWO SIDES OF THE MATTER

The first anniversary celebrations of the apparitions at the Marian Grotto in Melleray which commenced on Friday, August 15 concluded on Saturday last, August 23.

Over the period more visual phenomena at the Grotto were reported as pilgrims from many parts of the country gathered to mark the occasion. A special register of all these has been made and the Chairman of the Grotto Committee, Michael Rawlins, has stated that the most moving account was that of a Cork city woman praying in the crowd who claimed that Our Lady had made herself

visible. The woman related her experience over the public address system at the Grotto.

The nine days celebrations have attracted thousands of pilgrims to Melleray and coach loads of people have come from as far away as Belfast, Dublin, Galway and Cavan. All-night vigils and 24-hour fasts were undertaken by members of the Grotto Committee in which many of the general public joined.

Meanwhile another side of this phenomenon of moving statues was spot-lighted this week when the Bishop of Cork and Ross, Most Rev. Dr. Michael Murphy, warned that he had "serious reservations" about the authenticity of claims that messages from Our Lady were being received at a Marian Shrine near Inchigeela, Co. Cork.

The Bishop's hard-hitting statement followed a sequence of events which took place last week when a local young girl praying at the shrine claimed that a Satanic presence had been seen there by her. "I feel it is my duty, as Bishop, to point out to the people the obvious danger of being misled by unsubstantiated claims" the statement said.

The Bishop of the Diocese, he pointed out, was charged with the responsibility for any cult or devotion to Our Lady or to the Saints. "The search for signs and messages tends to bring true devotion to Our Lady into disrepute, that devotion defined by the Second Vatican Council as 'filial love and the imitation of her virtues,'" he said.

Dr. Murphy also warned: "Any exploitation of the situation, commercial or otherwise, must be condemned in the strongest possible way."

FEROCIOUS STORM

The ferocity of the storm which caused such devastation all over the country last Monday was almost unimaginable. Certainly the likes of the rain that fell has never before been equalled as far as its memory goes. The mystery is that conditions were so atrocious, greater damage was not perpetrated.

The Met Office people informed us that the storm came as a lash from the tail of "Hurricane Charley" which had swept across the Atlantic Ocean from the East Coast of America where it had caused considerable havoc a few days earlier. Hurricane Charley has an ominous sound about it and it is to be hoped that it has no sinister meanings for the future of the country. Such Hurricanes are things we can well do without for an entire life-time.

COUNTY COUNCIL OUTING

Despite the awful conditions that prevailed on Monday, the members of Waterford County

Hurricane Charley Causes Havoc

Widespread flooding, fallen trees, swollen rivers, power lines levelled and crops battered was the story on Tuesday in the aftermath of the devastation which resulted when the tail end of Hurricane Charley swept across the Atlantic from the U.S. and lashed the South and East of the country throughout Monday.

While the seaboard regions along the east coast sustained the worst of the battering, the south also suffered from the brunt of the deadly storm during which torrential rain fell lashed by gale force winds which at times gusted to storm force 10 and even 11.

WIDESPREAD FLOODING

Widespread flooding occurred throughout the day in Dungarvan and in many parts of West Waterford. All five units of the Dungarvan Fire Service were active in several areas up to a late hour on Monday night.

Chief Fire Officer Tony McCarthy told the "Leader" on Tuesday that the Brigade was engaged in pumping operations at several areas in Dungarvan during the storm including Main Street where a number of shop premises were flooded, the Car Park at Friary Street which looked like a lake, and also at flood points at the Burgery, Kilrush and Ballymacmaigue.

One of the worst hit areas was at the Youghal Road where water levels rose by as much as

2 1/2 feet as the day wore on. The main road here was heavily flooded and late on Monday evening with a high tide reaching peak at around 10 p.m. backed by the south, south-east gale, the Springfield housing estate became isolated and residents were warned of the danger of flooding. Three units of the Brigade worked feverishly here up to 1 a.m. on Tuesday pumping the flood waters and many of the anxious residents were unable to retire until 2 or 3 a.m. when the danger had receded.

Trees were blown down in several areas and while motorists on late night journeys had to make detours in some instances. Co. Council workers had all the obstructions cleared early on Tuesday.

DRIVERS TRAPPED

Units of the Fire Service were also engaged in pumping operations at flood points at Ardmore and Clashmore, and at the height of the storm on Monday evening they were called to rescue three lorry drivers who found themselves trapped in the floods at Ballyheaney Bridge outside Clashmore. Flooding also was reported from Kilmachomas and Portlaw and the road at Grange

was once more badly damaged as was the bridge at Ballyheaney and roads in the Clashmore area were again badly cut up.

Chief Fire Officer Tony McCarthy stated that the situation in Dungarvan could well have been much more serious but for a shift of a couple of points in the wind at about 9 p.m. on Monday night.

The rainfall over the 24 hours on Monday was reckoned at a record 2 1/2 to 3 inches over the entire area.

CROPS BATTERED

The storm left a trail of destruction in its wake where cereal crops especially were concerned while fodder which took such a terrible beating in the devastating floods which occurred earlier in the month again suffered badly.

Because of this latest turn in the atrocious weather conditions a special Cabinet meeting has been called for this Thursday. The meeting has been called by the Taoiseach, Mr. Dick Spring following discussions on the situation with Minister for Agriculture, Austin Deasy. Mr. Spring is deputising for the Taoiseach Dr. Fitzgerald who is at present on holidays in Cyprus but who returns today.

It is expected that the Cabinet will consider what measures can be taken which might help the agricultural community to salvage some of the severe losses which they have sustained.

DESIGN CALL TO MINISTER

Dr. Donal Ormonde, F.F., T.D. for Waterford in a statement on Tuesday said that he was glad that the Government was finally prepared to recognise the serious plight of the Irish farmers. But he emphasised that discussion alone will be of no benefit to the farming community — many of whom look like going to the wall following a second disastrous summer. Action in conjunction with E.E.C. aid is now essential immediately if any impact is to be made in the present situation.

It took, he said, a storm of Monday night's magnitude to spur the Government to take any action and Dr. Ormonde wondered where Mr. Deasy Minister for Agriculture had spent the past weeks when the Minister claimed last week that the difficulties being experienced by farmers did not compare with last year. The Minister, once again, has shown himself to be completely out of touch with the farming situation. His obvious lack of knowledge and feel for the agricultural portfolio would suggest, that he take the honourable option and resign, Dr. Ormonde said.

SEA ANGLING

Cobh Angler Is Best In Yoplait International 2-Day Event

Co. Council Calls For Inquiry On Damage By Itinerant Horses

Cllr. P. Kenneally at the monthly meeting of Waterford County Council last Monday in Dungarvan raised the issue of damage being created by horses which were allowed to wander from itinerant camps around the county.

He said that itinerants had recently set up a camp at Cappagh and horses belonging to them had been allowed to wander about public roads in the area and into private property. "A great deal of damage is being done by these wandering animals," said Cllr. Kenneally who added that it appeared that nothing could be done about it as matters stood. "Private property can no longer be defined as your own under the law," he said.

Mr. B. J. McNally, Acting Co. Manager, said that the situation was an extremely difficult one. Problems had recently been created in the Dungarvan area by wandering horses and

the Urban Council had to get a High Court injunction and then a Circuit Court committal order before the itinerants concerned agreed to move.

Cllr. E. Kyne said that he would dread to see private individuals having to take on these itinerants. The Urban Council had suffered financially in taking them to court while their removal had also meant extra work for the Council's employees.

"I have always accepted that these people have rights," said Cllr. Kyne, "but they also have responsibilities and I think that the Minister for Justice should hold an inquiry into the whole matter so that we can outline our problems."

He then formally proposed that the Council request the Minister to hold such an inquiry and Cllr. Kenneally seconded the proposal which was unanimously passed.

GOLD COAST (BALLINACOURTY) BOARDSAILING CLUB NOTES

Although local competitions were suspended on Sunday last in order to give members an opportunity to compete in the National Board Sailing event in Mullingar, the local attraction was the draw for the winners of the one week self catering holiday in the Gold Coast which was sponsored by Ann and John McGrath of the Gold Coast Holiday Homes.

The winners in the draw are as follows: 1st prize, One Week Self Catering in Gold Coast, Chatter - Lar Looby, Cappagh; 2nd prize, Waterford Crystal - Martha Hughes, AIB, Dungarvan; 3rd prize, 3 Surfing Lessons - Seamus Kilwan, Kilmachomas. (Indeed a waste in view of his recent performance).

The committee of the Board Sailing Club wish to thank Anne and John McGrath for their generous sponsorship. The proceeds from this draw will contribute towards the purchase of an all weather rescue craft.

On Sunday next club members will again take to the water to contest the Gold Coast Perpetual Trophy which was originally presented by John McGrath and is now sponsored by Ina and John Quinn of the Gold Coast.

If winds continue as they have been during the week the odds-on favourites will be the "Heavies" who have recently returned from a holiday in the Canaries.

BALLYSGAGART NOTES

THE LATE BILL BURNS, FEAGARRID

The sudden death on Tuesday last, after a short illness of Bill Burns, Feagarid came as a great shock to his legion of friends. "Burns", as he was affectionately known to many friends and acquaintances was

the type of person it was a privilege to know. With an ever ready laugh, smile, or joke, he was always bright and cheerful and the very best of company.

As his former colleagues in the E.S.B. shouldered "Burns" on the last leg of his final journey to St. Mary's Church, Ballysgart on Wednesday evening, no doubt everyone of the large number of mourners present had their own personal memories to add to the story to tell of the occasion "Burns" had made his life lighter and happier. Ni bheidh a leithid ann aris.

To his sisters, nieces, nephews, relatives and large circle of friends we offer our heartfelt sympathy.

NEW ARRIVAL Congratulations to John and Helen Fitzgerald, Seemaoudda on their recent happy event — the birth of a daughter.

TALLOW HORSE FAIR FESTIVAL 1986

The printed programme for the Tallow Horse Fair Festival has come to hand, and there seems to be no curtailment either in quality or in the number of items. The Committee are to be congratulated for having a full, varied programme each and every night from the opening by Ollr. Brian Swift, Mayor of Waterford, on Friday, 29th August to Wednesday, 3rd September, the close of the Horse Fair night. The 3rd September can be regarded as a 'National Holiday' in the Tallow area. It has always been so, since 1903, when the Horse Fair was founded by the then Parish Priest, Canon Meagher, and a few local businessmen, among whom was Timothy Kenry, grandfather of Ted Kenry, a very prominent member of the Festival Committee.

The fancy dress parade is always a huge success and seems to be growing in volume as the years go by. At 7.30 p.m. on Friday 29th, the parade will leave the Grotto led by the Youghal Brass and Reed Band. The judges will review the parade from the open stage at the Square and this will be followed by the Official Opening by the Mayor of Waterford, Mr. Brian Swift at 8.30 p.m. The Community Centre is the venue for a feast of music and song to suit all tastes. It features the Youghal Brass and Reed Band, with guest artist, Teresa Griffin, the renowned Cork soprano and John Beecher (tenor). The items are well loved ballads and excerpts from popular shows in the Tommy O'Brien mould, hence the title "Our Choice And Mine". Admission to this concert is FREE. Come early and be assured of a seat.

The younger generation will be catered for, with dancing on Friday night to the "Conquerors". Sunday the 31st August, to Donal Ring and his Cella Band. Ireland's newest sensation "Cross Roads" will also feature. No doubt the older generation will show the young ones a step or two. On Horse Fair Night, 3rd Sept., the "Memories" will provide the music for the final night's dancing.

Results From Abbeyside Pattern 1986

Our Pattern opened on Wednesday (July 16), when Canon Farrell presided at a ceremony at the Pond. Members of the Urban Council attended including the Chairman, Declan Goode, and Vice-Chairman, Michael O'Riordan. This was followed by a road bicycle race which attracted much interest from competitors and spectators. Later we held the Emigrant Night, dance at Minnies and a good time was had by those present.

Thursday evening brought the novelty events at the Pond. Heavy rain, however, forced the early abandonment of these. Meanwhile the last stages of the Pubs Quiz were completed at Radley's.

Friday was more equitable and the novelty events got under way. We had a disco later for the kiddies, about 100 attended. The Paddy Langan Cup was competed for in association with the Pattern at Abbeyside G.A. Pitch.

Saturday brought the athletic events held at McCarthyville green. These were very popular. Later we finished the novelty events and the tennis tournament was completed at Causeway Tennis Club. Sunset saw

another successful disco in ideal conditions.

On Sunday we held the Children's Fancy Dress Parade which had 54 entries. Our thanks is due to all the mothers who prepared their offspring so well. Our lady judges, Mrs. Marlon Sheehan, Mrs. Kitty McDonnell and Miss Joanne Sheehan, had a difficult task and our Pattern Queen, Miss Jane Cooney, was on hand to present the prizes. Other events were the ever popular 'Tip the Bucket' and 'Bucket Brigade'. Irish music and dancing was presented on the stage by Michael Hogan's team. Light winds made things difficult for the Dungarvan Sailing Club who were competing for the Pattern Cup, but the lovely sunshine was enjoyed by all.

Finally the Pattern committee and Chairperson, Mrs. Betty Tutty, wish to take this opportunity to thank all those who took part, those who helped to organise events, and our sponsors for their generosity. A special word of thanks is due to the Moore family of McCarthyville for invaluable and willing assistance.

Anyone who would like to contribute ideas or come to help is very welcome as the life of the Pattern depends on willing people and fresh ideas.

Go unbridled beo ar an am so aris!

Monofilament Nets To Be Legalised?

Fisheries Minister Liam Kavanagh is set to legalise the outlawed monofilament net which is being widely used on diminishing salmon stocks.

In an attempt to end the present blatant disregard for the law, the Minister will shortly recommend to the Government that the illegal mesh be permissible. But this will be accompanied by restrictions on the length of net and the depth at which it may be used.

Also drift salmon fishermen will still have to hold a Government licence and will continue to be restricted to fishing during specific periods.

Mr. Kavanagh's proposals are certain to generate additional controversy in an already highly-charged area. It is a recognition of the State's inability to police the places where salmon run annually, and prevent the indiscriminate plundering of the luxury wild fish.

Present official indications are that illegal salmon fishing is as widespread as legal catching, and clashes have taken place between gardai and local drift-net fishermen in many areas.

The fishermen, especially in parts of the West and North-West have completely disregarded the netting season and the ban on monofilament nets for catching wild salmon.

Mr. Kavanagh said last week that the legalising of the monofilament net for salmon fishing was inevitable given present inability to patrol the estuaries.

THE ONLY WAY

"My own view is that this course of action is the only way in which the problem can be overcome, provided we build in adequate provisions and restrictions to conserve stocks," he explained.

"I intend to ensure that following consultations with the various interest groups invol-

ed, only certain specific lengths of net will be used and only to a certain depth. This would ensure that indiscriminate netting, which has been going on for some time, with serious effects on salmon stocks, would be ended," Mr. Kavanagh said.

It is expected also that regulations will be updated to limit the size of a boat which can be used for salmon fishing close to the shore.

Legalising of monofilament netting has been mooted for some time as a way of ending the widespread black market in salmon sales throughout the country. Mr. Kavanagh believes that large catches of salmon are being stored in deep freezers in order to keep prices high.

He said it was likely that the present illegal salmon trade would be diminished over the next four years with the growth of salmon farming in mariculture facilities now being developed.

EARTHWATCH WARNS OF NUCLEAR RISK TO IRISH FARMERS

The Irish environmental organisation Earthwatch has warned of the devastating impact on Irish agriculture which a major nuclear accident in the UK could have. According to the latest issue of the Earthwatch Newsletter, a 'core meltdown' in a nuclear power station even on the east coast of Britain could lead to the banning of crops for a whole year throughout most of Ireland.

Earthwatch has written to the Irish Farmers' Association urging it to take an active role opposing nuclear power. The Earthwatch letter warns of the UK's intention to ignore the lessons of Chernobyl by embarking on a programme of nuclear expansion, starting with the proposed Pressurised Water Reactor at Sizewell in Suffolk.

Earthwatch nuclear campaigner, Mary O'Donnell, speaking at the recent anti-nuclear rally held at Carrigrohane Point in County Wexford, said:—

"In a period of easterly winds, Ireland would take the brunt of any major radioactive release in the UK. Apart from the horrifying health consequences of such an accident, there would be enormous economic losses, particularly in the sphere of agriculture."

"It is clear that no government could compensate farmers for the damage which would result from a Chernobyl-type accident on our doorstep. In West Germany, hundreds of miles from Chernobyl, damage claims from farmers have amounted to approximately IRE70 million, and in the Netherlands the cost of merely keeping cattle inside during the high risk period after the accident has been estimated at around IRE20 million. We are far closer to the UK's nuclear reactors than those countries were to Chernobyl, and Chernobyl was not even a full meltdown."

Planning Applications Granted And Refused

The County Manager has made orders during the months of June and July granting planning applications received by Waterford Co. Council in respect of house building, alterations and extensions in all areas of the county.

Apart from domestic and farm buildings they included the following: To Cyto Ltd., Headborough, Knockanore for the erection of road signs at Headborough; Edmund Murphy, Knockanore to open a Car Sales outlet at Main St., Tallow; Vincent Walsh, Giant's Rock, Cappoquin for an office building at Knockmacrooha Upper; Mrs. Vivian Uniacke, Main St., Cappoquin for the retention of Gaming and Amusement Area at Main St., Cappoquin; Joseph Daily, Knocknagrath, Dungarvan for change of use to commercial workshop at Knocknagrath; John P. Ahern, Killmore, Tallow, for erection of dwelling, veterinary surgery, kennels and garage at Townsend, Tallow; Telecom Eirann, Dublin for automatic telephone exchanges at West St., Lismore and Main Street, Cappoquin; Michael J. Casey, Mountain View, Dungarvan for the erection of signs at Pulla Ring and at Barranlira, Dungarvan and at Clonea Hotel Ltd., for the erection of two signs at Knocknagrath and Ballyrandle.

APPLICATIONS REFUSED

During the period eight applications were refused and among these were: Frank Sweeney, "Stella Maris" New Lane, Abbeyside for a house at Clonckerson, Dungarvan, because it would not be in the interests of the proper planning and de-

velopment of the area that permission be granted for further development, based on the use of septic tank on this landholding because of the concentration of individual septic tanks which it would require, the adverse effect on the rural character and amenity of the area and the pressure which it would induce for the provision of urban services of an uneconomic nature. The particular development would interfere with and be likely to cause damage to an existing water supply main crossing the site.

James O'Brien, per M. Casey & Associates, Dungarvan for bungalow at Carrigeenagagh, Elg, Leamybrien, because 1) Sight visibility is restricted and a residential entrance would give rise to a traffic hazard; 2) the development would be detrimental to the presentation of the rural character and amenities of the area and the touring route in particular and 3) in the absence of a public water supply and drainage the further development of housing in the area would be prejudicial to public health.

Michael Trihy, per Ted McCarthy, Cork, for bungalow at Ardsallagh, Yougal, because of the poor quality of the roads and the lack of services in this remote rural area the development of further housing would have an adverse effect on traffic safety and the rural character and amenity of the area.

Deasy Challenged By Local Grain Growers

Local grain growers have challenged the Minister for Agriculture to accept nothing less than a full devaluation of the Green £ in the forthcoming EEC negotiations.

Mr. Gerard Flynn who is the Waterford representative on the IFA National Grain Committee declared that Irish grain growers are on their knees as a result of poor weather conditions and the low guaranteed prices.

"We cannot be left on the hind leg yet again when it comes to getting a deal from Brussels," he said.

The Carrick-on-Suir farmer said the imposition of the export tax of £11.40 on exports to Northern Ireland remaining over 90p, has seriously damaged price prospects of grain exported to Northern Ireland. In this context, the EMS realignment has done more harm than good.

"Grain prices are still trading five to ten per cent below intervention and cries that the realignment has resulted in

substantial increases in prices to grain growers are just not true," he said.

"The Department of Agriculture should also be aware that there are interests in the grain trade who have a vested interest in opposing an immediate devaluation of the Green £."

PRICE ADJUSTMENT

Mr. Flynn advised growers that where merchants are quoting a price based on the current intervention equivalent or the current market price, then this grower price should be adjusted when a Green £ devaluation comes and the appropriate adjustment passed back to growers.

"The fact that no grain will be accepted for intervention before October 1 allows merchants to make the appropriate adjustment in grower prices," he said.

"A minimum price of £10 a tonne based on current intervention prices for September of £133.50 is still justified in the surplus areas," Mr. Flynn added.

PRESENTATION OF NEW YAG LASER

The provision of the American manufactured Lag Laser is being hailed as a major breakthrough in the treatment of certain eye disorders. It was presented to the chairman of the SEHB, Cllr. Michael Sinnott by the chairman of the Waterford based Irish Fight For Sight Campaign, Mr. Bobby Kerr on behalf of the subscribing members of the public.

The Fight For Sight Campaign co-ordinated the fundraising effort and Mr. Kerr described the fact that almost all the money required was collected in just over four months, as a magnificent achievement on the part of all those who contributed.

The new laser acts like a surgeon's scalpel with the laser light cutting through the tissues it is focussed on. Its primary purpose is to cut membranes within the eye which have been left over from past infections, haemorrhages and operations. The advantage is that the treatment can be carried out on out-patients in a matter of minutes and without anaesthetic.

This Week ACOT Co. Waterford Says

WEANINGS

Where grass is scarce or of poor quality, feed concentrates to calves (3 lbs. day). If calves are showing signs of lung or stomach worms, dose and move to cleaner pasture. Vaccinate weaning calves against black-leg (where not already vaccinated).

WINTER FEED

(1) Fodder rape can be sown up to the end of August. Use 8 lbs. of seed per acre and 5 bags of 16-12.

(2) Silage Quality: Check the quality of your silage by having a silage test and analysis carried out. Early silage analysis will enable you to plan your winter feeding programme more efficiently.

Grain Storage: Check stored grain for heating. Plastic sheeting on concrete floors and along walls is necessary to prevent mould development.

GRASSLAND

Reseeding: Reseeds following pasture are prone to Frit fly attack and should be checked for damage (borling out of

centre shoot). To control spray with Dursban or Folimat.

POTATO CULTURE

Potato Sprout Suppressants: The potato crop should be sprayed with a sprout suppressant two to four weeks prior to burning off. This practice prevents potato sprout and best results are obtained if carried out when:—

- ★ Most of the blossoms have fallen.
- ★ The smallest tubers are at least 1 inch long.
- ★ Active growing conditions prevail.

The most commonly used products are Fazor and Malahyde. They should not be used on first earlies or seed potatoes.

Other advantages of sprout suppressants are:—

- ★ Controls tuber size and shape.
- ★ Reduces sprouting in store.
- ★ Less shrinkage during storage.
- ★ Fewer volunteers.
- ★ Safe to store at higher temperatures.
- ★ Costs less than storage powders.

G.A.A. Notes

Senior Football Final - Kilrossanty Are Hot Favourites

When the county champions, Kilrossanty kick off in pursuit of their thirteenth county title at Walsh Park on Sunday next, they will have as their opponents the men from their neighbouring parish in Kilmachomas who are looked upon as the rising force in football in the county.

It is being described as a unique pairing because it is believed that the Kilmac club never before reached a county senior football final, or if they did, then they didn't have Kilrossanty as their opponents. Kilmachomas as a football club were organised as early as were Kilrossanty and in fact as early as 1887, when the first officially run county championships under Gaelic Athletic Association control were organised in Kilmac with Ballyduff Lower, were the first clubs to be in a position to field 2 teams of 21 players. In the year in which Kilrossanty won their first county title (1880), Kilmachomas reached the quarter final and went as far again in the following year when Ballinacorney took the county title. They remained a strong force in football for very many years afterwards.

However, we are now concerned with the 1986 county final—the 95th in our calendar, as no championships were played in 1914, 1917 or in 1921, because of the World War and the troubles here at home. We are concerned with a game that has really captured the public imagination and aroused widespread interest. Kilmachomas are regarded as something of a wonder club, as having been out of the limelight for a long time, have come back this year with very strong teams in all football grades. Two weeks ago they contested the county under 21 football final and lost to the Nire. Last week-end they were favourites when beaten by the city team, St. Saviours in minor football. They are still in contention at under 16 level as they prepare themselves for the battle of their lives in a county final contest against their high and mighty neighbours, who I am told are beginning — just a bit — to feel the pressure of being rated as 'good things' for the final.

Deep down, Kilrossanty are not at all certain of beating Kilmac and on Saturday evening in Leamybrien, many of their officials were talking a lot about the 'ifs and buts' of next Sunday's match. The fact that Kilmac are complete outsiders, have no previous county titles and that fact that as the underdogs, they will have enormous neutral support, is more than a bit worrying for the champions.

So far, Mickey Niblock (Nemo Rangers, Cork) has done a splendid job with the team and has moulded them into an improved and well disciplined side who have done very little wrong in the run up to the county final. They received a bye in the first round as they did last year, and came out in the second round to shock Butlerstown in a game which saw all their forwards share in the scoring of their 2-11 to 1-8 win at Portl...

In some quarters it was described as a 'dash in the pan, until they played and beat the fancied Ballinacourty by 1-7 to 0-5 at Leamybrien in a tight, nerve-wracking style contest. This was the game in which they proved themselves very worthy qualifiers for the final. In their preparation for the game, Mickey Niblock, has installed in them the need to keep their 'feet on the ground,' and as a result, they are not a bit over-awed by the occasion and are approaching it as just another match with everything to win. Their side is, on average, younger and will include several aspiring stars who have made their names on county under-age teams in recent years. In Michael Corkery, Derek Kiely, John Troy, Sean Behan, Ned Power, John Power, Jessie Whelan, Paudie Whelan, Pat Walsh, John Browne and company they have players who can play football with the best and who care little about the reputations of any opponents. In their two games they have scored a total of 3-18

which gives them a scoring average equal to Kilrossanty whose total for three matches is 4-30. They are going in to win.

So much has been written about Kilrossanty football — their record and reputation in championship as well as their tradition and so on, that previews can become a repetition of what was written so many times before — it's the way with the top teams in all counties — when I suppose it can be all said very briefly. Their most recent record entitles them to the tag of hot favourites with the public. They are the champions.

One of the country's outstanding coaches, Ned Power is assisting his famous namesake, Jimineen Power with the training. Very many of their players who include full back Pat Walsh, Nicky and Pat Hayes, Tom Behan, Pat Quinn, Jimmy Fraher, Michael Foley, Tom Prendergast, etc., already hold county championship medals and some of them are well known players on the county football team.

THE RESULT?

Kilrossanty's far greater experience will likely be the deciding factor and they must be given the vote to win. They may find it a good bit more difficult than many followers expect as Kilmac, in my view, are being a bit under-rated. For neutral supporters it should be a splendid contest, and an enjoyable finish to the championship. Jim Landers will be in charge of the game.

MINOR CO. FINALS: 'B'

Having been beaten by Mount Sion in the final last year, Western champions, St. Olivers will have another go at taking a title that their efforts over the years richly deserve.

They had a rare duel here in the West against old rivals, Affane and finished a point in front at the end. Hopefully their perseverance will be well rewarded and they will bring home the cup. Their opponents, whether it be St. Mary's or Rathgormack, will be quite good. These Eastern sides played a draw on Sunday and the replay scheduled for Monday night went off until Tuesday.

DRUM ROVERS v. ST. SAVIOUR'S

This is the curtain-raiser and by all accounts it promises to be a thrilling minor final. Last Saturday, St. Saviour's, who had been well fancied at the beginning of the season, but who subsequently seemed to lose their good form, staged a tremendous come-back in the final against the well fancied Kilmachomas on Saturday and won by a deserved eight points.

Drum Rovers were very much in the hunt last year, showed great improvement all the way this year and beat Abbeyside in the divisional final two weeks ago. According to some judges, the Western champions have a big battle on their hands and will be required to play their best football all the way and for the full hour if they are to win. Hopefully they will give the group side their first county title.

OTHER GAMES

Because of the county finals at Walsh Park on Sunday, the West is free on Sunday and no divisional games are listed.

On Saturday evening, the intermediate hurling tie between Dungarvan and Fourmlewater goes on at Cappoquin and this should see our best standards. In this competition, which has now almost reached the concluding stages, Dungarvan who lost so narrowly in a thriller to Colligan last year, must be well fancied, but Fourmle with so many young players showing good form in the under 21 grade, will give them a severe test. It

will be a close match, I believe, but Dungarvan may just survive. Whatever the result, both have already qualified for the play-off stages.

MINOR FINAL

This is the 'B' hurling final between Abbeyside and Cappoquin and will be played at Dungarvan on Saturday evening.

With both sides fancying their chances it should be an interesting contest and will give us some enjoyment. Either side could win.

RESULTS

Mount Sion are through to the county final, having survived a tremendous late challenge by city rivals, Roanmore, before a good crowd at Walsh Park on Sunday. It was a tough and exciting display of hurling that kept the crowd on their toes until the final seconds when a missed free by Kieran Delahunty, denied the Roanmore side of another chance.

On the basis of this display, Mount Sion will be very strongly fancied to take the title, but the Lismore people to whom I spoke after the game were not at all overawed by Mount Sion's display. They reckon that the county final will be a much different matter.

BRICKYS SURPRISE

A five goal margin against Ardmore was a shock, regardless of what anyone expected. It is the biggest winning margin that we have had in this championship for many years and from reports it was well deserved as the very fancied Ardmore just had no answer to the attacking football played by Brickies, who now seem to be heading back to senior ranks.

Their chances of doing this will depend on how they fare against Slabh gCua, who surprised Shamrocks in a nail-biting finish to their semi-final game at Cappoquin on Saturday.

The game at Cappoquin was a tight and low scoring contest. According to a report, I received, Shamrocks missed a lot of good chances of winning this as they seemed to have much more of the play. However, the scoreboard is what counts and that saw Slabh gCua a point to the good when the final whistle went. It promises to be a great divisional final between Brickies and Slabh gCua.

In junior football, Stradbally who led by two points to one in their match v. Ballinacourty at Leamybrien on Sunday evening did all the scoring in the second half and ended up with a four points winning margin. Conditions were poor and players found difficulty in keeping their feet. Ballinacourty missed some good scoring chances against a strong Stradbally defence.

COUNTY S.H. PANEL

The county senior hurling selectors met on a few occasions recently to select a panel to go into training for the National League which commences on October 12th but did not announce the full panel until they had seen the semi-final on Sunday evening at Walsh Park.

The panel shows a number of changes with some of the old panel missing and some new names listed.

The first session of training will take place at Fraher field on next Saturday afternoon. Shane Ahearne, Anthony Cooney, Pat Ryan, Ger Fitzpatrick, Peter Walsh (Mount Sion); Michael Ronayne, Richard Ronayne, Seamus Prendergast (Lismore); Ray Sheridan, Noel Crowley, Kieran Delahunty (Roanmore); Barry Power, Henry Skehan (Clonea); Timmy Sheehan, Jim O'Donoghue (Tallow); Liam O'Connor

(Erin's Own); Dermot Callaghan (Dungarvan); Michael Walsh (Ballyduff); Pat Curran (Stradbally); Pat Bennett (Ballinacourty); John Dunford (Colligan); Michael Collins (Abbeyside); Pat Curran (Cappoquin); Daithi Foran, Ger O'Brien (Portlaur).

REFEREES

Our very sincere congratulations to county and Munster referee, John Moore on his appointment as referee for the All-Ireland junior hurling final between Cork and Offaly at Croke Park on September 7th.

John's record is very well known not only in Waterford but throughout the province, where he handled two 'hot' Munster senior hurling finals between Cork and Tipperary in the past couple of years. Of course he has handled many other top inter-county games in other competitions as well. On Sunday last he did a splendid job on the Mount Sion / Roanmore game. It is another great honour for John and is richly deserved.

Another of our county referees, Jim Landers, whose splendid record is also very well known was in action last Sunday when he handled the All-Ireland junior hurling final between Kilkenny and Limerick at Thurles.

ST. LAURENCE'S TENNIS CLUB NOTES

JUNIOR OPEN WEEK
St. Laurence's Junior Open Week commenced on Aug. 18 and ran until Aug. 25. This year had an international flavour with students from France and Spain competing in the tournament. The entries for this year were bigger than last year and the tennis played during the week was of the highest standard.

The kids had a great week of tennis plus a quiz on Monday night, a sports night and to finish the week a barbecue on Friday night which was a great success.

The event was a great success and was run with great efficiency and well organised by the tournament directors Liam Maher, Willie Wade and John Paul Collins.

ALL-IRELAND TICKETS

The hurling tickets for the West will be distributed at the Fraher Field on this Friday evening at 8 p.m.

Because of the introduction of the new five-year scheme, our county allocation is reduced by 80 tickets and this will considerably reduce the availability of both hurling and football tickets. Clubs have been notified that all tickets not collected on Friday evening, will be otherwise disposed of over the week-end.

DUNGARVAN G.A.A. NOTES

INTERMEDIATE HURLING

Training continues and is being very well attended in preparation for our game versus Fourmlewater, at Cappoquin on this Saturday, August 30 at 6.45 p.m. sharp. With daylight fading so early, it is essential that games — hurling in particular — commence at the prescribed hour. Bus leaves usual starting point at 6 p.m.

Heartiest congratulations to John Moore from all club members on his being appointed to referee the All-Ireland minor hurling final. A great honour indeed.

JUVENILE AFFAIRS

Both the u-10 hurlers and u-12 footballers were in action against St. Saviours in Waterford on Saturday morning last. The hurlers played a close contest, with their city rivals and mentors were pleased with the display and are looking forward to future games for their young charges.

H. Meats (Cappoquin); Valu Centre (Dungarvan); Joe O'Sullivan (Clonea); Johnny Lynch (Dungarvan); Kate Biggs (photographer); Martin Brown (troubles); Michael Walsh and Dungarvan Printers.

U-16 FOOTBALL

The team played the first round of the championship against Tallow in Cappoquin on Monday, August 18. While win-

ning by a comprehensive score, there was a great deal of inaccuracy and lack of penetration particularly in the first half when Dungarvan led by just a point.

A big improvement after the break saw the half-backs and midfielders sending in a constant supply to the forwards who made good use of it, ending with a score of 3-8. The next game is v. Affane/Cappoquin in Colligan.

Team panel: O. Curran, S. Prendergast, L. Hayes, A. Quealy, B. Hayes, C. Mansfield, D. Donnelly, J. Walsh, J. Leahy, A. Simms, B. Dillon, B. Sheridan, B. McGrath, B. Wright, F. Cunningham, S. Dwyer, M. McGrath.

S.H. Semi-Final

MOUNT SION SURVIVE IN THRILLER

Mount Sion 3-11; Roanmore 2-13

This was the 33rd game in the new league-style championship in hurling this season and it is not an exaggeration to write that it was one of our best and most exciting. Already there have been two draws and a number of matches won by just one or two points. These were exciting stuff, but Sunday night's semi-final clash at Walsh Park had almost everything that one could expect from a do-or-die contest between neighbours and rivals fighting for a place against Lismore in the county final which takes place at Dungarvan on September 14th.

The date for the county final was almost changed in the dying seconds of this match when referee John Moore, giving a first class display himself, awarded a free to Roanmore.

The free was greeted with a moan from the crowd as Kieran Delahunty who had been deadly accurate on five previous occasions during the game, sent the ball inches wide to leave his side a point in arrears when the final whistle went. How the big crowd would have loved to see a repeat of this?

As it was, Mount Sion deserved their win. Not alone because they had to play with fourteen

men following the sending off of centre back, Eamon Ryan after twenty minutes in the first half, but because of their splendid hurling in the final quarter after Roanmore had come to within a couple of points of them. An Eddie Nolan goal and a Kieran Delahunty point in the final five minutes brought their tally to 2-12, just a single point behind the winners who had 3-11 up that this stage.

The display will no doubt put Mount Sion in as favourites for the county final in two weeks time.

Scorers: Mount Sion — A. Cooney 1-5; D. Loughane 1-2; M. Foley 1-1; G. Fitzpatrick 0-2; P. McGrath 0-1; Roanmore — K. Delahunty 0-6; N. Crowley 0-4; E. Nolan 1-3; P. Power 0-1; D. Fitzpatrick (sub.) 1-0.

Mount Sion — S. Greene; E. Knox; E. Keogh; P. Walsh; S. Ahearne; E. Ryan; J. Cuddihy; G. Fitzpatrick; C. Heffernan; D. Loughane; K. Ryan; A. Coady; P. McGrath; J. Greene; M. Foley.

Roanmore — R. Sheridan; J. Ryan; D. Murphy; M. Coady; T. Shanahan; P. Tobin; E. Roche; N. Crowley; J. Tebay; P. Power; K. Delahunty; G. McGuire; E. Coady; A. Collins; E. Walsh. Ref. — John Moore.

TROOP NIGHT

This Sunday night an Investiture Ceremony will be held in the Youth Centre and all our parents are very welcome to attend. Afterwards there will be a film presentation of Jamcorora 1977 (which was held at Mt. Mellheray), followed by a party for the scouts. Details of the weekend expedition to Mahon Falls will then be issued.

AND FINALLY

I understand that our older scouts will be keeping a close eye on the Irish Stock Exchange over the coming weeks as many of them have purchased a few shares. Is our treasurer involved and are we soon to see a begging letter to be sent to Gay Byrne regarding tentage? Answers can be obtained from Johnny B. and Co.

Our next meeting will be held at the Dungarvan Youth Centre on Saturday night at 7.30 p.m. — F. Tr. — SCRIBE

KNOW YOUR RIGHTS

Q. — Can an unemployed person take holidays without losing his/her social welfare entitlement?

A. — One of the conditions for receiving Unemployment Benefit or Assistance is that you must be available for work. In the past this meant that the unemployed person who went on holidays was debared from getting payment as s/he was not regarded as being available for work.

This has now been changed to allow an unemployed person to take two weeks holiday each year without loss of payment. The holiday must be within the State and the unemployed person must remain unemployed and available for work.

An unemployed person who wishes to take advantage of this should notify the exchange two weeks before s/he intends to go on holidays. There is a special form for this. You are required to give your forwarding address. You won't get your payment in advance. On your return you should sign on again as usual and you will then get the payment for the holiday period.

Dail Questions By Deputy Fahey

Mr. Jackie Fahey, T.D., raised the following questions in the Dail in July, just prior to the long summer recess:—

WATERFORD COUNTY COUNCIL CAPITAL ALLOCATIONS

Mr. J. Fahey asked the Minister for the Environment, the amount of money allocated to Waterford County Council for house construction for the years from 1983 to 1986.

Minister for the Environment (Mr. Boland) — The amount of capital allocated to Waterford County Council for local authority housing for the years 1983 to 1985 is as follows:— 1983, £2,025,000; 1984, £1,410,000; 1985, £1,195,000.

I hope to be in a position to announce details of the capital allocation for 1986 in the near future.

Mr. J. Fahey asked the Minister for the Environment the schemes submitted to his Department by Waterford County Council for water and sewerage schemes in County Waterford, the number approved, the amount of money allocated, and if he will name the schemes that will go ahead this year.

Minister for the Environment (Mr. Boland) — Waterford Co. Council have submitted contract documents for the following major sanitary services schemes to my Department — Checkpoint sewerage scheme and Ballinroad sewerage scheme.

I am not in a position to make a decision on these contract documents as the County Council have yet to complete other essential preliminaries in respect of these schemes. The Council has also submitted a preliminary report in respect to the Portlaw sewerage scheme and this is being examined in my Department at present. The question of finance for these schemes does not arise at this stage.

I have approved the Council's 1986 small water and sewerage schemes programme, which contained proposals for 24 schemes, and notified the Council of a capital allocation of £122,000 for this programme. It is entirely a matter for the Council to select the schemes, from within the programme, which they wish to carry out having regard to the capital allocation made available.

Mr. J. Fahey asked the Minister for the Environment the total sum allocated to Waterford County Council in each of the years from 1984 to 1986 for public water supply.

Minister for the Environment (Mr. Boland) — The capital allocation to Waterford County Council in respect of sanitary services cover both public water supply and sewerage schemes and relate to both major and small schemes programmes. These allocations for the years 1984 and 1985 were as follows:— 1984, £1,505 million, 1985, £1,203 million.

Minister for the Environment (Mr. Boland) — The total amount allocated to Waterford County Council in each of the years from 1984 to 1986 for public water supply.

Minister for the Environment (Mr. Boland) — The total amount allocated to Waterford County Council in each of the years from 1984 to 1986 for public water supply.

COUNTY WATERFORD SERVICE CHARGES

Mr. J. Fahey asked the Minister for the Environment the total amount levied per house in service charges in Waterford County Council and Dungarvan U.D.C. for the years 1984 and 1985, and the total amount collected for each year.

Minister for the Environment (Mr. Boland) — In so far as the total amounts of service charges levied per house is con-

cerned I would refer the Deputy to the reply to Question No. 69 of 12 February 1986 (Official Report vol. 363 no. 11).

The total of such charges collected in 1984 and 1985 in respect of the authorities in question is as follows:—

Table with 2 columns: Year, Amount. 1984: £360,000; 1985: £223,000. 1984: £52,500; 1985: £46,900.

RESIDENTIAL CARE FOR THE MENTALLY HANDICAPPED

Mr. J. Fahey asked the Minister for Health the number of adults and children in the South-Eastern Health Board who are awaiting to be admitted to residential care for the mentally handicapped.

Minister for Health (Mr. B. Desmond) — My Department's policy in relation to the provision of residential care for mentally handicapped people, with the exception of short term care—temporary relief, is that it should be offered where other alternatives such as family support and hostel accommodation have proved unsuitable.

At present, in the South-Eastern Health Board, there are 79 adults and 19 children waiting for admission to residential facilities of various kinds. Many of these may be accommodated in supervised facilities in the community rather than in institutions. In addition there are 167 adults with mental handicap in the psychiatric hospitals in the board's area, a position which neither I nor the board consider satisfactory.

The board plans to accommodate these mentally handicapped adults in hostel accommodation with appropriate

CO-OP BUTTERFAT LEVELS QUERIED BY IFA CHAIRMAN

The following statement was issued last Thursday by Frank Mulrennan, PRO Irish Farmers Association on behalf of Pierce Casey, Chairman of the Waterford Irish Farmers Association, Dairy Committee:—

I am extremely concerned at the discrepancy between Butterfat levels returned by IFA spot checks and those returned by Waterford Co-op to their suppliers in the Castletyons area last month. Similar discrepancies occurred in Wexford in 1985 and in Castletyons in 1984. These discrepancies are costing the farmers concerned up to 3p per gallon.

Regarding the invitation of Mr. O'Connor to IFA to participate in a joint testing investigation, I would like to say that I welcome this with enthusiasm. I regret that Waterford Co-op has not responded to a number of proposals discussed at a meeting in Ennisicorthy in January 1986 between Waterford Co-op and IFA.

Arising out of the spot check by IFA and the returns from the Society in the Wexford area in 1985, 2 meetings were held between Waterford Co-op and IFA Regional Dairy Committee in Ennisicorthy. The outcome of the meeting in January 1986 was that 2 proposals were on the table to be considered by Waterford Co-op:—

- (1) That a joint sampling

SUPPORT SERVICES AND IF NECESSARY IN RESIDENTIAL CARE.

SOUTH-EASTERN HEALTH BOARD CAPITAL

Mr. J. Fahey asked the Minister for Health the capital allocation to the South-Eastern Health Board for the years 1984, 1985 and 1986 and the purpose for which the money was allocated.

Minister for Health (Mr. B. Desmond) — The capital allocation to the South-Eastern Health Board for 1984 was £2.94 million and the allocation for 1985 was £2.348 million. The figure for 1986 will not be available until the end of the year. Capital payments to voluntary agencies are not included in the figures.

The allocations for 1984 and 1985 are analysed by category of services as follows:

Table with 3 columns: Service Category, 1984, 1985. General Hospitals: 1,473, 0,990. Community Welfare: 0,072, 0,072. Psychiatric Services: 1,330, 1,216. Community Health: 0,142, 0,080. Total: 2,945, 2,348.

WATERFORD SOCIAL WELFARE STATISTICS

Mr. J. Fahey asked the Minister for Social Welfare the amount of unemployment assistance and benefit paid in Waterford City and County during 1984 and 1985.

Minister for Social Welfare (Mrs. Hussey) — The actual amount of the payments made during the periods in question is not readily available. However the average number of persons signing on the live register in Waterford City and County for 1984 and 1985 was as follows:—

Table with 2 columns: Year, Number. Waterford City — 1984, 2,966; 1985, 3,297. Waterford County — 1984, 2,888; 1985, 3,104. Total — 1985, 5,854; 1986, 6,401.

operation similar to the present testing and spot testing system would be undertaken by Waterford Co-op IFA and AFT.

A condition of this joint undertaking being that the testing would be carried out at the Clonroche Laboratory. This was put forward by Waterford Co-op. IFA had great anxiety about the impartiality of this procedure, particularly the pre-condition of using Waterford Co-op testing facilities.

(i) That fresh milk sampling would be undertaken by Waterford in part or all of the South Eastern area (Wexford and Wicklow). A split sample to be available to farmers on request which could be tested by him at an independent laboratory if he so desired. The sampling would be cross checked by AFT personnel. This was put forward by IFA. Waterford Co-op has not responded to this proposal since that meeting on January 21st in Ennisicorthy.

In light of the present results, I would renew the request to Waterford Co-op to initiate as a matter of extreme urgency fresh milk sampling in at least one area of the Society in conjunction with AFT and IFA.

I would appeal that this procedure be in operation for the month of September. IFA would be glad to discuss this proposal with Waterford Co-op at the earliest opportunity.

Divers Recover Anchor Of "Marchal De Noailles"

History literally came to the surface on Monday, August 18 last, at Minehead, Old Parish, as the huge anchor of the ill-fated full rigged sailing barque "Marchal De Noailles" finally was raised from the seabed near the lighthouse at Minehead.

The trawler "An tOilean Glas," skippered by Tomas O Faolain with divers Paddy Fower, Des Hennessy and John Sowden set about the mammoth task of raising a huge chunk of local folklore from the seabed of the Atlantic.

On Tuesday morning, January 14, 1913, the cruel waters of this great ocean claimed the beautiful "Marchal De Noailles" and dashed her to pieces on the sheer cliff face of Old Parish.

For seventy-three years, seven months and five days this mighty anchor lay in the wild waters of Minehead. The proprietors of "Tig An Cheoil," Micheal O hUallachain and Paula O hUallachain, Ballinagoul, Ring, sponsored the raising of the colossal anchor.

A large crowd waited at Ballinagoul Pier on Monday 18th for the arrival of the "An tOilean Glas" with the anchor in tow and at approximately 3 p.m. the anchor was seen in broad daylight when Fennell's crane lifted it from the seabed at Ballinagoul from where it was transported to "Tig An Cheoil" accompanied by the assembled crowd.

The size of the anchor has to be seen to be believed. It has been decided to dedicate this historical artifact to the memory of the late Willie Hadley who died last week. Willie was to travel on Tomas O Faolain's trawler on this wonderful occasion.

The present intention is to clean up and preserve the anchor and leave it on permanent display outside "Tig An Cheoil" as a reminder to a great seaman. Ar dheis De go raibh a n'anam.

THE STORY OF THE ILL-FATED VESSEL

Early in January the "Marchal De Noailles" left the shores of her homeland, France for the sunny waters of New Caledonia in the South Pacific with a general cargo and a crew of twenty-four.

As she fought her way along the south-east coast of Ireland her fate was sealed as driving wind and rain hurried her to her doom.

Better winds brought about her end as the gallant crew could not get her to wear about. Fog was another deciding factor in the demise of this fine vessel as visibility was reduced to several yards. Just before the fog and mist descended on the ship the Ardmore Coast Guards led by Fr. John O'Shea then the beloved Curate in Ardmore, had observed the crippled vessel and notified the lighthouse keeper at Minehead.

Darkness fell early on this terrible January day in 1913 but no respite was given to those on board the doomed ship. Totally unaware of the torment of the Frenchmen, the Morrissey household at Mon-

(FROM JOHN YOUNG AT BALLINAGOU, RING)

goush, Old Parish, was visited by Charles Mansfield and Fat Keane who were preparing for the monthly trip to Dungarvan Fair. In 1913 the farming community had to drive their animals the long hard road to Dungarvan Fair by foot.

The coastguards requested assistance in bedding down their horses for the night and told the story of the stricken vessel to the startled household.

Word was sent to Helvick Head Lifeboat Station of the vessel's plight. A race was now developing to get assistance to the "Marchal De Noailles."

The Coastguards made all speed down the narrow track to what was to become the final resting place of this fine ship. Down in Helvick a rocket thundered out and the experienced lifeboat crew rowed out around the headland in murky fog and mist.

At the scene of the wreck the Coastguards set up the rocket apparatus as the sound of crunching timbers could be heard below the sheer cliff-face. Rocket after rocket was fired in an effort to get a line on board the vessel. Cries for help could be heard above the sound of the roaring surf.

BREECHES BUOY

Eventually the 'breeches buoy' was made operational and each crew member then ascended the sheer cliff to the safety of land.

In the true tradition of the men who sailed before the mast, the captain with his dog in arms, made the last ascent to the cliff top. Gazing down he saw his fine ship dashed upon the rocks, a total wreck.

The Helvick Lifeboat Crew arrived on the scene as the

"Marchal" crew were lifted to the cliff top but then stood by in atrocious conditions. When the all-clear was given the men from Helvick set course for home.

With deteriorating weather conditions, fears for their safety were expressed at Helvick Pier as they had been at sea for most of the night. However several hours later these fears were allayed when the lifeboat and her exhausted crew were sighted coming around the Helvick Head.

The crew of the "Marchal De Noailles" received warm food and clothing from the Minehead lighthouse keeper and his wife who was a fluent French speaker. They were then conveyed to Dungarvan for a meal at the Devonshire Arms Hotel and after several days they left for home, none the worse for their ordeal.

ABBEYSIDE SCOUT NOTES

HERE WE GO!

This Saturday night (August 30th) sees the beginning of another 4th Waterford scout year as we recommence after our welcome break following this year's annual camp in England. It's a new beginning in more ways than one as due to our increased numbers (link badge scouts) we will have extra patrols (six in all) and extra patrol leaders. So joining our scout year, James, John Whelan and Alan Ryan are Sean Cartwright, Neil Carty and 1985 Scout of the Year, Niall O'Connor, whom we would like to congratulate.

So the message for all scouts is to be down in the 'Den' in full uniform (if you can remember what that is), next Saturday night at 7 p.m.

GENERAL

Even though all scouts were on holidays some of them were still very busy. Michael Cosgrave was trying to 'tip the bucket' in the Pattern; Sean

Cartwright was improving his 'putting' on the golf greens; on the tennis court, Neil Carty was doing a lot of practice while in the world of cycling our own Alan Ryan won the 'Tour of Dungarvan.' (Well done Alan).

The World Cup in Mexico may be over with several weeks but we hear the World Cup reached 'fever' heights in Sea Park last week as Sean James put in many hours of hard work as he put the finishing touches on his national scout award project.

A strange post card arrived in the Village last week, apparently from some 'snoritas,' so if anyone could shed some light on this particular subject I'm sure there would be some relieved venturers and leaders. (Poor old Sean Fitz, seems particularly puzzled).

The scouts weren't the only people busy over the break. Ray and Catherine were squashing (not together though); Sean Fitzgerald was Gaelic training (when he wasn't worrying

about the postcard); Denis was spending a lot of time in Clonea while Joe and Brian went to Tralee to check out the contestants in the Rose of Tralee and in their spare time they managed to go to the James Last concert.

CONGRATULATIONS

The Plus Team would like to extend our greatest congratulations to P.L. Alan Ryan on his magnificent achievement at being selected for the Waterford county hurling panel.

WELCOME TO A TOP CLASS FARM

A farm walk on the farm of John and Mary Colbert, Crossford, Ardmore, runner-up Bord Ealainne/Farmers Journal Dairy Farmer of the Year, 1986, Waterford Co-op Area Winner, will be held on Wednesday, 10th September.

The main features of this farm are:—

- 1. High yielding low cost grass based Spring calving herd.
2. Milk Yields per acre of 1,540 gals., and 1,294 gals. per cow.
3. A Stocking rate of .84 acres per cow and excellent grassland management.

FARM BUILDINGS

A feature of the farm is the low cost farm buildings built with farm labour. He has also installed an automatic scraper system to save labour.

DAIRYMIS 11

John is a member of the local ACOT Dairymis 11 group which gives him monthly record figures of all the input/output variables on the farm and is organised by ACOT-Dungarvan. This group meets 7-8 times per year to discuss current farming technical problems. He also discusses the management figures with his ACOT Advisor—Kevin Barron.

AUTUMN MANAGEMENT

The Colbert herd is Spring calving and consequently, there is scope for extra production of milk in the Autumn. John's Autumn Management will depend on the weather to a fair degree but also will depend on the current quota position at that time.

Assuming that the quota position is favourable, John will feed 3-4 lbs. of meal (14% ration) from the end of September onwards. If as in 1985, there is a shortage of grass, he will feed extra silage from October onwards while having the cows out on grass. Last year he fed baled silage in this period, and this year he has silage in a small pit for feeding.

However, he intends to give his cows a 6-8 week dry period depending on their condition and this may entail feeding some of the later calvers while drying off earlier calvers.

Comments on Lismore Street Competition: — The houses here are, in the main, well maintained as indeed are the gardens with just a few exceptions. Some attention could be paid to open spaces at the back of houses which can be seen from the road and are somewhat neglected and overgrown. The absence of litter was very evident. Overall the appearance of this area was quite good and there has been an obvious attempt by individual householders to keep up a good standard.

LISMORE AND DISTRICT NOTES

HISTORY OF LISMORE

Most people consider retirement as a time to take a well earned rest. Not so Sr. Carmel, Presentation Convent, Lismore, who is the author of a book entitled "Lismore".

Since her retirement from her teaching post at St. Mary's Secondary School she has been busy compiling this very comprehensive 68 page paper back.

As stated in the introduction of her book, this work does not purport to be a history of Lismore, rather it takes us on a guided tour of this area. Beginning with its foundation, she takes us right through to the present.

Printed in Lismore, it contains details of buildings, clubs and associations with black and white prints and a map of two of the area. For anyone wishing to obtain a copy for themselves or for a friend there are copies of most shops and in the tourist office.

LISMORE GOLF NOTES

There was a large turn-out of players for the 1st round of the President's Prize (Mr. T. Cahill) played on Sunday in glorious sunshine. From first tee 9.00 a.m. to 1.00 p.m. an afternoon play continued in line with the well planned time sheet with only the occasional minimal delay. With conditions well suited to the golfers were in the sub-70's. The honour of leading the qualifiers is held jointly between T. McCarthy and P. Walsh, both on 63 netts. The best gross went to T. Murphy with a one under par 68. The qualifying cut off mark was 74 so all competitors within that limit should consult the time sheet, which is now posted in the club house and ensure that they arrive on the 1st tee on time for the second 18 holes on next Sunday, August 31st. Good luck to all the qualifiers in what promises to be a nailbiting finale.

Members are reminded that Friday night will mark the end of the weekly mixed foursomes so everyone is invited to play and join in the social get-together afterwards. The monthly draw will take place at 10 p.m.

Results: Mixed Foursomes — 1st, Ken Madden and Dorothea Lee 28 netts; 2nd, David and Gretta Barry 29; best gross, T. Murphy and D. Cahill 38.

Fixtures: Friday 29th — Mixed Foursomes, Sunday, 31st — Second Round President's Prize.

Ladies: Results — 9 Hole Stroke — 1st, Dorothea Lee 32 netts.

TIDY STREET COMPETITION

The winners of the Tidy Street Competition received their trophies on Friday night last in Lismore Hotel.

Chairman of the Tidy Street Committee, Mr. Peter Dowd thanked the sponsors, Mr. Noel Hickey, Building Contractor and Mr. Dennis Morrissey, T.V. Shop, Lismore; also Mr. and Mrs. Flynn, Main Street for the use of their window to display the entries; Lismore Hotel, Sr. Maureen, Presentation Convent, Lismore; and the local Press.

We offer our congratulations to the residents of Parks Road who are the winners of the Tidy Street competition.

The judge was Mr. Jack Walshe of Bord Falte, whose comments appear in these notes.

Many improvements were envisaged by the committee, said Mr. Dowd. The Co. Council had a five-year plan to improve the appearance of the town. This was only a start and the full co-operation of everyone was needed, he said.

Comments on Lismore Street Competition: — The houses here are, in the main, well maintained as indeed are the gardens with just a few exceptions. Some attention could be paid to open spaces at the back of houses which can be seen from the road and are somewhat neglected and overgrown. The absence of litter was very evident. Overall the appearance of this area was quite good and there has been an obvious attempt by individual householders to keep up a good standard.

Main Street — Unfortunately part of the street have some

very dilapidated buildings and shopfronts in some cases need decoration. Some of the buildings and shopfronts are most interesting and it seems a pity that a better effort could not be made either individually or collectively to carry out better maintenance, painting, etc.

Again the absence of litter was very evident but the overall appearance was somewhat disappointing.

New Street — In parts of this area there has been a very obvious concerted community effort to improve overall appearance to the provision of seating, tubs of shrubs and flowers, grass cutting, etc. The absence of litter was also noticeable. Unfortunately there are still a few derelict sites and evidence that perhaps everyone is not making the same effort to carry out improvements. What has been done however is to be highly commended.

Town Parks — Unfortunately this area is a bit of a mixture. Some people have made a very good effort to keep the appearance of their premises and gardens at a very high standard. Others unfortunately have not leading to a disjointed appearance. With the assistance of the Local Authority overgrown areas could be developed as nature points with shrubs and flowers. Again the absence of litter was noticeable.

Chapel Street/Hospital Lane — There is an obvious difference between the style of housing in Hospital Lane via a Chapel Street and for that reason the appearance and the effort made it somewhat uneven. In Chapel Street some railings require painting and gardens, although they are small, require attention. Some houses need painting. The absence of litter was very noticeable.

The Mall/Chapel Place — Some buildings are very well maintained but one or two semi-derelict buildings take away from the over-all appearance. Some gardens need attention and weeds are much in evidence. Some of the buildings here have great character which could be highlighted. Again the absence of litter was noticeable.

Overall Comment — There has obviously been a tremendous community effort to keep the streets litter free and for this everyone must be complimented.

There is obviously a lot which needs to be done in Lismore in terms of painting, decoration and garden care. The appearance of gardens but these problems are not unsurmountable if everyone would make an individual effort on their own premises or where needs be, adapt the community spirit very evident in New Street.

The town has tremendous character which would lend itself to the Tidy Towns Competition but there is a need for the full co-operation of the community and careful planning in order to achieve success.

A recommendation would be that under the auspices of the Lismore Town Commissioners and in conjunction with the Waterford County Council, a five year plan would be drawn up to tackle the problem areas as they presently exist and that in the near future this would be presented at a public meeting in Lismore at which representatives from Bord Falte and/or Southeast Tourism would be present to do a slide and film show and generally launch the campaign.

WEDDING: WILLOUGHBY-OATES A very pretty wedding took place in the Church of Our Lady Queen of Heaven, Dublin Airport recently, Mr. Brian Willoughby, son of Con and Joan Willoughby, Ballyrafter, Lismore, married Marie Oates, daughter of Noel and Olive Oates, Glasheen, Dublin.

Bestman was Mr. Sean Willoughby, brother of the groom. The bridesmaids were Kathryn, Paula and Noelle (sisters of the bride) and Moira (sister of the groom). Groomsmen were Peter Oates and Mark and Peter Willoughby.

The bride, who was given away by her father looked radiant in a full length dress of raw silk, hand embroidered with seed pearls. She wore a tulle veil with charming tulle and carried a bouquet of pink roses and lilies. The bridesmaids wore pink silk

ballet length frocks with head-dresses of fresh flowers.

Nuptial Mass was celebrated by Rev. Bernard M. Oates, P.P., uncle of the bride, assisted by Fr. Denis Cogan, Maynooth.

Mark Willoughby, Kathryn and Garmel Oates read the Lessons and the Prayers of the Faithful were read by Paula, Noelle and Peter Oates and Moira and Peter Willoughby.

The music for the ceremony was provided by St. Canice's Folk Group. The reception was held in the International Hotel.

Marie's going away outfit was a Kelly green full length coat with matching skirt and blouse. The honeymoon is being spent in Crete.

Both Brian and Marie are serving members of the Garda Síochána. We wish them many years of wedded bliss.

A major Motor Show, featuring the full range of Volkswagen, Audi, Mercedes-Benz and Mazda passenger cars, is to be hosted by O'Brien Bros. (Tallow) Limited from August 29th to September 3rd next.

The Motor Show is being arranged to provide motorists with a last opportunity to buy models from the VW, Audi, Mercedes-Benz and Mazda range before prices are increased to offset the recent punt devaluation. The Motor Show is also being held in conjunction with the famous Tallow Horse Fair Festival.

Managing Director of the company is the popular Austin O'Brien, grandson of the company's founder. Working with him is a first-class sales team all with long tradition in the motor industry. These are Michael O'Shea, Sales Manager, who has been with the company since 1982 and lives in Cork and Salesman Tom D'Arcy who recently joined the company and lives in Dungarvan.

The O'Brien organisation also comprises a full Workshop and extensive Parts and Accessories departments all staffed by highly-trained personnel.

The company has its own in-house Body Shop with self-contained spray booth complete with the latest paint mixing systems.

O'Brien's have a modern approach to business. The sales department is open six days a week and remains open late until 8.00 p.m. every Monday, Wednesday and Friday; Saturday 10.00 a.m. to 5 p.m. In addition to which customers can meet any member of the sales team by appointment.

In addition to their extensive range of VW, Audi, Mercedes-Benz and Mazda models, the company also maintains a large selection of used cars. To-day, nine years following the celebration of their Diamond Jubilee in 1977, the company continues to be well managed in the O'Brien tradition. For customers this means a commitment to expansion through the distribution of quality products and the provision of a customer service second to none. The determination of Austin O'Brien and his team to maintain the tradition set in train by his grandfather at the end of the First World War, is, perhaps, the finest assurance anyone needs to deal with O'Brien Bros. DUNGARVAN CAUSEWAY TENNIS CLUB NOTES

Last Sunday, St. Laurence's held their annual Junior Day Cup. The Causeway sent three teams to represent us with the "A" team winning the cup and playing on that team were Emma Fleming, Judy O'Brien, Rachel Byrne, John Ryan, Trevor Byrne and Patrick Veale.

Also during the week St. Laurence's held their Junior Open Week and once again our juniors upheld the honour of our club with Judy O'Brien winning the u14 and u18 girls singles; John Ryan winning the u18 boys singles and Patrick Veale the u14 boys singles. Emma Fleming and Emma O'Connor won the u14 girls doubles and Niamh Byrne won the u18 girls doubles. John Ryan and Daragh Connolly won the u14 boys doubles and the u14 boys doubles was won by Owen O'Mahony and Patrick Veale. The u18 mixed was won by Emma Fleming and John Ryan; u14 mixed by Judy O'Brien and Joe Haslem. Well played to you all.

We also sent a junior team to Larkspur the previous Saturday and once again our juniors did very well, losing in the final to the Larkspur "A" team and playing for the Causeway were Emma Fleming, Emma O'Connor, Niamh Byrne, Catherine Burke, John Ryan, Trevor Byrne, Kevin Wyley and Luke Brennan. Well played.

We also held our annual "Pattern" Senior and Junior mixed event the previous week with David Walsh and Jill Leo winning the senior event and Trevor and Niamh Byrne the junior mixed. Betty Tutty, chairperson of the Pattern Committee presented the winners with their trophies and thanked all competitors for taking part.

Judy O'Brien selected to play on the Munster Interprovincial tournament on the 15th of August in Belfast did extremely well, winning two out of three of her singles, helping to place Munster second in the tournament. Well played Judy. Judy at the moment is playing in the Fitzwilliam junior open week and we wish her the best of luck.

A few weeks ago the Tramore Senior Open was held and Eamonn Franklin won the men's singles in Section D. Well done Eamonn.

At this point, on behalf of the Causeway Tennis Club, I would like to wish John Melody the very best of luck in Merryhurst, Pennsylvania (U.S.A.), where he has gone to study sports medicine. John is an excellent team player and we will miss him playing for us on our teams.

SPOTLIGHT
 (Continued from Page 1)

Council were not deterred from going on their planned outing to inspect various schemes undertaken and financed by the Council in the Eastern half of the county.

The proceedings started with the holding of the Council's monthly meeting in Dungarvan at 10 a.m. This lasted about one hour and then 20 of the 23 member Council, together with senior officials, left by coach shortly after 11 a.m.

They travelled via Kilmac-thomas and on to Dunmore East before finally returning to Dungarvan where they arrived back at 6.10 p.m. The travellers had a lunch break in Dunmore and returned via Tramore. Luckily they reached base before any serious flooding occurred.

BACK TO SCHOOL

The long summer break for the schools ends next week and for our young boys and girls it will be a case of back to the daily routine of school and studies once more.

It was unfortunate that for most of the two months holiday break sunny days were at a premium but we feel sure that all will return to their studies refreshed if not overjoyed to see the holidays at an end.

THE WRECK OF THE "MARECHAL DE NOAILLES"

Elsewhere in this issue of the "Leader" we carry a story from John Young about the recovery recently of the French anchor of the 3-masted barque, Marechal de Noailles, which is now on permanent display at "Tig An Cheoil" in Ballinagouli, Ring.

The ill-fated vessel, sailing out of Nantes, was wrecked off Minehead in a hurricane on January 14, 1913 (it was a Tuesday) but thanks to the heroism of Fr. John O'Shea who was then curate in Ardmore and to the brave team and helpers who worked the life-saving rocket apparatus, all 24 members of the crew, including the Captain and his dog, were rescued in gallant fashion.

The epic rescue is recalled in a poem composed by Old Parish man John Doyle and this should be an appropriate choice for this corner of the column this week.

A brave French barque appeared in view Well off Dungarvan Sound, Her topsails reefed or torn to shreds, As she was outward bound.

How gallantly she sailed along Amidst the tempest roar, Her leeward tack was far too long Thought the fishermen of Ardmore.

That evening long she struggled on Through seething surf and treacherous sea, But watched were all her sufferings By the Reverend Father O'Shea.

Why does she drift so helplessly? Why does she hug the shore? Her impending fate is obvious now Cried the Curate of Ardmore.

But wind and sea appeared to be Both weighing her down like lead: With stays and foresail swept away, She drifted towards Minehead.

How long she kept afloat at sea It was miraculous it would seem: While the rugged cliffs of Ballymacart frowned on her starboard beam.

Ardmore Coastguards with Chief Officer Bates To them great praise is due, For prompt response to an urgent call To save that doomed ship's crew.

Arise and track across the coast, Her lights across the sea, Coastguard and apparatus volunteer And the Reverend Father O'Shea.

Through sleep and hail and stubborn gale Did in their faces blow, But yonder was that doomed ship's lights And to her they did go.

The storm braved, the Frenchmen saved, From the violence of the sea, By Coastguard and apparatus volunteer And the Rev. Fr. O'Shea.

As I roam through Ireland's isle I will sing and shout encore For the bravest priest, that ever stood On the headland of Ardmore.

And if he was a colonel brave In any La Grande Armeé Then I would be a soldier bold Avec le Padre O'Shea.

TALLOW AND ROUNDBABOUT NOTES

ST. CATHERINE'S G.A.A.

St. Catherine's 4-4; Killavullen 3-5 — This u-12 football tournament at Killavullen last Tuesday evening provided an excellent hour's entertainment as these young lads battled with all their might to win and gain the trophies. Never more than a point or two separated the contestants and it was anyone's game until the dying moments when Catherine's got a lucky break and increasing their lead they held on tenaciously to it to secure the honours.

Catherine's were represented by Des Lucey, Richard Sheehan, Pat Sheehan, Kieran Hickey, Jim Lane, Patrick Fitzgerald, Brian Cotter, Mark Lane, Matt Noonan, John Sheehan, David O'Connell, Eoin Riordan, Mark Spillane, Kieran Morrisson, Richard Cotter, Subs.—Richard Dunlea, Michael Dorgan.

Under-16 Hurling Championship — Sarsfields 3-3; St. Catherine's 3-1 — Although we made our exit from this championship against Sarsfields at Rathcormac last Friday evening we were more than pleased with the performance of our team, especially with their great come-back in the last quarter. Sarsfields were first to score and led by 1-2 to a goal at the midway stage. Still in very buoyant mood they stretched their lead with a fast goal after half time and had a further stroke of luck when they registered another major score and when they raised the white flag again it looked like curtains for Catherine's. They suddenly seemed to take on a new lease of life and hurling with fire and determination a brace of goals came their way and polishing this spectacular streak of play off with a splendid point they strove courageously to crash home that goal but that almost impenetrable Sarsfields defence saved the day and they held on for a two point victory.

Don Kenneally, Dungourney, refereed.

Catherine's line out was — Mike Hartnett, Alan Bryan, Mike Walsh, Phil Bokner, Dessie O'Keefe, Sean Hickey, Kenneth Murphy, Donal O'Leary, Eddie O'Brien, Matt McAuliffe, David Dineen, Joe Scanlon. Subs.—Gerard Morrison and Paddy O'Leary.

The intermediate hurling league in Innscarra v. St. Catherine's billed for Ballynoe last Saturday evening was cancelled at the last minute owing to unforeseen circumstances.

KERRY v. MEATH

After Kerry's rather easy victory over Meath in last Sunday's semi-final of the senior football the question now arises, when will the men from the Kingdom be defeated? They are now in quest of their 30th All-Ireland, while Cork have just four titles. Still before Kerry were mentioned in the Roll of Honour Cork won the premier award in 1890 for the first time with a Middleton selection who beat Wexford in the final and outscored Kerry to win the Munster final at Limerick.

The Middleton selection was — J. Power (capt.), P. Moore, J. Leahy, R. Kelleher, M. Coleman, T. Lacey, J. Fitzgerald, M. Ebdon, T. Downey, R. Power, J. O'Brien, W. Hennessy, M.

Egan, J. Ahern, M. Murphy, M. Buckley, W. Buckley, M. Buckley, Will Hennessy's near relatives live in Ballynoe.

Waterford reached the final in 1898 with an Erin's Hope selection only to be narrowly defeated by Geraldines of Dublin who also defeated Cork drawn from a Fermoy selection on the following year. Fermoy too reached the final in 1906 to be just ousted by one point by a Dublin Kickham's selection and Fermoy were represented by M. Connors (capt.), P. Daly, P. Lennihan, C. Pavey, J. Kent, R. O'Sullivan, W. Mackessy, M. Mehigan, M. Twomey, T. Breen, T. O'Donoghue, J. McCarthy, J. Morrissey, C. McCarthy, S. Murphy, F. Seale, R. Flavin.

The Erin's Hope (Waterford) team of 1898 was — M. Cullinan, J. Nagle, W. Meade, P. Sullivan, J. Nestor, J. C. Hesklin, P. Kirwan, J. Hogan, J. F. Flynn, J. T. Power, J. Kennedy, R. Rockett, D. F. Flynn, S. Curran, M. Dunworth, G. Cummins.

Limerick, of course, won the first senior football All-Ireland in 1887 and as 1893 was the Irish athletes' tour of the U.S.A. there was no All-Ireland. Tipperary won then in 1899 and the Banner County contested the final unsuccessfully in 1917.

Kerry's first win came in 1904 a year after the famous Dungourney (Cork) team won the All-Ireland hurling final.

JACK McGRATH—R.I.P.

People from Tallow and surrounding areas were saddened on hearing of the death of Jack McGrath in Clonmel, where he was domiciled for many years. Jack was the eldest son of the late Nicholas and Mrs. McGrath who carried on a licensed trade business at Main Street, Tallow. From his early years he was imbued with extrovert qualities and was the life of the town and many people who worked with him in later years spoke of his gifted wit which brightened his days for them.

He received his baptism of fire to his hurling years with the local minor team and subsequently the juniors, but his greatest triumph was in 1936 as Tallow senior hurlers contested the county final with Mount St. Mary's. There being a late defection from the team due to injury, Jack was plummaged into the big time and demonstrated his typical courage and skill on the day helping to win the senior crown for the first time for his team and town.

He left the town for years he returned regularly on occasions to visit many of his friends and it was a pleasure to renew acquaintance with him and enjoy his jokes.

To his sisters, Anne, Kathleen, Eileen and Josephine, brothers, Bernard, Willie and Luke, relatives and friends, we extend our deepest sympathy. Solus na bhfaithéas da anam uasal.

The interment took place at 11 o'clock Mass in Tallow to the family plot in the adjoining cemetery, with Fr. Mulcahy and Fr. Walsh officiating at the graveside. Fr. John McCarthy and Fr. O'Flynn were also present.

TALLOW G.A.A. NOTES

Sympathy — The club would like to extend sincere sympathy to the sisters and brothers of the late Jack McGrath who died

in Clonmel on Thursday last. A defender of sterling qualities, he played for Tallow in the 30's and 40's and was at right full-back on the Tallow team that won the 1936 senior hurling championship.

Fellow team-mates on that team as well as present day members of the Tallow club formed a guard of honour as the blue and gold draped coffin bearing his remains was carried into the Tallow church on Saturday night. Many more were present on Sunday morning when he was laid to rest in the church cemetery of his native Tallow.

Fixtures — As we go to press we are uncertain about the dates for our remaining games which are — senior hurling v. Cappoquin and minor hurling v. Lismore. (See G.A.A. page in this issue of "Leader").

Good Luck — The best of good luck to Drom Rovers in the county minor football final on Sunday next. We hope that this might be the first leg of the double for some of the lads.

Congratulations — Congratulations to Leonard Frazer and Kevin Tobin, both of whom were married recently.

TALLOW GUN CLUB NOTES

Tallow Gun Club held its A.G.M. recently in St. Patrick's Hall. Officers elected for the coming season were as follows: President — Bill Beecher (Ballynoe); Vice-Presidents — W. Egan (Kilnaboy) and Tom Beecher (Tallow); Chairman —

CO. BOARD CHAIRMAN'S ADDRESS AT OPENING OF KILMAC' GAA GROUND

The following is the text of the address given by Mr. James Tobin, Chairman, Waterford Co. Board GAA at the official opening of the new grounds of the Kilmac-thomas GAA Club recently.

Today marks a historic milestone in the history of the Kilmac-thomas G.A.A. Club. The acquisition and development of this 10-acre site into a first class playing arena is a lasting monument to those who first conceived the idea, and to all those who through sheer dedication and perseverance brought to fruition what we see before us today.

It is the ambition of every club in the Association to own and equip its own playing field. Throughout this county of ours there is abundant evidence that this has been fulfilled. A club in fact cannot claim to have "arrived" unless and until, it can boast facilities such as those existing here in Kilmac-thomas.

Outsiders often question the wisdom of this Association through its various agencies ploughing so much capital and effort into the purchasing and developing of playing fields. Some in fact will dare to challenge the right of the organisation to proclaim the maxim of "gaelic grounds for gaelic games." Generations of Irish people have steadfastly held firm to a culture that is far from decline. Such a heritage remains a constant reminder to those critics that the GAA was founded to enrich all that is best in our gaelic traditions, and its continued service to the youth of the county is invaluable.

In a remarkable period of time, the Kilmac-thomas Club has progressed from a rather insignificant unit to one of the foremost in the county. This did not come easily, rather it was the culmination of many years of tremendous service and loyalty by a dedicated few, often in the face of severe and seemingly insurmountable difficulties. Many of those life long workers for the club are still inclined to the notion, that what is happening here this evening is some sort of a dream that could diminish as speedily as it arrived. But the solid foundation stone was laid well not today, or yesterday, and properly nurtured, it now stands, a model of what can be achieved when a united community sets its goal and possesses the will to see it through come what may.

One need not be emboldened conversant with the local GAA scene to know that Kilmac-thomas teams are very much to the fore at present. In a fortnight's time another piece of history will be enacted when Kilmac-thomas line out against honours-laden Kilrossanty in

RECENT DEATHS

MISS GRETTA POWER

Sincere regret was occasioned in Dungarvan and district at news of the death of Miss Gretta Power which occurred at an advanced age after a long illness at Our Lady's Hospice, Harold's Cross, Dublin on Thursday, August 21.

The late Miss Power ran Power's Booking Offices in Dungarvan for many years during which she resided in Ballinacourty.

Following Requiem Mass in Our Lady's Hospice Chapel on Monday morning, the funeral took place to St. Laurence's Cemetery, Ballinacourty where the burial took place.

To her bereaved sisters and relatives, deepest sympathy is extended.

MRS. CATHERINE FITZGERALD

It is with sincere regret that we record the death of Mrs. Catherine Fitzgerald, Glasgou, Aglish, which occurred on Tuesday, August 19, at St. Joseph's Hospital, Dungarvan, following a rather long illness.

Kitty as she was affectionately known to all was member of a well known and highly esteemed family. Quiet and reserved, she was most popular with all sections of the community and her death has been the cause of much sorrow to her many friends, but more especially to her sorrowing husband and family, to whom we extend sincere sympathy.

Her remains were removed on Wednesday evening from the Killybegs Home to Aglish Church and were received by Very Rev. W. Callanan, P.P.

Requiem Mass was celebrated on Thursday morning by Fr. Callanan and he also officiated at the burial in the adjoining cemetery, assisted by Rev. P. Fitzgerald, C.C., Aglish, Rev. T. Flynn, C.C., Ardmore and Rev. W. Meehan, C.C., Clashmore.

Chief mourners — Patrick (Pakey) (husband), Richard (son), Carmel (daughter), Noreen (daughter-in-law), Patricia and Stephen (grandchildren); Paddy Mansfield.

BOOK REVIEW

THE MOUNTAIN CAN MOVE

(By Christopher Hussey; Dunesk Press £4.95)

He goes on to advance the idea that the work of undoing the conquest of Ireland and advancing the separatist cause has been done by the popular democracy (termed the Mountain or the Cnoc in the text) of Ireland.

Mr. Hussey's analysis of the situation as he sees it is summed up in the final paragraph of his book which reads: "There is nothing whatever to be gained or salvaged by north or south, for the present or the future, from the past or present heritage of Wolfe Tone and his associates. There is nothing on earth justifies all the fascination with his ideas, if the sacrifices, sufferings and traumas of the last fifteen years of war and advanced have been worthless and wasteful. Wolfe Tone and his ideas will have to be allowed rest in peace, now and forever."

Certainly many of the author's views are most original and his literary style makes it easy to get to grips with what could otherwise be described as a 'dry' subject.

In an interview with Mr. Hussey, he informed us that he would be prepared to justify his analysis of events past or his suggestions for the future to any group of interested people at any debate or discussion, whether formal or informal.

"The Mountain Can Move" is on sale locally at the Book Shop, O'Connell St., Dungarvan.

DEATH OF MRS. BRIDIE KELLY IN LONDON

It is with deep regret that we record the death of Mrs. Bridie Kelly, 15 Lynette Ave., Clapham South London SW4, which occurred rather unexpectedly recently in London.

Wife of Mr. Tom Kelly, formerly of Upper Helvic, Ring, to whom we extend our sympathy, the late Mrs. Kelly was a member of the Hickey family of Glenore, Dungarvan. The Kellys have been almost half a century in London but were regular visitors home to Dungarvan and Helvic down through the years. She was sister-in-law of Mrs. Polly Kelly, Whelan and Miss Maggie Kelly, Ballinacourty, Ring to whom, as well as to the members of her bereaved family and other relatives, deepest sympathy is also extended. The obsequies took place in London.
