CIVILIAN MASSACRE

The terrible bomb outrage which killed and injured so many people as they gathered for an annual Remembrance Day Ceremony in Enniskillen last Sunday morning must be condemned in the strongest possible terms by all right thinking people. Nothing can justify what happened and the awful end result left us saddened, shamed and sickened.

The wholesale murder of innocent people in the manner that took place in Enniskillen last Sunday morning can only create a backlash on those who have claimed responsibility for perpetrating it. It was a barbaric act which caused revulsion throughout the civilised world and one which merited the widespread condemnation which it has received.

Our deepest sympathy is extended to the people of Enniskillen and in particular to the relatives of those who were killed and those who were injured in the awful occurrence.

END OF LOCAL HEALTH COMMITTEES

In a further report for the Board's November meeting, Mr. McQuillan points out that in paragraph 2 (vii) of the letter from the Department of Health dated 27/10/87, in which the allocation of funds for 1988 was notified, there is reference to the decision of the Minister to transfer the functions of local health committees to the Boards by December 31, 1987.

This decision, the CEO states, marks the end of the Local Health Committees as advisory bodies to the Board. The members of the five committees in the south-east (including the one here in Co. Waterford) will be notified of this position at their final meetings this month. Mr. McQuillan adds this tribute: "I wish to put on record my appreciation of the interest and involvement of Local Committee members down through the years."

MORE DRASTIC CUTS IN THE OFFING?

In the course of his financial report to be considered by the members of the South Eastern Health Board at their November monthly meeting due to be held in Kilkenny on Thursday of this week, the Chief Executive Officer, Mr. P. G. McQuillan, referring to the financial shortfall to be faced by the Board for 1988 warns that the harsh reality of the scale of the problem must be recognised.

This requires the Board to make decisions which will reduce spending by £6.2 million. The problem for the Board is where the cuts are going to fall. By direction of the Minister many services must be protected so it would appear that the only area where economies can be made is in hospital spending.

The Board has four kinds of hospitals under its administration—acute care general hospitals, small district hospitals, psychiatric hospitals and geriatric hospitals. There is not sufficient money available to run them all and this is where the problem of the Board members commences. If vacancies cannot be filled, then all services will gradually run down to the point of collapse. On the other hand if the Board cannot support all its services it must face up to the decisions necessary to select what services will be maintained and which deleted—and this must, it seems, be in the hospitals programmes.

From this it will be realised how enormous the scale of the problem facing the Board members will be and following this week's meeting it is suggested that a special meeting be held

A NOTABLE "GRAND SLAM"

Last Sunday in Waterford, Dungarvan won the U/21 County Championship Hurling title when they defeated Portlaw by 1-12 to 1-1. In doing so the Dungarvan Club has completed the

Co. Manager Questions Legality Of Post Box Collections

Proposing a motion at the monthly meeting of Waterford Co. Council held in Dungarvan last Monday that the Council strongly object to the erection of post boxes by An Post on entrance roads to many houses in rural Ireland, Cllr. W. McDonnell described this latest move by An Post, as "an appalling situation especially where old people in remote rural areas are concerned."

Cllr. McDonnell said that it was an awful state of affairs that postmen were not now being allowed to deliver letters as postmen were the only regular contacts which many old people living in houses in isolated areas had. "This will prove a terrible drawback for these old people while the move will also result in job losses among the postmen," he said.

Cllr. J. Quirk seconding the motion said that the Council should protest strongly against the move as it was a most disgraceful thing for An Post to do.

Cllr. P. Cahill supporting the motion said that postal charges were already sky high and the least people were entitled to in return was a proper postal service.

At this point the Co. Manager, Mr. Dan Hurley said that he would like to obtain legal opinion as to whether An Post was exempt from the Planning Act in proposing to erect these collection boxes. "If they are not then the Council would have some control over the position," he said.

The Council unanimously approved the motion and agreed to the suggestion by the Co. Manager to obtain legal advice on the matter.

Council Protest At New Policy On House Purchase Loans

Members of Waterford Co. Council at their monthly meeting in Dungarvan last Monday discussed a circular from the Department of the Environment outlining the recent announcement by the Minister about Publicly Funded House Purchase Loans.

Cllr. P. Cahill said that as the circular was a lengthy one he would like to hear the views of the Co. Manager on it.

Mr. D. Hurley, Co. Manager said that paragraph 2 of the circular set out the new policy of the Department in the matter. This stated that all future applicants for loans should be requested to apply in the first place to a building society or a bank. If a person was refused a loan by both he may then apply to the local authority for a loan.

The relevant paragraph then went on to state: "It will be necessary for applicants who have been refused a loan by both a building society or a bank to produce documentary evidence to this effect. Provided the authority is satisfied that the applicant has genuinely sought and been refused a loan suitable to his needs from a building society or bank the local authority may then consider the application in the normal way."

The circular pointed out that arrangements had been made by the Minister with the building societies and certain banks for the funding of such loans and as a consequence the capital available to individual housing authorities for publicly funded house purchase loans in 1988 would be at a level not exceeding 60 per cent of the allocation for the current year. It added that as part of the arrangements, local authorities will give a limited guarantee

Cllr. B. Kynne thought this latest move by the Minister for the Environment was a sinister one and had an implication not only for the Council but also for people trying to house themselves. It meant that the banks and building societies would get the best of the applications and the Council would then have to deal with those which had been refused. "I believe," said Cllr. Kynne, "that this is a retrograde step."

Cllr. J. A. Walsh said that he could not agree more. "These new arrangements," he said, "will be a big disadvantage for the Council and will not prove an advantage for the borrowers. The only ones to gain from them will be the banks and building societies."

Cllr. P. Cahill then proposed that the Council send a protest to the Minister against the circular with a report that it be reconsidered. Cllr. M. O'Riordan seconded the proposal which was passed unanimously.

CO. COUNCIL VOTES SYMPATHY TO PEOPLE OF ENNISKILLEN

Waterford Co. Council at its monthly meeting in Dungarvan last Monday extended deepest sympathy to the people of Enniskillen in Co. Fermanagh arising from the bomb outrage which killed 11 people and injured scores during a Remembrance Day Ceremony held there last Sunday morning.

Proposing the vote of sympathy, Cllr. B. Kynne said that it would be remiss of him if not of the Council if he did not comment on the terrible bomb outrage. As a local authority he felt that the Council should send sympathy to the local authority in Enniskillen and to condemn those people who had been responsible for carrying out the inhumane deed. He added that this together with the kidnap drama of the previous weeks certainly showed Ireland in a poor light throughout the world.

The proposal was seconded by Cllr. C. Casey and passed unanimously.

WAITING IN LISMORE WILL END SOON

Cllr. O. Wilkinson was informed at the monthly meeting of Waterford Co. Council held in Dungarvan that arrangements were now being made by the Health Board to provide waiting accommodation for people attending the Community Welfare Office in the Courthouse, Lismore.

Cllr. Wilkinson proposing a motion that such accommodation be provided said that he had done so already twice but the situation had now gone out of control. Recently people attending the office were queued up for 20 yards down the street but, luckily the day was fine. Now however, with winter here it was all wrong that people should be forced to wait in the street, he said.

Cllr. W. McDonnell who seconded the motion said that it was most unfair on the old people in Lismore and surrounding areas to have to wait out in the open especially as there was a room in the Courthouse which could be made available.

When Mr. E. J. McNally, Co. Secretary stated that the Health Board were at present making arrangements to make the required accommodation available, the motion was withdrawn.

COUNTY BOARD STATEMENT ON CHANGE OF VENUE

The following statement has been issued by the Waterford County Board in relation to the change of venue for Sunday's National League game against Wexford.

"As a result of a request from the selectors, Tony Mansfield, Phil Fanning and Ollie Wilkinson, and in accord with the expressed wishes of delegates at last Monday night's County Board meeting, the County Executive at a specially convened meeting agreed to switch the game to Walsh Park."

DUNGARVAN'S NEW BY PASS ROAD

Replying to Cllr. M. O'Riordan at the monthly meeting of Waterford Co. Council held in Dungarvan last Monday, the County Engineer, Mr. John O'Flynn said that no provision had been made for route lighting on the new Dungarvan By Pass between the traffic lights at the Kiltash junction and the Co-op near Shandon as the Department did not feel that such lighting was necessary.

Cllr. O'Riordan said that the new road was widely used by local people to go walking and jogging and he had been told that this was the most dangerous section of the road.

Cllr. B. Kynne thought the Council should congratulate their engineering staff for the fine work done on the By Pass and the new bridge. The new road had relieved a great deal of the traffic congestion in the town centre and since it was opened it had been the topic of much favourable comment. At the same time he knew that there would be teething problems and understood that a collision had occurred on the road only a couple of nights after the new bridge was opened.

Cllr. T. Cunningham thought that the junction at Shandon leading to the Gaelic Field and the Mart was particularly dangerous. "There will be a serious accident there if that junction is not made safer," he said.

The Co. Engineer said that the traffic signing of the road had not been so far completed and it was intended to place stop signs at the junction.

Asked by Cllr. Cunningham about the possibility of erecting traffic lights at the junction, the Co. Engineer said that the Department would not agree to them and anyway if they were put there the heavy

NEW COMMUNITY SCHOOL FOR LISMORE

At Question Time in the Dail, Mr. Austin Deasy T.D. asked the Minister for Education the commencement date of the new community school at the Christian Brothers School, Lismore.

In her reply the Minister, Mrs. M. O'Rourke stated: I have sanctioned the establishment of a community school in Lismore. It will cater for approximately 700 pupils and will be developed on the site of the existing Christian Brothers secondary school.

As the project has only recently been approved and architectural planning has to be undertaken, it is not possible to state at present when construction work will commence.

CALL FOR FAIRER ALLOCATION IN ACOT/AFT BUDGET

Commenting on the very serious consequences which the cut in ACOT/AFT budget of 44% would have for every farm family in rural Ireland, Mr. Donald Carey, President of Agricultural Science Association said:
"There are only 30,000 farmers and one in every five, in Ireland capable of competing in the open market place with our competitors. These are the people who have worked closely with the Advisory and Research Services in the past twenty years. There are a further 55,000 farmers, who with detailed help from their advisors, could be brought up to the necessary level of efficiency to provide an adequate income for their families. This would mean that one in every two farmers would have a real chance of surviving under the changed Common Agricultural Policy.
"The disproportionate cut of 44% to ACOT/AFT, while the total Department reduction was only of the order of 18%, means that there is now no hope for many farmers to reach the standard for survival. They will not have access to an advisory service as many offices will be closed and the number of advisors on the ground will be reduced by half."
Mr. Carey went on to say that in the Agricultural Science Association they believed that there was hope if the available resources within the total Department of Agriculture budget were allocated fairly. People in ACOT/AFT were prepared to carry their fair share of the burden to ensure that the Nation's finances are put in order, he said.

NEED FOR STRONG ADVISORY BODY
Mr. Carey then added: "If people are serious about protecting jobs in rural Ireland and developing our food industry then we must have a strong advisory and research body. Remember that agriculture and food contributes 45% of net exports and employs 21% of the total workforce while only 2% of total state expenditure goes to support the industry.
"We are calling on all concerned people in rural Ireland to make their voices heard and call for a readjustment within the total Department budget to give ACOT/AFT a fair allocation which would ensure the availability of the support service to those farmers who require it most. This would not cost extra money but would mean a better use of existing funds."

DUNGARVAN MUSEUM SOCIETY

We heard a most interesting lecture from Mr. Billy Houlahan who was awarded one of the people of the year awards in 1986. He has worked for years in Co. Cork, giving advice to shopkeepers on construction and conservation of their properties.
He showed us slides of his work, particularly of Kinsale and Clonakilty. He helped shopkeepers who were keen on retaining traditional fronts and getting rid of unsuitable plastic signs. They had help from paint manufacturers who presented suitable paints to participants in Tidy Towns competitions. In Kinsale the owners of a large store reconstructed it in a design which was in harmony with houses in the street.
There is good news for owners of business premises who would like to bring their own front to a better standard. An Foras Forbatha have issued leaflets on the necessary work.
It would be wonderful if Dungarvan could follow the example of some of the West Cork towns.
In order to promote good shop front design, Dungarvan Museum Society has decided to institute an award system in respect of 3 categories of work:
1.—Best maintained traditional shopfront;
2.—Best new shop front;
3.—Best hand painted or handcrafted fascia lettering.
Museum Committee: Chairman, Mr. J. Shine; Vice-Chairman, Mr. W. Frasier; Secretary, Mrs. I. White; Treasurer, Mrs. J. Baily. Committee: Mr. M. Connolly, Mr. R. Walsh, Mrs. B. Cusack, Mr. E. Griffin, Mrs. C. O'Regan, Mr. M. Walsh, Miss Caitlin Morrissey, Mrs. Lily Mountain.

WEDDING:
HARRIS — COTTER
St. Michael's Church, Ballyduff, was the scene for a pretty wedding when Miss Ann Harris, youngest daughter of Mrs. Mary and the late Paddy Harris, Main Street, Ballyduff and Mr. Brendan Cotter, Mitchelstown, were united in the Sacrament of Matrimony. Nuptial Mass was celebrated by Fr. Peter Clancy, Dublin, cousin of the bride, assisted by Fr. Kevin Mulcahy, Ballyduff and Fr. O'Connor, Mitchelstown.

The matrons of honour were Eileen Noonan and Angela Doolley while the bestman was Donal Cotter and the groomsmen were Jimmy Cotter (brothers of the groom).
The reception was held at Whitechurch House Hotel and the honeymoon was spent in Cyprus. We wish this popular young couple many years of wedded bliss.

LATE JOHN AHERN
The death took place at his residence, Sheamore, Ballyduff on Wednesday last, of Mr. John Ahern, deceased, who was in his sixties, was a most popular member of the farming community but had been unwell for some time.
His remains, accompanied by a large and most representative cortege, were removed to St. Michael's Church on Wednesday evening where they were received and blessed by Very Rev. K. Mulcahy, P.P. The interment took place following

Requiem Mass on Friday afternoon to St. Michael's Cemetery. Sincere sympathy is extended to his loving wife Mary, sons, daughters, grandchildren, brothers, sisters, sons-in-law, daughters-in-law and a large circle of relatives and friends.

G.A.A. NOTES
On Saturday afternoon next, the senior hurlers will play Midleton in the semi-final of the Munster Club Championship in Midleton at 2.30 p.m. This will be a big test for the team who have had a long lay-off since the county final, while Midleton, powered by the Pentons, Boylans, O'Neills, Fitzgeralds, Hennessys, etc., have had two most competitive games, i.e. county final and a club game against Clonacree.

We wish the team the best of luck in their quest for a place in the Munster final. In 1982 we beat Eire Og in Ennis in the first round but lost to Moycarkey-Borris in the semi-final.
Tickets for the juvenile club social in Lawlor's Hotel, Dungarvan on Friday December 11 are now on sale at £7 for adults and £3 for children. All championship medals etc. won during the year—seven sets in all—will be presented at this function.

MUNSTER COLLEGES G.A.A. CORN IOGNAID RIS

Lismore C.B.S. 8-9
Mount Sion C.B.S. 4-7
The first round of the U-16 competition was played in Abbeyside on Wednesday last. Although Lismore ran out convincing winners in the end, the scoreline does not do justice to a gallant effort from the city boys.

Lismore got off to a dream start with three quick goals from Sean Daly and Eoin Coran and were rampant throughout the field. Mt. Sion steadied and some good work at midfield by B. Coughlan helped to narrow the margin but they were five points in arrears coming up to half time. The Lismore full forward, S. Daly increased the lead to eight points just on the half time whistle.

The second half repeated the pattern of the first. Mount Sion doing solid work without getting much reward. The Lismore full back line was particularly effective in limiting the Mount Sion attack.
With seven minutes remaining Lismore C.B.S. took total control and earned the right to play Doon C.B.S. of Limerick in the quarter-final. Lismore were best served by K. Clancy, P. O'Donnell, C. Cunningham, The Hickey's, J. Ahearn and Sean Daly. For Mount Sion, Kelly, Fanning and B. Coughlan caught the eye.

Lismore — J. Doyle, P. O'Donnell, M. Clancy, C. Cunningham, A. Tinnelly, D. Hickey, S. Ahearn, M. Hickey (0-2), J. Ahearn (0-1), C. Barry (1-1), G. Hickey (0-1), K. Lynch, P. O'Gorman (1-0), S. Sulby (4-3), O'Corran (1-1), Subst. — K. Whelan, T. Feeney (1-0), P. Nugent.

Waterford Extend Unbeaten League Run

WATERFORD 2-9; CLARE 1-6

Waterford showed rare courage when extending their unbeaten run in the National Hurling League when they scored a six points win over Clare at Cusack Park, Ennis on Sunday last.

Yet there was more than just raw courage in Waterford's performance. They showed better team work and their superior fitness in the atrocious conditions helped them to last the pace better. Neither was there anything fluky about their win which keeps them on top of the first division of the league.

POOR START BY FOOTBALLERS

TIPPERARY 0-14 WATERFORD 1-2

Waterford footballers made a poor start to their National League campaign when they went down badly to Tipperary in their Div 3 South game at Clonmel on Sunday last.

The winners led all the way and were never challenged by Waterford. Ahead by 0-6 to 0-2 at the break Tipperary pulled away in the second half with Waterford's goal coming from Jim McGrath in the dying moments.

Scorers: Tipperary — M. Beston 0-5; J. O'Meara 0-4; F. Kelly 0-2; C. Coen, G. McGrath and P. Kilkenny 0-1 each. Waterford — J. McGrath 1-0; E. O'Brien and J. Maher 0-1 each.

Tipperary — T. Twomey, D. O'Keefe, J. Dunne, M. O'Connell, M. Gogan, D. Foley, A. Healy, B. Burke, D. Hahessy, L. Stokes, M. Beston, C. Coen; J. O'Meara, G. McGrath, F. Kelly. Sub. — P. Kilkenny for L. Stokes.

Waterford — K. Heffernan, D. Kirwan, P. Quinn, D. Looey, P. Hayes, E. Rockett, D. Casey, M. McGrath, T. Condon, E. O'Brien, J. Maher, J. Dalton, J. Healy, P. White, J. McGrath. Ref. — R. Downey.

GOOD WIN FOR STRADBALLY

STRADBALLY 3-4 KILROSSANTY 0-3

This Under 21 football championship first round game played at Fraher Field, Dungarvan, on Sunday last, fell victim to the atrocious weather and suffered standardwise as a result. Stradbally were by far the better side and with a sprinkling of senior players dominated throughout.

A goal midway through the first half from Liam O'Brien helped Stradbally to a 1-1 to 0-1 interval lead.

A goal from sub Ollie Sandford two minutes into the second half killed the game off as a contest and Liam O'Brien had Stradbally's third goal going into the final quarter.

Kilrossanty's brace of points came from Brian Kirwan late in the game but by that stage the issue was well and truly decided.

Stradbally looked quite a good side on the day but, the atrocious conditions affected their over-all performance and it was hard to judge their true potential. Poor finishing cost them an enormous amount of scores but the weather could be blamed for their lack of accuracy.

Scorers: Stradbally — L. O'Brien 2-3; O. Sandford 1-0; K. Gough 0-1; Kilrossanty — B. Kirwan 0-2; T. Veale 0-1.

Stradbally — A. Organ, M. O'Keefe, G. Hogan, P. Cusack, J. Walsh, M. O'Brien, M. Kieley, P. O'Brien, P. Dunphy, P. Halpin, T. Gough, K. Gough, K. Keane, L. O'Brien, J. Flynn. Sub. — O. Sandford for J. Flynn.

Kilrossanty — A. Kirwan, E. Flynn, A. O'Brien, J. Dempsey, G. Fitzgerald, N. Pender, B. Kirwan, T. Flynn, T. Veale, N. Power, J. Baldwin, P. Houllhan, K. Behan, P. White, D. Behan. Sub. — T. Curran for N. Pender. Ref. T. Meachair (An Rinn).

They faced their task with total commitment and never let the atrocious weather conditions and continuous rain get the better of them and their whirlwind start rocked the home side with such force that they never recovered.

All three goals came in a devastating two minute spell early in the game. Waterford struck first in the 5th minute when Billy O'Sullivan latched on to Shane Ahearne's centre and shot a good goal. Clare struck back immediately when Tommy Guilfoyle goaled from an overhead flick but within a minute O'Sullivan shot his second goal after being placed by Pat Bennett.

These early scores helped Waterford to a 2-5 to 1-4 interval lead and they continued to dominate in the second half, extending their lead with two

DUNGARVAN G.A.A. NOTES

HISTORIC DAY FOR OUR CLUB

Probably the most historic day in the 102 year history of our club came at Walsh Park, Waterford last Sunday when the Under 21 hurlers captured the county title for the first time with an emphatic 1-12 to 1-1 victory over Portlaoise. This win means that our club has now won every hurling and football county title, becoming the first club in the Decies to achieve that marvellous feat. It was a victory borne out of skill and marvellous determination, and on a day that was atrocious for hurling, some of our scores were a delight to behold.

Every member of the side rose superbly to the occasion and the title was as good as ours when we led by 1-6 to 0-0 at half-time. Portlaoise, however, in the best traditions of a great club made a brave second half fight of it without ever seriously threatening our supremacy. All credit and congratulations then to the historymakers, and a word of generous praise also to the backroom team who

MUNSTER U-16s HURLING

DUNGARVAN CBS BOW OUT

Hospital 6-6, Dungarvan 5-3

Hospital advanced to the quarter final after a hard-earned victory over Dungarvan CBS last year's champions in the Munster Colleges U-16s first round of this year's Iognald Risc competition played at Cahir on Tuesday of last week.

Hospital were the stronger team but Dungarvan put up a brave display throughout the match and even led by 3-2 to 0-5 at half time. In a thrilling second half Hospital eventually snatched victory with two late goals.

Best for Dungarvan were Michael McGrath, Liam Loneragan, Darrell Donnelly, Richard Fraher and Kevin McGrath.

Scorers for Dungarvan were: D. Donnelly 3-0, K. McGrath 1-2, R. Fraher 1-1.

Dungarvan CBS team: Dermot Dwyer (Dungarvan), Alan Ryan (Abbeystide), Richard Power (do.), Michael McGrath (Dungarvan), Padraic McCarthy (St. Olivers), Joseph Power (do.), Liam Loneragan (Toura-na), Thomas Lennon (Brickeys), Kieran O'Regan (Kill), Kevin McGrath (St. Patrick's), Maurice Butler (Dungarvan), Michael Cosgrave (Abbeystide), Benny McGrath (St. Patrick's), Richard Fraher (Dungarvan), Darrell Donnelly (do.), Subs — J. Morrissey (Dungarvan), M. Desmond (do.), Kevin Walsh (St. Patrick's), Kenny Killigrew (Abbeystide).

early points. Clare in fact did not score again until the final quarter but at this stage Waterford had the two points safely in the bag.

Jimmy Beresford was Waterford's outstanding defender. He got valuable assistance in the area from Dathi Foran and Liam O'Connor. Shane Ahearne and Noel Crowley were dominant at midfield while Michael Walsh, Pat Bennett and Billy O'Sullivan impressed in attack.

Scorers: Waterford — B. O'Sullivan 2-0; K. Delahunty 0-5; S. Ahearne and M. Walsh 0-2 each. Clare — V. Donnellan 0-6; T. Guilfoyle 1-0.

Waterford — P. Curran, P. Walsh, D. Byrne, D. Foran; J. Beresford, L. O'Connor, T. Sheehy, S. Ahearne, N. Crowley; K. Delahunty, J. McDonald, M. Walsh, P. Bennett, J. Quirke, B. O'Sullivan.

NOTES

worked so tirelessly with the players in plotting this wonderful hour of triumph.

For the record the team last Sunday was: John Ferncombe; John Fitzgerald (capt.); David Burke, John Ormond, Michael Butler, Sean McGrath, Eddie Burke; Peter Quealy, Derek Lyons; Seamus Mansfield, Denis McGrath, Dermot Callaghan; Michael Dwyer, Morris Ferncombe, Fergal O'Donnell.

Our substitutes also contributed handsomely to a memorable occasion, a day that will be remembered by those of us fortunate enough to have been at Walsh Park to witness the great win.

UNDER 12s LOSE

Our interest in the Bord na Oig Under 12 football league ended last week-end when we lost to Tallow by a single point. The boys tried very hard all the way, but wayward shooting cost us vital scores and this proved our undoing in the end.

The panel was: E. Simms, M. Hurley, M. Donnelly, M. McLoughlin, K. Donovan, J. J. Ronayne, M. Ducey, J. Hyslop, D. Fleming, S. Roche, E. Crowe, J. Power, K. Curran, M. Cummins, B. Downey, J. Riordan, D. Curran, M. Burke.

BUSY WEEK-END

Next week-end will be another busy one for the youngsters. On Saturday we send Under 9 and Under 10 teams to Mount Sion in football challenges and on Sunday morning the Under 10s are again in action against Ballyduff Upper. It will be played at an hour to enable the boys to attend the big Waterford v. Wexford NHL game at Fraher Field.

CONFERRED

On behalf of everyone in the club I would like to congratulate Derek Lyons on being conferred at Waterford RTC last week. He passed, with credit, the National Certificate in Construction Studies.

It scarcely needs for me to say how vital a player Derek is to our present and future playing plans.

UNDER 21 FOOTBALL

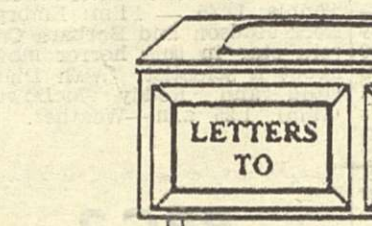

After the heady success of last Sunday it's back to the action for most of the hurling heroes when we play Stradbally in the Under 21 Western football semi-final next Sunday, at Leamybrien.

We have serious injury worries for this game, as Derek Lyons, Dermot Callaghan and Denis McGrath picked up nasty injuries last Sunday. Still, with the prospects of an Under 21 double very much alive we will be hoping all three can line-out.

Stradbally looked mighty impressive in their defeat of Kilrossanty last Sunday and nothing less than a 100% effort from every player is likely to be good enough to give us a place in the final against the Nire.

The passing of Autumn '87 has left us with some beautiful autumn tints. The road at Collihan between the two bridges is the place now worth a visit. I think that one must look to the hardwood type tree to produce these most colourful tints. The trees I have seen most is a beech, aged 30 years or so. The varieties here are red, pale pink and yellow.

In these days of modern transport it may be difficult to see the wood from the trees as haste and hurry seems to be the motto. An itinerary on other roads may take us further than a 5 mile run, and perhaps put up with traffic problems on more major roads.

To observe the beauty of nature one needs to walk at a pace of say 2 miles per hour, and on this beautiful road at Collihan one is fairly liberated from the ordinary traffic. I would like to have the added attraction of hardwood seeds such as beech, walnuts and horse chestnuts, which might also attract the master denizen of trees—the red squirrel. I once was on top of a 'pleca morinda' at about 70 feet, and observed one of these lovely animals descending by means of cork-scrubbing along on the end of the branchlets.

These lovely autumn colourings should last between now and December, but sadly, many are not in a position to see nature's beauty in such sylvan settings this time of year.

APPLICATIONS REFUSED Among the applications refused and the reasons for the refusals were the following: H. B. Ponsonby, c/o Chevelly, Johnson, 27 Wellington Road, Cork — Dwellinghouse at Templeichael, Youghal;

It is not in the interests of the proper planning & Development of the area that the proposed development be permitted as the site is situated within the walled "Castle" ruin of the Knights Templar Bire (for preservation, and located on the western bank of the Blackwater River in an area of high visual and scenic amenity just off the Blackwater Tourist Route. Any development works on the site would detract from the area of essential tree cover, would undermine the stability of the historic ruins adjoining, detract from the scenic quality of the area and create a precedent for further undesirable development proposals within the area.

The existing laneway, leading to the site, exists onto the public road at a point where sight distance is restricted due to the poor horizontal and vertical alignment of the public road to the south east of the entrance and having regard to the heavy traffic volumes using the public road, particularly during the tourist season, traffic movements onto and off the road carriageway generated by the development, would give rise to a serious traffic hazard.

L. Treacy, "Cervantes," Ballycoe, Dungarvan — Bungalow at Inchindrisla, Dungarvan. The site occupies an elevated and exposed location overlooking Dungarvan Harbour and any development on the site would be obtrusive and detrimental to the visual amenity and rural character and amenity of the area.

Because of the poor road alignment in the area it is not possible to provide adequate sight distance within the confines of the site and therefore any development thereon would give rise to a traffic hazard.

J. Duggan, 4 Congress Villas, Dungarvan — Bungalow at Inchindrisla, Dungarvan. The site occupies an elevated and exposed location overlooking Dungarvan Harbour and any development on the site would be obtrusive, and detrimental to the visual amenity and rural character of the area.

The sight distance available at the proposed entrance is inadequate and as such would give rise to a serious traffic hazard.—O.P.

Other topics to be discussed include: the milk quota policy and possible alternative methods of implementing it, sheep production and the recent regime, the beef industry and the real prospects for expansion and development.

Long-run trends in agriculture towards the year 2000 will be highlighted at the annual conference of An Foras Talúnais Rural Economy Research Centre to be held in Dublin on December 1.

The conference will focus on the effects of the changing Common Agricultural Policy, the parallel measures to achieve agricultural adjustment and developments in prices and markets.

There will be strong emphasis on the impact on economic growth and employment of changes in the CAP.

In view of the limited prospects for expansion in agriculture, integrated rural development is now being advocated. The application of this approach in Ireland will be discussed and appropriate policies suggested.

DUNGARVAN SCOUT TROOP NOTES

TUESDAY NIGHT SCOUTS

Last Tuesday night we decided to do something different. Each patrol had to think of a game explain it to the others, and then run it off efficiently. Some novel ideas were mooted like the obstacle course: the torch and the shoe game. It was very successful but the general opinion was that the PLS are not yet up to the standards of the leaders.

CUB MEETING

Last Thursday night, our cub meeting started with the cub scout prayer as usual, then Martin collected the dues. Afterwards we played a few

fast, energetic games such as Izzy Dizzy and Eat The Tail.

Martin instructed some of the cubs in fire prevention and map reading. Geraldine and Tracey took the younger cubs for instruction, which means that the cubs will soon become official members of the C.B.S.I. We finished up the meeting with a few announcements, one of which was about our cub-scout link weekend which will be held in Melleray on the last weekend of November. We would like to remind the cubs that a saving scheme for this weekend has started for any cubs who would like to put a bit of money aside for this weekend. - ("Bi Uilamh").

G.A.A. Notes

Mighty Effort Needed To Beat Wexford

N.H.L. WATERFORD v. WEXFORD

This game, which was scheduled for Dungarvan has been moved to Walsh Park following a written request by the three county selectors...

The decision will undoubtedly disappoint many of the supporters in West Waterford, who won't see it as the right decision. I will give my views on such a policy at a later time.

Wexford after their first round defeat by Clare came back into form in their next match and beat Tipperary convincingly. They then beat Kilkenny in a tough battle at Wexford Park on Sunday and this change of mood...

By reason of our splendid win against Clare at Ennis on Sunday last, we are now the league table toppers and are up there to be knocked and consequently it is going to take a mighty effort on our part to win this one.

Our footballers were well beaten by Tipperary at Clonmel and the small number who travelled in support were disappointed that we were so heavily beaten.

BALLYDUFF v. MIDLETON

This is a big assignment for our hurling county champions when they take on one of the best club teams in the Munster club semi-final.

Thankfully Ballyduff have reported a fully fit team with their county final panel available. They have trained very well and are leaving nothing undone in ensuring that they will be able to mount a strong challenge to their highly rated opponents.

The team is likely to line out with regular keeper Michael Leamy in goal behind Maurice Geary, Seamus Hannon and Mossy Casey in the full back line.

We wish them the very best of good luck as did the County Board at their meeting on Monday.

HANDBALL NEWS: SPECIAL MUNSTER OPEN CHAMPIONSHIPS

Waterford v. Cork And Limerick - On Saturday night week last, Waterford's three representatives from the Kilgobnet club kept the county's name to the forefront by scoring a couple of notable victories at Clonmel.

In the Golden Masters Singles, Kilgobnet's J. Wall had a great win over the Cork representative, K. Nolan, even though he lost the first game. He came back in the second to score an impressive 21-15 win and in the tie-breaker, which is for 11 aces, Wall played some great 'kill' shots and won deservedly by 11-4.

Our doubles pair, Declan Mulcahy, fresh from his great victory in the All-Ireland Silver Masters championship, teamed up with M. Butler to beat Limerick's B. Duggan and P. Duddy in two straight games - 21-14 and 21-12.

We wish the very best of luck to all three.

POINTS FROM THE MEETING

Cisde na Pell reported that county football selector, Joe Power (Ballinacourty) had regretfully withdrawn from the committee for personal reasons and they recommended Seamus Wall (the Nire) as the replacement. This was unanimously approved.

When the monthly report from the selector, reported that only two clubs in this county (Cnoc Sion and Abbeyside) had so far purchased tickets for their national draw.

COUNTY BOARD MEETING

Because the County Chairman was unavoidably delayed, Western Board chairman, Denis McGrath presided for part of the meeting on Monday night.

LETTERS TO THE EDITOR

The Editor, Dungarvan Leader. Dear Sir, In 1973 I was milking 100 cows in an old-fashioned 6 unit cow house.

In 1978 due to TB and Brucellosis, I had to sell all my cows and agree not to sell milk for five years. My new milking parlour and cubicles, unpaid for, had to stand idle for five years.

In 1983 I went back into cows and in my first year I milked only five cows. This year was used as the base year for allocation of milk quotas and my quota now stands at 6,000 gallons.

All my efforts to remedy this injustice have been fruitless. I would be grateful if you would publish this letter as I would like to hear from farmers in similar predicaments.

EDWARD MURPHY, Tay Lodge, Kilmactomas, November 5, 1987.

Tom Cunningham spoke about the wonderful service given by the late Dec Sullivan who had filled many roles with the Board during his lifetime of service with the county.

The Chairman announced that the under-age hurling selectors had now been named and these would be given to the meeting in December.

WATERFORD ICA DAY COURSES

Waterford ICA County Federation held highly successful day courses in Kilmactomas recently. It was the first time the Federation had held combined courses in crafts, baking and gardening.

The courses were very popular but probably the greatest interest was in the lovely Mountmellick Embroidery which was demonstrated by Sister Theresa Margaret of the Presentation Sisters in Mountmellick.

Miss Lena O'Connor, Waterford, was in charge of the craft programme, while Mrs. Margaret Leahy, Ardmore, Produce Promoter, looked after the baking and gardening sections.

ARDMORE GUILD WINNERS

Ardmore Guild is to be congratulated on winning the Co. Federation award in the AIB/ICA "Guild of the Year" competition. In addition they were in the first eight in the national final in the bank headquarters in Dublin.

PIONEER TOTAL ABSTINENCE ASSOCIATION NEWS

WEST WATERFORD REGION

The annual general meeting of the above Association was held at the Mercy Convent Hall, Cappoquin on Monday, October 12 with a full muster of delegates from all the parishes in West Waterford.

Recently appointed P.P. to Ballyduff, Fr. Kevin Mulcahy, is the new Spiritual Director having replaced Fr. O'Gorman who has completed his term of office. The officers serving for the coming year are: President, Kenneth Begley; Vice-do., Mary Rossiter; Secretary, Teresa Begley; Treasurer, Joan Hogan.

The year's work was then reviewed and tributes paid to the outgoing officers, and so begins a new year of free and voluntary work for the promotion of Temperance within the community. The P.T.A.A. is giving a lead in a most important way by working in and for the Church and its teaching, and meetings have a spiritual uplifting as we are dealing with the spiritual aspect of drink and the difficulties of excessive drinking. A very important rule is for all members to wear their pin in public at all times.

We are inclined to think of hibernation and resting up for the winter, but in the Pioneer world activity begins in earnest with Temperance Week, This November, Friday 20th, the 4-16 question time will be held at the Mercy Convent Hall, Dungarvan at 7.30 pm to be followed on the same night by the primary schools competition with Garbhane defending the title they so brilliantly won last year.

Tuesday, December 1 will see the Super Brain and Senior teams in action. All parishes and schools in the Western Region have entered and there will be trophies for winners and runners-up in all grades.

December 4th is the big night with the annual social at Lawlor's Hotel. These events are open to the general public and everyone is welcome to attend.

INTERNATIONAL SEMINAR

The Irish P.T.A.A. was strongly represented at this year's seminar which was held at Belfreew Scotland. Among the delegates were five from this region. A very full programme of talks was given by the noted speakers. All showed by their work in their chosen professions their care and compassion for those suffering by excessive drinking.

At the opening, the address of welcome to the international delegation was by Fr. Patrick Osborne, who, to the delight of the Waterford delegates, is a native of Aghlish. The official opening was then performed by His Lordship Bishop John A. Moore, and the Lord Provost, accompanied by the Lady Provost. Other notables included Superintendent Rodgers of Strathclyde Police and Doctor Brendan McCarron, Monklands General Hospital, Mr. Douglas T. Allison, Ex-Director Scottish Council on Alcohol. Speakers also came from AA, Al Anon and Al Teen.

12 noon Mass on Sunday was celebrated by Rt. Rev. Stephen McGill, Bishop of Paisley. Rt. Rev. James Monaghan, Titular Bishop of Celi Ausallie and Rt. Rev. John A. Moore, Titular Bishop of Aberdeen with 26 priests of neighbouring parishes.

The closing address on Sunday evening and a farewell to the delegates was by our own Irish Spiritus Director, Rev. W. J. Reynolds, S.J. Based in Dublin, Fr. Reynolds has close connections with Abbeyside.

On behalf of the Irish contingent we send our thanks and appreciation to P. J. Power, Strabally, who drove us so safely to Lismore, Stranraer to Glasgow and back home, and to Ken Begley, organiser.

REMEMBERING OTHER DAYS

The photo for our "Remembering Other Days" this week is one of double importance for not only does it recall times past but it reminds us that the principal person in the photo joins the select band of centenarians when she will celebrate her 100th birthday on Sunday next, November 15, 1987. The photo was, as far as we can ascertain, taken in 1964 and shows a happy group of customers outside their "local" then known as "Elsie's" at Fair Lane, Dungarvan, later re-christened "The High Chapparral." In the centre is Miss Elsie Power, the then popular owner of the premises and also included are (l. to r.) Eddie McGovern, Tom Phelan (R.I.P.), Eddie Power (R.I.P.), Mick Healy (R.I.P.), Gusti Leahy, Mikeen Lyons (R.I.P.), Jimmy Moore (R.I.P.) and Eddie Kirby (R.I.P.) Elsie, always noted for her wit and jovial disposition, has now been a patient at St. Joseph's, Dungarvan for several years and will celebrate her 100th birthday there on Sunday next. We join with all her friends in sending the congratulations of all here at the "Leader" Office to her on this great occasion. Our thanks to Mrs. Nora Kirby, Caseyville, Dungarvan who has let us have the photograph for publication.

DAIL QUESTION ABOUT WATERFORD COUNTY AND CITY INFIRMARY

Mr. A. Deasy asked the Minister for Health at Question Time in the Dail last week if he will make a statement regarding the financing of redundancies in the Waterford County and City Infirmary, whether it will be from his Department or the special fund for redundancies in the State and public service as mentioned by the Minister for Finance.

35. Mr. Deasy asked the Minister for Health if his attention has been drawn to the fact that the medical opinion is against the closure of the County and City Infirmary in Waterford as it will cause a gross inadequacy for acute operations and will cost lives; and if he will make a statement on the matter.

Minister for Health (Dr. O'Hanlon): I propose to take Questions Nos. 15 and 35 together.

The Waterford area will continue to receive an excellent hospital service despite the regrettable closure of the county and city infirmary there, since additional beds and support facilities are being made available in Ardkeen Regional Hospital, Waterford, to cope with the increased demand. In addition, a completely new hospital is currently under construction at Ardkeen. This development will facilitate the provision of regional hospital services of the highest standard in the south east.

The special fund for the financing of redundancies in the public sector will apply only from 1988 onwards. In terms of redundancies which arise this year, additional funding will be made available to agencies to finance the application of the redundancy terms.

Mr. Deasy: Initially I want to refer to the last part of the Minister's reply because it has to do with Question No. 15. Will the Minister give the source of the funding of the redundancies in question and indicate what they will amount to.

Dr. O'Hanlon: It is not possible to say at this stage what exactly redundancies will amount to in relation to Waterford County and City Infirmary. It depends on the number of staff who will be redeployed. It is intended that the 35 student nurses would transfer to Ardkeen Hospital to complete their training and that redeployment will be offered to a number of the staff who are at present in the Waterford infirmary.

Mr. Deasy: Can the Minister tell me the terms of the redundancy? If he cannot tell me now when will they be available? When can he communicate those terms to me?

Dr. O'Hanlon: I will communicate with the Deputy about the terms of redundancy. I understand that negotiations are proceeding in the usual way with the representatives of the staff and officials of my Department.

Mr. Deasy: As regards Question No. 35, did the Minister say that additional beds have been provided in Ardkeen to offset the loss of beds due to the impending closure of the infirmary? If so, what is the

total number.
Dr. O'Hanlon: I am sure the Deputy is aware that 45 beds are at present closed in Ardkeen Hospital and that in total 41 beds were in service in the Waterford County and City Infirmary. It is intended to open sufficient beds in Ardkeen to cater for the beds that were closed in the Waterford infirmary.

Mr. Deasy: I find that difficult to believe because the experts in Ardkeen who jointly service Ardkeen and the infirmary maintain that there are no additional beds or facilities available within Ardkeen and that when the infirmary will close one-third of all beds for acute cases involved in operations will be surrendered or taken.

An Ceann Comhairle: I am awaiting a question, Deputy.
Mr. Deasy: What will the number of beds be and what is it at present for people with acute operations both in Ardkeen and the infirmary, and what will it be in Ardkeen when the infirmary is closed? That is the information I am seeking.

Dr. O'Hanlon: As I have told the Deputy, 45 beds have been closed for some time in Ardkeen Hospital and 41 beds are at present in the Waterford County and City Infirmary. It is proposed to open sufficient beds out of the 45 that are closed to cater for the needs of the people who would normally attend the Waterford County and City Infirmary.

THIS WEEK ACOT CO. WATERFORD SAYS

COWS
When drying off cows, a recommended dry cow antibiotic should be used to help control sub-clinical mastitis. Surveys have shown that 30-40% of cows in Irish herds are affected by sub-clinical mastitis.

SILAGE
When self-feeding stock as tightly as possible at the pit face while at the same time ensuring that all animals obtain adequate silage—use of a feeder will ensure all stock get enough.

STRAW
If feeding straw, it is important to realise that it is principally a roughage and must be supplemented with meals.

SHEEP
Use a mature ram on all hogget ewes that have not previously lambed and on suitable ewe lambs for breeding. Gather the flock daily to the ram.

CATTLE
Weanings should be in now and feeding. Contact your ACOT Adviser for advice on feeding.

CO-OPS ARE THE BEST WAY FORWARD

"We are not of course saying that the dairy industry must reduce itself to three large producing co-ops but we do believe that mergers are inevitable," Bord Baine's managing director Brian Joyce told the National Co-operative Conference organised by ICOS last week. "As part of the process of becoming lean and fit there will be a need to knock out surplus capacity and to achieve a greater degree of specialisation. Many of the proposals recently tabled by Bord Baine take account of this pressing need for rationalisation."

Mr. Joyce said that the quota reductions announced last December accentuated the need for change and while this appears to be generally recognised there could be considerable resistance to change in many quarters. It is important that people who are genuinely interested in taking the industry forward are fully supported.

CAN SERVE BOTH
The co-operative as an entity still constitutes the best way forward for the dairy industry, he emphasised. It does not suffer from the schizophrenic problem of having to decide whether to please share holders or suppliers. It can serve both at one and the same time.

While private companies have a definite role to play in the dairy sector it would be a cardinal error on the part of producers to abdicate their position and reduce their influence by passing over control to a few individuals in the private sector. Accelerating the pace of development and change in the industry is more important, Brian Joyce said, than the personal considerations of a chief executive or the committee of management. "It is important that change in the form of amalgamation or joint venture is not stymied by considerations related to loss of personal position of status."

Monthly Weather Bulletin

October Was Cool And Sunny With Heavy Falls Of Rain

For the first four days of the month winds were easterly or southwesterly and with air coming from the continent, we had hazy conditions with occasional rain during the Nissan cycle race. On the 5th the Atlantic influence reasserted itself as a cold front moved eastwards causing outbreaks of blizzards, rain and a veer of wind to southwesterly. The low pressure systems in the Atlantic then became the dominant influence with winds mostly southwesterly or westerly until Wednesday the 14th. Gradually cold air pushed southwards from the Atlantic and wave depressions forming on the boundary between warm and cold air masses became an important feature as they began to move northwards, fortunately passing to the south of Ireland.

Explosive deepening of one of these depressions wrought havoc over England on 16th. A rainbelt from the Atlantic crossed Ireland during 17th and early on 18th but intensification of the high pressure area over the east of Europe caused this front to become slow-moving over Wales. A wave depression forming on the front, deepened as it moved northwards in the Irish Sea and caused heavy falls of rain on 20th and 21st. The blocking effect of high pressure to the east remained an important factor in determining our weather for the rest of the month.

SUNSHINE UP TO NORMAL

Malin Head with a total of 118.5 hours (158% of normal) had its sunniest October since 1922 while Clones had its sunniest October in 21 years. Only at Dublin Airport was sunshine below normal and quite a number of stations had in excess of 120% of normal sunshine. Totals ranged from 120 hours at Rossclare to 85 hours at Claremorris. Sunniest days were 6th, 8th, 10th, 17th, 18th and 26th. The highest daily sunshine for the month was 9.4 hours recorded at Roche's Point on the 10th.

BANK HOLIDAY WEEK-END

The bank holiday weekend started with dry, bright weather on Friday the 23rd which continued the following day. On Sunday the 25th the rain-belt came in on the west coast and was slow moving there for much of the day. It finally pushed eastwards late on 25th and early on Monday the 26th to again become quasi-stationary just to the east of Ireland. While much of the country had a pleasant but hazy Monday, there was rain at Rossclare which spread northwards late on 26th and early on 27th before the wave disturbance on the front moved away eastwards and a westerly airflow developed. Between 28th and 31st a depression to the southwest of Ireland became slow-moving and then slipped southwards towards Portugal as pressure rose over Ireland.

HIGH RAINFALL TOTALS

Rainfall for the month was above normal, by over 80% along the east coast. Casement Aerodrome having its wettest October for 20 years. The pattern for the month consisted of spells of heavy rain followed by brighter weather with scattered showers. Heavy falls occurred at a number of stations on the 5th, 9th, 14th 17th, 25th, 27th and 29th. Most notable were the falls on Wednesday the 21st when many places in Ulster and north Leinster had their highest ever daily fall for October. The rain-belt seen in the satellite picture taken on Saturday the 24th gave a fall of over 46mm at Belmullet on 25th (its highest, daily total for October in over thirty years of records), while Shannon Airport only recorded a 1mm fall. In south Munster the most sustained spell of rain was during the period 29th-30th when over 40 millimetres fell at some stations. Thunder was recorded on 5th and at times in the period 12th to 18th. Sleet was reported

at Belmullet on Friday the 9th. Totals for the month ranged from 206mm at Cahirciveen to 83mm at Kilkenny which escaped relatively lightly on the 21st.

LOW TEMPERATURES

The first five days were the warmest of the month. Thereafter daytime temperatures were above normal only on 7th, 18th, 19th and 26th. Mean maximum temperatures ranged from 13°C to 2.0°C below normal. Night time minima showed even larger deviations with mean minima 2.6°C below normal being recorded at Belmullet and Cahirciveen. Air frost was recorded at some stations on 10th, 11th, 23rd, 24th and 28th. At Claremorris the -4.0°C recorded on the 24th was the lowest for October since records began in 1944, while Clones had its lowest October temperature since 1955. In general it was the coldest October since the remarkably cold 1987, indeed Cahirciveen's mean minimum temperature equaled that of 1981.

WINDS

During the ploughing championships on the 7th and 8th there were just occasional showers but it was blustery with winds gusting 35 to 50 knots generally and up to 56 knots at some stations. Similar gusts were experienced on 17th and 18th when 57 knots, the highest gust of the month was recorded at Roche's Point. On 21st winds were strong and gusty chiefly in the north and in the period 23-30th coastal areas of the southwest were subject to strong winds gusting 35 to 56 knots accompanied by persistent rain.

ABBEYSIDE SCOUT NOTES

ANNUAL MASS
This Friday night, 13th November we welcome you to join us for our fourth annual Mass for all deceased members, supporters and friends of 4th Waterford scouting. This special ceremony will be held in Abbeyside Parish Church at 7.30 p.m. and the celebrant will be troop chaplain, Fr. P. Ahearne.

N.L.B. UPDATE

Our Nugent-Lanigan-Burke inter patrol competition has now completed its third month of this years (1987-88) competition. The situation at present at the end of October is that Gerard Mullen, and his Wolfhound Patrol have wrestled the lead away from Claran Walsh's Panthers. The main reason for this is the double set of bonus marks won at Halloween for best individual costume and the best organised patrol activity on the night.

FROM THE LOG

This week we go back to annual camp 1985 for a couple of snippets.
Monday 5th August: Chaplain Arrives—Our chaplain, Fr. Peter Ahearne arrived today although he had some trouble in finding the site, his personal equipment included a camp bed with mattress, sleeping bag with hood and a continental quilt "Blumh".
Tuesday 6th August—The S.L. got Ray and Brian to go to Quinnsworth to purchase the bulk of the days food, giving them £50—and they were on their way.
On return to site the lads

caused flooding chiefly in the north of the county.
Clones had 76.8mm of rain in a 24-hour period, the highest recorded there since records began in 1950. Malin Head (with 70 millimetres) also had its highest 24-hour total in over 30 years of records. The upland stations available had totals of between 100 and 150 millimetres. The return period of these 24-hour falls in 100 years or more.

AUTUMN RAINS

Notable storms are likely to occur at this time of year. A depression forming over a relatively warm ocean can deepen vigorously when it draws cold air into its circulation. Such a storm caused widespread damage over the south of England on 15th/16th of October, 1987. We were more fortunate here in Ireland, although a depression, moving slowly northwards in the Irish Sea gave heavy rain in places on the 21st; and

TROOP MEETING

We began this week's uniformed meeting as usual with the scout prayer. While the subs were being collected the patrol were on a "reading-up" session on some first aid problems. A uniform inspection was carried out by P.A. Michael Cosgrave, who crowned the Tigers as the best turned out patrol.

DOUBLE BALL SOCCER

Double ball soccer was then played when Declan O'Mahoney's team were victorious and on the other team Sean Cartwright received the red card. Notices were next, which reminded everyone to bring down their bikes for next week's mufty meeting; news of our annual hostel weekend to Foulksrath; as well as other items.
At this stage we left for the church where we practiced for next week's (Friday Nov 13) Mass for deceased members. After practice everyone left for home.

BALLYDUFF NOTES

BALLYDUFF-BALLINVELLA-BALLYAGGART COMHALTAS NOTES

The annual general meeting of the branch will be held in St. Michael's Hall, Ballyduff on Sunday next, November 15 at 2.30 p.m. All members are requested to attend and new members are especially welcome. (Advt.)

The music and step dancing classes will be held as usual this week, while the set dancing class recommences on Sunday next, immediately after second Mass. Beginners please come along.

Irish language classes are being held in Ring every Thursday night. A beginners class is held from 8 to 9 p.m. and a middle class from 9 to 10 and the advanced class starts at 10 and finishes at 11. These classes are free and for anyone interested in the language it would be good to go along, as learning Irish in this atmosphere is the best possible way.

Our social was a great success and everyone thoroughly enjoyed the meal and the dancing afterwards to the music of Tading Kearney and his Band.

The County Board of Comhaltas will hold their social in Lawlor's Hotel on Saturday night next. Music will be provided by the Shannonside Cello Band from Co. Clare. Here again, a great night is ensured. Anyone interested in going, please contact branch secretary, P.RO. Seamuis Hyland.

BALLYDUFF MACRA NOTES

On behalf of the club we would like to extend our sincere sympathy to our chairman Dave and to his family on the death of his father, R.I.P. He will be sadly missed by his family, relatives and friends.

On Friday night last a team headed for Lawlor's Hotel to participate in the County Cross Country Quiz. Well done to Mike

Leamy, Maurice Bolger, Paddy Ahearn, Andrew Clancy and Pat Kenny on coming second.

On last Sunday night a very successful mixed soccer tournament was held by the club in Conna Sports Complex. A total of 26 teams participated and we would like to thank all the various clubs for their support. Due to the large number of teams and lack of time the quarter-finals will be held on next Sunday night, when teams from Fermoy, Castletyons, Cappoquin and Ballyduff will play-off for the super trophies that were kindly sponsored by Kearney Bros., Castletyons. So be sure not to miss a spectacular night's soccer. The last night saw some world class saves (right, Kay) and goals, lots of fancy footwork and even more male chauvinism in evidence than usual.

Believe it or not there are still some tickets available for our dance on November 21 at the fantastic value of just £1 you can have a great night's entertainment and relax in the warm, comfortable surroundings of Murphy's Lounge, Knockmore. Beat that if you can, Maurice Pratt.

Congrats to our senior debating team on reaching the county final of the senior debating (a very vocal debate it was). On Monday week they will be opposing the motion that: "Co-ops have lost sight of their founding principles." So anybody with any bright ideas on the subject please forward, omitting any four letter words.

A very important meeting will be held on next Friday night at 9 p.m. in the hall. The agenda involves mainly the organisation of our dance. All members are requested to attend.

We wish the best of luck to the senior hurling team in the game against Midleton next Saturday. With fifteen magpies on the field they may need the luck. — P.R.O.

CAPPOQUIN AND DISTRICT NOTES

DIED IN ENGLAND

Mr. Tom Hackett, Mill Street, Cappoquin, has been bereaved by the death in England of his sister, Mrs. Mary Richardson of Rectory, Way Hayes, Middlesex and to him and to her husband and other relatives, sincere sympathy is extended. With her husband Wally, the late Mrs. Richardson gave material and moral support to the women at the Greenham Women's Peace Camp and set up the Greenham Support Fund through Hillingdon OND raising funds for protesters' living expenses. Colleagues have paid tribute through the Press and described her untiring support for the Peace Movement as an example to all.

Mrs. Richardson's funeral took place to Botwell Church, Botwell Lane, Hayes. Fellow workers in the peace movement planted a memorial tree on Greenham Common as a tribute to her memory.

SOCCER: RED HOUSE LEAGUE

The fourth series of matches in the Red House League suffered by the appalling weather of Sunday, Affane v. Bride View in Division 1 was abandoned early in the second half by referee Jim Foley and in Division 2 the game between Ballysaggart and Glenview was called off as the pitch was unplayable. The games which were played resulted:

Division 1: Ballyduff 0; Ardmore 0; Cappoquin 1; Lismore 1; Killeagh 2; Valley Rangers 2

Division 2: Youghal 2; Plintown 1; Meehan 2; Cappoquin 4.

The continued good form of Pinewood in Division 1 and Youghal in Division 2 must make them both strong contenders for honours.

At Tourin on Sunday morning Eddie O'Shea's final whistle was a relief to players and a handful of spectators alike as the teams slipped and slithered to a 1-1 draw in impossible underfoot conditions and the rain bucketed down relentlessly over the ninety minutes. It was never a game to contend for a place in the book of memories but it was that kind of day and we do know that both sides are capable of much better things.

Cappoquin created the more chances but their failure to take them, particularly in the first half, cost them a valuable point. Again the individual effort was overdone and Lismore's first time football was a more profitable tactic in the conditions that were in it. It took 65 minutes to produce the first goal when Martin Power put Cappoquin ahead. But the lead only lasted ten minutes when the Lismore equaliser came from Seamus Prendergast. Both back fours were totally supreme and further goals never looked likely. It was not a day for individual performances. Both teams clearly have problems in their front divisions and managers will be juggling their formations to find a goal scoring blend.

Cappoquin panel — L. Morrissey, M. Walsh, E. McLoughlin, J. Morrissey, E. Murray, J. Mason, D. Lucas, P. Power, M. Morrissey, D. Cummins, B. O'Shea, D. Moore, E. Walsh. Lismore panel — M. O'Leary, J. Tobin, D. Landers, W. Landers, D. O'Donnell, E. Prendergast, C. Murray, D. Shanahan, S. Prendergast, E. Cusack, A. Bolger, P. Power, B. O'Gorman. There was a very satisfactory outcome by the Cappoquin 'B' side to Inch where they came away with a 4-2 win, a much overdue first success of the season and at a venue where away wins are hard earned. Scorers were — K. McCarthy, S. Fraher, L. Coleman and C. O'Leary.

U-12 LEAGUE

Slieverue 2; Railway Ath 2. Our u-12s were away to Slieverue on Saturday last and were unlucky not to come home with both points after a very hard fought game. We started

well and J. Lynch was unlucky in the 6th minute when his shot rubbed the upright. Eight minutes later Lynch put Railway 1 up when a great ball by Kieran Cotter to Ian Flynn and Iain's inch perfect cross put Lynch through for a great goal. Railway held this lead until half time and after the interval they picked up a lot of injuries. These slowed Railway down but they were determined to win and with six minutes left J. Lynch seemed to get the insurance score for Railway but straight from the kick-off Slieverue scored a goal from Mike in the back line. Ray Curran picked up a nasty injury but he was determined to play on. With 2 minutes over time played Slieverue broke through to get a lucky share of the points. It was a spirited performance from the lads who now have a good chance of league honours.

Team — E. Whelan, B. O'Connor, G. Arrigan, R. Curran, E. Prendergast, C. Barrett, E. Murphy (capt.), J. Dalton, J. Lynch, K. Cotter, I. Flynn, Subs. — J. Quinn, J. Manahan, L. Whelan, N. Maher, T. Fitzgerald, Man of the match — Tom Prendergast.

Fixtures: We are at home to St. Joseph's next, Saturday, November 14th, kick-off 10.30 a.m. Players are asked to be at the dressing room at 10.00 a.m. Nov. 28th—Home to Ferrybank.

O'Leary. Players are asked to ensure that all first and second round matches are completed on or before Sunday, November 22.

Divisional Snooker League —The sheet for our divisional snooker league is still posted on the notice board and any members who may have forgotten to enter their name can still do so. As we go to press, 32 players have entered which means that we will have at least six divisions. We expect to begin the league at the end of this month and the divisions will be based on the players' handicaps. — (P.R.O.)

SCOUT NOTES

We continue our arrival of our summer camp '87. Day 13 (Aug. 21) We arrived at the train station in Dobova and unloaded our gear. We had our own special for the trip to

Ljubljana — from there we boarded the train for the long trip across Europe. It took some time to get organised in our cabins — by then we were going through Italy. We chatted a while before going to sleep. As we passed through Switzerland during the night there was heavy rain and lightning.

Day 14 (Sept. 1) — We arrived in Paris 14 hours late following a hold-up in transit. We travelled by Metro to St. Lazare Station where we left our gear. We visited the highly impressive Eiffel Tower and other sights. Following a meal we got the train to Yvetot, where we were greeted by the French scouts who brought us to our camp site outside the town. We had our tents up and after fires ready. We were glad to hit the sack after a long day.

Day 15 (Sept. 2) — We woke at 9 p.m. lit the fires and had breakfast. We played rounds for a while. We then hiked into Yvetot to view the local sights. We spent some time in the local swimming pool. We shopped around for a while before returning to our campsite. After lunch we walked around the countryside and returned to our tents glad to snuggle-up in our sleeping-bags.

Day 16 (Sept. 3) — We got up early and lit the fires, had breakfast and cleaned up the campsite. We caught the train for Rouen where we spent a few hours shopping in this beautiful town. In the evening the French scouts visited our camp. Francis was talking to the Venturers which resulted in Bomber giving him the works. Dean was camp fire chief and we all gathered around the camp-fire in French and Irish, joining in a great lively sing-song. We retired for bed at 11 p.m.

Day 17 (Sept. 4) — We were all up at 9 p.m. After breakfast we packed our gear into rucksacks and took down the tents. We had breakfast and then we loaded our gear and set off for the station. We said our goodbyes to the French scouts who were very hospitable. We caught the train and arrived in Croke Park at 2.30 p.m. We got taxis to the harbour where we saw the film "Platoon" which we all agreed was simply brilliant. We had a very rough crossing that night, but we still slept well after an eventful day.

Day 18 (Sept. 5) — Had breakfast in the restaurant. We watched that exciting film "Crocodile Dundee" which passed the time away and afterwards changed into uniform. We had a bite to eat and brought up our gear from the cabins ready for departure. Our coach was waiting for us at the harbour we loaded up and were on the last lap of our journey home. We arrived back in Cappoquin at 6.15 p.m. after a long but brilliant 24 weeks. Everyone tanned and happy and thrilled to pieces about the great adventure in foreign parts.

FOROIGE NOTES. We began our meeting on November 8.15. The room was called and subs. collected. The meeting was opened by Michael Casey. We hope to hold a cake sale at the end of November. We held a disco last Friday night and we got a great support thanks to the youth of the town. Some games followed, one of which was "Blind Date." The "dates" were as follows: "Vandessa" Dalton picked Michael Casey and Paul Ormonde picked Olive Casey. Hope next to see all members again next Thursday night at approx 8 o'clock. — (P.R.O.)

CAPPOQUIN/AFFANE G.A.A. NOTES

Sportsfield — The club wishes to relate to everyone who avails of our amenities in the G.A.A. grounds that the entrance gate to the sportsfield will be closed during the hours of darkness. The club came to this decision to prevent re-occurring vandalism on the grounds. Insurance — Insurance on club members is a very important issue and should be top priority with everyone. Our club has received notice from our Insurance Company that in re-

lution to accident claims they will only cover receipted medical expenses. They have specifically informed us that they will not cover travel or any other incidental expenses. Players and parents of players are requested to take note of this important insurance regulation.

Vote Of Sympathy — The club wishes to sympathise most sincerely to the surviving relatives of Mrs. Flynn, Tourin who died recently.

Draw Postponed — Our weekly draw was unavoidably postponed last Tuesday night — so promoters take note we will hold our 6th and 7th draws together on next Tuesday night, 17th November.

Lucky Winners — Congratulations to the following lucky winners in our 5th Draw — £100. Mrs. M. Troy; £10 each. Ward Fraher, Mick Daly, Pat Berry, Mrs. Foley, Owen and Emma Mangan. "Knight Of The Whistle" — Our N.F.L. game was in charge of the N.F.L. leaders — Dublin v. Meath on Croke Park on Sunday last accompanied by his loyal band of officials.

Speedy Recovery — Wishing young Pat Manahan a speedy recovery back to full fitness following his recent appendicitis operation. Pat, who has been unlucky with injury during the season will take this recent setback in his stride.

Support For Waterford — There was great local support for Waterford senior hurlers at Ennis last Sunday. In fact Waterford supporters were there in great numbers to cheer on another league win. It was a very good victory with our young team displaying great skill and combined hurling in conditions which in fact were more suitable for water-skiing. They were far superior to Clare and we await next Sunday's match against Wexford with great interest. Bualadh has to Tony Mansfield and his selectors who are moulding this inexperienced team into a very competent outfit indeed.

CAPPOQUIN MACRA NA FEIRME

First Aid Course — A very successful First Aid Course is being held at present in Affane Hall and it is very encouraging to see the huge numbers that have been turning up each week. Keep up the good work. On behalf of the club I would like to take this opportunity to thank Colum Bannon, Denis Moynihan and Nurse Mary Morrissey for their time and expertise in organising this course.

Sports Night — A sports night organised by Ballyduff Macra was held in Conna Sportsfield last Sunday night. A total of 26 teams took part from counties Cork and Waterford. A team from Cappoquin, consisting of Ann O'Brien, Noreen O'Brien, Michael O'Donnell, John O'Donnell and J. J. O'Brien qualified for the final next Sunday night.

Affiliations — Members are requested to kindly submit their affiliations as soon as possible, so as to be affiliated for coming events, i.e. drama, light entertainment, etc. — (P.R.O.)

IPBS ESTABLISH LONDON OFFICE

The Irish permanent Building Society has announced that, as part of its ongoing policy of expansion, it has established a Representative Office at 100, Park Lane, London W1. The London office will undertake the establishment of the Society's proposed branch network in the U.K.

Behind the SPOTLIGHT

(Continued from Page 1)

Championship Grand Slam as they have won every county championship titles at every grade — Senior, Intermediate, Junior, U/21, Minor, U/16, U/14 and U/12 in both hurling and football. It is a most notable achievement and places the Old Boro' Club in a unique position as they are now the only club in the history of the GAA in Waterford to have won hurling and football titles in all grades.

Congratulations to all concerned; players, administrators and supporters, on reaching this pinnacle of success.

A MASTER THATCHER

The art and craft of the thatcher is fast dying out and thatched dwellings in any area are now almost more an exception rather than the rule. However a familiar sight at festivals in the West Waterford-North East Cork area over the past year was a beautifully thatched little hut which was proudly exhibited by its owner, John Roche, a popular member of the farming community living in Ballyduff.

John is one of the few people in that area who still practices the thatching craft which he learned several years ago from master thatcher Pat Duggan. Pat who hailed originally from Araglin now also lives in Ballyduff and hale and hearty in his eighties still keeps his hand in.

In an article in last Saturday's "Cork Examiner," John Roche recalls that he was about 15 years old when he went to Pat Duggan to be taught thatching. Nowadays he finds that he has more thatching work than he can handle and claims that there is a need for more thatchers as those people who still live in thatched dwellings are finding it increasingly difficult to have their roofs repaired and kept in order.

Another well-known West Waterford personality in a rather similar line of business is Tom Quinlan who lives and has his place of work at the bottom of Tallow Hill close to the banks of the Bride near the town of Tallow. Tom, with his brother Michael, works with spires, weaving baskets and wicker furniture in an amazing variety of designs and styles. He is the fourth generation of the family to practice the craft

but sadly he will be the last of the family to do so, as none of his five children have opted to follow the tradition and have sought employment in different fields.

THE BANKS OF KILREA

Our choice for the ballad corner this week is "The Banks of Kilrea," which has its origins in Slieve Donard in the Mourne Mountains in Co. Down and having passed through Lough Neagh goes on to reach the sea at Coleraine in Co. Derry. The Town of Kilrea is located on the banks of the river at a point where it forms the boundary between Derry and Antrim.

One evening for my recreation I wandered along the Bann. Where a young man was courting his darling. And he swears he will make her his bride. Where a young man was courting his darling. And her gently intrigued her away. But said she 'I can't leave my old parents. All alone on the banks of Kilrea.'

Ah darling, but don't you remember. The fond vows that you made unto me. They were made in the month of November. When I was thinking of crossing the sea. It was then you would not stay behind me. And you coaxed me a while for to stay. And you said, when the Spring was returning. We would both leave the banks of Kilrea.

But there's danger in crossing the ocean. There's great danger in crossing the main. Sure there's danger in crossing deep waters. Therefore all of your coaxing is in vain. At my home I have both peace and plenty. And my rem; I'm well able to pay. But I'm leading a lifetime of misery. All alone on the banks of Kilrea.

So farewell to my comrades forever. For it's now I will lay down my secret when I was in my Bann waters. And the girls all around the Bridgend. Here's a health to my comrades forever. For it's now I am going away. And I'll see you again, no more. No more on the banks of Kilrea.

MAHER ATTACKS GOVERNMENT ON AGRICULTURE CUTBACKS

Government financial cutbacks, as now being implemented by the Dept. of Agriculture, defy logic, and are contrary to common sense and practical thought. To decimate the advisory and research services throughout the country, while leaving untouched the huge administrative staff of the Department in Dublin, was similar to a garage owner who financial trouble dismissing his mechanics but retaining his office staff. T. J. Maher, MEP, said last Friday night, November 7, when he addressed members of ENCF Co-op at a function in Buncrana, Co. Sligo.

Mr. Maher said it was difficult to have confidence in a Government who have their policies so wrong in such a vital industry. Responsible people accept the necessity for financial cut-backs, provided they are implemented in a manner that will not damage potential for immediate wealth and job creation. The pruning operation by the Department of Agriculture unfortunately was ignoring the dead wood and instead removing productive branches, important to the future of family farming in Ireland.

The decision of the Dept. of Agriculture to reduce its financial input by 44 per cent in to the Research and Advisory Services, at a time of serious alterations to CAP was a short-sighted damaging reaction that would prove seriously detrimental, financially, economically and socially to the country. Mr. Maher said he was gravely worried about the increasing lack of concern for people in EEC and Government policies. That lack of concern had spread throughout Irish life, and was evident in big business, trade unions, the co-op movement and the farm associations. It was high time that we demanded of those in positions of leadership that they put people first in their policies, and not targets to satisfy the greedy. The use of the unemployed, farm families on small holdings and other less well off sections of our community could rightly ask, does anyone care about them anymore.
