ed at Fraher Field on Sunday, has left the situation a little confused at the time of writ-ing since three matches are now fixed for Cappoquin and only one for Fraher Field. It was considered possible after the County Board meeting on Monday night that the Clashmore/Kilgobinet Western junior hurling final could be switched

to Dungarvan, leaving two games at both venues. Should there be a change before going to press, an effort will be made publicise this.

BRICKEYS v. KILLURE/ BALLYTRUCKLE Because of the amount of championship activity in the West, divisional champions, Brickey Rangers are likely to lack the support that would otherwise be given their bid for this intermediate football this intermediate football county title at Walsh Park on Sunday. They play Killure/Bal-lytruckle who came as favour-ites to the Fraher Field for last year's county final, but who were well and truly beaten by Dungarvan.

When they set out on the road this year, they received a big set back when losing to Gaultier in the first game. Odd-ly enough it was Gaultier whom they met and defeated in the Eastern final a few weeks ago. Eastern final a few weeks ago. Their first game defeat was the only occasion on which they lost and in beating all others they showed good form and a couple of their displays were described as brilliant. They have many fine footballers in Eamon. Michael and Peter Reid, John Cleary Bichard Tubrid John Cleary, Richard Tubrid, Jim and Anthony Browne, etc., who will try to make sure that

they are not caught out in two successive county finals. Like their opponents, Brickeys didn't have a good start to their year either and suffered a first round defeat by Shamrocks. That was their only beating, al-though there have been times during the year when they look-ed very much like being beaten. There is no doubt about the fact that the quality of their game has improved immensely and the manner in which they defeated An Rinn, Ardmore and Sliabh gCua left no one in any doubt about their entitlement to wear the Western intermedi-which the league style arrangeate crown.

If experience means anything, Kill will have a lot going for them as five of the team who won them the county championship from Abbeyside in 1966, will again be in action here.

Modeligo were pipped in last season's divisional final by Vil-licrstown, but made no mistake this season when playing in the final against their neighbours, Clap Boyers Glen Rovers.

In the wake of so much football competition, it will be dif-ficult enough for the Western champions to adjust to hurling in so short a time, but there are occasions when this could be an advantage. The lay-off could have the effect of increasing their appetite for the game and hopefully, this is how they will find things. Regardless of which side wins here, the victory is sure to be a popular one, but while no one will begrudge Kill another title, all Western support will root for Modeligo

Kill are the favourites as they are probably the more as they are probably the more experienced team, but Modeligo must be given a fair chance of taking their first hurling title.

There can be very little hope for the future of these compe-titions following the disgusting scenes on television on Satur-

RESULTS News of our splendid win against hot favourites, Laois in the National League on Sunday last made very exciting news around the county and over-night it seemed to lift the gloom which surrounded our county hurling for the past few years. It was a wonderful start to the league and something that wasn't quite expected, even though the preparation for the game was very thorough and well monitored by the selec-torial team of Tony Mansfield, Phil Fanning and Ollie Wilkin-son. One former county selector who was at the game told me who was at the game told me that what impressed him most of all, was the attitude of the players all through and the manner in which they rallied, having gone well in arrears at one stage. This new attitude and dedication must bring hope back to the county, now that we know that Waterford hurthat

# HISTORIC DOUBLE FOR MODELIGO

### Modeligo 1-7; Stradbally 0-2

There were unbridled celebra-tions at Fraher Field, Dungar-van as Modeligo completed the second leg of a historic first double when they took the Western junior football title with a good 1-7 to 0-2 win over Stradbally in their final reptay on Sunday last. The sides finished level at 1-7

The sides finished level at 1-7 each on the previous Sunday but while Modeligo registered the same score last Sunday the Covemen could only muster two points, one in each half and both from placed balls. Modeligo fully deserved their win and the title. The game was disappointing and the standard of football rather mediocre but the large crowd of Modeligo supporters (there was a very good atten-dance), certainly enjoyed the game and more especially the final result. Stradbally had the wind in the first half but failed to take advantage and found them selves trailing 0-2 to 0-1 at the break. Both sides missed chan-ces in this half with Modeligo registering eight wides as against five for Stradbally. Modeligo were blessed with luck four minutes into the sec-ond haly when they were pre-sented with an own goal The ball was lofted in by Liam Power and full back Bob Wal-ker deflected it past keeper Bill Dunford while attempting to clear. It was a tragic mishap for Walker, who, despite having an injured arm, played superbly throughout. The picture for our "Remembering Other Days" series this week recalls the glory days of other years when Waterford was in the forefront of the hurling counties. It shows the heroes of 1948-members of the Waterford minor hurling team, Michael O'Connor, "Paidneen" O'Connor, Mick Kelleher, Michael Hogan and Mick Flannelly who captained the team being shouldered from Croke Park following the county's 3-8 to 4-2 victory over Kilkenny in the 1948 All-Ireland final. During this period a number of employers granted a payroll deduction facility to their employees, in favour of the Credit Union, and for this facility the Union exing months, the group studied the principles and workings of the principles and workings of the organisation, with the as-sistance of personnel from Wa-terford Credit Union and the Credit Union League of Ireland. The early days (or night) of the Union were spent in the Courthouse, where in a small room, members were enrolled and deposits were taken by the organising Committee and other voluntary helpers. As I gaze from the bridge to the glen down below I can see the rock pools where

we played years ago The old chestnut trees we tried so hard to climb In that wonderful world 1 thought once was mine.

We were young and had freedom to roam all around In the fields where the clovers and mushrooms were found In the woods that embraced the old town like a shawl And the spire of St. Carthage looks down over all.

The cries of the kids down the glen I can hear Only add to the peace and quiet I feel here.

I will stroll down the grove and look out o'er the inch see the wild fuchias bloom, hear the call of the finch The things I once did not so
