WE'RE BEING RIPPED OFF!

On top of being one of the most heavily taxed countries in the EEC it transpired during the past week that people in the Republic are being ripped off in the prices that they are being charged for a variety of items as well.

It has come to light in the course of an ESRI survey carried out for the EEC that shoppers in this country are paying substantially more for their weekly food basket than their counterparts in the North. The senior research officer of the Economic and Social Research Institute involved said that the survey showed consumers here were being ripped off and were paying more than was justified by the tax differences.

Taking all the latter into consideration it was still found that bread was 21 per cent more expensive here, potatoes were 11.6 per cent dearer and sugar was 18 per cent more costly. Many other items were also found to indicate the same trend.

The Government, in the person of Industry Minister Albert Reynolds, took the first step in their get tough stance against profiteering at the week-end when he signed an order slashing petrol prices by 10p per gallon and the cost of road diesel by 5p a gallon.

And Mr. Reynolds also announced that he was having an investigation carried out into the prices charged for food in the various outlets, warning that where there was obvious overcharging, restrictions would also be enforced.

Another area which is to be made the subject of an official investigation by the Director of Consumer Affairs concerns the high cost of medicines and the profit margins creamed off by chemists. These are also stated to be well above the EEC average.

Minister Reynolds has warned that all sectors of the community must make a contribution towards national recovery and that where there was obvious profiteering, Government action would follow.

This latest move by Mr. Reynolds can only be welcomed as there can be no doubt that prices generally in this country have, for a considerable time back, been far in excess of what a reasonable profit margin would justify. It reflects on the inactivity of the Coalition Government of the last four years in this whole region of price control and even at this late stage, having been ripped off for so long, we can only say that what is now taking place and which we hope will be extended into all areas is better late than never.

WINNERS AT THE WALTER RALEIGH FESTIVAL

Youghal was en fete during the last week of June and the first week of July for what has now become known as the

town's annual Walter Raleigh Potato Festival.

Among the Festival's very varied programme of events was a ballad competition sponsored jointly by Comhaltas Ceoltoiri Eireann and a Dublin Music Company, "Three Two Music," which provided a perpetual silver cup to be known as "The Sweet Youghal Bay Cup" for the competition.

A fine entry of ten groups set a very high standard in the contest and the eventual winners were the Glenbower ICA Group from Killeagh who had, as leader, Mrs. Muriel Coleman, formerly Miss Muriel Keohan from Dungarvan.

For the principal of the "Three Two Music" Company, Mai O'Higgins, who was in Youghal to present the trophy, the outcome of the contest came as a most pleasant surprise. Mai is, of course, also a Dungarvanite and her cousin, the former Terry Nugent of Old Parish is married to Mr. Brian Keohan (Keohan Cleaners) Dungarvan who is brother of Mrs. Coleman. I trust all this doesn't sound too complicated!

Anyway Mai O'Higgins was completely unaware of all this until she presented her trophy and then found out what the true story was. "It was a double pleasure to hand the Cup to Muriel who then brought down the place singing "Dungarvan My Hometown" with "Sweet Youghal Bay" being forgotten for a few moments," said Mai.

Incidentally Mai also tells us that there is a good new recording of her Dungarvan song by Cork singer, Christy Gamble on cassette. It is, she says, a lovely version and is probably available in record shops now.

REFERENDUM COST OVER £2 MILLION

There have been various speculations made as to what the cost of the famous referendum on the Single European Act really was but it was only during the past week while going through some of the Official Reports on the Debates in Dail Eireann for the month of June that we came upon the nearest correct figure so far to surface.

It was revealed during the Question Time session on June 17 by the Minister for Finance, Mr. R. McSharry but, as readers can readily see from the reply, the final total has not so far been totted up or if it has, the Minister was not too keen to state what the exact figure involved in the exercise was.

Mr. McSharry is reported at Page 2319 of the Dail Report for June 17 in reply to Question No. 59 as saying: "As the relevant local returning officers' accounts have not yet been submitted to my Department, a definitive cost figure is not available. I estimate, however, that the overall cost, including advertising (£164,263.96) and

PUBLIC WELCOME TO VISIT NEW COUNCIL CHAMBER

Cllr. M. O'Riordan at the July monthly meeting of Dungarvan Urban Council put forward the suggestion that an "open day" be arranged to allow members of the general public to come in to see the Council's new refurbished chamber. He thought that this would be a good idea so that people could see for themselves the excellent way in which the Council workmen had done the job.

The Manager Mr. Dan Hurley said that he would be delighted if the public wished to come in to see the new chamber and its lay-out. However he did not think that an "open day" was required for this purpose. "All anyone who wishes to see the place has to do is to arrange it with the staff at the office and the caretaker will show them around", he said, adding "we would welcome people to come in".

THE COST
Later at the meeting Cllr. T. Wright piped up a different tune when he asked what it had cost to refurbish the new chamber. "It is being said around the town that it cost £60,000," he said, "and if that is so then in these hard economic times this job should not have been a priority for the Council."

Pointing out that the new chamber was located at the top floor at the Town Hall, Cllr. Wright said that it would be almost impossible for any disabled councillor to reach it. "It is also a fire hazard," he added "and if there was a fire there's no way anyone could get out of here!"

GLASS CO. PROPOSALS WOULD HAVE DEVASTATING RESULTS

Motions in the names of Cllr. M. O'Riordan and Cllr. T. Wright dealing with the proposed redundancies at the Waterford Glass Co. plants in Waterford City and Dungarvan were withdrawn at the July monthly meeting of Dungarvan Urban Council last Monday night in favour of a resolution proposed by the Chairman, Cllr. R. Walsh which was passed unanimously. This stated that they were all appalled by the proposed redundancy measures put forward by the Company as if carried out they would have devastating effects not only on Waterford City but on the town of Dungarvan. The resolution urged the Company management to give due consideration to this and it then asked the Company and the Unions of the workers involved to make every effort to resolve the problem so as to avoid any lay-offs.

At the outset Cllr. O'Riordan said that he understood that the Company management and Unions representatives had entered negotiations in an effort to solve the problem and he hoped these negotiations would prove successful.

Cllr. B. Kyne said that motions such as those in the names of Cllr. O'Riordan and Wright were of little value as the point was would the management listen to them.

Cllr. O'Riordan replied "there's such a thing as consent by silence so we must do something."

Cllr. Kyne agreed but said that more than that needed to be done. He wished the Unions every success in the negotiations and expressed the hope that the firm which had made such massive profits

would change their tactics. Cllr. Wright said that it was the workers by their expertise who made Waterford famous around the world. "Should this redundancy package go ahead," he said "it would be a catastrophe for Dungarvan and we must ex-

press the same concern for the workers in Waterford as they would be affected in the same way". Both Cllrs. O'Riordan and Wright then agreed to withdraw their motions in favour of the resolution proposed by the Chairman.

COUNCIL SELLS CONTROVERSIAL PRIORY HOUSE FOR £21,000

Priory House, Dungarvan which has proved such a bone of contention since it first became the property of the Local Authority some thirty years ago has finally been disposed of and returns to private ownership.

The house, located at the corner of Friary Street and Lower Main Street, Dungarvan, was originally the private residence of the Moloney family and it was then purchased by the old Waterford Health Authority to be converted into a dispensary and health centre.

Later it was taken over by Dungarvan Urban Council who had certain plans to develop it but which were never put into action. Despite the expenditure of fairly substantial sums of money in repairs and decoration, the building gradually deteriorated over the years.

The last proposal about the building came a couple of years ago when a local Religious Order put forward plans to take it over and to convert it into a community care centre.

At the July monthly meeting of Dungarvan Urban Council held last Monday night, the Co. Manager Mr. Dan Hurley reminded the members that when these proposals of the Religious Order fell through the Council had decided to sell the building and it was put up for public tender.

As a result, Mr. Hurley said that the best proposal received had been submitted by Mr. and Mrs. P. Barrett, Cappoquin. The premises had originally cost the Council £15,000 and fees and other charges had cost £4,000 or £5,000. Mr. Barrett's tender was for £21,000 and he proposed to accept that. The proposal incorporated the re-roofing of the building with the development of two shop units on the ground floor.

The Council without discussion, then unanimously approved the sale in accordance with Section 83 of the Local Government Act, 1946.

Mr. Barrett, the purchaser, is one of the principals in a leading Dungarvan dental partnership.

COMMUNITY SCHOOL

Minister Opts For Lismore As Centre

The Minister for Education, Mary O'Rourke, has brought a protracted saga to an end by announcing the establishment of a community school in Lismore that will cater for the post-primary needs of West Waterford.

Reaction was generally favourable but there is acute dis-

REDUNDANCY PACKAGE FOR HEALTH WORKERS

Senator Brian O'Shea has welcomed the decision of the Government, as announced by the Minister for Health to ensure adequate redundancy and pension payments to those staff in the health services who are likely to lose their jobs due to cuts in the budget allocations to voluntary hospitals.

"This agreement, is particularly important to the staff of the Waterford City and County Infirmary and while this hospital has not been specifically mentioned in this package, it is my understanding that staff who will be made redundant will be offered the same terms as those in other voluntary hospitals such as St. James' and Dr. Stevens' in Dublin", he said.

"The offer by the Minister will mean that staff who have given long years of service to the people of the Waterford area will be justly compensated for the loss of their jobs due to the cutbacks policy of the Fianna Fail government. I only hope that the loss of such valuable staff will not result in a fragmented and patchy health service in the Waterford area", he said.

MONOFILAMENT NETTING SHOULD BE SUSPENDED SAYS DEPUTY CULLEN

Mr. Martin Cullen T.D. the Progressive Democrats spokesman on Fisheries has issued the following statement:-

"I am not prepared to stand by and see one of our natural resources i.e. our salmon stocks destroyed. We have seen far too many industries destroyed in this country by mis-management and greed. There is no proper planning for the long term development of our salmon industry. This is totally unacceptable and must not continue. I would propose that off-shore drift netting with monofilament nets be suspended for 1988. This would allow our salmon a chance to rejuvenate in our inland waterways. During that time a definitive long term strategy for the salmon industry must be implemented.

"At present our salmon industry is worth between £40 and £50m. pounds to the Irish economy. This is a pathetic under-utilization of a natural resource. A properly organised and operated salmon industry given a fair return to all should be worth upwards of £50m. pounds to the Irish economy. I will not stand by and see illegal vested interests rape our seas and rivers of a potentially great natural resource.

"The arguments and problems have been articulated for far too long. What we now need is the will and courage to implement a constructive and fair policy direction. There is no point in crying wolf in five years time, when Ireland will have no salmon industry of any worth. Now is the time for Minister Daly and all politicians to get off the fence and dismantle themselves of vested interests for the good of our country."

CLASHMORE PROJECT GRANT AIDED

Among the 19 new projects in the South-East region announced by the IDA following an address by the Minister for Science and Technology, Dr. Sean McCarthy T.D. at a reception held at the Tower Hotel, Waterford on Monday last was one initiated by Ann O'Leary, Clashmore involving hand painted pure silk. The eligible fixed asset investment for the project was given as £5,800 and the number of jobs provided was two.

appointment in Cappoquin where second-level education may be at an end.

Mrs. O'Rourke said she had given the whole issue in West Waterford very careful consideration, and she is satisfied that the interests of the post primary pupils of the area can best be served by a single community school catering for about 700 pupils.

The Sisters of the Presentation Convent, Lismore, and the Sisters of Mercy at St. Anne's secondary school in Cappoquin, have supported the community school concept. The Mercy Order has also intimated its intention to close down the Cappoquin school and yesterday's decision could well speed up its closure.

DEEP CONCERN

Ever since the proposal for a Lismore community school emerged there has been deepening concern in Cappoquin about the future of post-primary education in the town.

A "Concerned Parents" organisation was set up and it pledged to raise vast sums if the Department of Education agreed to build a school in Cappoquin.

Its chairman, Mr. Jim Wall, warned that every resistance would be put up to prevent the end of post-primary education in Cappoquin, but that is what looks like an inevitability.

BALLYDUFF NOTES

WEDDING: O'DONOVAN-FLYNN St. Michael's Church was the scene of a very pretty wedding recently when Miss Claire O'Donovan, daughter of Dr. and Mrs. T. A. O'Donovan, "Five Acres," Ballyduff and Mr. Niall Flynn, son of Mrs. Dottie Flynn and the late Niall Flynn, Whitechurch House, Cappagh.

The wedding, with Nuptial Mass and Papa Blessing, was performed by Very Rev. Fr. Kevin Mulcahy, P.P., Ballyduff, assisted by Very Rev. W. Callanan, P.P., Ballinameela. The reception was held at Whitechurch House Hotel and the honeymoon is being spent abroad. We wish Claire and Niall many years of wedded bliss.

COMMUNITY COUNCIL A meeting of the Council will be held in St. Michael's Hall on Monday night next at 9 p.m. All members are requested to attend.

A meeting of the history sub-committee was held recently at which plans for the production of a video to mark the 50th anniversary of Muintir na Tire were discussed. The August monthly draw will take place on Monday, August 10 at 9 p.m. in St. Michael's Hall.

WINNER AT KILLARNEY The winner of the Woodfob Amateur Flat Race at Killarney on Thursday was Mr. Michael Fennessy, Ballinacorney, "Grange Perpetual." Trained by Paddy Mullins and ridden by P. Byrne, it was returned at 6/1.

BALLYDUFF/BALLINVELLA/BALLSALGART COMMHALT NOTES

On the weekend of 10, 11 and 12 July most of our members were involved in one competition or another in the Munster Fleadh in Kilmursh. The standard was exceptionally high, especially in the u-18 competitions where the young musicians and singers are really excelling themselves.

On Friday night our senior set was placed third. We had sets competing in the 12-15 age group on Saturday night and in the 15-18 age group on Sunday night. The branch musicians played for all the sets from other counties as well, and no bother to them.

Well done to Willie O'Brien, Ballysaggart. Willie won the "Collection of Ballads" competition with his collection of Ballysaggart songs. The Bun a' Gheanna Cell Band qualified for the All-Ireland senior band competition in Listowel on the last weekend in August. They were well commended by the adjudicators.

We would like to wish the best of luck to Fr. Quaid in Clonmel and we hope that he enjoys his stay there. We would also like to welcome Fr. Mulcahy to the parish and we are sure that he will be happy there. Congratulations to our u-14 hurlers for winning the county final on Saturday last. They put in a lot of hard work and it paid off in the end. - P.R.O. Seamus Hyland.

PIONEER NOTES

The annual pilgrimage to Knock will take place on Sunday, August 2. Names to be handed into Pad Flynn as soon as possible.

G.A.A. NOTES

U-14 Hurlers Win West and Co. Titles - Pride of place this week must go to the u-14 hurlers who in the space of three days captured the Divisional and County titles.

On Wednesday night in Cappoquin they had a narrow one-point win over St. Patricks by 1-5 to 1-4 in a thrilling final not helped by the wet underfoot conditions. We led at half time by 1-4 to 1-0 but Pats increased the pressure and drew level before Sean Hickey sent over the winning point. After the game, team captain Kevin Martin received the cup from Board Chairman John Kiely. It was then back to Ballyduff for the celebrations. Scorers were O. Corcoran 1-3, S. Hickey 0-2.

On Saturday, Walsh Park was the venue for the county final against Ferrysbank. We led at half time by 2-4 to no score de-

spite early pressure from the opposition. They hit us for two goals after the restart but a goal and a point from Owen Corcoran who contributed all 3-5 put us on the road for a historic victory.

Amid scenes of wild jubilation captain Kevin Martin received the cup from Co. Youth Officer Jim Greene.

For posterity, the team that played in the county final was: J. Corcoran, K. Martin, G. O'Keefe, M. Molmurry, P. Berry, T. Feeney, D. Drislane, O. Corcoran, S. Hickey, P. Molmurry, P. L. Feeney, K. Geary, T. Scanlan, A. Martin, G. Feeney. Subs used: J. Tobin, J. Leamy, J. Feeney. Referee: John Moore.

After a stop in the city and in Leamybrien, it was back to the village for the victory parade after Mass where the team received a mighty reception. With the bonfire blazing, it was on to the hall for further celebrations and speech making.

The Chairman of the Juvenile Club, Pat Flynn, welcomed the large crowd present and complimented the team members on their fine win in the centenary year of the local club. He thanked the players, selectors, trainers, parents, supporters and anyone associated with this wonderful occasion.

Very Rev. K. Mulcahy, P.P. said he was proud to be associated with this occasion and was very impressed with the team's performance in the divisional final on the Wednesday night and following this he was confident that the team would do the parish proud in the county final, which they did.

Other speakers were team trainers John Jackson and Maurice Geary, and Jimmy Quirk, first chairman of the juvenile club who said that in his long involvement with the GAA in Ballyduff this was the proudest night for him having seen the performance of the team that day.

Congratulations to the team and everyone associated with them on this fine and historic win.

The intermediate footballers were defeated by Slabh ECUa on the score of 1-7 to 0-2 in Cappoquin on Sunday last and so ends their interest in the championship. On Sunday night next, the senior hurlers will play Sarsfields in a tournament game in Aragall.

MINISTERIAL NO TO SCHOOL FOR CAPPOQUIN

Cappoquin's fight for a second level school to replace St. Anne's School, due to be phased out, has reached a critical stage with the announcement by the Minister for Education, Mrs. O'Rourke that she intends to locate a Community school at Lismore to serve the entire area. St. Anne's Parents School Council and Cappoquin Concerned Parents Association held a weekend to consider this critical situation and indicated their intention to continue the struggle to prevent Cappoquin from being wiped off the educational map. At this point the conditional decision are unclear but parents and the public in Cappoquin will be advised as soon as possible.

MINISTERIAL NO TO SCHOOL FOR CAPPOQUIN

Cappoquin's fight for a second level school to replace St. Anne's School, due to be phased out, has reached a critical stage with the announcement by the Minister for Education, Mrs. O'Rourke that she intends to locate a Community school at Lismore to serve the entire area. St. Anne's Parents School Council and Cappoquin Concerned Parents Association held a weekend to consider this critical situation and indicated their intention to continue the struggle to prevent Cappoquin from being wiped off the educational map. At this point the conditional decision are unclear but parents and the public in Cappoquin will be advised as soon as possible.

Congrats "Tipp" - Our congratulations to Tipperary on winning the Munster Final in splendid style. It was a great advert for Munster hurling and a boost to Waterford also, considering our performance against both counties this season. An interesting comment after last Sunday's game was "the selection of independent selectors was the key to success in that they picked players on merit as they picked certain players from certain clubs." At any rate the point was proven.

CONGRATULATIONS

Congratulations from St. Anne's School to Kevin Nugent (son of Mr. and Mrs. Joseph Nugent, Salterbridge) on his success at the Diploma in Engineering Examination at Athlone Technological College. Kevin also won "The student of the year" award at Waterford Regional College where he qualified for Certificate in Engineering in June 1986. We remember you with pride Kevin as our outstanding student here and we wish you the best always.

DEBS BALL

The Leaving Certificate pupils had an exciting and happy night in ball gowns and dress suits at Whitechurch House Hotel on Friday, July 10. Congratulations to all the class and especially to the organising committee, Caroline Connery, Helen Doherty, Linda Mason, Sandra Flynn, Michael Cahill and John McGrath, on the great success of this memorable event. Thanks to the parents and to the teachers for their support and also to the hotel management and staff.

Further Academic Honours For Dr. Colm O h-Eocha

The following is the text of the address by the Public Orator at the ceremony at TOD on Friday, July 10, 1987 at which Dublin University conferred the Degree of LL.D. honoris causa, on Dr. Colm O hEocha, President of University College Galway.

"Our next candidate Colm O hEocha, is a very well-known Irishman, who brought lustre to his tenure of the Chair of Biochemistry in University College Galway, and is now the much acclaimed President of the College itself. His love of the Irish language was inherited from his father, An Fear Ror, who was such a powerful force in the Irish College at Ring. But it is to his own talent for effective leadership that one must attribute the remarkable progress made by U.C.G. under his presidency.

"As a scientist, he has emphasised the importance of links with industry. He was the far-sighted first Chairman of the National Science Council, and he played an important part in the establishment of the European Science Foundation. His sense of public duty was not in doubt when he accepted the major and onerous task of chairing the New Ireland Forum. In the discharge of this office he showed great good sense and great fairness in handling the claims of the two traditions in this island, so closely intertwined but so often and so unhappily vexed by arrogance or intolerance. If only the faction leaders would show such sensitivity and moderation!

Points From County Road Works Scheme Report

Some of the salient points taken from the Report of the County Engineer, Mr. John S. C. O'Flynn, on the County Road Works Scheme 1987 submitted to the July monthly meeting of Waterford Co. Council held in Dungarvan include:—

Dungarvan By Pass — The new Bridge is now expected to be completed by Mid-September, after which the approach roads will be constructed and the bituminous macadam surfacing, already laid from the Youghall Road to the Co-op entrance will be completed to the Coolagh Road Junction. Traffic route lighting will be provided over the entire by-pass, except for a short section between Kilrush Junction and the Co-op entrance, and additionally the present national primary mercury traffic lighting through Dungarvan is being replaced by more energy efficient, high pressure sodium lighting. New Advance Direction and Direction signposting is being provided over the entire by-pass.

It is anticipated that the By Pass will be fully completed and opened to traffic by the end of October.

Kitchenhole — The 1987 allocation is sufficient to carry out interim improvements at

Saiterbridge, to tie in the existing road from Cappoquin with the new alignment. It is unlikely that final surfacing of the section realigned in 1986 at Glenribben can be undertaken, as intended, in 1987. Regrettably, no allocation has been given to extend the project a further 600 metres westwards towards Ballygalane Bridge, thereby completing the western end of the Scheme.

Kiely's Cross - Marine Bar — The £200,000 allocation for this project is most disappointing, and will allow principally for acquisition, fencing and some drainage. A grant of £800,000 would have been necessary to make an effective start on the sizeable earthworks in the scheme which must be undertaken in good weather due to the nature of the soils and which will involve significant disruption to traffic.

Surface Dressing — The desirable Surface Dressing cycle for Regional Roads, and one which Waterford Co. Council achieved up to the mid-1970's would be once in 7 years while the absolute minimum would be once in 9-10 years. Because of the collapse of funding in recent years the frequency had dropped to once in 19 years for 10 miles of road by 1986. In 1987 no allocation has been made.

The cumulative shortfall in Regional Road surface dressing is now 160 miles since 1976 and if the surface dressing is carried out in 1988 the entire Regional Road system will then have missed out its turn for a treatment (on a 7-year cycle). This trend, if continued, will result in the total break-up of this vital strategic network with consequent danger to road users, necessitating very costly reconstruction. Clearly it makes neither engineering nor economic sense to allow this strategic road infra-

structure go to ruin. These roads carry much of the County's trade and tourist traffic. The Council have a responsibility to use every possible means at its disposal to lobby for urgent and accelerated funding for our Regional Roads. If no Surface Dressing of County Roads takes place in 1988, cumulatively the entire 1,320 mile system will then have missed its turn for treatment since 1976. Needless to say it is only a matter of time before much of this network will have broken up and vanished.

Ordinary Maintenance — The cut back in the amount provided under this heading has resulted in inadequate monies being available to keep the workforce in full employment during 1987. To avoid lay-offs and to minimise the impact of short-time working the following measures have also been implemented: Hedge cutting has been virtually eliminated;

Purchase of macadam for pot-hole repair has been curtailed; Hired Plant on Roads Maintenance has been reduced to an absolute minimum;

Labour intensive functions are being given priority; Use of Council plant, where suitable and available is given precedence over hired plant. And staff vacancies are not being filled.

Road Safety — As noted already, the much curtailed programme of ordinary maintenance and surface dressing will result in a serious deterioration in the safety of our roads—the inevitable consequence of which must be an increase in accident risk. The reduced maintenance and elimination of hedge cutting are also resulting in a serious deterioration in the former high environmental standard of our roads—an ironic situation in

European Year of the Environment. Mr. O'Flynn summed up the situation arising from the drastic curtailment of the works required by stating in his concluding remarks in his Report: "Waterford County Council has had a long and proud tradition in the high quality and standard of its roads, 1987 has seen the demise of this proud record with the disastrously inadequate funding available for the Road Works Scheme."

ELECTED TO PD'S NATIONAL EXECUTIVE

The Progressive Democrat Party in Waterford were delighted that Waterford T.D., Martin Cullen, was elected by the Progressive Democrats Parliamentary Party to the National Executive of the Party. This of course will sustain the level of input at the highest levels into the party by Martin Cullen, T.D. No doubt, he will ensure that Waterford's interests are maintained at all times. Martin Cullen T.D., was also appointed by Desmond O'Malley, T.D., leader of the Progressive Democrats to serve on the joint Oireachtas Committee on Women's Rights. This committee has been the hardest working and successful of all the Dail committees. The Progressive Democrats in Waterford were delighted that Desmond O'Malley placed such confidence and trust in our T.D. Martin Cullen looks forward to making a worthwhile contribution to this committee.

CO. COUNCIL

Manager's Report On Short-time Working

The situation which has led to the introduction of short-time working for some 200 outdoor employees of Waterford Co. Council under which from now until the end of next December the men will work three weeks in every five was outlined in a report by the Deputy County Manager, Mr. B. J. McNally and circulated to the members of the Council at their July monthly meeting which was held in Dungarvan. The report which was noted was as follows:—

As indicated at the Estimates meeting in April, 1987, the money available for direct services, i.e. the area that contains the employment potential was insufficient to maintain certain sections of the Council's activities on a basis that would enable full-time employment to be continued for the entire year 1987.

As far back as 1981 the Council stabilised its workforce, having regard to the money then available. This workforce has not been increased since, except in areas where new services have been provided—water supply and sewerage. The workforce has been kept in full employment since 1981 by a gradual resort to labour intensive work, i.e. reduction in surface dressing on County Roads and mechanical hedge cutting. Short-time was a distinct possibility in the latter half of 1986 except that special grants were made available for repair of roads damaged in August, the Small Water and Sewerage Capital monies and the supervisory element of the Social Employment Scheme. Sectional shortfalls were overcome by re-

deployment to other areas, i.e. Housing Maintenance Staff to Main Road Grants. Prior to the adoption of the Estimates for 1987 it was recognised that less money would be available in 1987 than in 1986—the question was, how much—and steps were taken to curtail certain areas of expenditure—purchase of materials, hire of plant, and non-replacement of administrative and technical staff. The Estimates as adopted by the Council showed reductions in allocations in certain areas which has resulted in the necessity to curtail activities below the level of 1986.

SHORT-TIME Decisions were, therefore, necessary and have been taken to minimise the use of hired machinery and to eliminate surface dressing on County and Regional Roads and mechanical hedge cuttings, except with the Council's own plant. Even with these decisions there was still a substantial shortfall and broad proposals on the basis of short-time working for a substantial number of the Council's

staff were discussed and agreed with the Unions concerned. In broad terms, the proposals are that in the period July-December 1987 short-time working of a total of 8 weeks will apply to the employees effected on a 2 weeks off in each 5 week cycle. 205 employees will be effected in the works area of Overseers area, Machinery Yard and Stores. In the work areas of Main Road Grants and Housing Maintenance work will continue as normal and be revived in September. Discussions are on-going with the Unions concerning the transfer to Library area, refuse collection and use of Scut Trucks.

The lay off will not apply to supervisory grades, i.e. Overseers, Foremen or staff engaged on Water/Sewerage works.

COUNCIL'S OWN PLANT As a consequence of the shortfall in money and the re-direction into labour at the expense of machinery, has an effect on the utilisation of Council plant. In the last two years the percentage of Council plant

utilised on Main Road Grants has increased and hired plant decreased. Since 1980 the composition of the Council's transport fleet has changed—the larger trucks being replaced by Scut Trucks—which has given a more economical method of achieving the desired results. The problem now is that there is a diminishing quantity of work economically suitable for some of this plant.

ADMINISTRATIVE AND TECHNICAL STAFF

In 1985 the Council were under a Government Directive to reduce permanent staff by 5% by the end of 1987. This directive has been replaced since 1st June, 1987 by a commitment of filling of vacancies, except in the case of key posts.

Currently there are 5 vacant posts in the Administrative/Technical staff and 4 leaving of absence, on either secondment, career break or job sharing. These 9 positions are being covered by 5 temporary staff, 4 Clerical/Administrative staff are currently on maternity leave, for which 1 temporary staff was engaged. There are 4 temporary Engineers on Main Road Grant works—one as resident Engineer on Dungarvan Bridge, two on supervision of existing work and one on 1988 planned works.

The conditions of employment of permanent workers precludes short-time working or lay-off. Temporary staff are on a month to month term of employment.

DUNGARVAN SCOUT NOTES

ANNUAL CAMP On Sunday, June 28, the travelling scouts gathered at the Den to embark on our annual camp. This year's venue was Gillwell Park, Gillingford, London—the home of scouting. We left the den at approx. 6.15 by super bus which took us straight to Gillwell. We pitched our tents, got our campsite rafted off and then headed straight for the pool where we stayed for at least an hour.

On Tuesday we woke up with the sun shining in our tent doors. We took a dip before breakfast and while the leaders went for grub we played games and sunbathed before dinner. After dinner we went canoeing on the "bomb hole" a crater opened up by an exploding bomb during World War II.

On Wednesday, July 1, we started our tour of the big city. The first place on our itinerary was the Imperial War Museum where artifacts from World Wars 1 and II are kept. Our next stop was the City of Westminster where we saw Big Ben, the House of Parliament and Westminster Abbey. While in the Abbey we visited the grave of the unknown soldier, dedicated to the soldiers of all wars who died and are buried in unmarked graves. We also saw the tombs of the Duke of Buckingham, Queen Elizabeth I, Mary Queen of Scots and a plaque dedicated to Lord Robert Baden Powell of Gilwell, founder of the Boy Scout movement and Chief Scout of the World.

On Thursday we went to see the Tower of London which began construction under the reign of William The Conqueror to protect the city and its citizens. We went through all the buildings there which are now used as museum for arms and armour ranging from Oriental to British to the modern day Fusiliers. We also saw Traitors Gate and the site where the chopping block was placed, as well as the crown jewels. Afterwards we visited Tower Bridge and HMS Belfast, the navy's floating museum. Here we saw wartime pictures of her construction by Harland & Wolfe. We had a tour of the ship then and saw all that was to be seen.

Our next stop was Piccadilly

Circus where we saw the Guinness Book of Records building where the life size models of all the world's record holders were on display. On Friday we visited Buckingham Palace at 10.30 to see the changing of the guard and we visited the Cabinet War Room where Winston Churchill directed the second world war. After that we headed for the National History Museum which housed the remains of some weird looking animals.

We then visited the Science Museum and after looking at some fabulous vintage and modern cars we went to the Space Exploration section. Here we saw life-size models of the lunar module and stabilisers. We also got information about the American planned space station and solar power satellites.

After spending hours in both museums we went down to the birthplace and home of Ben Powell, the founder of scouting and toured around it for a while. Saturday was a day of rest and the lads were allowed to sleep until 9.30. During the day we swam and lazed around, recovering from our busy schedule.

On Sunday we visited one of London's best known street markets, Petticoat Lane. After this we visited St. Catherine's Docks where we saw an old Roman Bridge, some schooners and a whole load of historic ships.

On Monday we went down Baker Street to Madam Tussauds where we visited the planetarium. In the dome we were told how our ancestors used the stars to find out what season it was. They explained also about super novae and comets and some planets which in a few billion years time may possess life.

After the show we entered Madam Tussauds and saw the wax models of famous people close-up. After that, we visited London Zoo and followed this with a visit to the dungeons. Later on that evening we threw a surprise birthday party for Derek Dwyer. On Tuesday we went into Oxford Street and gave the lads free time to go shopping and have a look around at the record stores and shops.

On Wednesday we went on a tour to the RAF Museum, Hendon and Wembley Stadium, or gawped every Wednesday during the staff at Gillwell. At Hendon we saw all the planes from the bombers used in world war 1 to those used in Vietnam. We also visited the Battle of Britain Museum where we learned some of the history of that famous air conflict.

On Thursday we went into London and went on a tour boat to Greenwich where we saw the Cutty Sark, the queen of clipper ships and Gypsy Moth IV which was the boat in which Sir Francis Chichester sailed single handed around the world in 1966. After that we went to the National Maritime Museum where they had relics of old ships uncovered during archaeological digs. Afterwards we went up the Greenwich Observatory which is the only place in the world where the time on our watches is right according to the sun overhead.

Friday was a day of rest and that night we had a final game of volleyball as we spent our last night in Gillwell. On Saturday we were packed by 5 a.m. and on the long journey home. We arrived back in Dungarvan at 9.30 a.m. on Sunday morning and all agreed that it was an experience we will never forget.

REPAIR COURTHOUSE OR 'LL MOVE WARNS DISTRICT JUSTICE

Conditions in Kilmactomas courthouse are so primitive that solicitors sometimes have to consult with their clients on the street outside. On Wednesday of last week, District Justice Patrick Keenan Johnson issued an ultimatum to Waterford County Council to renovate the "shabby" court building by September or he warned he will move the court sitting to Waterford, 16 miles away.

Q. — I have had a medical card for the past ten years. During that time I attended my doctor whenever necessary and found the service very good. Unfortunately my doctor died a few months ago. He is being replaced by a new doctor. What I want to know is can I change doctors now and become a patient of the other doctor in the town. I feel that he would know more about my condition and circumstances than this new young doctor?

A. — When a doctor with medical card patients retires or dies the local health board advertises to fill the vacancy on the panel of doctors. When this vacancy is filled the medical card patients then become the patients of the new doctor. Unless there are exceptional circumstances you must stay on the new doctor's panel for at least three months. If after 3 months you wish to change doctors you may apply to the Health Board. They will send you out a form and a list of doctors in the area to choose from. If the doctor of your choice has already got a full quota of patients he will not be able to accept you as a patient and you will have to try the other doctors on the list. Once you find a doctor who accepts you as a patient you may then proceed to use his services in the same way as you did with your original doctor.

G.A.A. Notes

Senior Football Championship Resumes

NEXT WEEK-END It marks the resumption of the football championship and as expected twelve of the fourteen clubs will be involved.

Because of the Munster football final, all of the six matches will be played on Thursday, Friday and Saturday, while the senior hurling play-off between Mt Sion and Ballygunner takes place at Walsh Park on Saturday.

The unprecedented demand for stand tickets, indicates huge support from this county and like the two hurling finals, the supply didn't nearly meet the demand.

For the footballers this is the make or break stage and on Saturday night all will have a fair idea of where they will stand as far as the concluding rounds are concerned.

DUNGARVAN v. RATHGORMACK The chances are that, both these clubs are already gone out of contention.

Stradbally v. KILROSSANTHOMAS Unbeaten in two matches, Stradbally must start favourites in this attractive tie at Leamybrien on Friday.

DUNHILL v. BALLINAMEELA Ballinameela have already created the shock of the season, when beating the champions, Kilrossanty and it is likely to have all been for nothing if they lose this game against Dunhill who carry three points into the match.

Ballynacourty v. KILROSSANTY Having suffered their first defeat in three years in championship football, Kilrossanty will go to great lengths to make sure that it won't happen again in this championship. For this reason we can expect to see them all out from the start on Saturday night at Stradbally.

Ballynacourty have had two near misses in their outings so far, having lost by a point to Clashmore and playing a draw with Dunhill. They are a younger team and seem to be improving with every game, but the question of whether or not they will have improved enough to beat a team like Kilrossanty, is something we leave to Jimmy Healy, Brendan O'Riordan, Michael and Ger Collins, Ray Moloney, Bosco O'Mahony, John Melody, Joe O'Riordan, Mce. Foley, John Mulligan, John O'Mahony, Willie Kiely, Dan Looby, Seamus Power, Timmy Organ and company who will be going for their first win of the season.

Kilrossanty are favourites and are expected to win.

NIRE v. FERRYBANK The Nire have at last found their true form, as demonstrated by their display against Kilmacshommas and will be fancied to beat Ferrybank at Kilmacshommas on Saturday evening.

Clashmore v. BRICKEYS Clashmore are the likely winners of this one. A win would give them six points and leave them with a fair chance of qualifying in their section. Beating Ballinameela and Ballynacourty did not come easy and in the game against Butlerstown they left their best efforts until too late.

Brickeys have played only two games and although losing, they did well enough in both. They lost their first match to Dunhill by a couple of points in a low scoring match and gave Kilrossanty a fright for a long time in their meeting. I don't see them beating Clashmore, but they could go dangerously close.

OTHER GAMES

The meeting of Emmetts and Fahs in junior football will be a very entertaining game at Fraher field on Saturday evening and here the up-and-coming Fahs team will be fancied to beat the Colligan team.

The intermediate football clash between Shamrocks and Affane at Lismore on Saturday could provide a better game than many of the senior contests. Shamrocks will no further senior hurling working at the moment, are giving all their time to improving their football and are most people's short list for this title. Still the championship is still wide open and all but Tallow are still in with notions of the cup.

At Cappoquin on Saturday, Lismore and Melleray meet in junior football and here a win for Lismore is expected.

CROKE PARK CONCERTS

They will be discussed at the August meeting of the County Board when a motion in the name of Nioclus MacCraith will be before the meeting. At last week's meeting, the O'Geach Gaeilge, complained that the association, who were supposed to promote Irish culture, has allowed this type of entertainment into our national stadium. Apart from the damage done, the concerts should not be allowed there he said.

Note. On the following day, the start at Croke Park announced that the Leinster hurling final between Offaly and Kilkenny was postponed, because of the condition of the grounds.

NATIONAL SCHOOL OF COACHING

The G.A.A. National School of Coaching will be held at Fiannelly's Hotel, Galway from August 4th to August 7th. There will be four courses, Club and County in hurling and the same in football. The County Board and County Board na Boinne will each send a coach and the county chairman appealed to clubs to think about sponsoring a member who would be willing to attend. The all-in cost of the course is £175 per person, which someone at the recent Board meeting described as outrageous.

GATEMAN ASSAULTED

An assault on a gate official on the evening of June 21st, on the occasion of the Ballyduff / Clonea senior hurling game, was the subject of a report to County Board last week. The chairman stated that the report had been considered by the executive and action had been taken. He said if this was not successful then other measures which had already been considered, would be put into operation.

NEW CISDE NA PEIL

The following members were re-appointed to Císde na Peil for a twelve month term: P. J. Coleman, chairman, Stradbally; John Fraher, Affane/Cappoquin; Jimmy McGrath, do.; Noel Kirwan, Rathgormack; Michael Brophy, St. Saviours; Eamon Martin, Brickeys; Joe Conway, Ardmore; S. O'Brien, Abbeyside; Ballinacourty; Western Board chairman, Denis McGrath was elected as an additional member.

FINANCE

The chairman announced that it will be necessary to place an embargo on fundraising by clubs from January next as the County Board is now badly in need of finance and will have to embark on a major scheme to raise money. He said a scheme which would involve clubs as well as the Board and which would yield profits on a 50/50 basis was being considered and an embargo would be made when details were worked out. Nioclus MacCraith, strongly objected to the idea of an embargo and would oppose it when it was being put to the members at whichever meeting the scheme was being outlined.

PARKS COMMITTEE

A new Parks Committee who will be responsible for development of both County grounds and who will be able to advise clubs on the matter of grants, loans and development, is to be set up at the August meeting of the Board. The committee will number eleven, with six being elected and five being nominated or appointed by field committees at Fraher Field and Walsh Park will cease to exist, but a small caretaker committee will continue to function under the direction of Císde Gnotha.

CENTENARY

For very many of our units throughout the County this is Centenary time and we hear of appropriate events being staged to honour the occasion. Reading through some old records recently I came across the following: "The first ever football championship match played under G.A.A. rules took place in Elm Park, Merrion, Dublin on July 21st, 1887 between Louth, (represented by Dundalk Young Ireland) and Waterford (represented by their champions, Ballyduff Lower). Louth won by 1 goal and 8 points to 2 points for Waterford. The second ever championship took place three days later when Kilmacow, for Kilkenny defeated Lees of Cork, at Dungarvan".

ARDMORE PIPPED

This means that, exactly one hundred years ago, yesterday (Tuesday), Waterford played their first official inter-county game. I'm sure the matter wasn't overlooked by Ballyduff Lower who are still going strong.

LEAGUE FIXTURES

The list published over the weekend shows Waterford hurlers in among the elite. Away to Cork, Clare, Tipperary and Limerick, the team will find it very difficult to remain in Division 1.

As will be seen from the list we have a reasonable chance of having the All-Ireland champions at home, this side of Christmas.

NATIONAL HURLING LEAGUE 87/88

Oct 11 - Waterford v. Kilkenny; Oct 25 - Cork v. Waterford; Nov 8 - Clare v. Waterford; Nov 15 - Waterford v. Wexford; Nov 29 - Tipperary v. Waterford; Feb 21 - Waterford v. Galway; March 6 - Limerick v. Waterford.

Waterford replaced Offaly and will have only three home games. The first named on the list have a home venue.

NATIONAL FOOTBALL LEAGUE 87/88

Nov. 8 - Tipperary v. Waterford; Nov. 22 - Waterford v. Limerick; Dec. 6 - Waterford v. Wicklow; Dec. 12 - Carlow v. Waterford; Feb. 7 - Waterford v. Longford; Feb. 14 - Wexford v. Waterford; Feb. 28 - Waterford v. Kilkenny.

WESTERN BOARD FIXTURES

Following an Officer Board Meeting on Thursday last, the following fixtures were announced.

Intermediate Hurling - Abbeyside v. St. Mary's at Dungarvan, August 1; Abbeyside v. Kilgobinet at Dungarvan, August 16, 7-30 p.m.; Tallow v. St. Mary's at Cappoquin, August 8.

Junior Hurling - Ballysaggart v. Ardmore at Cappoquin, August 5, 7-30 p.m.; Stradbally v. Tourin at Dungarvan, August 2, 7-30 p.m.; Ballyduff v. Lismore at Tallow, Aug. 1; Shamrocks v. Cappoquin at Lismore, Aug. 1; Kilrossanty v. Modeligo at Abbeyside, Aug. 1; Ring v. Modeligo at Dungarvan, Aug. 8. Both Melleray and Geraldines have qualified for the semi-final of the 'B' championship.

Minor Hurling 'A' Final - Lismore v. Tallow at Cappoquin, August 29.

Minor 'B' Hurling - St. Patrick's v. St. Oliver's at Dungarvan, Aug. 22; St. Patrick's v. Abbeyside at Dungarvan, Aug. 27.

Junior Football - Stradbally v. Clashmore at Abbeyside, Aug. 8, 7-30 p.m.; Winners v. Kilrossanty at Dungarvan, Aug. 16.

Minor Football Semi-Final - Abbeyside v. Dungarvan at Dungarvan, Aug. 12, 5-30 p.m.; Drum Rovers v. Kilrossanty at Dungarvan, Aug. 12, 7-45 p.m.

Minor Football 'B' - Naomh Brid v. Affane at Dungarvan (Date to be fixed).

RESULTS

Portlaw, as was more or less expected, defeated the County champions, Mount Sion at Walsh Park on Saturday evening in a game that failed to produce the kind of top-class hurling that many among the disappointing attendance, had expected. Portlaw led by eight points to three, at half-time and an early Mount Sion goal in the second half, put life and excitement into the match for a while but all the time, the winners appeared to be in the drivers seat and weren't ever in real danger. The champions were without Pat Ryan and Pat McGrath and by all accounts they will badly need both back when they line out against Ballygunner on this Saturday at Walsh Park, for the play-off to decide the fourth semi-final spot.

Portlaw, Ballyduff and Roanmore have already qualified and one of the semi-finals will be played on August 22 and the other on the following Sunday. The County final is now certain to be played at Walsh Park on the second Sunday of September.

Shamrocks although not concerned in the closing stages of the championship, went into a "blaze-of-glory" when ending up with a good win over Clonea in their final match which was played at Cappoquin on Friday. The game was very entertaining.

In intermediate hurling Fourmlewater defeated Abbeyside and made sure of their place in the semi-final against Abbeyside or Kilgobinet. Tallow have already qualified.

TALLOW v. ERIN'S OWN

Unless many of the long-range forecasters are way out, the County final of the intermediate hurling championship will be between the above clubs and whatever happens at senior level, this will be something to look forward to.

ARMORE PIPPED

This without any doubt has been Ardmore's year of hard luck. Their latest hard luck story was written on Saturday night when they looked to have the intermediate football tie against An Rinn won, when a last minute goal denied them victory.

UNVEILING OF PLAQUE

A very impressive ceremony will take place at Ardmore grounds on Saturday next when the club will unveil a plaque to one of their greatest ever clubmen and their former chairman/secretary the late Michael O'Brien.

HANDBALL NOTES

Munster Junior Semi-Final Cork v. Waterford Our junior representative J. J. Wright of Kilgobinet club gave one of the best performances of his handball career when he beat M. O'Toole of Capwell and Cork in two straight games and is now into the Munster Final. When you realise O'Toole who is a senior 40/20 handballer and also handball, you can gauge the merit of J. J. Wright's win.

Of course J. J. already has amassed seven Munster championships. He won the Munster doubles last year and I am sure he will give it his best in the final against Tipps. B. McCarthy of Clonmel club who is also operating in senior Handball and 40/20. To Tipp must be a favourite but the Kilgobinet mentors are quietly confident. Goog luck J. J.

RECENT WEDDING

Congratulations and best wishes for their future happiness to Pat Dunford, Kibbreen and Ann Meehan, Knockmeal, who were married in St. Mary's Parish Church, Touraneena, recently. The reception was held in Lawlor's Hotel, Dungarvan.

LETTERS TO THE EDITOR

SOCIALIST SUMMER CAMP

Sir, Labour Youth's 1987 Socialist Summer Camp will be held beside the Aylewarroo Caravan Park, Kilmush, Co. Clare from August 7-14 next.

Several hundred young people and trade union activists are expected to attend this year for a great political holiday.

The political aspect of the camp includes discussions on the campaign against the health cuts, the fight against unemployment and a debate between Labour Youth and the Communist Party on "Is Russia Socialist?" Guest speakers will include Dave Nellist the British Labour MP, Nimrod Sejake the exiled South African trade union leader and Chris Hudson, a recent visitor to El Salvador and Nicaragua.

For further information please contact-

Kevin McLoughlin, National Secretary, Labour Youth, 16 Gardiner Place, Dublin 1, July 17, 1987.

The holiday aspect involves sports, quizzes, socials, fishing, discos, barbecues, live music and much, much more.

The cost is relatively cheap too - £45 for the week (£35 unwaged) and £25 for the weekend (£20 unwaged). This includes access to all campsites facilities, social events and 3 good meals a day. A creche is provided and under-12s are free apart from a small charge for food.

Any of your readers who would like to attend are welcome to do so and anyone wanting more information can contact me at the above address.

Yours etc., KEVIN McLOUGHLIN, National Secretary, Labour Youth, 16 Gardiner Place, Dublin 1, July 17, 1987.

Carriglea Athlete To Represent Ireland At World Special Olympics In U.S.A.

Anne Byrne, a trainee at the Workshop in Carriglea is one of 70 athletes who will represent Ireland at the International Special Olympic Games, being staged in Indiana in the USA, from July 31 to August 8, 1987. The Irish team was selected in November, 1986, as a result of various qualifying competitions held throughout the country.

The theme of the 1987 Special Olympics is "Uniting The World" and that's exactly what these games are about. The Limerick Prison Officers Association are sponsoring all the Irish athletes.

Anne is 23 years old and resides in a hostel in Dungarvan. Besides track and field, she also enjoys gymnastics, swimming and badminton. At the European games in Dublin in 1985, she won a gold medal in the voluntary floor routine section for gymnastics.

and 400m sprints; she is also a member of the Irish 4x100m women's relay team. Anne, her coach Tom Scanlan plus the entire Irish team depart from Shannon for Indianapolis on July 29, 1987. We take this opportunity to wish them every success and an enjoyable stay in the U.S.A.

Photographed above are Anne Byrne and her coach Tom Scanlan. (Photo: John Tynan)

Her training has been on-going since December 1986, incorporating circuit training, interval work, jogging and sprinting. At present she trains five days a week for 30 minutes a day. In America Anne will be participating in both the 100m

GERALDINES G.A.A. NOTES

INTERMEDIATE FOOTBALL CHAMPIONSHIP

Geraldines 3-8; Tallow 0-9. In one of the hardest games we had for a long time we eventually overcame Tallow at the Ardmore Gaelic field last Friday evening. Make no mistake about it, Tallow were really in the game until ten minutes from the end. Only two points separated the teams for a long time in the second half.

However from now on the real championship starts for us as from now it is a knockout championship.

The Ardmore pitch was in excellent condition and referee Declan Hennessy and his team of officials did a great job. Line out - Liam O'Donnell; Micko Connell, Johnny O'Brien (capt.), Seamus Meskill, Conor O'Riordan, Billy O'Connell, Brendan O'Grady, Paddy Corkery, David O'Brien, Tony Hally, Padraig Kiely, Joe Salmon; Bill Cotter, Michael Kiely, Pat O'Brien. Subs.—James (Jock) O'Connell for Billy O'Connell; Gerry O'Brien for Tony Hally; Eddy O'Brien, John Longan, Brendan Merrin, Tom Landers, J. Broderick, Mick Broderick, John O'Brien, not used.

Both teams got some great scores in what proved to be a very entertaining game of football.

Referee Eddie O'Shea, Affane/Cappoquin, did an excellent job.

Line out - Liam O'Donnell; M. O'Connell, J. O'Brien (capt.), S. Meskill, C. O'Riordan, B. O'Connell, B. O'Grady, D. O'Brien, G. O'Brien, P. O'Brien, P. Kiely, P. Corkery, T. Hally, M. Kiely, B. Merrin, Subs.—J. Broderick, J. O'Brien, J. Longan, T. Landers.

FESTIVAL RESULTS

Under 12 Football, St. Olivers beat Clashmore, Kinsalebeg, Referee Francis Aherne, Brickey Rangers.

Ladies football Ardmore beat Ballinameela / Aglish. Referee Fr. Pat Fitzgerald, Ballinameela/Aglish beat Kill. Referee Jim Joe Landers.

Football Final Geraldines beat Colligan Emmetts. Referee Eddy O'Shea.

AGLISH FESTIVAL TOURNAMENT FINAL

Geraldines 2-9 Colligan Emmetts 2-3

On Saturday evening last we beat Colligan Emmetts in the final of the Aglish Festival football tournament, played at Aglish. There was fine open football in this match which was played at a very fast pace.

MANAGEMENT-WORKER RELATIONS IN DAIRY CO-OPERATIVES

More effective communication channels are needed between workers and managers in dairy co-operatives according to a study published by An Foras Taituntais.

The author, Patricia O'Hara of AFD's Rural Economy Research Centre, examined recent trends in industrial relations in dairy co-operatives and found that worker-management relations were significantly different in the north-east and west from those in the bigger co-operatives.

Both managements and unions acknowledged this difference and attributed it mainly to size and the nature of the workforce.

Co-operatives in the northern half of the country are smaller and less centralised. Decisions about wages and working conditions can be made less formally, with branch managers settling most issues locally.

Patricia O'Hara points out also that in the northern co-operatives workers are often suppliers themselves or family members of suppliers. Thus workers and suppliers alike feel a common sense of commitment to the co-operatives.

In the south, co-operatives have a higher proportion of large scale suppliers and the workers are mainly town-dwellers who have fewer links with the farming community.

The report recommends ways of minimising tensions between workers and management, such as encouraging employees to become shareholders, election of employees representatives to boards of directors and co-operative sponsorship of social activities of workers.

EUROPEAN PARLIAMENT BRIEFS

EXPORT REFUNDS

Speaking in a debate at the European Parliament in Strasbourg on the system of refunds granted to agricultural exports from the Community, Mr. T. J. Maher (Independent, Munster), said it was very important to have firm control in this area, as any frauds would tend to bring the CAP into disrepute. Farmers were getting no benefit from frauds, it was the international traders who profited. It was especially easy for multinational companies, operating in several member states, with the backup of auditors and other experts.

The concept of export refunds should stand, otherwise storage costs would grow even higher. Monitoring systems should be improved and coordinated and the scope for fines widened.

Parliament also debated three reports on different aspects of waste disposal.

Speaking in the debate, Mr. T. J. Maher called for the maximum use of incineration. This reduced and purified the waste, and could be used to produce useful heat. He called for more research on sewage treatment, as he believed it could be recycled very effectively as natural organic fertiliser and would be much safer than artificial fertilisers. As for nuclear waste he believed the countries that produced it should store it on their own territory.

REMEMBERING OTHER DAYS

We are indebted to Mr. Seamus O'Brien, Abbeyside for the picture which we publish this week in our "Remembering Other Days" series. The photo really recalls other days—the days of donkeys and carts and horse and pony creels—and while we have been unable to pinpoint a date for it, it must go back to the fairly early years of this century. The couple in the photo are Mattie and Mrs. Curran, Ballinock, Dungarvan selling cabbage plants on a market day in the Square in Dungarvan while close by are the creels in which, most likely, pigs and bonhams had been brought in to the market for sale by other members of the farming community. The photo certainly reflects life as it was in Dungarvan several decades of years ago.

ABBEYSIDE SCOUT NOTES

TROOP MEETING

As camp was only one week away and as all the work for camp had been taken care of under the watchful eye of Ray, the scouts went for a spot of canoeing. Michael, Brian and Sean were to be in charge of the "water babies" for the evening. Have we some real canoeists amongst us? Michael Sheehan, Derek Kenneally, Mark Stearn and Michael Kelleher all could be after Declan Byrne's place in the Irish Olympic squad. After about an hour and a half in the water we departed

for the den. Back at the den Joe gave final info and departure times and what gear to bring for camp. The meeting ended at 9 p.m. with a court of honour for the PL's.

GENERAL

It's reported that the men who travelled to Clarinbridge with our camp gear made some major purchases. I suppose when they didn't sell some of our gear we can count ourselves lucky! Paddy is still amazed that the rabbits bred so fast. The big question now is will

our scout leader be able to control the weight on this camp? Will Ray use his new first-aid kit? Scouts are reminded that he also has a first aid kit for bicycles so if you see him pulling out a spanner when you report a headache, don't be surprised.

Next week we hope to have all the camp info in the notes. No doubt, we'll have some tall tales from the wild west.

CAMP

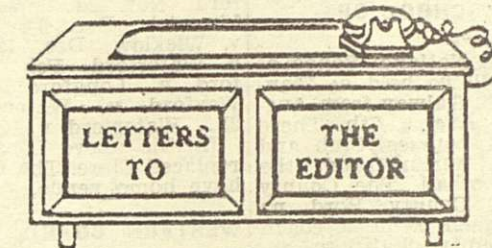

A proper scout camp offers many opportunities and here are some: The opportunity to see how some of the other half of the world live. The opportunity to try in practice those things we have tried to learn. The opportunity to try to find the reason for having learned these things. The opportunity to be at the same time self-reliant as individuals and interdependent.

A scout camp offers a remarkable lesson in the problems, the opportunities and the joys of organised community living. Yet what is done in camp is relatively unimportant, in comparison with the way in which it is done. And there can be no work and no play in a scout camp, because the two are deliberately and irrevocably intermingled in a way which defies unravelling. When all is said and done about programmes and activities, in point time sleeping, the preparation of food and the performance of eating are major activities of any camp. I mention this because, although it may be obvious, it is sometimes overlooked and it seems to me that the thing that are done most matter most.

Success in our movement is more attitude than aptitude.

BULLDOZING OF ST. DECLAN'S ROAD

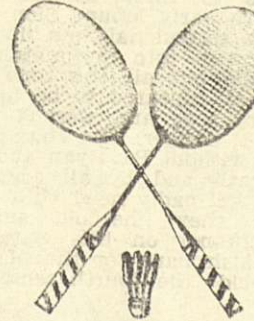

A Chara. I was perturbed and alarmed by a recent report of the bulldozing of part of St. Declan's Road, the ancient highway between Cashel and Ardmore known as Rian Bo' Bhadráig and one day last week went to investigate, to discover that my fears were only too well-founded.

From Cnoc na Sceithe cross-roads (near Ballinameela), the damage can be clearly seen as an enormous scar running right across the old road and the apparent aim has been achieved in incorporating the land on either side plus the road into one enormous field.

I was accompanied that day by a Dutch girl from Amsterdam presently in Ireland working on a thesis which involves St. Declan and the Ardmore Pattern, and she was deeply

DUNGARVAN BADMINTON CLUB NOTES

Even though we have the long evenings with us, a large number of members still enjoy their game of badminton at the Sports Centre. Last Thursday, the early arrivals were entertained by a Danish gymnastics team who gave a wonderful display.

CLUB TOURNAMENT

All members are advised that the club's tournament will be held on Thursday, July 23 at 9 p.m. sharp. They must be at the Centre at 8.45 p.m. sharp as the draw for partners will take place then. So you have been advised that 9 p.m. or afterwards will be too late. Please be in position at 8.45 p.m. and give club captain Brid Ní Murchadha as much co-operation as possible.

CONGRATULATIONS

Congratulations go this week to club members Carol Purcell and Martin Walsh who were married recently. We wish them many years of wedded bliss.

CLUB NIGHT ROTA

Thursday, July 23 - Evelyn Torrens and John Young; Thursday 30 - Mary Walsh and Jim Kiersey; Thursday, Aug. 6 - Catherine Maher and Brid Ní Murchadha; Thursday, 13 - Mossie Norris and Jackie Ahearn.

DUNGARVAN G.A.A. NOTES

VITAL S.F. GAME

Our final chance to get back into contention in the county senior football championship comes on this Thursday night when we play Rathgormack at Leamybrien (7.30).

We are without a win from our two games played—against Tramore and Ferrybank. Ironically however we could now be on our way to a semi-final place because we lost both those games by a tantalising one-point margin and with any luck at all could have won them.

Rathgormack, like ourselves, are also without a win and so as well as seeking to get back into the title race we are also desperately keen to avoid a relegation situation.

Playing in top form there is no reason why we cannot win and not boosted by the absence yet again, of a number of established players.

PHELAN CUP DEFEAT

We bowed out of the Phelan Cup (senior football) last week when going under to Kilrossanty at Stradbally by 1-13 to 0-9. This was a very encouraging display however by an under-strength side and the county champions were pushed hard for most of the hour.

The Under 21 hurling and football championships in which we hope to have a major say will be getting under way in mid-August. We have been given a first round bye in both so hopefully we won't have players absent on holiday by the time we are going into action.

Realistically these championships provide us with our best chance of winning a divisional and county title this year, although we'll have our work cut out to achieve those targets. Still, it's everything to play for as far as the club is concerned in the Under 21 grade.

THE FINAL DRAW

Our participation with Lismore, Kilrossanty Dunhill and Roanmore in the confined "Co-op Development Draw" has proved to be an outstanding success. A large number of supporters from the county travelled to Kilrush for the week-end.

The fifth and final monthly draw takes place in Dunhill on this Saturday night when once again a brand new car or £6,000 will be the top prize.

The club is indebted for the level of support given it in this major fundraising effort and through their generosity we have benefited substantially from it. Hopefully several more

prizes will be won by Dungarvan subscribers on Saturday night.

A reminder then to our wonderful promoters to ensure that all monies are in by this Thursday night at the latest. We are asking for one final push to round off what has been a super effort on their part over recent months.

BINGO VOLUNTEERS

Thanks to the dedication of a small band of workers, the weekly Friday night bingo sessions at the Presentation Community are proving quite successful.

However, to-date, the work involved is being shared by one same few week in week out, and therefore we would be delighted to have a number of workers along to read a hearing hand.

LADIES DAY OUT

Members of the ladies committee organised their annual day out last Saturday when Cork city and Killarney were visited. There was an excellent turn-out and while I've not been made privy to what did and did not happen on the day, I've been assured everyone enjoyed themselves to the limit.

Isn't it time the menfolk began thinking along similar lines?

Comhaltas Notes

Well done to all those who represented Co. Waterford at Fleadh na Mumhan in Kilrush last week-end and especially our prizewinners—the Ban A' Gheanna Ceili Band, Ballyduff, Ballinvelva / Ballysaggart set dancers senior, Michael Morrison, Sean Norris, Brid Halley, Cristiona Ni Inneaduin, Shirley McGrath, Bernadette Fitzgerald, Seamus Brady, Alice Fitzgerald, Willie O'Brien, Marie Mulcahy, Caroline Fletcher.

A large number of supporters from the county travelled to Kilrush for the week-end.

CEILI

Waterford Co. Board of CCE will hold a ceili in Lawlor's Hotel on Sunday, July 26. Music by the popular Shannonside Ceili Band from Clare. See this paper for advertisement.

At St. Declan's Scout Den, Cappoquin recently, Paddy Kenneally, Chairman, Waterford County Council, presented a signed Address to John Meskill, Scout Leader, to be presented to the Mayor of Kapele, Yugoslavia, where the Cappoquin Scouts are going on their Summer Camp. Also included: Willie Gallagher, Unit Leader; James A. Walsh, M.C.C.; Sean Moynihan, Chairman Unit Council, and scouts. (Photo: David Stearn)

APPEAL AGAINST DUNGARVAN HOUSING DEVELOPMENT
 Objectors to planning permission granted by Dungarvan Urban Council to M/s Damien Dillon, Architects, on behalf of Mr. John McGrath, Kilrush for the erection of three houses at Church Street and Jacknell Street junction are to appeal against the development to An Bord Pleanála.

This was confirmed by the Co. Manager, Mr. Dan Hurley in reply to a question asked by Cllr. D. Goode at the July monthly meeting of Dungarvan Urban Council.

Mr. Hurley said that before he made the order he had submitted the application to Mr. John Reid of the Council's Planning advisers and following consultation with him he had granted the permission subject to certain conditions which had been set out.

DUNGARVAN CAUSEWAY TENNIS CLUB NOTES

The Heine Day Cup took place in St. Anne's, Waterford on Sunday July 19. Our team was Judy O'Brien, Delema Lenihan, Susannah Dalton, Mary Phelan, Colin Carly, Austin Kiely, Conor Dempsey and Niall O'Mahoney. They were defeated in the second round of the cup section by St. Michael's, Blackrock.

Our juniors have been competing in various open weeks. Judy O'Brien had a splendid win in the A Section of the Clonmel Senior Week. Rachel Byrne had two great successes in winning the under 12 singles in Rushbrook on Saturday 11th and the following Saturday winning the same event in Sundays Well. In the under 14 singles both Patrick Veale and Peter Foley were knocked out in the quarter-final in the Tramway Open Week, while Gerard McCarthy advanced as far as the semi-finals. John Ryan reached the final in the under 16 singles and Luke Brennan won the under 18 handicap singles in Sundays Well. Claran Higgins reached the semi-final in the under 12 singles. Well done to all concerned.

Preparations are well under way for our Junior Open Week which starts on Monday, July 27. Entries will be accepted by Sheila Veale (42285) or Colin Carly (41058). Entries close at 5 p.m. on Friday 24th. Various social events are being organised which include table quiz, disco, treasure hunt and barbecue (weather permitting). With the extra space afforded by the extension to the clubhouse we hope that the open week will be even more successful than last year. — PRO.

Bord Na nOg Notes

ST. CATHERINE'S G.A.A.
 B Grade Hurling Championship at Youghal: St. Catherine's Rovers 2-5 — A great second half resurgence in the St. Catherine's team saw them shake off a half-time deficit of 4 points and battle their way back to finish level with their opponents at the final whistle. The prevailing strong wind militated against their play in the opening stages, but adjusting themselves to these adverse conditions and hurling with more conviction and confidence they eventually broke down that strong barrier and lived to fight another day.

Team — Billie Mulcahy, Batty Connell, Oliver Twomey, Billy Barry, Paddy Ahern, Pad Joe Moran, Mollie O'Neill, Donal O'Leary, Edward Sheehan, Richard O'Keefe, Matt Harpur, Michael Walsh, Pad Leahy, Don Mangan, John Lane, Subs., John Hartnett, Billy Carr, John McCarthy, Willie Gleeson, Gortree, refereed.

TALLOW AND ROUNDABOUT NOTES

U-12 County Hurling Final at Castletownroche: St. Catherine's 4-10, Abbeyside 3-5 — Resounding cheers reverberated around the Castletownroche gaelic pitch last Monday evening in this pulsating final. Abbeyside had some splendid players on view especially in the forward line, but Catherine's were superior with an overall balance and fired with great enthusiasm, shot into an early lead which they held to the end.

The cup was presented to them by Michael Luanaigh, Leas-Cathaoirleach of the County Board. He was loud in his praise for the excellent fare served up by both teams. He complimented those responsible for their great skill on the field and went on to say that the future of the game was safe judging by the exhibition given by these young lads.

The team was: Michael O'Brien, Richard Cotter, David O'Connell, Brendan Noonan, Gerard Lynch, Jim Lane, Kevin O'Connell, Kieran Morrison (capt.), John Sheehan, Michael Hegarty, Brian Cotter, Martin O'Keefe, Mark Spillane, Desmond Lucey, Paul O'Connell, Sub., Michael Dorgan for Brendan Noonan, Michael Beecher, Ballyhooley, refereed.

Minor Football Championship Carrigtwohill 4-5, St. Catherine's 0-3 — St. Catherine's made their exit from the East Cork Championship at Dungarvey recently when they suffered a pretty heavy defeat at the hands of Carrigtwohill. This was not a runaway victory as the score would indicate but a couple of soft goals in the early moments of the game had an unsettling effect on the players.

However, they regained confidence as time progressed and although they found it impossible to reduce the large arrears piled up against them, they acquitted themselves admirably on quite a young side.

The team was: M. Dineen, E. Galvin, M. Walsh, F. Hayes, P. Lucey, S. Hickey, J. Hennessy, D. O'Leary, J. Hartnett, M. Hartnett, E. Sheehan, K. Murphy, E. O'Brien, K. McAuliffe, J. Sheehan, Sub., D. O'Keefe, Dan Kennelly, Dungarvey, refereed.

This was not a runaway victory as the score would indicate but a couple of soft goals in the early moments of the game had an unsettling effect on the players.

However, they regained confidence as time progressed and although they found it impossible to reduce the large arrears piled up against them, they acquitted themselves admirably on quite a young side.

The team was: M. Dineen, E. Galvin, M. Walsh, F. Hayes, P. Lucey, S. Hickey, J. Hennessy, D. O'Leary, J. Hartnett, M. Hartnett, E. Sheehan, K. Murphy, E. O'Brien, K. McAuliffe, J. Sheehan, Sub., D. O'Keefe, Dan Kennelly, Dungarvey, refereed.

On Cork Team — Best wishes to Denis Walsh who will field out with Cork senior footballers against Kerry at Pairc Uí

U-12 County Hurling Final at Castletownroche: St. Catherine's 4-10, Abbeyside 3-5 — Resounding cheers reverberated around the Castletownroche gaelic pitch last Monday evening in this pulsating final. Abbeyside had some splendid players on view especially in the forward line, but Catherine's were superior with an overall balance and fired with great enthusiasm, shot into an early lead which they held to the end.

The cup was presented to them by Michael Luanaigh, Leas-Cathaoirleach of the County Board. He was loud in his praise for the excellent fare served up by both teams. He complimented those responsible for their great skill on the field and went on to say that the future of the game was safe judging by the exhibition given by these young lads.

The team was: Michael O'Brien, Richard Cotter, David O'Connell, Brendan Noonan, Gerard Lynch, Jim Lane, Kevin O'Connell, Kieran Morrison (capt.), John Sheehan, Michael Hegarty, Brian Cotter, Martin O'Keefe, Mark Spillane, Desmond Lucey, Paul O'Connell, Sub., Michael Dorgan for Brendan Noonan, Michael Beecher, Ballyhooley, refereed.

Minor Football Championship Carrigtwohill 4-5, St. Catherine's 0-3 — St. Catherine's made their exit from the East Cork Championship at Dungarvey recently when they suffered a pretty heavy defeat at the hands of Carrigtwohill. This was not a runaway victory as the score would indicate but a couple of soft goals in the early moments of the game had an unsettling effect on the players.

However, they regained confidence as time progressed and although they found it impossible to reduce the large arrears piled up against them, they acquitted themselves admirably on quite a young side.
