REDUNDANCY TERMS FOR GLASS WORKERS

Contrary to speculation in the daily papers last week that lay-off notices were to be issued to the 3,000 Waterford Glass workers last Friday as a prelude to the introduction of short-time working in the industry, we have been informed that no such notices were, in fact, issued. The speculation was created by the Glass Company's plan to seek 750 voluntary redundancies and the negotiations that have been taking place between the Company management and the workers' joint union committee since the announcement was first made some weeks ago.

few may have noticed the genuine delight on the face of Sean Kelly as he, too, came home with arms aloft—but in fifth place.

After the race Kelly made no bones of the sacrifice he had made to ensure victory for Stephen. "I don't think I have ever been happier with fifth place," he said. "It's super for Stephen and the Irish team. When Stephen went away on the last lap, I was with Moreno Argentin (who eventually finished in 2nd place) and I feared that if I brought him up to the break there was a chance he would win."

Those who witnessed Sean Kelly's selfless performance on Sunday would hope that he, too, will wear the famous rainbow jersey as world champion.

Indeed in these days of so much economic gloom at home it is so heartening to see Ireland represented abroad by such wonderful champions as Stephen Roche, Sean Kelly and the other hard working cyclists who made up the Ireland team last Sunday—Paul Kimmage, Martin Earley and Andy McCormack. We are proud of them all!

OUR THANKS

We wish to thank those readers who have responded to our request for old photos suitable for inclusion in our "Remembering Other Days" and to assure them that they will be well cared for and returned undamaged following publication.

In the meantime we will still welcome any further photos which might be submitted to us for the series.

HONOUR FOR YOUNG DUNGARVAN SCIENTIST

A young Dungarvan scientist had the honour of being runner-up in a major international competition held last month. The winner was another young Irish scientist, Catherine Godson, Clonskeagh, Dublin a student in pharmacology at UCD, the first time the award has been won by an Irish scientist.

The competition was open to pre-doctoral and post-doctoral researchers and an international panel of distinguished scientists initially selected four finalists on the basis of their presentations.

One of the four finalists in the competition which was a feature of the third annual symposium on nephrotoxicity at the University of Surrey in Guildford was Trisha Ormonde formerly of Abbeyside, Dungarvan a fellow UCD pharmacist.

Elected Chairman Of Co. Committee Of Agriculture

At a meeting of the Co. Waterford Committee of Agriculture held in Dungarvan last Monday, Cllr. W. McDonnell (F.G.) Tallow, was elected Chairman for the coming 12 months by 9 votes to 6 and Mr. Pat Morrissey (Macra) was elected Vice-Chairman without a vote having to be taken.

At the outset, the outgoing Chairman, Cllr. Jim Harty (F.G.) said that he was going to stand down after occupying the Chair for the past two years. He said that he had enjoyed his period as Chairman of the Committee and he thanked all the members for their courtesy and Mr. Jerry Kingston C.A.O. and the staff for all their help during that time.

He said that the Committee of Agriculture was a most constructive committee looking after the interests of the farmers in the county and it was a pity to see that due to the present, economic situation they were no longer able to meet on a regular monthly basis. Their last meeting was in June and it looked as if they would only meet twice, more before the end of the current year.

Cllr. Harty then warned about the danger of the super levy fines of up to £1 million which could be facing Waterford dairy farmers if the present excess production over the permitted milk quota continued. Referring to the current widespread pollution of Irish rivers, he said that it was a very sad state of affairs that this was so and it was sadder that it was agriculture which was being blamed for most of it. "Only a small number of farmers representing a very small percentage of the total number might be responsible but it is not all due to the negligence of farmers," he said.

Glass Company's Proposals Must Be Implemented

—SAYS M.D.

At the September monthly meeting of Dungarvan Urban Council held last Wednesday night, a letter from the Deputy Chairman and Managing Director of Waterford Crystal Ltd., Mr. Colm O'Connell, was placed before the members. The letter was in reply to a resolution passed by the Council at its July meeting following the announcement by the Company that they were to seek 750 redundancies among the workforce to ensure the future success of the Company.

In the course of his letter, Mr. O'Connell stated:— "The resolution raises a number of issues which I feel, call for comment by me. The primary objective of the business plan for Waterford Crystal, which was announced to the workforce on 30th June is to ensure the survival of the company and the remaining jobs.

We recognise that the company's need for job reductions must be matched by concern for the people involved and their families. However, the future success of the company and the security of the remaining 2,200 jobs at Waterford Crystal depend on the implementation of the company's proposals. I recognise and acknowledge the concern of Dungarvan Urban District Council for the situation at the company and assure the Council and its members that our efforts are directed at securing a viable company that can compete with success in international markets. The letter was noted.

Unit production costs at our three factories are too high. Labour and related costs at Waterford Crystal represent, 80 per cent of production costs. Yet, our wage costs are 20 per cent higher than those of our competitors and rising at a faster rate than theirs.

Consequently, to retain competitiveness and to secure the future of the industry in Waterford, we must reduce unit production costs. Our business plan addresses the problem and proposes a comprehensive campaign to resolve it.

The letter was noted.

Dungarvan Owned Greyhound Sparks Dublin Track Protest

In the past three years, our labour costs have risen by 44 per cent. When translated into dollars, the increase was 100 per cent. Since 85 per cent of our crystal is bought by Americans, the dollar increase is highly significant.

Gardaí were called to Shelbourne Park greyhound stadium in Dublin's Ringsend last Friday night, as angry racegoers attempted to stop a prestigious meeting going ahead.

The rules state that once the hare starts, the race cannot be stopped. A green light was switched on indicating that the result, a win for 10/1 outsider, Trus Venture, would stand.

The average price of our competitors' glass is decreasing because a lot of our competition is machine-made crystal and technology is advancing very rapidly in that area. Also, there is a lot of good quality crystal coming out of very low cost countries such as Yugoslavia, Czechoslovakia, Korea, and Turkey.

But that only increased the punters more and they streamed on to the track after ugly exchanges with a track official. After Garda intervention and a 22-minute delay the track was cleared and the meeting concluded.

Mr. White said that he also wished to place on record his thanks to the Deputy Manager, Mr. Brian McNally and to Mr. Paul Clerkin who had come voluntarily to his assistance since he resumed duty in order to clear the backlog of work that had occurred.

We have not yet reflected the 100 per cent cost increase in our selling prices because we operate a currency hedging programme which has pinned the

Strong Opposition To New ACOT Service Charges

The new ACOT charges for services provided by the advisory staff came in for strong opposition and sharp criticism at a meeting of the Co. Waterford Committee of Agriculture held in Dungarvan last Monday.

Cllr. G. O'Halloran said that putting such charges on farmers was implying that farmers had cash something which an awful lot of farmers simply did not have. He described the charges as a draconian measure which would make life very unpleasant for many farmers. "It is," he said, "a very sad day for farming in this country when the Government has to resort to this type of treatment and it's the weakest of the weak are being singled out." He said that he objected very strongly to the charges and suggested that they write to the Minister with a request that he reconsider his decision in this regard.

Mr. M. Byrne, Deputy C.A.O. said that the advisers would have a fairly humane approach to the situation but he added that a visit could not be made to a farm without making a charge.

Cllr. T. Cunningham said that the effect of the charges would be that farmers would no longer be able to seek the advice of the ACOT instructors. Mr. Jerry Harrington expressed disappointment that no concessions were allowed for farmers who were in financial difficulties and who had no money to pay the charges.

Mr. Michael Kieley said that the IFA was also very strongly opposed to these charges. "The position now is," he said, "that farmers will no longer avail of the advice of instructors."

Mr. M. Quinlan said that the people who needed advice most were farmers on the lowest rung of the ladder and old people who would be unable to afford to pay the charges. "Are we now going to turn our backs on these people," he asked, adding, "ACOT may not change but agricultural advice will never be the same again."

WAIVER SCHEME

Cllr. James A. Walsh then proposed that a waiver scheme such as was operated by the Co. Council be introduced so that farmers who could prove they could not afford to pay the charges could get the services free. This was seconded by Cllr. J. O'Grady.

Mr. M. Byrne, Deputy C.A.O. said that the advisers would have a fairly humane approach to the situation but he added that a visit could not be made to a farm without making a charge.

The Chairman, Cllr. McDonnell said that the views of the members were that allowances should be made where necessary and he hoped that this would be borne in mind.

TOWN CLERK WELCOMED BACK

At the outset of the September monthly meeting of Dungarvan Urban Council held last Wednesday night, the Chairman, Cllr. R. A. Walsh on behalf of the members welcomed the Town Clerk, Mr. Bertie White, back to duty after his recent illness. They were all, he said, glad to see Mr. White so fit and well again.

Returning thanks to the members for their good wishes during his illness, Mr. White said that he greatly appreciated this and indeed the inquiries made by so many people which really meant a great deal to him while he was hospitalised.

He paid tribute to Mr. Michael Flynn who had deputised for him as Town Clerk during his absence and who, he said, had dealt with a great deal of business in a most satisfactory manner.

Mr. White said he also wished to place on record his thanks to the Deputy Manager, Mr. Brian McNally and to Mr. Paul Clerkin who had come voluntarily to his assistance since he resumed duty in order to clear the backlog of work that had occurred.

Mr. M. Byrne, Deputy C.A.O. said that the advisers would have a fairly humane approach to the situation but he added that a visit could not be made to a farm without making a charge.

The Chairman, Cllr. McDonnell said that the views of the members were that allowances should be made where necessary and he hoped that this would be borne in mind.

TALLOW AND ROUNDABOUT NOTES

NOTICE TO CLUB SECRETARIES, P.R.O.'S AND OTHERS

In order to facilitate club secretaries and indeed anyone with material for publication in this column, we have arranged with Ms. Angela Mulcahy to accept any copy which may be submitted for inclusion in the Tallow And Roundabout Notes in the weeks ahead.

Angela has now taken over the Latch Restaurant on a full-time basis and is providing a full range of lunches, and evening meals as well as morning and afternoon snacks, and sandwiches. When we called to the "Latch" on Monday it was spiced and spanned the notice board proclaimed the lunch menu for the day as bacon and cabbage, roast chicken or lasagne and coldsalad. As Angela told us "it's all plain cooking" and we are sure it is always very good.

Angela was the local Correspondent for the "Leader" for a number of years but will now only accept such contributions from club secretaries and P.R.O.'s as are already written up while individuals wishing to have other material published should submit the details in writing. These then will be forwarded to the "Leader" Office each week where they will be prepared and edited for publication.

It is important to note that all such contributions should be handed in to Angela at the Latch Restaurant not later than Monday each week to qualify for publication.

ADVERTISEMENTS for publication should, as heretofore, be handed into our agent, Mr. Joe Dempsey, Lynchs Newsagents, West Street, only.

BRIDE VIEW UNITED A.F.C. NOTES

U/10: Railway Ath. 1 Bride View United 2

We travelled to Cappoquin on

Tuesday evening last to take on Railway Athletic. In a very entertaining first half both keepers had plenty to do to keep their sides in the game. At the break both sides were still looking for their first goal.

United took the lead ten minutes into the second half when John Murray scored a great goal. It was short lived however as five minutes later Railway were back on level terms. United regained the lead two minutes later when Mark O'Brien chipped the Railway keeper to clinch victory for the Tallow boys.

United - Thomas Mulcahy, John Murray, Pat Hogan, Andrew McCarthy, Mark Fraser, Mark O'Brien, John O'Brien, David O'Brien, Glen Henley, John Mulcahy, John and Billy Henley Reserves (all used) - James Murray, Billy Sheehan, Ian O'Brien.

U/14: Railway Ath. 3 Bride View United 3

This game got off to a slow start but United went into the lead in the 10th minute when Myles Tobin scored. This goal still separated the sides at the break.

The second half produced plenty of goals and entertaining football. After just two minutes Railway were back on level terms. A minute later John Paul Grey restored United's lead only to lose it again a minute later when Railway again equalised. In the 15th minute United won a corner on the right. John Paul Grey's corner kick was headed powerfully to the net by the inrushing John Doyle. This was a tremendous goal that deserved all the applause it received. Railway fought back and equalised five minutes later from the penalty spot.

United - Stephen Hampton, David O'Brien, Denis Martin, Michael O'Brien, Joseph Fraser, John Paul Grey, John Doyle, Garry Henley, Terence

McSweeney, Keith Donnelly and Myles Tobin Reserves (all used) - Joseph Tobin, William Murphy, James Henley, Brian Power and Noel Pratt.

U/13 Challenge Game: Bride View Utd. 0 Youghal 1

We played hosts to Youghal last Wednesday evening in two challenge games. Youghal defeated their U/12 league champions squad of last season.

The first half saw both sets of defenders on top but both sides went close on a few occasions. At the break both sides were still looking for the opening score.

The second half was only two minutes old when Patrick Collins struck for a fine Youghal goal. United fought back but they failed to find the net and Collins' goal still separated the sides at the final whistle. Overall a great game in which United tried out a big number of players.

Team - Stephen Hampton, Tomas Cunningham, Michael O'Brien, Barry Hogan, Joseph Fraser, Pat Flynn, John Paul Grey, Joe Murray, Seamus Woods, Evan Henley and Timothy Kenry. Reserves (all used) - Noel Pratt, Terence McSweeney, Brian Power, James Tobin, Keith Donnelly, William Murphy, Garry Henley, John O'Brien, Kevin O'Regan, Myles Tobin, Billy Sheehan, Brian Twomey.

U/15: Bride View Utd. 1 Youghal 1

Denis O'Flaherty gave United an early lead in this game when he scored a very fine goal in the second minute. United held this lead till the break.

Youghal came more into the game in the second half and equalised midway through this half. Both sides tried hard to get the winner but at the end

BALLYSGART NOTES

G.A.A. NOTES: HURLERS FOR WESTERN FINAL

Ballysgart junior hurlers qualified for the Western final on the strength of an 8 points victory over Iancled Ardmore in Tallow on Saturday evening last. We had a dream start with a goal inside ten seconds and hurling with great determination we were never led and were ahead 4-9 to 2-7 at the final whistle. This was without doubt one of the best championship displays for a long time. It is now, however, time to get back down to earth as there is still a lot of hard work before we are ready for a Western final. It was very evident that we tired very badly in the last quarter and on another day this could have cost us dearly. Still credit to all concerned for a fine display on Saturday evening and we eagerly await either Lismore or Stradbally in the Western final.

A word of praise too for the Tallow club who had the pitch in immaculate condition for Saturday's game.

MEMBERSHIP FEE - A reminder to all players, junior and underage, that membership fees are now due. Junior players £2. Underage players £1.

Best wishes for a speedy recovery go to our U10 player Stephen Gough. Cuddy Turley. We hope to see him back in action soon.

# A Wolf In Lamb's Clothing?

A letter from the Deputy Commissioner, Garda Síochána, Dublin was presented to members of Dungarvan Urban Council at their September monthly meeting last Wednesday night and was almost passed without comment.

Members were very obviously prepared to approve of the letter and its implication until the Labour members on the Council, Cllrs. P. Power and B. Kyne pointed out that the proposal contained would mean a minimum charge of 20p for short-term parkers (10-15 minutes) on the streets if the proposals in a report from the Co. Manager recommending the introduction

of disc charging on the streets be approved at a later date. The letter from the Deputy Commissioner to the Town Clerk under date June 12, 1987 stated: "A proposal has been received by the Commissioner from Waterford Corporation to amend Bye-Laws 26 of the Waterford County Borough and County Traffic and Parking Bye-Laws 1986 to provide for an increase in the fee for a parking

disc from 10p to 20p. "In order to provide for harmonisation of the bye-laws it is proposed to amend the fee from 10p to 20p for both the City and County. "Please have the matter brought to the notice of your Council and let me have your views at your earliest convenience." **DISAGREE** Cllr. Kyne said that he could not see why Dungarvan Urban

Council should agree to something just to suit Waterford Corporation. He and Cllr. Power then said that it would be unfair if in the event of disc parking being introduced in Dungarvan later on, that the minimum charge should be 20p. It was decided that a reply be sent to the Deputy Commissioner informing him that the Council disagreed with the proposal in the letter.

## DUNGARVAN G.A.A. CLUB NOTES

### A THRILLING DRAW

On a night when Martin Houllihan donned the blue jersey once again on his welcome return from Australia, our senior footballers scored a thrilling 2-7 to 3-4 draw against Rathgormack in our championship relegation battle at Leamybrien last Friday night.

It looked curtains for us when we trailed by four points with little more than five minutes remaining. But, the team put in a tremendous late rally and after getting back on level terms we eased into what looked like a match-winning one point lead.

But then it was a case of "backs to the wall" and after Rathgormack equalised they came perilously close to snatching a winner. However a draw was no less than our gallant efforts deserved on a night when the conditions were all against our youthful side.

What a welcome sight it was to see Martin Houllihan coming in as a second half substitute. He scarcely had his legs out of his system after his return from "Down Under," but in typical Houllihan fashion he turned in a full blooded effort.

### THE REPLAY

The all-important replay will be played at the same venue on either Friday or Saturday week. At that stage, Dermot Callaghan will also be home from the U.S. and available for selection so all in all we are hopeful of going on to our senior football status.

### UNDER 16s LOSE

A disastrous first half paved the way for the defeat of our Under 16 footballers by Kilrossanty in the championship last week.

We trailed by 1-11 to nil at half-time and looked in line for an absolute hammering. But what a change the second half brought, as our youngsters shook themselves from their slumber and had by far the better of matters from there to the end.

Kilrossanty finally won on a 1-13 to 2-4 scoreline, but we are left to reflect on what might have been but for that best forgotten first half display. Our panel for the game was—S. Dwyer, M. Butler, J. Morrissey, A. Quailly, M. Lyons, J. Walsh, D. Dwyer, S. Prendergast, D. Donnelly, D. Sheehan, D. O'Neill, F. Cunningham, M. McGrath, B. McGrath, O. Curran, M. Desmond, J. Tutty and J. Donnelly.

### UNDER 12 FINAL

The Under 12s were in action in the West Bord na nOg hurling final against Lismore at Cappoquin on this Wednesday night.

The youthful Blues have done well to reach this final and it would be great to be able to report on a victory next week.

Training with the club still deeply involved in both Under 21 championships, and also with our senior football future to be decided, it's all very much to play for yet. Training continues on the Tuesday and Thursday evenings and we are appealing to every player involved to give his total commitment to these twice weekly sessions until our fate has been determined. "Wouldn't it be super to round off an otherwise disappointing year secure in the knowledge that we will again be the West's only dual senior club in 1987, and for added good measure with a divisional and county championship (or two) in the bag. It's surely worth striving for

## ABBEYSIDE SCOUT NOTES

**TROOP MEETING** It was back to normal on Saturday night last, after last weekend's survival though a little confusion reigned over whether it was uniform or muffs with leaders and scouts split down the line. The meeting opened with the scout prayer. While the subs were collected Michael Cosgrave went around to the patrols as he brought their personal records up to date.

Tonight we had a treasure hunt around the Village with questions such as where is the highest chimney in Abbeyside? Where would you find the largest 'A'? On finding the answers clues were found as to the whereabouts of the treasure. The winners of the treasure hunt were the Kestrels of Michael Sheehan though we hear Alan Beatty nearly put his foot in it.

On return to the den we played a couple of quick games of tunnels and bridges as well as leapfrog. Aidan Wall, Cian O'Donovan and new boy Daniel Holland seemed to enjoy things here. A sports quiz was next with Cianaran Walsh and the Panthers topping the poll.

Some slides from last year's camp and other memories were then screened. Eoin Clancy and especially Anthony Hackett got a good laugh here. The meeting ended with the scout prayer.

### PATROL CORNERS

On Sunday morning last Mr. J. D. Hally, Regional Commissioner made a visit to the den when he adjudicated the patrol corners under the headings of box, information and overall layouts. After giving up everything he deemed the Wolfhound Patrol of P.L. Gerard Mullen the winners with Michael Sheehan's Kestrels and Eoin Clancy's Wolves a close second.

**GENERAL** Both our cub sections are back in action after their summer

new faces and we welcome the new faces. We wish William Whelan a speedy recovery following his recent accident. We hear Brian has got a new canoe. We didn't hear yet when the bottle of champagne will be broken on the bow.

**PARADE** This Friday we hold our monthly church parade. This being our first parade of the new scout year, we expect a large turn out, at the Den at 7.10 p.m.

**SUBSCRIBE** When Cllr. A. Hallahan stated at the September monthly meeting of Dungarvan Urban Council that he had heard some adverse comments about the town's public toilet from visitors during the summer and asked whether any steps could be taken to improve the place and even appoint a caretaker for it, he was told by the Town Engineer, Mr. Denis McCarthy, that the toilet had been vandalised more than once in recent times.

Mr. McCarthy said that vandalism at public toilets throughout the county was widespread as a result of which the closing down of a number of them was being considered. He said that the toilet in Dungarvan had been repaired and repainted but had again been vandalised. "We will endeavour to do something to protect it and we have a caretaker there but we can't afford to keep him there full-time," he said.

**PUBLIC TOILETS BEING VANDALISED** When Cllr. A. Hallahan stated at the September monthly meeting of Dungarvan Urban Council that he had heard some adverse comments about the town's public toilet from visitors during the summer and asked whether any steps could be taken to improve the place and even appoint a caretaker for it, he was told by the Town Engineer, Mr. Denis McCarthy, that the toilet had been vandalised more than once in recent times.

**SOCIAL OCCASION** While the competitive edge was keen, and this was understandable it was also a great social occasion where the Northern accents of Antrim.

**GERALDINES G.A.A. NOTES** At rain swamped Cappoquin on Friday evening last Geraldines and Modeligo played a draw in a thrilling junior hurling (B) Western semi-final. Just before the game the rain lashed down but it was hurling at a fast pace from start to finish.

This was a match we could have won as all the lads played their hearts out. The winners of the replay will play Ring in the Western final.

**FATHER AND SON** Two sets of fathers and sons lined out for us on Friday evening last. Johnny O'Grady was in goal and his son Brendan was at centrefield and P. J. Connery played at right, full back and his son Brian at centrefield. This is a great achievement.

**UNDER 21 CHAMPIONSHIP** All our under 21 players are requested to be in Dungarvan on Saturday evening, Sept 12 for the game St. Olivers v. Abbeyside at 6.30 p.m. —(P.R.O.)

# Tony Forristal Memorial Tournament A Tremendous Success

Recently the County and City of Waterford were hosts to the young hurlers of Ireland. They travelled here from Ulster, Connaught, Leinster and all six Munster counties.

It is quite evident that the annual Tony Forristal Tournament is now a well established and prestigious event on the national GAA calendar. In this All-Ireland tournament, Tony Forristal and Sonny Walsh are commemorated. The weather over the 2 days, Saturday and Sunday, was glorious and the organisation was splendid. Many people worked hard to make it the wonderful success that it was and the organising committee are deserving of the highest praise.

On view was the cream of Ireland's young hurling talent. A total of 336 under 14 hurlers representing 16 counties, played with pride, passion and skill. It was quite clear that the teams were well prepared, all possessing a great desire to succeed. There were 2 separate divisions with the 8 weaker counties operating in division 2 and competing for the Sonny Walsh Trophy. In division 1, the 8 top counties played for the Tony Forristal Cup.

While the competitive edge was keen, and this was understandable it was also a great social occasion where the Northern accents of Antrim.

**RIGHT OF WAY AT TOWN DUMP** Following a query at the July meeting of Dungarvan Urban Council concerning the right of way at the Town Dump the following report was submitted to the members of the Council at their September monthly meeting held last Wednesday night.

A right of way existed along the southern boundary of Ballymacnuck Dump. This right of way has been removed as it was not feasible to continue its use in connection with the dumping of waste material. It was replaced by the roadway (old railway line) through the dump site. The provision of a stile access at the newly constructed dump entrance, will allow for continued use of the right of way when the main entrance gates to the dump are closed. The report was approved.

**GERALDINES G.A.A. NOTES** At rain swamped Cappoquin on Friday evening last Geraldines and Modeligo played a draw in a thrilling junior hurling (B) Western semi-final. Just before the game the rain lashed down but it was hurling at a fast pace from start to finish.

Down and Armagh mingled with those from Kerry and Cork. Each county panel were well looked after by a Waterford club. A word of thanks is due to each of the 16 clubs for the wonderful co-operation.

In this Tournament, the people and youth of Waterford were given an opportunity to savour at first hand the marvellously high standard of juvenile hurling served up by the top-class young hurlers in the country. We in Waterford know what the standard is and where we stand in relation to that standard. From what we saw over the weekend, it is clearly obvious that there is an enormous amount of work to be done here in Waterford before we can hope to reach the standard of counties such as Tipperary, Galway, Clare, Cork and Kilkenny. Everything possible was done by the selectors in the preparation of the Waterford panel over 3 months. They were supported all the way by Bord na nOg. In this county we don't really seem to have the talent coming through from the clubs.

The referees on duty for the 2 days were Gerry McCloy (Antrim), John O'Grady (Limerick), Noel Dalton (De La Salle), Tom Power (Butlers-town), John Power (Dunhill), John Moore (Dungarvan), Noel Sullivan (Portlaw), Liam Power (Kilruary), and Denny Duggan. A word of thanks also to all the umpires for the 26 matches. The Waterford City Pipe Band provided the music at the Waterford Glass Centre for the finals.

Members of the Irish Red Cross were on duty for all the games.

**RESULTS** Division 1 — Galway 3-10, Waterford 0-1; Clare 4-6, Cork 2-6; Galway 3-7, Clare 0-4; Cork 5-9, Waterford 0-3; Clare 4-5, Waterford 1-0; Galway 2-5, Cork 1-7; Tipperary 4-9, Antrim 1-2; Kilkenny 4-8, Limerick 1-0; Tipperary 2-10, Kilkenny 2-4; Antrim 4-3, Limerick 0-5; Kilkenny 1-10, Antrim 2-2; Tipperary 6-14, Limerick 3-0.

Division 11 — Carlow 3-7, Meath 3-4; Kerry 3-11, Wicklow 1-2; Wicklow 2-7, Carlow 1-5; Kerry 3-5, Meath 1-3; Wicklow 1-10, Meath 1-2; Kerry 6-3, Car-

**TOURNAMENT WINNERS** Division 1 Final: Tipperary 2-12; Galway 2-5. Division 11 Final: Wexford 8-8; Kerry 2-2. Man of the Match winner: Tony Skelly (Tipperary).

**PRESENTATIONS** The presentation of trophies took place at the Ardree Hotel on Sunday evening. Mrs. Betty Forristal presented the Tony Forristal Cup to the Tipperary captain, Michael Gleeson. Mrs. Stella Walsh presented the Sonny Walsh Shield to Adrian Fenlon, captain of Wexford. All 336 players and their mentors were treated to a meal at the Ardree.

The organising committee from Waterford Glass GAA Club wishes to thank most sincerely the ladies committee of Mount Sion who looked after the tea and sandwiches for all the teams on Saturday; the clubs of Roanmore, De La Salle and Mount Sion for the use of the grounds and facilities; also Walsh Park field committee and Waterford Glass Centre. All the pitches were in excellent condition.

**WATERFORD U-14 PANEL** Gary Kelly, Roanmore; Michael Butler, Mount Sion; James Allen, Dunhill; Mark Clancy, Lismore; David Ryan, Clancymore; Anthony Timoney, Lismore; Conor Walsh, Roanmore; Paddy O'Donnell, Lismore; Dermot Ormonde, do.; Mattie Meagher, do.; Joseph Wyse, Fournilewater; Tony Browne, Roanmore; Benny McGrath, St. Patrick's; Christopher Gough, Dungarvan; Alan Dunne, Lismore; John Doyle, Tallow; John Byrnes, St. Patrick's; Eoin Corcoran, Ballyduff; Jim Quinn, St. Saviours; Pat Power, Roanmore; Eoin Crowley, Dunhill; John Morrissey, Dungarvan.

**SPRINTER HEADS FRENCH ASSAULT ON NISSAN CLASSIC** Gilbert Duclos-Lassalle, winner of the hard fought daily sprinters competition in this year's Tour de France heads a crack French Z-Dan Air team in the Nissan International Classic, 30th September-4th October.

France's most popular professional cyclist is backed by Roman Pencsek, 24, who finished 6th in his first Tour de France last year, Bruno Wojtinek, 24, ace sprinter and glamour boy of French cycling, Denis Roux, 26, winner of the King of the Mountains title in the Kellogg's Tour of Britain and Bruno Cornillet, 24, another promising climber and stage winner in America's Coors Classic.

**RIGHT OF WAY AT TOWN DUMP** Following a query at the July meeting of Dungarvan Urban Council concerning the right of way at the Town Dump the following report was submitted to the members of the Council at their September monthly meeting held last Wednesday night.

A right of way existed along the southern boundary of Ballymacnuck Dump. This right of way has been removed as it was not feasible to continue its use in connection with the dumping of waste material. It was replaced by the roadway (old railway line) through the dump site. The provision of a stile access at the newly constructed dump entrance, will allow for continued use of the right of way when the main entrance gates to the dump are closed. The report was approved.

**GERALDINES G.A.A. NOTES** At rain swamped Cappoquin on Friday evening last Geraldines and Modeligo played a draw in a thrilling junior hurling (B) Western semi-final. Just before the game the rain lashed down but it was hurling at a fast pace from start to finish.

This was a match we could have won as all the lads played their hearts out. The winners of the replay will play Ring in the Western final.

**FATHER AND SON** Two sets of fathers and sons lined out for us on Friday evening last. Johnny O'Grady was in goal and his son Brendan was at centrefield and P. J. Connery played at right, full back and his son Brian at centrefield. This is a great achievement.

**UNDER 21 CHAMPIONSHIP** All our under 21 players are requested to be in Dungarvan on Saturday evening, Sept 12 for the game St. Olivers v. Abbeyside at 6.30 p.m. —(P.R.O.)

## LISMORE MAN GETS "EXTENDED OPPORTUNITY" TO BEHAVE

An unemployed labourer who went berserk and assaulted three garda officers has been given an "extended opportunity" to behave himself by District Justice W. F. O'Connell at Lismore Court.

Before the court was Michael O'Connor, 49, Townspark, Lismore, who had been convicted on February 27 last of assaulting Sgt. Tom O'Grady, Sgt. Michael Blake and Garda Joe O'Sullivan on February 26. Garda Inspector P. Tierney told the court that the charges, while proved, had been adjourned to see how O'Connor would behave in the interim. He had not stepped out of line since.

Inspector Tierney however asked District Justice O'Connell to further adjourn the charges to give O'Connor an "extended opportunity" of behaving himself.

The District Justice granted the application and further adjourned the charges to next February.

## Fourmilewater Thwart Abbeyside In Closing Stages

Fourmilewater 6-7; Abbeyside 5-6

This intermediate hurling (West) semi-final played at Fraher Field, Dungarvan on Saturday night finished in a welter of excitement, as pre-match favourites Fourmilewater were put to the pins of their collar to defeat an Abbeyside team who were rather unlucky to lose after playing so well throughout.

The winners looked poised for victory eleven minutes into the second half when sub. Pat Walsh's (senior) goal gave them a 3-5 to 1-3 lead.

Two goals from Ger Collins and three points from Ger Fitzgerald shot the Village into the lead by a point with just ten minutes to go and at this stage it was still anyone's game.

Three minutes later Abbeyside struck what looked like the winning blow when Conor Clancy, who had come out of goal early in the second half, pounced on a goal to put the Village four points clear (4-6 to 3-5).

A depleted Fourmilewater rallied their forces however in the closing stages and fought back tenaciously to secure their place in the final.

Five minutes from time Pat Walsh (junior) grabbed a goal and a minute later Michael Guiry shot another major to give them a two points lead. Two minutes later Pat Walsh (junior) struck again to goal and Michael Ryan's point left Fourmilewater leading 6-6 to 4-6.

As time ran out Ger Fitzgerald-goaled for Abbeyside from a close in free but their effort to come back again was thwarted by Michael Guiry who shot over a Fourmilewater point from a free to secure them their place in the final.

It was a very exciting game throughout but Abbeyside must rue the concession of soft goals in the first half while at the same time missing several good chances themselves.

**Scorers.** Fourmilewater — P. Walsh (Jnr.) 2-0; M. Guiry 1-3; P. Walsh (Snr.) 1-0; M. Whelan, S. Guiry 1-0 each. K. Mulcahy 0-2; P. Hally and M. Hally 0-1 each. Abbeyside—G. Collins 3-0; G. Fitzgerald 1-5; P. Clancy 1-0; W. Kiely 0-1.

G.A.A. Notes

Ballyduff's Experience Could Be Vital Factor

COUNTY HURLING FINALS

Sunday next is county hurling final day and thousands of supporters from both divisions will make their way to Walsh Park to see Ballyduff and Roanmore fight out the senior final and Lismore and Mount Sion do battle in the minor decider.

Everything points to a close finish to the senior game, if one is to judge by the two most recent clashes between the same sides. I recall their meeting in the third round of the championship at Dungarvan in June last year and Roanmore being happy enough about having lost by only four points since they had to hold without a couple of their best players.

Knowing the temperament of Ballyduff and how they hold no fears of going into the lion's den to meet a challenge, I could see this having a motivating effect on their players. Although their experience of playing county senior hurling finals at Walsh Park cannot be a happy one, they have been there in a replay against Mount Sion in 1983 when the Western club were county champions, having defeated Dunhill in the final at Dungarvan. This will be regarded by them as an opportunity to dispel the notion that they can't win at Walsh Park and this will not be the first occasion on which they have disproved theories that they cannot succeed where they previously failed.

Ballyduff reached their first senior hurling final in 1977 only to lose to a great Portlaoise team. They again reached the county final in 1979 but were thwarted by Dunhill. The year came the '82 final and all their years of frustration were forgotten when they beat the fancied Dunhill in a memorable final at Fraher Field. Then came the '83 final in which they drew with Mount Sion before losing the replay. Two years ago we saw them lose to neighbours, Tallow in a most extraordinary county final at Dungarvan after they had looked certain winners at half-time. So if county final experience counts for anything in this score, Roanmore, on the other hand have never played in a county senior final having failed on four occasions at the semi-final stage. One of their officials told me recently that it doesn't worry them now, nor is it going to be a factor as they remain satisfied that they have played and are able to play better hurling than some of the sides who won county finals in recent times. They are brimful of confidence and eagerly awaiting this confrontation that they believe will bring them this longed for title in their first appearance in a final should Kieran Delahunty be fit enough to make his appearance on the team it will considerably enhance their prospects as league players. Noel, Eddy, Ray Sheridan (under 21 county goalkeeper), Gerry McGuire, full-back Danny Murphy, Pat Tobin, Sean Moloney and company are currently playing great stuff on a side who can claim the distinction of being the only team to have taken part in the championship so far.

Ballyduff's only defeat was by the same Roanmore team, but on the particular occasion, it took the Western team a very long time before they settled that result with great seriousness. Their biggest fright of the championship was at Cappoquin in the first round on April 26th when they scraped through by a single point against last year's finalists, Lismore. Their only other lapse was against next Sunday's opponents and for psychological reasons this might now become a blessing in disguise. That wasn't a county final and regardless of the result, Ballyduff could as they did, qualify in any case. This is the final and have no doubt about it, Ballyduff will organise themselves differently, utilising every ounce of their greater experience and fighting for every ball over the hour. They must take note of the probability that goals might not come as often as they did against Portlaoise and that Roanmore are in the highest points-scoring team in this championship.

At the time of writing, Ballyduff hadn't announced their line-out, but expectations are that it will read something like the team which took them through the semi-final, with their very dependable Michael Leamy in goal in front of Maurice Garry, Seamus Hannon and Mossy Casey. Liam Power, Seamus and Seamus Daly will form a strong half-back line and Richie Walsh and Paudie Prendergast, will have the extra task of heading Roanmore's Noel Crowley and Tom Browne at centre-field. Their attack will have Michael and Mossy Walsh, John Quirkie, Donal Hannon,

THEIR PATHS TO THE FINAL

Ballyduff 1-14; Cappoquin 2-4 Ballyduff 1-11; Lismore 1-10 Ballyduff 2-10; Roanmore 1-15 Ballyduff 3-11; Clonea 2-4 Ballyduff 2-15; Shamrocks 0-5 Ballyduff 4-12; Portlaoise 2-8

Giving them a total of 13-70 for (109 points) and 7-46 against (67 points). Roanmore 1-14; Shamrocks 2-5 Roanmore 1-11; Clonea 2-6 Roanmore 0-15; Lismore 1-10 Roanmore 5-16

Roanmore 1-15; Cappoquin 2-6 10-86 for (116 points) and 11-40 against (73 points).

On the basis of the above figures there is nothing at all between the teams and any self-respecting computer would forecast a draw when they meet on Sunday. It is also interesting to note that of the 14 games played by the teams so far, only five Roanmore v. Ballyduff games were played at Walsh Park. Twelve of them were played at Western venues.

MINOR CO. FINAL

Most of the players who were in opposition in the under 16 final two years ago will be meeting again in this minor county final here on Sunday. In that final Mt. Sion defeated Lismore but there was very little between them at the end and a similar situation is expected to result from their meeting here. County finals are nothing new to the players on both sides as without exception, all the boys on Lismore and Mount Sion teams have played at this stage in under 14 and under 16.

Reading through the Pen Pictures of the Lismore team we see that no less than thirteen of their side have won both under 14 and under 16 County medals and nine of their players assisted Lismore when the club took its fourth County title in this grade, two years ago when beating Ballygunner. All the team are or have been students of Lismore C.B.S. and have been coached and trained in hurling skills by Rev. Bro. Dormer who knows the ability of each player. "The back-of-his-hand" Waterford's Clubman of the Year, Bro. Dormer is confident that Lismore will be good enough to beat Mount Sion, even though the famed Monastery club beat them in under 16 two years ago. With team selectors Denis Buckley, Marty McNamara, John Heneghan, Donie Coughlan and John O'Gorman being on hand to carefully monitor the progress of the team during the hour, the club are certain to get the best out of the team. Their 24 player panel is — Declan Langan (goal), James Hickey, Pa Kenneally, Mark Sullivan, Jim Sullivan, David Barry, Fergal Meagher, Martin O'Brien, Eamon Power, Charlie Barry, Kieran Lawton, Paul Prendergast, Sean Daly, Michael Barry, P. J. Coughlan, Michael O'Sullivan, Johnnie Aherne, Dan Shanahan, Ken Whelan, Kieran Clancy, Liam Cunningham, Kevin Whelan, Sean Ahearne and Paddy Nugent.

These are the players who will be relied upon to take back the cup to Lismore on Sunday night. The championship in the East didn't heat up until the semi-final stages when two top-class matches between Mount Sion and St. Saviours and Roanmore and Passage produced some splendid hurling. This was also the case in their final when Mount Sion won through not as convincingly as they had expected. It is not easy to write with confidence about the chances of either, we knowing very little about the quality of the present Mount Sion team. Lismore played their final in the Western final and if they can improve, even slightly on that form, they must have a very good chance of becoming the new champions. Hopefully they will.

OTHER GAMES

The replay of the Geraldines v. Modelgo drawn junior hurling 'B' semi-final which goes on at Cappoquin on Saturday evening is the only fixture likely to arouse any excitement here in the division over the week-end. The drawn game last Saturday produced a very exciting finish with the half-time leaders, Geraldines, coming

from behind to draw in the end. With so little between the Board are taking the precaution of fixing the match for an earlier time in case extra time will have to be played in this one.

Stand tickets were readily available for a little more than their true value and Terrace tickets were being sold under cost.

One irate Waterford man who was obviously very disappointed with the game, said to me on the way down from Croke Park on Sunday that Waterford will teach both a lesson in hurling when we meet in the national league. I think that was taking it a bit too far, as we will find on October 11th against Kilkenny at Walsh Park and against the new All-Ireland champions, Galway at Dungarvan on February 21st, 1988.

In the salute to past champions over the 100 years of hurling, which took place after the minor game, Waterford was represented by Frankie Walsh, who captained the 1959 All-Ireland team and Kevin O'Connor (Erin's Own) who represented Jim Ware (1948 team).

OTHER FIXTURES

The Divisional Board made the following fixtures on Monday:

I.H. & F. Finals — Tallow v. Fournilewater at Cappoquin, Sunday, Sept. 27th at 2 p.m. (J. Kelly); Sliabh G'Cuia v. Shamrocks at Cappoquin, Sunday, Sept. 27th at 3.15 p.m. (J. J. Landers).

Junior Football Final — Kilgobnet v. Stradbally at Dungarvan, Sunday, October 11th at 2.30 p.m. (T. Whelan).

Junior Hurling 'B' Final — An Rinn v. Geraldines or Modelgo at Cappoquin on Sept. 18th (P. Moore).

County Finals — Both the junior and intermediate hurling finals will be played at Walsh Park on Sunday, October 18th. The junior 'B' and minor 'B' hurling finals will be played also at Walsh Park on October 4th.

PRIMARY SCHOOLS A.G.M.

This important meeting takes place at the C.B.S., Dungarvan at 8.30 p.m. to-night, Wednesday. A full attendance is expected.

COUNTY BOARD MEETING

As no meeting has been held since July, it is expected that Monday night's County Board meeting will be a long session. Included on the agenda will be the appointment of under 21 and minor hurling selectors and minor football selectors for the coming season.

ALL-IRELAND FINALS

There was a large Waterford contingent at Croke Park on Sunday for the two hurling County finals and in which Galway took their third title by beating Kilkenny in senior and Offaly took their second minor in a row when beating Tipperary.

The standard in the senior game was disappointing and it will likely be recorded as one of the poorest on record. There was far too much concentration on the man all the way and the standard of sportsmanship left much to be desired in this over-physical encounter.

The weather conditions added something to the misery of the spectacle and this also was accountable for the disappointing attendance.

Stand tickets were readily available for a little more than their true value and Terrace tickets were being sold under cost.

One irate Waterford man who was obviously very disappointed with the game, said to me on the way down from Croke Park on Sunday that Waterford will teach both a lesson in hurling when we meet in the national league. RESULTS

The intermediate hurling semi-final between Fournilewater and Abbeyside resulted in a very exciting contest at Fraher Field on Saturday evening when the issue was decided in the closing stages after a stoppage due to an injury to Eddie Cashin in the final five minutes. Fournilewater just about deserved to win but Abbeyside will be disappointed having played well.

In the minor football final Kilrossanty made history by taking their very first title in this grade after a tremendous display of football against Abbeyside on Wednesday evening last. It was Abbeyside who put on the early pressure and it took Kilrossanty some time to settle, but when they got going they were never in real danger, although the losers did lay siege on their goal area for a long period in the second half. On their display the winners must be rated as one of the best minor football sides to win the title in recent times and this high standard and commitment, augurs well for the future of the club.

Many of those present when Denis McGrath presented the trophy could not believe that it was Kilrossanty's first ever minor football title. It was a nice gesture on the part of the Abbeyside players to remain in the arena for the presentation.

The biggest surprise of the week-end was the defeat of hot favourites, Lismore by Kilgobnet in the junior football semi-final at Dungarvan on Saturday. They adopted a much different approach from their match against Faha on the previous Saturday and took the game to their opponents from the throw-in and exerted non-stop pressure in the first half to have a five points lead at the break. Lismore fought back

very well in the second half, but Kilgobnet never allowed them to settle down. In the closing stages the loose late siege on the Kilgobnet goal but the winners held out to win deservedly by a four points margin.

Ballysaggart made sure of a place in the Western final by beating off a great Ardmore challenge in a very enjoyable county hurling semi-final at Tallow on Saturday. This was a splendid contest with both giving it all in a tremendous battle that kept supporters on their toes right up to the closing stages. On this, their best performance of the season, Ballysaggart will be given a chance to beat Stradbally or Lismore in the divisional final next month.

An Rinn were in the right mood for their semi-final meeting with the Mellerey club and led all the way to deservedly win this rather one-sided junior hurling tie at Cappoquin on Saturday.

COUNTY FINAL ARRANGEMENTS

The Waterford County Board has announced the following arrangements for next Sunday's county senior and minor hurling finals at Walsh Park.

(1) There will be no entry to the grounds at the Keane's Road end, and the usual entry to the dressingrooms will be closed; (2) Admission for adults to all sections of the ground is £3. Children under 15 years and Old Age Pensioners will be admitted free of charge through a special entrance which will be clearly marked. Old Age Pensioners however will have to produce their pension books, and travel passes will NOT suffice to gain them free admission.

(3) Special arrangements have been made to facilitate wheelchair spectators who should immediately contact either the county secretary James Grant or county chairman James Tobin for specific details. (4) Patrons are asked to cooperate fully with the stewards to ensure a trouble-free organisation; day.

WEST WATERFORD NOTES

IN HOSPITAL A very special get well wish is extended to Mr. Paul Guiry, Ballyheney, Clashmore who is presently in hospital.

TALLOW FAIR The annual Tallow Horse Fair once again this year attracted a large attendance and many horses from this area passed hands. In all it proved very successful for both buyers and sellers.

GOLD MEDAL

The second gold medal ever to be won by a member of Clashmore-Kinsalebeg Community Games during its twelve year history in the parish was proudly won by Miss Linda Gully, daughter of Kieran and Marie Gully, Knockanerin, Clashmore. Linda, a pupil of Ballycurrane N.S., won her medal in the under-8 100m. at the All-Ireland Finals of Community Games at Mosney last weekend.

The only other gold medal to be won by a member of the club

was won by Catriona Casey, Shanacoola, Kinsalebeg for the Long Puck.

To celebrate this great victory a special celebration night will be held in Decies Lounge on Friday night at which a special presentation will be made to Linda on behalf of the club to mark this great occasion.

ENGAGED

Making a visit to her home at Kilgobnet, Clashmore to announce her engagement was Miss Kay Dee, SRN, England. We wish to congratulate Kay on her engagement to Mr. Sean O'Doherty of Mayo and wish them both every happiness.

VISITORS

Once again making a visit to his native Clashmore was Mr. Eddie Mulcahy, former All-Ireland weight-throwing champion.

COLLEGE

Every good wish to Mr. John Treacy son of John and Mary Treacy, Kilmore, Clashmore, who leaves to study at St. John's College, Waterford this weekend. Every success John.

DUCK SEASON

With the start of the duck season during the past week, first reports are that ducks are very plentiful in this area.

CUT BALLYDASOON MAN'S DOOR WITH CHAINSAW

After being ejected from a neighbour's house in the early hours of the morning, a young man returned later and tried to cut down the front door with a chainsaw. District Justice W. F. O'Connell heard at Youghal Court last Friday.

Before the court was Patrick Landers, Cherrymount, Youghal and he pleaded guilty to causing malicious damage to a door of the house owned by Decies Daly, Ballydasoon, Youghal, on September 2.

Supt. M. Murray told the court that Mr. Daly and his wife were in bed around 12.40 a.m. when the defendant came knocking on the front door trying to get in. They ignored him at first but when Landers continued to knock Mrs. Daly got up and let him in. He gave him a cup of coffee.

The Supt. said Landers subsequently became agitated and Mr. Daly came down and eventually pushed the defendant out of the house.

Supt. Murray said the Dalys were later awakened by what they thought was the noise of a motorcycle. On looking out the window they saw sparks and smoke and saw Landers cutting the door of the house with a chainsaw. A neighbour summoned the gardal and Landers was arrested.

The defendant told Justice O'Connell he would pay full compensation if given the opportunity to do so.

The Justice adjourned his decision until November 6 to see if Landers pays compensation. However when told by Supt. Murray that the Dalys are terrified of the defendant, Justice O'Connell bound him to the peace for twelve months and also directed that during that time he must not go near the Dalys' household.

Ardmore Publican Charged With Obstructing Fire Officer

When County Waterford's Chief Fire Officer called to investigate an Ardmore licensed premises on July 29 last, he was subjected to what District Justice W. F. O'Connell described at Youghal Court as "outrageous treatment" by the publican.

Mr. Tony McCarthy, who recently took up duty as Chief Fire Officer in Cork City, told the court that the publican, Mr. Kevin Gallagher, Main Street, Ardmore, obstructed him, became very abusive to him, shouting at him and told him it was "the last f---ing inspection he would ever do at the premises."

"I have never before experienced anything like the publican's behaviour that night," Mr. McCarthy added.

Mr. Gallagher was charged with obstructing and impeding Chief Fire Officer McCarthy in the execution of his duty on the occasion, and with also being in breach of the regulations under the Public Dance Hall Act.

Chief Fire Officer McCarthy told the court he had gone there on receipt in writing of a specific complaint, about Gallagher's premises. When he went there a disco was in progress.

He said he found both exit doors were obstructed inside and outside. When he went to the toilets to inspect the wiring he heard a bit of commotion and discovered that the disco jockey had received an electric shock and a doctor and ambulance were summoned.

Witness went on to say that when Mr. Gallagher arrived, he insisted on seeing witness's official identity and was shown an O'Connell fined Mr. Gallagher £25. He adjourned the question of penalty on the breach of the Public Dance Hall regulations to Dungarvan court when further charges would be preferred against Mr. Gallagher. "I can say, however, that I am considering revoking the licence," the Justice added.

Officer for his official identification and also felt, a bit resentful that the inspection was being carried out because he was having difficulties with the gardai at the time.

"I have no grudge against the Chief Fire Officer," said Mr. Gallagher, "and if my attitude that night caused him any upset, I would apologise to him."

District Justice O'Connell said nothing could excuse the publican's treatment and behaviour towards the Chief Fire Officer. "It simply was outrageous," he said.

IMPORTANT MISSION

The Justice said the Fire Officer went there on a very important mission and all got in the way. "He was there to ensure everything was in order, or do we want a repeat in Ardmore of the terrible fire tragedies that have occurred elsewhere in the country?"

On the charge of obstructing the Chief Fire Officer, District Justice O'Connell fined Mr. Gallagher £25. He adjourned the question of penalty on the breach of the Public Dance Hall regulations to Dungarvan court when further charges would be preferred against Mr. Gallagher. "I can say, however, that I am considering revoking the licence," the Justice added.

In a separate, subsequent case before the court, John McCarthy, Main Street, Ardmore,

was fined £5 and directed to pay £10 expenses, when convicted of assaulting Kevin Gallagher on July 9 last.

Mr. McCarthy admitted "hauling off" on Mr. Gallagher, but only after he had called him a number of abusive names and shouted insults at him.

Mr. Gallagher admitted passing a remark or two to Mr. McCarthy, who, he said, then struck him with his fists as a result of which he had to receive medical treatment.

Having convicted Mr. McCarthy of assault, District Justice O'Connell also bound Mr. Gallagher to the peace for 12 months, and on the application of defence solicitor, Mr. J. P. Gordon, fixed recognisances in the event of an appeal.

DUTCH ELM DISEASE IN DUNGARVAN

Members of Dungarvan Urban Council were informed by the Town Clerk, Mr. B. White at their September monthly meeting that following inspections by Mr. J. Kingston, C.A.O. and Mr. J. Walsh, Horticultural Instructor, ACOT the following trees in the Urban area were in a dangerous condition due to Dutch Elm disease and should be removed: 2 trees at Shanacoola and 8 trees in the Sea Park, Parklane district in Abbeyside.

In regard to the existing trees at Grattan Square it was recommended that, these be retained and that 6 missing trees be replaced.

The recommendations were unanimously adopted and it was also agreed that trees at Hermitage and Murphy Place, Abbeyside should also be inspected.

# Dungarvan Parking Rules Will Be Reviewed

Chief Supt. T. A. Sloyan, Waterford, accompanied by Inspector P. Tierney attended the September monthly meeting of Dungarvan Urban Council in order to discuss with the members the present parking regulations in force in the town.

Welcoming the Garda officers to the meeting, the Chairman Cllr. R. A. Walsh said that the reason for their attendance was "the blitz of yellow lines which had gone down all over the town" earlier in the year following recommendations by the Chief Supt. "There's no point in having a town with a lot of yellow lines with no one in it," said the Chairman, adding that the latest regulations were hitting business in the town in a very bad way.

Cllr. Walsh went on to say that in broad terms what was wanted was one-side parking in the four principal streets in the town.

tion there would be a bigger turn-over in the number of cars parked.

Having said that, the Chief Supt. then told the Council: "We're not here to direct the Council in this matter but to help and advise you as best we can. This is your town and it's your business and your people that are involved and if you think that it is the town's best interest to have two hour parking limits then that is a matter for you to decide."

Cllr. A. Hallahan said that as a business man in town he could say that there was a determination to change the

duration of parking from 1 to 2 hours. He felt that the new by-pass road would affect the flow of traffic through it. "It is up to us then," he said, "to encourage people to come into town to do business and I am aware that 1 hour is not sufficient to allow people to do their shopping. The extension to 2 hours would encourage people to come in to shop and if this is done then the town will thrive."

Supt. Sloyan commenting on this said: "Certainly if the business people generally hold that view we will consider it.

We will be happy to go along with the majority view." He went on to assure Cllr. Hallahan that his suggestion for the 2 hour parking limit would be looked at "very seriously and very favourably" although both Cllr. M. O'Riordan and the Chairman thought that such an extension at the Square was no longer very urgent as they now had two free car parks in the town!

It was finally agreed that the Chief Supt. would attend a further meeting of the Council following the opening of the new by-pass road to discuss the situation as it then would be.

## COUNTY MANAGER NOW RECOMMENDS STREET PARKING CHARGES IN DUNGARVAN

The latest development in the drive by Dungarvan Urban Council to collect revenue from town parking regulations is contained in a report submitted by the Co. Manager, Mr. Dan Tierney, to members of the Urban Council under date August 31.

The report, which speaks for itself came before the September monthly meeting of the Council held last Wednesday night. However due to the lateness of the hour when it was reached on the agenda (it was just minutes before 11 p.m.) it was unanimously decided to defer discussion on the report until the next monthly meeting on October 19.

### THE REPORT

The Co. Manager's report was as follows:—

"Members are aware of the provision in the 1987 Estimates for receipts accruing from parking at the new car park at Davitts Quay. However, difficulties have arisen on the implementation of these charges due to the very slow procedures in extinguishing rights-of-way and I have withheld the implementation of the scheme lest the defects would be challenged in the Courts and would be found against the Urban Council."

"The time factor of this has in fact given us time to review the whole question of car parking in the town and the monies accruing therefrom. A breakdown of the parking facilities available in the Town centre is as follows:—

- 367 spaces with no restriction.
- 284 spaces with one-hour restriction.
- 40 spaces with two-hour restriction.
- 354 private company car spaces (including spaces provided by County Council).

"This is a total of 1,045 spaces, which exceeds the average 1990 year figure of 792 spaces submitted by the 1970 Traffic Study Plan for Dungarvan."

"On balance and following considered reports of the Town Engineer and the County Engineer, I favour the introduction of disc-parking system for the town, suggesting that the car parks at Scamliam's Yard and Davitts Quay be free, with discs being used in the areas at present restricted to one-hour durations. I estimate that the income from this system, not including fines in Courts,

to be in the region of about £25,000 for a minimal charge of 10p per hour, assuming a fifty-fifty utilization. This is a conservative estimate, as full utilization of all spaces, with restrictions at present, for a nine day period over six days week could yield us anything up to £50,000.

"This is an important consideration in view of the financial constraints on local authorities and the difficulties that will be facing us in 1988. It will also allow monies to the Council to improve footpaths, lighting, etc."

"The system I propose has further advantages of being much simpler to supervise than the present system. It is of interest to note that Waterford Corporation at their meeting last week adopted a similar type of approach and hope to have it implemented within one month, so the opposition to such a system is waning and would be seen to be nearly countrywide in its acceptance at this time."

"In any new proposal the question of parking in a number of areas in the Town would have to be investigated, particularly along Davitts Quay, which is at present unrestricted and causing major problems."

"Summarising, therefore, I would recommend to the Council as follows:—

- (a) The introduction of disc car parking in all areas of the Town at present subject to one and two hour restrictions.
- (b) The charge of 10p per hour, subject to a maximum stay of two hours per space.
- (c) The restrictions apply only on all weekdays, including Saturdays, from 9 a.m.-6.30 p.m.

(d) That Davitts Quay and Scamliam's Yard be free and time unlimited.

(e) That areas close to the Town centre, such as Davitts Quay not covered by the restrictions, be included in these regulations.

"I recommend the adoption of this report for further detailed studies and submissions to the Council at their November Meeting with a view to having the scheme in operation by January 1st."

## URBAN COUNCIL'S ARTS GRANTS

Dungarvan Urban Council have approved of the following contributions to local groups under the Arts Acts and the Town Clerk, Mr. B. White, reported at the September monthly meeting of the Council that provision for the payments had been made by the Council in their current estimates: £100 each to Dungarvan Brass and Reed Band, Dungarvan Pipe Band, Dungarvan Choral Society and Abbesside, (Scouts) Pipe Band; and £500 for the trustees of the Friary Hall to be used in the replacement of the stage lighting system.

## JUNE 3 WAS NOT THIS TALLOW FARMER'S DAY

It was one of those days when 75-year-old farmer Edmond Coughlan would have been better off had he stayed in bed.

"It was certainly a day when everything went wrong for me," Coughlan of Monalee, Tallow, told District Justice W. F. O'Connell at Lismore Court last Wednesday.

However a considerate and understanding Justice applied the Probation Act to Coughlan on three charges and told him, "yes you had enough to contend with on the day."

Coughlan had pleaded guilty to charges of having a defective car silencer, one worn tyre, and no stop lamps, at Lismore on June 3. Garda Tom Dunlea of the Traffic Corps prosecuted.

The defendant, however told the court that he was driving for fifty years without an accident but, on this day everything went wrong for him.

He said that, in the space of forty-eight hours he had had three punctures. On June 3 also a neighbour's dog came into his yard tied to a bucket of nails, and then he encountered Garda Dunlea.

District Justice O'Connell told Coughlan that he wasn't quite sure what the relationship was between the dog tied to a bucket, or nails and the defects in his car.

"I accept however that it was a bad day for him," said the District Justice. Applying the Probation Act on all three offences, the Justice told Coughlan "yes you had enough to contend with that day."

## ARTHRITIS AND THE WEATHER

First things first. The weather, however bad it might be, does not make the outcome of your arthritis any worse in the long term. Neither is weather a cause of any of these diseases. Most rheumatic diseases occur in all climates.

Nevertheless the weather does make a difference to how you feel. Given that most of us have some degeneration (Osteoarthritic) bits of our anatomy somewhere in our bodies, cold, greyness and damp may lower our resistance and aggravate pains in these areas, while warmth and sunshine have the opposite effect. Joint pain is often especially sensitive to changing weather conditions, but so far no one knows why.

There has been considerable research into this but the problem is that climate and weather conditions are made up of many different components. Temperature, humidity, barometric pressure, wind, rainfall, cloudiness, and sunshine all play their part. Furthermore, rheumatic diseases themselves often change from day to day for no apparent reason, so that variations in the weather and alterations in someone's condition could be coincidental.

### TEMPERATURE

When it is cold most arthritides sufferers feel worse; their "pain threshold" is lowered. Warmth relaxes mental and muscle tension and eases most pains, as anyone knows who takes warm baths. This is one reason for physiotherapists using special heat lamps. Similarly individuals who work in a warm environment complain less of pain than those out in the cold, even though they may have the same amount of arthritic changes.

A group of coalminers working in a wet seam, research tells us, lost more time because of pain in their backs and hips than did those working in dry seams. This occurred despite the fact that their x-ray changes were similar.

Pounding workers, whose environmental conditions were constantly warm, were found to suffer less incapacity than others, even though many had arthritic spines. It is possible that the warm, dry atmosphere in the foundry acted as a form of physiotherapy in helping to reduce the pain.

Nowadays air-conditioning may aggravate arthritic aches and pains, a cold jet of air playing on a shoulder or back can cause pains and muscle aches in the area.

### BAROMETRIC PRESSURE

Some sufferers say their pain level seems to act rather like a barometer; it actually forecasts the weather! And whilst they are unlikely to compete with the RTE weathermen, research does indicate that barometric pressures influence people's symptoms. Some years ago, Dr. Joseph Hollander of Philadelphia, with his colleagues made studies on a group of arthritic patients in a tall, windowless building with a controlled climate, where nobody could see what the weather was like outside. In a significant number of cases a rise in humidity with a fall in barometric pressure was detectable by patients from unpleasant feelings in their joints.

Studies of other factors in the weather do not help a great deal. And people who have different forms of arthritis do not respond in the same way to changes in the weather.

### MOVING?

Arthritic patients in England

often ask their doctors if they should leave the Thames Valley and settle in sunny Spain or Florida, selling their house in England to retire abroad. So many other factors are involved in addition to the climate that there is no certain answer to this question.

Dr. J. S. Lawrence, in his book "Rheumatism in Populations" has a chapter on the influence of climate on rheumatic complaints. In it he discusses what he calls (a) the macro-climate (the weather) which is concerned with latitude, hours of sunshine and daily and nightly temperatures and (b) the micro-climate which is concerned with the immediate surroundings of the individual at home, at work or at play. Both may play a part in aches arising from arthritic joints.

Dr. Hollander and colleagues showed that rapid changes in barometric pressure and humidity occurring within 6-12 hours caused a greater increase in symptoms in rheumatoid arthritis than slower changes occurring over 24 hours.

Quite small changes in the temperature of the affected arthritic tissues may affect the pain threshold and convert a dull ache to a positive pain, and both the macro and the micro-climates may play a part here.

It is probably better to live with a happy family in a warm, dry house at home than alone in sunny Spain among strangers—but probably better still if one can combine the best of both macro and micro-climates in one's conditions and daily activities.

## THIS WEEK ACOT CO. WATERFORD SAYS

### SHEEP

Where buying in lambs for fattening, the following should be carried out:—

\* Give 3 doses of Cobalt Sulphate in the space of one week.

\* Vaccinate for clostridial disease and give booster one month later.

\* Dose for fluke and worms separately.

\* Pare and treat feet where necessary and run through a foot bath.

\* Do not give copper to sheep.

### STRAW

When burning straw the following precautions should be taken:—

\* Take straw away from fences.

\* Plough or rotavate a strip at headlands.

\* Burn against the wind.

\* Two people should supervise for duration of burning.

### GRASSLAND

Mid-September is the deadline for reseeding if you want to be sure of establishment before winter. Make sure lime status is correct before sowing. Where re-seeding follows pasture, watch out for frit-fly attack and take immediate action.

### HORSES

Sell your foal at weaning if you are not in a position to bring on a young horse properly. Keeping on a young horse involves feeding, handling, foot-care, worming, fencing, etc.

## REMEMBERING OTHER DAYS

Our photo for the "Remembering Other Days" this week is certainly an old one and goes back to the days when the first stirrings that eventually led to the Easter Rising of 1916 were taking place in Ireland. Taken by Edmond Keohan who was the top photographer in Dungarvan in those days it shows a gathering of "A" Company, Dungarvan National Volunteers with flag bearers and mobile unit taken at Clonea Strand, Dungarvan (with Ballyvoile Head in the background) in 1914. We have not been able to ascertain the names of any of the men in the photo.

### MONTHLY WEATHER BULLETIN

## Warm And Humid August But Sunshine Down

According to the monthly weather bulletin issued by the Meteorological Service, August had spells of pleasant weather this year although sunshine amounts were below normal. For the first nine days of the month winds were westerly or northwesterly and while mean air temperatures were about normal for the bank holiday weekend they fell below normal between 4th and 9th. On the 10th the wind shifted around to the south bringing the warm and often humid conditions that lasted till Friday the 21st, causing problems for farmers.

For the following few days, up until the 26th, northerly winds prevailed, bringing a welcome return to cooler, fresher weather. From the 27th to the 29th a high pressure area moved in over Ireland from the Atlantic with a mild and slackening westerly airflow. Towards the end of the month the centre of the high shifted to the east and the resultant southeasterly winds from the continent brought extensive thunderstorm activity on the evening of Monday the 31st.

### AIR TEMPERATURES ABOVE NORMAL

Mean maximum temperatures ranged from 16.9°C at Malin Head to 20.1°C at Kilkenny; these compare with normal values of 16.5 to 19.5°C. Days were cool between 4th and 9th but rose a little above normal between 10th and 14th. The weekend of the 15th to the 17th was the warmest of the month with temperatures in excess of 23.5°C being recorded at some stations on each of the three days. Dublin Airport reported 26.6°C on 16th, its second highest August air temperature since recording began there in 1940. While daytime temperatures fell on 18th they still remained well above normal until 21st. Maximum temperatures were mostly below normal between 21st and 26th but were up to normal or above for the remainder of the month.

Lowest night-time temperatures were recorded between 4th and 7th when slight ground frost was observed at a few stations. The nights of 10th and 25th were also cool. Night-time temperatures were well above normal between 11th and 20th and were above 16°C at many stations on 16th when Dublin, Birr and Kilkenny recorded mean daily temperatures of 21°C or more. From 28th to 30th, minimum temperatures were again above normal. Mean minimum temperatures for August ranged 10.6°C to 12.7°C, again about half a degree above normal. Mean air temperatures for the month varied from 18.1°C at Shannon Airport to 14.5°C to 0.9°C above normal.

### RAINFALL

There was heavy rain for a time during the 12th, 19th, 20th and 25th to a lesser extent on 1st. In the warm swell of 15th to 17th thunderstorms affected some areas and contributed to the rainfall which occurred during the road races at Dunrod. Thunderstorms were again a feature on the evening of the 31st. Highest daily fall was the 38.5 millimetres at Claremorris on 12th. On 20th, Cork Airport had a 37 millimetre total while there was over 20 millimetres in the Dublin area on 17th. On 24th the remains of hurricane Arlene were some 20 degrees west of Ireland but, fortunately, it weakened and slipped harmlessly south; thus the first anniversary of the hurricane Charley episode was spent in a northwesterly airflow with scattered showers.

Amounts of rain were small between 2nd and 5th, 7th and 9th, 13th and 14th, 22nd to 24th and 29th to 30th. The number of days with totals of 1 millimetre or more ranged from 7 to 13. Totals for the month varied from over 101 millimetres at Belmullet (115% of normal) to 38 millimetres (45% of normal) at Shannon Airport. But then the rain of 12th and 19th-20th contributed nearly 58 millimetres to Belmullet's total while Shannon Airport had less than 20 millimetres.

Highest totals were recorded in north Cannaught and in parts of Ulster while totals were lowest in west Munster and parts of the south and west of Leinster. At Shannon Airport, Galway, Cahirciveen and Birr it was the driest August since 1981 when most areas had between 20% and 50% of normal rainfall.

### SUNSHINE

While Saturday 1st the start of the bank holiday, was dull, the 2nd was brighter, except near the south and north coasts and during 3rd and 4th there was a good deal of sunshine. Belmullet had the sunniest day of the month with 13.5 hours on the 4th. Many stations also had a good deal of sun on 13th, 24th and 27th while in addition to 1st, the 12th, 19th and 29th were notably dull.

Totals for the month ranged from 171 hours at Rosslare to 102 hours at Claremorris and Belmullet. Indeed Belmullet had its dullest August in some 30 years of record with only 65% of normal sunshine. Generally between 75% and 95% of normal sunshine was recorded but, Cahirciveen (Valentia Observatory) had 103% making it the only station with above normal sunshine for the month.

### FOG

In warm sector conditions we had hill and coastal fog at times, notably between 17th and 21st, while there was also fog (mainly radiation fog) early on the 10th and 25th in quite a number of places.

### WIND

Windiest days were 12th, 23th and 26th but highest gusts were only in the range 35 to 46 knots

### SUMMER OF 1987

June was dull, wet and cool, while July and August were changeable, there were some good spells of dry, sunny, quite pleasant weather. Mean air temperatures ranged from normal to slightly above over most of the country. The predominance of northwesterly winds during the summer kept northern and northwestern coastal areas somewhat cooler. While daytime maxima ranged from 0.3°C above normal to 0.4°C below normal, nighttime minima were normal or above. Dublin Airport recorded the highest temperature of the summer with 26.6°C on the 16th of August. But some of the lowest summer temperatures for 10 to 12 years were recorded in June.

Rainfall totals for the summer ranged from 260mm to 280mm (115% to 122% of normal) in the north and northwest, to between 145mm and 165mm (80% to 90% of normal) along the south and southeast coasts. There was a significant difference between the totals recorded at Roche's Point (144mm) and nearby Cork Airport (253mm), a difference that also shows up in a comparison of the totals from Rosslare and Kilkenny. These differences reflect the fact that much of this summer's total fell on a few particular days with heavy, sometimes thundery, rain.

It was another dull summer, unfortunately. Sunshine amount's nowhere exceeded 88% of normal, and was as low as 67% at Claremorris. This summer was an improvement on the very dull summers of 1980 and 1981, except at Casement Aerodrome, where it was the dullest summer since records began there in 1964.

## DUNGARVAN SCOUT TROOP NOTES

### (11th WATERFORD)

#### TUESDAY NIGHT SCOUTS

Last Tuesday night a few of the SPL's and our St. Kevin Kieley were working in the den finishing off boxes in which to store the equipment. They also sanded the tables and chairs for repainting, getting ready for the start of the scouting season. Before work started, Kevin gave a guitar lesson to some of the SPL's who are interested in learning how to play.

They finished up at around 10 p.m. on Tuesday night and were back down working the following day really getting the place in shape.

#### WEDNESDAY NIGHT CUBS

The cub meeting started as usual with the Cub Scout Prayer. Nicola then decided to take them up to the Brothers' field for a game of soccer and after this we played quick relay games such as pass the neckerchief and three-legged race. We finished up at about 8.30 with

a few announcements and the Cub Scout prayer.

#### THURSDAY NIGHT SCOUTS

We started the meeting last Thursday night as usual with the Cub Scout Prayer. Our ASL Tom then brought the lads up to the CBS field for a few games consisting of leap frog, relay and race for the ball, etc. Some great displays were given by Sean McCarthy and Michael Nugent.

We finished up with the scout prayer and a few announcements.

#### SCOUT SNIPPETS OF ANNUAL CAMP

During camp we had some very funny characters with us. Gerald Lenihan kept on seeing gremlins; Barry Desmond was our alarm clock, and a few of the lads like Aidan McCarthy, Garvan Flynn and Conor Murphy obtained the order of the "Black Pot". — BI ULLAMH

## KNOW YOUR RIGHTS

Q.—Is there a means test for the Allowance for the Care of Severely Handicapped Children?

A.—The means of the parents are not taken into account when eligibility for the constant care allowance is being assessed. However, if the child has a personal income this will be taken into account.

To qualify for the Allowance (which is available for the parents of either physically or mentally handicapped children living at home) the child must be aged between 2 years and 16 years and the handicap must be such that the child requires constant care and attention.

When the child reaches 16 years he may be eligible for the Disabled Persons Maintenance Allowance.

The maximum amount of the Domestic Care Allowance is £73 per month and will increase to £75 per month from September.

Applications for both the Constant Care Allowance and the DFMA should be directed to your local Health Centre.

HOSPITAL NEWS The Save Lismore Hospital Committee held their last meeting on Thursday, the 3rd of September.

The good news from the meeting is that Lismore District Hospital will re-open in the near future as St. Carthage's House.

LATE PADDY WHELAN The town of Lismore was saddened when news of the death of Mr. Paddy Whelan, Ferry Lane, Lismore became known. Full obituary next issue.

SR. STANISLAUS BARRY The death has occurred in Nigeria of Sr. Stanislaus Barry who had just returned there after spending a holiday in Lismore. She is survived by her brother David, Chapel Street, to whom we extend our deepest sympathy.

LISMORE CAMOGIE NOTES In the Junior/Senior League we played two matches during the past two weeks, both against Ardmore. In the first game we played soundly. Two goals, one coming at the end of each half put an end to Ardmore's hopes and we came out worthy winners on a scoreline of 2-6 to 2-1.

On the return visit Ardmore were determined to beat us having home advantage. But it wasn't to be and we won again by 2-5 to 2-1. Ann Ryan played solidly in defence while Patricia Bolger in mid-field and Mary Murphy in the forward-line made good use of the ball.

Panel for both occasions - M. Murphy, P. Flynn, A. Ryan, M. Tobin, M. Kearney, S. McCarthy, P. Bolger, A. O'Gorman, J. Tobin, H. Barry, M. Hale, B. Carey, M. Quirke, M. Kennelly, C. Clancy. (P.R.O.)

WEDDING: A very pretty wedding was celebrated recently in the Honan Chapel, Cork when Pat, son of Ronnie and Teresa O'Donnell, Main Street, Lismore, was married to Miss Ann O'Connor, Cork. The ceremony was performed by Rev. John Galvin, Sr. Rector of the parish.

The reception was held at the Arbutus Hotel, Cork, where the Society Four provided the musical entertainment which was enjoyed by young and old. The honours man is being spent in the Canaries.

Pat is Electrical Engineer in Apple Computers, Cork. We wish the young couple every joy and happiness throughout their lives.

LISMORE G.A.A. NOTES On Sunday next at Walsh Park, the minor hurlers will be seeking to win the county minor title. The famed Mount A. has proved their opposition in this final. The game starts at 2 p.m.

The following is the Lismore panel - Declan Landers, James Hickey, Pa. Kennelly, Mark O'Sullivan, Jim O'Sullivan, David Barry, Fergal Meagher, Michael O'Brien, Eamonn Power, Charlie Barry, Kieran Lawton, Paul Prendergast, Sean Daly, Michael Barry, P. J. Coughlan, Michael O'Sullivan, Johnny Ahearne, Dan Shanahan, Ken Whelan, Kieran Clancy, Liam Cunningham, Kevin Whelan, Sean Ahearne, Paddy Nugent.

U/14 HURLERS Last week-end the under 14 hurlers travelled to Dublin as guests of the Craobh Chiarain club as part of their silver jubilee celebrations.

The team and mentors travelled to Dublin on Friday evening. On Saturday morning at Parnell Park there was an under 14 hurling tournament game between Lismore and Craobh Chiarain. After a keenly contested and exciting game Lismore emerged as winners by 2 points.

This game was just one of many in hurling, football and camogie organised by the Craobh Chiarain club in conjunction with their jubilee celebrations.

On Sunday the boys headed for cork Park for the All-Ireland hurling finals, after which they returned home having had an enjoyable week-end in the capital.

The under 14 panel that travelled to Dublin was as follows - Anthony Timmell (capt.), Brendan Ormonde, Tom Murphy, Paddy O'Donnell, Philip Hickey, Robert O'Sullivan, Richie Nugent, Dermot Ormonde, Keith Hornbrook, Mattie Meagher, Alan Dunne, Ollie O'Dowd, Michael Daly, David Nugent, Paul Quinn, Brian Quinn, Mark Clancy, Aidan O'Connell.

The Save Lismore Hospital Committee held their last meeting on Thursday, the 3rd of September.

The town of Lismore was saddened when news of the death of Mr. Paddy Whelan, Ferry Lane, Lismore became known. Full obituary next issue.

LISMORE AND DISTRICT NOTES

UNDER 12 HURLING The final of the Bord na nOg under 12 hurling competition takes place this evening - Wednesday, at 6.45 p.m. in Cappoquin, Lismore, seeking their 7th successive win in this competition. meet Dungarvan in tonight's final.

In the earlier rounds of the league, Dungarvan had a win over Lismore so if Lismore are to retain this title they will have to be at their very best. Note - The game starts at 6.45 p.m. to-night, Wednesday, in Cappoquin.

JUNIOR FOOTBALL Disaster struck for the footballers last Friday when they were ousted by Kilgobnet in Dungarvan. On a night which militated against Lismore's style of play that all important factor, luck, deserted us. The strong cross wind and at times driving rain suited the stronger more physical Kilgobnet side.

Kilgobnet got a dream start as they had the ball in the net twice within the first ten minutes. In truth Lismore never quite recovered from these two body blows and were always struggling to get back into contention. The side fought back very well in the second half and one always got the feeling that if they could grab the lead the game was theirs. However it was not to be and Kilgobnet held out to win by four points. The final score - Lismore 1-5; Kilgobnet 2-6.

Team - W. Donnell, J. Duggan, D. O'Donnell, B. O'Gorman, P. Ahearne, S. Prendergast, F. Power, E. Cusack, C. Barry, B. Lawton, S. Prendergast, B. Prendergast, P. O'Donoghue, P. Ryan, B. Landers, Subs. - D. Landers for B. O'Gorman; T. Murphy for P. O'Donoghue.

RETREAT There will be a public retreat for the Marian Year on Sunday, Sept. 13th at 2.45 in Mount Mellerau, Mass will be celebrated at 5.30 p.m. All are welcome.

LISMORE GOLF NOTES Next week-end 13th/14th the 18 Hole Stroke Competition will be sponsored by the Lismore Traders, organised by Bill Foley. The gravestone has it that this competition is for a very substantial hamper and if previous years is anything to go by, driving, chipping and

putting accurately should be a fruitful exercise. Results: Sat./Sun. 5th/6th Sept. - 1st, F. Twomey (21) 43 pts.; 2nd, M. Walshe (11) 42 pts.; 3rd, R. Kiely (11) 41 pts. Fixtures: 11th/12th - 18 Holes Stroke - sponsored Hamper.

Ladies Branch: Col. O'Brien Cup - Winner, Daphne Cahill, 79 gross, 1st nett, Mary Flies; 2nd nett, Helen Leonard 67; 3rd nett, Gretta Barry 67; Cat. 0-21, Catherine Moynihan 70 nett; Cat. 23-29, Eystn Hornbrook 70 nett; Cat. 30-36, Brd Henry 72 nett.

Wed. 2nd Sept - 9 Holes v. Par - Winner, Casha Cahill, 3 up. 3-Ball Scramble - Winners, Daphne Cahill, Mary Daly, Mary Willoughby, 23 nett, runners-up, Dorothea Lee, Sheila Norris, Casha Cahill, 29 10/12. Mixed Foursomes - 1. T. Flies and A. McCarthy; 2. R. Culloo and Vera Nugent; 3. T. Power and Joan Walsh.

Sunday, August 30th (President's Prize) - 1st, J. Cashman (19) 63 nett; 2nd, T. Kenny (20) 65 nett; 3rd gross R. Ormonde (7) 74; 3rd L. Kiely (18) 65 Cat. 'A'; K. Ryan (10) 66; Cat. 'B'; N. Riordan (18) 66; Cat. 'C'; P. Condon (23) 69 Past President, F. Crotty (18) 70.

BALLYDUFF NOTES

G.A.A. NOTES Sunday next is D-Day for the senior hurlers when they take on Roanmore in the county final at Walsh Park, Waterford.

This is the club's sixth appearance in a county final (seventh if you count a replay in 1983). Unfortunately, success has come our way only once and that was in 1982 when we defeated Dunhill in Dungarvan.

No effort has been spared in the preparations for Sunday's decider as the club which celebrates its centenary this year makes a bid for the coveted prize in Waterford hurling - the County Senior Championship title. (See match preview elsewhere in this issue.)

The club are organising a bus to carry supporters to the game and the bus will leave the village at 12.30 p.m. and names of those interested in travelling should be handed into Pad Flynn or Eamonn Bolger. The fare is: adults £3, children 75p.

We wish the team the best of luck on Sunday and we appeal to our supporters to travel in big numbers to cheer on the lads in their quest for the second county title for the village of Ballyduff.

The winner of the £100 prize in the Golden Goose competition on the senior hurling game against Portlaoise was Paddy Hickey Patrick Street, Fermoy and the winning time was 5 mins. 55 seconds. The club would like to thank all who supported this venture and thanks also to Tony Mansfield who was the official time-keeper.

Any club members interested in being included in the draw for All-Ireland football tickets should hand in their names to Michael Leamy this week-end.

The u-12 hurlers were due to play Stradbally in the field on Wednesday night and a winner would put us through to the final against St. O'wers.

SYMPATHY Sincere sympathy is extended to the relatives of the late Ned Hegarty, Moolool, who died recently in London.

PARISH MISSION Rev. Fr. E. Muleahy, P.P., has announced that a Parish Mission will take place in Ballyduff from October 3 to 11 inclusive.

BALLYDUFF-BALLINVELLA-BALLYAGGART COMHALTAS NOTES A club of All-Ireland Fleadh Cheoil in Listowel recently our u-12 set had a great victory. Congratulations to them and well done to our own musicians who played for them.

On this Friday night we will celebrate our success at the school in Ballyaggart. This will be on from 8.30 to 10.30 and all are welcome. We will also be celebrating Willie O'Brien's success - he got second place in Listowel in the "Collection of Ballads" competition.

Music classes will be starting again on Thursday, September 24 and new members are especially welcome as is also the case for the step dancing class which will re-commence on Friday, September 25.

The dancing class will also re-commence in Ballyaggart at the end of September. Next week we will have more details. We would like to wish the best of luck to the Ballyduff senior hurling team who are playing in the county final on Sunday. - P.R.O.

BALLYDUFF MACRA NOTES The first meeting of the new year will be held on this Saturday night, September 12 after Mass and not November 12 as last week's notes stated incorrectly. It is rewarding to know how many observant readers take time to digest the column. So, note well the time and place, as our new secretary as yet has not yet set the biro and cards in motion.

The County Farm Tasks are taking place in Fenor on Sunday, September 20. Reporting time is at 10 a.m. in Dunhill Hall. So we look forward to seeing our dynamic young farmers in action.

A very stimulating and enjoyable night is assured as our new officers take the stage to set the wheels in motion for the coming year. Our winter programme will be discussed in detail so come and air your views and ideas! - P.R.O.

CAPPOQUIN AND DISTRICT NOTES

WIDOWS ASSOCIATION
The first meeting of the West Waterford Branch of the NAWI, after the summer recess was held at Lismore Hotel on Tuesday last. The invitation for a day's retreat at St. Dominic's, Ennismore, Cork on Sunday, 11th October, was given to the members. The names of those wishing to attend were taken. All details of this occasion will be available at the October meeting.

Our guest speaker was Miss Ann Roche of Springfield, Cappoquin. She gave us some very useful hints for the cultivation of fruits, vegetables and flowers and answered several questions from the floor. All were very grateful to Ann for her tips and advice.

Next meeting, Tuesday, 6th October, 1987.

attention to organisation at juvenile level, surely a long overdue step. Up to now the only juvenile impact is being made by Railway Athletic in Cappoquin which for many years has provided many fine young players for Cappoquin, Affane and Glenview. A point of interest too is that all these young players began their active interest in the game during their student days in St. Anne's School.

Point of interest too at the August meeting of the League Committee was the announcement that several new faces will appear this year on the referees panel and there is still room for any new applicants who may be interested.

MISS LILIAN SIGLEY, CAPPOQUIN
We record with regret the death of Miss Lilian Sigley which occurred at a Dublin Hospital last week. She had been resident with her sister-in-law, Mrs. Maureen Sigley, at Allen Street, Cappoquin and is also survived by her sister Dot and her niece, Dorothy. Very large corteges attended the removal of remains to St. Mary's Church, Cappoquin and the funeral to St. Declan's Cemetery, Very Rev. W. Phelan, P.P. and Rev. S. O'Dowd, C.C., officiated on both occasions. (Funeral arrangements were by C. Murray & Sons, Undertakers, Cappoquin).

SYMPATHY
Sympathy is extended to Fr. O'Dowd, C.C., on the death of his mother which occurred in Sligo last week.

RETREAT
A public retreat will be held at Mount Mellery on Sunday, September 13th beginning at 3 p.m. and concluding with Mass at 5 p.m. All are welcome.

TIDY TOWNS
This week should see the issue of the 1987 Reports and surely the local one will give serious food for thought. A recent visit to Ardmore showed what might be accomplished by meaningful community effort. For too long we have failed miserably to use our local amenities to advantage.

CAPPOQUIN/BALLINAMEELA A.C.
Last week-end seven of our athletes travelled to Mosney to represent Waterford in the final of the Community Games.

Well done to all; to Little Linda Gully who came 1st in the u/8 80m.; to Michael Ahern who came 1st in the u/16 100m. and who was also 1st in the u/12 100m.; to Niamh Scanlon, 4th in the u/14 800m.; to Aisling Gilligan, Lorraine Maher and Fiona Lynch for their good performance on the day.

Nearer home, Margaret Foley came 1st in the u/8 80m. at Carrigaline Open Sports and Selemu Guilleay 4th in the u/9 200m. Our A.G.M. takes place in the Old School, Ballinameela on Friday, 11th Sept. at 8.30 p.m. We would like to see a big turn-out of parents present as it is in your children's interest to do so. - (P.R.O.)

P.D.'s OPEN NEW OFFICE IN WATERFORD

The official opening of the Progressive Democrats office took place in Waterford last Friday. The opening was attended by Deputy Geraldine Kennedy, T.D., spokeswoman on Foreign Affairs and Northern Ireland, and Deputy Pat O'Malley, T.D., spokesman on Energy and Natural Resources. Sean Robinson, Chairman of the party in the Waterford Constituency and members of the party were also in attendance.

In opening the office, Deputy Kennedy said that this was a major step forward for the people of the Waterford Constituency and that Deputy Cullen was providing a very professional response to his constituents. The maintaining of an office on a full five day working week meant that the people of the constituency could remain in close contact at all times with Deputy Martin Cullen, whom they elected to represent their interests in Dail Eireann.

Deputy Cullen welcomed Deputy Kennedy and Deputy O'Malley to Waterford, and he believed that having a full time office would help him to fulfil the role that he believes a Dail Deputy should aspire to.

cology student of the ultimate winner. Trisha, a past pupil of the Mercy Convent, Dungarvan, reached the final for her studies on the potential of various drugs to decrease the nephrotoxicity caused by the anticancer agent cisplatinium. We extend our congratulations and those of her many friends in Dungarvan to Trisha and wish her further academic honour and success in the years ahead.

LIAM LYNCH COMMEMORATION
The annual General Liam Lynch Commemoration ceremony will take place at Kilmurphy Cemetery, Fermoy on Sunday next, September 13. The Commemorative Mass will be celebrated in St. Patrick's Church, Fermoy at 2 p.m. and the parade will leave the Fitzgerald Memorial Park at 2.45 p.m. for Kilmurphy where the oration will be delivered by Tomas Mac Anna, Dublin, the noted Irish playwright and former artistic director of the Abbey Theatre.

A special feature of the commemoration this year is the launching of a book by Tomas O'Riordan detailing the history of the lives of the 18 people whose names are inscribed on the monument and this should prove of special interest to West Waterford people as some of those included were from the Lismore and Tallow areas.

HOLIDAY IN WALES
Instead of our usual ballad for this corner of the column this week we have chosen a poem written by Mr. W. L. Glover who lives in Swansea. It has been passed to us by Mrs. M. Hallahan-Millea, the well-known Irish dancing teacher.

CURBS ON FARM PRODUCTION TAKING EFFECT

By MICHAEL DILLON
Britain, may reduce the cost to the Community, but at present cereals are expected to cost 2.8 times as much as they did in 1984, while the cost of supporting the oil seed regime will have increased to four times the 1984 figure. The cost of the sheep meat regime is expected to show an increase of 20 per cent this year, and under 12 per cent next year on the 1984 figure, because of the way that production is expanding.

In spite of all the cuts the cost of the CAP is still rising, partly because some commodities, including those mentioned, are causing special problems, but also because of factors outside the control of the Commission, such as the fluctuations in the value of the US dollar, and the weakness of world markets, which is not helped by the fact that some third countries are not so effectively cutting their output. Further cuts will be necessary, and more effective ways of introducing them without needless delay are essential.

Direct income supports for smaller farmers now provide a serious option, but there are indications that farm income may not suffer so seriously from output restrictions. Some of the greatest benefits of the CAP, particularly when there are owners of storage processors, rather than to farmers, and the biggest losses are likely to be in that sector.

Landers).

DUNGARVAN SEA ANGLING CLUB NOTES

very slow about getting back. Various members of our committee made representation to their counterparts on the Aer Lingus Committee and as a result, Dungarvan is under consideration for next year's Air Lines Competition. Our next competition is the Ben O'Neill Panasonic Open. Is some 'hit man' trying to 'rub out' our sponsors, Ben, I believe is also recovering from an accident. We wish him well and hope that he will be sufficiently recovered to present his prizes. The Panasonic is the final competition for the Master Angler. As you can see from the leaderboard, it's tight at the top and we expect an exciting finale. Good luck all and see you Sunday.

Master Anglers 1987 - John Cronin 366 points, Tony Crowe 353, Betty Dee 336, Breda Warren 328, Kay Cliffe 305, Pat O'Donovan 305. Lady Angler - Betty Dee 336 points, Breda Warren 328, Kay Cliffe 305, Helen O'Grady 283, Eileen Fennell 240, Norah Walsh 222.
