SUMMER HOLIDAYS

We are at present passing through the peak summer holiday period of 1987 and by comparison with the past two years the weather has been quite good. As a result, holiday-makers everywhere are out and about in their summer clothes, looking relaxed, happy and tanned as they enjoy their summer break.

But why, oh why must we continue to be so careless about our environment by covering our streets, roads, beaches and countryside with litter. It is absolutely appalling that we are all, young and old, big, little and small, so neglectful and so lacking in civic spirit where this very important subject is concerned.

Last Monday—the Bank Holiday—the Square in Dungarvan and the adjoining streets resembled a dump with a profusion of wrappers, take-away containers and papers of all descriptions littering the area. Several parts of Abbeyside were no better. Why must we destroy our towns and our countryside in this disgusting manner. Foreign tourists can hardly be impressed, nor indeed can they be blamed for assessing us as the dirty Irish!

Is there any solution to this problem which is growing more acute with each passing month with the proliferation of packaged items coming from the various retail outlets. Is it a futile, useless appeal to ask people to show a little civic spirit and to stop chucking litter around at random? Let us hope not.

BRIDGING THE GAP

The final stage in the construction of the new bridge across the river Colligan on the Dungarvan By-Pass Road has now been reached and when the remaining 12 metre centre span in the 3-span bridge was being joined up on Thursday July 30, quite a few spectators watched the operation from vantage points.

The first of the 26 four-ton 12 metre long reinforced concrete beams used to close up the centre span was gingerly lifted into position by a giant crane shortly after 12 o'clock (noon). Under the supervision of John Craddock, Director of Johns Civil Engineering Company, the bridge builders, and Peter O'Donnell, Resident Engineer for the County Council, the beam was lowered and so precisely was the engineering of the entire structure that, with just a little bit of grinding, it was a perfect fit!

At exactly 12.35 p.m. it was in position and the first man to cross, showing admirable agility, was carpenter on the job Mick Nulty. By Friday evening all the beams had been placed in position in readiness for the laying of the foundation over which the new road will be laid.

According to the Report of Mr. John O'Flynn, County Engineer on the Co. Council Road Works Scheme for 1987, the new By-Pass Road will be fully completed and open for traffic by the end of October.

WATER QUALITY IN IRELAND

An Foras Forbartha, the National Institute for Physical Planning and Construction Re-

search, published a report last month under the title "Water Quality In Ireland—The Current Position." The general conclusion of the report is that while serious pollution in the rivers surveyed is on the decrease, the incidence of slight to moderate pollution in our rivers and streams is on the increase.

Under the sub-heading "Low Level of Nitrate," the report points out that many countries are now concerned at the increased levels of nitrate in surface waters because of the potentially adverse effects on human health. In Ireland the present usage of artificial nitrogenous fertiliser, it states, is on average relatively low when compared to other EEC countries. As a result, the report says that the concentrations of nitrate in our surface waters were well below the limit recommended for public supply sources.

Setting out the causes of the pollution that does exist the report says that available evidence would appear to indicate that the greater part of pollution in all categories is attributable to wastes discharged from towns and industries. There is, however, it adds, and this cannot be without its own significance, some probability that the influence of indirect inputs, particularly from agricultural land is underestimated.

This latter point brings me to a discussion which I had last week with a medical doctor from Dungarvan about the use of certain types of artificial fertilisers are creating. He spoke especially about the methods used for "forcing" the growth of potatoes, vegetables and greens such as lettuce. Pointing out that nitrates and phosphates were the main sources from which these health hazards sprang, he produced a leaf from a head of lettuce sold locally in Dungarvan but "imported" from Dublin, let me add, and by a simple test method showed that it contained a high concentration of nitrate.

The doctor then explained that the regular consumption of agricultural produce with such a high nitrate content could induce ulcers and create a physical lethargy and tiredness which would result in a reduced work capacity. If an entire community suffered such disabilities, the effect on the general economy should not be too difficult to assess. As there was no law to control the use of such fertilisers at present in existence the doctor states that the only way to deal with the problem is to reduce the use of nitrates and phosphates and to use the safer urea and ammonia sulphates.

Perhaps the Minister for the Environment, Mr. Pádraig Flynn, T.D., would have a survey carried out into the use of these fertilisers. Commenting on the Report on Water Quality in Ireland he said that before any remedial measures on pollution can be decided on, it was clearly necessary to ascertain the precise reasons why water quality in certain areas had deteriorated. It might prove very useful if the scope of any such examination was widened to include an analysis on the use, or to be precise the over-

Glass Workers Defer Holidays To Complete "Rush Order"

The Waterford Glass plants in Dungarvan and Waterford were due for a 3-week shut-down for annual summer holidays on July 21 but skeleton workforces agreed to a management request to postpone their holiday break so as to complete a special order which could, in time, open up lucrative new markets for the company.

The decision to work through the holiday period was an entirely voluntary one and displayed a level of worker-co-operation without which the company would have found it well nigh

impossible to meet the deadline date for what has been described as a "showcase order" for a major Japanese firm.

One of the workers involved at the Dungarvan plant commented that it might be seen as ironic at a time when the company was seeking to make 750 workers redundant that they had to work right through the

holiday period to fulfil an export order. "However," he added, "if it enhances future prospects and is in the best interests of the company, then we are happy to co-operate."

The management decision to

seek worker co-operation in this manner shows the importance they attach to the Japanese order which it is hoped will introduce Waterford Glass to a new major outlet.

COMMUNITY SCHOOL

Cappoquin Controversy Rages On

SCHOOL PROPOSAL AGAIN REJECTED

As was predictable the very well attended public meeting called by the Concerned Parents Association at the Boardhouse on Monday night, again came up with a total rejection of the Minister for Education's proposal for a Community School in Lismore. Again the message was clear — Cappoquin was entitled to keep a school it had had for almost fifty years and would do so. Mr. Jim Wall, Chairman of Concerned Parents outlined all the recent developments in the long running saga and the Minister's letter was read to the meeting by the Secretary, Mr.

Jim Joe Landers. A message of good wishes and pledging continued support was read to the meeting from John and Eileen O'Driscoll, Knockaun East, who were unable to be present, and received with acclamation.

There was a lengthy discussion on the serious problem facing the Cappoquin Community and constructive proposals for future courses of action did come from the floor and these the chairman undertook to have acted upon.

The Editor, Dungarvan Leader
THEY REJECT COMMUNITY SCHOOL IN LISMORE

Dear Sir,
With reference to the item in the Lismore Notes of your paper dated July 24th regarding the announcement of a Community School for Lismore, I wish to repudiate the statement that the news was greeted with jubilation by all the parents in West Waterford who are sincerely interested in their children's future education.

I am extremely interested in my children's education and I don't believe that their needs will be best served in a school of 700 pupils in Lismore or even 500 pupils which would be a more realistic figure. Any sensible parent knows that their children are better off in smaller units, providing better teaching. The discipline in it has been argued that more non-academic subjects will be available in a larger school. As all the teachers in the three schools, Christian Brothers and Presentation Convent in Lismore and St. Anne's, Cappoquin are guaranteed permanency in the proposed Community School there will be approx. 10 teachers over quota. Where do the extra teachers for the sought after extra subjects fit in?

The vast majority of parents in the Cappoquin area are totally opposed to losing their school and having their children re-located in Lismore. We intend to retain our own identity and it's a pity that birds of passage like Brother Barry seek to impose their misguided ideas on people who don't agree with them. He took no account of the fact that an overwhelming majority of St. Anne's parents voted demographically in favour of retaining their school and as your correspondent stated, used any means fair or otherwise to get his way.

At a public meeting in Cappoquin on Monday night last the people unanimously rejected the Community School and declared they will not send their children to Lismore, so the complacency expressed in the Lismore Notes is premature. I say the least.

Yours faithfully,
ANGELA COLLENDER
Secretary,
St. Anne's Parent Council,
Cappoquin.

Tourin,
Cappoquin,
7/8/1987.

PIONEER NOTES

A large crowd travelled on the annual pilgrimage to Knock on Sunday last.

G.A.A. NOTES

The junior hurlers suffered a one point defeat at the hands of Lismore in the championship game, at Tallow on Saturday night last. We led at half time by 2-2 to 0-3 with the goals coming from Davy Feeney and Eire dan Bolger.

On the turnover, Lismore came more into the game and were level after 15 minutes. A Dermot Bolger goal after 21 minutes and a Mark Flynn point left us 3-4 to 1-7 in front with 4 minutes remaining, but Lismore broke through for a goal and point to win by 2-8 to 3-4.

Team was: S. Flynn, E. Geary, T. Hyland, P. Ahern, S. Quirke, S. Hyland, D. Hickey, M. Flynn, E. Flynn, D. Bolger, P. Berry, B. O'Brien, J. Murphy, D. Feeney, B. Bolger, Sub. P. Murphy for J. Murphy. Referee: John Kelly.

P.S. - Before the game a minute's silence was observed and the Ballyduff players wore black arm-bands as a mark of respect to the late Thomas Nugent who died on Tuesday, July 28. He was a member of the junior panel and we extend sympathy to his heart-broken parents and family.

On Sunday evening, the u-12 hurlers got off to a winning start when they defeated Naomh Orla. They will play St. Patrick's this week-end in Bohadon on Friday night at 7.30 p.m. leaving the village at 7 p.m.

The senior hurlers were defeated by Cappawhite in a challenge game on Sunday in the field by 2-14 to 0-7 in a very disappointing performance. A lot of improvement will have to be shown if we hope to defeat Portlaw in the county semi-final on August 30.

The u-16 hurlers will play Fourmilwater in Colligan on tonight (Thursday) at 7.30 p.m. and if they win here they will play Abbeyside in the semi-final on Monday night, also at 7.30 p.m.

MRS. MARGARET O'GORMAN

The death took place on Friday last at her daughter's residence Hillcrest, Watergrasshill, of Mrs. Margaret O'Gorman, Lisnagree, Ballyduff.

The remains of the deceased (nee O'Brien) were removed from Nelligans Funeral Home, Fermoy to St. Michael's Church, Ballyduff on Saturday evening where they were received and blessed by Very Rev. K. Mulcahy, P.P. The interment took place on Sunday morning following Requiem Mass in St. Michael's Cemetery in the presence of a large cortege.

Sincere sympathy is extended to her loving sons, daughters, sisters, sons-in-law, daughters-in-law, grandchildren, relatives and friends.

LATE THOMAS NUGENT

It is with deep regret that we record the death of Mr. Thomas Nugent, Cooladoody, Ballyduff, which sad event occurred as a result of an accident at Cork Regional Hospital on Tuesday morning, July 28.

There was a large and representative cortege at the removal of remains from Ryan's Funeral Home, Lismore to St. Michael's Church, Ballyduff on Wednesday evening, where they were received and blessed by Very Rev. M. Walsh, P.P., Tallow. The coffin, draped in the colours of the local GAA and soccer clubs was borne to the church by members of both clubs who also formed a guard of honour as the coffin entered the church.

The interment took place on Thursday morning in St. Michael's cemetery following Requiem Mass, with a large attendance again present.

Sincere sympathy is extended to his heart-broken parents Michael and Margaret, brother David, sisters Marie and Breeda, uncles, aunts and a large circle of relatives and friends.

HELLO OCTOBER 1987

It's good to see that plans are being formulated at present for the Hello October 1987 show. This show has broken all attendance records down through the years and in preparation for this year's show a meeting will be held in St. Michael's Hall on Tuesday next, August 11 at 8 p.m.

Anyone at all (from age 5 upwards) willing to help on stage or anyone willing to lend a hand off stage in any capacity whatsoever are asked to be present at the meeting.

WEST WATERFORD NOTES

TRIBUTE

Following nine years of dedication to the people of Ardmore and the surrounding area, Rev. Fr. Tom Flynn, C.C., left the parish last week to take up his new position as curate of Ballybricken in Waterford City.

During his nine years in the parish of Ardmore-Grange, Fr. Tom achieved much, including the renovation of both churches and his recent more historic event the building and official opening of the new Community Hall in Ardmore Village, appropriately called Halla Deuglan.

Many tributes were paid to Fr. Tom and as a mark of appreciation a very special presentation was made to him on behalf of the people and clubs in the area. We join in wishing him many years of happiness in his new parish.

CELEBRATIONS

While Ardmore bid farewell to Fr. Tom Flynn last week it was also a time of great celebration in Ardmore, a time when dreams came true. For many years plans have been made to build a new hall in Ardmore on the site of the former St. Declan's Hall. Following a lot of hard work and co-operation the community's dream became a reality when President Hillery officially opened the new Community Hall named "Halla Deuglan." The new hall was blessed by Bishop Russell and a special presentation was made to President Hillery to mark the occasion. Also present for the occasion was Cardinal O Flaherty.

During his visit to Ardmore Cardinal Tomas O Flaherty unveiled a plaque to commemorate the late Mickie O'Brien, former Chairman of Ardmore G.A.A., a man who loved and lived for the G.A.A. and gave his time untriflingly to the work of the G.A.A. Cardinal O Flaherty was presented with a piece of Ardmore pottery by the president of the G.A.A. Club, Dr. J. McNamara.

The main reason for Cardinal O Flaherty's visit was to celebrate Mass at Ardmore and Grange Churches to mark the 150th Anniversary of the building of the two Catholic churches in the parishes. Accompanying Cardinal O Flaherty were Dr. Michael Russell, Bishop of Waterford and Lismore, Very Rev. D. O'Connor, P.P. and Rev. Tom Flynn, C.C.

DUNGARVAN SHOW

Once again many locals were awarded prizes at the Annual Dungarvan Agricultural Show. Among the large attendance at the show were some of the top riders of the Irish showjumping scene at the moment. The day remained dry and warm for the occasion and it was an enjoyable day for all who attended.

The following locals were among the local exhibitors who received prizes: Jimmy Fitzgerald, Coolboa won first and

Pictured at Dungarvan Show were Mary Kirwan, Colligan, Sandra Clarke, Clonea Road, Abbeyside and Anne Quinn, Michel Street, Dungarvan. (Photo: Rory Wyley)

TALLOW AND ROUNDABOUT NOTES

ST. CATHERINE'S G.A.A.

St. Catherine's 5-15 Abbeyside 1-11

Our team struck top form in the Abbeyside Tournament last Tuesday evening and settling in well from the throw-in scores came freely. Abbeyside on the other hand didn't hit it off so well and although they hurried well at times our good start stood to us and we ran out winners on this splendid pitch.

The team was - J. Hartnett, K. Noonan, P. Lane, E. Hartnett, B. Neville, M. Lanigan, M. Mangon, D. O'Leary, S. Buckley, J. Hartnett, D. Buckner, R. O'Keefe, B. Sheehan, P. Ahern and K. Barry, Subs. - S. Neville for R. Noonan; M. Walsh for D. Buckner and C. Casey for R. O'Keefe.

U/16's - Our u/16 hurlers went further ahead in the championship with a convincing win over Fr. O'Neill's at Lisgould.

Flynn Cup - St. Catherine's junior hurlers have succeeded for the first time since the institution of the competition in reaching the final of the Flynn Cup. This was brought about by

their recent victory over Carrignavar in the semi-final at Rathcor-mac.

MRS. MARY O'KEEFE, (BARTLEY AND KNOCKANORE)

The unexpected death of Mrs. Mary O'Keefe at her residence, Bartley, last Friday evoked deep regret and shock around East, Cork and West Waterford where she was well known. A native of Fountain, Knockanore, her husband and herself carried on farming there and also a timber yard for many years. Some years ago they transferred to Mitchelstown with their family and finally settled in Bartley. In all places they were held in the highest esteem and many spoke of Mary (nee Mackey) as a quiet inoffensive and most courteous neighbour. Her demise at such a young age removes a true friend and she will be sorely missed by all. We extend our deepest sympathy to her husband, Con, her daughter, sons, son-in-law, brothers-in-law, sisters-in-law, relatives and friends. She was interred in Knockanore cemetery last Sunday, Beannacht De lena h-amam lach.

Mrs. Margaret Mackey, who died recently at her daughter's, Mrs. Sellers residence, was a native of Cullinagh, Ballynoe, where she lived until her rather short illness a few weeks ago. Having reached the fine age of 87 years, "Maggie" as she was known to everybody in the district and her kindness and neighbourly qualities were her great characteristics. She will be missed very much by all parishioners and our deepest sympathy is extended to her husband Willie, her daughter Mrs. Helen Sellers, Gurtree, Mrs. Kitty O'Keefe, Clomult, son Timothy, nieces and nephews, brother-in-law, sister-in-law, relatives and friends. After Requiem Mass in St. Catherine's Church, Ballynoe last Tuesday she was interred in the local cemetery, Beannacht De lena h-amam dillus.

ON HOLIDAYS Paying a visit to his former home at Woodview, Curragis, recently, was Joe Hurley. A former well-known hurler with Kiloronat and St. Catherine's and also with a couple of West Waterford teams, we were delighted to renew acquaintance with him and likely he will return with happy memories. Chrissie O'Sullivan made the journey from the States to visit her mother, brothers and sisters and we wish her bon voyage after her sojourn in Ballynoe.

ON HOLIDAYS

Our much understrength senior hurling team lost no caste in defeat when it bowed out of the Sargent Cup at the quarter-final stage against Shamrocks in Knockanore last Friday evening. The scoreline of 1-14 to 1-8 does scant justice to a very brave effort, and had we the forward power on the night we must have gone very close to victory.

Our congratulations to Shamrocks, but this was another game which proved conclusively we can yet challenge strongly in this senior grade.

MUNSTER MEDAL

Congratulations to Denis Walsh on winning his Munster medal with the Cork senior football team against Kerry last Sunday. We wish them the best on the rocky road to Dublin. Denis was voted "Man of the Match" in the drawn game.

LADIES FOOTBALL

In the Dungourney Festival Tournament recently St. Catherine's succeeded in defeating old rivals Inch. D. Kenneally refereed.

A lot of G.A.A. supporters went to see the Cork/Kildare combination defeat the ageing Kerry team in the Munster final at Killarney on Sunday last.

LIONS CLUB GOLDEN GOAL

The Fermoy Lions Club Golden Goal held on the Munster Senior Football Final drawn

game was won by the ticket with 29 minutes, 45 seconds the time of the first goal scored.

STEPHEN ROCHE

"I've seen no deed like that in France," these words of St. Ruth, French general, centuries ago on observing the daring deeds of some Irish soldiers breaking down the Bride of

Athlone in the face of heavy gunfire could almost be echoed again in Paris last Sunday week when witnessing the amazing feat of Stephen Roche on winning the Tour De France and winning world acclaim as well. But we must spare a thought for Pedro Delgado who went into oblivion as a result of being 40 seconds late.

DUNGARVAN G.A.A. NOTES

A VITAL TEST

Following on our victory over Rathgormack in the last game we face a really vital test in the senior football championship on Sunday evening when unpredictable Kilmacthomas provide the opposition at the Stradbally venue (7.30).

In plain and simple language this is a game we must win if we are to retain an interest in the destination of the title. Defeat would not only put us out of contention but could also leave us with relegation headaches.

In Kilmac' we face opponents who can be outstanding at their best but a long way short of that on other days. Still, we are going to have to improve appreciably on our Rathgormack display to have any realistic chance of winning, but this I confidently expect the team to do.

It's all or nothing from here on in and nothing less than a supreme effort from every player will suffice. It doesn't help that circumstances will leave us without a number of key players but the men to be drafted in can be relied upon to give their best.

Let's go to it and pick up the points that would leave us in with a genuine chance of further championship progress. We leave for the venue at 6.45 sharp.

SARGENT CUP DEFEAT

Our much understrength senior hurling team lost no caste in defeat when it bowed out of the Sargent Cup at the quarter-final stage against Shamrocks in Knockanore last Friday evening.

The scoreline of 1-14 to 1-8 does scant justice to a very brave effort, and had we the forward power on the night we must have gone very close to victory.

Our congratulations to Shamrocks, but this was another game which proved conclusively we can yet challenge strongly in this senior grade.

SYMPATHY

It was with a sense of deep sadness that all our members learned this week of the death of Sr. De Lourdes of St. John of God Convent, Waterford. Sr. De Lourdes was a sister of our esteemed President Brighdan Ni Cristoir, and sincere sympathy is extended to her and to the entire Christopher family. The interment took place in Waterford last Tuesday.

Ballyduff Arson Claim Dismissed

An arson attack on a West Waterford mansion-farmhouse in March 1984, was carried out on contract by two men from the Liverpool or North Wales area, a detective inspector told Judge D. P. Sheridan at Waterford Circuit court during the 2-day hearing of a case which opened on Monday of last week.

The owner of the property, Liam Canning, and his wife Caroline, with an address at Mooclopp, Ballyduff Upper had a claim for £100,000 in malicious damage application against Waterford Co. Council.

Mr. Stephen Brogan, Dublin and Miss Anne Murray, Youghal, who were married in Glendine Church recently. (Rory Wyley)

The Council denied liability. The property involved, Mooclopp House, which had been in the Canning family since 1945, was destroyed by fire at 11 a.m. on March 11, 1984. Mr. Canning's 78-year-old mother, Ann Marie, was tied up by the raiders and locked in a shed behind the house on the occasion.

Detective Inspector Patrick Brennan, Cork, told the court that he carried out extensive inquiries in the case both in Ireland and in England, with the assistance of Merseyside police. Over 500 people were interviewed and 100 statements were taken down in writing.

He said that allegations that the IRA burned the farmhouse were investigated by him because Mr. Canning's late father, Mr. Denis Canning, had Republican sympathies, but disapproved of the methods of modern Republican paramilitaries. However, he excluded all subversives from the inquiry and was quite satisfied that the fire was started by two people who were contracted to do so.

At the end of six weeks investigation he came to the conclusion that Liam Canning's English-born common law wife Ann Pickering and an Englishman, Richard Tomkinson with an address at The Forge, Ballyduff, were the central figures in the crime, but they were never charged.

The court then heard that the trail from Ballyduff on the River Blackwater led to Dun Laoghaire in Dublin, where the two arsonists had hired a car. A driving licence presented

to the car hire company was a forgery and they gave a false address in Liverpool.

IN DIRE CIRCUMSTANCES

Detective Inspector Brennan said that at the time of the fire, Mr. Canning was in dire financial circumstances. He had become over-ambitious in the early 1970s and owed the Agricultural Credit Corporation £20,000. A rescue package was drawn up and an aunt lent him £20,000.

He said that Mr. Canning married his first wife, in 1970 but the marriage broke up in 1971 after approximately 12 months and the birth of one child. In 1979 he obtained a divorce in Manchester Crown Court and then married Dublin-born Caroline Walsh, who was working in the Blood Bank in Cork City. He had two children by her.

A year later Mr. Canning went to England with Ann Pickering who was the mistress of Richard Tomkinson and she had a son by Canning.

Both Canning and Pickering went to England before and after the fire and stayed in a cottage about twenty minutes from Liverpool.

Garda Kieran Barry said that the scene of the fire was evasive and hostile and walked on tyre marks found there.

Sergeant Joe Watkins said that Canning was arrested under the Offences Against the State Act and was taken to the Bridewell Garda Station in Cork to give an account of his movements before the fire.

When the hearing resumed on Tuesday, Charles Richard Tomkinson who was described as Commander-in-Chief of the Cheshire Special Constabulary denied in evidence that he had any part in the hiring of two Liverpool criminals to firebomb the Canning house. "What had I got to gain from blowing up my neighbour's house?" he asked.

NUMBED WITH HORROR

Canning in evidence stated that he had been a student at Blackrock College. He had been numbed with horror after the arson attack and he could not believe it had happened. He denied that he had conspired with his common-law wife and Tomkinson to get criminals to burn the house.

"I had nothing to do with the burning of the house," he said. "I could not do that. It does not make sense and would have been the last throw of the dice and I had no need of dicing. We had broken the hold of the A.C.C.," he said.

Canning then told Judge Sheridan that he could not explain why two strangers from Liverpool came into a small Irish village like Ballyduff, sought out his house and in a highly skilled and professional way turned it into an inferno in five minutes.

In cross-examination Canning said that he had travelled to Cheshire before the fire and went there again shortly afterwards. He denied deliberately oblitterating car tyre marks found at the scene of the fire.

Canning went on to state that during interrogation while held under the Offences Against the State Act in the Bridewell Garda Station in Cork, a Garda officer warned him that if they failed to convict him of arson, they would get him for bigamy married, he was three times married.

Dismissing Mr. Canning's claim with costs, Judge Sheridan said that it did not come easy for the Court to come to the conclusion that the son of the house was party to the burning of the family home with possible fatal consequences for his mother but he was left with a great suspicion.

He reserved his decision in the case of Mrs. Caroline Canning.

THE CARDINAL'S VISIT TO GRANGE CHURCH

In conjunction with the celebrations held in the Parish of Ardmore and Grange over the week-end of July 24-25, coinciding with the feast of St. Declan, to mark the 150th anniversary of the building of the Churches in Ardmore and Grange, a special Mass at which a very large crowd attended, was celebrated in Grange Church by His Lordship Most Rev. Dr. Michael Russell, Bishop of Waterford at 10 o'clock on the Saturday morning. His Eminence Cardinal Tomas O'Flinn presided.

In the course of his homily preached during the Mass Monsignor Michael Olden, P.P. Kilsheelan recalled the very trying times in the 1830's when the then Parish Priest, Patrick McGrath (who incidentally is interred in Cahir), built the Churches in Ardmore and Grange. He said that the population of the area at the time, including Old Parish which had a church built shortly afterwards, was 8,000 people. Land and property then was in the hands of a small minority and evidently the people of the parish were very poor and could not be blamed for being dispirited at times.

But being rich and strong in the faith, said Msgr. Olden, they dismissed all these difficulties and when the occasion arose they rallied to the call to build those churches. The year 1839 experienced the devastating storm known as the "Big Wind" which came on the 6th of January of that year, but the churches survived the terrible storm and Bishop Croty of Armagh came to bless them in that year.

No doubt, Msgr. Olden said, the people then suffered terrible hardships coming through the Penal and Famine times, but their loyalty and steadfastness brought them through and as the faith was strong in the parish today the people of Ardmore and Grange could look back on a glorious past.

At the end of Mass a presentation of a locally written book, "Irisleabhar Airdhorr" was presented to the Cardinal by Dr. Daniel O'Connor, P.P. Expressing thanks, the Cardinal said he would cherish this gift very much and spoke of the great traditions which enshrouded Ardmore and its environs going back to the days of St. Deuglan. He said it was fitting for him as successor of Patrick in Ar-

magh that he should make the journey to the Decies as Deuglan preceded Patrick there.

His Eminence then paid tribute to the clergy present, Bishop Russell, Monsignor Olden, Dr. O'Connor, Fr. Tom Geary of Youghal, Fr. O'Flynn, some of whom were on the staff of Maynooth College with him for many years. He also was glad to see the Rector of the Church of Ireland from Youghal present and spoke of his close friendship with the late Primate Archbishop Armstrong in ecumenical circles in recent years.

The Cardinal had a special word also for Fr. Dooney of Mellary who was a native of Ardmore. They had the Cistercians too in Armagh, he said, and never being devoid of humour, he told the story of the Cistercian monk who was transferred from Mellary to Armagh and being fond of the pipe he asked the Prior there if he could smoke while praying, a request which was curtly refused. Sadly the monk went out to the garden only to see a brother monk smoking a pipe. He went over to him immediately and said "How is it you can smoke and I was refused?" "How did you ask permission?" the other brother said. "I said can I smoke while praying." "Ah, you said it wrong, you should have asked 'Can I pray while smoking?'"

Cardinal O'Flinn showed a great love of the Irish language, speaking it on several occasions during his visit.

CYCLING

ROCHE TEAM FOR NISSAN CLASSIC ANNOUNCED

Stephen Roche at the top of world cycling following his sensational wins in the Tour de France and Tour of Italy, this year will have his loyal and talented teammate Eddie Schepers of Belgium riding alongside him when he contests the Nissan International Classic, September 30 - October 4.

Roche will lead an Ever Ready Carrera international team composed of Schepers, world professional, pursuit champion, Tony Doyle, who finished second on the Cork stage last year plus Ever Ready regulars Phil Bayton and Dudley Hayton.

Roche is currently leading the prestige Pernod competition for the world top races and the fact that the Nissan Classic is included means that it will be a very hard fought race.

With Eddie Schepers by his side anything is possible and Ireland may well see a battle royal with Sean Kelly's Kas squad, already announced.

Kelly has won the first two Nissan Classics and after having been knocked out of the Tour of Spain and France through injury, he will be keen to score his third successive win in the event.

The organisers of the Nissan Classic are now making extra crowd control arrangements to cater for the increasing popularity of the event and cycling as a whole in Ireland following Roche's victory in the Tour de France.

Michelle Mulcahy was also in action recently in the Munster pentathlon under 15. She performed well to finish 2nd overall.

We are looking forward to the All-Ireland championships, which will be held in Carlow.

LOCAL DAIL DEPUTIES MEET IFA

Local Dail Deputies were among a number of Government TDs invited to a recent meeting with IFA on the re-classification of the EEC Disadvantaged Areas scheme.

Conna Castle Barbecue

The best open air attraction in County Cork is how Conna Castle Barbecue can be described. The 19th annual event which will take place in the picturesque Castle grounds on Sunday August 16th is again expected to be an outstanding success.

Topping the concert are THE DUBLINERS who are celebrating their 25th Anniversary in show-business. Also featured are Winter's Reign and Galleon who are making a return visit to the Barbecue.

The Castle, once besieged by Cromwell, will be magnificently floodlit for the occasion and the slope leading down from its base forms a natural amphitheatre from which the excitement and crack can be enjoyed. A huge log fire will burn to the left of the concert stage creating a very romantic setting and must be one of the reasons why Conna Castle Barbecue has continued to enjoy such popularity.

Elsewhere in the Castle grounds, in a clearing in the trees, the more active younger generation can dance the night away to the Disco with Ian Richards and the music of The Conquerors

Proceeds from the event will again go towards paying for the magnificent sports complex which was opened on the 26th October 1986 at a cost of £250,000. This complex has been a hive of activity over the past ten months and the facilities there are second to none.

The hardworking voluntary organising Committee are leaving no stone unturned to ensure a great night and if the weather should prove unkind the entire event will be moved indoors to the new Complex and the existing Muintir na Tire Hall, both of which are linked together.

EEC SHEEP BOOST WELCOMED

A Waterford IFA chief has welcomed the recent EEC boost for Irish sheep farmers. Mr. Jim O'Grady welcomed the decision of the EEC Sheep Management Committee to pay Irish sheep farmers in Disadvantaged Areas an advanced compensatory ewe premium payment of £11 per eligible ewe in 1987.

Mr. O'Grady who is chairman of the IFA National Sheep Committee, said the payment which is totally financed by the EEC, will be paid to farmers in mid-November

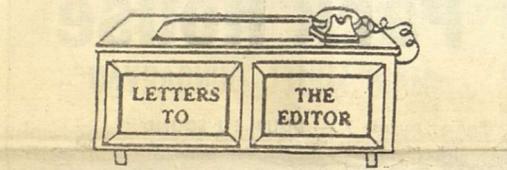

Both of these were promised by Flanna Fail in their election manifesto," declared Leinster IFA Vice-President, Jim Plunkett who summoned the meeting.

And he added that farmers in the Disadvantaged Areas have very low incomes. The recent Farm Management Survey revealed that 82% of farmers in these areas had an income of less than £5,000 last year.

"This means that 118,000 farmers have an income of less than half the average industrial wage," he said. "IFA regard hardship as a vital means of increasing farmers' incomes and it is a very effective method of doing so, as the mechanism is 50% funded by Brussels."

NEW PRESIDENT - Pictured above is Mr. Willie Flavin, "Dun Emer," Windgap, Dungarvan (centre) being invested with the chain of office as President of Dungarvan Lions Club for the year 1987/88 by the outgoing President, Mr. John Coade (right). Also in the picture is Mr. John Ryan, Treasurer of the Club. Mr. Flavin is a most popular and prominent member of the farming community and has been a leading member of the Lions Club since it was inaugurated in Dungarvan more than ten years ago.

TWO AMENITIES AT LONG LAST

To the Editor, "Dungarvan Leader." A Chara, I suggest that at comparatively limited cost, Dungarvan could be provided with two great amenities which would add to the town's many attractions. I would put forward the proposal that the out-door swimming pool be reconstructed at the "Look-out."

By siting it in the direction of the Cunnigar the proposed pool could be a first link in the provision of a pedestrian Balley Bridge to link the town with the Cunnigar.

Now that the harbour is practically pollution free, the maintenance of an open pool of fresh seawater for the young

and not so young of the town would be a simple matter.

My second suggestion is that a low weir be erected at the site of the new bridge, just high enough to convert the present estuary into a pleasure lake. Perhaps a water turbine, with reversible blades could be sited there also. To my mind it would appear that there is ample water flow for 20 and every 24 hours to generate electricity, which could be fed into the E.S.B. national grid, as a credit offset against the town's lighting charges?

I await the "experts" comments. Mise.

KNOW YOUR RIGHTS

Q—I have recently returned home from England with my 2 children, following separation and eventually divorce. I have no income. Am I entitled to a State payment?

A—in circumstances such as these you would go to your local Health Centre and see the Community Welfare Officer. In the short term you ought to be able to receive Supplementary Welfare Allowance for yourself and the children.

Due to recent changes in regulations a woman divorced in England who now resides in Ireland, provided she has at least

one child under 18 (21 if school age) may claim Unmarried Mothers Allowance provided she satisfies a means test. It does not affect the claim whether the child is of the marriage or not.

Football Championship Wide Open

By Commentator

NEXT WEEK-END
A most extraordinary feature of the senior football championship so far, is that each of the fourteen teams have suffered at least one defeat. This situation leaves the competition wide open for quite a number of them, so over the coming week-end at least eight will have it all to play for. In fact at this stage it would be difficult to forecast the probable semi-finalists and this makes the championship a bit more interesting than usual. Over the coming week-end, all but county champions, Kilrossanty and Ferrybank will be involved and apart from the Stradbally v. Rathgormack game on Friday, one cannot predict the outcome of the six matches listed. As well as we have a few very important junior ties listed and the two minor football semi-finals on the Wednesday will be of great importance to the four clubs involved.

managed to win one game in the championship.
BRICKEYS v. BALLINACOURTY
Although Brickeys haven't managed to win a game yet, they have made things very uncomfortable for their opponents so far. Their display against Dunhill in their first match was quite impressive and many of their supporters regarded them unlucky to have lost that game to the strong championship contenders by just two points. County champions, Kilrossanty also got quite a fright from the Brickeys and it was only in the final stages of that match that the champions pulled away to win decisively by nine points.

BALLINACOURTY v. BUTLERSTOWN
Having shocked the county champions, Ballinacourty were put on the short list for the championship for a time but their subsequent heavy defeat by Dunhill put them back on to the list of outsiders again. They will have a difficult task here in trying to overcome Butlerstown who showed really good form when beating Clashmore at Dungarvan some weeks ago. Butlerstown are confident of reaching the semi-finals but unless they win here then they might be in a spot of trouble and have to fight their way through a play-off group. I expect Butlerstown to make sure by winning this important tie.

players have never participated in a senior match at Fraher Field as the club will be playing their first match at the venue since 1985. Their form so far will earn them the tag of favourites here, but they were in a similar situation on the last occasion on which they met the Brickeys in the senior championship some years ago. Anyway, on form Ballinacourty, whose side will include Jimmy Healy, John Melody, Michael and Ger Collins, Conor Clancy, Michael and Joe Rorodan, Bosco O'Mahony, Ray Moloney, Brendan O'Gorman, Dan Looby, Seamus Power, Timmy Organ, Gerry Connors, Billy Kiely, etc., should be able to account for the Brickeys who will be all out to win this local contest with players like Jim and Gerry McGrath, Brian Hilliard, Tim Collins, Pa Ryan, Chris Miller, Eamon Martin, Jimmy Curran, Richie Power, etc.

DUNGARVAN v. KILMACTHOMAS
Kilmacthomas, who recently shocked Stradbally and who are

still in contention, will be favourites to beat Dungarvan in this tie at Stradbally. A good display helped Dungarvan to beat Rathgormack recently and a repeat of this good form could put the Old Boro' team in a strong challenging position. With players like Pa Meehan, David Burke, Morrie Ferncombe, Ray Dwyer, Derek Lyons, Peter Quailly, Tom Curran, Martin Sheehan, Chris Meehan, Tony Hamilton and company there must be a chance that they will surprise Kilmac. John Fitzgerald, who sustained a nasty facial injury in the Kill tournament last week-end, is unlikely to be fit enough to line out.

RELEGATION BATTLE
Either Colligan or Cappoquin will be relegated to intermediate status after to-night (Wednesday's) play-off at Fraher Field. On the basis of their performance to date, Cappoquin must be fancied to survive in a match that could be very entertaining indeed.

SENIOR LEAGUE SEMI-FINALS
Despite the terrible clutter of senior fixtures this year, the County Board have announced that both senior leagues - the Sargent and Phelan Cup competitions - are both on schedule with the semi-final stages reached in both.

HURLING LEAGUE
Ballyduff and Portlaoise, who are due to meet in the championship semi-final, will also meet in the Sargent Cup semi-final. This will be played at Dungarvan on a date to be fixed in the second semi-final. Shamrocks are paired with Mount Sion and this game is also due to be fixed shortly.

FOOTBALL
Both semi-finals are fixed and will be played on the same evening, Sunday, August 16. At Stradbally, Kilrossanty will play Tramore and at Portlaoise, Ferrybank play Kilmacthomas. Both are timed for 7 p.m.

MINOR FOOTBALL SEMIS-
The Divisional Boards have also made commendable progress, in spite of several problems and except for the under

OTHER GAMES
Tallow are down to play their

final game in the intermediate hurling championship and on current form will have no difficulty in beating pointless St. Mary's at Cappoquin.

In junior hurling, An Rinn and Modeligo will meet on Saturday evening at Fraher Field and this should provide an interesting and possibly, exciting contest. An Rinn, if they hit their true form will be strongly fancied and it will come as a great disappointment to their supporters if they fail. I doubt if they will.

In the only junior football tie listed, Stradbally will be strong favourites to beat Clashmore and keep up their unbeaten run in the championship.

21 championships in the West, both are well on target. On Wednesday evening of next week, the Western Board will play both their minor football semi-finals on the same evening at Fraher field. In the first game, Abbeyside will play Dungarvan and in the second, Drum Rovers, who are the reigning champions will meet Kilrossanty. Here two splendid games are likely and hopefully, for the Board's sake, both will produce results.

CONGRATULATIONS MICHAEL
Michael Phelan, Cappoquin hurling club and Waterford's representative in the national 'Puck Padda' at the Cooley Mountains on Monday did very well to finish second to Cork's Ger. Cunningham who has now won the trophy for the fourth successive year. Michael who won out in Munster this year, shared the lead in the finals at the end of the second stage. He covered the course in 50 strokes just three behind the winner who did it in 57. Last year he won on 61. It was a tremendous effort by the long striking Cappoquin man who was playing for only his first time. Well done Michael.

And it is good news this time, with Waterford's representative, Declan Mulcahy taking the Munster title in the special softball singles. This was a game in which the Kilgobney club player excelled and played brilliant handball to win two straight games. This was a stylish performance by Mulcahy and if he can be made to produce the same high standard when he meets the Connacht champion, in the All-Ireland semi-final he will be looking good for a national title. Well done Dec.

Mossy butler who played in the same championship in another grade was equally impressive and he too took a provincial title when he defeated Limerick's T. Hickey very decisively. Butler played with great determination and Hickey had no answer to the power handball of the Waterford man. He will also go on to meet the Connacht champion and here again the club is hopeful of success. Well done lads and congratulations to the Kilgobney club, who have taken both Munster titles. We will await the results of the semi-finals with great interest.

When naming our players who had been called for the trial for the Australian Rules game last week, I inadvertently omitted the name of Shamrocks player Dan Casey. I was supplied with just three names. On Monday three of our four players travelled to Portlaoise and all played well enough to be retained for a further trial in two weeks time. Dan Casey, I have been told, was particularly impressive and had a 'blinder' against Kieran Duff before Duff was taken off him. Liam O'Connor was out of the country and missed the trial. Eugene McGee said after the trials that the Waterford players were well worth their trials, so who knows, we might be lucky.

Our very sincere sympathy is extended to the bereaved family of Thomas Nugent, Ballyduff, who was so tragically killed in a motor cycle accident last week. Tom was a fine young man in his prime and the fatal accident must have cast a tremendous gloom over the entire area. He played his junior hurling with Ballyduff club and was always a very staunch clubman. An dheis De go raibh a anam.

Modeligo put paid to any slim hopes, Kilrossanty might have had of making a comeback when they lashed home six well taken goals in their junior hurling tie at Abbeyside in the 'B' junior hurling championship. It was very close between Lisimore and Ballyduff in junior hurling but the standard was poor. Only a narrow point separated the teams at the finish on a score similar to the score between the sides in the senior championship. This time it was Lisimore who had a total of 14 points and Ballyduff 13. It was the reverse in the senior.

Over the long week-end, which extended from Friday to Monday, Portlaoise club celebrated their centenary in wonderful style in a festival of gaelic events that attracted great support from beginning to end. On Friday, to mark the occasion and the opening, their club played Kilrossanty in football. This commemorated their meeting in the very first official championship way back in 1897 at Kilmacthomas. Portlaoise won on the score 1-10 to 0-7 after an interesting and well contested game. On Saturday, the Association President, Dr. Michael Loftus attended the field events and presented trophies to the six juvenile teams who had participated in special tournaments held as part of the centenary celebrations. Previously Dr. Loftus had officially opened the club's very modern and well equipped dressing rooms. He praised the club for its dedication, loyalty and commitment over the century and, he said, one had only to see their very many juveniles in action, see the standard of development of the spacious grounds and look around at a time many people involved with the club to know

that Portlaoise was a very strong club. The President was presented with a Waterford Crystal watch which was specially made for the occasion.

On Sunday evening the centenary banquet was the highlight of the celebrations and was attended by approximately 250 guests, which included past and present members and members of the County Board. Plaques were presented to about 150 past and present members of the club and many of the old timers in the attendance related stories about the exciting and sometimes, funny things which happened in the past. As Padraig O'Fainin, who was one of the guest speakers said, this was a time for reminiscing. James Tobin, Chairman of the County Board paid tribute to the great players, the wonderful officials of the club and the thousands of loyal supporters who had brought the Portlaoise club through a century of endeavour.

Throughout the entire celebration, club secretary Frankie Cullinane proved himself a top-class master of ceremonies and with the help of very many others, ensured the efficient running of the festivities.

And it is good news this time, with Waterford's representative, Declan Mulcahy taking the Munster title in the special softball singles. This was a game in which the Kilgobney club player excelled and played brilliant handball to win two straight games. Weather Favoured Dungarvan Show

A brief morning drizzle fortunately cleared and the weather, though overcast and humid, remained dry for the remainder of the day for the 72nd Annual Dungarvan Agricultural Show held at Springmount, Dungarvan, last Thursday.

Entries in all sections were on par with previous years while the quality of the horses and cattle sections were well up to standard.

The well-known Co. Waterford breeder, Mr. Nicky Connors, Bellard, Stradbally, had what could well be described as a field day when he took the Hunter Championship with his six-year-old chestnut gelding "Peter Schwab," the Bellard Cup for four-year-olds and the West Waterford Hunt Cup for the best three-year-old gelding or filly.

A one-and-a-half ton Charolais bull "Grove Victor" won the Supreme Championships of the Show for well-known Co. Cork farmer, Mr. James Ryall, Knockane, Castlemartyr.

As usual the main attraction in the afternoon centred on the jumping enclosure where some top-class jumping gave the crowd plenty to enthuse about.

Champion Hereford: James Grant, Mullinahat, Co. Kilkenny.

INTIMIDATION BY PROFESSIONAL FUND RAISERS

As a special meeting of Waterford County Council in Dungarvan, the Chairman, Cllr. P. Keenally referred to what he described as "professional fund raisers" who came into Dungarvan every Monday and Friday and practically intimidated people into giving them money. "I have seen them accost elderly people who can't get away from them and this is intimidation of the worse kind," he said.

Cllr. Keenally added that apart from this, these collectors were a nuisance and he asked whether the Council had any by-law under which this kind of activity could be prohibited.

Cllr. T. Cunningham supported the points made by the Chairman and said that these collectors took up a stance outside the banks in Dungarvan and accosted people going in and out.

The Co. Manager, Mr. Dan Hurley said that he would have the complaints referred to the Garda authorities and would make known to them the displeasures of the Council in this regard.

BEEF SCHEME CALL BY IFA

A call for the early introduction of an aids to private beef storage scheme has been made by an IFA leader.

IFA National Livestock committee chairman Tim Boland has asked Department of Agriculture officials on the EEC Beef Management committee to ensure its early introduction.

Pointing out that the scheme would have a positive effect on cattle prices, Mr. Boland indicated that the EEC Commission would discuss these options this week. And he stressed the need for a deliberate strategy to ensure early disposal of cattle of grass as beef cattle are becoming fit earlier than anticipated due to the exceptional grass growth.

Mr. Boland stressed that the Aids to Private Storage scheme should apply to prime beef and cow meat as any severe culling of dairy cows could depress our prices in France and Germany where volumes of sales have increased since the cut-back in intervention.

He emphasised that the APS scheme should work in tandem with export refunds to increase beef exports outside the community.

Long List Of Charges Against Ardmore Publican

District Justice W. F. O'Connell intimated at a special sitting of Dungarvan District Court last Wednesday that if necessary he would give a full day to hearing a whole series of prosecutions pending against an Ardmore publican.

District Justice O'Connell heard one case against the publican, Kevin Gallagher, Old Strand Inn, Main Street, Ardmore, and convicted Gallagher on one of two charges but decided to adjourn several more to Youghal Court in September.

The Justice decided first to return to Dungarvan the following day (Thursday) and "if necessary" give over the entire day to dealing with the remaining cases. However, it was subsequently agreed between Garda Inspector Eamonn Keating who prosecuted and defence solicitor Mr. J. P. Gordon to adjourn all of them to the first Youghal Court in September.

Gallagher, however, was convicted by Justice O'Connell of a breach of the licensing laws at 12.30 a.m. on June 1. He was fined £20.

A second charge of obstructing Garda Michael Dolan in the due execution of his duty was dismissed.

Convicting Gallagher on the charge of breaching the licensing laws, Justice O'Connell imposed a fine of £20 but said he would not endorse the conviction. He dismissed the charge alleging obstruction by Garda O'Shea, calculated to lead to a breach of the peace, July 10, 1987; running in front of a moving patrol car thereby causing an obstruction.

All the charges are denied by the publican.

People Must Realise Co. Council Is Money Starved

—CO. MANAGER

It is time that people realised that the Co. Council is starved of money said Mr. Dan Hurley, Co. Manager at a special meeting of Waterford Co. Council in Dungarvan when he was replying to a motion proposed by Cllr. C. O'Riain calling on the Council to review its policy on hedge-cutting and scarting of County roads.

Cllr. O'Riain stated that these roads were in a desperate state at the moment and while he was aware that no money was available for this work he wondered whether they could come up with a solution by taking on some extra men at present on social welfare to do it.

Mr. Hurley said that he had been travelling through parts of counties Kilkenny and Tipperary lately and he saw all the roads in these places done. "Waterford is the only county which has to put workers on short-time and I'd like to know why is that," he said.

Cllr. W. McDonnell said that the Co. Cork roads around Talrow were scarted up to the county boundary line but the Waterford side was untouched. "People are asking why that is," he said.

The Co. Manager Mr. Hurley replied that the Council members had approved the decision at the Estimates meeting due to the cutback in the rate support grant for the current year. "It was with grave reluctance because the necessary revenue was not available to us that we were forced in doing what we have done," he said.

Mr. Hurley then went on to say that it was time the people realised that the Co. Council was starved of money. But members continued to come in to meeting after meeting raising these kind of matters. "We must all face up to the fact that for the rest of the year

scious of this than the Engineering Department, but in the present situation we just can't do anything. As things stand there is no way we can provide the resources or the manpower needed to do the work required," he said.

When the Chairman, Cllr. P. Keenally said that this would be the last occasion on which hedge-cutting would be discussed by the Council this year, Cllr. O'Riain interjected that he would raise the subject as often as people asked him. "I would be failing in my duty as a Councillor otherwise," he said.

LISMORE AND DISTRICT NOTES

LISMORE FESTIVAL
On Sunday last, Lismore's
annual week-long Festival got
under way. The official opening
was performed on the stage by
the Chairperson of the Lismore
Town Commissioners, Mrs.
Mary Morrissey who said she
was very honoured to be asked
by the Lismore G.A.A. Club to
do so.

Mrs. Morrissey complimented
the local G.A.A. clubs on their
initiative in organising this
year's Festival, proceeds of
which will go towards the
building of the new community
centre.

Mr. James Tobin, Chairman,
Waterford Co. Board G.A.A.,
said it was a great tribute to
Lismore to continue with their
annual Festival which is now 25
years old. However it is a sign
of the times when insurance is
crippling most festival commit-
tees throughout Ireland and
many are no longer able to sur-
vive. The G.A.A. are lucky, he
said, as they have their own
insurance and through this
scheme the Lismore Festival
could continue in safety. The
Chairman concluded by saying
that the time had now come for
the people to join forces and
tell all insurance companies to
call a halt with their demands
for public liability.

On Sunday night the fancy
dress, as usual, was the high-
light with a very large number
of entries. There were many
topical and local items with the
hospital closure and the Minis-
ter for Health very prominent.
The judges here had a very
hard time in choosing the win-
ners.

Sunday afternoon in the
Castle Gardens the crowd were
entertained by the Murray Sis-
ters on the stage, while we had
the judging of the baby show
and the doll show as well as
numerous side shows. Dancing
was on Sunday night in the
Hotel to Loudest Whisper and
new local group Gypsies Kiss.

On Monday we had the sports
in the G.A.A. Field and on Wed-
nesday we had arm wrestling. Dancing
was on the Dixies. Monday
evening also saw Lismore
Killegah play an u/21 hurling
tournament.

Tuesday saw the commence-
ment of the inter-pub football
in the G.A.A. Field and on Wed-
nesday night the usual large
crowd was present for the set
dancing.

This Thursday night (August
6th) there will be a Karate
Tournament in the Hotel —
senior and juvenile tournament.
Friday night will see all card
lovers catered for with the "45
Drive" in Lismore Hotel, while
afterwards there will be dancing
to Brass & Co. from Water-
ford.

Saturday night, there is the
final of the pub singing in the
G.A.A. Field there is a fun
sports for all the family, also
the final of the pub football and
on Sunday night the Senior
G.A.A. Tournament between the
Roanmore and Na Piarasga.
Dancing on Sunday night to
Paddy O'Brien and Telstar.
All in all a good week to look
forward to.

GRICKET NOTES
Last Sunday Lismore played
hosts to a very strong Cork
County side and in glorious con-
ditions the visitors ran out very
easy winners.

Lismore unfortunately were
understrength and had no
answer to the Cork side who
battling first hit up 220 runs
with Cork player Brian Walsh
making his century. The Lis-
more attack forgot the basic
and elementary rule of bowling
— length and line — and were
unmercifully punished for same.
Michael Hickey had 2
wickets, Eric Flynn one and
three were run outs.

When Lismore went to bat
they lost a very early wicket in
the third over and from then
on it was an uphill struggle
with the batsmen reluctant to
attack the Cork bowlers, and all
were easily dismissed for just
30 runs, which must rate as
one of the worst displays for
many years. M. Hickey and S.
Ahearne had seven each, while
P. Campion had 5.

Team — E. Flynn (capt.), M.
Hickey, A. Quinn, W. Boyle P.
Campion, T. Bones, S. Ahearne,
M. Hurley, G. Foley, D. Cam-
pion.
Next Sunday Lismore make
the long visit to Birr.
The coaching lessons every
Tuesday and Thursday for J.
juveniles are a wonderful suc-
cess and will continue right
through the month of August.
This Saturday Lismore play
their first juvenile game of the
season when Church of Ireland.

LISMORE CAMOGIE NOTES

Our senior girls had a fantas-
tic 8-10 to no score victory over
Tramore in the county final at
Kilmarc on Wed. July 29th. Re-
gardless of score, Lismore got
nothing easy and had to fight
all the way to make it 3-in-a-
row. Goals came at the right
time for us and Orla Flynn's
accurate pointing made it plain
sailing all the way. With the
aid of the breeze and sun in the
first half we were leading 6-6
to no score at half time, but the
Tramore girls came back in the
second half with great determi-
nation and were unlucky not
to score a few times. But fair
play to Lismore they stood up
very well to the challenge and
came out the eventual winners.
Captain Orla Flynn accepted the
cup and thanked the refer-
eree, Kilmarc for the use of the
pitch, trainers and supporters.
Well done girls.

Scorers — Orla Flynn 2-9 (7

MISS EILEEN WYLEY, 17 O'CONNELL STREET, DUNGARVAN
A lot of successful military
under great deception surrepti-
tiously subterfuge and guile, so
shall it be next Saturday and
Sunday. There are even shades
of Rommel's great stratagem of
having tank covers made for
non-existent tanks to fool the
enemy into fearing his greater
superiority. Some of the
'heavies' have been telling me of
special gear and bait and lures
and the usual magic potions
and concoctions. Well I'm not
impressed or scared. I consult
the 'great man' before he
went away (last year's Conger
King, you know) and he said
he'd tried them all and they
didn't make any difference. But
just in case I've taken out a
bit of extra insurance and I'll
have a few little tricks of my
own. I hear one of the lads
(nameless of course!) bought
all the Kanvatu hooks around
the place, well the Aberdeen's
I've found are just as good. He
will hardly buy them all as
well if he does, it's back to
the old rusty ones, and I've
seen bait boxes that would
make a scrap dealer cry, yet
turn up great results.

At the end of the day (or
weekend) it promises to be in-
teresting and as we are enjoy-
ing the best of the weather.

BEREAVED

For three families in the area the long weekend brought the anguish of the sudden death of loved ones. Mrs. Margaret O'Dowd died unexpectedly at her home in Sunlawn Affane on Saturday morning. The sad news of the death of Mr. Billy Morrissey, Curraghnoche on Sunday morning at his home shocked the neighbourhood and on Monday there was the added sadness of the death of Mr. Danny Murray, Tourin. Full obituaries in next week's issue.

COUNTRY & WESTERN STAR

Since winning the Silver Star Award at the recent National Country Music Finals, Paddy O'Brien from Aglish is the name on everyone's lips. He just can't be kept out of the news as he fulfils a hectic engagement schedule combining bookings with his band Telstar — and guest appearances on Pascal Mooney's Road Show. Paddy has been getting rave notices throughout Munster with his distinctive singing style and beaming personality. He has

impressed audiences no end and such has been the impact of his performances that the RTE radio programme, Pascal Mooney's "Keep It Country" has been inundated with requests for Paddy O'Brien songs. Pascal had to bow to public demand and feature Paddy singing his own composition "Life Goes Slowly By," last week and as always got tremendous reception.

Paddy's latest album on tape is called "Favourites," and promises once more to be a hit like the previous albums and all are selling like hot buns. We have said it before but at the risk of repetition, the fame now accorded to Paddy O'Brien is well deserved. It could not happen to a nicer guy.

RAILWAY ATHLETIC A.F.C.

Railway are starting training for the new season on Tuesday, 11th August at 7.00 p.m. All players and intending players are asked to be at the Danes Field at that time.

Gate Collectors — On gate duty this week, 2nd-8th August are — M. Morrissey, D. Flynn and S. Fraher.

GATS BOWLING TOURNAMENT

Saturday, 8th August, at 7 o'clock — Liam Power v. John Noonan v. Jimmy McCarthy.

BALLINAMEELA LADIES FOOTBALL

On Wednesday night the 29th July, our junior ladies team had an exciting victory over Ardmore, in the Western Final which was played at Clashmore. Even though Ardmore were hot favourites they just could not keep up the outstanding skill of a very young and fit Ballinameela team. At half time Ardmore were leading by one point.

In the second half we played with the wind which was a great advantage to us. With five minutes left we scored a great goal to leave the teams level at full time. Ardmore were visibly tiring in extra time and Ballinameela kept up the pressure and with a point and a second goal the laurels were truly ours.

Much credit must go to Fr. Fitzgerald, our trainer, coach and motivator. Well done girls — training every Monday, Wednesday and Friday night, at 7 o'clock.

Team—Caroline Ryan, Claire Longan (capt.), Mary O'Donnell, Caroline Morrissey, Ann Buckley, Claire Christopher, Una Ahearne, Kay Hallahan, Catherine Ahearne, Jenny Maher, Paula Fitzgerald, Carmel Curtin, Jackie Meegan, Subs — Catherine Morrissey, Mary Longan, Ann O'Donnell, Siobhan Ahearne, Sinead Romayne.

Our girls school football team travel to Kill on Saturday, 8th August to play Kill in their tournament. We hope to see all our supporters there.

CAPPOQUIN/AFFANE G.A.A. NOTES

Gate Collectors — On gate duty this week, 2nd-8th August are — M. Morrissey, D. Flynn and S. Fraher.

Gate collectors for next week, 9th-15th August — T. McCarthy, P. J. Kleily, J. McGrath.

Fund Raising — Our latest fund raising effort, a 10 week non-stop draw, has received great support from everyone. The 2nd draw was held last week and we congratulate the following—£100, Margaret Costin; £10 each, Mrs. E. Doocey; P. J. Roche; John O'Rourke; Mary Murray and Seamus McCarthy.

Vital S.H. Game — Our senior hurlers are engaged in a vital relegation match against Colligan Rockles on this Wednesday night in Dungarvan. This is a game we just cannot afford to lose. With a very young side in a team building process at present it is imperative that these youngsters get their chance in the senior ranks. So lads, this game must be treated like an All-Ireland. It is that important.

CAPPOQUIN/BALLINAMEELA A.C.

The Cappoquin/Ballinameela annual athletic meeting at Cappoquin G.A.A. grounds on last Sunday, August 2nd which is always a premier Munster fixture was fully supported and we had a good number of athletes and competition was extremely high. Over 70 events were run off with cork Tipperary, Kilkenny and Waterford well represented in the prizes. We won the overall trophy, the T.H. Meats Cup for the second time. Great credit is due to all our athletes on their performances last Sunday. Full results next week.

The Yoplat team event commenced at 12 noon on Monday under ideal conditions. Three races were held taking only approximately 16 minutes each. Results were: 1. Vincent Morrissey, John Fitzgerald; 2. Pearse Moloney, Tommy Moloney; 3. Pat Dineen, Seamus Kirwan.

Next weekend is fully booked and starts with the Abbeyside Eastern Race from the Lookout on Saturday at 6.30 p.m. Sunday is a team event in Dunmore East and quite a number intend travelling. — (P.R.O.)

ABBEYSIDE SCOUT NOTES

ANNUAL CAMP 1987 REPORT PART 1:
 Our camp this year was held at the Kilmoran training centre, Clarinbridge, Co. Galway. Our site was a well sheltered one with an abundance of firewood and gadget wood surrounding us. This year we brought with us bicycles so we would be self mobile in so far as was practical.

For the first week the patrols under the leadership of John Whelan (Tiger), Neil Carty (Wolf), Sean Cartwright (Eagle), Alan Ryan (Wolfhound) and Brendan Kiersey (Kestrel) went on short and then longer cycling hikes — Kilmoran, Athenry, Gort and Kilmara — being just some of the places visited. Later in the week they moved into Galway City which proved a very interesting and worthwhile experience.

Saturday (July 25) was highlight day of the first week as the patrols cycled to Salthill and Lelureland where they all experienced the famous twisting tube that winds its way down into the pool. Anthony Carroll, Brian O'Mahoney and Alan Mulcahy seemed to really enjoy themselves. As well as the pool, Crazy Golf, Bumpers, Slides and Amusements were also enjoyed by all.

Saturday night proved to be a most enjoyable night for two people in particular, ASL Ray Moore and Scout Michael Sheehan as they were caught on the hop by SL Joe, the PLS and Jack and Breda McCarthy who secretly organised a giant surprise birthday party. (For the record, Ray was 21 and Michael was 12).

Sunday was visitors day the first arriving at 11 a.m. with the last departing at 11 p.m. Despite the busy hours of entertaining in between the scouts and leaders on base all managed to join in the celebrations and see Stephen Roche's historic victory. We also celebrated Mass today when Fr. Pat McCarthy officiated.

Monday (27th) was a big day on camp as all our older scouts along with Denis Slattery JASL, Michael Cosgrave PA and Vincent O'Mahoney (Venturer and head mechanic) headed off on a long arduous double overnight cycling hike when they covered most of the West. The scouts on this trip were the PLS (already mentioned) APs Damien French and Noel Kirwan and scout Gareth Higgins. Full credit goes to Junior Leader Denis Slattery who plotted and masterminded this very hard but enjoyable excursion.

Meanwhile back at base the remaining scouts (22 in all) were called together for a very important meeting where they voted in four new PLS, they being Claran Walsh, John Paul Cosgrave, Liam Moore and Michael Sheehan. Later, Alan Beatty, Gerard (Rio) Mullen, Gavin (Shandy) Keane and Michael Kelleher were picked as APs.

On Tuesday these 22 travelled by cars to the Allwee Caves, the Cliffs of Moher and Lahinch, and on Wednesday evening Knock and Knock Airport were visited. At Wednesday's flag down Liam Moore's patrol were presented with plaques as the

GOLD COAST BOARDSAILING NOTES

The holiday weekend was scheduled for 3 days sailing. Saturday was beginners day with instruction given by Jim Shanahan and club members. Unfortunately there was a big wind but all those going out enjoyed themselves and look forward to our next beginners outing on August 15.

The Gold Coast Perpetual Trophy was run off on Sunday. Prizes and trophy sponsored by John and Ann McGrath of the Clonsa Hotel and Gold Coast Holiday Centre. There were 3 races and excitement was provided with different winners to each race. When the sums were done a head to head was held between Pat Dineen and Michael O'Connor. The lucky one home by a short head was Michael O'Connor. The overall results were:

A Fleet—1, Michael O'Connor; 2, Pat Dineen; 3, Tommy Moloney.

B Fleet—1, Peter Hannon; 2, Allison Dineen; 3, Shane Lannen.

The Yoplat team event commenced at 12 noon on Monday under ideal conditions. Three races were held taking only approximately 16 minutes each. Results were: 1. Vincent Morrissey, John Fitzgerald; 2. Pearse Moloney, Tommy Moloney; 3. Pat Dineen, Seamus Kirwan.

Next weekend is fully booked and starts with the Abbeyside Eastern Race from the Lookout on Saturday at 6.30 p.m. Sunday is a team event in Dunmore East and quite a number intend travelling. — (P.R.O.)

A SAFETY HAZARD

A haulage contractor with 40 years experience in the business called to our offices last Tuesday to complain about the manner in which the main road in the vicinity of Newtown, Kilmacthomas, at present undergoing major road-widening repairs, has been left.

He states that there is a deep excavation along one side and the only barrier is a barrel and as the roadworkers have now gone on annual holidays it will probably be left in this way for the next couple of weeks. This, he declared, is nothing short of the utmost negligence as that stretch of road, being left as it now is, must prove highly dangerous for motorists.

YUGOSLAV FILM MAKERS AT MELLERAY

Among the unusual visitors to Cappoquin recently was a Yugoslav t.v. film crew which visited the area to make a documentary for Radio-Television Belgrade.

With the group were news editor Mira Polak and cameraman Cedo Filipovitch who had come to interview author Anthony Summers who has written books on Marilyn Monroe and the Tsars of Russia.

During their stay in Cappoquin they paid a visit to the Grotto at Mellerey in which they displayed a particular interest because of their own apparitions in Medjugorje and filmed enough material together with interviews with a number of locals who have claimed to have had visions of Our Lady, to make a documentary which will be shown later this year on Yugoslav T.V.

O'SULLIVAN JOHN

The choice for our ballad corner this week "O'Sullivan John" recalls the days when tinkers roamed freely through the land going from farmhouse to farmhouse mending pots and pans. It starts with the chorus which is repeated at the end:

O'Sullivan John to the road you've gone,
 Far away from your native home,
 You've gone with the tinker's daughter,
 All along the road to roam.
 O'Sullivan John you won't stick it long,
 Till your belly will soon be slack,
 Up along the old road,
 With your mighty load,
 And your tool box on your back.
 I met Katy Caffey and her neat baby,
 Behind on her back strapped on,
 She had an owl ash plant in her hand,
 To drive the donkey along.
 Enquiring in every farmhouse,
 As along the road she passed,
 Oh where would she get an owl pot to mend,
 And where would she get an ass.
 There's a hairy ass fair in the County Cork,
 In a place they call Spancel Hill,
 Where my brother James got a rap of a hames,
 And poor Paddy they tried to kill,
 They loaded him up in an owl ass and cart,
 As along the road to go,
 Oh bad luck to the day that he roved away,
 For to join with the tinker band.

REQUEST

A request has been passed to us from a reader in Knocknaree for the words of the ballad composed after Waterford's last All-Ireland hurling victory in 1959. We have searched through our collection but have failed to locate it. Is there any possibility that some one out there would have the words and be good enough to scribble them out and send them in to us. Our thanks in anticipation.

GLORIA AT THE PIKE

Gloria and her fabulous backing band, Mississippi, will be the big attraction in the Pike Lounge, Dungarvan, on Saturday next — and what a treat is in store for regulars at this popular venue.

Throughout the summer, Gloria has been wowing audiences up and down the country with her lively entertaining cabaret show — a show that encompasses good music, superb singing and super stagemanship.

And the lady who had such a monster hit with "One Day At A Time" has promised that she will shortly have a new single out.

Gloria, with a host of television appearances behind her and the experience gained from having performed in Ireland, England, United States, France and other countries, is enjoying a new lease of life just now.

And with a band reckoned to be one of the most accomplished on the entertainment circuit, the remainder of 1987 holds rich promise for the little lady with the big voice.
