£10,000 Damage At Dungarvan Halting Site

On the night of Friday/Saturday, February 10-11, furniture fittings both electrical and water together with doors, door frames, glass, ceilings, downpipes, wire fences and entrance gates at the itinerant halting site located at Shandon, Dungarvan were vandalised to the extent that most of the fittings will, of necessity, have to be replaced if the Halt is to be brought back to its former state.

This was stated by Mr. B. White, Town Clerk, in the course of a report submitted to the monthly

meeting of Dungarvan Urban Council last Monday night.

The report went on to

state that two itinerant families were using the halt for 3 weeks but left on Saturday, February 11

and following investigations the gardai were pursuing a certain line of inquiry.

The town Clerk stated that all six of the units at the halt had been vandalised and the cost of repairing the damage was estimated by the Town Engineer to be in the region of £10,000.

WANTON DESTRUCTION

The Chairman, Cllr. Austin Hallahan said that with the Deputy Manager, Mr. McNally, the Town Clerk, Mr. White and the Town Engineer, Mr. Taylor, he inspected the damage at the halting site and was absolutely appalled when he saw the force that must have been used to commit such wanton destruction, all done in about 12 hours. The entire site had been devastated.

The Chairman added that they were accompanied during the inspection by Mrs. Moriarty, a member of the National Council for the Resettlement of Itinerants and she was now submitting a report on the destruction of the halt to her Council.

On the point of supervision, the Town Clerk said that the halt was not big enough to warrant a full-time caretaker. "But", added Mr. White, "if we had all the caretakers in the world we wouldn't have saved the site as all the damage was done late at night and in the early morning".

Cllr. B. Kyne said that while he had great sympathy for travelling people and while there was great credit due to the Co. Manager who was responsible for setting up the halting site as one of the first of its kind in Ireland, the fact that it has been abused several times in the past and now literally destroyed called into question the entire national policy of resettlement for itinerants. "These people don't want to be resettled", said Cllr. Kyne, "as they want to move from place to place exploiting the public selling shoddy second hand gear" and he added "we have made our effort for them and look at what has happened".

Cllr. M. O'Riordan said he had lost faith in the idea of providing such facilities for itinerants and he thought the Council should just close down the halting site now and forget about it.

SEARCH CONTINUES FOR BALLYDUFF CHILD

Despite a massive search operation which has continued throughout all the daylight hours since last Thursday, the body of 4-year-old Aileen Daly, Modeligo, Ballyduff Upper, has still not been located as we go to press.

The search commenced following a claim on last Wednesday evening by a 37-year-old Ballyduff man that he had thrown the girl from the parapet of Lismore Bridge into the river, 50 feet below. The man called to the home of Garda Sergeant Tom O'Grady at 6.45 p.m. that evening and made the statement that triggered off what has turned out to be one of the most intensive and sustained searches in living memory along the reaches of the river Blackwater.

Gardai from Lismore, Cappoquin, Ballyduff, Tal-low and Waterford together with units of the Civil Defence Organisation and sub aqua divers and river rescue services from Fermoy, Mallow, Dungarvan, Garda Club and Navy as well as large numbers of volunteers from the general public have maintained a ceaseless but unfortunately, so far, fruitless search for the little Ballyduff girl.

On Monday last a 6-man naval sub aqua diving team under Sub. Lt. Reynolds was drafted in

to join forces with the garda divers and the concerted search of the river continued again on Tuesday. So far a 4-mile stretch of the river downstream from Lismore Bridge has been fine combed while in addition, special search parties have searched hedges and ditches along the Tallow Bridge — Lismore Road and the lands along the river bank.

A garda spokesman was full of praise for the work done by the Civil Defence Organisation under CDO Colm Bannon in providing refreshments for the weary searchers and for the officers of the Cappoquin Rowing Club who have placed their premises at the disposal of the sub-aqua teams diving in the river.

GARDA APPEAL

The spokesman repeated the Garda appeal to anyone who may have passed over Lismore Bridge between 6 p.m. and 6.30 p.m. on Wednesday evening of last week or who may have travelled along the Tallow Bridge — Lismore road, to contact the Gardai in Lismore.

The search operation, since it commenced, has been carefully and most efficiently supervised and directed by Garda Supt. P. J. Hayes, Dungarvan and he has been loud in his praise of the wonderful co-operation and help afforded by all members of the general public over the past week.

Meanwhile the search continues with unabated vigour and hopes are being

expressed that little Aileen will be found sooner than later.

The tragedy has cast a widespread gloom over the entire West Waterford area since it occurred a week ago.

FATHER REMANDED IN CUSTODY

Eamonn Daly, 37-years-old National School principal teacher of Modeligo, Ballyduff Upper was charged with the attempted murder of his 4-year-old daughter, Aileen, when he made a brief appearance in custody before District Justice W. F. O'Connell at Carrick-On-Suir Court last Thursday.

The accused stood in silence as the District Justice read the charge over him "that you did, on February 15 at Lismore attempt to murder by drowning Aileen Daly of Modeligo, Ballyduff Upper".

The Court was told by Supt. P. J. Hayes, Dungarvan who is in charge of investigations into the case that when he charged Daly at Lismore garda Station, he replied "no comment". He asked that the accused be further remanded in custody.

Mr. J. Healy Solr. who represented Daly did not object to this application but he asked that the accused be medically examined in prison and further that the assessment of his client be brought to the attention of the authorities.

District Justice O'Connell then remanded Daly in custody in Limerick prison to appear again at Clonmel Court on to-day (Wednesday) February 22.

THE CRAFT OF SKIN CARE

(By Carmel Horan, Proprietress of Carmel's Beauty Salon, Main Street, Dungarvan)

In last week's issue I dealt with the internal factors which govern a healthy skin. This week let's look at—

SKIN CARE FROM THE OUTSIDE

There are three parts to any good external skin care regime, regardless of your age or what type of skin you have — (1) Regular thorough cleansing; (2) Protection from moisture loss; (3) Protection from the ultraviolet rays of the sun.

These are the basics and they are simple to do. One can include a fourth part to skin care too, and that is a salon treatment. A salon treatment can correct problems, help preserve youth and revitalise the look of skin.

You may argue that many grandmothers who have beautiful skin have never used anything on it but old-fashioned soap and water. But do take into consideration that they spent their youth protecting their fair skin from the sun, that they probably had a better diet than we do — a diet mostly of whole foods eaten in their natural state instead of foods that are over processed and laced with an increased number of additives — and that most of their lives their skin was probably not insulted by the vast range of chemical pollutants in the air and water to which ours is subjected.

CLEANSING

Toilet soap is not as effective as a cream or lotion cleanser. Its disadvantage lies in its being extremely alkaline. This means that using soap reduces the natural acidity, or PH of the skin, which helps protect it from bacterial invasion. Soap is capable of penetrating the skin's outer layers, making the skin of women who tend towards dryness even drier.

Surprisingly, it can also have just the opposite effect on skin that tends to be oily. Because the degreasing action of soap stimulates the already overactive sebaceous glands to produce even more oil, a kind of vicious circle is created. But don't lose heart if you are a soap fancier, there are many PH balanced foaming cleansers on the market, thanks to modern technology. These foaming cleansers are used in the same way as soap and they don't disturb the PH of the skin.

Cream and lotion cleansers will cut through make-up and grime and provided you use enough of one and that you remove it with a tonic lotion afterwards, they will do an excellent job of keeping your skin clean.

Put a lotion or cream cleanser on with your hands as you would soap and then tissue it off, or remove it with damp cotton-wool. Always repeat the application until the tissue shows no sign of dirt on it.

Then follow with tonic lotion or skin freshener, preferably one without alcohol in it.

Whichever cleansing method you choose, follow it twice daily. This is the first step of caring for your skin from the outside.

PRESERVING MOISTURE AND PREVENTING WATER LOSS

Your skin is constantly giving up moisture, not just through sweat ducts, but through a process of transpiration in which water in the cells on its surface evaporates directly into the atmosphere. This is quite different from perspiring, which only happens to any marked degree when the body is warm.

Transpiration occurs constantly. The lower the humidity in your environment, the more rapid will be the water loss and the greater the need to protect against it. What most women don't realise is that the average centrally heated home or office is comparable to that of the Sahara Desert.

Similarly, chemical pollutants and anything that affects the skin's protective film decreases its effectiveness and leads to further dehydration. The happy news, however, is that a good moisturiser helps solve the problem.

There are literally hundreds of moisturisers on the market. Some are beautifully cool to the touch and scented, others somewhat greasy. By far the most effective way of moisturising is simply to prevent water in the skin from escaping into the air.

Some moisturisers, particularly the kind that feel cool and delightful on your skin when you apply them, are oil-in-water emulsions whose fat content is too low to provide the coating on the skin's surface that it needs to be effective in keeping its natural moisture in. Their high water content is what makes the skin feel so lovely when you put them on, since it evaporates quickly from the surface, cooling it and giving it a sensation of freshness in the process. But it is just this high water content that makes this kind of moisturiser not very effective — that is unless you want to apply it again and again every few minutes.

Water-in-oil moisturisers contain a great deal more fat than water which means they protect the skin effectively from excessive moisture loss. They are good for both dry and oily skins. For, unlike so many products specifically designed for oily skins, they are not strongly degreasing. They don't spur the oil glands to produce even more oil in

the kind of vicious circle women with oily skins know so well.

Find a moisturiser that suits you and wear it every day, applying it twice a day if you can under makeup when you are wearing it or just on its own when you don't. This is the second part of skin care.

LIGHT CAN BE FOE OR FRIEND

The third part of everyday skin care is simple: your skin needs to be protected from the sun. This does not just mean when you are lying on the beach, it means all the time. Long term exposure to ultraviolet light brings about degenerative changes in the deep layers of the skin that until recently were thought to be an unavoidable part of the ageing process.

Heavy exposure to the sun's light at the age of 18 will result in early wrinkling between 25 and 40. This is an unfortunate law of nature that nothing can change, except, of course, wearing some form of adequate sunscreen on the skin.

Ultraviolet rays, which are dangerous to the skin and age it, don't come just from being directly exposed to the sun's light. They also come from the sky and reflections off water and off the earth. In fact, the amount of ultraviolet radiation from the sky is greater than that coming directly from the sun itself. So your skin needs protection all the time.

Many moisturisers and make-up products now include a sunscreen in their formation (read labels). Choose one that does and you will obtain a dual-purpose product. Wear it all the time, winter and summer, so that you never expose your unprotected skin to the light.

Twenty years from now, when you compare your face with a friend's of the same age who hasn't used a moisturiser/sunscreen constantly, you will be pleased to find that you look a good ten years younger than she does.

These three things — cleansing, protection from moisture loss and protection from light are all there is to basic skin care.

A word of advice — don't just buy any products — seek advice on the types of products most suitable to your skin type.

In next week's issue I will be dealing with the problems which arise when something goes wrong with the skin, such as acne, flaky skin, ultra-sensitive skin, red skin, stretch marks and much more.

PAUSE FOR THOUGHT WITH FR. PADDY

JOURNEY'S END

The readings on last Sunday week remind us that God wants all to be saints, and so He encourages us to lead lives worthy of our high calling. Your holiness was the whole purpose of the Redemption. It is even the very reason for the Church's existence. Yes, all the Sacraments were instituted and ordained to help you to become a saint. Now, whilst your holiness will be the fruit of God's help, you, of course, must sanction the work. You must, so to speak, open the door and allow Him entry. That means, if you hope for God's grace, you must strive and endeavour to live a good and a decent life. Be assured: He will not impose Himself upon you, but He will respond to every cry for help.

The church is coming to our rescue when she designated the Lenten programme of penance. The very fact she has nominated this period of forty days of mortification makes it a blessed time — a time of grace. And, just as Moses directed his people not to forget their deliverance from Egypt, the Church likewise encourages her children to make Lent a fitting preparation for our Festival of Christ's Resurrection. She knows that if we strive to transform our way of life that we will become more like the glorified and transfigured Christ. And, the way to accomplish that is to model our lives on Christ's, which spells out effort and sacrifice.

Peter, James and John were privileged to witness the Transfiguration on Mount Tabor: and they were so filled with delight that all they desired was to remain in that happy and blissful state. It was not to be. Their faint glimpse into the hereafter was to prepare them to face and to understand the trials ahead. Indeed, we too are privileged to see the glorified though veiled Christ in the Eucharist. We see Him through the eyes of faith. We have God's word that by our love of Him we can transfigure our souls. Like the Apostles we will be able to cry out "Lord, it is good for us to be here," but like them, we too will have to descend from the mountain, and face the hardships and realities of life. However, we know our future, and this will goad us to follow in the steps of the Master.

We should remember that the Eucharist is our greatest support in climbing Mount Tabor. It will fill us with His spirit, and make us more like the glorified Christ. I feel that one of our biggest omissions is that we give so little thought to what God has in store for us. "I want to go to Heaven, but not just yet," is an old and a true saying.

Young people! beware of the prophets of the world. They will regale you with false promises, but what they have to offer amounts to no more than, come, have fun and let the future take care of itself, whereas, we all know that it is you yourself who must care for your future. Hence, nourish and build your strength on the Eucharist, and your future will be assured for God has stamped the guarantee.

EUROPEAN PARLIAMENT

HIGH-POWERED TRAWLERS SWEEPING AWAY SALMON SAYS MAHER

Mr. T. J. Maher (Independent, Munster), speaking in a debate in the European Parliament in Strasbourg on fisheries, said the Parliament must follow the lead of the Commission, and treat fisheries as a separate issue.

Now that a new Parliament was to be elected in June, they could not go any longer having fisheries dealt with by a sub-committee of the Committee on Agriculture, and especially since Spain and Portugal were now members of the Community. He had sympathy for the plight of small-scale fisherman, just as he had for small farmers. They were often blamed for over-fishing, but many of them would not have the capacity to over-fish; they had small boats and did not possess the technology available to the bigger trawlers.

Salmon had become

scarce in many Irish rivers, not because of over-fishing of the rivers, but because of over-fishing at sea by high-powered trawlers using the most modern technology with small-filament nets which were virtually sweeping away the salmon, in and out of season.

Ireland did not have the capacity to police the seas off the north-west, west and south coasts, and this was where they needed more support from the Community to ensure that this illegal fishing was not carried on to the detriment of fishing and indeed also of the tourist industry.

ABBEYSIDE MAN FINED FOR ASSAULTING GARDA

A "decent fellow" was fined £150 at Cappoquin Court for assaulting a garda officer with intent to resist his lawful arrest.

20-year-old building worker, Michael Keohan, Fenian Place, Abbeyside, Dungarvan, pleaded guilty to assaulting Garda Timothy Murphy at Bridge Street, Dungarvan, in the early hours of February 10, and also with being drunk and disorderly on the occasion.

Garda Murphy told the court that he saw Keohan fighting with another man at 12.15 a.m. The defendant had his shirt off and he refused to go home quietly when asked.

Garda Murphy said Keohan resisted arrest and things got somewhat out of hand when some of his friends became involved.

He had to summon garda

assistance and the defendant had to be dragged into the garda station. Next morning however he was most apologetic. "This whole incident was out of character for him," Garda Murphy added.

Mr. E. P. King, Solr., said Keohan was very drunk and has no recollection of what happened. "He is a decent fellow and the gardai will not be troubled by him again."

District Justice P. Smithwick however said the incident was a very serious one. He fined Keohan £150 for assault and marked the drunk and disorderly offence "taken into consideration."

Supt. M. Keane prosecuted.

Ninth Consecutive West Waterford Drama Festival

Theologically Lent, theatrically Advent. Pursuant to tradition, Springtime sees the advent on the scene of the Annual Festival of Three-Act Amateur Drama to Ballyduff in particular and to West Waterford and East Cork in general.

This is the ninth consecutive festival and as standards yearly rise so it becomes more difficult not alone to exceed them but even to maintain them. However this year the groups chosen and the plays chosen are as close a guarantee to continued success as is sanely possible. The festival is of major importance to the area on a social level on account of the carnival atmosphere created and the annual friendships generated and maintained.

Economically the festival brings in much needed alien currency. However, it is on a cultural level that the festival's greatest significance lies as it is now well recognised as being one of the most prestigious in the country.

This year's festival runs from Thursday, March 2 to Monday, March 13 (excluding Wednesday, March 8), with Biddy White Lennon as adjudicator. Booking for season tickets confined to 120 and individual nights, is per Eithne Coleman at 058/60208.

THE PLAYS

Within the chosen plays there is a distinct blend of all that theatre-going people desire — real-life drama, comedy and tragedy. There is a distinct Irish emphasis, but this is merely indicative of current trends. Irish plays are top of the box-office appeal — they are what audiences want; and they are second to none for literary and theatrical merit — they are what the critics want. The acclaim of O'Casey, Synge and Friel goes far beyond our shores, while Keane is much beloved of Irish audiences for his rustic earthiness.

The American trio of

plays are perhaps better known as films but were Broadway spectaculars long before they hit the silver screen. Movie buffs might best recall, perhaps, Jack Nicholson as McMurphy in 'One Flew Over the Cuckoo's Nest' and Grace Kelly in her Oscar-winning role as 'The Country Girl.'

Interestingly, from a local viewpoint, some years back 'One Flew Over the Cuckoo's Nest' was an All-Ireland winning production for Ballyduff — knowing Charleville, their aspirations will not be little ones.

THE GROUPS

The geographical breakdown of the groups is as

follows — Cork 4, Wexford 3, Tipperary 2, Waterford 1.

THE PROGRAMME

Thursday, March 2 — Ballyduff — "The Country Girl" by Clifford Odet.

Friday, March 3 — Wexford — "Shadow Of a Gunman" by Sean O'Casey.

Saturday, March 4 — Charleville — "One Flew Over The Cuckoo's Nest" by Dale Wasserman.

Sunday, March 5 — Kilmee — "The Playboy Of The Western World" by John M. Synge.

Monday, March 6 — Holy Cross/Ballycahill — "Sive" by John B. Keane.

Tuesday, March 7 — Kilmuckridge — "Johnny Belinda" by Elmer Harris.

Thursday, March 9 — Brewery Lane, Carrick-on-Suir — "The Loves of Cass Maguire" by Brian Friel.

Friday, March 10 — Shamrock, Ringaskiddy — "Billy Liar" by Keith Waterhouse and Willis Hall.

Saturday, March 11 — Enniscorthy — "Lovers" by Brian Friel.

Sunday, March 12 — Mitchelstown — "All The King's Horses" by John McDonnell.

Monday, March 13 — Final Adjudication.

ANGLING ON COUNTY COUNCIL RESERVOIRS IN EAST WATERFORD

In the course of a report submitted by Mr. B. J. McNally, County Secretary, to the February monthly meeting of Waterford County Council held in Dungarvan it was stated that discussions with the Southern Regional Fisheries Board for the development of angling facilities for tourists and for members of the Waterford Angling Club on the Council's reservoirs at Ballyshunock, Knockaderry and Carriganvantry had taken place with a view to granting a lease of the fishing rights at the reservoirs to the Board.

A 20-years lease was now proposed, the principal terms of which were; that no boats operate on Ballyshunock, bank fishing only; row boats only on Knockaderry and Carriganvantry; the Board would licence to Waterford Angling Club the fishing on Carriganvantry and that the Board would develop and manage the fisheries.

COUNCILLOR'S OBJECTION

During a brief discussion on the report, Cllr. M.

O'Riordan said that he would object strongly to the proposal if Ballyshunock and Knockaderry were to be put in charge of a fishing club as he felt these should be left open to the public and to local fishermen.

The County Secretary said that a permit to fish there would be issued by the Fisheries Board and it would be open to everyone to obtain one.

Members queried what the cost of such permits

would be, pointing out that in paying for a rod licence as laid down by the Minister for the Marine and also for a permit, fishermen would, in fact, be paying twice for the development of these fisheries.

The Council then unanimously agreed to approve of the proposal in principle and also to ask a representative of the Fisheries Board to attend the next meeting to discuss the matter of permits and what they would cost.

KNOW YOUR RIGHTS

Q. — My daughter aged 15 has been offered a part-time job for about 15 hours per week. Will she have to pay PRSI and if so do will she be covered for any benefits? Will I lose the Children's Allowance for her? She is still at school.

A. — Only people aged between 16 and 66 have to pay full PRSI. However, there is a special class of insurance for young people under 16 years of age. There is no payment involved for the young person or the employer but the employer should record them under M class of PRSI. Even though your daughter will not have to pay anything she will be covered for Occupational Injury Benefit as soon as she starts work. This means that if she has an accident at work or while travelling to or from work she will be entitled to a payment from the Dept. of Social Welfare.

It is most important that —

- (i) she gets as RSI number (Revenue and Social Insurance No.);
- (ii) she is registered as an employee;
- (iii) that her employer records her under the M class of insurance.

To get her RSI Number she should complete a form 12A which she will get at the Tax Office. Her employer should give her his/her Employer's Registered Number and the address of the Tax Office which deals with his/her affairs. She should then give the completed form 12A to this Tax Office. She will be issued with her Tax Free Allowance Cert., showing her PRSI Number within a few weeks. She will also receive a card showing her PRSI Number from the Dept. of Social Welfare. She should keep this carefully for future use.

You will still be entitled to the Children's Allowance for her until she reaches 16 or up to age 18 if she continues in full-time education.

Q. — Who decides whether I am entitled to a Medical Card and on what basis are they given?

A. — Medical Cards are given to people who, in the opinion of the Chief Executive Officer (C.E.O.) of the Health Board are unable, without undue hardship, to afford medical services for themselves and their dependants.

The Health Boards in consultation with the Department of Health have laid down guidelines to assist the C.E.O. in making his decision. These guidelines are not legally binding — they are for guidance only. In some cases Medical Cards can be given to people whose income is above the guidelines. This happens if the C.E.O. is satisfied that the person has exceptionally high medical expenses.

The following are the guidelines in operation since 1st January 1989.

	Aged under 66 £ per week	Aged 66-67 £ per week	Aged 80+ £ per week
Single Person (Living alone)	72.00	77.50	81.00
Single Person (Living with family)	62.00	67.00	70.00
Married couple	103.55	115.00	121.00
Allowance for child aged under 16	12.00	12.00	12.00
Allowance for child dependants aged 16+	13.50	13.50	13.50

FURTHER ALLOWANCES

Outgoings on house in excess of £12 per week, e.g. if you pay £30 per week rent, you will be allowed to deduct £18 per week in deciding whether you are eligible for a Medical Card.

Reasonable expenses in excess of £10.50 per week incurred in travelling to work may be taken into account. In general, no allowances are made for income tax or other expenses, other than those described here.

CALL TO SPEED UP DISADVANTAGED AREAS SURVEY

Mr. Dan O'Loughlin, Waterford I.F.A. Rural Development Committee Chairman called on the Minister for Agriculture to guarantee that the necessary resources in the Department of Agriculture would be reallocated to ensure that the survey of Disadvantaged Areas' boundaries currently in progress was carried out at maximum speed.

"I.F.A. will not stand for a repetition of the survey fiasco at the last attempt in the 80's when it took over four years to complete the work", said Mr. O'Loughlin.

The anomalies created by the present boundaries on Disadvantaged Areas have deprived 10,000 framers of aid totalling over £8 million annually and the loss of these incentives has meant that local Agricultural output has stagnated

in many of the areas concerned.

"I.F.A. demands a public commitment from the Minister to set a realistic deadline of three months for the completion of the survey. Farmers living in the shad-

ow of the Disadvantaged Areas boundaries deserve to be shown some light after a wait of over 14 years since the original measure was first introduced in 1975", added Mr. O'Loughlin.

IFA WILL SUPPORT RECOVERY PROGRAMME IF ...

Mr. Gerry Murphy, Waterford Co. Chairman stated recently that the benefits to farmers and the National Economy are sufficiently worthwhile for I.F.A. to continue to support the Programme for National Recovery. But in a warning to Gov-

ernment the I.F.A. Chairman, Mr. Murphy said that his Association's support was not unconditional. Mr. Murphy said that there were three major issues that had to be urgently resolved during the programme: —

- (i) The present anomalies in the taxation system which discriminate against farm families are removed.
- (ii) A political undertaking from the Government to commit themselves to paying the full 2.5% V.A.T. refund to which farmers are justly entitled.
- (iii) Extension of the farm profile to all farmers who do not have any worthwhile tax liability.

ERAD PROCEDURES TOO SEVERE SAYS ICMSA PRESIDENT

Mr. Sean Kelly President of the Irish Creamery Milk Suppliers' Association said that procedures adopted by ERAD to deal with animals having lost tags are too severe in cases where no blame is attached to farmers.

"Farmers will not be made scapegoats and will not allow themselves to be always thought of as being wrong", he said adding that "while the Department of Agriculture has failed to provide a satisfactory identification tag, it is wrong to put an unbearable penalty on farmers for lost tags. The return of cattle to the farm and the delay in awaiting a test, is a penalty far too severe than the unavoidable crime of losing an ear tag warrants."

Concluding Mr. Kelly said an immediate meeting has been sought with the Chairman and Chief Executive of ERAD to get a satisfactory solution.

ICMSA AND REACTOR COMPENSATION

The ICMSA, according to Mr. Sean Kelly, President, are totally satisfied that substantial increased reactor compensation can now be financed from savings and underspending by ERAD on reactor compensation last year. However, the ICMSA are absolutely opposed to any further increase in the disease levy, and any further suggestion or proposals on this point, from any quarter, is bordering on the reckless. Farmer's contribution to ERAD of £22 million is already too high, stated Mr. Kelly.

Mr. Kelly said that the Government commitment to funding the scheme to the tune of £9.8 million annually should be honoured with the normal roll-over from one year to the next.

Mr. Kelly added that he hoped that the number of reactors next year would be substantially down on the projected 33,000 for this year. Given this situation, ICMSA will be seeking the earliest possible reduction in the disease levy, and most definitely will not tolerate any increase in the levy rate.

111,000 SHEEP WERE DIPPED IN 1988

In a report on Sheep Dipping in the county in 1988 submitted by the County Secretary, Mr. B. J. McNally to the February monthly meeting of Waterford County Council held in Dungarvan, it was stated that the total numbers dipped increased from 91,390 in 1987 to 111,028 in 1988 with the bulk of the increase occurring in the lowland areas.

The report went on to state that two outbreaks of sheep scab occurred in 1988 both in West Waterford and in both cases the problem seems to have been caused by sheep brought in from another county after dipping ended here.

It was proposed, the report added, to retain the 1987 scale of dipping charges in the current year, i.e. 75p per sheep for public dipping and 15p per sheep for private dipping.

The following is a breakdown of the sheep dipped in the various areas in 1988 with the comparative 1987 figures in brackets: Lismore Lowland 13,309 (9,036); Dungarvan/Youghal Lowland 15,039 (11,038); Kilmacthomas/Waterford/Carrick Lowland 31,467 (25,056); Dungarvan/Kilmacthomas Mountain 22,287 (20,154); Clonmel/Carrick Mountain 16,587 (15,130); Knockmealdown East 9,049 (7,959); Knockmealdown West 3,290 (3,017).

GRAIN INDUSTRY MUST BE PROTECTED

Mr. John O'Mahony, Waterford IFA Grain Committee Chairman said that the Minister for Agriculture must take immediate steps to protect the Irish Cereals Industry from the devastation being caused by E.C. stabilisers and price cuts.

Mr. O'Mahony said that the Minister must realise that the present E.C. Cereals policy was excessively punitive and threatened the very basis of our native industry.

Mr. O'Mahony said that I.F.A. policy on Grain was one of supply management through area control coupled with rigorous levying of imported Cereals substitutes.

sheep should see that their dogs were kept under control particularly now during the lambing season.

Cllr. M. Queally said that a call should be made on the Minister for Justice to close the loophole in the Dogs Act in regard to on-the-spot fines in view of the recent Court decision in the matter.

Cllr. C. O Riain said that the Council was to be congratulated in not increasing the dipping charges for this year and he stressed the need to dip sheep to avoid the disaster that can be created by an outbreak of sheep scab.

The report as presented was then unanimously approved.

BADGERS SIGNIFICANT SOURCE OF BOVINE T.B.

In a statement welcoming the report by Dr. R. O'Connor, of the Economic, Social and Research Institute, on the role of the badgers in T.B. spread, the IFA's Deputy President, John Donnelly, said that the report confirms what farmers have always believed, that badgers, in certain parts of the country, are a significant secondary source of TB infection in cattle.

The IFA leader praised the action already taken by ERAD in identifying the problem of blackspots.

Mr. Donnelly said "now they must finalise the job by implementing correct and effective measures to protect the health of the cattle population in Ireland. Once TB infection is traced to wildlife immediate steps must be taken to remove that source of infection — radical surgery is needed".

CALL ON MINISTER

Mr. Donnelly added that he called on the Minister of State, responsible for Wildlife, Mr. Noel Treacy, to implement without delay, the legislative changes necessary to allow ERAD depopulate infected badgers by gassing etc. His association has requested an urgent meeting with Mr. Treacy to discuss the matter fully.

Identification of Cattle at Factories

ERAD advises farmers that cattle entering Meat Factories must have tags and matching documentation. Cattle without these will be returned to the farm of origin ... and the herd will be restricted until tested.

SET CLUB NEWS

An air of gloom hit the club last Monday week when it was learned that a very good friend of ours, Martin Foley, had died suddenly in Liverpool. Martin, brother of Mrs. Molly Henebry, Knockenpower, always kept in touch with us on his many visits home to Ireland, and it was through the efforts of Martin and his many friends in Liverpool that the club has had the opportunity of visiting the Irish Centre there on many occasions.

From our many visits, it was evident that Martin worked tirelessly to make everyone feel at home during their stay and he also ensured that Irish music, song and dance will always survive at the Centre. We know, too, that his co-workers there will carry on the good work.

He is not only a great loss to his wife Maureen, daughter Margaret, his sister Molly and the rest of his relatives and friends, but we, as a club, have lost a dear friend, a man whose quiet nature and friendly smile will never be replaced.

Up to the day of his death Martin was working with his friends to finalise arrangements for our forthcoming trip to the Irish Centre in Liverpool which starts on March 16, and it is regrettable that the man who looked forward so much to our visit will now be absent.

Along with his own family members, Tommy and Kathleen Hickey and Breda Hallahan were present at Martin's funeral.

We extend a sincere vote of sympathy to all his family. May he rest in peace.

A special Mass was offered for the repose of Martin's soul in Touraneena Church on Tuesday

night last.

SENIOR SCOR

Last Saturday week saw the Western final of Senior Scor, held in the CBS hall, Dungarvan. Again it was sad to see that so many clubs failed to participate. Our Novelty Act and Set will, however, be represented in the County final, which will be held on this Saturday, February 25.

DEATH OF GRANGE NONAGENARIAN — TOM FITZGERALD, GLENLICKEY

The parish of Grange lost one of its oldest inhabitants by the death recently at his home of Mr. Tom Fitzgerald, Glenlickey, Grange. He was in his 97th year and up to his recent illness had enjoyed excellent health. Tom was the last surviving member of a family of five, and was of the farming community.

During his younger days he was a member of the Old IRA and was also a keen sportsman and fluent Irish speaker. His favourite sports were athletics and tug-o-war, for which he received acclaim.

His funeral was to Grange where his remains were blessed and received by Very Rev. Fr. O'Connor, P.P., Ardmore.

Following Requiem Mass on Monday, January 30, which was celebrated by Fr. O'Connor and assisted by Rev. Fr. Billy Meehan, C.C., Clashmore, Tom was laid to rest in the family burial ground in the adjoining cemetery. Appropriate graveside prayers were recited both in English and Irish by Rev. Fr. O'Connor, P.P.

Tom is survived by many relatives.

VOICE OF CLASHMORE

The second round of the Voice of Clashmore was held in Pat O'Rourke's Bar, Clashmore on Saturday night, February 11. The third round was held at Tommy Beresford's, The Rising Sun, last weekend.

recovering quickly. Continued good wishes are extended to him.

SYMPATHY

BLOOD PRESSURE CHECKS

REQUEST TO COUNCIL TO MAINTAIN BALLYDUFF CEMETERY

At the February monthly meeting of Waterford Co. Council in Dungarvan, Cllr. J. Quirke proposed that the Council take over and maintain the burial ground purchased by the people of Ballyduff Upper Parish and which was adjacent to the Council cemetery.

Cllr. Quirke explained that the land adjacent to the existing Council cemetery in Ballyduff had been purchased by the parish and

the people wanted to know if the Council would now take over the extension and maintain it. As it was, Cllr. Quirke said that at present half of the cemetery was owned by the Council and the other half by the parish and this was a very unsatisfactory situation.

Cllr. W. McDonnell seconded the proposal stating that the request was a very reasonable one.

Mr. John O'Flynn, Co. Engineer pointed out that there was no money provided in the Council's estimates this year to develop and maintain

graveyards. Apart from that he said that for a number of years past it was not the policy of the Council to take over or maintain cemeteries.

When Cllr. Quirke pressed his point stating that the situation in Ballyduff was unusual in that one portion of the graveyard was under the control of the Council and that the taking over the new section would not involve any expenditure, the Acting County Manager, Mr. B. J. McNally said that he would have the matter examined again.

PIOUS PLATITUDES WON'T SAVE GAELTACHT

Proposing a motion at the February monthly meeting of Waterford Co. Council in Dungarvan last week that the Council acquire land in Ring suitable for local authority housing the Chairman, Cllr. Billy Kyne, thought there was a lot of pious platitudes uttered about saving the Gaeltacht and the people who lived there, but that was no good without action being taken.

He said he was aware that at present a number of families from Ring were on the Council housing list but they had no land in the area on which houses could be built. The sooner they made an effort to rec-

tify this situation the better, he added.

Cllr. Brian Swift T.D. seconded the motion which was supported by Cllr. M. O'Riordan and Cllr. C. O'Riain and passed.

PAYING FOR DRUGS

The recent announcement by the VHI that the cost of prescribed drugs and medicines would no longer be covered by their Out-Patient scheme has led to a lot of discussion about who pays for drugs and just how much individuals have to meet from their own pocket.

There are a number of ways in which assistance with the cost of prescribed drugs and medicines are still available. If you are a member of VHI or not you could be able to get such assistance from your health board while for medical card holders and people suffering from certain long-term illnesses, prescribed drugs and medicines are free.

The refund on drugs scheme operated by the health board is available to everyone who is not entitled to free drugs and medicines. Under the scheme a person can get a refund of the amount spent over £28 on drugs and medicines for use in any calendar month. Many people find the operation of this scheme quite confusing because it is based strictly on the amount you need to use in a calendar month and not on what is actually spent.

On purchasing prescribed drugs from a pharmacy you get a receipt and at the end of each month you send these together with an official claim form to the health board. If your month's supply of drugs costs, say £40, then you may get a refund of the amount over £28, i.e. £12. The refund applies to the amount over £28 spent by a person and also by his/her dependents, so all the family drug costs can be added together. The scheme, therefore, means that the maximum an individual should have to spend from his own pocket on prescribed drugs and medicines is £28 per month or £336 per year.

Claims for refunds should be submitted at the end of each month and while there may be some delay you should not allow a backlog to build up as then you could stand to lose your entitlement.

KILRUSH JUNCTION RECOMMENDATIONS

Eight recommendations to improve safety measures for traffic at the Kilrush Junction on the Dungarvan By-Pass submitted by Road

Traffic Consultants, McCarthy and Partners Ltd., Dublin and approved by the County Engineer and County Manager were discussed by Cllrs. Tom Cunningham and Michael O'Riordan representing the Co. Council with the County Engineer last Friday afternoon in Dungarvan. Also present was Mr. Don O'Sullivan the Council's Senior Executive Engineer, Main Roads Grant. The consultants were not represented at the discussions and the Council Chairman, Cllr. B. Kyne was unavoidably absent.

Arising from the discussions, the programme for the implementation of the recommendations showed that all will be completed by March 31. The new road markings at the junction will begin on this coming week-end, February 24; the order for the increased primary and secondary signal heads on the traffic signals has been placed and this work will start in the week-ending March 24 with a 5 day time limit to complete; the relocation of the pedestrian crossing signal will be done at the same time and the railing at the crossing will be erected on the week-ending March 31.

The erection of arrows on the green signal heads to indicate straight through and right turn movements will also start on the week-ending March 24. This improvement could well prove the most important as it is on these movements that most of the accidents at the junction have happened. The arrows will probably mean that traffic will be slowed down but it should make the junction safer to negotiate.

The cost of implementing the eight recommendations listed has been estimated at £25,000.

Cllr. Cunningham again pointed out that in his view a roundabout was the only and best solution at the junction but this was again ruled out on the grounds that it would be too expensive and would impede pedestrians crossing the junction.

It was agreed to defer further discussion on the matter to see how the proposed recommendations would work when completed.

REMOVAL OF BEACH MATERIAL AT BALLYVOILE

Calling attention at the monthly meeting of Waterford County Council in Dungarvan last week to the fact that a great deal of beach material was being removed from Ballyvoile Cove, the Chairman, Cllr. Billy Kyne called on the Council to erect a new entrance at the Cove to prevent access to the beach by commercial loaders and lorries.

Cllr. Kyne said that the beach material was being taken on an area between high and low water levels at the Cove and a great deal of damage was being done there as a result. Because of this he thought it was time to put a stop to this activity.

The County Engineer, Mr. John O'Flynn said that at present there were two entrances to the Cove, one of which was for boats and which could not be interfered with. He would, he added, close the other one for vehicular traffic by placing a large boulder at the mouth of it.

Mr. O'Flynn was at pains to point out that there was a Council notice erected at the Cove warning people of prosecution for illegally removing beach material but we feel, here again as in so many other similar instances, the general reaction is that nothing's wrong unless (and until) you're caught!

NEW GLASS INDUSTRY FOR WATERFORD

It was announced last week that a group of US business men are to set up a new crystal glass industry in Waterford City. To be located at the industrial estate in the city, the new industry will trade under the name "Classic Irish Crystal" and the factory will export a middle-of-the-market range of products to the U.S. where market research has indicated a high demand for reasonably priced crystal.

It is expected that glass-cutters, formerly employed by Waterford Crystal up to the time of the recent rationalisation of their workforce, will be taken on by

the new firm to cut blanks imported from Europe and production is expected to start later this year.

One of the main investors in the project is Mr. Kevin Mulcahy who is son of Dungarvan born millionaire John A. Mulcahy, who was principally responsible for the establishment of the Quigley Magnesite industry at Ballinacourty, Dungarvan more than twenty years ago.

While the new crystal glass industry will not have the use of the magic name of "Waterford", the fact that the project is to be based in Waterford will undoubtedly have some bearing in its trading situation.

LEARNING HOW NOT TO SKID

The Directors of the Irish School of Motoring Ltd., with offices at 19, Fairview, Dublin 3, this week announce their novel plan to open "Ireland's first Skid/Pan Training Centre" at Santry, Dublin.

Managing Director of the Irish School of Motoring is Mr. John Walsh who is a member of the well-known Walsh family of Coolnagour, Dungarvan.

John informs us that the new training centre is designed to help experienced drivers perfect the art of controlling a vehicle during the slipperiest conditions. Most serious accidents start with a skid and the reaction of the majority of drivers when this occurs actually worsens the situation, he says.

The new venture will be operated by a newly-formed company to be called "Skid-Car (Irl.) Ltd."

NO SOFT TOUCH

The rise in the number of teenagers who have, to use a colloquialism, 'taken to the drink', in recent times is causing a great deal of concern up and down the country and efforts to counteract this upsurge in teenage drinking include such things as identity cards on which the age of the holders is certified.

Recently, a friend who works in the Middle East, was home on holidays and he stressed a point which could have a big bearing on the problem. He told us that in Saudi Arabia many brands of non-alcoholic beers are

available and the average price in the shops there is 20p per 33cl can. These beers come from all over the world, from Europe, the US, Asia and as far away as Australia. "Why then", he asked us, "must a social drinker have to pay over £2 for a pint of non-alcoholic beer or soft drink in Ireland when it

can be produced for so much less?"

We think it is fair comment to say that so long as publicans are allowed to charge such exorbitantly high prices for soft drinks, including non-alcoholic beers, we will continue to see more and more young people drinking alcoholic beverages.

THE MALL OF LISMORE

A good few months ago I made a promise to a long-time reader of the "Leader" in the Ballymacarby district to publish the words of "The Mall Of Lismore." At the time he informed me that he had lately been to a funeral in Lismore and while there, he recalled having heard the song and he there and then asked his companion, "where is the Mall of Lismore?" He was promptly informed, "you're standing in it now!" As he then told me "I was more anxious than ever to get the words of the song."

Last week my Ballymacarby friend met me again and asked when I was going to print them. We have published this ballad before but now to fulfil our promise to Kieran, we will again make "The Mall of Lismore" our choice for the ballad corner this week:—

Come all you fair maids take a warning,
Don't gang with a soldier nor wed,
And by my example take warning,
And banish them out of your head.
For once I was young and light-hearted,
But now all my pleasures are o'er,
Since my darling is gone and has left me
All alone in the Mall of Lismore.

My father's sweet cottage was placed on
The lovely sweet banks of the Finn,
As light as the lark every morning
Contented I'd sit down and sing.
Till a soldier he entered my dwelling,
His features I ne'er saw before,
But now he has gone and has left me,
All alone in the Mall of Lismore.

From Dublin his regiment was altered,
My bonnie brave soldier so fond,
For having a dispute with the sergeant,
My bonnie brave boy he was wronged.
He was handcuffed and tied with a halter,
Till his back with the lashes was sore,
And that was the cause of my darling,
Going away from The Mall of Lismore.

Farewell to the banks of Blackwater,
Adieu to my parents at home,
Since my father disowned his fond daughter,
In some far foreign land I will roam.
I will clasp his fond child to my bosom,
In hopes for to see him once more,
But alas, he is gone and has left me,
All alone in the Mall of Lismore.

WHO WAS WHO IN ARDMORE IN 1886

We are indebted to Mr. Michael Casey for passing us a copy of "Francis Guy's Directory Of Munster" published by Guy's own Company at 70, Patrick's Street, Cork, in 1886. Like many of these old tomes it is very interesting as it contains a great deal of information about all the towns in Munster in that year.

For instance this is what it says about Ardmore (Co. Waterford): Post office and parish 7 p.m. from Youghal. The parish has a population of 3,614, the village 350. The place derives its name, signifying "a great promontory or eminence" from the Drumfeneen mountains, an extensive and elevated range forming its northern barrier . . . The mountainous portion affords tolerable pasturage and the lands between the mountains and the sea are well cultivated. The village is situated on the shore of a bay open to the east and protected on the south by Ardmore head; the beach is of great extent and smoothness. Copper and lead mines were formerly worked at Minehead, so called from the adjacent works; iron ore of good quality was also procured.

The Directory then goes on to record who the local V.I.P.S were in that year as follows: Medical Officer and Registrar — Dr. W. Williams; Clerk of the Petty Sessions — William Frederick Russell; Civil Bill Officer — John Deacon; In charge of Ardmore Constabulary Station — Sergeant W. H. Chapman and in charge of Keily's Cross Station — Sergeant Thomas McCarthy; Coast-guard Station at Ardmore

— Chief boatman, John Twohig; Gentry and Clergy — John H. Le Bagge J.P., Monea House Ardmore; Walter Chearnley, Ardmore; Colonel Cotton, St. Declan Cottage; Capt. John A. Dawson; Sir Joseph Nealls McKenna, J.P., M.P., Ardoginna; Capt. William O'Dell, J.P., Monea; William Crawford Poole, M.B., J.P.; Rev. Canon Thomas R. Rothwell, Rector; Major Simon Bagge Triphook, J.P., Ardmore; Richard J. Ussher, J.P., Rock Cottage; Very Rev. John Walsh, P.P., Ballyquin House; W. J. Williams, M.D., Ardmore.

Head teachers listed for Ardmore National School were Thomas Veale and Lucy Davis and for Grange National School, Michael Sexton and Mrs. Sexton.

FISHERMEN AND SHOPKEEPERS

Registered as the Hotel owner in Ardmore was Michael Ahearne, while listed as fishermen were: John Brien, Michael Cotter, William Corbett, William Fitzgerald, James Foley, John Troy, Thomas Troy and James Wolsey.

Shopkeepers in the village listed were; Michael Ahearn (probably the hotel owner as well), Jeremiah Foley, John Foley Jun. (described as provision dealer), Thomas O'Connor, James Quinn, Thomas

Quinn (baker), James Shaughnessy (victualler) and Mary Sullivan (draper).

Trades carried on included coopers, carpenters, masons, blacksmith, shoemaker, baker, painter, slater and plasterer.

Vintners listed were James Foley, James Ryan and Michael Fleming, while a list of the "principal farmers" in the parish of Ardmore and the parish of Grange concluded the entry.

NO LOTTERY GRANT FOR CLONEA G.A.A. CLUB

In a question in the Dail Mr. A. Deasy asked the Minister for Education if she will allocate funds from the proceeds of the national lottery to Clonea G.A.A. Club, Clonea, Carrick-on-Suir, for the provision of dressing rooms, as an application has already been submitted.

Minister for Education (Mrs. O'Rourke): It is not possible to accede to the Deputy's request as grants up to the limit of funds available have already been allocated under the capital grants scheme for the provision of recreational facilities.

Junior School Warden Winners In Dungarvan

Girls in the 6th class at the Presentation Convent Primary School in Dungarvan who comprise four teams entered in the current year's National Safety Council Junior Warden Competition were presented with certificates by Dungarvan Urban Council marking the successful completion of their training course and with Pencil Case sets by the New PMPA, sponsors of the competition, at a special ceremony held at the school last Thursday morning.

Mr. B. White, Town Clerk and local Road Safety Officer presided at the function and presented the certificates on behalf of the Urban Council while Mr. John Kavanagh of the Waterford Branch New PMPA presented the pencil cases.

The winning team to represent the school in the regional final was announced by Mr. John Molloy, Area Road Safety Officer as follows: Geraldine Kiely, Anne-Marie Winters, Patricia Sheehan, Clair O'Dwyer, Myra Drummy and Claire O'Connor.

The class was also addressed and congratulated by Mr. B. J. McNally, Deputy County Manager, Cllr. Austin Hallahan, Chairman, Dungarvan Urban Council, Garda D. Sheehan, Garda Liaison Officer and Very Rev. Canon Power, P.P., all of whom paid special tribute to Sister Catherine and the teachers concerned with the training of the class.

Claire O'Connor on behalf of her class-mates then thanked all who were involved in their training.

IMPORTANCE OF ROAD SAFETY

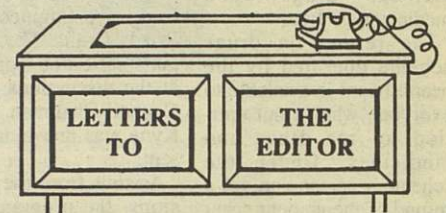

Junior School Wardens provide a safe crossing for

their fellow pupils as well as generating a greater awareness of the importance of road safety amongst the local community. They are appointed by the local authority and receive special training from the Garda authorities. Each team consists of six pupils over the age of 11 and there is a different team for each day of the school week.

REGIONAL FINAL

The winning team from

the local Presentation Convent will now go on to compete in the regional final which will take place at the CBS, Kilkenny on Wednesday, April 26 and they will compete against teams from Presentation Convent, Carrick-on-Suir, Scoil Mhuire, do., St. Joseph's, New Ross, Caragh N.S., Scoil Mhuire, Newbridge and SS. Peter & Paul's, Clonmel.

DISAPPOINTED WITH BUDGET

A long letter from the Sixth Year Justice Awareness Group, Presentation Convent Secondary, Dungarvan, expresses alarm at the shocking inequalities in Irish society and the reluctance of the Government to deal adequately with the incidence of poverty in Ireland.

The letter states:

While we welcome the small increase given to the long term unemployed in the budget, we are disappointed that:—

— There was no commitment to implement the recommendations of the Commission on Social Welfare in the budget.

— In the budget, young people of our age (16/17 yrs.) who are outside the formal education system have not been incorporated into the Social Welfare System.

— Nothing was done in the budget to reduce the inequalities in the Irish Education System.

— This budget did little to curb unemployment at a time when almost a quarter of a million people are unemployed and over 32,000 have emigrated in the past 12 months.

Now more than ever we recognise the need for a comprehensive plan to conquer poverty. Shortly, planning for the 1990 Budget will commence. We ask your readers to exert pressure on their local T.D.'s and Government Representatives to ensure that the eradication of poverty

takes priority on the political agenda.

Yours sincerely, 'JUST US'

HOMELESS YOUNG PEOPLE

A Chara, In the current issue of "The Word", there is an article by Fr. Peter McVerry S.J., on Ireland's Homeless Young People. A recent report was done by the Streetwise National Coalition, on a national basis, and it has been ascertained that there are 15 homeless young people in Dungarvan.

You and all the townspeople will be appalled to hear this, and I take it, will make enquiries into the matter and take appropriate measures. If correct, it is a very upsetting state of affairs. I'm sure, none of you in Dungarvan could possibly sleep easily with the knowledge that 15 of your young citizens are roofless and homeless at night.

I imagine the "Word" magazine is available at the local newsagents. That article alone is thought provoking, disturbing and well worth reading.

Mise le meas. SIOBHAN LINCOLN, Ardmore. February 6, 1989.

Remembering Other Days

The picture for our "Remembering Other Days" this week is really a where are they now? picture. It shows a group of very young girls who were pupils at the Mercy Convent, Dungarvan, when the photo was taken in 1941 and while all have not been identified, the group includes, Maureen Brown, Connie Norris, Maura Cunningham, Mai Flaherty, Mary O'Donnell, Rose Murray, Kitty McGrath, Betty Hill, Kitty Butler, Nanette Henneberry, Millie McCarthy, Monica Whelan, Kitty Sheridan, Mary Wall, Mary Sheridan and Judy Henneberry.

LISMORE F.C. NOTES.

Last Sunday we played the 2nd round of The Tyre Centre Cup away to Glen View, and we won by 5-1.

This was a good result for us and we were the better side on the day. At the break we led by 2-0.

Player manager Tommy Pratt had 2 goals, Kieran Lawton, Paul Prendergast and Dave Landers had one goal each.

Team — M. Fitzgerald, B. Shanahan, K. Foley, E. Cusack, Dave Landers, C. Barry, B. Landers, Donald Landers, K. Lawton, T. Pratt, P. Prendergast. Subs. — F. Power for Pratt and S. Daly for Lawton.

Next Sunday we return to the league football when we play neighbours Ballysaggart. This is a very important game for us as 2 points here will guarantee us 1st Division football next season. However, after Ballysaggart's cup win last Sunday we cannot take anything for granted. Kick-off is at 11 a.m.

On Saturday morning last our u-12 team played at home to Youghal in a challenge and won 4-2.

This was a great performance by Lismore against one of the best juvenile sides in Cork. Lismore scorers were Ml. Shanahan (2), John Landers and Dan Shanahan (1 each).

Team — Anthony Whelan, John Landers, Maurice O'Connor, Dan Shanahan, Brian Farrell, Dave Bennett, Thomas Barry, Owen Bennett, Ml. Shanahan, Stephen Quinn, Brendan Landers. Subs. — Wayne Oakham, William Cunningham, Ml. Coleman.

LISMORE GOLF CLUB NOTES

This week's competition came to a halt on Sunday morning when it was decided to close the course due to soft ground conditions. The competition is extended for another week to Sunday 26th. So there are no results this week.

Last Saturday's match in the County Cup between Carrick/Lismore and Waterford in Dungarvan was played in bad weather conditions and after a valiant struggle Waterford eventually won 3-1.

The Lismore member were — T. W. Murphy, N. Twomey, K. Madden and P. Norris Jr.

The Variety Nights go from strength to strength. Last Friday night the Cappoquin members put on a great show. The Headmasters Billy and Shawn had their pupils very well schooled and gave us a first class performance. All who participated get full marks and a full house was treated to a great night's entertainment.

This Friday night, February 27th, Knockanore

members present their show and another great night is anticipated.

Saturday 25 — South Eastern Winter League Cup v. Cobh at Cobh.

blue jersey he has worn with such distinction since boyhood.

WINTER LEAGUE

Because of the Under 21 final we had no game in the senior football winter league last Sunday.

However it's back to the action next Sunday when we will be hoping to make it seven league games without defeat. Old rivals Ballinacourty provide the opposition in an intriguing local derby and we can expect a very tough test in this one.

We have already drawn with 'Courty in the first round of the league but will be hoping for something better on Sunday. The game will have an 11.30 start.

CO-OP DRAW

A big effort continues to be maintained in the promotion of our major co-op draw. The object of the exercise is to finance the purchase of our 20 acres of land and we are renewing our appeal to the good people of the area to support us.

SYMPATHY

Sincere sympathy is extended from everyone in the club to former Brickey Rangers and Waterford footballer Patsy Donnelly on the sad and untimely death of his wife Joan last Sunday.

RED HOUSE SOCCER LEAGUE

WEATHER HITS CUP TIES

Two of the seven round ties in the Dungarvan Tyre Centre Cup on Sunday were ruled out by the weather. The meetings of Piltown and Pinewood Utd and Modeligo and Ballysaggart were postponed due to unplayable pitches.

Penalty shoot-outs decided three of the remaining games and these resulted. Valley Rgs. 0; Cappoquin A 0. Cappoquin won on penalties. Ballysaggart 2; Ardmore 2. Ballysaggart won on penalties. Inch 0; Killeagh 0. Killeagh won on penalties. Glenview 1; Lismore 5. Mogeely 2; Grange 1.

So a major shock at Ballysaggart with the bottom of Division 2 home side eliminating first Division Ardmore. The season has been, by no means kind to Ardmore, but, despite their difficulties they were strong favourites to win this one. But all credit to Ballysaggart and few clubs will welcome a visit there in the quarter finals.

CENTRE STAGE

With the game at Modeligo going by the board the meeting of Glenview and Cup specialists, Lismore at Carrignagour held centre stage, locally.

A clear and convincing win for an impressive Lismore and clearly they will be a force to be reckoned with in this year's competition.

With a depth of experience and skill all through the field they are a very formidable side indeed. They had a tonic start with a goal in three minutes from Tommy Pratt and it was the one flaw in a very competent display that, despite winning a majority of possession they failed to add to their total before half time. Forced back in desperate defence and hurried clearances Glenview were never able to bring any semblance of normality to their game and mistakes, that were to eventually cost them dear, were frequent.

Lismore resumed where they left off camped in their opponents half and, playing the calm and methodical football that the situation required, the goals began to flow. Paul Prendergast added number two with a good individual effort and then, very briefly, Glenview were back in the game when Gerry Horan's excellent free kick from way out on the left beat the entire Lismore defence.

But their rejoicing was short lived as Lismore were straightaway back in attack and forced a penalty which Tommy Pratt converted to put the game beyond Glenview. Further Lismore goals from Kieran Lawton, Kieran Foley and a Dave Landers penalty two min-

utes from the end closed the scoring.

So Lismore march on to a quarter final place and the strong contribution of Dave Landers, Kieran Foley, the midfield threesome of Billy and Donal Landers and Carthage Barry, and Tommy Pratt up front inspired this impressive display.

No joy for Glenview. The concession of an early score was a disaster. Jimmy Power led by example in a back four which defended stubbornly but under continuous harassment they

were never to build constructively. Outfield only Gerry Horan matched up and he was outnumbered.

Lismore (panel) — M. Fitzgerald, E. Cusack, D. Landers, K. Foley, B. Shanahan, D. Landers, B. Landers, C. Barry, K. Lawton, T. Pratt, P. Prendergast, S. Daly, F. Power.

Glenview — J. Sheehan, G. Power, P. Casey, P. J. Dolan, J. Power, G. Horan, R. Walsh, J. Kett, P. Hallissy, P. Stafford, P. McGrath.

A sporting game caused no problems to referee Jim Foley.

DUNGARVAN G.A.A. NOTES

UNDER 21s WELL BEATEN

Our hopes of winning a third county Under 21 football title in four years were shattered at rain and wind lashed Fraher Field last Sunday when odds on favourites St. Saviours proved too strong for us.

While neither side relished the deplorable conditions our youthful side was undoubtedly at the greater disadvantage. However this is not in any sense being offered as an excuse for our defeat, and over the hour we were beaten by an infinitely better side.

However to have reached the county final was, in itself, a splendid achievement, and despite the eventual margin of victory the team kept plugging away to the final minute.

Our congratulations to sporting St. Saviours on a very fine victory. They truly are worthy Under 21 champions.

To our own fellows too we say "well done". The certainty is that there will be many other days of triumph.

SEAN MCGRATH

Once again Sean McGrath proved what an outstanding clubman he is by returning from England for last Sunday's final. Our hope now is that we will see Sean back home permanently in the not too distant future, and featuring prominently in the

RECENT DEATHS

MRS. MARY SCANLON (nee Foley)

We record with regret the death of Mrs. Mary Scanlon (nee Foley), Carrowgarriffe, Cappagh, which occurred at her daughters residence in Dublin on Tuesday, February 7. She was in her late 60s.

Deceased was a very popular and well-known member of the Cappagh community. She was a deeply religious woman possessed of a kind and charitable nature and she was always ready to help those in need.

Sincere sympathy is extended to her sorrowing family and other relatives on their great loss.

Her remains were removed from the Dungarvan Hospital to Modeligo Church on Thursday evening and were received by Very Rev. Fr. Barron, P.P.

Fr. Barron celebrated the Requiem Mass on Friday morning at which appropriate music was rendered by Mrs. May Barron. Burial took place immediately afterwards in the adjoining cemetery.

Chief mourners — Pat, Billy and John (sons); Marie and Elizabeth (daughters); Joe (brother); Angela, Rosemary and Angela (daughters-in-law); Tom (son-in-law); John (brother-in-law); Teresa (sister-in-law); grandchildren, relatives and friends. (Tom Drohan, Dungarvan.)

MR. JOE KIELY

Feelings of profound sorrow and regret were occasioned at news of the death of Mr. Joe Kiely, which occurred suddenly at his residence at Durrow, Stradbally on Saturday, February 11. He was in his late 60s.

A most unassuming gentleman, he was a great supporter of the local GAA teams and he also loved a game of 45. His death is made more poignant by the fact that he was predeceased recently by his

brother Tom, in Leicester. Sincere sympathy is extended to his brother, sisters and other relatives on their sad loss.

His remains were removed from Dungarvan Hospital on Monday evening to Stradbally Church where they were blessed by Fr. Walsh, C.C., assisted by Fr. Ryan, P.P.

Fr. Ryan celebrated Mass for the repose of his soul on Tuesday morning and also officiated at the burial afterwards in the adjoining cemetery.

Chief mourners — Billy (brother); Kathleen O'Brien, Margaret Kiely and Nellie Akton (sisters); Ann Kiely (sister-in-law), relatives and friends. (Tom Drohan, Dungarvan.)

LATE MARTIN FOLEY

AN APPRECIATION

The death occurred recently in Liverpool of Martin Foley, formerly of Lackendarra in the Parish of Touraneena. His death came suddenly and was a profound shock to his wife Maureen and his daughter Margaret, as well as to his sister Mrs. Hennebery and her family at Lackendarra.

Martin was a founding member of the Irish Centre in Liverpool and was one of a group who acquired a beautiful Regency building in the heart of the city and converted it into a centre of Irish culture and recreation.

It was through Martin that the Sliabh gCua set dancers performed at the Irish Centre, and have returned many times.

Martin Foley was quietly spoken and gentle in his manner — a gentleman in every sense of the word. As a voluntary receptionist at the Centre he was known to many Co. Waterford visitors to Liverpool.

He will be greatly missed by all who knew him. May God bless his gentle soul. — H.G.

Liverpool.

ABBEYSIDE SCOUT NOTES

TROOP MEETING

After the opening prayers we held a short half-hour testwork patrol meeting due to the fact that on Sunday our sponsored walk was to take place. In this session Tom Dalton passed family living with Tomas Walsh while the Tiger and Wolf patrols put their heads together and planned a joint patrol hike.

Our first game tonight was a game of Australian rules softball which basically meant that a player had to use his weaker leg unless of course you are a hero like Bryan Elstead who wanted to know what he should do as he had two "strong" legs. Some of our best players to adapt were Michael Kelleher, Martin Whelan and Theo Dorman

Kade.

Following on from two weeks ago we continued our basic in semaphore as each patrol tried to come to grips with the semaphore alphabet. Aidan Mullarkey, Neil O'Kennedy and Derek Hayes got on very well here.

For tonight's patrol activity each patrol picked a number between one and eight; on picking their number they received a television title. They then headed back to their patrol corners where for ten minutes they prepared a sketch on their programme.

Michael Sheehans Eagle patrol were deemed the winners with an excellent and humorous version of "A Question Of Sport", Robert Curran (Jason

Donovan) starred in the Wolf version of Neighbours; Theo Dorman Kade starred as Sybil in the Tigers version of Fawlty Towers; the Wolfhounds of Alan Beatty tried their hand at the Merseyside comedy of Brookside while the Panthers and Kestrels also put on fine productions.

The meeting ended with notices and the scout prayer.

CUB NEWS

On Sunday the 12th of February the Wednesday night cubs met at the den at 10.30 a.m. where we jumped aboard Kenneally's bus and headed to Dungarvan, where we picked up the Wednesday and Thursday night cub as this was a joint activity and then headed for Fethard which is just outside Clonmel.

On arrival here we visited the Transport Museum and Folk Park where everyone got an insight into how people travelled from place to place, the bicycles and the gramophone proved a big hit but the main attraction was the playground with superman Garvan showing what he could do.

After this we had our lunch in the ground's and after a big clean up we headed for Cahir and the famous Cahir Castle. Upon arrival we were given a twenty minute slide show and then we were let loose to explore everywhere and I mean everywhere. Cubs were locked in dungeons, cubs were on the battlement's and cubs were stuck in every place imagineable.

After our tour sixty one bags of chips were bought and demolished in seconds, then we boarded the bus, next stop Ferryhouse Clonmel! The walls of Ferryhouse echoed to the shouts and screams of 61 cubs as well as 50 members of the public. You can well imagine the

panic in the dressing rooms afterwards with shirts, shoes, socks and boxer shorts going missing.

The jacuzzi seemed more popular than the pool for a lot of the time. At the end of the session everyone went upstairs to the restaurant where the cubs had orange and crisps and the leaders a relaxing cup of tea.

At 8.15 p.m. we arrived back at the den after a very successful and enjoyable day trip.

This Wednesday an investiture of Wednesday night cubs takes place in Abbeyside Church at 6.30 p.m. during Mass and indeed all parents are very welcome to attend.

We hear on the grapevine that a Mothers and Son day out is being discussed by leaders for some time in May. Could there be some truth in this?

ADVENTURE WALK

The winners of the close-contested Treasure Hunt was Tom Keith.

Two clues which gave most difficulty were —

"It's here exposed for all to see
When you're invited R... P."

A white post on the side of the road, clearly visible had the letters S.V. on it; R.S.V.P. get it?

"Welcome Failte is their wish. But what are you not, if you're not this"?

The coat of arms on the sign has a motto — "Ni maraidhe go Stiurthoir" — "You're not a sailor until your a helmsman", the answer was "sailor".

The winners of the junior section were Stephen McNamara and Sean Flynn from our Monday night cub section.

We would like to say thanks to all who braved the elements last Sunday and took part in the Adventure Walk. Sub-Scribe Plus.

CAPPOQUIN F.C. NOTES

VALLEY RGS. 0

CAPPOQUIN A 0

(Cappoquin won 3-2 on penalties)

We went to Valley Rgs. last Sunday to play in the second round of the cup. After a very hard game in soft underfoot conditions both teams were unlucky not to score from play.

So it went to penalties and after five each the issue was unresolved at two each. In the "sudden death" Valley went first and missed but keeper Liam Morrissey made no mistake to put Cappoquin through.

CATS BAR BOWLING TOURNAMENT

Sunday 26th, February, semi-finals C Group — John Whelan v. John Noonan, Ml. Power v. Christy Keohan.

TOURIN G.A.A. NOTES

At the recent Western Board meeting we applied successfully for regrading from junior A to junior B status. This decision was not taken lightly but it was felt to be in the best interest

of the club, and a decision which had to be taken.

Following our success in last year's junior B championship, we will be playing junior A football in the coming season. Training for the season ahead has commenced and will be held on each Thursday night at 8 p.m. All players have been requested to attend. Our annual joint social is being held at Whitechurch House Hotel on this Saturday night, February 25. A limited number of tickets are still available.

The next club meeting will be held at the Community Centre on Tuesday night, February 28. — P.R.O.

CAPPOQUIN BILLIARDS AND SNOOKER CLUB

Jameson Cup. First Round (3 frames) — Rhiney Walsh bt Pa Curran 2-1. After losing the first frame on the black Rhiney eventually won through to the quarter-finals where he'll play Darren Mason.

Con Uniacke bt John Noonan 2-0. While Con was potting well and 'Booky' was off form, the result was rarely in doubt.

Brian Ormond bt James Morrissey 2-1. James took the first frame in this interesting confrontation, but this only spurred Brian into action as he took the remaining two frames quite convincingly.

Quarter Finals (5 frames) — Martin Power bt Michael Casey 3-2, after going 2-0 down Michael levelled the match at two frames a piece only to see 'Motch' take the final and decisive frame.

Tommy O'Sullivan bt Con Uniacke 3-0. The scoreline hardly reflects this match, however Tommy's potting was very impressive while Con never really got going.

Remaining Fixtures. Quarter Final (5 frames) — Martin Reddy v. Brian Ormond, Friday, February 24 at 7.30 p.m.

Semi Finals (7 frames) — Martin Power v. Martin Reddy/Brian Ormond, Sunday, February 26 at 7.00 p.m.; Tommy O'Sullivan v. Darren Wyse/Rhiney Walsh, Saturday, February 25 at 7.30 p.m.

On Saturday and Sunday last, three members of the club travelled to Nenagh to compete in the All-Ireland Indoor Championships where over 1,000 athletes were competing. Nevertheless our three athletes did the club and county proud bringing home a silver and a bronze medal.

Aidan Ahern competed in the U-13 Shot and gave a great performance and went on to take the bronze medal.

Eamon Lynch took part in the U-15 Walk, Eamon who was recovering from 'flu preformed well and finished in 5th place.

In the U-15 Girls, Corinna Walsh was in action in the 800m and ran a great race to finish in 2nd place getting a silver medal.

Full results next week of the Munster Colleges championships.

CAPPOQUIN/AFFANE G.A.A. NOTES

Flooding Of Pitch — Once again the elements are a thorn in our side as recent efforts to shore up the large break were just washed away by extremely high tides leaving the lower end of the grounds and the majority of the main pitch under water for long periods. The committee has done everything possible to rectify this situation so now alternatives must be found and all efforts are concentrated on this.

Repair Of Railings — Club members are to begin work this weekend on repair to railings caused by that freak flooding last October. Willing hands will be welcomed.

Winning Run — Good to see our County footballers put together a winning run and are now strong contenders for promotion. Local player Pat Curran is a member of the selection.

Death Of Former Clubman — Club members formed a Guard of Honour for the funeral of former clubman Willie Rea last

weekend. Willie was an outstanding goalie and figured in the 1944 winning county junior hurling side. Though small in stature he had the heart of a lion and an eye like eagle. Ar Dheis De go raibh an anam dilish.

BALLYDUFF THEATRE GROUP

Prior to moving onto the Festival Circuit, the above group opens its run of 'The Country Girl' by Clifford Odets in Ballyduff on this Thursday, February 23 and continuing on Friday 24 and Sunday 26. Directed by Geraldine Canning, this should prove a popular production following as it does closely on the heels of the group's record breaking run of John B. Keane's, 'Many Young Men Of Twenty'.

This is a powerful piece of dramatic writing, dealing in subtle terms with all that is best and worst in human nature. It examines failure, weakness, greed and one of their external manifestations, alcoholism. On the reverse side of the coin we find the compensatory factors of love, loyalty and steadfastness.

As is routine at this stage, the cast is composed of hardened regulars and newcomers, new to the group but certainly not new to the stage. The cast is led by Hugh Moynihan, Brendan Dunlea and Valerie Carroll, making her return to the group after a few years absence. The cast is completed by Bill Canning, Ritchie Walsh and David Anglesey while two Fermoy people Margaret Scannell and Seamus Ahern make their Ballyduff debuts. The combined strengths of cast, production and writing should ensure solid theatrical entertainment.

Brendan Dunlea, who plays 'Bernie Dodd,' in 'The Country Girl.'

Valerie Carroll, who plays 'Georgie Elgin' in 'The Country Girl.'

Hugh Moynihan who plays 'Frank Elgin,' in 'The Country Girl.'

KILL NOTES

ST. MARY'S G.A.A.

Yes, the season is starting again and on Saturday, March 4, the u-14 football championship begins. There is training on Saturday mornings for anybody concerned.

It is also pleasing to see that Waterford minor hurlers had a training session in the new field last Saturday and St. Mary's are delighted to have Joe Kennedy involved with them.

KILL G.A.A.

Dunhill was the scene last Wednesday, February 15, of a special meeting of the Eastern Board to elect a new chairman. Mr. Tom Mooney from the club was nominated and stood along with Frank Cullinane from Portlaw. However Tommy

was beaten for the position but hopefully in the future he will try again.

It is also nice to see that Nicky Whelan has taken up the task of training the Kill teams this year.

Nicky is no stranger to the scene as he stood between the posts for Kill and Waterford in the past.

KILL HARRIERS

On Sunday March 19, the Kill Harriers will hold their annual Hunter Trials in Killbeg. It's a very worthwhile event as the Johnny Hennessy Perpetual Cup is to be won.

CONGRATS

Congratulations are extended to Miss Alison Power, Ballingarry, Kill, who has purchased a new car. We all wish her the best for the future.

KILROSSANTY/FEWS NOTES

AMERICAN TEA PARTY

An American Tea Party in aid of the Kilrossanty and Fews Church Building Fund was held in Crotty's Inn on last Friday, February 17, and was a wonderful success.

Adult meeting will commence on Sunday March 5 in the field at 2 p.m. The draws for the senior hurling championship will be made on March 6th. Membership fees for the adult club of adults £5 and minors £1 are payable to Richie Walsh before March 1st. Only paid up members will be included in the draw for Munster and All-Ireland tickets.

BALLYDUFF MACRA NOTES

The club would like to congratulate the Artistry in the home team who won the County Competition last Friday night in Dunhill. They won five overall first places which include the 12 sweets by Angela Leamy; poster and card by Maeve Kenny; table by Michael Leamy and overall presentation; flower arrangement by Catherine O'Regan and the sweet box by Pat Roche were very high up in their sections.

We wish luck to the team, who will represent Waterford in a few weeks time.

On Sunday night next, the club will take part in the Bic Talent Competition in Ballymacarby. We wish luck to all who will be taking part, and they will be looking for plenty of supporters. A great night is assured. — P.R.O.

DE BURCA CUP REPORT GAFFNEY AND POWER CLAIM VICTORY

On Sunday February 12th the sports complex was thronged to capacity with players from all over the county, all hoping to claim this wonderful trophy.

In the final of the tournament a member of a supreme badminton family upheld the proud tradition of the Gaffney household by playing brilliant badminton with her partner Richard Power of Dungarvan who now plays with a Waterford city team.

Claire Gaffney and Richard Power met Lismore's premier Badminton player Morrissey who had teamed up with Mary Walsh of De La Salle, Waterford.

ONE OF THE GREATEST FINALS OF YEAR'S!!

Not a sound could be heard as four totally determined and experienced players began an epic encounter that will be remembered for years to come.

In the first set a large crowd in the balcony lapped up every second of what can only be described as classic badminton with Gaffney and Power just edging ahead by 15-12.

Pat Morrissey and Mary Walsh ensured a really splendid game in the second set and had everyone at fever pitch with their abili-

ty to ward off defeat, a score of 15-14 to Pat and Mary was recorded.

This was the result that every spectator wanted, a three setter of the highest quality possible. The four finalists really supplied the goods.

THE FINAL GAME

The finalists faced each other across the net for a final and desperate battle to have the honour of winning the Padraig De Burca Cup.

For what seemed an age the scores remained level until the last onslaught by Richard Power and Claire Gaffney at the oppositions defences. A score of 15-10 was written down as history records the end of another De Burca tournament.

Micheal De Burca, brother of the late Padraig presented the cup-to the victors and complimented the player's on their quality play. He also spoke of his late brother's love for the game which has helped in no small way to improve badminton in county Waterford over the years.

John Coade manager of the Trustee Savings Bank presented trophies to the winners and runner-up in the main tournament and the plate. The Trustee Savings Bank sponsored this event. Winners of the plate were Marie Kiersey, Dungarvan and Chris Whelan of Lismore. Runners-up Ann O'Grady, Dungarvan and M. J. Cunningham, Tallow. Nuala Murphy Dungarvan and Pat Hearn won the 6th Division plate.

MELLERAY TOURNAMENT WINNERS

Breda Lenane and John Young were winners in the 6th Division tournament in Melleray last Sunday.

ABBEYSIDE/BALLINACOURTY G.A.A. NOTES

JUVENILE GENERAL MEETING

We held our juvenile meeting last Friday night at the club rooms. Before a good attendance of those who have committed their efforts towards helping our young players, outgoing chairman and present club chairman Jimmy Lenihan complimented all those who had given so much of their time to working with our under age players during '88.

Outgoing secretary Lawrence Power presented a most interesting report on juvenile activity in '88 which gave details of matches played and the overall field activities. Mat Hogan's treasurers report showed that the costs involved in running juvenile affairs are forever increasing but with careful management these costs can be adequately met through the clubs closely controlled fund-raising activities.

The election of officers for '89 was as follows: — Chairman — Tony Mansfield; Vice do. — Joe Cleary; Secretary — Pat Moore; Treasurer — Larry Cliffe; Committee — Joe Power, Donal Verling, Joe Flynn, John Kelleher, Dan Dineen, Pat Ryan, Maurice Cliffe, Noel Fleming, Peter Flynn, John Foley.

The new committee had its first meeting immediately after the general meeting. The second meeting will be held on this Thursday night 23 February at 8

p.m. at the club rooms.

St. Patrick's G.A.A. Notes

ANNUAL GENERAL MEETING

The annual general meeting was held in Coolnasmeear Hall on January 21. The President, Johnny Lynch, welcomed 44 delegates to a very successful meeting. Our efficient treasurer, Michael Power, presented a healthy balance sheet for the year which showed a profit of £500 following heavy expenses. He pointed out that the single biggest income was the cards.

In a comprehensive Secretary's report, Michael Cass stated that the highlight of 1988 was the historic Under 16 football and hurling county double and Under 12 football championship title.

A ladies football section had been incorporated during the year while off the field activities were dominated by the 45 card drives which were tremendously successful.

The chairman, John Kiely welcomed the large number of ladies in attendance and praised the high number of young people involved in administering the club. He was pleased that many young members were prepared to serve on the committee and encouraged more of them to make themselves available for officership in the next few years. John spoke about the rewarding joint venture of the cards between our club and the Parish Church and School Funds. He hoped the support would continue for the future.

Officers elected — President, Johnny Lynch; Chairman, John Kiely; Vice-Chairman, John Nugent; Secretary and PRO, Michael Cass; Treasurer, Michael Power; Registrar and First Aid Officer, Ena Flynn.

Committee — John Quinlan, Peter Fitzgerald, Paul Byrne, Peter Power (Snr.), Paddy Ryan, Patrick Drohan and Paddy Lynch.

BORD NA nOG

During the winter John Kiely was re-elected Chairman of Bord Na nOG, while Michael Cass was elected PRO, and Peter Power was appointed as a selector for the Western Under 14 and 16 hurling teams.

WATERFORD MINOR PANEL

Michael Dunford and Kevin McGrath are showing good promise on this panel, who have had either a training session or a match each week-end since late Autumn. Peter Power is a selector and all three are

important links in the future of hurling in the county.

UNDER 14 FOOTBALL

This championship kicks off on Easter week-end, March 25/26. Training will commence this week-end, weather permitting.

CARDS

The support of the people of the parish and our friends outside has once again been endorsed by the presence of 13 to 14 tables each Thursday night in Coolnasmeear Hall at 8.15 p.m. Both the Parish Funds and our club are benefitting from your valued support.

The jackpot is now £300 and the prize money has been won by our regular players. You must be in attendance at least three nights of the series to qualify for the jackpot.

CYCLING

FBD-NDC MILK RAS 1989

FBD Insurances and the National Dairy Council are once again pleased to announce that they will sponsor the FBD Milk Ras cycle race on its nine day journey around Ireland. The race, featuring the best amateur cyclists from this country and abroad will leave Dublin on Saturday June 24 and finish in Dun Laoghaire on Sunday July 2.

On their journey the expected field of 140 riders will pass through towns as far apart as Dundalk, Ballina, Caherciveen and Dungarvan. The route devised by race director Dermot Dignam is an especially tough one with long stages being the norm and including mountain climbs on all but two days. One spectacular day's racing in Kerry and Cork has four climbs, three of them first category.

LOCAL INTEREST

The 8th and 9th stages of the Ras will be of particular interest locally. The 8th stage on Friday, June 30 is from Mallow to Youghal and the riders will pass through Fermoy and Tallow. The 9th stage on Saturday, July 1, is from Youghal to Carlow via Dungarvan, The Pike (Killineen), Leamybrien and Waterford City.

MINNIES SQUASH NOTES

MUNSTER SUCCESS FOR JACKIE MANSFIELD

On the weekend of February 10-12 several of our juvenile players travelled to Waterford for the Munster Junior Closed, where I'm very pleased to report two success stories. In the ladies u-14 (B), Jackie Mansfield, a product of the John Foley/Fiona Fitzgerald juvenile coaching, had a tremendous weekend as she qualified for the final (our only competitor to do so). In the final she put up a tremendous battle but sadly on the day she went down, but nonetheless congratulations Jackie it was a tremendous achievement.

Congratulations also go to Paul O'Brien who did enough over the weekend to earn a call-up to the Munster squad under 14.

Some of our other competitors over the weekend were Paul Breen, Liam Byrne and Richie Duggan who gave it their all in the under 19 (B). Also in that grade Owen O'Mahoney finished third overall.

In the boys u-14 (B) Patrick Power, John Foley and Alan Mulcahy all did extremely well, also in that grade Michael Sheehan was denied near certain success due to a "cock-up" in the draw for despite playing two games and winning them convincingly he progressed no further and ended up ninth in the gradings.

In the girls u-14 B Michelle Mernin and Lisa Burns had a terrific battle between themselves which took 70 minutes and was eventually won 9-7 in the fifth by Lisa.

In the boys u-19 (A) our top juvenile Pat O'Brien had a good win on Friday night against Munsters number one u-19 girl while on Saturday he fought gallantly before bowing out to the eventual winner.

Well done to all our competitors who did the club proud.

LADIES DEFEAT NEAREST RIVALS!!

On Monday night, February 13 our ladies country league defeated their nearest rivals Midleton convincingly at home by four matches to one. Now half way through the campaign the ladies remain unbeaten with an incredible 96 points out of 100. Dare I tempt fate but the possibility of a country league double for Minnies now looks possible.

Scores against Midleton — No. 5 Katherine Keighery 3-1 (9-1, 9-4, 6-9, 10-8); No. 4 Teresa Hayes 3-0 (9-0, 9-3, 9-1); No. 3 Anne Keaver 1-3 (9-4, 9-10, 5-9, 6-9); No. 2 Rita Moore 3-1 (9-4, 9-7, 7-9, 9-3); No. 1 Mary Coffey (capt) 3-0 (9-0, 9-3, 9-1). Well done ladies.

BUSY WEEK OF GAMES IN A.I.B.

On Monday (Feb. 13th) the A.I.B. five person tournament commenced when

George Harney's team progressed by 10-6.

On Tuesday night the team of Felix Shields and John Killigrew "got through". In Felix's tie his No. 1 Liam Hannsberry lost out in a very tough four setter to Tommy Butler; at No. 5 Siobhan Crotty played very well despite her 0-3 scoreline against Larry Kiely; at No. 3 Felix Shields was back on the winning track with a good 3-1 win over Sean Power; at No. 4 in the international match of the night Peter Stam defeated Rene De Fusco 3-1; in the decider Tom Phelan defeated Dave Tuohy 3-0. In the other tie Pat Phelan defeated Paddy Murphy quite convincingly 3-0; at No. 5 promising newcomer Lily Hannigan did very well to defeat Patricia Walshe; in the battle of captains at No. 3 Frank O'Donoghue's fine season continued with a good 3-1 win over John Killigrew. The tie was completed when in-form Pat O'Brien beat Jim Byrne.

On Wednesday night Helen Kiely led her team to an 11-9 win over Owen O'Mahoney's team, Helen beat Owen 3-1. At No. 1 it was nice to see Francis Power back playing a tournament again as he beat Tony Keaver (Helen's team) 3-1; at No. 5 in the battle of the council Ian Walsh came out a 3-0 winner over John O'Sullivan; at No. 4 Larry O'Connor found Liam Treacy in fine form as he went down 1-3; in the decider Maurice Walsh had a fierce battle before eventually defeating Denis O'Brien over five sets.

In the other tie Donal O Faolain's team just edged out Fiona Fitzgerald's despite the night ending at 10 games all. At No. 1 John Cliffe defeated Michael Kelly 3-1; at No. 5 Liam Moore went down 3-1 to John Halloran; in the captain's tussle Fiona won 3-0; at No. 4 Michael Coffey beat young Paul O'Brien 3-1; at No. 2 in the decider the Derek Lyons success story continued with a tremendous 3-2 win over the very experienced Billy Smith.

On Thursday night Donal Verling led his team to victory with a 3-1 win over Michael O'Connor. At No. 1 Jack Elstead went down in a very long five setter to John Foley; at No. 5 Teresa Hayes found John O'Donoghue in great form as he won 3-0; at No. 4 Eddie Moore got a 3-2 result over Margaret Browne, Margaret had to retire with an injury in the fifth set; in the decider country league hero Richard Gough beat Colm Bannon 3-0.

In the other tie Vincent Hayes's team progressed; at No. 1 Ray Moore broke four balls (which must be a record) in his 3-0 win over Kieran Foley; at No. 3 Vincent defeated Jim O'Ma-

honey (who wasn't fully fit) by 3-1; at No. 5 Nancy Fielding went down 3-0 to newcomer Sean Caples; at No. 4 Gerry McCullagh settled the tie with a tough 3-1 win over Ger Howley.

COMING UP !!!

The Ned O'Connell Racquetball tournament is nearing a close with the final due on either Tuesday 28th Feb. or Wednesday March 1. A night of music and "crack" has been arranged for the final night so all racquetball and squash members are urged to come along for what will surely be a great night. Tickets are available from Sean Power, Kieran Donnelly or Peter Power.

The season must be coming round the final bend with all the squash notices up at present. The prestigious top 24 (sponsored by Jimmy O'Donnell, Footwear and Sportswear) closes for entries Tuesday 28th February — all those who qualified must enter before that night. The beginners tournament returns this season with the promise that all standards will be catered for. Entries close Monday night February 27 — the action begins Monday, March 6th.

The O'Brien cup, our premier singles tournament, also closes for entries on January 27th and also commences on Monday, March 6th. So as you can see very busy times are in store for Minnies squashers. — The Deadline!!

LISMORE COMMUNITY GAMES A.G.M.

The club's annual general meeting went ahead lately and the meeting reviewed one of the busiest years for Lismore in Community Games for quite a while. Chairman Martin Landers opened the meeting and Secretary, Laura Roche, gave a report on the year's events, with the Lismore Club having very capably hosted the County finals.

We sent a total of 14 athletes to Butlin's in a variety of events and for only the second time in the club's history an All-Ireland gold medal came to Lismore, courtesy of Rena Carey in the u-13 600m. walking race. This was the highlight of the year and a great encouragement for the young athletes of the future.

Treasurer, Connie Dowd had her accounts in order as usual and reported that the club is just keeping out of the red for the moment and funds will be needed almost immediately to get the ball rolling for 1989.

Connie decided not to go forward for Treasurer in 1989 and we would like to thank her for all the hard work. Since the club started in Lismore she has held the position

of Treasurer for many years and given the club great service.

The following are the officers elected for 1989 — President — Fr. O'Gorman; Chairman — Martin Landers; Vice-do. — Kay Barry; Secretary — Laura Roche; Asst. Secretary — June Healy; Treasurer —

Chris Moore; Asst. Treasurer — Connie Dowd; PRO — Jo Jo Tobin.

Committee — Bro. Dormer, CBS, John Cahill, Mr. and Mrs. Celisse, Mrs. Fitzgerald, Tony Hyde, Carl Landers, Eileen Fitzgerald, Maude and Kate Cunningham, Mrs. Howard. — PRO.

BRIDE VIEW UTD. NOTES — RED HOUSE LEAGUE — BIG DEFEAT FOR UNITED

Bride View Utd. O,

Affane 6

United, playing their last home league game, suffered a heavy defeat at the hands of Affane. United, badly hit by injuries all this season, went into this game without Stephen Curley, but to add to Manager Philly Curley's problems, Paul Curley limped off after just 10 minutes with a bad ankle injury. United, who play the Dungarvan Tyre Centre Cup quarter final on Sunday week, need a full squad if they are to retain the cup.

Against Affane on Sunday last, United's defence must have thought it was Christmas as in the space of 2 minutes, the 7th and 8th, they presented Affane with two of the softest chances seen at United Park this season. To United's credit they fought back. Pascal Prescod had a shot taken off the line, Ger Sice had a header just wide of the post and Kieran Murphy was through only to see his shot saved by the keeper. Affane went in at the break leading 2-0.

It was not United's day however as 5 minutes into the second half another mistake by their defence left Affane in to add number three. Ger Sice and Dermot Henley were both unlucky not to score in what was United's best period of the game.

Affane finished the stronger, however, and added three further goals to run out easy winners.

United — K. Tobin, P. Sheehan, P. Prescod, K. Murphy, G. Sice, G. Hogan, T. McCarthy, D. Henley, B. Henley, P. Curley, J. J. Henley.

United have a free Sunday, but it is hoped to get a challenge game for Sunday morning.

Schoolboy Football — Our u-14 squad have been in training for the past few weeks under Manager Liam Buckley. However the moment of truth for these boys is just around the corner.

Ladies Football — Anyone interested hand their names into Leonard Fraser immediately.

Dungarvan Tyre Centre Cup quarter final — Kilteagh v. Bride View Utd., 11.30 kick-off.

TALLOW ENTERPRISE GROUP

The above committee would like to sincerely thank the people of the town for their recent house to house collection for the renovations being carried out on the Enterprise Centre at West Street.

tion they got on the doorsteps.

We would like to remind anyone who have not already contributed, they may do so by dropping the money into the Credit Union or to any member of the Committee. Receipts are now being issued.

The Heritage Map is now nearing completion and will be on display at the end of the Fas Course.

Results of the u-15 boys and girls doubles played on Saturday last in the hall — Boys u-15 doubles, Jim and Mark Lane (Conna) beat Denis Martin and Timothy Keniry; Girls u-15 Doubles, Helen Lane and partner (Conna) beat Valerie Cunningham and Sinead McCarthy (Tallow); U-18 Girls, Cora McGrath (Tourin) and Olive Power (Cappoquin) beat Angela Curley and Ann Doyle (Tallow). The u-18 boys final will be played on Friday night and is an all-Tallow final.

Our section C team suffered a major setback recently in the knockout Cup away to Carrick. Leading 6-2 from the first leg at home, we lost 7-1 away, with Fiona and T. showing the only kind of form on the night. We wish Carrick the best of luck in the final, which will be played shortly.

The season is almost over for another year, with the emphasis on the home tournaments and ladder games taking priority. — PRO.

ST. CATHERINES G.A.A.

JUNIOR FOOTBALL LEAGUE

St. Catherines 0-3, Cloyne 1-9

Playing the first game of the current league at Ballynoe last Sunday, Catherines, while giving a pretty good performance of the code, couldn't halt the strong challenge of Cloyne.

The visitors were on the offensive from the throw-in practically, and as the score-sheet suggests, their talent to pick off those opportunist points, sent them on the road to victory and while the home side never relented, there was no denying the superiority of the southern boys who ran out worthy winners.

Dan Kenneally, Dungourney H.C., refereed, and this was the Catherines line-out — P. Murphy, J. G. Barry, B. O'Regan, M. Walsh, J. Spillane, S. O'Connell, P. Buckner, K. Barry, P. O'Donoghue, B. Neville, P. O'Sullivan, B. Carr, K. Murphy, P. J. Lonergan, E. Galvin. Subs used — D. O'Leary, M. Carr and J. Hartnett.

Our intermediate hurlers will await the outcome of the Mallow v. Inniscara game in the forthcoming championship in a few months time. The junior footballers have the unenviable task of engaging Aghada in the championship, and the Junior B hurlers take on neighbours Castlelyons in the first round.

Our footballers will be away on Sunday to Cobh and will have Erin's Own at home the following Sunday, and again they will travel to Ballymacoda, Sunday, March 12, to play Fr. O'Neills, and all of these games are for the East Cork League.

STRADBALLY G.A.A. NOTES

CONGRATULATIONS TO NED MOORE

The club would like to congratulate Mr. Ned Moore, Dunhill, on receiving the "Jack Furlong" award recently from Waterford County Board.

A social evening took place recently in Dunhill's new complex and we would also like to congratulate the Dunhill club on a magnificent centre. Many members of our club were present at the function.

DEEPEST SYMPATHY

The club would like to express its deepest sympathy

to the Coffey family, Williamstown; the Smith family, Church Lane; the Keane family, Ballyvoille, Fahafeela and the Kiely family, Durrrow all of whom recently suffered bereavements.

WELCOME TO PLAYERS

We would like to welcome Liam O'Connor and Eoin Phelan to the club, who will be a great assistance to the club, but with Pat Curran and Noelle Weldon after emigrating, it's certainly not all rosy regarding our playing strength. But time will tell!!!

BOARD MEETINGS

Club members who attended Board meetings during the week were Michael F. Keane at the Western Bord na nOg meeting, while Tom Cunningham, Richard Hickey and P. J. Coleman attended the Western Board last week.

KNOW YOUR SPORT

Club Secretary Eoin O'Brien will be appearing on R.T.E.'s "Know Your

Sport" on Thursday, March 2, at 7.30 p.m. Will Eoin make it to the semi-final? We just have to wait and see. The prize is a trip to New York.

On Thursday night week March 2, official training starts at 8.15 p.m. followed by a players meeting. Trainer Sean Ahearne asks all players to make a special effort for the training session as plans will be laid-out for the coming year. Please note the time 8.15 p.m., after "Know Your Sport".

SOCIAL CANCELLED

The club's Annual Social was cancelled last week as a mark of respect to the late Brendan Coffey. No new date has been set until after our meeting next week.

SPECIAL NOTICE

The groundswell of local public support to the Gerard Moylan Fund Campaign is very much appreciated.

To avoid any embarrassment and to avoid clashes with the committee's fund raising programme, we appeal to any group intending raising funds to please clear it with the committee who have the official permit and have set up the proper structures under a trusteeship to see that the funds are properly administered.

Thank you.
John R. Walsh
Chairman Gerard Moylan,
Fund Committee.

CIDONA CARRICK WHEELERS 1989 CYCLING SEASON

With only ten days to the start of the 1989 cycling season the riders riding with the CIDONA CARRICK Wheelers are training very hard. Early in the winter they did a course of circuit training. Since then all work has been on the bike, building up miles needed to improve their endurance. At the weekends the club training spins give the riders a chance to train together and get to know each other better. This is very important as they will be racing together as a team during this season.

Dungarvan cyclists riding with the CIDONA CARRICK Wheelers will be contesting all the major races this season. Their senior squad consists of Martin Whelan, Gearoid Fraher, Tony O'Mahoney and Maurice Terry. CIDONA's junior team this year is easily one of the strongest in the country. Dungarvan will be represented in the squad by last year's All-Ireland Junior champion Robert Power along with Pat Kennealy, Aidan Bell, Eamon O'Doherty, Vincent O'Mahoney and Mark Power.

We will follow their progress with interest during 1989. Perhaps another Sean Kelly will emerge.

MARQUIS CUP 2ND ROUND

DUNGARVAN ADVANCE IN THRILLER

PORTLAW 2; DUNGARVAN 3 (after extra time)

Our third division side were the only side in action over the week-end when they travelled to Portlaw to take on the locals in the Marquis Cup. This tie was played in atrocious conditions and a heavy downpour of hail before the start turned the pitch into a quagmire. Although the conditions ruled out good football the cup tie atmosphere produced plenty of goal-mouth thrills.

The visitors made the better start and a good ball from Walsh put Drummey clear but he shot wide. Dungarvan almost broke the deadlock after twelve minutes when Sandford shot just over after good work by Ferncombe and Morrissey. With the heavy rain falling continuously, underfoot conditions were treacherous but both defences stuck to their task and chances were limited up to the break.

Dungarvan took the game to the home side on the resumption and Whelan was only inches over with a free kick. The Blues should have gone in front with seventeen minutes remaining when Whelan's free kick found Ferncombe but he headed straight at the keeper from six yards. With ten minutes left came the miss of the match, J. W. Power picked up the ball in midfield jinxed past four defenders but with the goal at his mercy he mis-kicked completely.

Just as it looked that the game would end scoreless, the Blues struck. Morrissey and Ferncombe combined to put Sandford clear and he shot home from close range.

This goal looked like the winner, but Portlaw had other ideas and deep in injury time Dooley knocked in the equaliser to send the game into extra time. The home side shocked the visitors within minutes of the re-start when Wright failed to collect an over-head kick and Portlaw were ahead. It was now Dungarvan's fitness began to tell and Desmond struck a superb equaliser just before the end of the first period.

With a replay looming the Blues struck again, Sandford raced into the box and was brought down and B. Whelan shot Dungarvan into the next round from the spot.

This was a fine performance from the Blues and everyone played their part but we're sure all will agree that John "Dixie" Power had the proverbial stormer

at left full.

Team — T. Wright, J. Desmond, B. Wade, B. Whelan, J. Power, E. Morrissey, M. Walsh, J. W. Power, P. J. Drummey, L. Sandford, P. Ferncombe. Res. — J. Fitzgerald for P. J. Drummey.

BALLINROAD A.F.C.

BALLINROAD PROGRESS IN CUP

Ballinroad 1, De La Salle 0

After failing to gain league honours this season, Ballinroad's only chance of a trophy is in the cup. On Sunday morning last we were at home to De La Salle in the second round of the 3rd division cup. Heavy rain just before the kick-off made conditions atrocious.

Ballinroad kicked off against the hill and were soon under pressure. We were pinned in our own half for long periods, but good defensive work by us kept the game scoreless. In fact we might even have scored from the few break-aways we had. First V. Tobin was nearly in and Pat Keane headed against the post. But in general it was a rearguard action and we were glad to go in at half time on level terms.

In the second half we went straight into attack. That lead goal just would not come despite continuous all out attack. Chances were missed and De La Salle began to grow in confidence and might even

have scored but for a great save by keeper Reynolds.

As the game entered the final stages it looked as if extra time would be needed to separate two even teams. A goal to either side at this stage would surely be the winner. Ballinroad got it when M. Foley headed home V. Tobin's cross.

A good team display by Ballinroad, but credit to both teams on a terrible day for football.

Ballinroad — J. Reynolds, P. Lynch, B. Mahony, D. Crotty, P. Keane (capt.), M. Foley, B. Hennessy, R. Burke, P. Flynn, V. Tobin, A. O'Connor. Subs — T. Lenihan, D. Power, J. Veale.

SUPER DRAW

The final draw takes place on Saturday, March 11 at 11 p.m. in Garvey's Bar, Waterford. All monies to be in by March 4. In the February draw we had £50 winners in Tony Ahearn, Boreenatra and Sean Fitzgerald, Ballycoe. The top prizes went as follows — car, Catherine Rockett, Slieverue; holiday, John and Mary Condon, Brenan, Stradbally; video recorder, Mick O'Sullivan, St. John's Park, Waterford.

F.A.I. YOUTH CUP 6TH ROUND

HOME FARM (Dublin) V. DUNGARVAN UNITED

On Sunday next, February 26, Dungarvan face the daunting task of trying to beat the lion in his own den. This is a real David and Goliath encounter as for the second year running lady luck has paired us with Home Farm — the nursery of football in Ireland. Many of our international players have passed through the hands of "the Farm" most notably current Liverpool skipper Ronnie Whelan.

Last season Home Farm beat Dungarvan 4-0 in Whitehall on a bumpy surface. While it was undoubtedly a deserved victory for the famous blue and white hooped jerseys of Home Farm, the scoreline does scant justice to a fine effort from the Dungarvan side. Silly goals, conceded at vital stages of the game contributed significantly to our downfall. However this year managers John Walsh and Kealan O'Neill can call on seven of last seasons squad for Sunday's encounter. The experience gained from last seasons game could and should have an important bearing on the outcome of the game.

deep end. Sean Duggan can play anywhere in defence or midfield, while Thomas "Dinger" Kenneally has the speed to trouble any defence. David Walsh, who has been particularly unfortunate with injury this season, is one of the youngest members of the squad and has made some vital contributions to the side when called upon. David Kirwan, our reserve keeper, is confident and commanding in his area and would be an ever present on most other teams, however he is unfortunate to run up against a very much "in form" Barry McGrath.

The Blues have been in good form to date this season and gave a solid, workmanlike display against the previously unbeaten Evergreen side in Kilkenny a week ago.

A feature of recent games has been Barry McGrath's confidence in goal. He uses his height to full effect and caught some good balls in Kilkenny.

To get a good result next Sunday in Whitehall, the whole panel will have to perform to the best of their ability and John Walsh and Kealan O'Neill will no doubt be getting down to the business end of things in the coming days.

A bus will leave the club house on Sunday morning, any supporters interested in travelling should get in touch with Tom Wall, 30 Comeragh Crescent.

The value of support on Sunday next is incalculable so every one intending going will be catered for insofar as possible. However comfort is essential on such a long journey so supporters will be accommodated strictly on a "first come — first served" basis. It is vital to get your name and deposit in early as most likely the bus will be full well before the weekend. The chances of people turning up on Sunday morning and hoping to get a spin will be very slim so get your name and deposit to T. Wall personally.

To avoid confusion and disappointment do not ask anyone else to book your seat for you. Do it personally with Tom Wall. In this way things can be organised properly and everyone will be happy.

Our back four have also been very impressive of late with the will to win of Bryan Kirwan, Brian Whelan and John Walsh supplemented to the full by the skill and determination of sweeper John Shanahan.

Our midfield gives nothing away and the probing runs of wingers Kieran Hallahan and Colum Flynn give the side the necessary width and have been the source of some great ball to our strikers.

In the centre of midfield the fitness and tackling skills of Ger Leahy is balanced perfectly by the ball control and passing skills of Darren Wyse.

Up front Ray Flynn and Liam Barron are lethal finishers who have scored over thirty goals in competitive games this season.

On the line we have players who no-one would be afraid to throw in at the

Bus will leave clubhouse at 8.30 sharp. Fare — Adults £5; Children £2.50.

DUNGARVAN UNITED A.F.C. SCHOOL BOYS UNDER 15

HIBS HAVE NO ANSWER FOR CLASSY DUNGARVAN

HIBS 0; DUNGARVAN 4

Dungarvan travelled to Waterford to take on Hibs. The weather was appalling, Dungarvan played with the galeforce wind in the first half. The Blues scored two goals only to be ruled off side, it looked as though the Blues were not going to score a goal that would count.

With about 20 minutes to go in the first half a good move down the left, the ball came across and David Cummins turned on it to score the first goal of the game. David Cummins scored again to leave the Blues 2-0 up at the break.

In the second half the Blues played their best football of the season, they controlled the second half right from the start. Playing against the galeforce wind, you would expect Hibs to dominate, but the Blues played the ball around and, kept the homeside at bay.

David Fleming and John Donnelly came more into the game and with David Morrissey playing well on the wing gave the home side a load of problems.

Dungarvan went further ahead with another good goal by Anthony Moore who came on for Deckie Carlton. With about 2 minutes left David Fleming scored the 4th goal of the game and the blues were worthy winners.

This was the best performance by all the lads and, if they keep this up the league should be a formality for them.

HISTORIC WIN FOR SAVIOURS

St. Saviours 4-8, Dungarvan 0-2
St. Saviours made history at Fraher Field, Dungarvan, on Sunday last when they took the Under 21 football County title for the very first time.

They comprehensively beat the reigning champions' Dungarvan, in what turned out to be a very one-sided 1988 decider.

Conditions were atrocious and only a handful of spectators braved the elements. A torrential shower which fell for nearly all of the first half turned an already heavy pitch into a skating rink and mitigated against good football and full credit to both sides for being able to play at all in the conditions.

Saviours were, physically, head and shoulders above a much lighter and smaller Dungarvan side. They adapted to the conditions far better and when the elements began to take their toll on Dungarvan early in the second half, the Eastern champions were still going strong and managed to crash home the scores which brought them their first ever title in the grade.

Dungarvan tried hard in the first half with the gale force wind behind them but they could make little headway against the winners. They scored first through Eoin Mansfield after two minutes, but points from Brendan Reidy and Derek Wyse left the Eastern side in front after 6 minutes.

A series of wides followed from both sides before Saviours struck a telling blow in the 25th minute when Wyse sent Michael O'Brien through for a goal.

A minute later John Ferncombe had Dungarvan's second score, a point. Alas, it was the champions last score. They trailed 1-2 to 0-2 at the break and their hopes of a third title in the grade looked forlorn as

they faced the wind in the second half.

Five minutes after the restart some early Dungarvan pressure looked likely to be rewarded when Ger Beresford was put through by Dermot O'Neill but the corner forward blazed wide.

FINAL SHOW

It was in essence, Dungarvan's final show of defiance as they began to struggle in the heavy conditions.

A point for Saviours per Derek Healy in the 37th minute heralded the start of a period of total Saviours dominance. Derek Wyse added a point a minute later and when a long range shot from Liam Daniels ended up in the Dungarvan net in the 41st minute it killed off any Dungarvan resistance which remained.

Two fine points from Brendan Brophy and one from Daniels left Saviours 2-7 to 0-2 ahead with twelve minutes left for play. With ten minutes left and traffic all one way a great move involving Derek Wyse and Liam Daniels ended in Derek Healy notching Saviours third goal, and just one minute later Brien Thompson had their fourth major.

Liam Quilty finished the scoring in the 53rd minute when he pointed to leave the Eastern side 4-8 to 0-2 ahead. Dungarvan, whose reign ended disappointingly, tried desperately to come back, but their best efforts were thwarted by a combination of Saviours physical superiority and the very heavy conditions.

Saviours were fully deserving winners on the day and while Dungarvan tried hard for a time, they were lucky to hold out for as long as they did against such superior opposition.

Saviours — E. Hartery; P. Thompson, A. Power, J. Cuddihy; G. Cleary, M. Corcoran, B. Brophy; L. Daniels, M. Boyle; B. Thompson, D. Wyse, L. Quilty; D. Healy, M. O'Brien, B. Reidy. Sub. — P. O'Keeffe for Reidy.

Waterford Go Down Badly

WEXFORD 3-21; WATERFORD 0-4

Waterford went down badly and made relegation an even surer possibility at Wexford Park last Sunday when they were hammered by the home side in a one way N.H.L. clash.

Waterford even with the gale force wind behind them in the first half could never get their act together and turned over with a five points deficit 0-8 to 0-3.

They were in dire trouble at this stage but few could foresee the extent of the

rout which followed in the second half. Wexford shot 3-13 as against a solitary point for Waterford who must have given one of their poorest displays ever.

SCORERS: Wexford — J. Holohan 1-9; T. Dempsey 1-5; M. Storey 1-1; M.

Morrissey 0-2; S. Fitzhenry 0-2; J. O'Connor, S. Fitzhenry 0-1 each. Waterford — K. Delahunty 0-2; N. Crowley and P. Ryan 0-1 each.

MINOR HURLERS SPONSORED CYCLE

Our County minor hurling panel and selectors are organising a sponsored cycle on Sunday, March 12, from Dungarvan to Waterford, leaving Square at 11 a.m.

Full credit must go to the organisers as they have organised the event in order to help with the expenses with the team. Cards are now available — so let's all help out.

DUNHILL CELEBRATIONS

There was a large and representative gathering of friends and admirers, together with members of the County Board plus Divisional Boards, together with hundreds of local people, at the magnificently laid out new Dunhill G.A.A. Complex to celebrate clubman Eamon Murphy's election to the chairmanship of the Waterford County Board and Ned Moore's selection for the Waterford "Jack Furlong Award."

Both were warmly congratulated by club chairman, Senan Cooke and Rev. Fr. Purcell, P.P., on bringing special distinction on the parish and each re-

ceived a specially inscribed piece of Waterford Glass.

It was a most enjoyable evening with traditional song and dance. Everybody present received a meal — surely Dunhill are setting a good example for the rest of us, and we congratulate them on their new complex.

CUP FINALS

If possible, both the Phenlan and Sargent Cup finals will be played on St. Patrick's Day. If no unexpected problems arise, the programme will be Stradbally v. Butlerstown at Fraher Field and Ballygunner v. Portlaw at Walsh Park.

COUNTY FINAL SENIOR SCOR

On Saturday night next, February 25, the County final of Senior Scorer takes place in the Friary hall, Dungarvan at 7.30 p.m. This should be a great night for our traditional music, song and dance — one that always sees a full house sign up well before starting time.

So my advice is make sure you come early. All our clubs are well prepared for this final — so a great night is assured.

MINOR HURLING LEAGUE

The first game in this competition will be played at Abbesside, on Saturday next at 2.30 p.m. The game features Waterford and Kerry and it is timed for 2.30 p.m. In last year's league, Kerry defeated Waterford and then the Kingdom side took the unusual decision to withdraw from the minor Munster championship in which they were due to play us in the first round. Reports indicate that Kerry are taking hurling in this grade, more seriously now, it will be interesting to see what happens in this tie on Saturday.

NO RECORDS!!

On Sunday last we celebrated the coming of age of the under 21 football championship, in that it was the 21st playing of this competition. The trophy for this championship is a very fine cup which was presented by the Senior Board to Tallow, who won the first championship in that grade and code in 1968. Up to now, it has been won on 20 occasions, but on six of those, the winning clubs neglected to have their names inscribed on the small silver nameplate at the base of the cup. I can only conclude that winning this championship could not have meant a whole lot to these defaulters, whose victories will not now be recorded on the trophy. There is no more room on this trophy for names.

NEW CHAIRMAN

Frankie Cullinan, who has been secretary of the Portlaw Club for 12 years, is the new chairman of the East Waterford Board, following the resignation of Eamon Murphy, who was recently elected to the County chair. In a straight fight with Tom Mooney, Kill, Frankie won by 50 votes to 20.

PRESENTATION TO COUNTY MINOR HURLERS

Our County minor hurling panel were presented with a new set of jerseys by Shopwell, Kilmeaden, at a function held in the new Dunhill Complex. The presentation was made by Mr. John Murray, Area Manager, East Waterford Region of Waterford Foods Ltd.

Also present were Mr. Martin Kennedy, Manager, Kilmeaden Branch and also current Selector, Mr. Eamonn Murphy, Chairman of the Waterford County Board.

NATIONAL FOOTBALL LEAGUE

Footballers Final Game

We won't know until after Sunday's final round of the national football league if our match against Kilkenny at Mooncoin, is to be our last match in the current competition, as even if we do win, everything will hinge on the results of other games.

Limerick are at home to Wicklow and Wexford must travel to Carlow for their last matches in the league section of division 3 South. Should either Wicklow or Carlow win (and the odds are not in favour of this), we will be back in the business and in a play-off situation.

It is nothing short of being a tragedy that we find ourselves in this situation after losing by a single point to both Wexford at Stradbally and Limerick at Askeaton. They are the table-toppers at the moment and both are enjoying a favourites chance of being

promoted. Of course, we still haven't beaten Kilkenny and we have no good reason for being certain that we will. In recent years they have beaten us twice in the league and there have been other occasions when we were lucky to defeat them. Last year when we played them at Fraher field in the final match of the league, they beat us more decisively than the score 2-8 to 0-10 suggests. Granted, their victory was not achieved because of their high standard of football. They won because we were very poor and spiritless on the day.

Even if the result of this meeting will be of no use to us on the points-table of the league, it is important that we win. Another defeat by Kilkenny would set the County back a lot and undo an amount of the progress achieved in the past few years.

Having beaten Tipperary, Carlow and Wicklow in successive outings, we find ourselves going for a four-in-a-row result, which for us must be something of a record. Our display against Wicklow in Blessington was very encouraging, and the small band of loyal supporters who travelled were very pleased with the spirit and attitude of the team.

The team has not been named at the time of writing, but may be available in time for publication. I understand that it may show a couple of changes from what has come to be regard-

ed as the regular side. Corner back, David Kirwan, who has been the outstanding player on several occasions over the past couple of years and Michael Neville, are supposed to be not available for the game on Sunday. But even without these, we should be able to take Kilkenny. To lose to Kilkenny and then find that Limerick or Wexford had lost also, would be nothing short of a tragedy.

OTHER GAMES

On Saturday morning next the minor footballers will get into action with a challenge game against Wexford at New Ross and on the following Sunday, the under 21 footballers will play Carlow in a trial match before the selectors will name their final panel for the Munster championships in March.

COUNTY BOARD MEETING

On Monday night week, March 6, the first County Board meeting takes place in Lawlor's Hotel, Dungarvan, at 7.30 p.m. This will be Eamon Murphy's first meeting as County Board Chairman, when it is expected that the format of both senior championships will be announced, plus the ratification of all transfers. All clubs are expected to have their delegates present, which should see a full turn-out present.

SHATTERING DEFEAT

What can one say about a game in which we lost by a clear 26 points margin?

The final score of 3-21 to 0-4 tells the sad and disappointing story of this unexpected hammering by Wexford in round six of the national hurling league. The game was switched from New Ross to Wexford Park and even this did not deter a big following of loyal supporters from travelling to swell the 4,000 crowd who turned up in the expectation of seeing a thriller.

Having played with the strong wind and trailing 0-8 to 0-3 at the break, the game as a serious contest was over as far as Waterford were concerned. Being on duty elsewhere, I did not see the game, but a few officials who did are completely at a loss to explain the amazing lapse by the team—all of whom played well below form on the day. It is a game that we will all wish to forget. The result means that we

are very much in line for relegation to division 2. Two others, Offaly and Antrim are with us at the bottom of the table, but with the two last named due to meet in the final round, and if the game is not a draw one of the two are likely to stay up.

LEAGUE TABLE

Next Matches — March 5th, Galway v. Tipperary. Offaly v. Waterford (at Dungarvan); Kilkenny v. Wexford; Antrim v. Limerick. March 12th — Galway v. Wexford; Offaly v. Antrim; Tipperary v. Kilkenny and Waterford v. Limerick at Walsh Park.

S.F. LEAGUE

The seventh of this ten-round senior football club league will be played on Sunday morning next and the programme of matches listed for the day, is — Dungarvan v. Ballinacourty at Dungarvan; Tramore v. Dunhill at Tramore and Gaultier v. Rathgormack at Gaultier.

On last Sunday the game between Dungarvan and Rathgormack was cancelled because Dungarvan were involved in the County Under 21 football final.

In the others, Ballinacourty defeated Tramore by 1-9 to 1-4 and Dunhill had a good win against Gaultier on a score of 0-9 to 0-3.

BRICKEY RANGERS FIELD

When the Western Board were informed on Thursday night last that the Brickey Rangers' club grounds would be available to the Board for championship and league matches this year, the chairman welcomed the news and said that the use of the clubs' full-sized pitch would relieve the pressure on the Board. This venue is situated at Carriglea and will be central for matches involving clubs on all sides.

Unfortunately this good news was balanced with some disappointing news on the same subject. Sean McGrath informed the Board that Cappoquin venue because of a flooding problem and a breach of the river bank, will not be available for games for some time to come. Cappoquin's problem with flooding is ongoing and a lot of funding will be needed to do the kind of job that needs to be done there.

REFEREES FETED

Five referees from this County were among the big group of Munster Referees who were guests at a banquet at Limerick Inn on Saturday night last. The function was organised to honour the men who refereed games at provincial level during the past three years. Our referees, with their wives were John Moore, Dungarvan, David Kiely, Kilgobinet, Tomas O Meachair, An Rinn, and John M. Kelly, Shamrocks. Jim Landers was unavoidably absent and was represented by Michael Fraher. All received Munster Council specially made kit-bags and those who refereed finals during the three-year period were given inscribed medals. John Moore received medals for minor and under 21 hurling finals.

NEWS BITS

The gate receipts at last Sunday's under 21 football final were £176. On this bitterly cold, wet and windy afternoon, only the loyal supporters of both St. Saviours and Dungarvan braved the elements to see the game.

All fifteen of the players who finished on the winning St. Saviour's team on Sunday will be eligible to play in the under 21 championship this year. When team captain Liam Daniels was accepting the cup after the game, he expressed the hope that Dungarvan and themselves would again meet in the final next year. Saviours will be the hottest of favourites to retain this title again this year. The East Waterford draws and fixtures meeting, which was due to be held on February 23rd., has been put back for three days. This was a nice gesture on the part of the Board, who put it back in order to accommodate Kil-

machomas and Ballydurn, whose suspension will end on February 25th. New chairman, Frankie Cullinane has informed all clubs that transfer applications that are not in the hands of the secretary, before the meeting, will not be accepted. The forms will not be accepted after the meeting commences. At the last meeting of the Eastern Board, their treasurer Noel Sullivan suggested that a £10 fee be charged for each transfer application. Many nodded their heads in agreement. Noel told me at Fraher field on Sunday that a motion to give effect to this, will be before County convention at the end of this year.

Presentation To Outgoing G.A.A. Co. Chairman

Members of the Waterford senior football team and Co. Board Officers pictured at a social evening in honour of outgoing Co. Board chairman, James Tobin, at which he was presented with a number of gifts on behalf of the senior football team. The presentations were made to James in appreciation of his wonderful work as Chairman over the past five years. His wife Ann was presented with a bouquet of fresh flowers.

FIXTURES COMMITTEE RE-APPOINTED

The chief item on the agenda for last Thursday's meeting of the Divisional Board was the appointment of a Fixtures Committee which had been deferred from the first meeting. Nioclás MacCraith said that his club, An Rinn, were not satisfied about the constitution of the committee at the moment. They understood that the bye-law as written required the Board to appoint the committee every year. He said that whatever had been decided by Western Convention in the past was superseded by County Bye-law. They wanted an uneven number on the committee and said that a decision of the committee last year cost An Rinn a divisional and possibly a County championship. His proposition for a change was seconded by Tomás O Caodhla.

S. O'Brien opposed and proposed an amendment that the committee remain as presently constituted. He was supported by Ollie Wilkinson, Timmy O'Keefe, John Lyons and Jimmy O'Gorman, who appealed to An Rinn to withdraw the proposition, which was looked upon as a motion of no confidence

in the Officer Board. On a vote the amendment was passed overwhelmingly. Letters from Ballyduff and Brickey clubs had requested that the committee remain as in previous years.

CONGRATULATIONS AND GOOD WISHES

On the proposition of Nioclás MacCraith, congratulations and good wishes were extended to the new County Board Chairman, Eamon Murphy, who recently took up office.

Nioclás said that the chairman should be given every co-operation and support by this Board.

MINOR CHAMPIONSHIPS

In recent years the Board has followed a practice of playing their minor championships on Wednesday evenings at all venues. This is now almost certain to change as a result of a written request by St. Patricks and Clashmore clubs, both of whom submitted a timing schedule for the minor championships and both want them played on Sunday mornings. Both letters were read and following a short discussion, were referred to the Fixtures Committee.

Also referred to the fixtures committee were applications by Ardmore and Tourin to be graded in the

'B' junior hurling championship for the coming season. Ollie Wilkinson, supporting his club's appeal, said that they had won only two matches in four years.

NEXT MEETING OF WESTERN BOARD

The Board meets again on Next Thursday to hear the

submissions of the Fixtures Committee who met for an hour and a half after last Thursday's meeting to sort out the gradings, the size of the sections in the various championships and the formula for semi-final and final pairings in each competition. All 12 championships will be dealt with.

LISMORE A.G.M.

An account of this meeting appeared in their club notes recently, but apart from this most comprehensive account of the club activities of the year, what was most interesting was their financial statement which outlines the huge cost of running a club in recent times. I was particularly interested in their balance sheet because they were our representatives in Feile na Gael and I was interested in seeing what the trip up to Birr, cost the club. The figure listed is £1,176 and this does not include the cost of the final tickets and some other incidental expenses for the Feile. I refer to this because in a recent publication, an article dealing with the cost of sending a team to Feile,

stated that involvement would cost some of the 'long-distance travelling' clubs in the region of £500. The guy who wrote this must be living in 'cuckooland'. Lismore over the past year paid out more than £4,200 for hurleys and sliothars and approximately £1,000 on travelling to clubs games. Overall the club spent more than £20,000 and were fortunate in being able to end up with a credit balance of £1,174 on the year. The good housekeeping by May Lawton and Christy O'Brien who looks after their finances, certainly involved a lot of hard work, as will be seen by anyone reading this excellently produced document.

£10,000 DAMAGE AT DUNGARVAN HALTING SITE

(CONTINUED FROM PAGE 1)

bitter disappointment at the extent of the vandalism. The Council had taken a brave line in making the decision 6 or 7 years ago to set up the halting site and despite what had happened he still thought that decision was the right one.

Mr. Hurley then told the Council that he proposed to write personally to the Minister for the Environment enclosing a copy of the damage report at the halt and telling him that the Council wanted £10,000 from the funds for itinerant resettlement available in his Department to refurbish the halt and to put it back into a livable condition.

"Unless this is done and some action in the matter is taken by the National Council for Resettlement then I certainly would agree to phasing out the halt altogether" he said.

"This was wanton destruction and the absolute devastation of the halt", added the Manager, "and we are asking the Gardaí to pursue their inquiries into the matter vigorously so that those responsible are brought to court".

The Council then agreed to follow this course as recommended by the Manager and that in the meantime no more money be spent on the halt.

ARE LOCAL COUNCILS TO BE ABOLISHED?

He had it on fairly good authority that local authorities are to be abolished and that there would be no more local elections held, the youngest member of Waterford Co. Council, Cllr. Seamus Dunphy (F.F.), told his colleagues at the February monthly meeting of the Council held in Dungarvan last week.

Cllr. Dunphy was speaking during a discussion on a document about a questionnaire prepared by the Institute of Public Administration on the subject of Local Government Financial Reform (with particular reference to the imposition of a property tax) and submitted to the Council for a response by the Local Authority members Association.

Cllr. P. Coffey thought that there would be an inherent danger in replying to the questionnaire as he could see that it was a sinister way to get the Council to state that they wanted to impose a property tax. "I think we should not entertain this document at all", he said.

Cllr. P. Kenneally disagreed stating that at present, County Councils were almost wiped out because of the great lack of money and this could indicate how they might get some funds for their own use.

Cllr. G. O'Halloran thought that what they should be doing was seeking a reduction of existing taxes and not the introduction of a new tax.

ONLY A PUPPET

Cllr. Dunphy made his observation quoted above at this stage, adding that, "after 1992 Dail Eireann will only be a puppet of Brussels".

Cllr. James A. Walsh saw the questionnaire as throwing the buck back to the Council to decide for themselves how money to fund their own proposals should be raised.

The Chairman, Cllr. Billy Kyne referred to the threat to the smaller local authorities because of their size in the European context. "I think their day could be coming to an end", he said.

When Cllr. P. Kenneally proposed that the Council respond to the IPA questionnaire as requested, it was agreed to adjourn the matter to the next meeting of the Council to afford the members further time to consider it.
