Convents And Cars Vandalised In Dungarvan

Damage running to more than a couple of thousand pounds was caused in Dungarvan last week end when both the Presentation and Mercy Convents were broken into and a number of parked cars were vandalised.

On Friday night/Saturday morning, February 3/4, the Primary School at the Presentation Convent was entered and six internal doors and 2 windows were shattered, and a sum of money stated to be about £200 and a camera were stolen. The damage to the school building was described as absolutely appalling.

On the same night, the Mercy Convent Secondary School was also raided by vandals and a door and a window were broken but fortunately the alarm system then activated and the break-in gang decamped before they could do any more damage.

On the night of Thursday/Friday, February 2/3 as many as eight cars parked outside their owners' residences were interfered with and had windows broken. Five of the damaged cars were the property of residents of Silversprings, two were at Comeragh Crescent and one in Kilrush. In all, damage estimated at more than £1,000 was done in these cases.

On Monday night, February 6, a car was stolen in Waterford City and was

later found abandoned at Cappagh, while on the same night, nearby Modeligo National School was broken into.

A Garda spokesman stated that Toyota Corolla cars were vehicles which appeared to be prime targets for car hijackers as no fewer than 10 of these models have been reported stolen in recent months.

GARDA APPEAL TO PUBLIC

While Garda investigations are proceeding in all these cases and a number of teenagers are being questioned in regard to the criminal acts, a Garda officer appealed for the help and co-operation of the general public in assisting them to bring the culprits responsible for the damage to justice and to put an end to these criminal activities. "We would ask anyone who sees anything suspicious" he said "to come forward and give us the information which would help us to apprehend those responsible" adding that "the co-operation of the public would go a long way towards ending this vandalism".

Thursday evening February 2, was a red letter occasion for three Dungarvan parishioners who were presented with Benemerenti Medals awarded by Pope John Paul XXIII for loyal and dedicated service to the church by his Lordship Most Rev. Dr. Michael Russell, Bishop of Waterford and Lismore. The ceremony took place during a concelebrated Mass at St. Mary's Parish Church, Dungarvan.

Pictured above after the presentation with Bishop Russell are the parishioners, Maureen Donaldson, Emmett St., Mrs. Cait O'Sullivan who received it on behalf of her late husband, Declan O'Sullivan, Mary St., and Peter O'Brien, Western Bay. Also included are Very Rev. J. O'Sullivan, Very Rev. Canon G. Power P.P., Rev. Fr. G. Hickey O.S.A., Rev. Frs. Rogers, Griffin and Carey.

EUROPEAN ELECTIONS

Fahey Succeeds In Selection Bid —Deasy Still Undecided

Waterford Deputy Jackie Fahey, Dungarvan, once again displayed his outstanding political prowess by securing one of the three nominations for the June European Parliament elections at the Fianna Fail Munster Constituency Convention held at the City Hall, Cork last Sunday.

In all, a total of 1,021 delegates from Fianna Fail Cumann from all over Munster attended the selection convention and eight candidates sought the Party's three nominations to contest the Munster 5-seater constituency.

candidates scoring as follows: Liam Crowley, Kilmorglin, Co. Kerry 504; Flan Garvey, Inagh, Co. Clare 250 and Senator Des Hanafin, Thurles 114. Senators Dan Kiely, Tarbert, Co. Kerry and Rory Kiely, Kilmallock, Co. Limerick had been eliminated in the first two counts.

Mr. Fahey's selection came as no great surprise as he had carried out an extensive canvass covering the entire constituency since he made the decision to embark on the 'Euro' trail last summer. He has been a Dail Deputy since 1965 and was Minister of State at the Department of the Environment from 1979-81.

Mr. Gene Fitzgerald

At the outset, Mr. Gene Fitzgerald, Cork, one of the two outgoing Fianna Fail M.E.P.'s (Mr. Sylvie Barrett, Clare, is not seeking re-election) and former Fianna Fail Government Minister for Labour was chosen unanimously on a show of hands and this was followed by a first ballot which Mr. Fahey won on the fourth count.

A second ballot with all remaining candidates was then held and in this, Mr. Paddy Lane, Parteen, Co. Clare, a former IFA President (1976-80), won selection on the third count with 521 votes with the other

Mr. Jackie Fahey

The replacement candidates selected by the convention were Mr. Noel Davern T.D., Clonmel, Mr. Liam Crowley and Mr. Flan Garvey.

DEASY STILL UNDECIDED

The news last week that Tom O'Donnell, Limerick, would not be seeking re-election as a Fine Gael M.E.P., came as a bombshell even to his closest friends and has created

fresh headaches for the Party to select a new replacement candidate in Munster. Added to this, the announcement within days that Mrs. Gemma Hussey, former Minister for Education in the last Coalition,

THE NIGHT OF THE BIG WIND

The January bulletin of the Irish Met Service contains the following account of the worst storm ever experienced in Ireland exactly 150 years ago:

The storm on the night of 6th-7th January, 1839 probably caused more widespread damage in Ireland than any storm in recent centuries. This night has become legendary as "The Night of the Big Wind."

Pressure had fallen rapidly in the west of Ireland on the morning of 6th. Rain and strong winds which built up to hurricane force spread eastwards over the country. Winds reached gale force on the east coast by 2100 GMT. The gale continued till the evening of 7th. The register of observations taken at Dublin (Phoenix Park) records gale force winds from 2100 GMT on 6th January to 1800 GMT on 7th January inclusive.

The 0900 GMT observa-

tion on 7th January is worth giving in full: "Pressure 28.721 inches (972.6 hPa), Temperature 40°F (4.4°C). Rainfall for past 24 hours 0.115 inches; clear, and blowing a gale. A hurricane from about two to four in the morning. Upwards of 160 trees along the pathway in the park from Dublin Gate to Mountjoy torn up." It was estimated that over 2,500 valuable trees were blown down in the Dublin area and some 5,000 houses (20% to 25% of total) had damage ranging from complete destruction to broken windows (Pettigrew and Dalton Almanack 1846).

LIVES LOST

Reports from other parts of Ireland and Great Britain show comparable damage in places as widely

separated as Cappoquin, Limerick, Galway, Athlone, Derry, Newry, Wales (Menai Bridge) and places in the south of Scotland and the north of England.

Newspaper reports indicate that the storm was particularly severe in Liverpool where several vessels were destroyed and

a number of lives lost. It is reasonable to assume that wind speed exceeded 52 m/s (100 kt) in gusts in many parts of Ireland during that storm.

Included in the bulletin is an account of the night written by one John O'Donovan who was working in Glendalough at the time.

CHARGES ARE TOO HIGH SAYS RAFTERY

In a statement issued last week, Professor Tom Raftery, M.E.P., said: Energy, postal, telecommunications and insurance rates have been too high for too long and, if they continue at these unacceptable levels, will inevitably cause quite catastrophic problems for industry and commerce in this country with the advent of the Single Internal Market in Europe.

With the Europe that is emerging, we can no longer afford to have these basic facilities pitched at rates

well out of line with those obtaining elsewhere in Europe. Postal charges are the fourth highest in the European Community, 36% higher than the EC average, while our international telephone charges are exorbitant. While there has been some improvement in energy charges, we still have a long way to go to become truly competitive with our main European trading competitors.

Unless there is a change, we have no hope of competing effectively for a greater market share, and the great opportunities 1992 offers will, by and large, be dissipated.

I.F.A. Condemns I.C.T.U./Labour Party Tax Proposals

Reports that the Irish Congress of Trade Unions and the Labour Party are coming forward with proposals for a land tax as well as tax on Accounts for the vast majority of farmers were treated with alarm in local farming circles this week.

Condemning any such moves, Waterford IFA County Chairman, Mr. Gerry Murphy, said that these proposals, emanating mainly from Labour Party Spokesman, Mr. Emmet Stagg, would result in a doubling of the tax take from farmers. IFA is totally opposed to any kind of property tax on farm land or farm buildings since it would take no account of the profitability of farming or the amount of capital and land required to produce a viable farm income.

Mr. Murphy said that IFA had already made their opposition to a property tax known to both Government and Opposition.

59,000 Emigrated From Country In 1987/88

Replying to a question in the Dail last week put down by Deputy Austin Deasy, the Taoiseach, Mr. Haughey, stated that in 1987 the estimated number of people who emigrated from the country totalled 27,000 while the number for 1988 was estimated at 32,000.

Mr. Haughey added that the estimate for the twelve months to mid-April was expected to be available during August.

PAUSE FOR THOUGHT WITH FR. PADDY

YOU, A PROPHET!

When I read the readings on last Sunday week I immediately thought of considering another subject matter, but on reflection I felt the matter was apt and suitable. The first reading told us that Isaiah was chosen by God to be a prophet, but in preparation for his mission the Lord purged him of his faults. Paul too was chosen to be an Apostle, and like Isaiah, he too had to undergo purification. Perhaps, we can relate and understand more easily the call extended to Peter, James and John. Jesus invited them to come and follow Him. It was more than an invitation to just come and see what I am doing: He was calling them to come and share in His way of life and in His work. They accepted and "left everything". They even left their old ways to make Jesus the centre of their lives.

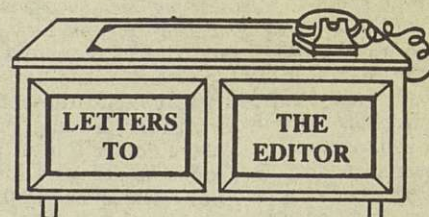

Jesus extended that same invitation to all mankind to come and follow Him in His way of life. And, if we accept, then like all the great heroes of the Gospel's, we too must purge ourselves of our sins, and live like a member of God's family as we wend our way through life.

On January 25th and 26th I listened to phone-ins on a morning radio show. They were talking about grave and sinful acts as if there was nothing wrong with them. In so many words it was mentioned that to question such acts was old Victorian hat! And, as if to put the seal on their view-point, it was stated that people are now more liberal. It is worth repeating that God has laid down the rules governing our conduct, and no one, not even the Church, can alter God's law.

Everywhere it would seem to be fashionable to live without God's guidance, so, if we hope to avoid being misled and engulfed, we must be faithful in our response to God's call. We must follow Him and live with Him. Our role as a member of His family will be directed to sharing fully in His life. Following and sharing in His life will enable us to better understand our work, which must also be directed to helping others to hear and accept the call. The home is an ideal place for your apostolate. Bring the spirit of Jesus with you, and you will build a happy home.

Young people! do not allow yourselves to be influenced by the false prophets of the world. Be warned: they are like bad insurance companies who exclude fire cover from their policies! I am not suggesting that following Christ is going to be easy, but I am saying it is the only way to find true happiness.

Keep company then with Christ, but if you hope for that relationship to grow and to last you must not only walk but you must talk regularly with Him. Above all, you must use Holy Mass and literally become one with God.

EMPLOYMENT IN U.K.

Dear Editor,
I am writing to introduce myself as the Sales Director of CARA Personnel. We specialise in placing young Irish educated people in employment in the U.K. We are situated in Harrow which is a thriving town, 30 minutes from the centre of London.

At present we specialise mainly in office staff and usually have a number of vacancies for secretaries, typist, word processors, book keepers and administrators.

We will be happy to organise Bed and Breakfast for approximately £7.00 — £10.00 per night until such time as they can organise

rented permanent accommodation.

We are managing to place 95% of our people within 2-3 weeks of them arriving here, obviously depending on their work experience, qualifications and presentation.

If any of your readers are interested in working in the Harrow/Middlesex and London areas, we at CARA would be delighted to hear from them. We will require their full Curriculum Vitae and they will need to be in the U.K. and available for interviews.

KNOW YOUR RIGHTS

Q. — I want to know if I'm entitled to sick pay. I've been working with my present employer for two years. For the past five weeks I've been out sick and haven't got any pay at all. I am getting the Social Welfare sick pay.

A. — Your right to sick pay depends totally on your contract of employment. You are entitled if it is the custom in your employment to pay workers when sick, or if your firm has a sickness scheme under which you qualify. You will need to establish whether such a custom or scheme exists in your firm. If it doesn't then there is no obligation on your employer to pay you.

Your entitlement to Disability Benefit from the Dept. of Social Welfare is based on your PRSI contributions. In some cases an employee may receive money both from the state scheme and the firm. Generally in this type of situation employers will try to limit their obligation to that of 'topping up' the social welfare entitlement. They can do this by deducting the amount of the state benefit from the sum they will pay or they can make full payment but require you to hand over your social welfare cheque. Either method is permissible provided it is an established custom in the employment, or is expressly provided for by the company sickness scheme.

Q. — Last week at the sales I bought a dress. While I did try it on I couldn't see it properly with the crowds. When I got home I didn't think it suited me. The shop had a sign-up saying that there was no exchange on sales items. I read in the papers that this is illegal. If I bring back the dress can I demand my money back?

A. — It is illegal for any store not to give a refund. However, you are only entitled to a refund under certain circumstances.

Under the Sale of Goods and Supply of Services Act 1980, goods should be (1) of merchantable quality; (2) fit for their purpose and (3) they should be as described.

The only complaint you have is that the item didn't suit you. So, you wouldn't be entitled to a refund on those grounds. You could approach the store and see if they would agree to exchange the dress for something else. They are not obliged to do this but they might in the interest of good public relations. A satisfied customer is more likely to return again.

Sentence Against "Thundering Blackguard" In Dungarvan Adjourned

A District Justice doing temporary duty for the regular District Justice at a special sitting of Dungarvan Court last Thursday issued a warning that he would not allow drunken lunatics to intimidate anyone and that he would deal with anyone who tried by sending them to jail.

District Justice B. J. Neylan was speaking at the conclusion of a case in which John Butler, 3 St. Patrick's CresCent, Dungarvan, was charged by the Director of Public Prosecutions with assaulting Mrs. Bridget Power, 4 St. Patrick's CresCent on October 25, with causing malicious damage to a door amounting to £230 the property of David Power, 4 St. Patrick's Crescent and with causing damage to Mr. Power's car on the same occasion to the amount of £198.

Supt. M. Keane prosecuted and Mr. Niall King, Solr., was for the defendant who pleaded not guilty to the charges.

Mrs. Bridget Power in reply to questionS by Supt. Keane told the Court that on Thursday morning, October 25 she was at home and at about 10.45 a.m. she was in the hallway and saw Butler coming to the front door. He had thrown a bicycle over the wall between their houses and it struck and damaged the car. When she asked Butler why he had done so he told her to f--- off. At around 2 p.m. Butler came back again and started banging at the patio door with his fist. He came into the hall and assaulted her by hitting her in the chest with his fist and pushing her against the stairs. When she told him to get out, he then left. Her neighbour then rang for the Guards.

Witness also told the Court that an ashbin of rubbish was thrown over the wall from Butler's into her back garden. She said that the patio door had been badly damaged and the cost of repairing it was £250 while the cost of repairing the damage to the car was £189.

"I think" witness said in reply to further questions by Supt. Keane, "that Butler had been drinking as he had no reason to do what he did." She added that they had to call the guards for Butler several times that morning and day.

In reply to Mr. King, witness said that she was not exaggerating what had happened on the occasion. She never had a previous run-in with Butler and it was not true to say that she was not happy with him as a neighbour.

Replying to questions by the District Justice, Mrs. Power said there was no

bad blood between her and Butler and that the defendant had never come back to apologise for what he had done.

David Power, husband of the previous witness said that he had come home from night-shift work at 8 a.m. on October 25. He went to bed at 9 a.m. but woke up at 11 a.m. Butler was outside in the front garden shouting, cursing and being abusive. He was very threatening and very aggressive. There were 2 dents on the bonnet of his car and a headlamp was damaged. He went to call the gardai with his wife. Later Butler came back and they had to send for the gardai again.

Garda T. Murphy stated in evidence that on the morning in question he received a report as a result of which he went to Power's house where he saw the damage done to the car and to the door of the house. He went into Butler's and when he questioned him about what had happened Butler told him to f--- off and that he was entitled to have a drink in his own home.

On October 31 he went back to the defendant and asked him for a statement but Butler told him he wanted to see his solicitor first.

VERBAL ARGUMENT

In the course of his evidence, John Butler said that on the morning in question he was going in his own path and Mrs. Power with her husband and son was standing at the door of her house. They had a verbal argument and the Power's sent for the guards. Later when he was out in his back garden they had another argument and Mrs. Power sent for the guards again. "I never touched her, never went into her house or near her door", witness then said.

Butler went on to say that on the morning in question he had a few drinks and admitted that he was aggravated by the Power's but he denied throwing a bicycle over the wall. "It might be that I am not good enough to live longside her, that's what might be wrong with her," he said.

To a question by Supt. Keane, witness denied that he told the garda to f--- off and said that the Powers were telling lies about what happened.

Mrs. Philomena Coleman said that she was in Butler's

home that morning. They were all shouting at one another outside. It stopped for a while but started again out in the back garden. She said that Butler had never touched Mrs. Power and he had never been in the Power's house.

Replying to the Supt. witness admitted that Butler and herself had been at a party the night before and they had a few drinks. To further questions she said that the party had gone on until 9 or 9.30 that morning and she added that it was she who had thrown the rubbish into Powers back garden as she felt annoyed.

THUNDERING BLACKGUARD

District Justice Neylan said that it was obvious that Dungarvan was no different to any other town in the country and it was difficult for anyone to get sleep when drunken marauding crowds were going around. As a result, sick, lonely, old and infirm people can't get a night's sleep while young married couples with restless children were bothered by these drunken lunatics.

"Mr. Butler is no different to these only worse", said the District Justice adding that on this particular date he decided for himself because he thought the Powers had some vendetta against him to throw the bike over the wall on to Mr. Power's car. "This type of intimidation" he went

on, "will not be tolerated by any court as I am not going to allow the Powers or anyone else like them to be intimidated like this by a thundering blackguard. There's only one way to deal with him and I will show how it's done".

Convicting the defendant on all counts, the District Justice fined Butler £50 with £150.74 expenses on the assault charge and sentenced him to 2 consecutive periods of 12 months in prison for the malicious damage to the door and the car and in addition ordered him to pay compensation of £250 and £198. He bound Mrs. Coleman to the peace for a period of 12 months in her own bond of £100 for her part in throwing the dustbin into Powers' garden.

A plea for a more lenient penalty made by Mr. King was initially rejected but following the luncheon recess the District Justice announced that he would adjourn the matter of the prison sentences until July 12 with liberty for the DPP to reapply to any District Court within the area on 24 hours notice to activate the sentences if the need arose through any intimidation or interference with the Powers by Butler. He added that if compensation was paid by July 12 he would adjourn the matter further until August when he would consider a community service sentence. He confirmed the other penalties already imposed.

DROVE INTO CHECK POINT AT EXCESSIVE SPEED

A young Touraneena man who was stated to have approached a Garda checkpoint at Youghal Road, Dungarvan at a very high speed was charged at a special sitting of Dungarvan Court last Thursday with dangerous driving.

Supt. M. Keane, Tramore who prosecuted told District Justice Neylan that Ned Cullinan drove at such a high speed that the garda sergeant at the checkpoint on the Youghal Road had to jump out of the way to avoid being struck. He said that the car pulled up some 200 yards further on.

Mr. Niall King, Solr. for the defendant said that he

had not seen the checkpoint in time to pull up and he had to pull out to avoid striking the garda. He had no intention of not stopping as everything was in order and he did pull up a little further on.

The District Justice agreed to reduce the charge to one of careless driving and imposed a fine of £50.

G.A.A. NOTES A.G.M. REPORT

With an attendance of almost fifty and plenty of lively debate, the annual general meeting was one of the most successful in recent years. The club's activities in '88 were reviewed with the highlight being the capturing of the Western junior hurling title after a gap of 16 years. Losing two county finals is something the club hopes to remedy in 1989.

Continued improvements on the playing field and dressingrooms was a major source of satisfaction. The balance sheet showed record turn-over for the club in '88 and gratitude was expressed to all who had supported the many fund raising ventures with tremendous generosity.

All aspects of the club's activities in '89 and how we can best prepare for them were then discussed with a large proportion of those present taking part.

The following officers were elected to look after the club's interests in '89: Presidents — P. J. Fennessy, Seamus Walsh, Sean Griffin, J. J. Troy, J. J. Hale; Chairman — James Bennett; Vice-do. — Michael Clancy; Secretary — Adrian Meagher; Asst.

do. — Patrick Roche; Treasurers — Jim Kearney, Pat Bennett.

Hurling Selectors — Captain, Jim Kearney, Michael Clancy, Diarmuid Walsh, Willie Roche and Trainer. Hurling captain — Liam Ryan; Vice-do. — Brian Shanahan.

Football Selectors — Captain, Liam O'Gorman, Diarmuid Walsh, Michael Bennett, Sean Griffin, P. J. Fennessy. Football Captain — Pat Bennett; Vice-do. — Benjy Daunt.

I.F.A. Call To Resist Fertiliser Price Hike

The Co. Waterford Industrial Committee has called for a solid wall of resistance by farmers against an attempted price hike by the fertiliser industry which would cost Irish Farmers about £32 million in a full year — if successfully implemented.

Industrial Committee Chairman, Mr. Gerry Murphy said that it was bordering on deception for the fertiliser manufacturers to put across an impression of a current price of £4 to £7 per tonne when the actual increase now being sought in list prices as compared to this time last year, was around £20 per tonne on most fertiliser products.

Pointing out that there is a substantial build-up of stocks as a result of a com-

plete lack of movement in the fertiliser trade last November/December, Mr. Murphy warned farmers not to be pressurised into panic buying at inflated prices. He said that this was not the first time such tactics had been tried in the fertiliser trade and in each of the last two years, farmers' resistance and selective purchasing, had kept prices in check.

The Industrial Committee Chairman compli-

mented the co-ops on their strong resistance to wholesale price increases during their recent protracted negotiations with the fertiliser Manufacturers/Importers. He said that firm resistance by farmers, particularly during the immediate January — March period, would be a vital factor in holding the line against the exorbitant price increased now being attempted.

MAHER ON FLIGHT FROM THE LAND

Mr. T. J. Maher (Independent, Munster), speaking in a debate in the European Parliament

in Strasbourg on Community research programmes, said he welcomed the idea of co-

ordinated research. There was a lot of discussion about quality in food, but he wondered what exactly was meant by high quality food.

Many people believed that good quality food meant food which had been organically produced, without the use of any artificial fertilisers or pesticides. But that was far from proven. Consumers were willing to pay more for what they called high quality food, but they were not sure. Another aspect to be considered was what effect all this would have socially on farmers; would it be good for farmers in the long run? Over the past years, despite all the great developments there had been, they had got rid of the farming families, and there was no sign of that ending.

RURAL AREA DEPOPULATED

Mr. Maher, speaking on a statement by the President of the Commission, Mr. Jacques Delors, said that since Mr. Delors had taken office four years ago, more than two million farmers had gone out of business, most of them small family farmers.

Many regions in the Community were now dangerously depopulated. There was a dangerous haemorrhage of people from the rural areas; even the centre of France was suffering from this malaise. He hoped that now, with Mr. MacSharry being responsible for agriculture and the future of rural society, there would be a change of policy.

E.C. BEEF INTERVENTION PROPOSALS

IFA County Chairman, Mr. Tom Leahy, Dungarvan Branch, has called on the Minister for agriculture & Food, Mr. Michael O'Kennedy, to steadfastly oppose the European Commission proposals to weaken the intervention support price for steer beef. The principle criteria now is to maintain cattle prices to Irish farmers.

The Minister has a duty to deliver a very clear message that Ireland's National interest is at stake as the value of Irish cattle output

in 1988 exceeded £1,250 million which accounts for over 35% of our gross agricultural output.

The Intervention triggers must be maintained at 91% and 87% of the Intervention price to guarantee a realistic floor price for quality beef in Ireland. The proposal to weaken the supports by a further three percentage points combined with a loss of the UK Variable Premium could devastate the Irish Livestock industry at a cost of over £50 million to Irish Livestock farmers.

The Minister should secure the immediate Green £1 devaluation of 1.55% to terminate MCA taxes on Irish beef exports and to minimise the tonnage of beef being sold into intervention.

It is vital that the value of EEC Beef Cow Retention Premium be increased to £70/cow and the Special Beef Premium increased to £42/eligible animal which are paid direct to producers.

Ballinameela/ Aglis Macra Na Feirme

£500,000 TRACTOR ORDER

£0.5 MILLION TRACTOR ORDER — Mr. Sean Barlow, Mgr. Director, Barlo Farm Centres presenting an order value £500,000 for new Case-IH Tractors to Mr. Eamonn Lynch, Case-IH Tractors Manager for Ireland. A NEW HAT FOR COMMISSIONER MacSHARRY

Rural Development is a fairly new concept for the European Community. Its aim is to complement the objectives of the Common Agricultural Policy, which concentrated on increasing farm production and raising the incomes and living standards of farmers, while securing food supplies for the whole Community by a system of price supports and protection.

The CAP, in spite of all its critics, has had considerable success in several directions, but it has not halted, or even slowed down the flight from the countryside.

Mr. Ray MacSharry, the new Commissioner with responsibility for agriculture, has been given special responsibility also for rural development, and speaking at the opening ceremony of the Green Week in Berlin recently, he outlined his perception of the task before him.

Stating that his title 'Commissioner for Agriculture and Rural Development' is no mere matter of words, Mr. MacSharry said that he intends to give rural development a new impetus, and that this is the biggest challenge he will face in his term of office. He described his task as being the development of policies that will give greater opportunities to rural communities, something that is essential from the point of view of the environment, ecology and, not least, the interest of people working in rural areas.

He emphasised however, that it is more than this because it involves a vision of the balance that we in western Europe would like to see in our societies, and

what we would wish to bequeath our children, and that it concerns the need to preserve and develop the rural areas throughout the Community in the interests of off-setting socio-economic trends that are perceived to be contrary to the long term interests of our

people. He said that the new approach will require a far better integration of the different policies which will affect people living in rural areas, and a more co-ordinated system of planning, with most of the initiatives coming at local level.

I.C.M.S.A. Tax Campaign Continues

Following a meeting of the ICMSA National Council the President, Mr. Sean Kelly, said that the Association was determined, able and fully prepared to continue the campaign to get tax justice for farmers. Mr. Kelly again called on other farming organisations to join with ICMSA in demanding fundamental changes in the tax system for farmers.

The ICMSA President said that the Association will continue with its efforts in Brussels, both at legal and political level to get a VAT rebate of 2.5% to ensure proper indexation of the rebate system.

The ICMSA will embark on intensive lobbying of T.D's to get amendments to the Social Welfare Bill and the Finance Bill.

Mr. Kelly said that the exclusion of some 32,000

contributing farmers under the PRSI system from the pension entitlement was absolutely unacceptable to ICMSA.

Concluding, Mr. Kelly assured farm families that while the Budget is over, the fight for tax is not over. The accounts system may be the "settled policy" of the Government but rural Ireland are not going to settle for this system.

ERAD CAMPAIGN

New Drive Against Brucellosis And T.B.

A well attended meeting of farmers called by the Eradication of Animal Disease Board (ERAD) at which the Co. Waterford "Farmers Awareness Campaign" was launched was held in Lawlor's Hotel, Dungarvan, last Thursday evening.

Mr. Jack O'Connell, S.V.I., Chairman of the local ERAD Committee presided. He outlined the new testing programme planned for the county in the coming year and said that it was hoped that by informing everyone of what was intended that all would co-operate fully in the new drive to halve the incidence of TB nationally in the next 3 years and to eradicate Brucellosis completely.

In regard to Brucellosis, Mr. O'Connell said that all

eligible animals would be either blood tested or have a number of Milk Ring tests during the year while a selected number of areas would have full blood testing of all eligible animals.

TUBERCULOSIS DRIVE

Referring to campaign against TB, Mr. O'Connell said that it was an established fact that what was done this year would decide the results that occur in the following years and consequently a very strict regime of testing was en-

visaged for the coming year during which it was expected that over 400,000 animal tests would be carried out in Co. Waterford.

It was anticipated, he added, that this would increase the number of herds restricted in 1989 to over 200 and the number of reactor animals to 530 plus. "Indeed", Mr. O'Connell then said, "these figures may be conservative as a more severe interpretation will apply to over one-third of Co. Waterford as 31 D.E.D.'s are regarded as Black Spot Areas."

Mr. O'Connell concluded his address by stating that the new ERAD programme would, with everybody's help and assistance, maintain Waterford in the top division at the completion of the 4 year programme.

Mr. Denis O'Mahony, Veterinary Inspector in charge of the local campaign expressed the hope that this and the other meetings planned at local level would lead to a greater understanding of the causes of Brucellosis and T.B. For too long there had been a resigned acceptance of TB despite the big losses it involved and their aim now was to change that attitude and to greatly reduce the incidence of T.B. "We are now set to roll to finally eradicate T.B. in Co. Waterford and all we ask is your co-operation, you will have ours", he told the meeting.

QUESTIONS AND ANSWERS

A Question and Answer session followed, at the conclusion of which Mr. Nick Connors V.S. a member of the local ERAD Committee and Mr. Pat Harty, Manager, Dungarvan Mart voiced the opinion of all present in welcoming the more open attitude of the new campaign and the communication that was now going on between the Department and the farmers about the problems which had now existed for too long.

AN EMOTIVE ISSUE

One interesting point commanding a lot of media attention at present was the role of the badger in the matter and when this was raised, Mr. O'Connell said that badgers did play a part but this had been blown out of all proportions because it was such a emotive issue. He added that deer were also suspect, pointing out that a couple of tests carried out on deer in the Knockanore area had proved positive.

CHAINSAW STOLEN IN STRADBALLY — FOUND IN DUNGARVAN

A chainsaw which was stolen in Stradbally and located more than twelve months later in Dungarvan was the centrepiece of a case dealt with by District Justice B. J. Neylan at a special sitting of Dungarvan Court on last Thursday. Before the court was Patrick Lannon, 42, Dr. Caseyville, who was charged that between May 23, 1987 and August 31, 1988 at Grattan Square, Dungarvan, he received a Homelite Chainsaw value £200, the property of Patrick Flynn, Stradbally, knowing it to be stolen. Lannon pleaded not guilty to the charge.

Patrick Flynn, Stradbally stated in evidence that he was a farmer and worked every day on his farm at Knockadrumlea, Stradbally. On May 8, 1987 he discovered that a chainsaw which he valued at £200 was missing. He kept the saw in a house with the door closed on his farm. He informed Garda Roche, Stradbally, that the saw had been stolen. Subsequently he saw the saw in the Garda Barracks in Stradbally and identified it as his property.

Garda Denis Roche told the court that the matter was reported to him by Patrick Flynn on May 30, 1987 and he investigated it. Some time later he received information from Dungarvan as a result of which he went to the defendant's house in Dungarvan on August 13, 1988. He told the defendant that he was making inquiries about a chainsaw and Lannon then produced the saw which corresponded with the details of the one which had been stolen.

In reply to Mr. Niall King, Solr. (J. F. Williams & Co.) who appeared for the defendant, Garda Roche agreed that Lannon had been very forthcoming about the whole matter.

Det./Garda O. Phelan, Dungarvan then gave evidence that on August 13 last, Garda Roche, Stradbally told him he was investigating the larceny of a chainsaw and witness told him he had information that it could be found at 47 Caseyville. He got a search warrant and they went to Lannon's house and there Lannon took them into the kitchen where he had the saw. Later he said that Lannon went to Dungarvan Garda Station where he made a voluntary statement.

HAWKERS DAY

Patrick Lannon in the course of his evidence said that he was in Foley's pub at Grattan Square and a chap whom he didn't know approached him and asked him if he'd be interested in buying a saw. It was the market day in Dungarvan and the chap told him that he traded in second-hand goods. The chap told him that the saw 'was alright' and asked £80 for it and they agreed a price of £75. The saw was in a van parked at the Quay.

Witness said that it was

daylight and he took the saw home in his hand through the town. Had he known it was stolen he wouldn't have touched it.

Louis Nagle gave evidence of being in the pub the day Lannon bought the saw. It was "hawkers day" in Dungarvan and the fellow came into the pub and was trying to sell the saw.

District Justice Neylan said that it struck him that Lannon had bought the saw without ever trying it out and he was now asking the Court to believe that he

bought it just because it was offered to him without knowing whether it was in working order or not. "He might have been handing out £75 for a load of scrap if that was the way, but I am satisfied beyond any doubt that Lannon took it knowing it to have been stolen and that it was worth much more than he paid for it," said the District Justice.

He then convicted the defendant and imposed a fine of £100. At the request of Mr. King recognisances were fixed in the event of an appeal.

PENSMAN Takes You. . . . Behind The SPOTLIGHT

ARE THEY REALLY UNDERPAID

The rising cost of healthcare in this country was again spotlighted last week with the Irish Medical Organisation announcing a demand by hospital consultants for public pay increases of up to 45% while dentists continued to refuse operating the scheme to cover dependent spouses under existing terms. The 15% rise sought by the IMO on behalf of consultants, in addition to the 30% recently awarded to higher civil servants and heads of State companies is claimed to offset earning losses suffered by them over the past ten years.

Health Department sources have stated that consultants in the public service earned about £30,000 last year and a 45% hike would give them over £42,000 annually. In addition, top consultants can nearly double their incomes from private practice, and some earn up to £80,000 gross and more.

In regard to dentists, a new higher-fee scheme has been announced and the Minister for Social Welfare has announced that dentists who broke their contracts with the Department would be removed from the panel. During a news briefing it was revealed by Department Advisors that two dentists in the scheme earned up to £100,000 last year from the State alone, and over 30 topped £55,000 in addition to private fees.

While it is accepted that medical and dental qualifications involve lengthy and expensive University courses and training, there is certain to be adverse public reaction to the claims by hospital consultants and dentists that they are being underpaid for their public services in view of the sums of money that have been disclosed by the Department of Health and Social Welfare.

What the public, and especially poorer patients will see, is the exceptionally high amounts which some consultants and dentists are receiving from the public purse, apart from the earnings of their private practices, compared to the general deterioration of living standards and the widespread poverty that exists throughout the country.

HE'S A PORTLAW MAN

Last week we referred to the election of Fr. Seamus Ahern, "a native of Waterford" to the post of Augustinian Provincial for Britain as reported in a recent issue of the "Irish Catholic". The paragraph in the "Irish Catholic" as we pointed out, did not indicate from what part of the county, Fr. Ahern came but this has now been put right by Fr. P. Moran O.S.A., Headmas-

ter, St. Augustine's College, Dungarvan who has supplied us with a full CV for the new Augustinian Provincial.

Fr. Seamus Joseph Ahearne O.S.A., now 42 years, is a native of Portlaoise and on completion of his studies at Good Counsel College, New Ross, he entered the Augustinian Order at Orlagh on September 15, 1964. Having made his first profession there 12 months later, he took solemn vows at Ballyboden on September 16, 1968 and was ordained to the priesthood in New Ross on September 12, 1973.

In 1970, following a 3 years course at UCD, he obtained his B.Comm. degree and from 1970 to 1973 he was at St. Patrick's, Rome, during which time he studied Theology at the Gregorian University.

On his return from Rome in '73 he spent a brief period at St. Monica's Priory, Hoxton, London during which he studied for the Diploma in Pastoral Theology at Heythrop College (University of London).

Fr. Ahearne then returned to Ireland and spent a year in Limerick and two years in Drogheda before going to SS. Peter and Paul's, Dundee in 1977. After nine years there and having held the offices of Prior and Parish Priest, he became the "founder" of the Augustinian's second priory in Scotland in September, 1986 when the province accepted responsibility for the parish of Our Lady Mother of the Church, at Currie, in the diocese of St. Andrew's and Edinburgh. There for a little more than two years he has led the community and served the widespread parish together with Fr. Patrick Joseph O'Farrell and Fr. Ian Wilson.

We extend our best wishes to Fr. Ahearne for many more fruitful years in the Vineyard of the Lord.

BADGERS DO PLAY A PART

While the Irish Wildlife Federation stated last Friday that it was appalled at calls from responsible farming organisations for a

change in legislation to permit the removal of badgers in the cause of bovine T.B. eradication, it was admitted in the course of the meeting called by ERAD (Eradication of Animal Disease Board) in Dungarvan on Thursday last that badgers did play a part in the spread of the disease. The meeting in Dungarvan (a report of which appears elsewhere in this issue) was called to launch the "Farmers Awareness Campaign" for Co. Waterford.

It was however, pointed out at the Dungarvan meeting that badgers were a protected species under the Wildlife Act and whether they played a significant part or not in the matter of Bovine Tuberculosis had become a very emotive issue. As a protected species of animals it was against the law as it stood to kill them by gassing or any other methods.

It was agreed that the campaign to kill badgers which had been mounted in some parts of the country had been blown out of all proportions and that more conclusive evidence would be required. The matter was one, however, which would be kept under ongoing surveillance, it was stated.

ROBBER IN DAMAGES CLAIM

A Co. Meath Supermarket owner who fired a gun shot at a gang which was robbing his shop injuring one of them was the defendant in an action for damages brought against him in the High Court in Dublin last Friday by the injured robber.

Having heard the evidence, Mr. Justice Barr very rightly complimented the supermarket owner for having "acquitted himself reasonably" on the occasion. Dismissing the robber's damages claim, the judge said that one had to bear in mind the ruthless and vicious crime being perpetrated by the gang. He added that he was satisfied that the owner had good reason to fear that he was in imminent danger when he discovered the gang on his premises at 4 o'clock in the morning and in his view this entitled the owner to fire the shot.

Our main reason for referring to the matter at all is merely to spotlight how liberal our attitudes have become to criminal activities. Granted, the High Court, in our view, very correctly threw out the case

but the very fact that such a claim was brought before a court at all shows how changed our attitudes have become where these matters are concerned.

CRYSTAL WORKERS FACE CUTBACKS

The management of Waterford Crystal this week outlined a comprehensive plan which, for the first time in 18 months it is stated will dramatically increase the output and quality of the company's crystal for the export market.

Although the details of the plan have not been publicly revealed, it is no secret that management want output increased and costs brought down. This will be achieved by putting all craft workers on piece rate, imposing a wage freeze and introducing total flexibility.

The plan is now to be considered by the 50 shop stewards representing the workers in the Company's plants in Dungarvan, Kilbarry and Butlerstown and their reaction to it is awaited.

THE OLD HOUSE

Our choice for the ballad corner this week is "The Old House," a great favourite of the great John McCormack, and we select it so as to meet a request from Mai O'Higgins in Dublin who has asked for the words for a Dutch friend. Here they are then for Mai and for anyone else who may want them:

Lonely I wander through scenes of my childhood;
They bring back to memory those happy days of yore,
Gone are they old folks, the house stands deserted,
No light in the window, no welcome at the door.

Here's where the children played games on the heather,
Here's where they sailed their wee boats on the burn,
Where are they now? Some are dead — some have wandered,
No more to their homes will those children return.

Lonely is the home now and lonely the mooreland;
The children are scattered, the old folks are gone,
Why stand I here like a ghost and a shadow?
It's time I was moving, it's time I passed on.

FWUI/ITGWU PROPOSE TO LAUNCH NEW UNION

The Executive bodies of the country's two largest unions, the Irish Transport and General Workers Union and the Federated Workers' Union of Ireland, have agreed to recommend a package of proposals to their respective members for the creation in January 1990 of a new Union — the Services, Industrial, Professional and Technical Union.

Combined membership of approximately 200,000 members, the new "super-Union" would represent around one in three of all trade unionists on this island. However, the new structure would be far from monolithic since a large measure of authority and decision making power would be developed to a number of Regional Executive Committees. This innovative approach would offer the new Union's members the best of both worlds — the intimacy and accessibility of a new locally based organisation backed up by the power and resources of the national body.

The aim of placing the individual member at the centre of the new Union is further reflected in the proposals in Union affairs by providing that future General Officers — President, Vice-President and General Secretary — and National

Executive Council members will be elected on this basis of one-member-one-vote, as will the Regional Executive Committees.

Again this marks a significant departure from the current practice in both the FWUI and the ITGWU where these elections take place at the Union's Annual Delegates Conference.

BENEFITS ENHANCED

The range of services and benefits offered to members of the new Union would also be enhanced. The new organisation would hope to utilise the purchasing power of in excess of 500,000 consumers — members and their families — to secure major discounts and concessions for various services.

Another important new dimension proposed for SIPTU is the establishment of a "Social Solidarity Service" — which will offer aid and assistance to unem-

ployment, disabled and retired members.

The proposed framework for the new Union is outlined in a comprehensive set of Rules — drafted by a joint working party established by the ITGWU and FWUI Executive bodies. The proposed Rule Book will be circulated to all members of the two Unions for consideration and voting upon in a national ballot, after the completion of the necessary legal formalities by the Registrar of Friendly Societies — the agency charged with ensuring compliance with the relevant trade union legislation. Precise dates and other arrangements for the ballot cannot be determined until the Registrar has completed his work. However, the two Executives are hoping that the new Union will formally come into existence on January 1, 1990 — provided that the necessary ma-

ajorities are secured in the ballot.

The proposals envisage a "transitional" period of no more than five years during which time to enable the phased integration of existing structures within SIPTU and the phased introduction of the new structures and procedures. The proposals have been framed so as to ensure as smooth a possible transition from the two old unions into the new one and to avoid any disruption to the level and quality of service to the membership.

During the transitional period, the leadership positions in the new Union will be held jointly by officers from both of the existing Unions. However, by the end of that period, it is envisaged that as the officers have reached retirement age, each of the three posts will have reverted to a single office holder.

OLD DUNGARVAN GARDA STATION LIKE WAR-TORN BUILDING

Cllr. Mary Dixon at the adjourned monthly meeting of Dungarvan Urban Council spotlighted the vandalism that has almost completely wrecked the old Dungarvan Garda Station located at the Quay which has remained unoccupied since the Gardai moved to their new headquarters in the town at Youghal Road a couple of years ago. "The devastation there is absolutely deadly," said Cllr. Dixon adding that even the toilets had been ripped out. She asked whether the Board of Works who are the responsible authority for the building had any idea of the condition it was in. "It just looks like a war-torn building", she said.

The Chairman, Cllr. Austin Hallahan, said that the Council was still waiting for official word from the Board of Works as to whether they have let part of the building to the local boxing club. As matters

stood they did not know where they were in regard to the building.

Cllr. Billy Kyne said that the difficulty was that if the building was to be taken over by the Council, they had no money to repair it. He added that he was aware that the Co. Manager, Mr. Hurlley had included the old building as a project for Tourist investment in the European plan.

The Town Clerk, Mr. B. White pointed out that the old building, incorporating King John's Castle, was a national monument and there was a plaque in the wall there informing the public of this fact and as such it was a matter for the Board of Works to repair and maintain it.

It was agreed to contact the Board of Works and draw their attention to the damage being done to the building in being left unoccupied.

SICE STARS FOR UNITED

Bride View Utd 1 Killeagh 1

Ger Sice helped United to grab a home point on Sunday last when he scored a marvellous individual goal in the 86th minute.

Killeagh had the best of the opening 20 minutes and only some great saves by United's keeper Kevin Tobin kept them in the game. Utd. came more into the game after this, Paul Curley set up Dermot Henley in the 30th minute but Henley's shot was well saved. Utd. had a let-off in the 40th minute when Kevin Tobin was beaten but Gerard Hogan cleared off the line. One minute later Killeagh went in front when they scored direct from a corner and they held this lead till the break.

United tried hard to get back into the game in the second half but Killeagh's defence held firm. Killeagh looked to be heading for a victory but a great run by Ger Sice ended up with Sice himself rounding off the keeper and shooting into an empty net, to help United to a point from this

game.

United are now guaranteed first division football for next season regardless of their results for the final 3 league games. Relegated to division two this season are Youghal and Ardmore.

United — K. Tobin, P. Sheehan, G. Sice, P. Prescod, K. Murphy, S. Curley, G. Hogan, T. McCurley, D. Henley, P. Curley, D. Henley. Res. — J. J. Henley and B. Murphy both used.

TALLOW AND DISTRICT ANGLING CLUB A.G.M.

The Tallow Angling Club A.G.M. will be held on Thursday, February 16 at 8 p.m. in St. Patrick's Hall.

The A.G.M. will take place after what has been the most turbulent year in angling history. It has been particularly difficult for a club which was just beginning to get back on its feet and establish itself.

The last meeting of the club, held on January 24, was very well attended.

Great encouragement was taken from the fact that so many riverside landowners welcomed the establishment of a strong club again in Tallow which would ensure that both the river and farmers' property would be treated with respect.

Great hope was expressed that the Rod Licence Dispute will have to be resolved very soon and it was felt that no time should be lost in making the Bride in the Tallow area a better river to fish in for everyone in preparation for a return to the banks! — P.R.O. Claire McCarthy.

TALLOW SQUASH NOTES

Castlelyons Singles Tournament — Our annual singles tournament, this year kindly sponsored by Castlelyons Co-op, has reached its concluding stages, and the finals will be held on Sat. night next (11th) starting at 7.40 p.m.

In the men's div. 1 section, semi-finals, Tom Roche avenged last year's final defeat by brother Frank when he won a long, tough, and at times loud semi-final by 3-0. On last Friday night, James Gill found himself trailing another Roche, John, 2 sets to 0 and 0-6 down in the third set before he staged a very fine comeback to win 3-2.

In div. 2 Gabe Daly played some superb squash to beat Bart O'Donoghue 3-1, having been a set down.

In the ladies section, the four semi-finalists down for decision are Bets Daly v. Kay Condon and Maureen Allen v. Margaret Condon. Could we have a Gabe and Bets Daly double on the cards? Next Saturday night from 7.40 onwards will reveal all.

Credit Union League — Our final league of the season, the Credit Union League, kindly sponsored by the Tallow Area Credit Union is commencing this week, and the first round games are asked to be played by this weekend (Feb. 12). There are a lot of teams entered in this com-

petition so it is advisable that everyone should check the sheet in Keniry's for their respective games.

Ladies Country League — Our ladies country league of Maureen Allen, Kay Condon, Mary Forde, Bernie Ryan and Nora Geary are presently halfway through their league with a lot of home games still to come. So from next Monday night on, why not come down and give them your support?

Club Social — Lawlor's Hotel was the place to be last Friday week for our annual dinner dance. Once again the meal was superb, the crack mighty and Aidan's "Grace before meals", well, unique! Some people began to get worried when Connie Prendergast ordered a high stool from the bar, but it was only to rest his injured foot on. The band were in excellent voice, Gerty astounded everyone with her knowledge of the 70's pop music (we thought it was before your time, Gerty).

Jeannie took a shine to Bart's shirt, Ted and Martha gave an exhibition of disco dancing and generally a great night was had by all. Roll on next year.

Finally congratulations are extended to Nora Geary on her engagement to Mr. Tim O'Leary. May you have a long and a happy life together and may all your kids be squash players! — "Boaster"

ARDMORE NOTES

SYMPATHY

Deepest sympathy is extended to the family of Mrs. Julia O'Neill, Ballinamona, Ardmore, who passed away Saturday, February 4, after a short illness. A well liked lady, she will be sadly missed by many.

CONGRATULATIONS

Congratulations to Jimmy and Elizabeth Kavanagh, Listigue, Ardmore, who celebrated their 60th (Diamond) wedding anniversary on Monday last, February 6.

CHILDREN'S CORNER

We're glad to see Grange school taking part in this section at last and we hope you keep it coming. Try to think up some stories or poems, jokes are great lads — but try to broaden your scope — we will be running a competition soon so get ready. Here's this week's.

Stars Up In The Sky, by Teresa Beausang, Grange N.S. —

Oh! lovely star up in the sky,

Oh! how I wish that I could fly

Across the sky just like you

Floating and drifting like a canoe.

Oh! lovely star up in the sky,

I know that I could really fly,

For if dreams come true,

And you can fly too, why, So could not I!

JOKES — Why did the one handed man cross the road?

To get to the second hand shop. (Shirley North, Ardmore N.S.)

Teacher: Sean how many letters in the alphabet? Sean: 22. Teacher: Wrong, there are 26! Sean: But E.T. went home and J.R. was shot. (Patti Whelan, Ardmore N.S.)

Keep your eyes open for the coming competition. It will be a short story and poem etc., competition and will be judged by an independent person. There will be different age categories.

DUNVEGAN DARTS

The Dunvegan darts team had yet another win last Friday, this time against Lindsay's B (6-2). They played Lindsay's A at the Village Inn tournament, on Tuesday February 7.

The team members are as follows — James Whelan, Aidan Lenane, Sean Barron, Tom Power, Francis Barry, Denise McGrath, Peter Deady and Tom Cooper. Good luck in all your future games.

TIDY TOWNS

The A.G.M. was held recently. The outgoing chairman, Mr. John Fitzgerald will be sadly missed this year, but he was adamant in not accepting the post

again. He said he would still be helping with the projects but not as chairman. He served for many years and did an excellent job.

There was a 'twist' in the elections as outgoing secretary, Mrs. Caroline Bowen-Walsh, was again adamant in wishing to see "new blood" taking over as Sec., the 'twist' being that she was elected **Chairperson** by a majority vote! She has promised to work all of the committee to death! Mrs. Mary Flynn was elected Secretary and Miss Cantwell held her seat as Treasurer. Miss Cantwell has done an excellent job managing the Committee funds in past years.

People take for granted the beautiful trees and flowers around us but few realise the actual work and time involved. Last year alone the Tidy Towns Committee carried out the following projects:

1 — Planted trees all up along the 'Newline' (by Dysart);

2 — Planted permanent bedding in the school and convent;

3 — The main achievement was the area by the car park.

This took time and help was on hand by the K.A.I.'s (Children's group) in pitching thousands of stones; grass was then planted and

a border of large stones to finish the look, along with two picnic benches. It's a nice change from the sand on the beach, yet still you can get your swim in. As you can imagine all of this took time and money, the latter of which came in from Church gate collection, cake sales and an American Tea Party.

The fund-raising is starting on Friday, February 17 in the form of an American Tea Party where there will of course be music by Paddy Greenslade, and dinner. If you are interested, see a committee member as there are many things proposed this year, ranging from tennis courts to improving the Ardmore/Dungarvan road side.

Your support in all of the functions would be much needed.

A special word of thanks to the members of the working committee who also had to tend to the window boxes and tubs etc., on top of everything else. Good Work!

FUTURE NOTES

In future the Ardmore notes will be appearing only every second week. If anyone has anything to put in there is a box in the Post Office labelled 'Ardmore Notes'. We thank Margaret O'Brien for her co-operation.

Our next game was called "stepping stones", Mike Kiely's team won. We then held a quiz to give the lads a chance to get their breath.

The meeting ended with a reminder to the boys about our Regional Quiz which is being held in Abbeyside next Thursday night, February 9. Also our day trip to Clonmel on Sunday, February 12.

DUNGARVAN DARTS FINAL

Martin Crotty v. Pat O'Mahony

The team event saw Martin Crotty's team taking off with some very big scores, leading by over 200 at one stage, however they were unable to hit their doubles and let Pat O'Mahony in to finish with double 20.

Next game on was Martin Crotty versus Anthony Cockwell, Martin threw very consistent high darts and finished the games accordingly to win 2-0. In the second single Benny Flynn got into his stride a lot quicker than Thomas (Frostie) Maher and took the first leg against the throw. In the next leg Maher shook off the nerves and won the leg comfortably enough. The third leg was much closer earlier on, but Maher took a bit of a lead to leave himself on 77. Benny Flynn responded with an 81 to leave himself 76, Maher missed his chance but left himself double 20, but Flynn checked out with a magnificent 76 to give his team a 2-1 lead in the match.

Next on the ocky was Paddy Ferncombe and Benny Flynn against Pat O'Mahony and Thomas Maher. After losing the first leg to some good darts Pat and Thomas showed just why they are the No.1 darts partnership in the league by coming back to win the game 2-1.

The second double saw the same result with Martin Crotty and Teresa Daly taking the first leg but Anthony Cockwell and Paddy Power showed some great nerve to run out winners 2-1, to give their team a 3-2 lead, needing only one more game to take the title.

The third single saw the clash of the number one and number two ranked individuals in the league. Paddy Ferncombe showed why he was unbeaten all through the league by powering his way through the first leg with a 140, 100, and 85 etc., to win it fairly comfortably. The next leg saw Pat O'Mahony holding his nerve to finish a very awkward five, only to lose heart in the last leg where Paddy Ferncombe recovered some of his early form to run out an easy winner and maintain his unbeaten record in the league.

The league then came down to the very last game and what a close game it turned out to be with Teresa Daly (the only woman in the final) shrugging off her underdog tag to rattle in some big scores like 100, 86, 75, etc., to get a chance in both legs. But it was the cool head of Paddy Power who kept his nerve and won the game 2-0 to give Pat O'Mahony's team the title and a cheque for £250.

Every commiserations must go to Martin Crotty's team who must rue their misses in the team event after having such a big lead. However, the runners-up received a cheque for £150. Christy Costi-

gan's team and Denis Lynch's team received £50 each for finishing second in each of their sections.

Overall the final was a fitting tribute as it went to the very last game to find out who would claim the title, which was what the committee had set out to do, plus the fact that there was £500 paid out in prize-

money, made this league by far the most successful since darts started in the town. Last but not least a special thank you most go to Smithwick's who were so impressed with the turned out and enthusiasm, that they said they would gladly sponsor the league again next year.

DUNGARVAN RUGBY NOTES

DUNGARVAN DROP 2 VITAL LEAGUE POINTS Mallow 7; Dungarvan 4

Dungarvan dropped two very important league points in their league tie with Mallow on Sunday last at Ballyrandle.

Mallow started very well and went 4 nil ahead after 10 minutes a lead they held until half-time.

In the second half Dungarvan came more into it with Jimmy O'Brien excelling in the lineouts and in the loose while scrum-half Mark O'Connor was always involved. It was the scrum-half who made the break on the blind side and fed winger Pat McGrath who was stopped just short of the line but prop. John Curran was on hand to get the vital touchdown to make it 4 all.

But Mallow came back and scored a penalty to leave the final score 7-4.

Once again the fact that we have not a place kicker proved very costly.

Team — S. White, P. Coughlan, J. O'Connor, P. Maher, P. McGrath, M. Brackett, Mk. O'Connor, J. Curran, J. Morrissey, L. O'Donnell, T. Clarke, M. O'Halloran, J. Tynan (capt), P. Mullaney, J. O'Brien. Res — M. Hannigan for P. Mullaney.

SECOND TEAM COLLECT THE POINTS

Dungarvan 6 Dunmanway 0

Our second team made the long journey to Dunmanway last Sunday and Niall Parkes and his men came away with two valuable league points.

The "pack" once again was the foundation of this victory with John Phelan, young Sean Killigrew and the experienced Matty Hanrahan to the fore.

Dungarvan got the vital try from a 5 yard scrum and scrum-half Conor Riordan kicked the conversion. Out-half Kieran Mansfield once again had a fine game and seems to improve with every outing while the game also marked the return of veteran Johnny Lynch on the wing.

Team — D. Salmon, B.

Lineen, M. O'Donovan, S. Power, J. Lynch, K. Mansfield, C. Riordan, F. Ahearne, P. Curran, J. Phelan, M. Parkes (capt), S. Killigrew, P. Foley, D. Coughlan, M. Hanrahan.

FIXTURES

1st team v. Youghal, "Munster Plate", away 3 p.m.

The new L.P. entitled simply "Louise" will further enhance the popularity of the band which boasts of an ever increasing number of fans all around Ireland.

We are lucky to have again as our production team, Michael Scanlon (Producer), Mrs. Gertie Morrissey (Musical Director) and Patricia O'Donovan (Choreographer).

The show will run for five nights starting on Thursday, February 14 and finishing on Saturday, February 18. The venue is the Friary Hall, Dungarvan and curtains rise at 8.15 p.m. promptly. Tickets are selling well and we expect the show to be a sell-out as in previous years. So be warned and book immediately to avoid disappointment.

If you have not experienced the delights attained in the Society's Cook Book (as seen on TV) don't despair as the last few copies of the book will be on sale at the theatre during the show.

IN THANKSGIVING to the Sacred Heart for a wonderful favour received. Publication promised. O sweet Jesus, you ask and you shall receive, seek and you shall find, knock and it shall be opened unto you. Relying on these promises I come with confidence during this Novena and beg of you the favour that I ask (make request). To whom shall I turn, sweet Jesus, if not to you, whose heart is an unfailing source of grace and merits. O my divine Lord, I believe in your knowledge, I believe in your powers and I believe in your personal love for me. Therefore, O Sacred Heart of Jesus, I place all my trust in Thee, Our Father, Hail Mary, Glory Be To The Father.

A PRAYER TO THE BLESSED VIRGIN (Never known to fail) — O most beautiful flower of Mount Carmel, fruitful vine, splendour of heaven, blessed Mother of the Son of God, Immaculate Virgin assist me in my necessity. O Star of the Sea help me and show me herein you are my mother. O Holy Mary Mother of God, queen of heaven and earth, I humbly beseech you from the bottom of my heart to succour me in this necessity; there are none that can withstand your power. O show me herein you are my mother. O Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mother I place this cause in your hands (3 times). Holy Spirit, you who solve all problems, light all roads so that I can attain my goal, you who gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me, I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. Thank you for your mercy towards me and mine. The person must say this prayer on three consecutive days. After three days the request will be granted. This prayer must be published after the request is granted. In grateful thanks to the Blessed Virgin for great favour received. —M.C.

BOWLING

Cats Bar Tournament — Sunday, February 12 — D. Fiannusa, S. Murphy, Michael McGrath, Brendan Whelan, semi-finals A Group.

CAPPOQUIN F.C. NOTES

Piltown 0, Cappoquin A 1 We travelled to Piltown last Sunday for a most important away game. After a scoreless first half chances were hard to create as defences got on top in the second half and it was not until the last five minutes that a five man move opened the way for Mick Walsh to score a magnificent winner.

We successfully defended this lead and now face leaders Ballyduff on their own ground next Sunday for what must be the decisive game of the series.

Cappoquin B 1, Modeligo 3

We played at home to Modeligo on Sunday and defending well we held our fancied visitors in a scoreless first half. Modeligo opened the scoring midway through the second half but their joy was short as we

came back within minutes for Michael Looby to score the equaliser. Continued Modeligo pressure brought them two goals from corners to leave the score 3-1.

GLENVIEW A.F.C. NOTES

Inch 1, Glenview 2

This was a hard fought match for Glenview on Sunday last with all the pressure on us for a result. Inch gave us a few scares. We started well, playing good open football, but we were frustrated in front of goal.

We finally took the lead a minute before half-time when Pat Hallissey latched on to a defensive error to slot the ball home.

In the second half we started to create some good chances but with the weather conditions slippery underfoot this was difficult to achieve. Rhiney Walsh had a blistering shot from just inside the box after 75 minutes. The keeper could only palm it downwards and it slid across the line and we were 2 up. In the 89th minute Inch scored and piled on the pressure, but we held on to win.

Team — Sheehan, Power (G.), Casey, Power (J.), Dolan, Kerr, Walsh, Loran, Stafford, Hallissey, McGrath. Subs — O'Rourke, Marks.

LISMORE NOTES

LISMORE GOLF CLUB NOTES

This will be a crucial week in the spring league, with only a couple of points between a lot of teams, a few good scores this week could see a big change in the top four.

The winner of the weekly competition was P. J. Rumley with 22.5 pts. Jim Murphy began his round with five three's to go three under and finished three under for 22.5 pts., but was eventually beaten by P. J. on the breakdown.

The second of the Variety Nights was an outstanding success and was greeted by another full house. Lauri certainly brought a lot of hidden talent to light and we hear that already some tempting offers are being received. Danny La Rue had better watch out. A great night's fun was thoroughly enjoyed by all present. It was bad luck on President Dave not being able to take part after putting so much effort into it.

Results: Weekly 9-Hole Stableford Competition — 1, P. J. Rumley (15) 22.5 pts., Last six; 2, T. W. Murphy (3) 22.5 pts.; 3, E. Walsh (20) 22 pts., Last six; 4, P. Norris Snr. (10) 22 pts.

Hyland Builders, Spring League — 1, R. Ormondes team, 412 pts.; 2, F. Gearys team, 409.5 pts.; 3, T. W. Murphys team, 403 pts.; 4, K. Maddens team 394.5 pts. Yellow Jersey — J. Hornbrook.

Fixtures: — 9 Hole Stableford all week. Last week of singles for the Spring League. Sat., Feb. 11 — County Cup — Carrick/Lismore v. Clonmel, at Tramore.

T. Murphy, N. Twomey and P. Norris were on the Carrick/Lismore team beaten by Waterford last Saturday at Tramore.

LADIES GOLF NOTES

At long last we have been able to get back to the golf scene. The good weather showed by the number who played — 20 in all in last Wednesday's competition.

It was good too for the Alliance Teams who travelled on Thursday last, the minors to Mallow and juniors to Fermoy. They all enjoyed their day according to the reports and congratulations to all the winners.

Congratulations to the winners of the past weeks 9 Hole competition — Mrs. B. Henry 18 pts., — Jan. 11; Mrs. E. Tinnelly 21 pts., — Jan. 18; Mrs. V. Nugent 15 pts., — Jan. 31; Mrs. J. Barry 19 pts., — Feb. 1.

BALLYRAFTER EQUESTRIAN CENTRE

The showjumping season got underway at Ballyrafter

Equestrian Centre, Lismore last week-end and there was a great turn-out of both horses and ponies. These events continue each week until the start of April.

Waterford Foods Plc are again backing the Gain Novice League for Grade E horses and the Gain Starters League for first season horses. Glenpatrick Spring Water Co. are sponsoring the Grade D and C and Tom Wallace, Saddler, Limerick is providing the prizes for the new Sportsman League. There will be special awards for the leading riders and these are being presented by Tipperary Crystal, so plenty to jump for at this Indoor venue.

MINNIES SQUASH NOTES

VICTORY AT LAST FOR COUNTRY LEAGUERS!

Our men's Country League team finally ended three consecutive years as runners-up as they finally lifted the title at Carrigwohill on Wednesday, February 1. Their opponents were Dungarvan Crystal who also qualified from the Minnies group. In the preliminary rounds Minnies had just shaded it each night by three matches to two so this looked as though it was going to be a very close affair.

First on were the number fives Martin Walsh against Patsy Hackett. Here Martin, despite a slight lapse in the third set, won 3-1 (9-3, 9-4, 6-9, 10-8). Next were the number threes, Kieran Foley against Andrew Lally and here Kieran continued his fine form with a convincing 3-0 (9-6, 9-3, 9-6) victory.

The number ones were next on and here our captain Richard Gough sealed the contest with a very tense (especially for the crowd) and narrow victory over Crystal number one Philip Cleary with a very close 3-2 (9-10, 10-8, 4-9, 9-4, 9-6) win. This gave Minnies an unbeatable 3-0 win against our nearest rivals.

We extend our congratulations to the three lads and the other squad members, No. 2 Pat O'Brien, No. 4 Michael Flynn and subs Dan McCarthy and Joe Mulcahy, for this, their finest squash achievement.

A beautiful "spread" was laid on for both teams afterwards where I would imagine a "small" bit of celebrating was done. Once again, very well done lads and thanks to all the supporters, in particular Maurice Walsh (the Tony Jacklin of the squad), for your much appreciated support. Until next week.

LIAM MOORE AND MICHELLE MERNIN STAR IN JUVENILE TOURNAMENT

On Sunday, January 29, the first round of the juvenile team tournament took place at the club. The place was a hive of activity as around fifty youngsters were either playing or watching. At the end of the first week in group one Padraig Verling's 'A' team lead the way with 10 points; 2nd come John Foley and Pat Power's teams with 9 pts and in fourth place is Sinead Byrne's team with 6 pts.

In group two Brendan Flynn's team scored an incredible 14 points (15 is the maximum), Liam Moore's team has six points, with Trevor Walsh's team yet to play. A point is awarded for each set won.

The results were: A v. B

— No. 5 Michelle Maguire 3, Carol Elstead 0; No. 4 Derek Kenneally 3, Brian Carroll 0; No. 3 Maeve Curran 0, Sandra Cliffe 3; No. 2 Jacqueline Mansfield 2, Michelle Mernin 3. This was a very exciting game which Michelle won by the narrowest of margins 10-9 in the fifth. The match took so long it delayed the start of the Munster Senior League matches. No. 1 Padraig Verling 2, John Foley 3.

C v. D — No. 5 John Dwyer 0, Patricia Mansfield 3; No. 4 John Kyne 0, Aidan Mullarkey 3; No. 3 Sinead Byrne 3, Alison Byrne 0; No. 2 Mairead Foley 0, Alan Mulcahy 3; Richie Duggan 3, Pat Power 0.

E v. F — No. 5 Tom Melody 0, Natania O'Mahoney 3; No. 4 Bryan Elstead 1, Darren Lyons 3; No. 3 John Organ 1, Emma Kavanagh 3; No. 2 John Paul Mills 1, Sinead Foley 3; No. 1 Liam Moore 3, Brendan Flynn 2. This was a very exciting finish to the day's play with both players serving for the match before Liam finally made the breakthrough.

Next weekend, February 10-12, a large contingent of our juveniles head to Waterford for the Munster Junior Closed. We wish all our travellers the very best of luck.

MIXED OPENING FOR SENIOR TEAM

Our Munster Senior League team of (1) Sean Twomey, (2) Pat Phelan, (3) Michael O'Mahoney; Subs. Sean Cleary and Eddie Moore (Jnr.) had a mixed opening to their campaign with a narrow away defeat to Orchard SC, Cork (January 20) and a narrow home win to Collins Barracks SC, Cork (January 29).

Scores — against Orchard: (3) Michael O'Mahoney 3-0, (2) Pat Phelan 2-3, (1) Sean Twomey 1-3; scores against Collins — (3) Michael O'Mahoney 3-1, (2) Pat Phelan 3-2, (1) Sean Twomey 0-3.

LADIES COUNTRY LEAGUE SUCCESS CONTINUES

Our Ladies Country League team continued on their winning way with a very impressive 4-1 matches win over Dungarvan Crystal in the Crystal Sports Centre. Scores — No. 5 Teresa Hayes 3-0 (9-1, 9-7, 9-3) against Breda Lenane; No. 4 Anne Keaver 3-0 (9-1, 9-1, 9-3) against Geraldine O'Connell; No. 3 Rita Moore 3-1

(9-4, 9-5, 6-9, 9-4) against Geraldine O'Connell; No. 3 Rita Moore 3-1 (9-4, 9-5, 6-9, 9-4) against Elizabeth Burke; No. 2 Anne Hennessey 3-0 (9-7, 9-3, 9-2) against Mary Shalloe; No. 1 Mary Coffey 2-3 (9-3, 6-9, 9-4, 8-10, 1-9) against Ann Dunford. These wins grossed the ladies another 19 points to take their running total to 58 out of a possible 60.

TSB SEMI-FINAL RESULTS

On Tuesday, January 31, Fiona Fitzgerald's and Kieran Foley's team reached the final of the TSB team event. Fiona's scores — No. 5 John Coade (injured) 0, Patricia Walshe walkover; No. 4 Liam Treacy walkover, Margaret Browne (flu) 0; No. 3 Derek Lyons 3, Sean Fitzgerald 0; No. 2 Fiona Fitzgerald 0. Tony Lonergan 3; No. 1 Eddie Moore 3, Liam Hansberry 2.

Kieran's scores — No. 5 Paul Walsh 3, Richie Rohan 0; No. 4 Rene di Fusco 0, George Harney 3; No. 3 Anne Wyley 3, Vincent Hayes 1; No. 2 Kieran Foley 3, Tom Phelan 2.

FIONA'S TEAM WIN TSB THRILLER!

Thursday night, February 2, was finals night in the TSB and what an exciting final it was, being decided in the very last match. First due on were the number fives John Coade and Paul Walsh. Sadly for John (runner-up last year) he was unable to play due to a hand injury. The number fours were first to take the court and here Liam Tracy (Fiona's team) after a very close opening two sets, came through 3-1 (7-9, 9-7, 9-2, 9-1) against Rene di Fusco.

At number three Derek Lyons (Fiona's team) who had to be the performer of the tournament and the biggest "find" this season, defeated Anne Wyley (who was coaching Derek in the beginners only a few weeks ago) by three sets to one in a very close tussle (9-7, 8-10, 9-7, 9-4).

At number two in the battle of the captains, after a very close first set, Kieran Foley (fresh from his country league success) beat Fiona 3-0 (9-7, 9-1, 9-1). In the deciding clash Eddie Moore had just gained the upper hand on Sean Cleary (a member of the first TSB winning team) before sadly Sean had to retire with his "old" knee injury. Scores (Eddie first) 10-8, 4-9, 9-7, 2-0.

We would like to thank John Coade and the TSB for their very nice prizes. Thanks also to the catering committee and the TD'S Denis O'Brien and Anne Wyley for a job well done.

ABBEYSIDE SCOUT NOTES

TROOP MEETING

We followed the prayers this week with a game of "farmer in the orchard" organised by P.L. John Paul Cosgrave. This was particularly enjoyed by Benny Flynn, Martin Whelan and Mossie Keith. After the game subs were collected and while this took place A.S.L. Tomas Walsh and Alan Ryan gave each patrol material needles, and thread to make semaphore flags. Judging by some of the sewing we might have a possible surgeon on our hands.

A game resembling a mild form of sumo wrestling was next with Robert Curran winning the tussle of the minnows against Anthony Carroll. Derek Kenneally and William Fennell also performed well.

Next each patrol was given a few minutes to study the alphabet in semaphore after which they had to make a word for the other patrols to guess. Best signaller was new boy Tom Dalton with Brian O'Mahoney also going well.

After this the P.L.'s went to the committee room for a "conference" while in the den the A.P.L.'s got their big chance as with the help of their patrol members they organised patrol activities. A lively game of snatch and run was then played with Cian O'Donovan and Donnacha Cosgrave going well.

The meeting was close

with notices and the closing prayer.

PARADE

Next Friday (Feb. 10th) we have our second Church parade of the year. All scouts, venturers and leaders are reminded to be at the den in full and correct uniform at 7.10 p.m. The Wolfhound patrol are on duty for readings and altar boys. — SUBSCRIBE

COUNTY CONVENTION

Chairman Mikeen Lyons led our eight-member delegation at the recent county convention in Lawlor's Hotel. The other members were Brighdin Ni Criostoir, Joanne Daly, John A. Murphy, John Moore, John Fennell, John McLoughlin and Michael Curran.

Tom Cunningham was returned unopposed as one of Waterford's two Munster Council representatives, a position he has held with distinction for many years.

It certainly was a busy day for the juvenile club last Saturday week when they played host to no fewer than three football teams from Kinsale, Co. Cork.

It was a wonderful afternoon of action at the Friary and at the end of the day we just shaded the verdict by winning two of the three games.

Our Under 12s went under after a great fight but the Under 14s and 16s scored excellent victories. The results however were not the all-important thing, and on the day we made new friends as well as enjoying some great football.

Kinsale have now extended an invitation to us to return to their town and this will be arranged at a future date.

Our sincere thanks to Fr. Pat Moran for the use of the Friary Grounds and to referees David Kiely and Liam Simms for taking charge of the games.

Also to Pat Curran who did so much work with the Under 12s and to Tom Cunningham and Pat Collins who had charge of the Under 14s and 16s.

All in all a great day at under-age level, and for once the weatherman too was on his best behaviour.

SCOR NA nOG

Although our Ballad Group didn't win the Munster Final of Scor na nOg in Freemount, Co. Cork, they were worthy representatives of club and county and performed magnificently.

To reach the Munster final was an outstanding achievement and our congratulations go to Catherine Brennan, Deirdre and Claire Murphy who put in so much time preparing the group and Sr. Marie Goretti of the Mercy Convent and Fr. O'Donnell O.S.A.

UNDER 21 COUNTY FINAL

The Under 21 County football final against red-hot favourites St. Saviours will be played on the weekend of February 18th/19th, and most probably on Saturday the 18th.

Between now and then it is expected that every member of the panel will give 100% by way of commitment, just as they did in preparation for the Western final against Affane.

We gladly accept our role in this final as outsiders, but the absolute certainty is that we are not prepared to surrender the title without a

stout defence. The mood in the camp is one of steely determination. In that frame of mind dare anyone rule us out?

BENEMERENTI MEDAL

On behalf of everyone in the club I would like to congratulate the three recipients of the Benemerenti Medal, the prestigious Papal Award for loyal service to the Church, who were presented with it in St. Mary's Parish Church last Thursday evening.

One of the trio however holds a very special place in our club, the late Declan O'Sullivan, whose wife, daughter, and other relatives accepted the medal on his behalf.

Dec had a lifelong involvement with our club. It was almost part of him, and he never stopped supporting us and working for us right to the end. Today his daughter Joanne is proudly carrying on where Dec left off, and is a valued member of our executive.

WESTERN BOARD MEETING

We'll be represented by the full compliment of delegates at the first meeting of the Western Board for 1989 in Lawlor's Hotel on this Thursday night.

By then the executive will have completed all its business regarding affiliations, regradings and transfers. As always anyone deciding to leave us for another club will go with our best wishes, and equally the red carpet of welcome awaits anyone wanting to join our ranks.

That's the way it always has been with Cuman Dun Garbhain.

THE BIG DRAW

The promotion of our big co-op draw continues satisfactorily. At the risk of repetition we should say that

every penny of profit will go towards paying off the almost £100,000 debt we have incurred on acquiring the 20 acres for development as playing fields and other facilities.

To those former members and players away from home we would make an urgent appeal for support on this particular occasion.

LEAGUE GAME

We are away next Sunday in our next outing in the senior football league. We travel to Tramore, mindful that we defeated the same opposition, at home, in our opening game in the tournament.

Well done, lads on your comprehensive win over Dunhill in last Sunday's game played at Augustinian Grounds in Abbeyside. Thank you, Fr. Moran, for the use of the playing pitch and dressing rooms. We are sincerely grateful for the accommodation you always give to our club.

SUPER BINGO

Reminding all our faithful Bingo supporters that the big game goes on at Friary Hall on Friday, February 10th at 8.30 p.m. Stupendous prizes as usual. All are welcome.

BEREAVEMENTS

On behalf of everyone in the club I would like to extend sincere sympathy to Seamus O'Brien of Abbeyside on the death of his sister Mrs. Mai Keating which occurred recently. Also to the entire Keating and O'Brien families. Go ndeine Dia trocaire ar a h-anam dilis.

Similarly to the relatives of the late Mrs. Nora Foley, Ballinacourty, whose late husband Michael gave so much of his time and efforts to our club.

Ar dheis De go raibh a h-anam.

So, players, now is the time to get those early pounds down and be in good shape when Sean starts the training.

PHELAN CUP FINAL

The final of last year's Phelan Cup will take place early in March when we play Butlerstown in the final, so certainly a good omen for an early victory!

F.A.I. YOUTHS CUP

Dungarvan Youths In Vital Tie In Kilkenny

Evergreen (Kilkenny) v Dungarvan United (At Loughboy, kick-off 2.30)

On Sunday next Dungarvan's youth team will travel to Kilkenny to take on Evergreen in the 5th round of the F.A.I. youths cup. This is only the second time that Dungarvan have qualified to represent Waterford in this prestigious national cup competition which attracts an entry of around 500 clubs. Last season the blues reached the quarter finals before going out to Home Farm.

Evergreen are the top junior club in Kilkenny and have an impressive record in this particular competition. They defeated Freebooters in the Kilkenny area final and with home advantage will be slight favourites to advance to the next round.

Dungarvan however have had a tremendous season thus far and are unbeaten in their 20 games to date. They walloped Park Rangers 9-0 in the first round of this competition in Kilrush Park. Next came a tough away assignment in Carrick where a last gasp goal by Ray Flynn earned the Blues a 3-3 draw. However they made no mistake in the replay with a comprehensive 2-0 victory. Johnville provided the opposition in a repeat of the previous years final, in the 3rd round but another fine display saw Dungarvan triumph by 2-1. The area-final was against arch-rivals Bolton. The Blues turned in a tremendous display when despite going a goal behind hit back to win 5-1.

The team bus will depart Kilrush Park on Sunday at 10.30 a.m. There are still a few seats still available and can only be obtained by contacting club secretary Don Sheil. Prices are adults £3 and u-16's £1.50. It should be noted that no u-16's will be allowed to travel unless accompanied by a parent. The bus will depart Kilkenny at 6.45 p.m. and arrive back in Dungarvan at 8.30 p.m.

The Dungarvan club would also like to thank the generous sponsorship of a number of local businesses to help to finance this game.

DIVISION 2A LEAGUE

GREAT WIN PUTS DUNGARVAN IN HUNT FOR THE TITLE

Bolton 0; Dungarvan 4

Dungarvan started this game knowing they had to win to remain contenders for the league and hoping Kilmacow would beat leaders Johnville.

The Blues started well and put pressure on the home defence but were caught by the offside trap on many occasions. After 25 min. Gary Burke found Johnny Hughes in midfield, and his first time pass found P. Ferncombe who made no mistake from 15 yards. Two min. later the Blues went two up when Davy Crotty scored from a quickly taken corner.

The second half began as the first ended with the Blues pressing forward. After 10 min. Chippy Egan beat the defence with a great run to the bye-line and his cross was met by Pepe who did well, to put the ball home in a crowded penalty area. 10 mins. later Chippy completed the scoring when he made a good run across the defence and placed his shot well wide of the keeper.

The result was all the more sweeter when the leaders Johnville lost at home, so the Blues must win their 4 remaining games to win the league.

The Division 2A panel would like to wish a speedy recovery to our manager Tommy Wall who is at present in hospital.

DUNGARVAN YOUTHS CONTINUE UNBEATEN RUN

Dungarvan United 4; Southend United 1

Dungarvan returned to the top of the league table by virtue of this victory over Southend at a windy Kilrush Park on Sunday morning last.

The visitors had the better of the opening 10 mins., and B. McGrath made a good save from the right winger after 8 mins. Gradually Dungarvan gained control and in the 15th min. a D. Wyse header hit the bar and was cleared at the expense of a corner. C. Flynn's corner was met on the volley by L. Barron but the keeper produced an excellent save. Soon afterwards L. Barron was denied once again by some good goal-keeping. However in the 19th min., a huge wind assisted kick by B. McGrath caught the Southend defence square and K. Hallahan scored at the second attempt to make it 1-0. Six mins. later a shot by K. Hallahan made it 2-0. D. Wyse was dominant in the centre of midfield and it was a one-two with T. Kenneally which enabled him to score the third goal which left Dungarvan 3-0 ahead at half-time.

Southend had to push forward in the second half but with G. Leahy and D. Wyse continuing to dictate the midfield battle the better chances fell to the home-sters. After 65 min. a J. Walsh free-kick was fum-

bled by the visitors' keeper and G. Leahy was on hand to make it 4-0. The Dungarvan defence gave very little away and right back Bryan Kirwan had a tremendous game and won some crunching tackles. In the 71st min. a defensive error allowed Southend a consolation goal but Dungarvan finished the stronger and forced five corners in the last seven minutes. These failed to produce any other score but at the end Dungarvan had done enough to secure the two points that take them back to the top of the table.

Dungarvan — B. McGrath; B. Kirwan, J. Shanahan, B. Whelan, J. Walsh; K. Hallahan, G. Leahy, D. Wyse, C. Flynn; L. Barron, T. Kenneally. Res. — D. Kirwan, S. Duggan (both used) D. Walsh. Referee — M. Power.

Abbeyside Soccer Club Notes

YOUTHS SIDE NARROWLY BEATEN

Abbeyside 1, Rathgormac 2

Abbeyside's chances of capturing the league title virtually disappeared on Sunday morning last when they were beaten by the league leaders Rathgormac, by the odd goal in three.

Abbeyside got stuck in from the start and pinned the visitors back in their own half. After 15 minutes they got the breakthrough they deserved. Mark McCarthy received the ball on the right, his cross was touched on by Kevin Moore for Pat Jordan to open the scoring from close range.

However, after 25 minutes, Bobby Lyons seemed to win the ball cleanly in a challenge but the referee saw otherwise and awarded a free. As a result, Rathgormac got back on level terms. For the rest of the half it remained 1-1, with neither side gaining the upper-hand.

The second half was only a few minutes old when the visitors beat the off-side trap, or didn't, as some people observed. But the result

was a goal.

For the rest of the game Rathgormac defended. Wave after wave of Abbeyside attacks ended fruitless, with Rathgormac at times packing the area with nine players. Diarmaid O'Neill missed a good chance, Alan Ryan had a volley saved by the keeper and crossbar combined, penalty claims were dismissed, and as time went by it became obvious that this was not to be Abbeyside's day.

The final whistle blew and the hopes of bringing another title to Dogleaf Park were gone.

Team — P. Prendergast, S. James, M. Cosgrave, M. Hart, M. Lyons, M. McCarthy, G. McGovern, D. O'Neill, A. Ryan, K. Moore, P. Jordan. Subs — A. Regan, J. Moloney.

MUNSTER SENIOR LEAGUE

Farrell Inspires Blues To Hard Earned Win

Dungarvan Utd. 2, U.C.C. 1

At a cold and windy Model Farm Road on Sunday last, Dungarvan got back on the winning trail with a very exciting win over U.C.C. The Blues opened nervously and one could sense a little apprehension in the side in the opening five minutes. However a dynamic save by Farrell from point blank range, served to charge up the Blues with a determined will to win.

Playing with a near gale-force wind at their backs, they proceeded to take a grip on the game and went near to scoring on a few occasions. Maintaining their recent improving form, the Blues took the lead in the 23rd minute when Pat Morrissey scored direct from a corner.

Our defence coped capably with anything the students threw at them for the rest of the first half. Jimmy Farrell commanded his area in excellent fashion.

Would one goal be enough playing into the wind in the second half? Five minutes into the half the Blues took the game by the scruff of the neck when Pat Arrigan ran on to a great through ball from Matthews. The College keeper fouled Arrigan as he attempted to lob him from the edge of the box. The referee allowed the advan-

tage as the ball dropped into the path of Paschal Keane who had made a great run from a deep position. Paschal thundered a great volley into the back of the net. Shortly afterwards Farrell was again called on to produce a tremendous save to keep the Blues on song for a win.

The students piled on the pressure with long balls down the middle and they were rewarded with a very well taken goal with about 23 minutes remaining. Throughout the second half Dungarvan, always looking

dangerous on the break and with about 10 minutes remaining, Yammie Keane, usually "deadly" from two yards, had the miss of the match. Again Matthews was the instigator. He put Mickey Curley away down the left. Mickey ran on into the box before releasing the ball to Gerry Connors. Gerry, very unselfishly, rolled the ball across the face of the goal for what looked like a simple tap in for the Boss. He shook his head in disbelief as the ball hit the post and was cleared. The last ten minutes were a welter of excitement as our defence played heroically to deny the students the equaliser.

This was a fine team performance, Farrell had a flawless display in goal, Hud Kelly and Johnny Matthews had good solid games as did Pat Keane, and Gerry Connors who

gave all they had in this great win. Willie Coward was a tower of strength in the middle of the defence as he won everything in the air.

A very pleasing aspect of this fine team performance is the understanding being built up between Paschal Keane and Pat Arrigan. Pat Morrissey as well as scoring had some lovely touches and Mickey Curley looked dangerous when he ran at the defence. Des Foley was a tower of strength at midfield and was unlucky not to score with a great left foot drive from 25 yards.

Team — J. Farrell, Hud Kelly, J. Matthews, Willie Coward, Pat Keane, G. Connors, Des, Foley (capt), P. Arrigan, Paschal Keane, Mickey Curley, Pat Morrissey. Subs — T. Keane for P. Morrissey, B. Coleman, Obbie Connors.

BALLINROAD SOCCER NOTES

DIV. 3 LEAGUE — GALLANT IN DEFEAT Abbeyside 3, Ballinroad 2

All roads led to Dog Leaf Park on Sunday week. This vital local derby was to decide this year's league title. With a big crowd and a fine morning it was Abbeyside who set the early pace, putting our defence under severe pressure. After 20 minutes, Abbeyside got the vital lead goal from Fran McGovern. We found ourselves 2 down after 30 minutes, McGrath scoring after our sweeper left a back pass short.

We steadied up and battled back, being unlucky not to score when a Jimo Meehan free kick came back off the post. The half time whistle came and we were 2-0 down with an uphill battle ahead.

Abbeyside started the second half going straight into attack in search of a third goal to clinch the game. After only 10 minutes they got it from Tony Wade.

We had no choice now but to throw caution to the wind and go for all out attack. We were rewarded with 2 goals in the space of ten minutes. Twice Ray Burke was taken down in the area and twice Pat Keane scored from the spot. We were back to 3-2 with 10 minutes to go and wondered could a miracle happen. It was not to be, thanks to two brilliant saves by the village keeper Tom Cahill.

The game ended with Abbeyside deserving winners and worthy league champions. Our congratula-

tions to them. Team — P. Flynn, P. Lynch, P. Keane (capt.), D. Crotty, B. Mahony, J. Meehan, I. Kiely, R. Burke, M. Foley, L. Delahunty, P. Hayes. Res. — J. Reynolds, D. Power.

GLASS STROLL IT Ballinroad 0 Waterford Glass 5

Last Saturday we played our second last league game. On a wet and windy day and with our league chances gone, we fielded some of our reserve players. Beaten 5-0, the less said about it the better. We showed little effort in our worst display of the season.

Team — P. Flynn, P. Lynch, T. Lenihan, P. Keane, B. Mahony, M. Foley, B. Hennessy, R. Burke, J. Veale, D. Power, V. Tobin. Res. — L. Delahunty, D. Crotty.

RED HOUSE LEAGUE

The league approaches an exciting climax, with, in the first division, two teams, all the way leaders, Ballyduff and Cappoquin

having the title race to themselves.

Three contenders, Lismore, Modeligo and Glenview, fight it out in

division 2 and here the computations to give the final result are still intriguing. Lismore seem to have the easiest run home, with Ballysaggart at home and Grange and Cappoquin away. Modeligo (2 games) are away to Pinewood Rangers and home to Glenview. This latter game could well be a mini final in the promotion race and much more.

played one game more.

The 16th series on Sunday results Division 1 — Bride View 1 Killeagh 1; Pinewood Utd. 4 Ardmore 2; Valley Rgs. v. Affane, a win for Affane but no scoreline to hand; Piltown 0 Cappoquin A 1.

Division 2 — Cappoquin B 1 Modeligo 3; Mogeely 2 Grange 1; Inch 1 Glen View 2; Pinewood Rgs. 1 Ballysaggart 1.

Fixtures, times and officials for Sunday, February 12 — Killeagh v. Pinewood Utd. at 11.30 a.m. T. Griffin. Ballyduff v. Cappoquin at 2.30 p.m. P. Condon. Bride View v. Valley Rgs. at 11.30 a.m. P. Pollard. Piltown v. Ardmore at 11.30 a.m. P. Mason. Grange v. Lismore at 11.30 a.m. L. Fraser. Mogeely v. Cappoquin at 11.30 a.m. R. Rogers. Glenview v. Pinewood Rgs. at 2.30 p.m. E. O'Shea. Ballysaggart v. Inch at 11.30 a.m. D. Smith.

Glenview (3 games) are home to Pinewood Rgs. and Cappoquin with a final very difficult hurdle in Modeligo. Cappoquin could always have an influence in the final placings.

Accordingly in Division 1 — Ballyduff on 24, lead Cappoquin on 23, both playing 15 games. For the record, Killeagh are third on 18, but not out of the race. Lismore and Modeligo, both on 23 lead the 2nd Division from Glenview on 22. Modeligo (14) have

DUNGARVAN UNITED A.F.C. SCHOOLBOYS UNDER 15

Dungarvan 8; St. Saviours 2

Dungarvan kept up the challenge for the league with another fine win. Straight from the kick-off the Blues went a goal up with a well taken goal by David Cummins. A few moments later St. Saviours got right back in the game, a bad mistake by our defence and the sides were level. Almost half an hour later and the Blues regained the lead with a good goal by Decky Carlton. A couple of minutes later the visitors were back in the game Chris Gough tripped the incoming forward and the ref. pointed to the spot, that made it 2-2.

The Blues went ahead again with another goal by Decky Carlton. A few minutes before half time the Blues increased their lead and that's the way it stayed.

The second half started with the Blues playing with a strong wind and playing very good football, went further ahead with David Fleming getting the fifth goal of the match. St. Saviours were well beaten now and it was a question of how many more would the Blues score.

The best goal of the match was scored by Chris Gough when a brilliant run by Pat Drummy, beating 4 players on the way, ended with a cross for Chris to make it 6-2. David Fleming made it 7 and to round off the match the Blues were awarded a penalty and to rub salt into their wounds, Alan Landers came out of his goal and made no mistake to make the final score 8-2. A good performance by all.

MODELIGO BEAT LUCKLESS CAPPOQUIN

Cappoquin B 1; Modeligo 3

Modeligo were the visitors at the Tourin ground last Sunday and the two points gained puts them level, temporarily, with leaders, Lismore, but with a game more played,

But it took them until the last quarter of a dourly contested game before they made the breakthrough to overcome another whole-hearted challenge by the home side. Modeligo deserved their win. They were the more effective side in the heavy underfoot conditions but a two goal difference was a little unkind to Cappoquin, particularly as regards the second goal.

The four goal outbreak began as the game entered the last quarter. Liam Power broke the deadlock when he headed home from a corner to open the Modeligo account. But Cappoquin were back in the game within minutes. Tom Kiely could only palm out Charlie Barry's good free and Michael Looby was in to

stab the ball home. Cappoquin joy was short lived. Conor Culloo's corner from the left was allowed to drift across the goal with the defence wrongfooted, and appeared to hit the left hand post before dropping over the line. Cappoquin hopes finally vanished when Joe Cashman headed the third from a free kick.

Cappoquin — N. O'Donoghue, P. Walsh, S. McCarthy, J. Walsh, J. Cahill, P. Cullen, J. O'Sullivan, C. O'Leary, M. Looby, C. Barry, L. Lacey, P. J. Kiely.

Modeligo — T. Kiely, N. Troy, J. Barron, O. O'Neill, M. Reddy, J. Byrnes, V. O'Donovan, J. Cashman, C. Culloo, N. O'Donovan, L. Power. Referee — Eddie O'Shea.

G.A.A. NOTES

NATIONAL FOOTBALL LEAGUE

Waterford Must Beat Wicklow

Waterford footballers make the long journey to Blessington on Sunday for a vital meeting with Wicklow in round 6 of the Royal Liver National League and on the result of this game will depend their chances of remaining in contention for possible promotion to division 2.

The league table at the moment with all counties having two matches left to play makes very interesting reading. Limerick and Wexford each have 8 points and Clare and ourselves have 6. Tipperary and Wicklow, each have 5 points and at this stage, Carlow and Kilkenny don't matter. In this division the winners will be involved with the County which wins division 3 North and the runners-up in both sections of this division will play-off for promotion. At this stage I would reckon that we will not win out in our section, so the runner-up spot must be our objective.

We are still in with a reasonable chance of achieving this, but a lot will depend on how results shape in the other games on the next two rounds. Limerick should have 10

points after beating Kilkenny on next Sunday and Wexford may just manage to put Clare out of contention when they meet at Cusack Park on the same day. In the final round on February 26th, we have Tipperary/Clare; Limerick/Wicklow; Wexford/Carlow and Waterford v. Kilkenny. So should we manage to beat Wicklow and then take care of Kilkenny on the last Sunday and either Limerick or Wexford lose one game, we are there with a chance.

This situation makes our meeting with Wicklow of the utmost importance to us as if we lose, our chances would appear to be gone for another year.

Selectors will call for an improved performance on last Sunday and ask players for a 'death or glory' effort to bring us through this one, even though it is being played in enemy territory. On our best form we must have a chance, since we beat Tipperary by five points after they had beaten

Wicklow.

I have not got the team at the time of writing, but as it was selected on Monday night, it will appear elsewhere in our notes. In view of the changes that were made during Sunday's game against Carlow, we may expect some changes although not everyone agreed with the particular changes that were made.

It's all up to the team now and hopefully they will come back with the vital 2 points. Their final match will be against Kilkenny at Piltown on two weeks from next Sunday.

TEAM

WINTER FOOTBALL LEAGUE

Although only six teams entered for the special winter football league, Liam Fardy, Tramore, who organised the competition, must feel reasonably well pleased that the idea was worthwhile. I know that the six clubs taking part are very well pleased and I know of at least a couple who are now very disappointed at not having entered.

The situation in the league at the moment shows Dungarvan on top of the table with a single point to spare over Ballinacourty.

On Sunday last, Dungarvan, putting in a great second half, overpowered Dunhill who could manage only a single point in each half.

Dungarvan, having played with the strong breeze in the first, led by 0-3 to 0-1 and seemed destined for a heavy defeat. However, they got their act together very well after the restart and added a further 4-4 to their half-time total.

Ballinacourty had the chance of winning when awarded a penalty towards the finish of their game against Rathgormack, but a mix-up around the goal when the ball rebounded cost them a major score and left them just one point in arrears at the full-time whistle.

UNDER-21 FOOTBALL CO. FINAL

The county final of the under 21 football championship between the holders Dungarvan and St. Saviours, has now been fixed for the Fraher Field, Dungarvan and will be played on Sunday, February 19, at 3 p.m. The football finals of last year were due to be played at an Eastern venue, but between them, the clubs have agreed to an arrangement whereby Dungarvan will pay the travel costs of the visiting Eastern champions, St. Saviours.

This outstanding county final was delayed because of problems with this championship in the Eastern Division and with the protection of the County Bye-Law being claimed for the closed season of December/January, the game did not take place as expected in 1988.

On the same date, Waterford will play Wexford in the resumed National Hurling League at Wexford.

COLLIGAN A.G.M.

Winning a championship in either or both codes, greater dedication and commitment to training were the objectives of the club for 1989. This was clearly outlined in a fine address by outgoing chairman, Michael Wall at their very well attended meeting at Foley's Workshop on Saturday night last. Attitudes on and off the field and greater involvement with the club during the year were the important matters referred to by the Secretary, Anthony Walsh.

The Treasurer, Ollie Whelan, who did not seek re-election, after 11 years in office, gave a very detailed report of the sound financial position of the club. Their income of over £1,825 from the Dungarvan Co-op Draw, their club 'Plotto' draw which yielded £625 and their very high membership fee intake of £538 enabled them to stay in 'the black' at the end of the year. The purchase of 122 hurling balls at a cost of £617 gives a fair idea of the financial difficulties having to be faced by clubs of their size in a season.

Following a discussion on further development of their grounds, it was decided to proceed with the erection of dressing rooms this year.

Four of the outgoing officers, Michael Wall, Sean Tobin, Willie Kennedy and

Ollie Whelan did not seek re-election and well deserved tributes were spoken about all four.

Officers elected were — President — Fr. R. Doherty, P.P.; Vice-dos. — Fr. P. Butler, C.C., Marie Foley; Chairman — Paddy Walsh; Vice-do. — Billy Fraher; Secretary — Anthony Walsh; Treasurer — Michael Flynn; Membership Officer — Michael Wall.

Committee — Pat Dunford, Sean Wall, John Dunford, Dermot Horgan, Sean Tobin, Roger Casey.

Captain I.H. — Billy Fraher; Captain J.F. — Pat Dunford.

Selectors I.H. — Jimmy Beresford, Eamonn Wall, Patrick Hickey. Selectors J.F. — John Dunford, Sean Tobin, Michael Flynn.

Trainer — Jimmy Beresford.

BY "COMMENTATOR"

WAS IT A RECORD?

At the recent Waterford County Convention the attendance of delegates and officials was 285 out of a possible 288 which gave us a 99% turn-out and this, I imagine, must constitute something of a record for such a meeting involving a big number of people. At both divisional conventions the attendance was just short of 99% also.

It all goes to illustrate the tremendous interest that can be aroused when elections of importance are to be decided. I highlight this point here because of the regular references by the officers of the various Boards to the fact that throughout the season when meetings are held, the attendance of club delegates often goes as low as 25%.

In fact, after the first couple of meetings of the Divisional Boards, some clubs take no further interest in the administrative side of things and rely only on reports in the weekly papers of what happened.

The Secretary of the Western Board must have put 'egg on the faces' of quite a few clubs when he

published the attendance record at meetings in an addendum to his annual report.

The rules do not prescribe a penalty for clubs who fail in this regard, but I know that there are ways and means of dealing with situations of this kind. Perhaps the situation will improve in 1989 and there will be no further need to refer to the matter again.

Getting back to the County Convention, I feel that I should refer to the very favourable comments made about the lay-out of the hall for the meeting, which was arranged 'congress style' and in which each club delegation could be identified by its name on the seating.

GERALDINES G.A.A. NOTES

SYMPATHY

Sincere sympathy is expressed to the Davis family, Aglish, and the Morrissey family, Curraghroche, on the death of Mrs. Mary Davis, Aglish, which sad event took place in Ardkeen hospital recently. She was mother of Jim Davis, a former playing member of our club. May she rest in peace.

OUT OF HOSPITAL

We are glad to see that Patrick Connery and John Ring, both of whom were

hospitalised recently, are out and about again in good form.

34th ANNUAL SOCIAL

Geraldines will hold their 34th annual social/dinner in Whitechurch House Hotel on this Friday, February 10 at 8.30 sharp. This is a victory social, as Western and County medals will be presented. Tickets are available from Patrick James Connery, Eddie O'Grady, Daithi O'Brien, Johnny Broderick, Johnny O'Connor or Seamus Meskill.

HEARTENING

It was indeed heartening to see such a big crowd in attendance at the St. Oliver's Under Age Club annual general meeting recently. It certainly speaks well for the future of the game. Let's hope that the players will respond now and take a few county championships to the combined parishes during the coming year. — P.R.O.

EASTERN CONVENTION

It is really only a semi-convention since only a Board Chairman has to be elected to replace Eamon Murphy who has moved on to become County Chairman.

There is tremendous interest in the contest and six have been named to me as possible candidates — Tom Mooney, who lost the vote to retain his vice-chairman's position at their full convention, Frankie Cullinane, Portlawn, Phil Fanning and Jim Greene, Cnoc Sion and Noel Dalton.

At the same meeting the affiliations will be taken and transfers and regradings will be dealt with.

WESTERN BORD NA nOG MEETING

A meeting of the above Bord takes place on Tuesday night next, February 14 in Lawlor's Hotel at 8 p.m. The main item on the agenda will be to elect a Secretary and PRO for the Western Division. The Bord have already failed twice to elect same, so it is up to each club to help elect a Secretary, otherwise our under age affairs will suffer, so it's a must on Tuesday night.

The Western Division are lucky to have in John Kiely an excellent chairman as he has been looking after the affairs himself — so it is now over to the clubs.

ADULT SCOR

Western Scor will be held for all Western Clubs in the CBS hall, Dungarvan, on Saturday, February 11 at 7.30 p.m.

Waterford Footballers Get The Points

Waterford 2-8; Carlow 0-11

Waterford footballers were a trifle fortunate that time ran out for their more resilient opponents Carlow who reduced a seven point deficit to a mere three in a storming finish to this important fifth round league tie at Fraher Field on Sunday.

The small group of supporters who braved the cold wind to see this game got some entertainment from the clash, but coming away, very few were satisfied that our performance enhanced our prospects of promotion.

There were passages of good football on both sides and particularly in the 12th and 13th minutes of the second half when some brilliant movements yielded goals that seemed to make the game safe for the home team. These goals by Jim Maher and Eoin Phelan brought us from level pegging to a six point lead and were decisive in gaining the points.

Despite the wind advantage, Carlow were denied several scores because of very poor shooting by their forwards who were given an ample supply of the ball in the first quarter. In fact Waterford were first to score when midfielder Liam Daniels found Ml. Walsh who shot over our first point in the 15th minute.

Points from Hayden (3) and Nolan (1) for Carlow and a pointed free by Eoin O'Brien left the half-time score 0-4 to 0-2 in favour of the visitors who must have lamented their failure to take advantage of the strong breeze.

NEVER

SURRENDERED

Points by Eoin O'Brien (2) and Maher in the first six minutes after the resumption took us into a lead which we never surrendered. Then came the goals that made us appear safe, but then some very poor marking allowed Carlow back into the game and they were denied a goal because of a 'square' infringement and had this been allowed Waterford would surely have been in serious trouble.

The home defence played very well and particularly the full line of Fintan O'Brien, Looby

and Kirwan. The fact that Carlow who scored only two points from play in the first half when aided by the breeze, were allowed to kick over seven in the second half must be a matter of concern for the selectors.

Scorers — J. Maher 1-2, E. Phelan 1-1, E. O'Brien 0-4, M. Walsh 0-1.

Team — K. Heffernan, D. Kirwan, D. Looby, F. O'Brien, L. Dalton, P. Whyte, D. Casey, J. Maher, L. Daniels, M. Neville, E. Phelan, M. Walsh, J. McGrath, M. McGrath, E. O'Brien. Subs — T. Corcoran for J. McGrath and D. Wyse for M. Walsh.

S.H. TOURNAMENT

Tipperary Come Out On Top

Tipperary 3-18, Waterford 1-18

Tipperary came out on top in this entertaining senior hurling tournament game played at the Clonmel venue on Sunday last. The National League and Munster champions fielded a very strong side with Nickey English placed at wing forward and later at top of the right.

Playing with the very strong breeze, the home side led by 1-11 to 0-6 at the interval, with Cormac Bonner scoring the easiest of goals when he was left completely unmarked.

The Deise defence was always stretched here with the combined play of English, Declan Ryan, Bonner and team captain Pat McGrath, causing many problems for them.

FINE GOAL

On the turn-over, Billy O'

Sullivan, whipping first time, scored a fine goal. However, Cormac Bonner's pace saw him tearing in for his second goal (2-12 to 1-7).

Waterford kept plugging away and the score stood at 2-16 to 1-13 when Cormac Bonner completed his hat-trick. On at least three other occasions the Waterford "citadel" lived a charmed life.

Waterford however again came back to add a further

five points before the final whistle.

WORTHWHILE

This was a very worthwhile work-out with some good points from the Deise viewpoint. However the slackness in the central defensive positions must be of considerable concern to the selectors, while the full line in attack is another problem area.

Liam O'Connor retired injured at the interval, while Nickey English also retired injured in the last quarter. Fortunately neither of the injuries was serious.

Scorers — Tipperary — Cormac Bonner (3-2), P. McGrath (0-5), D. Ryan (0-3), J. Kennedy and J. Cormack (0-2 each); Waterford — B. O'Sullivan (1-1), K. Delahunty (0-8), S. Ahearne (0-4), G. Connors (0-2), N. Crowley, T. Larkin and P. Ryan (0-1 each).

Tipperary — J. Leamy; J. Heffernan, C. O'Donovan, B. Ryan; R. Stakelum, N. Sheehy, J. Kennedy; D. Carr, J. Cormack; N. English, D. Ryan, M. O'Leary; M. McGrath, Cormack Bonner, P. McGrath. Subs — Colum Bonner, Jim Maher, Joe Hayes, P. Fox (all played).

Waterford — J. Power; P. Walsh, D. Byrne, J. Beresford; G. Fitzpatrick, L. O'Connor, T. Sheehan; G. Connors, K. Ryan; N. Crowley, K. Delahunty, A. Cooney; B. O'Sullivan, S. Ahearne, E. Rockett. Subs — S. Cullinane for L. O'Connor, P. Ryan for E. Rockett, T. Larkin for A. Cooney.

Referee — John Moloney (Tipperary).

MINOR HURLING CHALLENGE

A selected team from Waterford will travel to Offaly on Sunday next to play them in a challenge game in preparation for the Munster championship.

The very commendable enthusiasm shown by the members of the minor panel in training has encouraged the selection committee to seek a number of top-class challenge matches and I understand that at least a couple of other games are already 'in the pipeline.'

CLUB A.G.M.

Our club A.G.M. was held on Friday night, January 27 last. This years meeting held at the club pavilion attracted

a very big turn out of club members. It was without doubt one of our finest A.G.M.'s and it did, as general meetings are intended to, set the trend, mood and foundation on which the club will operate as we face the challenges of the championship year ahead.

In his address to the meeting, Chairman Pat Moore offered words of encouragement to all as they work on behalf of the club. Outgoing secretary Noel Fleming presented a comprehensive report on our activity in '88; treasurer Tom Treacy's report on our financial transactions for '88 clearly illustrated the heavy financial burden placed on the club as we continued to develop our playing facilities at the club grounds.

The following are the officers and committee for 1989.

Club Presidents — Paddy Daly and Phily Cashill; Vice-do — Rev. Fr. P. Ahearne, Mrs. Margaret Cashin and Rev. Fr. C. Fives; Chairman — Jim Lenihan; Vice Chairman — Patrick Moore; Secretary — Bernard Shields; Asst. Secretary — Seamus O'Brien; Treasurer — Tom Treacy; Asst. Treasurer — Anne Kelleher. Membership Officers — Marie Burns and Ann French; Committee — Paddy Coyne, Breeda Sheehan, Tony Mansfield, Greg Fives, Josephine Coyne, Ned Keane, Danny Lenihan, Matt Hogan, Dan Dineen, Mary Fitzgerald, Noel Fleming.

May the souls of those who have passed away rest peacefully with God in Heaven.

JUVENILE MEETING

A special meeting involving all those interested in working on our juvenile sub committee, will be held on Friday night, February 17 at the club house, at 8 p.m.

ROYAL LIVER NATIONAL HURLING LEAGUE

Waterford hurlers are due to train in Dungarvan on this Wednesday night in the build-up to their vital NHL fixture against Wexford on Sunday, February 19.

Definitely out of contention is regular full forward Pat Murphy (Tallow) who has temporarily cried off the panel due to a recurring back injury, while the promising young Portlaw defender Paudie Coffey suffered a fractured leg while assisting Waterford Regional Technical College against

U.C.C. on Saturday last, and is also out of contention.

Waterford's final two outings in the league will be against Leinster champions Offaly at Dungarvan and Limerick at Walsh Park. Both of these counties were also in action on Sunday last in tournament games and whatever way one looks at it, the "Deise" hurlers have their work cut out for them in the concluding games of the NHL.

EUROPEAN ELECTIONS

(Continued from Page 1)

would not be seeking re-election to the Dail in the next election has caused further ruffles for the Fine Gael Party.

For some months past, the name of Deputy Austin Deasy, Dungarvan has been mentioned on an off as a likely Euro Fine Gael candidate and last week's announcement by Tom O'Donnell has again given rise to fresh speculation and has increased the pressure on Deputy Deasy to throw his hat into the ring.

When a "Leader" staff reporter spoke to Deputy Deasy in Dungarvan last Monday and asked him whether he had yet reached a decision as to whether he would stand or not for Europe, he was hesitant and stated that he was still undecided. He informed us that he had been appointed as Director of Elections by Fine Gael for the Sligo by-election caused by the re-

cent resignation of Minister of Finance, Ray MacSharry on his appointment to the European Commission. Deputy Deasy said he expected the writ for the by-election to be moved in the Dail this week with a likely March date for polling day. This, he added, could place him at a disadvantage where a European election campaign was concerned. However he assured us that he expected to be in a position to make an announcement by the coming week-end which would clear the air one way or the other as to his intention in regard to the European elections.

FIVE SEATER

In all, there are five seats to the Euro Parliament to be won in Munster and at present Fianna Fail and Fine Gael hold two each with one seat being held by independent, T. J. Maher.
