### HIGHER CIVIL SERVANTS SEEK MASSIVE PAY RISE

The Irish Congress of Trade Unions last week signified that they were going to take a hand in an effort to force the Government to concede without further delay the massive 35 per cent pay increase for Dail Deputies, Senators and senior civil servants which was recommended by the Gleeson Review Body last month but postponed indefinitely by the Government because of the crippled state of the country's finances. It would appear, though, that it is the senior civil servants who are forcing the issue rather than the members of the Oireachtas as they have been whinging about the issue since the postponement was announced.

Let us say too that these huge increases have also been recommended for judges, state company chief executives, local authority heads and Garda chiefs. The recommendations cover 700 key state employees and would cost an annual £10 million.

The Review Body which has been described as "independent" has recommended that the Taoiseach's salary should rise from its present £52,057 to £68,000 a year; the Tanaiste should be paid £58,000 instead of his present £43,429; Ministers should go from their present £40,840 to £54,000 while TDs should shoot from £19,265 to £26,000 and Senators from £10,714 to £15,000 a year.

The Review Body also recommended that the £6,900 which TDs are allowed to earn tax free should be abolished and this should be replaced by an "annual standard expense allowance" of £3,500 tax free on top of the salary. Surprise, surprise, the Review Body then says that the latter should be spent on constituents and sponsoring local events!

In some cases, salary structures recommended could enable State company bosses to increase their pay by as much as 50 per cent. The chief executives of such companies as the ESB and Aer Lingus should, according to the Review Body have a base salary of £52,000 and their boards should have the discretion to decrease that by up to 10 per cent or increase it by 30 per cent, based on performance.

Following the release of the Review Body's recommendations the Government considered the situation, having been advised by Finance Minister Ray McSharry, and subsequently announced that in view of the serious state of the public finances and the continuing need for pay restraint, it was decided to postpone indefinitely any action on the recommendations.

That decision was in keeping with the report on the Irish economy published in or about

the same time by the OECD (Organisation for European Co-operation and Development). The stark message in this report made no bones about the fact that further widespread cuts in Government spending were urgently required if the country's crippling £25,000 million national debt is to be stabilised.

Despite the blunt message in the OECD report, unions representing the various groups affected, teachers, public services, nurses and others, all now under the umbrella of the Congress, have persisted in seeking their pound of flesh on the premise that the country owes it to them as they have been hard done by and obviously on the basis that the country must provide it for them irrespective of whether it can afford it or not.

The Budget will come before the Dail next Wednesday, January 27, and from the rumblings we have been hearing in recent weeks, there can be little hope for any concessions in the tax burdens which have been strangling small concerns and pushing many to the wall. Dun and Bradstreet, the credit services company, reported last week that the number of company failures in the Republic in 1987 was the second highest since the beginning of the decade. The total of 868 for the year (as compared with 719 for 1986) applied to winding up petitions, liquidations and receiverships.

It is almost incredible then, with the near financial paralysis which is now gripping the country, that the Irish Congress of Trade Unions should come out at this time to argue that the massive Review Body increases must be paid by the Government. It is absolutely ridiculous and utterly irresponsible.

### ANNUAL POINT-TO-POINT MEETING

The Annual Dungarvan Harriers Point-to-Point Race Meeting will take place over the usual course at Killosera on Sunday next, January 24 and, weather permitting, it is expected to attract the usual very large gathering of racing enthusiasts.

A copy of the Irish Point-to-Point Handbook for 1947, the official publication of the Irish National Hunt Steeplechase Committee, was passed to me during the week. Date marked April 1947, this contained all the results from the 1947 Point-to-Point fixtures throughout the country.

According to this, the fixture for Dungarvan in that year was run under the West Waterford Foxhounds and was held on Thursday, April 17. There were six races on the card: Open Maiden, Confined Maiden, Open Lightweight, Open Far-

## Manager Rejects Claim That Water Charge Orders Were Invalid

The controversy surrounding the question of water charges imposed by Dungarvan Urban Council was given another airing at the monthly meeting of the Council held last Monday night. As on previous occasions the matter was again raised by Cllr. Tony Wright, when he proposed a motion standing in his name that in view of the recent Circuit Court decision declaring the imposition of water taxes invalid, the Council call "for full restitution to be made to all those householders who paid unnecessarily."

Cllr. Wright stated that as far back as December, 1986, the Supreme Court had ruled that water taxes were invalid in Dublin city and county as a result of defective managerial orders and recalled that he had

said then that water taxes were also invalidly imposed on the people of the Dungarvan Urban area in 1983, 1984 and 1985 for the same reason.

Reading from a prepared script, Cllr. Wright went on to say that when he highlighted this fact at the very first Council meeting following the Supreme Court decision, his submissions were scoffed at and dismissed by some councillors and by all the officials present. The officials claimed that according to the Council's legal advisers the new taxes were

properly and legally levied. "These assurances," he then said, "were repeatedly reported in a very prominent way in all the local papers over a period of twelve months and this resulted in many people unnecessarily parting with their hard earned cash for years when it was not even legally due."

Cllr. Wright then said that on December 15 last, "the chickens finally came home to roost" when the Circuit Court in Dungarvan dismissed the water tax demands for these years against a member of the local N.A.T.O. branch on the grounds that the managerial orders under which they were made were invalid. He claimed that this judgment, once and for all vindicated his position in a public court of law.

However the Workers Party Councillor went on to say that as a result of this a number of questions remained to be answered concerning the advice on the matter passed to the Council and he wound up by stating that there was now a moral obligation on the Coun-

cil to pay full restitution to all householders who had paid unnecessarily "on the basis of those invalid orders."

**FULL OF INACCURACIES**  
 Mr. Dan Hurley Co. Manager said that as he had expected such an outburst as had been made by Cllr. Wright and which, he said, was full of inaccuracies, he had asked the Council's legal advisers for a statement on the situation which he now proposed to have circulated to the members.

Mr. B. White, Town Clerk, then read the letter from M/s. Lanigan & Curran, Solrs., the Council's law advisers, dealing with the collection of water charges by the Council for 1983, 1984 and 1985. In this it was stated that it was totally incorrect for Cllr. Wright to say that the Urban Council was not legally entitled to collect the water charges for the years in question. "The proceedings in Dungarvan," the letter went on to state, "were commenced on the 30th April, 1986 and judgment was obtained against the various defaulters in July, 1986 and installment orders obtained in September 1986, all prior to the Supreme Court decision (handed down on December 16, 1986). When the effect of the Supreme Court decision became known the committal summonses, which had been commenced against a small minority of defaulters were adjourned indefinitely pending the outcome of the appeal taken by Mr. Eamonn Martin to the Circuit Court."

The letter then stated that Mr. Martin's appeal was allowed at the Circuit Court but following legal argument, the Judge did not award Mr. Martin his costs. It added: "There is no legal basis whatsoever for refunds as stated by Mr. Wright and that principle is well settled law."

When Cllr. Wright proceeded to question the points made in the letter from the legal advisers, the Chairman, Cllr. R. A. Walsh said that he would not allow any further discussion on the matter in view of the legal advice available to the Council.

Claiming that this advice was wrong, Cllr. Wright said that he also had obtained legal advice which stated that the charges made for 1983 and 1984 were illegal.

The Chairman then told Cllr. Wright that if he was not satisfied with the ruling given he had his own line to follow.

Cllr. A. Hallahan said that the motion as proposed by Cllr. Wright inferred that the water charges imposed by the Council were illegal and that was incorrect and this should be pointed out.

The Co. Manager rejected the claim made by Cllr. Wright that the orders made covering the collection of the charges were invalid. "Our legal adviser has given the position and that, as it is," he said.

The Chairman then asked for a second opinion on Cllr. Wright's motion and when there was no reply, he ruled the motion out.

## Dungarvan's New School Plans Scrapped

Speculation which has surrounded the future position of the proposed new Vocational School planned for Dungarvan finally ended on Monday last when it was confirmed at the monthly meeting of the Co. Waterford Vocational Education Committee held in Dungarvan that the plans for the school had been scrapped by the De-

partment. A request for a permanent extension to the existing school had also been turned down.

Very Rev. Dean Cassidy, P.P., Chairman stated that he and Mr. D. O'Ceilleachair, C.E.O., had met representatives of the Department and had put their case for a permanent extension to the existing school but having previously rejected their request for the new school, the Department had also said "no" to the permanent extension.

Dean Cassidy added that there was no question of their Dungarvan school closing but it was disappointing that the Department had not only scrapped the proposal for a new school but had also turned down their application for the extension.

Cllr. M. O'Riordan said that they would have to ensure that the vocational school would not become the most vulnerable educational outlet, in the present cutbacks.

It was agreed that the Dungarvan school management would prepare their case for the retention of the school and this will be considered at the February meeting of the Committee before being presented to the Department.

## PRE-BUDGET SUBMISSION ON PLIGHT OF HOMELESS

Dungarvan Urban Council at their January monthly meeting unanimously approved a motion in the name of Cllr. A. Hallahan which asked that a pre-budget submission be sent to Finance Minister, Ray McSharry, calling on the Government to introduce basic reforms to help eliminate the problem of homelessness in Ireland.

Moving the motion, Cllr. Hallahan asked the Council members for their support in drawing the Minister's attention to the plight of those unfortunate people who had no homes to go to.

The motion was seconded by Cllr. P. Power and passed unanimously.

## COUNTY AND CITY INFIRMARY MAY RE-OPEN

The County and City Infirmary, Waterford, which was closed as part of the health cutbacks in October last, may re-open again. Negotiations towards this end took a step closer last week-end when Community Hospitals U.K. Ltd. announced they were very interested in taking it over.

Officials of the British Company have met the Mayor of Waterford, Ald. Davy Daniels and the Master and Board of Governors of the Infirmary. A feasibility study of the building is being carried out and it is understood that Community Hospitals plan to use it, with extensions for new operating theatres.

It is proposed to set up a new company, Community Health Care Ltd. to run the hospital. The U.K. Company controls 14 hospitals in Britain and one in Ireland, in Galway.

## SETTLEMENT IN MALICIOUS BURNING CLAIM

A settlement by consent for £550 plus costs was announced at Dungarvan Court in a claim for malicious injury brought by Robert McGrath, 42 Cathal Brugha Place, Dungarvan against Waterford Co. Council.

The claim arose from the burning of two motor-cycles, the property of the plaintiff, at Cathal Brugha Place on October 12, 1984.

Mr. M. M. Halley, Solr., for the Co. Council said that they accepted that the burning was malicious and the amount of the damages had been agreed.

Mr. E. P. King, Solr. (J. F. Williams & Co.) was for the plaintiff.

SET CLUB NEWS
Scor na nOg — Last Saturday
night in Kill Community Centre
the County Final of Scor na
nOg was held and it certainly
was well worth attending. The
final was a close contest, the
many rumours about Scor being
on the way out according to some
people, was extremely high. So
this was proof that it is far
from being on the way out.
Our club was fortunate to
have four teams in the final
(not three as was mentioned
last week). We had two sets,
question-time team and instru-
mental music group. Apologies
for not including our two fine
musicians (Collette Flynn and
Cathal McCabe) in last week's
notes. As was mentioned pre-
viously, the standard was very
high and despite excellent per-
formances by all our competi-
tors we came away with one
county title.

## Gigantic G.A.A. Draw Launched

Five Waterford G.A.A. clubs—East and West—have combined forces to organise the biggest fundraising draw ever attempted by a sporting organisation in the county. All details of the "Development Co-Op" being undertaken by Lismore, Kilrossanty, and Dungarvan in the Western Division, and by Roanmore and Dunhill in the East, were disclosed at a press conference in Lawlor's Hotel, Dungarvan, last week attended by the chairman of the Development Co-Op Committee Mr. Paddy Fitzgerald (Dungarvan).

Also present were the vice-chairman Jim Maher (Kilrossanty), secretary Sean Cooke (Dunhill), treasurer Christy Brien (Lismore), and assistant secretary Danny Murphy (Roanmore).

There will be three monthly draws in March, April and May—the draws taking place on the last Saturday of each month. The subscription will be £10 per month but the prizes—more

than 150 are among the most valuable ever offered in a draw of this kind.

In March and April the top prize will be a new car or £10,000 in cash. But the real blockbuster comes in May for all those fully paid up members. The top prize that month is a brand new bungalow or £25,000 in cash.

There are video recorders, colour televisions, fridge freezer, washing machine, a multifuel stove, camera, vacuum cleaner, a holiday for two in London in addition to cash prizes valued at thousands of pounds.

"It is without doubt the greatest draw of its kind ever launched in the county," Paddy Fitzgerald told the press conference. He said the clubs directly involved would utilise the profits for their respective ambitious field development projects, and he was confident it would be an outstandingly successful draw.

Mr. Fitzgerald said there would also be a very handsome

financial benefit for other clubs who decide to involve themselves in the draw. For every £30 ticket these clubs sell they can retain £18. "In other words," said Mr. Fitzgerald, "a club selling 100 tickets will benefit to the tune of £1,800."

In addition there are very valuable prizes for subscribers who pay the £30 subscription in full before the first draw on March 26th.

These include £1,000 cash, £800 worth of Waterford Glass; a £250 portable typewriter, and a £150 voucher to be spent at "Gardener's World" in Waterford.

Mr. Fitzgerald paid tribute—and expressed thanks—to those who had come forward with the sponsorship of many attractive prizes. He listed them as follows—Michael Irwin, Megavision, Dungarvan; Sean Casey, Daysha T.V. (Dungarvan G.A.A. Club); Willie Roche, Hardware Merchant, Lismore; and Frank McGrath, Red House, Lismore (Lismore G.A.A. Club); Trustee

Savings Banks, Dungarvan; Waterford Co-op (Kilrossanty G.A.A. Club); Harvey Travel-Ryan Air; Noel Dalton, Bevan Book Shop, Waterford; John and Con Murphy of "Gardener's World," Waterford (Dunhill G.A.A. Club); Frank English O'Connell Street, Waterford; Waterford Iron Foundry (Roanmore G.A.A. Club).

There is also an attraction for the individual promoters. There's a cash prize of £100 each month for the seller of the first prize.

Well it's been a while since we've last written in to let you know of the latest events and happenings down at the Den, so we'll start off with this.

Hi!ke next week — yes it's true next week we are going on a hike to Cruaachan, weather permitting of course, so it's time that you started turning up your bikes to get ready, and it would be advisable to keep your feet and heads warm on the journey.

The Patrol Competition plaques are up for grabs again, the cooking trophy is there waiting to be taken from the Hawks or can they still retain it — it would be interesting to find out.

Coming up soon is a Patrol Sports Day in which the Patrols will be put up against each other in a competition that will involve both mental and physical skills in a wide variety of sports.

A pool competition to see who will be the Steve Davis of our troop is being organised by the senior patrol. And of course the Dark Room will be in action as we have a chance to develop our own photographs of these events so make sure you keep your eye on our window in Mary Street.

Next was matching the Christmas cards, which Gary seemed to fly at with Damien, Owen and Paul swiftly following.

Dealing with our inter-county activities, the Secretary says—"The Bord fielded three teams in the inter-county arena with the U-14 first in action being the U-14 hurlers in the Tony Forristal Tournament, where despite the amount of work put in by the selectors the strength of the panel was not enough to feature strongly in the competition."

"At the start of the year the Bord decided to bring together the Co. U-14 team of 1986 as a project with the Munster Minor championship of 1989/1990 as a target. Following a number of training sessions they comprehensively defeated Cork in a tournament, game and next September will travel to Galway to take part in an inter-county tournament there. I appeal to the officers of the Adult Board here, tonight, to make resources available to develop this team in the next three years. A Co. U-16 football team took part in the Wexford tournament but were defeated in the semi-final. I would like to thank all the team selectors and field committees for their help and co-operation."

Mr. J. O'Flynn, Co. Engineer said he would see what could be done.

Mr. O'Flynn referred to flooding at Ballycoe Cross and Mr. O'Flynn stated that the situation there had been investigated and was being followed up.

We had a one minute walk which was sharply done by Shane Hickey? Mike and Ronan had a great time turning in funny directions for "O'Grady Says," which was close to the finish.

Quiz? Tuesday night week.

The meeting started at a flying pace with a quick game of "bubble gum" which was won by M. Nugent's team. Then we played a game of "ship to shore" which was run by Mar-

tin, Geraldine then followed up with a quick drill contest which was keenly contested by all.

Testwork was then done when Geraldine took the younger cubs for Investiture and Martin instructed the rest on some simple knots such as the "reef knot" and "clove hitch" which absorbed the cubs attention fully and they all wanted to be able to do them. We finished the meeting with the prayer and all went quickly home.

### HIT AND RUN DRIVER FINED AND DISQUALIFIED

Thomas Kenneally, 18, Killrush Park, Dungarvan, was charged at Dungarvan Court with dangerous driving at O'Connell Street, Dungarvan, on November 23, with failing to stop after and failing to remain at the scene of an accident, and with driving with excess alcohol on the occasion.

Supt. M. English who prosecuted said that the charges were a sequel to a hit and run accident, which occurred at O'Connell Street at 5.40 p.m. on the date in question. The car driven by the defendant struck and knocked a young man off his bicycle and failed to stop. It was observed by a witness who took the car number and the matter was reported. The gardai then went to Kenneally's house and when questioned he admitted the matter. He was arrested and taken to the garda station where a blood sample was taken and an analysis this showed a blood/alcohol concentration of 233 mgrms.

Mr. G. McCullagh, S.O. (Murphy & McCullagh) for the defendant said that he was a married man with five children and was driving for 28 years without an offence. He worked as a forklift driver with a local firm and the disqualification of his licence would be a big loss for him.

District Justice W. F. O'Connell, remarking that the concentration was well over double the permitted level imposed a fine of £100 with the mandatory disqualification for 12 months on the excess alcohol charge.

On a plea by Mr. McCullagh he agreed to reduce the dangerous driving charge to one of careless driving and imposed a fine of £20 with an endorsement. Additional fines of £10 each were imposed on the charge of failing to stop and failing to remain at the scene of the accident.

At the request of Mr. McCullagh, the District Justice agreed to postpone the operation of the driving disqualification until February 1.

### HOME ON HOLIDAYS

Robert Buckley, Clonca Dungarvan was fined £75 and disqualified for 12 months when he pleaded guilty to driving with excess alcohol at Skeahcrine, Abbeyside on December 13.

Supt. M. English who prosecuted stated that in this case

the blood sample taken showed a concentration of 217 mgrms. Mr. J. E. Gordon, S.O. who defended said that the defendant worked in foreign parts and was home on holidays at the time.

### RALEIGH RECALL MOUNTAIN BIKES

Raleigh are asking buyers of three of their Mountain Bikes models to return them to their dealers for examination and a possible free replacement part. There could be a fault in the bottom bracket axles of the Mustang 15, Maverick 15 and Magnum All-Terrain bikes. Raleigh dealers will replace this part free of charge.

### WATER SAFETY WARNING

The Irish Water Safety Association urges parents and persons in charge of small children to ensure that they are constantly supervised while playing in or near water. Recent heavy rain will have caused some play areas to become filled with water and shallow streams to be much deeper.

The back garden play pool or ornamental pond; the nearby river or stream; the uncovered rain barrel, well, water tank or slurry pit; holes or drains left after building operations, are all hazards for the very young and for elderly, feeble persons. Private swimming pools should be locked or otherwise fenced off to prevent use when the pool is not under constant supervision.

## Annual Convention Of County Bord Na nOg

The Annual Convention of County Bord na nOg was held at Lawlor's Hotel, Dungarvan, on Monday, January 11. There was a near full muster of delegates and convention was addressed by James Tobin Co. Board Chairman, Co. Youth Officer, Jim Greene and Co. Hurling Officer, Rev. P. Fitzgerald, C.C.

All the outgoing officers were re-elected unopposed as follows—Chairman, John Moore, Dungarvan; Secretary, John Jackson, Ballyduff; Treasurer—Nicholas Fitzgerald, St. Mary's.

Of the six motions listed, four were deferred to a special meeting, one was withdrawn and one defeated.

In the course of a comprehensive report to Convention, John Jackson told the delegates—"It is my privilege to present, to you my report, as Ruanal of the Bord for the past year which has been a most successful one for the Coisde. The work of Co. Bord, co-ordinating the activities of the divisional Boards was made easy by the co-operation, commitment and dedication of my fellow members. The administrative expertise of these officers ensured the smooth running of our championships and other Bord matters."

"Turning to our championships a total of twelve finals were staged, divided equally between Walsh Park and Dungarvan, both field committees whom I sincerely thank for their co-operation.

"Congratulations to the various Co. Champions on their success and well done also to the beaten finalists which in the majority of cases were narrowly defeated. The Roll of Honour is as follows:

Iomairé: Fe 14 (A) Lios Mhor; (B) Bailie Uí Dhuibh; West: (C) Bailie Uí Dhuibh; Fe 16 (A) Lios Mhor; (B) Naomh Mhuire; (C) Naomh Molleraín.

Pell: Fe 14 (A) Micheal Mac Craith; (B) Gaeltacht; (C) Naomh Padraig; Fe 16 (A) Gaullier; (B) Ath Meadhan; (C) Na Bricí.

### INTER-DIVISIONAL GAMES

The report goes on—"All three inter-divisional games were played with victory going to the West in the U-14 Football (John O'Regan Trophy) and U-14 Iomairé (Coliste an Chonndae Trophy) while the East were successful in the Gleeson Cup U-16 O.H. The West reached the provincial quarter-

final where they lost to Cork East who had beaten East Waterford in the first round.

"Lios Mhor were our worthy representatives in the National Feil finals where they reached the final. Fergal Cunningham (Dungarvan) and Paddy O'Donnell (Lios Mhor) gave excellent performances in the Feile Skills and Poc Fada competitions.

"Micheal Mac Craith as Co. U-14 Football Champions travelled to Kildare to participate with distinction in the National Finals."

Dealing with our inter-county activities, the Secretary says—"The Bord fielded three teams in the inter-county arena with the U-14 first in action being the U-14 hurlers in the Tony Forristal Tournament, where despite the amount of work put in by the selectors the strength of the panel was not enough to feature strongly in the competition."

"At the start of the year the Bord decided to bring together the Co. U-14 team of 1986 as a project with the Munster Minor championship of 1989/1990 as a target. Following a number of training sessions they comprehensively defeated Cork in a tournament, game and next September will travel to Galway to take part in an inter-county tournament there. I appeal to the officers of the Adult Board here, tonight, to make resources available to develop this team in the next three years. A Co. U-16 football team took part in the Wexford tournament but were defeated in the semi-final. I would like to thank all the team selectors and field committees for their help and co-operation."

Mr. J. O'Flynn, Co. Engineer said he would see what could be done.

Mr. O'Flynn referred to flooding at Ballycoe Cross and Mr. O'Flynn stated that the situation there had been investigated and was being followed up.

## DUNGARVAN G.A.A. NOTES

### OUR BIG DRAW

Elsewhere in this issue all the details of our mammoth fundraising draw can be read. Suffice to say it is the biggest such draw ever attempted in this county and will bring in more G.A.A. clubs we are hoping also to make it the most successful.

We are attempting to build up a "development fund" in the club so that we can provide ourselves with our own playing facilities. That is the burning ambition of everyone connected with us, and if this draw is the success we hope and expect it to be we will be a very long way towards realising our ambitions.

A major effort then is requested of everyone. Without it we cannot bring ambitious plans to finality.

### CONVENTION

Our delegation at last Thursday night's Western Board convention in Bohadown was, Mike Lyons (chairman), Brighdin ní Crisostoir (President), Maura Curran (secretary), Noel Sheehan (treasurer), John A. Murphy (P.R.O.), Margaret Cunningham, Eileen Murphy and Tom Cunningham.

It was a quiet convention which lasted not much more than an hour. However there was the satisfaction of having two clubmen unanimously re-elected to the officer board—Paddy Fitzgerald (treasurer) and John Moore (assistant secretary).

Our thanks to the Kilgobnet club, and the ladies in particular, for providing the welcome post-convention "cuppa" and sandwich. It was very much appreciated by our delegation.

### TRIP DEFERRED

Given all the circumstances that now prevail we have decided to postpone our trip to London at Easter.

With the big draw due to begin just one week before the planned departure date, and with our annual dinner on March 16th, the financial outlay for everything would have been too hefty a burden for many.

However the decision to undertake the trip to London in 1988 is already a firm one and with plenty of time to make the arrangements—and save up the punts—we will be confidently expecting a huge travelling party.

### SCOR COUNTY CHAMPIONS

Our ballad group capped a superb performance by being crowned county champions at the Scor na nOg finals in Kill last Saturday night.

The quintet excelled on the night and very worthily deserved to be acclaimed county champions by unanimous decision of the adjudicators. They now go forward to the Munster semi-final against the Clare and Tipperary champions in Tipperary town on Saturday night week. It goes without saying they'll carry the best wishes of everyone in the club.

The group members are Caroline Byrne, Lorraine Cotter, Deirdre Murphy, Claire Murphy and Killian Walsh.

Our Novelty Act did not take the honours but even so the members put up a great performance and were a credit to the club.

In the cast, were Sharon Murphy, Deirdre Murphy, Sonia Lynch, Killian Walsh and Brendan Hayes.

## Ferryhouse Pantomime

It's Pantomime time again. The annual Ferryhouse show, which this year is "Puss in Boots", will be held in the Friary Hall, at 8.00 p.m. on Friday 29th January, and as a gala matinee performance on Sunday 31st January, starting at 3.00 p.m.

Pantomime has been described as "children's theatre for adults," and "Puss in Boots" lives up to this billing. Because it is now so familiar to Dungarvan audiences, following thirteen annual visits, many many local people probably don't realise just how vast the Ferryhouse Pantomime operation is. There are over eighty young people in the cast on stage, and a far greater number in the adult back-up group; in all, ten shows will be performed in six different locations from Dungarvan to Dublin, before a total audience numbered in thousands. It can justly claim to be "the largest children's" show in the British Isles.

There is no greater treat, to give children for the New Year than to bring them to "Puss in Boots" in the Friary Hall. At £2 per seat it would be difficult to find better value in these difficult times. People in other towns have to go to Cork or Dublin for their pantomime — Dungarvan is lucky to have this tremendous show in their own Friary Hall. If the Friary Hall weren't there, would be no "Puss in Boots" in Dungarvan.

"Puss in Boots" has everything — colourful costumes, exciting dance routines, sparkling humour, delightful music, and the sophisticated special effects with which the experienced Ferryhouse production team continue to surprise and delight their audiences year after year.

There are thirty-six songs in the show, ranging from the Beatles to Country and Western from Hans Christian Andersen to "Hands Up," all delivered with that verve and drive for which the Ferryhouse show is justly renowned.

The annual visit of the Ferryhouse pantomime, with between seven and eight hundred people attending the combined shows, has long been a highlight of the New Year's entertainment in Dungarvan — this year promises to be no different.

As the song says "A live show is the best show. If you want entertainment to come alive for your children this year, book yourself a ticket for the Friary Hall for the last week-end in January. Booking is, as always at John Casey's, Main Street. Book early — it costs the same, and you will have a better seat for the same money. (See advt. this issue).

### Dungarvan Choral Notes

It's full steam ahead as members of the Dungarvan Musical and Choral Society rehearse for our forthcoming show "The Quaker Girl". The first stage of rehearsals (i.e. learning the music and words) is behind us and we are now in the full swing of the "staging" of the show which is basically where to go and what to do on stage. (Imagine trying to place a cast of 50 people!)

We are lucky to have our "in house" producer Michael Scannan for the second year running and Michael is really making the show come to life. Our Choreographer, Patricia O'Donovan from Clonmel, is imparting her grace and agility on the cast who are loosening up and letting themselves go amid roars of laughter. Mrs. Gerlie Morrissey, our Musical Director, is as patient as ever accompanying and keeping us in order, tempo wise (where would we be without her?)

We are all very enthusiastic and excited about the show which is proving to be funnier than generally anticipated. With the first act now staged we have been entertained by the beautiful love songs of Princess Mathilda (Libby Flynn) and Captain Charteris (Sean O'Donnell), the gentleness of Prudence, the Quaker girl (Carol Dempsey) and the gentle persuasion of Tony (Jimmy Mansfield), the comedy provided by Phoebe (Eileen Fennell) and Jeremiah (Sean Feehan), the russy Madame Blum (Marilyn Kelly) together with other very individual characters.

Put these ingredients with a lively chorus of villagers who sometimes taunt the sober chorus of Quakers and it makes for a very exciting first act. So watch this space for further progress reports and don't forget "curtains up" in the Friary Hall on Tuesday, February 16 at 8.15 p.m. — P.R.O.

G.A.A. Notes

Kilgobinet Club Host Western Convention

WESTERN CONVENTION

A total of 144 delegates attended last week's Divisional convention held at Bohadoun, where the host club, Kilgobinet were celebrating their centenary. The several clubs who were a little worried about the geography of Kilgobinet territory, were delighted to find that the venue was very well signposted on all sides and as a result, no problems were experienced by those travelling from any of the 'foreign' regions of the division. I don't know what provisions were made for the guidance of delegates or their homeward journey - particularly for those who stayed on a wee bit late to enjoy the 'crack' and the hospitality of the host club, but I'm sure they all successfully negotiated their way back home.

The meeting began fairly promptly and this was made possible to a great extent by the manner in which the Kilgobinet officials had laid the meeting hall, which was outstanding in all respects. He has given since taking office four years ago. The report is published elsewhere.

Nocias Mac Craith, congratulated the Chairman on his report, but expressed a little disappointment that he had not referred to the rumours that association property was to be sold off to outside interests. Nocias said he felt very strongly about this and that our objections should be highlighted whenever possible. The chairman of the County Board, James Tobin, also addressed convention and spoke about finance and the condition of our county grounds, etc.

and people wishing to attend both have been placed in a dilemma. This strengthens the view that an earlier date should be found for the annual convention. Very many of the other counties are bringing their conventions forward for this and other reasons. Such a move would help to reduce the pressure on Divisional Boards and give them more time to organise themselves for their championships, etc. With the number of championships, etc. now being played, a longer season is needed and this would be one way of giving more time.

The news about convention is that we are likely to have two contests on the night. The race for P.R.O. seems to be between Paddy J. Coleman, Stradbally and Frankie Cullinan, Portlaoise. There were originally ten candidates, but the majority of these have declared that they are not running.

Tommy Hennessey Kill is still in the field for one of the two Munster Council representatives, but I have heard no definite news about his intentions. I hope to have a copy of the motion for publication next week. I have received a copy of the secretary's report and as usual this is a first class account of everything which happened in the County since last convention. Dealing with the field activities, Seamus Grant states: Without any doubt, 1987 was the busiest year in the history of the Deies county. Virtually 12 months of non-stop action emphasises this point to the full. For statistically minded members the following figures as applying directly to County Board illustrates the level of activity from January to December: (1) Championship, league and tournament games played - 62; (2) Inter-county teams training - 101; (3) Club senior championship and Phelan Cup games - 98.

In addition to all this, the Divisional Boards had to contend with their mammoth task of completing the bulk of their championships on a league system and a combination of all such figures clearly indicates a season of exceptional activity in our county. The report gives a detailed account of all this activity.

JIM CUNNINGHAM

I was finishing my notes on this Tuesday morning when a good friend rang to tell me the sad news of the death of my long-time friend, Jim Cunningham of Tallow. A father-figure in the G.A.A. in the county all his life, Jim filled many roles as a player, selector, administrator and later years, an advisor in many respects. In next week's issue, I hope to say something more about the life and times of this outstanding Tallow and Waterfordman.

HURLING TRIAL

What was a very satisfactory County hurling trial took place at Ardmore grounds on Sunday afternoon. The trial was a match between the players of the existing panel and a team chosen by the selectors consisting of players who had shown good promise in club championships. Those who had not been included on the panel up to this, the game was very well organised and well publicised and many supporters who had planned to see it were disappointed that because of ground conditions it had to be switched to Ardmore. The venue here was in excellent condition and with the splendid co-operation of the Ardmore club everything was in readiness for the trial. The trial, itself, was a most satisfactory exercise with 37 of the 38 selected players, making themselves available. The standard and enthusiasm of the players and their eagerness to impress, clearly exposed the great interest in hurling in the County at the moment, and it must augur well for our future. The score at the end showed that the sides were very even with the Whites scoring 3-14, and the Blues 4-11. It should be made clear, however, that both teams included players from the regular County team. John Moore refereed.

FOOTBALL TRIAL

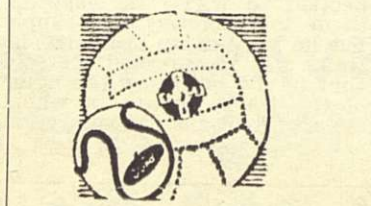

On the same afternoon, the senior football team played a challenge against the under 21 County team in the Abbeyside grounds and here too there was a very satisfactory turnout. Liam O'Connor, Pat Curran and Dan Casey who had to be in Ardmore were the only absences. It was nice to see both sides giving it their all and showing such commendable enthusiasm. It was the second week in succession that the sides had met at Abbeyside and on this occasion the under 21's showed remarkable improvement, and particularly in the second half when they scored four or five good points on the trot. The seniors just got the verdict in a game that was well handled by Liam Farley, minor football County selector who came to observe. The senior footballers play Longford at Dungarvan in round five of the league in two weeks time and the under 21 team are preparing for their championship match against Limerick in March.

KILROSSANTY A.G.M.

Defeated County senior football champions, Kilrossanty will hold their annual general meeting at their clubhouse in

LEAMYBRIEN AT 7.30 P.M.

on this Friday evening and the club's very active P.R.O., Jimmy Doocey, tells me that they expect a very big attendance with some very lively debate. The chief topics for discussion will be the defeat by Stradbally in the semi-final replay of the championship and the partial success of their minor football side who won their first West-ern final, when beating Abbeyside, but lost to Saviours at the final hurdle. Having reached the final of the Phelan Cup (in which they will play Ferrybank, shortly), it was, for them a very active season. Their grounds were improved during the year and were made available to both Boards for championship and league games. I believe that 1988 will see Kilrossanty taking their hurling more seriously and an all-out effort to win back their senior title and to go the full distance in minor football.

KILGOBINET CLUB'S A.G.M.

On Tuesday night next, Kilgobinet club members will assemble at Coolmasnear for the centenary meeting at 7.30 p.m. and happily they will be in a position to review a satisfactory season on the playing fields they having taken the Western junior football title and completed their first season in the intermediate hurling grade and in which they also gave a very satisfactory account of themselves.

ABBEYSIDE SCOUT NOTES

The Cub sections are busy at the moment preparing for the first Regional Cub Quiz which is to be held in the future. Sean Whelan, we believe is the official trainer. We hear in the grapevine there could be a concert held during 1988. I suppose all the experience gained last year at the Opera House and National Scout Show should produce a good quality concert.

TROOP MEETING

Last Saturday night saw our first uniformed meeting. We began as usual with the scout prayer. While the subs were being collected, Michael Cosgrave carried out a stringent uniform inspection where all the new patrols were eager to impress. The results were as follows: Ireland Patrol (P.L. Gerard Muller) 25; Eire Patrol (A.P.L. Michael Verling) 30; Italian Patrol (P.L. Michael Sheehan) 40; and the joint winners, the Austrian Patrol (P.L. Claran Walsh) and the Swiss Patrol (P.L. Alan Beatty) 45 marks.

A couple of enjoyable games of wheelbarrow were then played with many humorous incidents. The funniest duo's were Daniel Holland and Robert Curran and Cian O'Donovan and Martin Whelan. Our January drill competition took place after a general run of the orders to warm up everyone, just in case they forget their left turn and right turn. After a very good close competition it was the December winner Claran Walsh with his tremendous powers of concentration who triumphed again.

PATROL MEETINGS

The chat at Saturday night's newdesk about test-work meant the Den was a hive of activity on Sunday morning with many tests being passed. Anthony Carroll passed family living. Daniel Holland passed sign, salute and handshake. Mark Shepherd and Aidan Mulroney passed and camperaft. Barry Cliffe and Raymond Crowley passed part of cyclist merit badge. John Paul Cosgrave passed our country, while the busiest scout of all was William Fennell who passed the compass test. Dochas Linn Naomh Padraig and firefighting. Many other tests were passed as all patrols went into testwork overdrive.

GENERAL

The Abbeyside work crew attended the annual training session in Mount Melleray scout Centre. Richard was picking up the tips in the kitchen area, while Brian received lots of information in the Wardens section. Over the next few weeks we will be giving you lots of information on our Adventurers Trip which will be held on Sunday, February 28. The big news is that there will be lots of changes in comparison with last year's event, which incidentally was a huge success. Tuesday night games will be back in action next week, there is also talk of a new Badminton League. We wonder in this new situation will Ray and Joe hold their top seed positions.

HAVING LISTENED TO CLUB CHAIRMAN

James Walsh giving part of the story of their founding way back in 1888, at last week's convention, I know the club will have plenty to talk about.

JUVENILE AFFAIRS

What impressed me very much about last week's County Board na nOg convention was the amount of intelligent discussion on such matters as coaching and organisation of games at juvenile level. If nothing else, it gave notice that among the clubs who were represented by the sixty delegates present, there is tremendous interest in the games in the county.

The Bord chairman, John Moore having emphasised the importance of coaching, spoke very sincerely about the role of the schools and the need for greater co-operation by the local clubs in helping the schools in their areas. The County hurling officer, Rev. Fr. Fitzgerald spoke about the immense amount of good it would do if there was a breakthrough at minor level and he said that this should be possible if we put our shoulders to the wheel and implement the programme of coaching outlined for Waterford by the Munster Council.

Jim Greene, Youth Officer, spoke about the importance of the Tony Forrester Tournament and its value to Waterford. Peter Power, St. Patrick's club, spoke about the need for a better response from some clubs in the preparation of our under 14, 15 and 16 hurling teams. Peter is a selector and told about the progress being made in this area. Jim Henehan, Lismore, Rev. Bro. Dormer, Tom Cunningham, Stradbally Tommy Hennessey, Kill and many other speakers

also contributed to the lively discussions. On the matter of finance, it was agreed that the Bord should produce a programme for the Galway national hurling league game and run a 'golden goal' competition for the same game. The County Board chairman, James Tobin informed the meeting that permission would be granted for such fundraising.

At the conclusion of the meeting it was proposed and agreed that a public relations officer would be appointed for the Bord at their meeting on February 1st. Nominations for the post should be sent to the secretary, John Jackson.

Letters To The Editor

THE CASE OF MARTINA SHANAHAN

Dear Sir, Please allow me to inform your readers of the circumstances in which one particular Irish person is being held at the moment in a British jail. Martina Shanahan who is 22 and from Dublin was arrested last September while sitting on a wall with two others near the residence of Britain's Tom King. She has since then been held in Risley Remand Centre in the West Midlands.

On several occasions since her arrest, Martina and the others have been in court but are constantly being remanded in custody. Before and after each court appearance she is strip searched. This involves a number of warders forcing her to remove her clothing and then inspecting her body.

The most disturbing aspect of all of Martina's conditions, is that she is kept locked in a cell for 23 hours a day given only one hour's exercise and kept in total isolation from all other prisoners. For a period before Christmas she was locked up for 24 hours a day for seventeen days. Imagine keeping even an animal in these conditions! The only people to whom Martina is allowed speak, apart from her solicitor, are members of her family when they can travel from Ireland to see her.

Bear in mind that this is all happening to someone who, in the eyes of British justice, is "innocent until proven guilty." Of course we all know the reality of British justice - we need look no further than the Birmingham six, the Guildford four and the Maguire's. It begs the question - For whom is Charles Haughey's "special relationship" with Britain working? - Certainly not for Irish citizens being held in British jails.

Yours etc, BEN DUGGAN Portlaoise, Co. Waterford, 14/1/1988.

HANDS ARE PRECIOUS

Dear Sir, We all use our hands daily for many things from praying to writing to gardening - all simple actions which we take so much for granted. For some of the world's 15 million leprosy sufferers such a simple action as lifting a pen is impossible. It is a tragedy that through lack of money 12 million people are not even receiving treatment for this disease. Faces, eyes and limbs can be saved from unnecessary damage. It costs just £12 to cure this disfiguring and disabling disease.

Sunday, January 31, 1988 has been designated World Leprosy Day and I write to ask your readers to remember the plight of these people in their thoughts and prayers. Donations can be sent to the address below to help LEPRO provide treatment and ensure that in the future no one is left unable even to clasp their hands in prayer. Yours sincerely, BRENDA CLINGEN (Mrs.) Regional Organiser LEPRO, 35 Lisburn Road, Belfast, BT9 7AA, January 1988.

ABBEYSIDE/BALLINACOURTY G.A.A. NOTES

PAIRS NAOMH ABHAISTIN

Arising out of a decision taken at our club AGM, our club grounds will be officially opened this year on a date to be decided by the club executive committee. The grounds will be officially named St. Augustine's Park which is a carry-over from our former ground at Cliffes.

CLUB DRAW AN OUTSTANDING SUCCESS

The final draw of our £1 a week, 20 week draw was held on January 9 recently. This was, without doubt, one of the most successful draws of its kind that we have held since major fund raising efforts began. This was due in no small way to the level of support we received from our by now widely recognised and greatly appreciated pool of friends and supporters.

The draw organising committee, headed by Noel Fleming Lenore Byrne, Ml. Hanrahan, Ml. Feehan and Seamus O'Brien and including weekly MC Danny Lenihan, were all hugely impressed with the level of support we received with the level of commitment of our team of draw promoters.

All of our promoters will meet at the club pavilion on this Thursday night, January 21 at 8.30 p.m.

SUNDAY NIGHT BONANZA

Our regular Sunday night specials continue each week at Lawlor's Hotel. These bonanza nights have built up steadily over the months and now Sunday nights just would not be the same without meeting up with our "friends of the numbers."

We have four teams working on a rota system and last Sunday night's team was led by club chairman Greg Flives, ably assisted by Anne French, John Burns, Emma Flynn, Marie Burns, Paddy Coyne, Tom Treacy and Seamus O'Brien. Next Sunday night's team will be managed by Patrick Moore. That team is Joe and Mary Flynn, Johnny and Marie Burns and Joe O'Riordan. Our other two floor managers are Paddy Coyne and Noel Fleming. We will have details of their teams on their weeks of duty.

SYMPATHY

Our sincere sympathy is extended to Matthew Hogan and to the Hogan family of Clonea Upper on their recent sad bereavement.

JUVENILE MEETING

Our juvenile AGM will be held on Wednesday night, January 27 at 8 p.m. at the club pavilion.

SYMPATHY

We extend our sincere sympathy to Mrs. Landers and family, Ballinroad on the sad death of Mr. John Landers. The Landers family have had a long association with our club and young Aidan, Alan and Brendan Landers continue that association. Ar dheis De go raibh a anam.

CLUB MEMBERSHIP

The club membership books are now open for 1988. Each week the list of club members will be notified at the meeting of the club executive and it is hoped to have the entire membership books finalised and closed by May. Our membership secretary/officer for 1988 is Marie Burns, so if you have not already paid up and secured your membership, please do so immediately by contacting Marie.

Membership fees are as follows - Player £10. Non-player £5. Non-player and wife £7.50. Single membership £5. Student and unemployed players £5. Minor membership £2.

SCOR NA NOG

We have another County Scor championship after last Saturday night's 1988. Each day night's Scor na nOg County finals held in Kill County Centre, Helena Byrne, our Recitation entrant, performed extremely well to come through to go on to the Munster semi-finals.

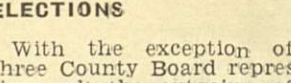

BEEF PRODUCTION SEMINAR FOR DUNGARVAN

A seminar on "Beef Production from the Dairy Herd" will take place on Wednesday, February 10, at the ACOT Centre, Dungarvan at 8 p.m. It is being organised by Waterford Co-op as part of its programme for helping farmers faced with quota restrictions to find viable alternatives.

Expansion into beef production is a logical and profitable alternative enterprise on many dairy farms and the speakers at the seminar will cover the various aspects involved, with special emphasis on superlevy situations. Speakers will be drawn from ACOT, the Agricultural Institute, University College Dublin and Waterford Co-op.

Touraneena Notes

G.A.A. NOTES At a recent meeting of the club a vote of sympathy was passed to any members who suffered bereavements during the past few months. Best wishes were also extended to one of our longest-serving members, Rosemary Lonergan, and her husband David, who have emigrated to Australia. We hope that they will eventually come back to us and they will always be assured of their place in the club. Best of luck to them both.

ELECTIONS

With the exception of the three County Board representatives, all the outgoing officers were re-elected. The incoming secretary's report and having thanked both officers for their work and diligence in attending to their duties, the Western Board chairman, Denis McGrath, proceeded to give his address, which was outstanding and the best that he has given since taking office four years ago. The report is published elsewhere.

MOTIONS

The first motion, standing in the name of Ballinwillin, was moved by Ollie Wilkinson and was given good support for the introduction of an extra J.F. championship. It will go before the County convention. Tom Hogan, Seana Phobal, moved the second motion which pertained to the re-arrangement of the junior football championship. Michael Byrne, Affane, opposed, but since it will go to a meeting of an open Board in February, no vote was taken.

Eamon Martin, for the Brickeys moved the third and final motion which sought to have the divisional intermediate football championships run in just one group with each team playing every other team. Both Nocias Mac Craith and Denis McCarthy, Affane, opposed very strongly, but on a show of hands it was clear that there was support for the idea which will be decided by the Western Board at an open meeting in February.

Stradbally club applied for the 1989 convention and an An Rinn asked to have the 1990 convention held in the gael-tions. The Chairman assured both clubs that consideration would be given to both applications by the Officer Board. At the conclusion of the meeting, tea and sandwiches were supplied to all delegates and the convention closed with the singing of the national anthem of the Kilgobinet club.

COUNTY CONVENTION

Within the next few days all clubs will receive a copy of the convention agenda and reports and will be notified that the starting time has been put back to 6.45 p.m. in order to facilitate delegates travelling to Portlaoise. The Scor committee are very disappointed that the date of the convention, Sat. Jan. 30, is coinciding with the Munster Scor semi-final involving Tipperary, Clare and Waterford which will be held at Tipperary Town on the same evening. The same situation has obtained in a number of cases in the past

# Convicted Of Stealing Urban Council's Water Supply

The campaign mounted by NATO (National Association of Tenants' Organisation) and backed by the Workers' Party against the payment of water charges which has been a matter of much controversy in Dungarvan in recent times took a new turn last week. At Dungarvan Court, Kenneth Fowler and his wife Ann of 13, Byrneville, Dungarvan were charged on four separate counts of fraudulently abstracting water, the property of Dungarvan Urban Council, while Henry and Charlotte Walsh, 3 Childers Estate, Dungarvan were similarly charged on one count.

The prosecutions were brought by the Urban Council who was represented by Mr. J. Curran, Solr. (Lamigan & Curran) and Mr. G. McCullagh, Solr. (Murphy & McCullagh) appeared for the four defendants.

The charges against Mr. and Mrs. Fowler were dealt with first.

Mr. Denis McCarthy, Dungarvan Town Engineer in evidence submitted orders made by the Co. Manager directing that the water supply to the Fowlers and the Walshs be disconnected for non-payment of their water charges in respect of 1986. He said that on receipt of the orders he instructed the town plumber to carry out the disconnections.

Billy Goode, Town Plumber, in evidence stated that he carried out the disconnection at 13 Byrneville as instructed on October 21, 1987 but when he returned the following day he found the supply had been reconnected with a piece of pipe and water was going into the house. After fitting a new unit he again disconnected the water on October 30 but on November 2 he found that the water had again been reconnected to the house. Once again

he disconnected the supply but when he returned the next day, November 3, he found that it was reconnected and water was again running into the house. He had to again disconnect the supply and when he returned two days later on November 5 he found it reconnected again and also found that some liquid substance had been poured on the unit with the result that he could not open the box to again disconnect the supply. He then reported this to the Town Engineer and the Town Foreman. Cross-examined by Mr. McCullagh witness agreed that at no stage had he seen anyone tampering with the unit.

John Morrissey, Town Foreman, in evidence stated that, on November 5 he went to Byrneville where he found the fitting filled with some kind of substance as a result of which it couldn't be opened and had to be forced. When it was opened he found that a reconnection had been made and water was running into No. 13 Byrneville. This concluded the Urban Council's case and at this stage Mr. McCullagh sought a directed verdict on the grounds that the prosecution had not produced any evidence that the defendants were responsible for what had been done.

District Justice W. F. O'Connell refused the application holding that there was a case to be met as after each reconnection the water supply in question was going exclusively to No. 13 Byrneville.

Kenneth Fowler then gave evidence and said that he was the occupier of No. 13 Byrneville. On the day the water was first disconnected he was informed of the fact by the Town Foreman only that morning. He received no official written notification. He was a member of NATO and when the water was disconnected he reported the matter to the NATO committee as he had been instructed to do in the case of a disconnection. He understood that someone would then come around and reconnect the supply. He added that he did not take any part in any of the reconnections at any time.

Cross-examined by Mr. Curran, witness admitted that he did not pay the water charge for 1986 to the Urban Council. When he reported the disconnection to NATO he expected them to reconnect the supply but he left this up to them. The water was reconnected. He said that he did not know the name of the NATO person to whom he reported the disconnection

but knew where he lived. Asked where this was, witness made no reply.

District Justice O'Connell then stated that it was clear on the defendant's own admission that he had obtained water for which he had not paid and as that was fraudulent he would convict the defendants. Recalled the Town Engineer, Mr. McCarthy, told the Court that between wages and materials the reconnections had cost the Council £193.45.

The District Justice then imposed the statutory fine of £2 on each of the four counts with £25 costs on each in the case of Kenneth Fowler and ordered him to pay £100 expenses. In the case of Ann Fowler he imposed a fine of £2 with £10 costs on each of the four counts. He allowed both one month to pay or in default one month in prison.

**BY-PASS PIPE**  
Henry and Charlotte Walsh were charged in respect of a reconnection on November 6, 1987 and in this Mr. McCullagh said that he would be offering no evidence as the same was similar to the previous one.

Evidence was given by Town Plumber Billy Goode that as instructed he disconnected the water supply to No. 3 Childers Estate and when he returned on November 6 he found that the unit had been tampered with and the supply had been reconnected by the use of a by-pass length of pipe. He said that while he was there Mrs. Walsh came out and demanded this pipe back as being her property.

Mr. McCarthy, Town Engineer, told the court that the cost of the reconnections to the Council in this case was £99.39. District Justice O'Connell convicted both defendants as charged. He imposed a fine of £2 with £25 costs and £50 expenses on Henry Walsh and a fine of £2 with £10 costs on Charlotte Walsh. He made a similar order in regard to the payments as in the previous case.

He fixed recognisances in all cases in the event of an appeal.

### CHARGES WITHDRAWN AND STRUCK OUT

Charges of malicious damage to Urban Council property were withdrawn against nine Dungarvan men who at the November sitting of the Court had opted for trial by judge and jury.

Among the nine was Workers Party member on the Urban Council, Anthony (Tony) Wright, Mitchell Terrace and a senior officer of the Dungarvan Branch of the Party, Eamon O'Mairtin. The others were Christy Power, Terence Moroney, Tom Dwyer, Thomas O'Mahony, all of Childers Estate, Patrick McGrath, Mary Street, Eamonn Lambdon, Springfield and James Farrell, 12 Byrneville.

All were charged that, on November 5 at Drumhill Drive, Childers Estate, they wilfully and maliciously committed damage to a water supply network and footpath the property of Dungarvan U.D.C. to the amount of £100.

Supt. M. English stated that after consultation with the law officers, the Director of Public Prosecutions had instructed the State to withdraw the charge against all the defendants. He accordingly requested that the Court strike out the charge against each of the defendants named.

District Justice O'Connell accordingly struck out the charges as requested.

## REMEMBERING OTHER DAYS

The photo for our "Remembering Other Days" should prove quite topical for this week-end as the annual Dungarvan Harriers Point-to-Point Race Meeting is due to be held on Sunday next. The photo recalls the preparation for a similar meeting in the late 1950's held on Mondays and shows a group of landowners and Point-to-Point Committee Officers as they checked over the course at Klossera with Mr. Bill Magner, the Course Inspector in preparation for the races in that year. Included are (l. to r.) Ger Sheehan, Michael Vincent (Vinnie) Morrissey, Tom Foley, Michael Morrissey, Matty Kiely (all landowners); Tom Fleming, Hon. Sec., Joe Power, Chairman, and Course Inspector Bill Magner. In front are Vincent Morrissey and Michael O'Brien (holding the measuring machine).

## ABBESIDE/BALLINACOURTY G.A.A. NOTES

**CLUB A.G.M.**  
Our club annual general meeting, held at the club pavilion recently, was without question one of the biggest in recent times with in excess of 60 members in attendance.

The workings of the past year were carefully examined and constructively commented upon in the course of the meeting. All aspects of club activity were clearly and extensively reported to the membership who afforded the various reports due credit and indeed criticism where it was deemed appropriate. Quite frankly, such was the mood and involvement of the members that one quite clearly recognised that every comment, whether complimentary or critical, was a comment on the club and its future.

Club Chairman, Greg Fives, in his address to the meeting, lauded the level of commitment of the members of the club committee and the various sub-committees. It was, he said, a tremendous source of encouragement to him to have such a large number of people working within the club structure.

Club Secretary, Noel Fleming, gave a comprehensive, detailed report on activity within the club over the year and was particularly loud in his praise of those responsible for organising our recently completed "development fund raising" effort. This effort ensured that the outstanding debt on our club grounds and facilities has been paid. The financing of our club development programme has been ongoing since 1979/80 and has encompassed quite a variety of fund-raising efforts and personnel.

Club Treasurer, Tom Treacy, in his report, showed the club finances on day-to-day operations to be in a satisfactory state. Operating within a very tight budget the treasurer has managed the "purse strings" most efficiently.

Following a report from the finance committee it was decided to include the final details of this section at the general meeting of the finance sub-committee in mid season '88. The election of officers resulted as follows: Club President Paddy Daly, Ballinacourty; Vice-dos, Rev. Fr. Ahearne and Rev. Fr. Colin Fives; Chairman, Greg Fives; The Burgery, Vice-dos, Patrick Moore, Ballinacourty; Secretary, Noel Fleming, New Line; Asst. do., Seamus O'Brien, Murphy Place; Treasurer, Tom

Treacy, Ballinacourty; Membership Secretary, Marie Burns, Pinewood Estate; Committee members: John Foley, Mary Fitzgerald, Ann French, Johnny Burns, Anne Kelleher, Daniel Dineen, Joe Sheehan, Laurence Power.

### BEST WISHES

Our sincere best wishes to Martin Collins of Knockteemore and to Paddy Shields of Murphy Place, both of whom are recovering from recent illnesses. We wish a speedy recovery to both these loyal clubmen.

### PADDY DALY — ESTEEMED CLUB PRESIDENT

At our AGM recently, Paddy Daly of Ballinacourty was elected Club President to succeed the late Mrs. Biddy Flynn who had held the position for many years, serving the club with distinction. The choice of Paddy Daly is indeed a most popular and fitting one. Paddy was and is, very much at the heart of all that is Abbesside/Ballinacourty. A former county player, he was a major driving force behind the then Ballinacourty Club and was later a major driving force behind the amalgamation of Abbesside-Ballinacourty in 1987. A highly respected person, Paddy Daly brings with him his own style to the position and he continues the long line of very distinguished people to hold the position of club president.

### JUVENILE GENERAL MEETING

Don't forget our juvenile general meeting will be held on the last Wednesday of January (27th) at the club pavilion at 8 p.m. sharp.

## PUBLICANS CONVICTED FOR AFTER HOURS OFFENCES

After clearing a Touraneena public house at 12.20 a.m., gardai returned less than half an hour later and found people again on the premises. District Justice W. F. O'Connell was told at Dungarvan Court.

Mrs. Mary Dunford, Touraneena Village, was charged with breaches of the licensing laws at 12.20 a.m. and at 12.45 a.m. on October 18 last.

Sgt. Noel Harty said the pub was packed and there was a sing-song in progress when he inspected it at 12.20 a.m. Having cleared the premises he left, but he and colleagues returned at 12.45 a.m. and found five people in the pub with a large crowd still gathered outside.

Mrs. Dunford said on the second occasion the five people had come back into the pub simply to remove drink which they were taking to a private house.

District Justice O'Connell convicted the publican on the first charge and fined her £20, but dismissed the second charge "with some reluctance." He told her however that her licence is now very much at risk. "You will have to have more control over the management of your premises," the Justice added.

### TROUBLESOME GROUP

A second publican, Brian Barton, the Pike, Killin in Dungarvan, was fined £10 for a breach of the licensing laws at 1.05 a.m. on September 13 last. He had pleaded not guilty, claiming that he had been unable to get one troublesome group to leave.

However the garda evidence was that they found between 70 and 80 people in the pub when they inspected it.

Supt. M. English prosecuted and Mr. J. P. Gordon, Solr., defended in both cases.

### CHAIRMAN'S ADDRESS TO CONVENTION

## Western Division Leads The Way

Western Board Chairman, Denis McGrath told a full attendance of 144 delegates at last Thursday night's GAA Convention in Bohadon, hosted by the Kilgobbin Club, that by any standards, 1987 had been a great year for hurling in the division, having won all but one of the county championships, organised by the county committee. The roll of honour is, he said, well worth recalling: Sineadh—Eada Bhuidh, Idir Meadhach—Tulach an Iarainn, Soisr A—An tSraid Baile, Soisr B—An Rinn, Fe 21—Dungarban, Monur A—Lios Mor.

In football too, he said, they supplied the county senior champions — An tSraid Baile, and the Under 21 champions, Dungarban. In congratulating all concerned, together with county finalists who failed at the last hurdle, he said he believed that the Western division had contributed to the revival of gaelic games in the county. Waterford hurlers were now people, indeed some have been rightly honoured for so doing. Some of these served on the local Urban Council while some admirable stalwarts like Dec Goode and Ritchie Walsh still do. I have long since admired the unselfish manner these two have served the town and people of Dungarvan.

### NOT EXCLUSIVE

Continuing, he said: "In passing, could I comment on some difficulties which our fixtures committee experienced in the area of players being required for county duty and club fixtures having to be altered. This problem is not exclusive to this county or this division—it has been mentioned at other conventions especially in Cork. We tried as far as possible to cooperate and I believe we managed to maintain a good relationship with the various team managements. This is, of course, as it should be. At the end of the day we must work together for the betterment of the CLCG in Portlaoire."

### CLOSE TO THE RED

Referring to the finances of the Board, the Chairman said that from a healthy credit situation of a few years ago, they now found themselves perilously close to the "red." They were in a situation where rate receipts were not enough to pay the bills. The most obvious reason for this, he said, was the alarming drop in attendances, especially at the earlier stages of the championships. They had debated the reasons for this many times and the consensus would seem to be that in order to lure the supporters back they must have "knock-out" championships. Personally, he said he was not so sure that spectators in the numbers of a few years ago would ever be seen at their games again. Their clubs wanted and still want league-style championships, even though the earlier stages could no longer be regarded as a spectator sport. For these reasons they must, he said, look to other sources of finance.

### UNSAVOURY INCIDENTS

The most obvious source would, he said, seem to be sponsorship. There was no reason why they should not seek assistance from commercial interests within the division, who might be willing or indeed eager to sponsor a championship or other competition.

In the matter of discipline on the field, the Chairman said that 1987 showed some improvement on previous years, although there were a number of unsavoury incidents, including abuse of referees and linesmen

by players and officials. A disturbing sequel to such behaviour was, he said, that at meetings at which reports were being debated, referees reports were questioned and disagreed with. Happily though he said, with the co-operation of officers and delegates, the appropriate penalties were imposed in all cases.

Delegates should bear in mind that a referee's report has to be accepted as factual. If the day comes, he said, when people were empowered to reject a referee's report, nothing but anarchy would prevail. While dealing with this subject, he said he would like to thank most sincerely their loyal band

of referees who acted at so many games and did so impartially at all times.

### GREAT STRIDES

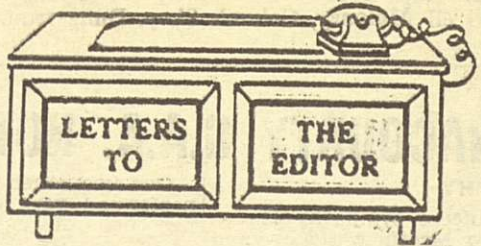

Having dealt with the problems created by emigration and the high cost of insurance, the Chairman said: "On the positive side, many of our units have made great strides in the area of club development during the year. Fields were prepared and maintained in great order, right through the playing season. The Board had to use almost every club pitch available in order to complete the huge schedule of games. Here we met with excellent co-operation and goodwill. Clubs accepted games at very short

notice without any complaint whatsoever."

The Chairman however expressed grave concern when he referred to the continuing deterioration of Dungarvan's Fraher Field, which he termed a splendid ground. There were, he said, concrete plans for development, but for a variety of reasons there was great difficulty in turning the plans to concrete. He knew, he said, that every Board official, every delegate and every thinking GAA person would dearly love to see this historic venue restored to its former splendour and he was confident that 1988 would at least see a start being made in this urgently needed development.

Having thanked the Officers of the Board and the local papers for their help during the year, the Chairman in conclusion said that having completed a successful year, they must now look forward with confidence to 1988. Every club official must have an inspiration of at least doing well in whatever championship he is interested in. To become champions, he said, takes preparation and dedication. At the end of the day, some clubs would have obtained the coveted trophies, most would be disappointed, but he knew, he said, everybody would be out there, trying as they did in every other year.

He also expressed the wish to see a Waterford team in Croke Park on All-Ireland final day. "It is forty years ago," the Chairman said, "to this year since we won our first senior final. This rubby anniversary might inspire the lads who will wear our colours this year to one mighty effort for the honour and glory of the Deise."

### TRIBUTE TO TOM TOBIN

Dear Editor,  
I do hope you can find space in your esteemed paper to publish the following tribute which in my opinion is long overdue.

Many people throughout the years have made great contributions to the political and social welfare of Dungarvan and its people, indeed some have been rightly honoured for so doing. Some of these served on the local Urban Council while some admirable stalwarts like Dec Goode and Ritchie Walsh still do. I have long since admired the unselfish manner these two have served the town and people of Dungarvan.

One other person comes to

mind who has equally served Dungarvan and its people, but in a different way. I refer to none other than "Thomas Tobin." A man after my own heart, who with pen and camera has done more to publicise the town of Dungarvan and its people than any other person I know. Thomas has always had a great love for Dungarvan and its people, and in his long journalistic career has taken every opportunity to write about them. I can hardly recall how many newspapers and how many times I have read articles about Dungarvan, written by Thomas and never a word in anger. Indeed, Mr. Editor, many were written in your own newspaper the "Dungarvan Leader."

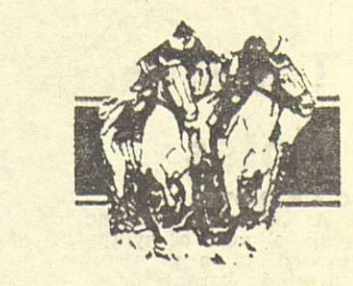

For many years now you have been running an excellent photo series "Remembering Other Days"—not only an excellent series but a highly popular one especially among us older readers. Most of those published were from the excellent camera work of Thomas Tobin—not only did Thomas present some of his valuable work to the Dungarvan Museum in 1987, but a few years back presented some others to the Abbesside Scouts. Not in modern time has Dungarvan been blessed with such a valuable collection of photographs relating to Dungarvan and its people. I know as a serious collector of topographical "picture postcards," that it is easier to collect cards on Waterford, Tralee, Clonmel, Kilkenny, etc., than it is to collect pictures on Dungarvan. There are some—not many and some of those were published by Thomas Tobin. For some reason, Dungarvan was left out of the "picture post card" league, compared to other lesser well known towns in Ireland. All the more reason therefore that Tom's collection of "Dungarvan Photographs" is a unique and precious in the history of Dungarvan. Tom's contribution in this way is worthy of public recognition and in my humble opinion long overdue.

Yours truly,

## RACING DUNGARVAN WINNER AT GOWRAN PARK

Dungarvan businessman, Mr. Tom Coffey, had his colours in the winners enclosure at Gowran Park last Thursday when his horse "The Pugot" won Division 1 of the Gowran Maiden Hurdle.

Trained by Michael J. McGrath at Cappagh and ridden by his son Donie "The Pugot" was returned at 8/1. "Young Bavard" ridden by Frank Berry started 6/4 favourite and looked a winner after jumping the last in front. But Donie McGrath with a strong late effort got "The Pugot" up close to the finish to win by 1 1/2 lengths.

**MASKED RAIDERS STRIKE AT PIKE BAR**

Barton's public house at the Pike, Dungarvan (formerly Hayes's Seaview Lounge) was the target for a strike by a group of masked raiders in the early hours of last Sunday morning.

When the publican Brian Barton went outside his premises at about 1.30 a.m. he was set upon by five armed men, all wearing balaclavas. Friends of the Bartons, Ned Barron and his wife, were also set upon when they went out after hearing Mr. Barton's shouts for help and all three were then bundled into a bottle store.

The gang then entered the premises and went upstairs where they forced Mrs. Mena Barton and the Barton's 4-year-old daughter Sara to get out of bed and brought them downstairs to the livingroom. Mr. and Mrs. Barton, Mr. and Mrs. Barron and another friend Mrs. Anna Darcy were then handcuffed and the gang members then proceeded to ransack the premises.

They attacked the cash till which was stated to have held almost £900 but they threatened the Bartons that unless they got all the cash on the spot it would be the worse for them. They then found the safe from which it is stated they took a sum in the region of £15,000. A couple of shotguns were also stated to have been taken.

Before the gang left they chained the five adults but said that the gardai would be phoned in an hour informing them of the raid. However Mr. Barton managed to free himself at about 3.15 a.m. and he then phoned the gardai station in Dungarvan. There was an immediate response to the alert as Dt./Gardaí J. Molloy and O. Phelan accompanied by Sergeant M. Blake and Garda J. Twomey were at the scene within a few minutes.

Gardaí under Supt. M. English are continuing their investigations in the matter.

**TALLOW AND ROUNDABOUT NOTES**

**SQUASH NOTES**  
**Club Championship**—The month of January is club championship time, and at the moment we are in the thick of it. First and second round matches have now been played over the last two weeks and we are now reaching the quarter final stages. In this the most important competition of the year. This year again the championship singles is divided into six divisions. Division one for the top men of the club; divisions two and three men on a handicap basis; and then we have two divisions for the ladies; and finally a special division for the youth of the club.

Already some names appear on the quarter final sections, and it's good to see Paul Hampton making a welcome return to the winning enclosure; also Tom O'Grady who had an exciting win over Mike O'Neill, reversing the results of the week before. Owen O'Grady, Dessie Herlihy Paul Condon and Sheila Tobin also won their matches.

The finals of all sections of the championships will be held on Saturday, 30th January and a social evening will be held afterwards, where all the eats will get a sudden death, followed by the presentation of prizes.

It is great to report that over 100 members will play in the club championship, which is sponsored by Castleyons Co-op and I have heard a whisper that all six winners will receive a Donny Graphite Racquet so the best of luck to you all.

**A.G.M.**—The club's annual general meeting will be held on the 5th of February. This is a new idea from the committee and the thinking behind it is that each year a new committee has been elected in October, and they have no chance to organise sponsors, competitions, coaching etc. because the season is then in full swing. Now if it is held in February, the new committee will be able to organise over the closed months of summer and have a planned and prepared programme for all the members at the start of the new season. The date again—5th of Feb.

**Ti Bits**—A team of ten ladies from Youghal Squash Club will visit the club next week to play a friendly with our girls and then have a social evening afterwards; and a team of eight men from Dungarvan Crystal will visit the club also next week to play eight non-league players from the Tallow Club. We'll go to club chairman Martin Allen for arranging same.

**Club Social**—This year instead of having the end of the season disco as we have done over the last few years, it has been decided to have a Club Social. Full details of venue, music, transport, etc. will be given next week. A social list has already been put up on the notice board and at the moment 120 names have been entered. So this looks like the night of the year. More details next week. ("Hand Out")

**BRIDE VIEW UNITED A.F.C. NOTES**  
Dungarvan Tyr. Centre Cup: Bride View Utd. 2; Ballysaggart 1. United advanced to the second round of the cup when they defeated Ballysaggart on Sunday morning last in what was a poor game. United started well and were unlucky in the 6th minute when Gerard Hogan hit Philly Curley, though but Curley shot wide. From close range Curley made amends in the 17th minute when he scored from close range to put us in front. United piled on the pressure but their forwards failed to put away the chances that came our way and we had to wait until the 35th minute to score our second goal. Pascal Prescod put Stephen Curley through and Curley made no mistake from close range.

Ballysaggart were a different side in the second half and Pa Bennett put them back in the game when he scored in the 53rd minute. Ballysaggart piled on the pressure but United's defence held firm and we should have stretched our lead but again our forwards failed to convert the chances that came to us.

United now advance to round two and an away game to Grange.

Our man of the match—Tommas McCarthy.

United—K. Tobin, G. Sice, P. Prescod, L. Moroney, P. Sheehan, G. Hogan, Paul Curley, T. McCarthy, S. Curley, Philly Curley and David Henley. Res. K. Murphy for P. Sheehan (injured), S. Lyons for D. Henley (injured); M. Sutherland.

Pat Lane treasurer, gave a detailed account of expenses during a hectic season, including equipment, injuries, which were not too serious, and many other items, and despite all their outgoings they still had a couple of pounds to spare.

Behind the SPOTLIGHT

(Continued from Page 1)

mers, Kilossera Open and Dungarvan Harriers (Confined).

Winner of the Confined Maiden Hunt race was Mr. Joe Power's Springmount Grey ridden by the owner with Mr. T. C. (Cyp) Williams' Rosella 11 ridden by Mr. Jimmy Hayes and Mr. Joe Kenny's Faugh-a-Ballagh ridden by Mr. M. O'Riordan in the minor placings.

It was Mr. Joe Kenny's Faugh-a-Ballagh piloted by Mr. Peenie O'Donnell which won the Harriers Confined race with Mr. Tommy Kiely's Cunnigar Boy ridden by Mr. Sean Quealy second.

That was all of 41 years ago and it must be a record of some kind, even if not one for the Guinness Book, that both Joe Power and Sean Quealy are still very active racing enthusiasts and still associated with the running of the Dungarvan Point-to-Point fixture.

FROM QUEEN VIC'S LAW BOOK

It is of interest to note that the maximum mandatory fine of £2 imposed in the water cases dealt with at Dungarvan District Court last week is set out in an act which has come down to us from the times of the notorious famine Queen — Queen Victoria.

The penalty is set out in Section 70 of the Public Health (Ireland) Act 1878 which reads: "If any person wilfully or by culpable negligence injures or suffers to be injured any meter or fittings belonging to a sanitary authority, or fraudulently alters the index to any meter, or prevents any meter from duly registering the quantity of water supplied, or fraudulently abstracts or uses water of the sanitary authority, he shall (without prejudice to any other right or remedy of the sanitary authority) be liable to a penalty not exceeding forty shillings, and the sanitary authority may in addition thereto recover the amount of any damage sustained. The existence of artificial means, under the control of the consumer, for causing any such alteration, abstraction, or use shall be evidence that the consumer has fraudulently effected the same."

In 1878 when that law was enacted, forty shillings represented a sizeable penalty. Not so to-day. It's just another case to show the need that exists for updating these old laws and for urgent law reform in general.

Also rejected after a marathon meeting were proposed measures to save another £2.14 million in the Board's general hospitals programme and in community care.

Mr. McQuillan stated that he had hoped for a "structural approach" to the cutbacks but this was not possible as a result of the Board's refusal to close the four District Hospitals referred to. Shutting down the latter would have meant only 105 job losses.

The Board which closed five hospitals last year, including Lismore District and the Waterford County and City Infirmary, and dispensed with about 400 staff has to trim its expenditure by a further £6.2 million this year.

Already it has been agreed to save £1 million on medicines, energy (heat, light, power, etc.), maintenance and supplies and increased income by £400,000.

At last Thursday's meeting it was further agreed to cuts of £1.35 million in psychiatric and central services.

The C.E.O. told the meeting that the real crisis in health care in the South East was in the acute hospitals which were now at their lowest level ever and were not realistically capable of being further reduced.

Hundreds of protestors from the areas of the threatened closures (including Dungarvan) picketed the meeting and deputations from each of the four areas were received by the Board.

Mr. Dan Hurlley, Co. Manager has made the following orders for Dungarvan Urban Council: Planning Permission — That planning permission be granted to Waterford Co-operative Society Ltd. for the retention of "Shopwell" and "Waterford Co-op" signs at Shandon.

That planning permission be granted to John O'Hara, 9 Grange Mews, Waterford on behalf of Roman King for change of use from dwellinghouse to offices and living accommodation, alterations and rear extension at 38 Lower Main Street.

That planning permission be granted to Helen Barron, Ballynacorney, Ring for change of use of ground floor for residential to retail shop at 27 O'Connell Street.

LISMORE TOWN COMMISSIONERS

A recent meeting of the Lismore Town Commissioners was attended by Mr. Ray O'Dwyer, Area Engineer. Mrs. Mary Morrissey apologised to him for the non-attendance of many members. There were in fact only three present, such a small attendance was discourteous and was a waste of public money.

There were many questions put to Mr. O'Dwyer. In reply to a question from Mona O'Connell, he said that there were plans to clear the waste ground beside the ACOT building in the near future. Also every effort would continue to be made in regard to the small in parts of the town.

Mr. Donal Brady who was also invited to attend the meeting did not attend. In reply to the invitation he said he felt it would be appropriate for him to attend meetings of Town Commissioners in any town in the county. With regard to lack of meetings of the Library Committee, he said all meetings were called by the Chairman of that committee. He understood there would be a meeting in the next few weeks.

Mrs. Mary Ryan, who had asked the question, said she considered it very rude of Mr. Brady not to accept the invitation and she did not accept his

excuse. She thanked those who turned out to welcome Donacha O Dulaing during his walk. These included Mrs. Mary Morrissey, on behalf of the Town Commissioners and members of the Hospital Committee. The walk from Cobh to Ring realised the sum of £5,500 for the Wheelchair Association.

Reprieve For Dungarvan District Hospital

The members of the South Eastern Health Board at their monthly meeting in Kilkenny last Tuesday voted by 25 votes to 8 a recommendation by the Management of the Board to close four of the seven District hospitals in the region as part of the Board's economy drive to meet their budget allocation for 1988.

One of the four proposed to be axed was Dungarvan District Hospital while the other three were located at Cloughen, Castlecomer and New Ross. The closure would have meant a saving of almost £1.1 million for the financially stricken Board.

Mr. McQuillan stated that he had hoped for a "structural approach" to the cutbacks but this was not possible as a result of the Board's refusal to close the four District Hospitals referred to. Shutting down the latter would have meant only 105 job losses.

The Board which closed five hospitals last year, including Lismore District and the Waterford County and City Infirmary, and dispensed with about 400 staff has to trim its expenditure by a further £6.2 million this year.

Already it has been agreed to save £1 million on medicines, energy (heat, light, power, etc.), maintenance and supplies and increased income by £400,000.

At last Thursday's meeting it was further agreed to cuts of £1.35 million in psychiatric and central services.

The C.E.O. told the meeting that the real crisis in health care in the South East was in the acute hospitals which were now at their lowest level ever and were not realistically capable of being further reduced.

Hundreds of protestors from the areas of the threatened closures (including Dungarvan) picketed the meeting and deputations from each of the four areas were received by the Board.

Mr. Dan Hurlley, Co. Manager has made the following orders for Dungarvan Urban Council: Planning Permission — That planning permission be granted to Waterford Co-operative Society Ltd. for the retention of "Shopwell" and "Waterford Co-op" signs at Shandon.

That planning permission be granted to John O'Hara, 9 Grange Mews, Waterford on behalf of Roman King for change of use from dwellinghouse to offices and living accommodation, alterations and rear extension at 38 Lower Main Street.

That planning permission be granted to Helen Barron, Ballynacorney, Ring for change of use of ground floor for residential to retail shop at 27 O'Connell Street.

That planning permission be granted to P. J. O'Brien, the Spring, Dungarvan for development of four sites for dwellings at Spring (Duke) Dungarvan. That planning permission be granted to Damien Dillon & Co., Grattan Square on behalf of P. and K. Barrett for extension of ground floor section of 18 Parnell (Main) Street.

That outline planning permission be granted to Mrs. Kathleen Ryan, 33 Cherbury Park Road, Lucan, Co. Dublin for two shopping units at The Arcade, Mitchell Street.

Sealing Of Documents — That the seal of the Council be affixed to the conveyance in connection with Dungarvan U.D.C. to Patrick Barrett and Kathleen Barrett, sale of Priory House.
