## PENSMAN TAKES YOU behind the SPOTLIGHT

### WORK OR DOLE?

At last week's monthly meeting of Waterford County Council, Cllr. C. O Riain drew attention to the fact that a big number of young forestry workers in his area in the Nire were being let go despite the fact that the forester-in-charge stated that there was plenty of work to be done. Many of these were married with financial commitments, including newly-built house mortgages, to meet. Cllr. O Riain rightly said that this was a very sad situation and the men involved were heart-broken because of the plight in which they now found themselves.

The reason given for throwing these men out of work was that there was no money available to continue paying their wages.

Cllr. O. Coffey stated that a similar situation had arisen in his district of Kilrossanty and Kilmachomas.

The Council then unanimously supported a resolution which called on the government to make additional money available to the forestry department to enable these workers to be kept on in employment rather than have them put on unemployment assistance and having to sign on at a Labour Exchange or as many would term it, put on the dole.

If any of these forestry workers are married with families the cost of keeping them while idle can almost be as high as the cost of keeping them at work. The great difference is that while employed they would be giving a valuable return to the State. In addition it would be good for the morale of the workers as nothing can be as soul-destroying for a person as having to go on the dole.

One woman whose husband was recently faced with a period of unemployment summed it up succinctly when she declared that "he would do anything rather than go on the dole."

With almost 250,000 unemployed at present in the country and emigration as rife and as common place as it was in the 40's and 50's, the winter which we are now into will prove bleak and disastrous for many

before Spring comes round again.

For those out of work with no prospects ahead and for those whose security is being threatened by back-breaking taxation and the almost overwhelming tide of rising costs it is of little or no consolation to say that unemployment is now a worldwide phenomenon. Someone with courage to break away from the present systems which have brought the economy to its knees is required to be matched by a society which will no longer aim to live at a level which it cannot afford.

### NEW GARDA STATION

We learn that the new Garda Station at Youghal Road, Dungarvan will be officially handed over by the Board of Works to the Garda Authorities on this Friday. The new building has, in recent months, been a target for stone-throwing vandals and its many windows have been smashed on several occasions. Perhaps this will now cease.

The red-brick building will now be an imposing landmark at that entrance to the town. Over its main entrance it carries, in large metal letters, the single word 'Garda'.

At a recent meeting of Waterford County Council Cllr. Jim Hartly remarked on this, stating that he was rather surprised that, as in all other cases, the full title of 'Garda Siochana' had not been used.

### VANDALS AT ABBEYSIDE

Reference to vandals reminds me that last week a number of residents at the New Line, Abbeyside had their cars damaged to varying degrees by after dark prowlers.

The cars, parked mostly along the roadway overnight, had windscreen wipers torn out and radio aerials dragged from their sockets and knotted. Many of the cars were new or comparatively new and the owners, rightly, feel very aggrieved by such vandalism.

## PICKETERS LAUGHED AT ME SAYS LADY COUNCILLOR

A number of Council tenants who are members of NATO mounted another picket protesting against the special water charges outside Dungarvan Town Hall in Friary Street last Monday night prior to the commencement of the usual monthly meeting of Dungarvan Urban Council.

In the course of the meeting the sole lady member of the Council, Cllr. Mary Dixon stated that as she arrived at the Town Hall all the picketers laughed at her and she took exception to this. "I will not stand for such discourtesy," she said, "as I am an elected representative on this Council and while I am here I will be treated with respect." Adding that those on the picket were quiet until she came along she said that they all then started to laugh.

When she directed her remarks to Cllr. T. Wright, the latter asked "why pick on me?" Cllr. Dixon replied, "you're the only one here now who was outside with the picket when I came along."

Cllr. Wright then stated that there had been no organised attempt by the picket to ridicule any member of the Council or anyone else. "We were all in a happy mood and I make no apologies for taking part in a public protest against double taxation," he said.

Turning to Cllr. Dixon he said "I wouldn't say that anyone on the picket was laughing at you." Cllr. Dixon rejoined that she had been elected as an independent member of the Council and she would make her own decisions as she saw fit. "I don't mind what these pickets do and as far as I am concerned they can laugh till they're blue in the face," she said.

Cllr. B. Cotter thought that such pickets achieved nothing as they would not induce him to change his mind on anything.

## CALL ON E.S.B. TO PROVIDE FREE CONNECTIONS

A proposal to request the E.S.B. to provide connection of current free to new house owners was made at the November monthly meeting of Waterford Co. Council by Cllr. Patsy Kenneally.

Cllr. Kenneally said that he had received complaints from a number of young couples who had built their own houses and who were then faced with massive bills for the connection of current by the E.S.B. "This is most unfair," said Cllr. Kenneally, "as all these new houses are a source of extra revenue to the E.S.B. and the connections should be free on that account."

Cllr. M. O'Riordan seconding the motion said that the fees charged for the connections by the E.S.B. were savage and could range from £1,000 to £1,400 per house.

The proposal was passed unanimously.

## LISMORE CANAL TO BE CLEANED

At the November monthly meeting of Waterford Co. Council in Dungarvan, Cllr. W. McDonnell suggested that the Council should consider cleaning the half-mile stretch of Canal from Ballyrafter running alongside the Lismore-Cappoquin road, erecting a walk-over bridge and putting a pathway with two seats there for the benefit of local people and tourists. He further suggested that the work involved be carried out under the Social Em-

ployment Scheme.

Mr. B. J. McNally, County Secretary pointed out that it was planned to carry out this work but it had been held up pending the receipt of permission from the owners, Lismore Estates.

The County Engineer, Mr. John O'Flynn said that they would now have to await the return of fine weather before undertaking this work and he had put it on the list of projects to be carried out next summer.

## SIGN POSTING NEEDED AT KNOCKBOY GRAVEYARD

Speaking at the November monthly meeting of Waterford Co. Council in Dungarvan, Cllr. C. O Riain said that the graveyard at Cnoc Bul (Knockboy), Ballinacorney should be sign posted at the main Clonmel, Dungarvan road and also inside the graveyard. He said that this was an ancient graveyard going back for centuries but many people found it difficult to locate.

Cllr. J. Fahey, T.D., seconding the motion said that he had been embarrassed lately when he went to a burial there and was unable to find the graveyard.

Cllr. P. Coffey remarked amid laughter, "I didn't think there was a graveyard in the county which Deputy Fahey didn't know!"

The County Engineer, Mr. John O'Flynn said that he would look into the matter.

# Proposal To Extend Existing Town Dump Approved

By 6 votes to 3 Dungarvan Urban Council at their monthly meeting last Monday night approved a recommendation of the County Manager, Mr. Dan Hurley (who was not present) to extend the existing town dump at Ballinacorney as a very short term solution to this problem.

In the course of a report on the matter Mr. Hurley said that as the whole southern side of the entrance road to the dump was now completely utilised it had been found necessary in the previous week to refuse to accept material from the local tannery.

"Closure of the dump for ordinary waste disposal is inevitable by the end of the current year unless an alternative dumping site is made available," stated the report which added, "I have investigated many proposals to eliminate this vexed question of an alternative site and have come to the conclusion that the solution to the problem lies, in the very short term, in the limited area of the western end of the site proposed by An Foras Forbartha. This land was acquired in 1978."

The Manager's report then stated that this should be sufficient to provide for controlled dumping for a 2-3 years period. The area could be monitored on a regular basis to provide instant feedback on the situation at all times.

Accompanying the Manager's report were letters from the Managers of all the local industries, the creamery and the supermarkets expressing their concern about the proposal to close the dump. Chairman, Cllr. D. Goode, said that the Council would have to be realistic and take serious note of these letters. All the industries concerned were providing many jobs and a lot of bread and butter for families in the town. He thought the extension of the dump would be enough to service the town for a number of years.

Cllr. Mary Dixon agreed that this was the only sensible thing to do as she never thought that a dump would be suitable for the extension of the site suggested by Cllr. Walsh. "We must take all these letters into consideration as these firms are providing a lot of bread and butter for the town," she said, adding, "that would be better than sullying a few fishermen who pollute the river. Pollution will be polluted by the extension."

### BEING RAILROADED

Cllr. R. Walsh claimed that the Council was now being railroaded into a decision about the dump. It was a position that stinks and he could not help it if a chance of a lifetime for this generation was being lost by the Council's refusal to approve of his proposal to locate a dump at Western Bay which could be used towards reclaiming the area.

Cllr. P. Power said that while he was not too concerned about the claim of a few fishermen that the river would be polluted by this extension he was concerned about the pollution that could build up in the bay.

Cllr. Dixon then proposed and the Chairman seconded that the Manager's proposal be approved.

Cllr. A. Hallahan pointed out that the reports of the professional experts of An Foras For-

bartha and their own Engineers all stated that with the controlled dumping that was proposed, pollution would be minimal. "If we can't rely on their opinions now how can we trust them in any other instances in the future," he asked.

Cllr. Hallahan added that the existing dump site was ideal for the town and was the only one at present available. He thought that the fishermen would find in time that the dump would be very properly dealt with and controlled.

Cllr. M. O'Riordan said that he would vote to give the Council an opportunity to see that dumping would be carried on in the controlled manner indicated which would be acceptable to everyone.

Mr. J. O'Flynn, Co. Engineer said that if the tip-head was operated in a controlled manner at the dump he could not see how pollution could take place in the river.

Cllr. B. Kyne said that he would be opposed to the proposal as the commitment to ex-

amine an alternative site had not been pursued and the Council was now being forced into a decision to accept this latest recommendation.

Cllr. T. Wright said that he was totally against the Manager's proposal. On a vote being taken the Council then agreed to approve of the Manager's recommendation by 6 votes to 3 and it was further agreed that in the meantime steps be taken to locate a suitable alternative site for a new dump.

## Fahey Motion On Special Charges Defeated

A motion proposed by Cllr. Jackie Fahey, T.D., and seconded by his son Cllr. Sean Fahey at the November monthly meeting of Waterford County Council was overwhelmingly defeated being supported only by the proposer and seconder.

The motion asked the Council to ensure that the charge for domestic water does not exceed £25 per household and that the charge for domestic refuse collection be kept at its present level.

The motion arose towards the end of the meeting and Deputy Fahey suggested that as time was running out it might be better to adjourn it until the next meeting. However, when a number of members objected to such a course, Mr. Fahey agreed to have the motion discussed.

He then proceeded to propose the motion in a speech that lasted almost ten minutes and said that he had tried unsuccessfully last year to have these charges abolished. Motions on the situation which he proposed at that time were defeated on three occasions and this being so he then accepted it as the democratic decision of the Council.

The motion which he now put before the Council asked that £25 be the 'max' charged for water while the refuse collection charges would be kept at present levels. He made the proposal as he considered that a more fair and reasonable but it did not mean that he had changed his attitude about abolishing the charges altogether.

Deputy Fahey then went on to speak at length about the various services such as roads, house building and water and sewerage schemes which had been left run down or left undone by the Council over the past year.

Cllr. Sean Fahey formally seconded the motion.

Cllr. C. O Riain said that in proposing the motion, Mr. Fahey had merely made a party political speech as he didn't really give a damn whether it was passed or not. "I'd like," said Cllr. O Riain, "if we could dispense with these charges completely but we can't as we have been told by the Manager that Council workers would be left go off the roads if the service charges were not approved." He added that he thought members of the Council should not, in the circumstances, be going about telling people not to pay the charges.

Cllr. B. Kyne was also highly critical of the motion stating that Deputy Fahey knew that the Council's annual estimates meetings was the place to decide such matters but despite that said Cllr. Kyne "he has again brought out this joust."

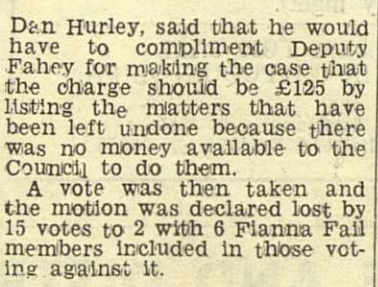

Cllr. Kyne went on to say that in bringing this motion now, Deputy Fahey had shown that he had changed his position in regard to the special charges but with the greatest respect if he was a democrat he would leave the decision up to the Council's estimates meeting.

"He can write letters to the papers," said Cllr. Kyne, "and say that he tried to have the charges reduced but he should put in a P.S. to say that at the last estimates meeting he didn't vote for the service charges but neither did he vote against them."

### HOT AIR

Cllr. W. McDonnell described the Fahey motion as "a lot of hot air." He said that Mr. Fahey proposed it just for the publicity it would give him and added "the motion is not only unfair to the members of Mr. Fahey's own party but to all the other members of the Council as well."

In his comment on the motion, the Co. Manager, Mr.

Councillor Jackie Fahey, T.D.

## Incisculate Dumping In Cappoquin

Cllr. J. A. Walsh, Chairman, proposed at the November monthly meeting of Waterford Co. Council that the Council take positive steps to end dumping in the Twig Lane area of Cappoquin as the Park area there was being despoiled.

Cllr. Walsh said that indiscriminate dumping was now going on at this point and people should be stopped from doing this. "The place is taking on a ramshackle look as a result and steps must be taken to put an end to this kind of dumping," he said.

Mr. John O'Flynn, County Engineer stated that he had the matter in hand and the necessary steps were being taken.

Referring to a motion in the name of Cllr. Brian O'Shea that litter bins be provided at Allen Street, Cappoquin, the County Engineer said that a number of litter bins had already been put in position there but as these were not fully utilised he saw no need to put any more there. However he

said that he would keep an eye on the situation.

## TRAGIC END FOR "FOUR PLUS"

"Four Plus" owned by Mrs. Michael Kiely, Ballinacorney, Dungarvan and trained by Michael McGrath at Cappagh started 9/4 favourite for the £5,000 Bennettsbridge Chase (2m. 4f.) at Thurles last Thursday but never got in a blow throughout the race and when he returned to the enclosure and was being unsaddled he collapsed and died.

This was a tragic end for a horse which had such great promise and is a big blow for the Kiely family.

Recent Deaths

MR. EDWARD (EDDIE) HEALY

Sincere regret was occasioned over a widespread area of West Waterford by the death of Mr. Edward (Eddie) Healy, Ballybane, Cappoquin, which took place at the District Hospital, Dungarvan, on Tuesday, November 11.

The late Eddie Healy was a much respected and highly esteemed member of the farming community. A man of quiet disposition but of strong character he proved a loyal friend and a good neighbour throughout his long life to all who had the privilege of knowing him.

As a young man he was actively engaged with the West Waterford Brigade Old I.R.A. and always held firm to the national ideals of those times. He was keenly interested in Gaelic games, particularly hurling and was a regular at many of the games while in more practical terms he was also a great supporter of the various ploughing matches where he loved to meet his many friends to discuss old times as well as current affairs.

A man of fine physique his outward appearance belied his age of more than four score of years until his health failed some time ago. His death even in the fullness of years has been the source of deep sorrow not only to his loving wife, family and relatives but also to his many friends to all of whom we now extend deepest sympathy.

The remains in a coffin draped in the tricolour were removed from the Kiley Funeral home, Dungarvan to Afane Church on Tuesday evening accompanied by a very large cortege of mourning relatives and friends. They were received by Rev. Fr. Purcell, C.C., Modeligo, with whom was V. Rev. Fr. M. Russell, P.P., Newcastle and Mass then followed by Very Rev. Fr. Barron, P.P. Modeligo was the celebrant of the Requiem Mass on Wednesday at 2 p.m., following which the interment took place in the adjoining cemetery in the presence of another very large

gathering of family mourners and friends. Chief mourners were - Mrs. Kitty Healy (wife), Billy (son), Margaret (daughter), Barry Foley (son-in-law), Conor, Brian, John and Mark Foley (grandchildren), Paddy and Michael Healy (brothers), sisters-in-law, relatives, etc., etc.

MR. THOMAS DEE

It was with feelings of profound sorrow and regret that the news was learned last week of the tragic sudden death of Mr. Thomas Dee, Ballycoo, Dungarvan, which occurred when he collapsed while he was walking in O'Connell Street on Tuesday, Nov. 11.

Thomas was a well known personality in the locality. He was in his 94th year and his unexpected passing came as a great shock to his many friends but more especially to his family and relatives to whom we extend our deepest sympathy.

His remains were removed on Thursday evening from the District Hospital to Kilgobnet Church and were received by Rev. P. Butler, C.C., assisted by Very Rev. M. Canon Farrell, P.P., Abbeyside and Rev. P. Ahern, C.C. do. Very Rev. R. O'Doherty, P.P. celebrated the Requiem Mass on Friday morning and also officiated at the burial in the adjoining cemetery, assisted by Rev. Fr. Butler, C.C. Chief mourners - Noel, Dick and Liam (U.S.A.), brothers, Nora (sister), Valerie and Brenda (sisters-in-law), nieces, nephews and a large circle of relatives and friends.

MR. KEVIN O'SULLIVAN

A great gloom was cast over the entire Villierstown area on Friday last, Nov. 14 when news became known of the sudden and unexpected death of Mr. Kevin O'Sullivan which occurred on that day.

Deceased had been a well-known member of the community whose quiet disposition won for him the esteem of all who came to know him.

He will be sadly missed by all but more especially by his sorrowing daughters, son, sister, son-in-law, grand-children and relatives to whom we extend deep and sincere sympathy.

His remains were removed on Saturday evening from the Kiley Funeral Home to Aglish Church and were blessed and carried by Very Rev. W. Callaghan, P.P. A Requiem Mass was offered up for the repose of his soul after which the interment took place in the adjoining cemetery. Very Rev. Fr. Callaghan, P.P. who celebrated the Mass also officiated at the graveside assisted by Rev. P. Fitzgerald, C.C. and Rev. D. Ormonde, O.S.A.

Division 2 - Killeagh 3 Grange 3 Cappoquin 1; Glenview 5 Youghal 2; Ballyduff 1 Inch 0; Youghal 4 7.

These results leave the top 3 places unchanged in Division 1 Ardmore lead with 13 points from 7 games followed by Killeagh with 8 points from 6 and Cappoquin with 7 from 5. Lismore and Shamrocks are tied both on 5 with the remainder on 4 and Modeligo at the bottom on 2.

The "Game of the Day" at Ardmore was something of an anti-climax with no goals on a goal-swept pitch. Claims from both camps insist that it could have gone their way but, secretly, neither will be too unhappy with a division.

Nice to see Affane continue their good form with rewarding displays from the younger players.

There are new leaders in Div 2, with Youghal A on top with 11 points from 6 games. They are followed by Ballyduff with 10 from 7 and Glenview with 9 points from 6. 3rd are Youghal B with 7 points from 5 games.

The only local game on Sunday last was the second division meeting of Cappoquin and Glenview at Saterbridge. This time it ended in a deserved and very decisive win for Glenview but for the neutral spectator it was a disappointing scrappy game with the ball being bounced from end to end and very few skilful ground movements developed by either side.

Cappoquin opened brightly and took the lead when Stephen Mason forced a cross from corner to be headed in by John Sheehan's neat post for the best score of the game. They should have had a second shortly after but, lost possession when it seemed easier to score and this was very much their last hurrah. From then on the game belonged to Glenview and once Rhiney Walsh equalised, the certainty in the Cappoquin back four which was visible from very early on developed into an epidemic.

With the hill in their favour Cappoquin were by no means out of it at half time but it was Glenview who went ahead with goals from Rhiney Walsh, Jimmy Power, Aidan Power (penalty) and John Greene and as the tally against them mounted their defence totally collapsed and only the late arrival of Michael Lacey restored some sanity.

Glenview were now visibly in control throughout the field with Aidan and Martin Power, Rhiney Walsh and Jimmy and Gerard Power always very prominent. Sadly a note of acrimony crept in from time to time and referee Michael Walsh had his work cut out to restore some discipline.

Glenview will be happy with this good win but it was a pity to remember and a point that we have made so often previously that playing soccer without linesmen performing their full function brings the game to the borders of farce. Further, too much effort from both sides was vocal rather than physical with some notable exceptions. Cappoquin will want to forget this one and only Michael Lacey, Shane Fraher and Pat Cullen made a reasonable contribution.

Cappoquin were by an older and wiser head to calm things down at the right moment, was again very obvious. Glenview can do well and next week's home game at Carrignagour with Youghal A will be a vital one for them.

CAPPOQUIN BILLIARDS AND SNOOKER CLUB

Widening Of Pockets - We must begin this week's notes with the welcome news that the pockets on Table No. 2 have been widened and should make for much better and less frustrating play in the future.

Divisional Snooker League - This week, we begin our annual divisional snooker league. The league begins its third year and I'm sure with the full co-operation of all the players, will be even more successful than the two previous years. The divisions are smaller this year with only six players in each. There are five divisions and each player will play a total of ten games. The only notable changes in the rules from last year is that this year, there will be no promotion or relegation but the top two players in each division, at the end of the league, will play a league final.

We also advise players to make full use of the timesheet which is now available for the smooth and efficient running of the league. The following are the players of each division with handicap in brackets:- Div. I - C. Barry (+7), P. Casey (-5), E. Costin (+5), L. Costin (+3), C. O'Leary (-6), R. Walsh (-4), A. O'Keefe (+8), J. Colander (+8), J. McGrath (+7), T. McNamara (+8), M. Power (+10), J. Walsh (+10), T. McCarthy (+12), J. Noonan (+12), A. O'Keefe (+10), D. O'Leary (+10), J. Quinn (+10), Div. II - B. Casey (+12), D. Cummins (+13), M. Noonan (+15), A. Power (+12), J. Sheehan (+15), C. Uniake (+12), Div. III - E. Fraher (+20), P. Kieley (+20), Jimmy McGrath (+18), K. O'Reilly (+20), S. Power (+20), T. Power (+20), D. Cummins (+13), M. Noonan (+15), A. Power (+12), J. Sheehan (+15), C. Uniake (+12), Div. IV - E. Fraher (+20), P. Kieley (+20), Jimmy McGrath (+18), K. O'Reilly (+20), S. Power (+20), T. Power (+20), D. Cummins (+13), M. Noonan (+15), A. Power (+12), J. Sheehan (+15), C. Uniake (+12), Div. V - E. Fraher (+20), P. Kieley (+20), Jimmy McGrath (+18), K. O'Reilly (+20), S. Power (+20), T. Power (+20), D. Cummins (+13), M. Noonan (+15), A. Power (+12), J. Sheehan (+15), C. Uniake (+12).

Fixtures for the first week which runs from Monday, Nov. 17th to Sunday, Nov. 23rd, are posted on the notice board and

players are especially asked to note that all games must be played within this date or else they may suffer the loss of one or both points. Entry fee is £2 and please consult notice board to see which one of the three tournament committee members must be paid.

Perpetual Trophy (J. J. Landers) - The draw for our annual doubles tournament was made and is as follows - B. Casey and P. Kieley, M. Power and L. Costin have received byes in to the quarter final.

The remaining six first round matches are - A. Power and S. Power v. A. O'Keefe and J. Quinn, E. Bergin and T. Power v. P. Casey and T. McNamara; M. Cahill and D. O'Leary v. T. McCarthy and P. Bergin; C. O'Leary and R. Walsh v. E. Costin and J. Noonan; E. Fraher and Con Uniake v. J. McGrath and J. Sheehan; J. Colander and D. Cummins v. J. Walsh and Jimmy McGrath.

All matches are to be played on or before this Sunday, Nov. 23rd, or else one or both pairings will be disqualified. Entry fee is £1 and must be paid to people stated on notice board.

Visitors Fee - We have introduced a visitors fee for non-members who wish to have an occasional game. There is an extra 25p charge for any visitor on the present 25p fee for a game.

Membership - It's great to see some of the former members back in the hall after an absence of many years but it would be even better to see many more of them in the hall. Those who have rejoined will tell you that the playing conditions have never been better with two excellent tables, so why not give it a try.

WELL REPRESENTED

Due to the County hurlers playing Mayo in the National Hurling League and the Munster Club football final in Dungarvan, our annual general meeting has been postponed from Sunday, Nov. 23 to Sunday, December 7, in St. Mary's Hall at 2 p.m. sharp.

SYMPATHY
The club wish to extend sympathy to the Dower family, Creggs, on the death of William Dower and to Patrick Buckley, Graigue, on the death of his mother, Mrs. Catherine Buckley, Whitechurch. May they both rest in peace.

MEMBERSHIP FEES
Membership fees for the coming year 1987 should be paid to the treasurer. The new year starts the day of our annual general meeting and the fee is £3 for the year.

UNDER-14 FOOTBALL
St. Anne's Secondary School, Cappoquin, scored a great win over St. Augustine's, Dungarvan in the Colleges under-14 football recently. Playing on the victorious team were Noel Downing, Willie Coughlan, Brian Hallahan, Mickie Ware and Christy Lombard, all up-and-coming Geraldines players. For the past few years these players won every honour in hurling and football at Primary School level.

SYMPATHY
Sympathy is extended to Connie O'Sullivan and the O'Sullivan family on the sudden death of Kevin O'Sullivan, Villierstown, which sad event took place at the weekend. May he rest in peace.

MONSTER 45 DRIVES
Two Monster Progressive 45 Card Drives will take place in the Muintir Na Tire Hall, Aghlish, in December. The first one is on Friday night, December 5 and the second one on Christmas night, December 25. (Advt.)

NEW PEACE COMMISSIONER
Congratulations to Mary Anne O'Riordan who was appointed a new Peace Commissioner during the week. She is wife of our football trainer and committee member Tom O'Riordan. Good luck with your new job, Mary. - P.R.O.

making an impact at inter-county level in this minor grade next year and it is to be hoped that all the players concerned will put in the maximum effort required. No doubt further trials will be held in the future and we will be hoping that our players will remain in contention for places on the eventual final county panel.

BUSY TIMES
These are extremely busy times for the club executive. Several ultra important meetings have taken place over the past few weeks and again on Monday night last a selected sub-committee was engaged in crucial talks.

Meanwhile it has been confirmed that December 16th is the date of the annual general meeting which will, as always, be preceded by Mass for all deceased members of the club. The details will be included in future weekly columns when they have been finalised.

MEDALS PRESENTED
Our Under 12 Bord na nOg football league winners in the 'A' section were recently presented with their medals at the C.S.S.

The distinction of "doing the honours" went to club president Brighidin Ni Croisoir, and in congratulating the boys on a marvellous achievement she urged them to continue playing the games in the blue jersey of Dungarvan.

ON HURLING PANEL
Our "flying winger" Dermot Callaghan deservedly retains his place in the Waterford panel for Sunday's National Hurling League game against Mayo at Fraher Field.

Although Dermot hasn't been called into league action to date, everyone in the club is certain he will prove his worth in exciting fashion if, and when, the selectors "give him the nod." Meanwhile congratulations on the county team on the excellent league results this far and here's hoping they'll register another important win on Sunday.

ON THE MEND
The crisis injury situation which shrouded the club for so long during the year is steadily lifting, and we can look forward to the return of most, if indeed not all, of our "walking wounded" in 1987.

It is particularly pleasing to see that Peter Queally has now discarded his crutches, and we know that his broken leg has all but completely "mended." Flaster casts have also been discarded by Pa. Meehan and Joe Burns, while the news of the two Davids—Burke and Power—is equally encouraging.

FOR THE RECORD

Last week we paid due tribute to the boys of the CBS on winning the "A" Under 13 Primary Schools football championship in West Waterford.

Now, for the record, we publish the team that brought further honour to the CBS and to our club. Niall Considine; Brendan Cullinane, Tom Morrissey, Conor Murphy; Dwayne Moore, Laurence Boyle, Damon O'Flynn; Eoin Cunningham (capt.), Liam Hurley; Jonathan Moore, Tomas Condon, David Whelan; John Donnelly, Raymond Ryan, Christopher Curran. Subs.: Karl Barry, John Joe Donaghy, John Power, Tom Curran, Brian McDonald, Shane Curran and John Flynn.

STARRED FOR WATERFORD RTC
Dermot Callaghan proved his current hurling "well being" with a sparkling display for Waterford Regional Training College in their 4-8 to 0-12 victory over UCD in Division One of the Higher Education League last week-end.

Two great points complemented a powerhouse performance in what was an excellent all-round Waterford RTC display.

NO FAULT
Waterford's narrow defeat by Limerick in the National Football League at Askeaton last Sunday was no fault of Martin Sheehan who turned in another determined hour. There are encouraging signs for the county footballers and clearly Martin will have a key role to play for the team in future games.

Only five of the Waterford players who were in action in that game will play on Sunday next. These are Shane Ahearne, David Foran, Pat Bennett, Liam O'Connor and Pat Curran of Cappoquin who came on as a substitute. Kevin Ryan who played is now a substitute.

As well as changing the team it is true to say that the whole attitude of our present panel has changed and these are beginning to show results. We have beaten Laois, Antrim and drawn with Dublin, all in the past five weeks and should be good enough to beat Mayo.

Having lost their last game, the visitors will be very keen on getting the couple of points that will keep their hopes alive for a while longer. A second defeat by Mayo would not only be a scathing experience for the team, it would do enormous damage to the new spirit and sense of commitment that has gripped the players and supporters over the past couple of months. We should win this one, but we have got to be careful.

The selectors have given a vote of confidence to the side which lined out against Dublin and both John Dunford and Noel Crowley who retired injured in that match are back on the team.

Excellent Double-Header For Fraher Field

AN excellent double-header is arranged for Fraher Field on next Sunday and one could not ask for a better programme with which to bring playing activities in the West to a finish for the 1986 season.

In the opening game, Waterford hurlers play Mayo and this will be followed by the Munster club football final between Waterford champions, Kilrossanty and St. Finbarrs of Cork.

Both the Munster Council and the Games Administration Committee have agreed to the double fixture and hopefully the weather won't turn spoilsport and interfere with these plans.

When Mayo came to Dungarvan on February 23rd this year, Waterford suffered what was rightly described as an embarrassing defeat by our Connaught visitors. There have been a few occasions in the past when our county team failed to score in the 1st half, but to let that happen against such a lowly rated team, as Mayo were at the time, was a humiliating experience indeed. The half-time score was 2-6 to nil at the break.

Now in the same season, Mayo revisit the Waterford venue and on this occasion, will travel down on Saturday — a fact which indicates the seriousness with which they are treating the game. Obviously they have notions of repeating what they accomplished at Fraher Field nine months ago.

Only five of the Waterford players who were in action in that game will play on Sunday next. These are Shane Ahearne, David Foran, Pat Bennett, Liam O'Connor and Pat Curran of Cappoquin who came on as a substitute. Kevin Ryan who played is now a substitute.

Excellent Double-Header For Fraher Field

Joe McGrath of the same address. Frank is a popular member of the Tourin club and won three championships, as far as I recall with his club.

Some months ago I received a letter from an overseas reader asking if I would publish what I considered to be the best intermediate hurling team of the sixties. The writer believes that the standard of hurling during that period was higher than at any other time, because all the best clubs in the division were playing in this grade.

Having some experience of selecting the 'best team' for given periods of our history, I am aware of the controversy that can result. This is understandable since players, who in the judgement of some were outstanding, are often omitted. So I didn't oblige my friend and he was disappointed.

He decided to do his 'own thing' and select his own side, Mayo revisited here at home during the week-end. I believe that it is a very good team of players, who were unquestionably among the very best that we have seen in those days. There are one or two surprises on the side and a few who would have found favour, had I been making the selection. You can judge for yourselves.

Johnny O'Grady (Geraldines); Billy Tobin (Shamrocks); Bunny Ronayne (Geraldines); Mick Connolly (Fourmilwater); Frank Corcoran (Shamrocks); Tom Cunningham (Dungarvan); James Hallahan (Geraldines); Kieran Ryan (Fourmilwater); Mickie Walsh (Colligan); John O'Gorman (Ballyduff); Patsy Kenneally (Geraldines); John Woods (Kilgobnet); Shamey Flynn (Ballyduff); Steve Scanlon (Tourin); Michael Ormonde (Lismore).

Western Bord na nOg will hold its annual convention on Monday, December 2nd, and have named this coming Friday as the latest date for the acceptance of nominations and motions. The Eastern convention is due to take place at about the same time and following both the adult County Board will make a move towards establishing a new County Bord na nOg. It will be recalled that the Bord elected this year resigned following the failure of the County Board to implement their recommendations in relation to the Féile final.

The news on the adult side is that the Western Board convention will take place at Lismore on Thursday, January 15 and nominations, etc. are due in here in a few weeks time. The Eastern Board Convention is also taking place on the same date.

The Senior County Convention will take place on Sunday, January 26 and arrangements for this will be made at the December meeting which is being held in Knockmore on December 1.

Our very sincere sympathy is extended to Frank McGrath, Moonaringa, Lismore on the recent death of his father.

WATERFORD UNLUCKY TO BE PIPPED BY LIMERICK

Limerick 1-11 WATERFORD 2-7
Following their good display against Tipperary two weeks previously hopes were high when Waterford took on Limerick in their second round game in Div. III South of the National Football League at Askeaton on Sunday last.

The side responded to give another fine display and they could be classed unlucky to go under by just one point in what proved to be a very exciting tie.

Scorers: Limerick — D. Fitzgibbon 1-2; T. Cummins 0-4; W. Hayes 0-2; S. O'Neill; T. Quaid and F. Ryan 0-1 each. Waterford — J. Maher and E. O'Brien 1-1 each; J. O'Connor and P. White 0-2 each; T. Behan 0-1.

County Youth Officer, Jim Greene, told me on Monday night that a total of 85 members from clubs in the Eastern Division had now registered for the two-day seminar at St. Augustine's College on the week-end of November 28/29th. I doubt if the response from the West will match this. If it does then the exercise will be a great success. Last week the papers announced that the subjects were football and refereeing. It should have included hurling which will be an important part of the seminar.

NOT INCLUDED
In the Roll of Honour which was published last week, the result of the county intermediate football league final was not included and our

Geraldines correspondent was not too happy with my omission. My apologies, it should have been given.

Anyway the result of that final was Geraldines 2-6, Kilmurcagh 0-9. This makes Geraldines the first county intermediate league champions.

Two goals disallowed, one in each half, was a very severe blow to the county footballers at Askeaton on Sunday last. They were unlucky to be beaten by a single point in a game that they should have won. They played very well, but must be blamed for conceding a few unnecessary frees, particularly in the second half. Most people at the game could not understand why one of the goals should have been disallowed and it was described as a very strange decision by the referee.

The over-all display was satisfactory and while the loss of the two points is disappointing, the signs that the stan-

ard is improving, were there for all to see. The panel resumed training on Tuesday night for their next match which will be against Wicklow away on Sunday week.

Two weeks later they will play Carlow and this is a home game for us. It is fixed for Walsh Park, but the football selectors are trying to have it moved to Fraher Field. This will be subject to County Board permission of course. Their three matches against Clare (away), Wexford at Walsh Park and Kilkenny at Nowlan Park are all in the New Year.

LISMORE TAKE TITLE
Lismore, whose football standards are improving slowly but surely in recent years took their second league title on Sunday last when they deservedly beat Stradbally in the junior final at Fraher field on Sunday. Weather conditions were poor, but the match was well enjoyed by a small crowd who stayed on for the exciting quarter when Stradbally did everything possible to pull the game out of the fire. For an end of the season game, both sides played very well, but in the end Lismore deserved to win. A well taken goal by Brendan Lawton, who captained the side, gave the winners a half-time lead of 1-4 to 0-3. Stradbally came back into the game in the second half but Lismore held out to win on the score 1-10 to 1-7.

Lismore — Seamus Prendergast; J. Tobin; B. Ormond; J. J. Duggan; F. Power; B. Landers; B. O'Gorman; D. Landers; P. Ahearne; B. Prendergast; B. Lawton; F. Sweeney; David Landers; D. O'Donnell; P. O'Donoghue.

Tom Whelan (Ballinacourty) was the referee. Lismore won this league in 1983 when they defeated Slahgh Cua in the final. Stradbally won it in the following year when they beat Geraldines. The league was not played last year.

MINOR FOOTBALL TRIAL
There was a good turn out of players for the county minor football trial held at St. Augustine's College grounds on Saturday last when a total of 58 players took part in the blitz. The attendance of players from the Eastern division was excellent, but the failure of a number to turn up from this division was disappointing. After the trial which went on from 1.30 p.m. to after 4 p.m. the county selectors choose a panel of 30 players who will go into training after Christmas.

Next Saturday we are away to Waterpark. Bus leaves the Causeway 10.30 sharp.

ROTAS
Yogi's Saturday night, 22nd November. Rota: B. Barnes, P. Hartly, M. Fitzgerald (Co-op), M. Fitzgerald (Co. Council), John Cartwright, Tom Lyons, N. Herlihy, John O'Brien, Tom Darcy, M. Cass.

Dungarvan 14, Youghal 18
Our under 16 team continue improving weekly and the excellent work of Niall O'Herlihy and J. Lynch is having effect. Good displays by Kevin Moore, Pat Walsh, Sean Kilgrew and of course Kieran Veale who again scored all our points. Well played fellows.

Next Saturday we are away to Waterpark. Bus leaves the Causeway 10.30 sharp.

WEDDING BELLS
Clashmore Church was the venue for the very pretty wedding of a very popular young couple in this area. They were Miss Stobhan Sheehan, Ballinacash, daughter of John and Mary Sheehan and Mr. James Condon, also of Clashmore, son of John and Teresa Condon. Bridesmaid was Laura Maher, sister of the bride and bestman was Maurice Condon, brother of the groom. The reception followed at Lawlor's Hotel, Dungarvan.

The couple plan to live in Dungarvan and we join in wishing them both every happiness together.

RETIREMENT
Best wishes for a long and happy retirement to Mr. and Mrs. Jim McGrath, Ballyheeny, Clashmore. For many years now Jim and his crew have been supplying firewood to many households in a wide area very successfully. Jim will still remain as an overseer with Waterford County Council. Hurling
Football and Refereeing will be catered for on the course and clubs are urged to avail of this opportunity to hear the likes of Jim McKeever (Derry), Dermot Early (Roscommon), Bro. O'Grady (Wexford) and John Dowling (Offaly) and many others speak on the various aspects of Coaching and Refereeing.

The course fee is £10 and monies should be forwarded before the close of the week to John Moore (058-42049).

BORD NA nOG CONVENTION
Clubs are requested to note that the Western Convention will be held on Tuesday, December 2nd in Lawlor's Hotel, Dungarvan at 8 p.m.

The closing date for motions and nominations is Friday, Nov. 21, and NO motions or nominations will be accepted after this date.

CONGRATS TO BORD OFFICERS
As we talk about the coming Convention I suppose it is only right that we should congratulate the outgoing officers on a job well done during the past year. The year was a most successful one for the Bord and the credit for this must go to the hard-working men at the helm, namely, John Kiely (Chairman), and John Jackson (Rural) who along with Jimmy McCarthy (Clisteol) and Sean Whelan (Vice-Chairman) really worked hard since taking office at the start of the year. Well done to all.

SQUASH NOTES

HARP LAGER TOURNAMENT
Semi-Final—C. Bannon's team v. B. Barnes team. No. 5, J. O'Sullivan v. F. Aird 0. No. 3, H. O'Brien 3, V. Hayes 0. No. 4, H. Regan 0, T. Scanlon 3. No. 2, C. Bannon 0, B. Barnes 3. It was all down to the last match between Pat Phelan and P. Moloney. Pat, too tired from baby sitting, could not match the fitness of Pat who won 3-0. Brian O'Brien certainly played the best squash of the night. Colm's team through to the final.

Semi-Final—R. Gough's team v. J. Kiely's team. No. 5, A. Herneby 0, S. Kennedy 3. No. 3, R. Gough 3, P. Buckley 1. No. 4, M. O'Brien 2, G. McCullough 3. No. 2, R. Gough 0, P. Murphy 3. No. 1, D. O'Brien 2, J. Kiely 0.

Gerry McCullough is the man to watch in this tournament. He has gone from strength to strength, beating Mal 3-2 in a long one hour match. J. Kiely's team safely through to the final.

Final—The P.R.O. on tipped Pat Phelan to win on points! Colm Bannon's team v. J. Kiely's team. No. 2, Colm v. Paddy Murphy were first on court. Paddy, a very eager player and supporter, is an up and coming club player and he won 3-0.

Next were the No. 3's, John O'Sullivan v. Stobhan Kennedy. Stobhan did well to take a game off John but John won 3-1.

No. 4, H. Regan v. G. McCullough. Again Gerry won 3-1.

No. 1, Pat Phelan found Jimmy O'Dea to be a fit player but he lacked a finishing shot and Pat won 3-0.

It was then all down to the very last game between Brian O'Brien and Pat Buckley. The air was electric and the crowd tense. The supporters were small in number but the noise they made was unbelievable and made Pat McGovern's job as referee that bit harder. Brian was expected to come through this match, but the determination of Pat could be seen even when Brian won the first game 10-3. The break for Pat came in the second game when he came back 10-8, making it 1-1. The pressure was on Brian, but Pat kept dropping the ball to the corners and won the third game 9-7. The instructions given during the break between and games by Paddy Murphy and Pat lay the foundation for Pat

# REMEMBERING OTHER DAYS

A couple of months ago we had a little "Spotlight" story about the iron bollards at Dungarvan Quay and about the dates they were put there. This prompted John Young who has a great interest in local maritime history to submit the photo which we have in our "Remembering Other Days" series this week and which shows the Quay as it was at the turn of the century about the 1890-1900 period. We are not sure whether the quay was under repair at the time as the outer wall is clearly out of alignment in the picture or whether the bollards were then being placed in position. To the left of the picture can be seen the building which now houses Phelan's Coal Stores while in the background is the road bridge just as it stands to-day. At the quayside are three schooners (Dungarvan "of the old sailing ships" was a busy seaport in those days) while a number of Arklow hookers are tied up outside them.

## Charge Against Publican Dismissed

Following a submission by Mr. E. P. King, Solr. (J. F. Williams & Co.) that no evidence had been tendered to show for what purpose the people had been on the premises, charges against Alice Marie O'Connor licensee of a licensed premises at Sexton Street, Abbeyside for breaches of the licensing laws on August 31 were dismissed by District Justice W. F. O'Connell at Dungarvan Court.

Sergeant P. O'Sullivan, Traffic Corps, stated that at 11.30 p.m. on Sunday, August 31 he saw a number of people coming out of O'Connor's public house. He then went to the door which was unlocked and went in and spoke to the brother of the licensee.

In reply to Mr. King, witness agreed that although the door was unlocked it was closed and it opened when he pushed it in. Mr. King then submitted that the charges against his client should be dismissed as there had been no evidence to support the charges of drink being sold or being exposed for sale on the occasion or even that the premises were open for the sale of drink or that the licensee had allowed persons to remain on the premises after hours. Neither, he submitted, was there any evidence to show for what purpose the people whom the Sergeant saw were on the premises at the time. As the onus was on the State to submit these proofs, he asked for a dismissal.

Fines of £5 were imposed on all the found-ones with the exception of one who was present in court. In his case District Justice O'Connell reduced the fine to £3 because he had taken the trouble to attend the court.

## A BETTER CAP?

The prices farmers get for beef are now worth less in real terms than in any year since Ireland joined the Common Market. This downward drift is happening throughout the EEC. Even lower prices and farm incomes would follow the adoption of proposals for the beef market now facing the Council of Ministers.

Researchers in An Foras Taluntais have developed an alternative way of making the CAP for beef more efficient. A paper by Mr. Brendan Riordan of AFT's Economics & Rural Welfare Research Centre to be presented at its annual conference in Dublin on Tuesday, December 2, will show that farmers would be better off with sizeable annual payments on the cattle they keep, paid for by a co-responsibility levy.

Money for these headage payments could also come from cutting back on intervention buying of beef and cutting back on export refunds as proposed by the Commission.

A co-responsibility package, with a levy rising to 7 per cent could add £1,000 a year to an Irish cattle farmer's income, which now averages about £2,000 a year.

This and other aspects of the changing CAP of vital importance to Ireland will be discussed at the conference, including a critical analysis of the CAP, the socio-structural policy, the environment, cereal policy issues and farm forestry.

## MOTOR CYCLIST FINED AND DISQUALIFIED

Michael Moore, Coolnasmea, Dungarvan, was charged with driving a motor cycle with excess alcohol in his blood at the Causeway, Abbeyside on August 15. Mr. G. McCullough, Solr. (Murphy & McCullough) who appeared for the defendant, said that the offence was admitted.

Supt. M. English stated that Garda J. Callaghan, Traffic Corps, was on duty at 10.20 p.m. on August 15 at the Causeway. He stopped the defendant, and following a positive breath test arrested him and took him to the Garda Station where a blood sample was taken. This subsequently showed a concentration of 145 mgms.

Mr. McCullough said that it was a Friday evening and the defendant unfortunately had one too many on the occasion. He had never been in trouble previously. District Justice O'Connell remarking that the concentration was not very high imposed a fine of £50 with an endorsement and a disqualification from driving for 12 months.

## Book Celebrates Golden Jubilee Of Killarney Races

The Killarney Races Committee have published a book called HORSE RACING to mark fifty years of continuous racing on its present track.

Fourteen months ago when the Stewards of the Turf Club granted Killarney a special Golden Jubilee Year Fixture the Races Committee decided that the occasion merited more than a passing race meeting. The idea of the book was mooted and the go ahead was given to Frances Secretary Finbar Slatery to deliver the goods.

Originally one hundred people were invited to contribute to this book. Sixty-two did so, fourteen others faithfully promised to do so but didn't make the deadline, eight formally declined the invitation and the remaining sixteen gave no commitment one way or the other.

The book "HORSE RACING" as well as saluting the pioneers who brought back racing to Killarney fifty years ago after more than one third of a century lapse and giving the high light of fifty years racing in Killarney also takes a look at the sport the world over—Bill Shoemaker is seen winning two Kentucky Derbies around thirty years apart! The glories of Arke are recalled. The "Arc" the piebs down the country missed from the box this year, gets a chapter to itself.

Michael Smurfit as Chairman of the Racing Board has this to say: "What other county in Ireland can boast of three successful racecourses and not a single breeding or training establishment within its county bounds. This publication is yet another indication of the initiative and flair I already referred to and I have no doubt it will be yet another outstanding success for the Kingdom County."

"Horse Racing" published by the Kerryman Ltd., Tralee, price £10.

## The Act Must Be Ratified Says IFA President

The failure of Dail Eireann to ratify the Single European Act would put Irish negotiators in an invidious position at the forthcoming Brussels negotiations on the future of the CAP, according to IFA President, Joe Rea.

"Ireland would be seen as demanding the benefits of existing common policies but not going along with other Member states in furthering the process of European integration," he said.

Mr. Rea stressed that the Single European Act represents no more than a relatively minor step towards the ultimate objective of European Union.

"The fact that there is now widespread public debate at the eleventh hour is a reflection of the almost non-existent effort by the Government to provide the general public with basic understandable information about the content and consequences of the Act during the past 12 months," he said.

Welcoming a number of features of the Act, Mr. Rea said the provisions for improved decision-making procedures still allow for the vital national interest clause to be used in genuine cases.

On normal issues however, the qualified majority voting system is adequate. It should be remembered that if unanimity was needed on all issues, the recent decision to deviate the Green Fund would not have been passed because two Member States were opposed to the decision.

"The sections of the Act dealing with the promotion of economic and social cohesion in Europe must be very much in Ireland's interest," he said. "For too long, agriculture and other exporting sectors in Ireland have paid a high price due to the fact that the Irish economy was out of step with the main economies. A true Common Market will only be achieved when costs and interests rates are also on a common basis."

The strengthening of Regional Policy in the Community is a further very positive aspect of the Single European Act, continued Mr. Rea. This should allow for the improvement in the regional impact of the CAP such as the implementation of integrated regional programmes for the West of Ireland.

"I have on a number of occasions stated IFA's general attitude to Europe," he said. "We favour greater European integration. There is no future for a mid-Atlantic island like Ireland pursuing a course of isolation. I hope that there will be a factual and constructive debate over the next few weeks on the Single European Act and that the Act will be ratified by Dail Eireann."

## ICMSA REACTION TO EEC PROPOSALS

"Ireland must strive to retain its full milk quota and seek an exemption from whatever provisions are applied to reduce milk quotas in the rest of Europe." That's the reaction of ICMSA President Con Scully to the proposals to curb milk output of the European Commission meeting last week in Strasbourg.

Mr. Scully said, "The loss of six per cent (6%) of milk quota to Ireland amounts to sixty-six million gallons. This would correspond with a loss in export earnings capacity of one hundred million pounds (IR£100 MLN) per annum, and the loss of up to fifteen hundred jobs in industries such as milk processing, fertilisers and feedstuffs, not to mention the spin off effects on the cattle and beef sectors."

"At farm level a six per cent (6%) reduction in milk output would mean the loss of two cows from a well operated farm with a quota of less than thirty thousand (30,000) gallons."

Mr. Scully said that a very efficient farm of that size yields a family income of approximately seven thousand five hundred pounds (IR£7,500) a year which is only three-quarters of the average industrial income for one person on a forty (40) hour week.

"It is economic and social madness for anyone to say that the best option for that farm is to accept a milk quota reduction," he said.

# Wedding Anniversary Party In Pub Went Too Late

A party celebrating a wedding anniversary was the reason a number of people were found on a licensed premises in Abbeyside at 1.30 a.m. on October 9, a Garda witness stated at Dungarvan Court last week.

Charged under six counts for breaches of the licensing laws on the occasion was the Radley Lounge, while a number of people found on the premises at the time were also summoned.

Garda J. Martin stated in evidence that on October 9 at 1.30 a.m. he, with Garda Foley visited the Radley premises. The door was wide open and when he entered nobody moved to leave. He proceeded to take names. Some gave London addresses and were generally unco-operative. One man refused to give his name and became aggressive. They then called on Garda Phean who was out in the patrol car and he came to their assistance and took a number of names. The people there said they were attending a party. At that point the Manager of the premises made his appearance and he succeeded in defusing the situation, said witness.

In reply to Mr. J. P. Gordon, Solr., who defended, witness agreed that Radley's was also a restaurant and on the night in question there was a wedding anniversary celebration. He also said that he accepted that those who had given London addresses could have been home to attend the function.

Garda Foley gave evidence of being with the previous witness on the night in question and said he also took some names.

Mr. Gordon then said that the defendant, accepted that he had a case to meet. The premises was owned by a company and was looked after by a Manager. On the night in question a wedding anniversary was being celebrated at which a meal was served and the Manager allowed those attending it to stay on although he should not have done so.

## "FOUND-ONS" HAVING AN AMERICAN WAKE

"An Irish-American wake" was why gardai found people in a pub at 1 a.m., District Justice W. F. O'Connell was told at Youghal Court.

Dermot O'Sullivan, licensee of the Anchor Bar, O'Neill-Crowley Street, pleaded guilty to a breach of the law on October 3.

Mrs. Carmel Treacy, solicitor, said one of the "found-ons" was from the U.S. the following day and they were having an Irish-American wake.

Supt. M. Murray said the defendant had no previous convictions. The Justice convicted O'Sullivan and imposed a £10 fine.

## A.G.M. OF WATERFORD I.F.A.

The annual general meeting of Waterford IFA took place recently in Lawlor's Hotel, Dungarvan.

The outgoing County Chairman, Mr. Anthony Ryan who has completed a two year term of office, called for greater commitment from members of County Executives. He told a large gathering of IFA members from every branch throughout the County that the need for a strong and vibrant organisation was never required by farmers more than now, as over the last couple of years, they had seen a drastic drop in the incomes.

The stark reality was, he said that, at present two-thirds of Irish farmers have an income of less than £100 a week, and 50 per cent of farmers have an income of less than £50, and they looked to IFA to ensure they had a reasonable standard of living.

Mr. Ryan thanked his fellow officers for their co-operation during his two years as County Chairman. He also thanked the members of the local and national press for their generous amount of coverage given to Press Statements etc.

Finally, he thanked the management and staff of Lawlor's Hotel for providing their premises for the holding of monthly meetings.

Officers elected for the coming year were: County Chairman, Jerry Murphy (Clonea); Vice-Chairman, Tom Leahy (Dungarvan); County Secretary, Harry Gray (Ballymacarbry); PRO, Anthony Ryan (Ballymacarbry).

Members elected to National Committees were: County Chairman, Jim Murphy (Clonea); Vice-Chairman, Tom Leahy (Dungarvan); Dairy, Pierce Casey (Kilmacthomas); Industry, Jerry Murphy (Clonea); Grain, Ger Flynn (Clonea); Credit and Taxation, Michael Kely (Old Parish); Rural Development, Dan O'Loughlin (Ballymacarbry); Horse, Willie O'Donnell (Old Parish); Livestock, Tom Leahy (Dungarvan); Poultry, Val Curran (Old Parish); Potato and Veg, Dave Casey (Dungarvan).

## DUNGARVAN SCOUT TROOP NOTES

(11th 32nd Waterford—St. Mary's)

The meeting started with a few notices before we got down to the real serious business of games. Some of the games which we played were as follows, "Obstacle Relay," "Lantern Game" and a quiz game called "Whose The Brain?"

The object of the latter was as follows: the five PL's were picked to be the contestants and they were at one end of the hall. Each PL's team had to run down to the PL and tell him his name and a secret password. You may say that this was no problem but he had to remember 8 names and passwords. And some of the passwords given were really weird, such as "Rambo" and "Dracula." This game really put the PL's to the test, especially Martin Flynn and Owen Kehoe who got the names and passwords mixed up.

At 7.45 Fr. Cullinan came down to do some more testwork

## FAILED TO PAY TAXI FARE

An unemployed man who failed to pay a £20 taxi fare now faces a "bill" of more than three times that amount as a result of his appearance before District Justice W. F. O'Connell at Youghal Court.

Tony O'Donoghue, 17 Quain's Terrace, Youghal, pleaded guilty to failing to pay a £20 taxi fare from Cork to Youghal on March 20 to Stephen Coleman, 46 Gerad Griffin Street, Cork.

Supt. Maurice Murray who prosecuted told the court that O'Donoghue had previous convictions for house-breaking, larceny, malicious damage and being drunk and disorderly. The Justice sentenced O'Donoghue to three months imprisonment but suspended the signing of the warrant for one month to enable the defendant to pay the £20 fare to Mr. Coleman and £44 expenses to him in relation to the court hearing.

LISMORE AND DISTRICT NOTES

LISMORE F.C. NOTES Next Sunday we play at home to Modeligo in The Red House League. At present, we are in fourth place, 8 points behind Ardmore with a game in hand. Modeligo are propping up the table. However, we are now noted for our inconsistency and Modeligo will be expecting to collect at least one point.

There are just three games remaining to the halfway stage of the league and if the gap can be widened on the leaders then, and only then can we say we will challenge for the title. To think any other way, we may as well concede de-feats before we actually play.

So if we are really serious let us all give the commitment that is required and can be quite evidently seen by the teams who are above us in the table.

Junior League Final - In our last competitive match of the season our footballers finished on a winning note. (This was a fitting end to a very successful year and a football title is al-ways welcome.)

Playing with the wind in the first half the forwards took their chances well but a lead of 5 points at half time didn't look enough against the fancied Stradbally side. In the second half the backline supplied the heroics as they shut down all avenues to goal. Even a Strad-bally goal midway through the half did not rock the team and they weathered the storm right to the end and ran out winners by 1-10 to 1-7.

What few spectators turned up must have been pleased by the attitude of both teams as they all gave everything they had in this exciting game. Thus they regained a title last won in 1981 and after a year domi-nated by hurling it was hearten-ing to the mentors to see a panel of 22 turn up for a foot-ball game. A fantastic year all round and a great lead into the A.G.M.

LISMORE A.C. NOTES Lismore Athletic Club was well represented at the Mun-ster Cross Country Champion-ships (even ages) at Rath-keale, Co. Limerick on Sunday last, November 18.

Conditions for running were quite good and the following Lismore athletes did very well to be well up at the finish of their races:

Individual Medal - Martina Moore (girls u12 1,200m); Individual Medal - Matilda Beecher (girls u14 1,500m); County Team Medals - Mat-ilda Beecher and Maude Cunn-ingham (Girls u14 1,500m).

On Sunday next, Nov. 23, Lis-more have the rare privilege of playing host to Munster ath-letes when the Mens Interme-diate race, the Mens Veterans race and the Junior Womens race are held at the Castle Farm Grounds (the Race Course), commencing at 1.15 p.m.

As I already said it's not very often that Lismore plays host to such an event, so we are hoping that the locals give us plenty of support.
