HIGH SPEED GARDA CHASE IN WEST WATERFORD

A garda patrol car was involved in a dramatic high speed chase of a stolen car which took it through several parts of West Waterford in the early hours of last Monday morning.

The drama commenced when the suspicions of members of the general public were aroused when four people were seen in the car in Dungarvan around 1 a.m. It was later seen travelling towards Cappoquin and the gardai in Cappoquin and Lismore were alerted.

Gardai Pat Norris and Denis O'Reilly came on the car outside the G.A.A. Grounds in Cappoquin but when they attempted to stop it, it drove past them at high speed. They immediately took up the chase as the car sped through Cappoquin and on to Lismore. From there it headed for Tallow and having gone down Tallow Hill the car turned back up the Sweep

and back in the direction of Lismore with the garda patrol car in hot pursuit.

Between Tallow and Lismore the stolen car reached speeds of more than 100 m.p.h. and at Cappoquin it switched to the back road to Dungarvan. The car chase ended only when the stolen vehicle ran out of petrol at Carriglea about four miles out from the town.

CROSS COUNTRY CHASE

The four occupants then took to their heels and ran into a field followed by Gardai Norris and O'Reilly who were then joined by garda colleagues from Dungarvan. The cross country chase continued through several fields and the wooded areas around Carriglea

before three of the four were eventually captured and taken into custody.

On Monday evening a fourth man was arrested and questioned. It is expected that charges arising from the dramatic incidents will be dealt with at this week's Dungarvan Court.

DENTAL SERVICES AT LISMORE

Cllr. J. Quirke again raised the matter of a replacement dentist for Lismore at the March monthly meeting of Waterford Co. Council held last week in Dungarvan. At the previous meeting of the Council, Cllr. Quirke asked the Council's two representatives on the South Eastern Health Board to raise the matter at the next Board meeting.

Cllr. B. Kyne, Chairman, a representative of the Council on the Health Board, informed Cllr. Quirke that he had raised the matter as requested and he and Cllr. O'Halloran, the Council's other representative on the Board, had been informed by the Programme Manager, Dr. Sousa, that a directive had, in fact, gone out to recommence the dental service in Lismore.

However, Cllr. Kyne added, they had been told that the service would be reduced in comparison with what it was. "I think," said Cllr. Kyne, "it would be as well for the Council to monitor the position to see whether the service has, in fact, commenced and how it is operating and we can then take the matter up again at the next meeting of the Health Board."

Cllr. Quirke said that he was glad to hear what Cllr. Kyne had stated about the position.

"It's Not Good Enough," He Says

THE (POTHOLED) ROADWAY AT DUNGARVAN YOUTH CLUB

Cllr. Tony Wright focussed attention on the appalling condition of the roadway leading to the Dungarvan Youth Club located at Ringasilloge (Quann's) when he produced the above photograph at the monthly meeting of Dungarvan Urban Council last Monday night. The huge potholes full of water and mud (shades of Frank Hall!) made it impossible for the members of the club to get to the premises without getting wet and dirty while it was particularly dangerous at night. "It is not good enough that the young people of the town should be treated in this manner and something should be done to repair the roadway", said Cllr. Wright.

Cllr. Mary Dixon said that the Council were doing nothing for the Youth Club as anything they had, they got from their own fund-raising activities. "Tis a pity they don't get support and encouragement as they deserve it," she said.

The Town Engineer said that it was proposed to re-route the entrance to the Club around the Health Centre and this would improve matters.

In the photo the enormous potholes can be seen in the foreground. In the background is the C.B.S. Building.

PAUSE FOR THOUGHT WITH FR. PADDY

DEATH AND RESURRECTION

Palm Sunday is the gateway to Holy Week, which is the most sacred period in the Church's liturgical celebrations. It marks the royal and triumphal entry of Jesus into Jerusalem. The Jewish leaders were jealous of Jesus, and had long since decided on His destruction. Whilst their reason to destroy Him arose from His claim to be Son of God, they were forced to alter their accusation when they brought Him before Pilate for trial. They hated the Romans, so it was ironic that they claimed to have no king but Caesar! The fact, they stated that this man was claiming to be a king, swayed Pilate to convict and sentence Him to be crucified.

Annually, the Church recalls His solemn entry by blessing palms. She distributes the palms and invites us to come, welcome and follow Jesus. Our acceptance is a commitment to form a relationship with Him. To realise and understand what is involved, means we will have to accompany Jesus through His passion. We will see Him betrayed by a friend. Then, we will be humbled by His meek submission to His captors. "He was led away like an innocent lamb to the slaughter." No voice was raised in protest. No crowds now to clamour for His release. Destroyed by His closest friends, His heart must have ached. Why! even Peter denied he knew Him.

Treated like a criminal, He was beaten, mocked and forced to carry His cross to Calvary. It was a path He walked in obedience to His Father's will. He bore these indignities and died an excruciating death so that we might live. Hence, His solemn entry was not to seek adulation and glory, but rather to suffer and die. The tumultuous welcome worried the chief priests, and strengthened their resolve to kill Him. They were jealous, and now this great commotion filled them with fear lest the crowds would proclaim Him as their king. It was not to be. He had willingly come to win, through His passion, death and resurrection, our salvation.

Yes, we took the palms to walk and accompany Him during these sad and eventful days. Sorrow and suffering provide us, as part of the mystical body, with the chance to share in His passion. We could reject our role. Judas did. The Christians were hounded and persecuted by Nero, and Peter, the story goes, overcome with fear, fled from Rome. While on the Appian Way he saw the Lord, and said: "Lord, where are you going." Jesus replied: "I go to Rome to be crucified again". Ashamed, Peter returned to the City to carry his cross for Christ. It may be a story, but the message is clear. Trials borne for God is sharing in the passion. When Paul was struck down from his horse on the way to Damascus, the Lord spoke to him: "Paul why do you persecute me." When the members of Christ's Body suffer, they share in His passion, death and resurrection.

The crucifixion ought to be uppermost in our minds this week. It is like a great book. Study it, and you will learn how to live forever.

KNOW YOUR RIGHTS

Q. — I have been drawing Unemployment Benefit for almost a year. If I go on the Social Employment Scheme will this mean that I lose the remaining few months of my Unemployment Benefit?

A. — No, you won't lose your remaining Unemployment Benefit if you break your claim to go on any of the following schemes —

- (i) FAS (ANCO);
- (ii) Social Employment Scheme;
- (iii) Teamwork;
- (iv) Enterprise Allowance.

Periods of up to one year spent on these schemes is disregarded when deciding if a claim is linked. So, if you have to sign on again when you come off the Social Employment Scheme your claim will be treated as continuous and you will pick up your Unemployment Benefit where you left off.

AER LINGUS LINKS WATERFORD INTO WORLDWIDE FLIGHT NETWORK

Aer Lingus will start daily services from Waterford to Dublin on Easter Sunday, March 26th. The new service will link Waterford and surrounding counties into the Aer Lingus network through Dublin and from there onwards to the UK, Continental Europe and the US. The airport will be included in a worldwide reservation system, and the tourist amenities of the region will be featured in brochures and literature, distributed worldwide.

The new service will be operated by Aer Lingus Commuter, using Shorts 360 aircraft.

Regional airport development has been one of the most exciting success stories of Irish aviation in recent years, Brendan Cronin, Sales Manager Ireland, for Aer Lingus, said. "Last year Aer Lingus started services to Galway and Sligo airports and carried over 60,000 passengers on the routes. We started off with

one flight a day and within three months we moved up to 18 flights a week", Mr. Cronin said.

"This year we are inaugurating services to Kerry and Waterford thereby bringing all the major tourist regions of Ireland within an hour's flying time of Dublin. The Aer Lingus marketing resources combined with the airlines extensive worldwide flight network and a range of low fares will now be available to the Waterford region", Mr. Cronin said.

LOW FARES RANGE

A range of low fares which are currently available to Cork and Shannon will apply on the route.

Waterford to Dublin £41 return*;

London to Waterford £79 sterling (IR£83 ex-Ireland);

Manchester/Leeds to Waterford £83 sterling (IR£98 ex-Ireland);

Paris to Waterford £124 (IR£151 ex-Ireland);

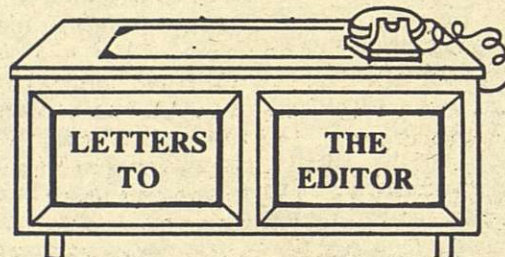

Amsterdam to Waterford £136 (IR£151 ex-Ireland).

* (All fares quoted are for return journeys).

RE-APPOINTED AS NOMINEE OF COUNTY COUNCIL

At the March monthly meeting of Waterford Co. Council, Cllr. C. O Riain was unanimously re-appointed as the Council's nominee on the Irish Public Bodies Mutual Insurances Ltd.

His re-appointment was formally proposed by Cllr. P. Cahill and seconded by Cllr. T. Cunningham.

Dear Sir,
I wonder if your readers can think back and remember the first major disease of which they heard.

Chances are, most of us will recall during our Infant School and Sunday School days, having the Biblical stories of leprosy sufferers read to us.

How strange it is them that while leprosy is probably one the first diseases of which we hear, it is probably the one that, as years go by, we learn least about.

In reality, leprosy is suffered by at least 15 million people, more than a quarter of whom are children. But perhaps what is most staggering is that whilst we can completely cure leprosy with relative ease, often for as little as £15 per person, only one patient in four ever receives the treatment they so desperately need. It is a tragedy that, through lack of money, three out of

four face the cruel results of this disease.

As we approach Easter I write to ask your readers to please help us to help some of these underprivileged people of our world who faced a life of handicaps which £15 can prevent.

Donations can be sent to the National Irish Bank Ltd.

Thanks, life for some will be worth living as a result of your help.

Donations can be sent to me at LEPPA, 35 Lisburn Road, Belfast, BT9 or to the National Irish Bank Ltd., 13/14 Earl Street, Dundalk, Account No. 13037991, sorting code 95/16/63.

Thanks, life for some will be worth living as a result of your help.

Yours sincerely,

WHEN EASTER EGGS ONCE STARTED A WAR THAT LASTED FOR 30 YEARS

BY MAI O'HIGGINS

The secret of life was believed to be inside the egg by the ancient Indo-European races, and for that reason they regarded it as a symbol of creation. The Easter egg is based on the lore of fertility and the continuation of life and resurrection. We have heard of the "World Egg" in pagan mythology from which the Sun Bird was hatched and from its two halves Heaven and Earth was formed.

The Christians adopted the egg as part of their Easter festivities meaning that it became an emblem of hope and Christ's Resurrection. The word "Easter" is derived from "Ostara" the divinity in the Spring of ancient Norsemen. They celebrated a big feast in her honour and from this festival arose the symbols of the Easter egg in our Christian festivities.

The "Feast Of Eggs" was celebrated in very ancient times at the vernal equinox, this was of course nesting time of most birds and eggs were most plentiful. Egg Hunts were the order of the day, carried out in the light of the full moon. According to anthropological authorities, the first inhabitants of the Nile Valley entered Egypt from the East. There were a starving band of food hunters. They found plentiful nests of eggs at the time of the vernal equinox. Their Egg Hunts began when the full moon reflected a Cross on the waters of the Nile at midnight. Their "Feast of Eggs" has been carried down through the ages to be celebrated today by Easter hunts and Easter eggs.

In the Middle Ages the colouring of eggs began. After being blessed they were given as presents for Easter. Some were coloured green to copy the shades of the springtime greenness —

some were in red to signify the blood shed by the Lord on the Cross.

DUCK AND GOOSE EGGS

In the olden days children collected duck and goose eggs in parts of Ireland to present as Easter gifts. On Palm Sunday, they made little stone nests and in Holy Week, they collected all the eggs they could find, hiding them away till Easter Sunday when they had a big feast among their brothers, sisters and friends.

A story is told how Easter eggs once started a war which lasted for thirty years. It happened in Crete in 1866. An old peasant woman had decorated her eggs in various colours, as they lay in her basket they attracted the attention of a number of Turkish soldiers who made fun of them. In the following horse-play the old woman was knocked down. Her cries brought a number of Cretans on the scene, and a free fight ensued, in which the soldiers got the worst of it.

This was all the Cretans needed to rise against the oppression of the Turks. The war lasted for thirty years. Eventually the Turks were beaten and the Cretans took control of the island.

Here's to a very Happy Easter and lots of eggs to everyone.

THE JOY OF EASTER

A robin sings
Each golden note.
Echoing across the woodland way.
Waking the sleeping buds
To a happy Easter day.
A truant breeze.
Whirling and twirling
In wild ecstasy.
Across the greening trees.
The teardrops of the skies
fall gently.
Violets hide beside
a laughing brook.
Daffodils—
In bright array
All is joy.
This Easter day.

—Mai O'Higgins.

BALLYDUFF CHILD'S BODY RECOVERED FROM BLACKWATER

On Monday evening last the body of 4-years-old Aileen Daly, Modeligo, Ballyduff Upper, was recovered from the river Blackwater at Dro-more, Aglish, eight miles downstream from Lismore Bridge from where she disappeared on Wednesday evening, February 15 last.

Since then one of the most intensive searches ever mounted in and along the banks of the Blackwater followed, involving hundreds of members of the public, garda and navy sub aqua divers and members of the Fermoy River Rescue Unit, under the supervision of Garda Supt. P. J. Hayes, Dungarvan, until it was scaled down on February 26, without yielding any sign of the missing child.

In the interim since then, a watch has been kept on the river which has been heavily flooded on a number of occasions, in the hope that the body would eventually be found. It was in the course of one of these private searches on last Monday evening that the body was discovered by two men and a woman.

Gardai in Lismore were immediately alerted and the body was removed to the Regional Hospital, Waterford, where the State Pathologist, Dr. John Har-

bison carried out a post mortem examination on Tuesday.

Following the discovery, a Garda spokesman commented that the finding of the child's body after all this time was a merciful relief for the child's mother and family. "For everyone involved in the search, too, there is a sense of consolation", he added.

FATHER REMANDED

Subsequent to the disappearance of the child, her father Eamonn Daly (37), school teacher, was charged with the attempted murder of his 4-year-old daughter by drowning at Lismore on February 15. He was remanded in custody and is, at present, detained as a patient in the Central Mental Hospital in Dundrum, Dublin.

YOUGHAL CYCLING CLUB NOTES

The club are busy preparing for Sunday's festival of cycling which is being held on the Strand Circuit. Racing starts at 1 p.m. sharp and a very good day's cycling is assured. We would ask all spectators to please co-operate with the stewards. The usual Sunday morning touring spin has been cancelled because of racing next Sunday, but will resume again on Sunday, April 2 at 10.30 sharp at the Cosy Cafe.

On Sunday last the club was well represented at Castlelyons. In the under-12 race Brian Geary finished 5th and John Twomey also took 5th place in the under-14 race. In the under-16 race Adrian Morgan crashed but he bravely remounted and finished the race strongly.

John Moore, who is a new signing for the club this year, found the going a little hard in his first race of the season, but I am sure it is only a matter of time before he recaptures the form he displayed in last year's All-Ireland. The club also had competitor: in the junior and senior events.

On St. Patrick's day a small group went to Carrick-on-Suir where Brian Geary and John Twomey again were in the places, finishing 3rd and 7th respectively.

Remembering Other Days

"Hard to believe, but true" was the comment of Tom Tobin when he sent us this photo for our "Remembering Other Days" series. These houses located at the New Line, Abbeyside, Dungarvan, where Noel Fleming's Shop and the storage space of E. O'Brien and Sons, Builders are now located, were offered for sale in 1952 at £10 each by C.I.E. (who then owned them and let them to railway employees). "There is many a person in Abbeyside who will recall this," adds Tom. Who the repair man doing a job on the roof was not stated by Tom.

GLENVIEW A.F.C. NOTES

GLENVIEW CLINCH PROMOTION

Modeligo 1 Glenview 3

This was one of the greatest days in the history of Glenview football club. What a fantastic performance by all the players on a cold, windy and rainy day.

Playing against the wind in the first half, we had a great start when Johnny Kett cracked a blistering 30 yard shot to the net after only 5 minutes. After 20 min. a tremendous through ball by McGrath was shot home by Pat Hallissey to put us 2 up, unbelievable.

Modeligo launched a series of attacks and they scored just before half-time. They continued this pressure after the interval, but with every player giving full commitment Glenview went further ahead when Pat Hallissey scored after a defensive mistake, to leave the full time score 3-1.

This was a brilliant performance by Glenview and gives them 1st Division football next season.

There were emotional scenes for all involved in the club after the match. All players and sideline team of Paddy Tobin, Mick MacBride and Paul Marks deserve great praise. What a climax to the season.

Glenview's trademark has always been good football and we will continue this into Division 1.

Team — Sheehan, G. Power, Casey, J. Power, Dolan, Kett, Horan, Walsh, Hallissey, Stafford, McGrath. Res. — O'Rourke, Marks.

BALLYDUFF PARISH CEMETERY

Arising from the minutes of the previous meeting, Cllr. J. Quirke at the March monthly meeting of Waterford Co. Council held in Dungarvan last week, asked if there were any developments on his motion requesting the Council to

take over and maintain the burial ground purchased by the people of Ballyduff adjacent to the existing cemetery owned by the Council. The County Manager, Mr. Dan Hurley, told Cllr. Quirke that he would like to meet the people con-

cerned with the extension to discuss the position with them and to tease out the problems involved. When he had an opportunity of doing this he said he would then report his decision on the matter to the next meeting of the Council.

DEATH OF CLASHMORE BORN JOCKEY

Cllr. G. O'Halloran proposed at the monthly meeting of Waterford Co. Council that a vote of condolence be sent to the widow of the late Albert Power.

Cllr. O'Halloran said

that Albert Power had been one of the best known jockeys of all time and he had been born in Clashmore.

The proposal was passed with all members standing in respectful silence.

SCHOOLS LANGUAGE TRAINING STRONGLY CRITICISED

The National Youth Council of Ireland have strongly criticised the current provision for language training in our schools, in their recently launched document, "Young People and the New Europe."

Fr. Martin Clarke, President of the National Youth Council, pointed to the current levels of language teaching, especially at second level, as totally inadequate preparation for young people hoping to enter the wider job market, made available with the implementation of the Single European Act in 1992.

"The present methods of language teaching must change with increased emphasis on oral proficiency. Availability of choice to the student must also improve dramatically if young people are to be able to compete with their European counterparts," he said.

At the moment, few secondary schools offer their pupils the opportunity to take more than one language, which is usually French, with other languages being offered as an alternative, rather than an additional subject. In vocational schools, things are particularly bad. Figures accompanying the report show that only just over one-third of senior cycle pupils take any foreign language at all.

NOT GOOD NEWS

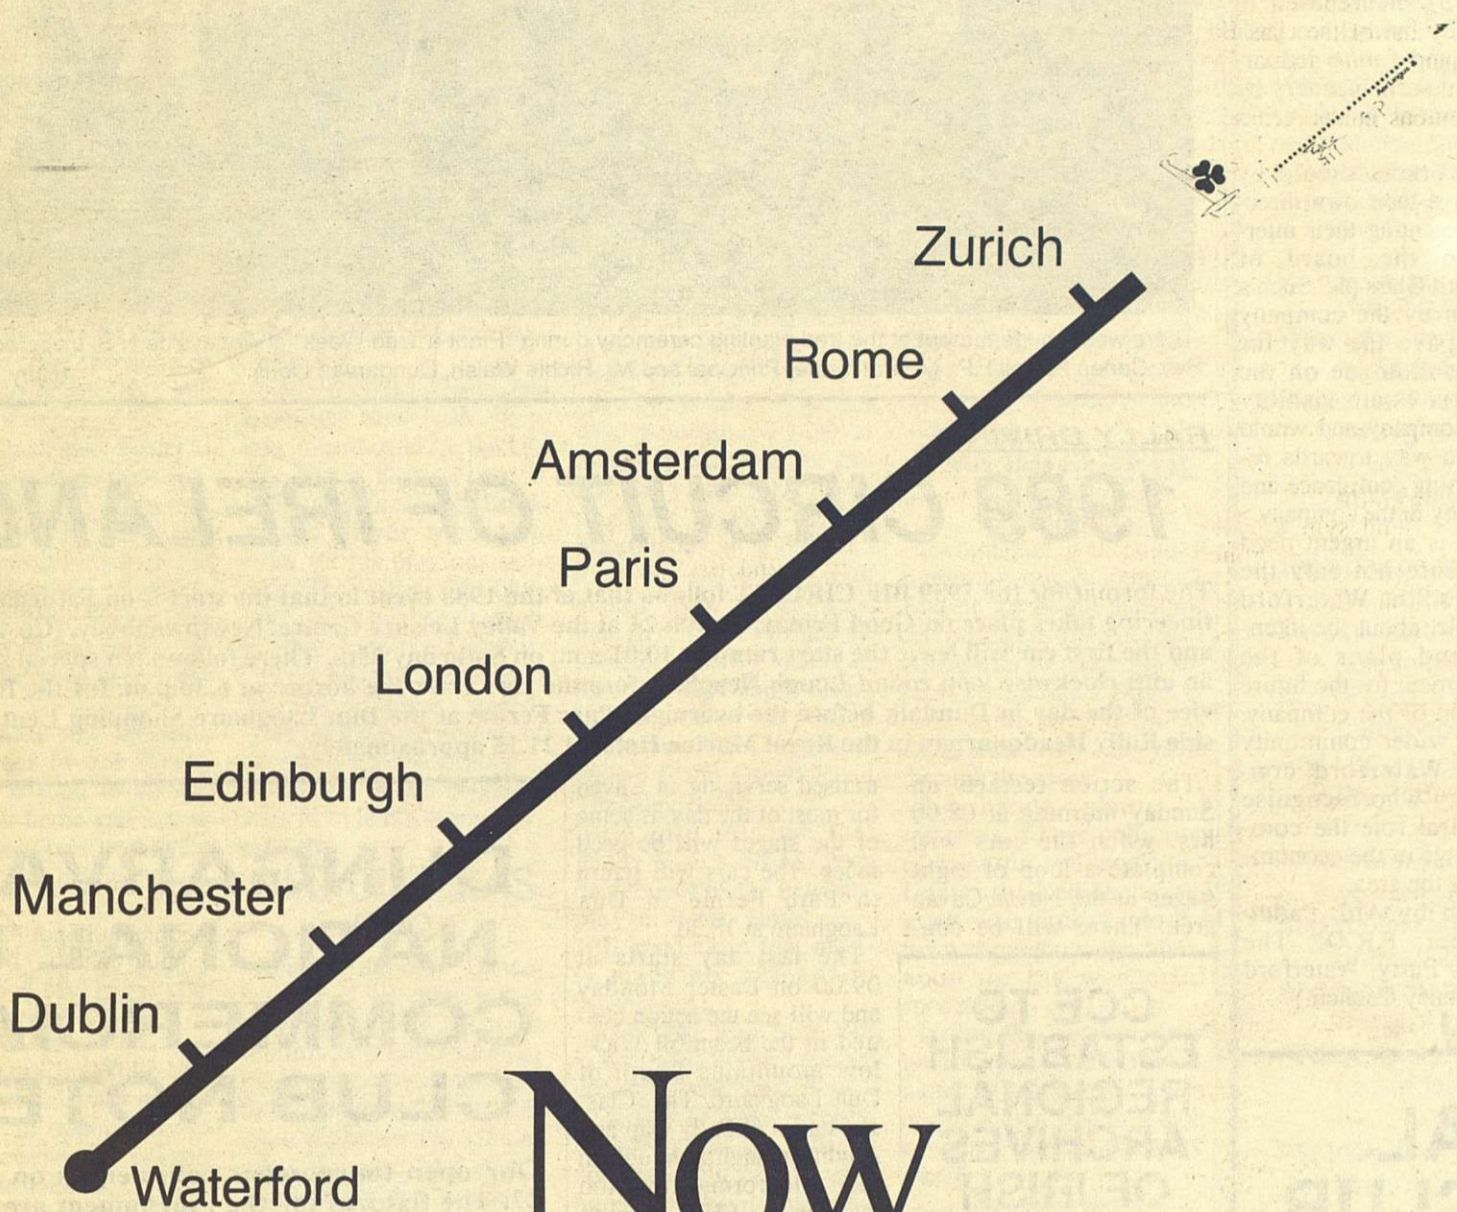

So what does this actually mean for young people? The news isn't good. What it means is that unless things change, come 1992, they will have to compete at home with young people coming in from abroad, who can speak English, and have to compete abroad with little or no working knowledge of the language of the country they might wish to work in.

In general, the NYCI's discussion document is calling for those in power to realise the need of social as well as political and monetary integration into Europe.

WP SUPPORT FOR GLASS WORKERS

At a meeting of the Waterford Constituency Council of the Workers Party held in Waterford City, the Council passed a motion of support to the workers of Waterford Glass in their demand for a third share interest in the company.

The Constituency Council recognises that the success of the company was built on the skill and sweat of the workforce through the years. This expertise has made the name of Waterford and glass synonymous with excellence throughout the world.

The constituency council also expressed concern at recent management decisions which have adversely affected the efficient and smooth running of the company. In particular the ham-fisted manner in which 1,000 workers were made redundant has led to production difficulties in key areas of the company. This, combined with the over-estimation of stock on hands, led directly to a shaking of confidence in the company and has created an atmosphere of uncertainty for the future.

WORKER/DIRECTOR

The manner in which the workers through their Joint Negotiating Committee have stepped in to salvage the mess created by management, is indicative that

they are not prepared to stand idly by and see their efforts and future jeopardised by such blunders by management in the years ahead.

The workers should by right have their own director representing their interests on the board of Waterford Glass plc. Such a decision by the company would pave the way for genuine dialogue on the long-term future viability of the company and would go some way towards re-establishing confidence and credibility in the company.

There is an urgent need to reassure not only the workers in Waterford Glass plc. about the intentions and plans of the management for the future operation of the company, but the wider community in the Waterford constituency who recognise the central role the company plays in the economic life of the area.

(Issued by Ald. Paddy Gallagher, P.R.O., The Workers Party, Waterford Constituency Council.)

YOUGHAL CYCLING CLUB

The Youghal cyclists acquitted themselves very well at the opening meet of the season which was held in very windy conditions at Dunderrow.

A large number of riders went to the line in the under-12 race, in which our

own Brian Geary finished strongly to take a good third place. In the under-14 event John Twomey cycled really well and finished 8th in a good quality field and Anthony McCarthy also finished in the leading bunch. A fantastic performance from the two new riders.

It was new riders to the fore again in the under-16 race, which was over 18 miles. Adrian Morgan led home a strong Youghal group which included Andrew Aherne and Niall Durkin. Maurice Hickey opened the season on a strong note in the junior event. He finished in the main group in a race which was won in a sprint finish.

The club was thrilled to hear it had succeeded in securing a stage finish of this year's FPD Milk Race which is being sponsored by Castlelyons Co-op. The Nissan Classic also comes to town this year with a hot spot to be held outside Paul Morrisson's Garage, the main Nissan Dealer in the area.

OLD PARISH TELEPHONE KIOSK "SUBJECT TO EXTREME VANDALISM"

The public telephone kiosk at Old Parish was subject to extreme vandalism and the average return for calls made there was £1.50 per week which made it an uneconomical proposition.

This was stated in a letter from Bord Telecom Eireann which was read at the March monthly meeting of Waterford Co. Council by the Secretary, Mr. B. J. McNally. The letter, which was in reply to a request made following a proposal by Deputy Jackie Fahey for the re-installation of the telephone, added that in the circumstances it was not proposed to continue the service.

There was a huge turnout at the tree planting ceremony during "Plant a Tree Week" at Abbesside N.S. Included Very Rev. Canon Farrell P.P., Mr. Pat Veale, Principal and Mr. Richie Walsh, Dungarvan Lions. (Rory Wyley)

RALLY DRIVING

1989 CIRCUIT OF IRELAND

The format for the 1989 BIF CIRCUIT follows that of the 1988 event in that the start is on Saturday. Scrutineering takes place on Good Friday, March 24 at the Valley Leisure Centre, Newtownabbey, (Co. Antrim) and the first car will leave the start ramp at 10.01 a.m. on Saturday 25th. There follows ten special stages in an anti-clockwise loop round Lough Neagh, before the cars cross the border at 6.30 p.m. for the final service of the day in Dundalk before the overnight Parc Ferme at the Dun Laoghaire Shopping Centre, bedside Rally Headquarters in the Royal Marine Hotel at 21.15 approximately.

The action restarts on Sunday morning at 08.00 hrs. when the cars will complete a loop of eight stages in the Navan/Cavan area. There will be cen-

tralised servicing in Cavan for most of the day as some of the stages will be used twice. The cars will return to Parc Ferme in Dun Laoghaire at 18.30.

The last day starts at 09.00 on Easter Monday and will see the action centred in the beautiful Wicklow mountains South of Dun Laoghaire. The 'Classic' stages of Sally Gap and Aughavannagh although in their old format now too fast for the FISA average will be utilised in a modified form, but will still prove to be as tough as in the past. With four stages to complete on the last day the winner will cross the finish arch at 14.08 to bring to a conclusion what should prove to be another Easter Classic.

CCE TO ESTABLISH REGIONAL ARCHIVES OF IRISH MUSIC

Eight new Regional Archives of traditional music will be established throughout Ireland — North and South — by Comhaltas Ceoltoiri Eireann. This is announced in the Annual Report of the movement. It is an extension of the National Archives of Comhaltas which included several thousand hour of valuable taped material. The purpose of the Regional Archiving is to service the growing interest in traditional music and particularly the young students in the 600 classes organised by Comhaltas.

The report states that 44 fleadhanna cheoil were organised at home and abroad in the last year. This, coupled with Concert Tours and other activities is seen as a valuable tourist asset.

Special mention is made in the report of the re-introduction of SEISIUN — a music trail through Ireland — with the aid of a National Lottery grant. There were 60 venue nights each week throughout the Summer which attracted very favourable comments from tourists. It is hoped that finance will be made available again for the scheme this year.

SEA ANGLERS ON PROMOTIONAL TRIP TO SWANSEA

The members, officers and committee of Dungarvan Sea Anglers spent the week-end on a promotional trip to Swansea. The ten travelled by boat on St. Patrick's morning and arrived back in Dungarvan, tired but very satisfied on Sunday night.

They were guests of the Mumbles Fishing Club, Swansea and used the trip to promote fishing and tourism in the Dungarvan area, and from this point of view the trip was a tremendous success and proved really worthwhile.

The trip was sponsored by Dottie Flynn, Whitechurch, John McGrath, Court Travel, Sea Link, South East Tourism and the Town Traders.

DUNGARVAN NATIONAL & COMMERCIAL CLUB NOTES

PENSMAN Takes You. . . . Behind The SPOTLIGHT

AN EARLY EASTER

Easter has come so early this year that it has caught most of us napping! In fact it must be the earliest possible date on which the great festival can fall, just a good week since we celebrated St. Patrick's Day!

However, with the lengthening days, already very noticeable, which will be further added to when the clocks go on next Saturday night, nature, which now seems to be experiencing a topsy-turvy seasonal variation, is finally turning its back on winter (the mildest on record) and the hope of bright and better days lies in front of us.

As we have said, Easter is the first great religious festival of the year, commemorating as it does the Resurrection which is the very cornerstone of our religious beliefs. It is a time for renewal and a time to look to the future with fresh hope.

With these few thoughts uppermost in our minds may we extend to all our readers at home and across the seas our best wishes for a joyful and happy Easter-tide.

RECALLING OLD TIMES IN LISMORE

Thanks to Cllr. Willie McDonnell of Tallow, we were afforded an opportunity in recent weeks of reading "Dancehall Days," a biographical novel by George O'Brien, published for the first time last year, much of which recalls life as it was in Lismore a quarter of a century ago.

The author, George O'Brien was born in Enniscorthy in 1945 but spent many of his boyhood years in Lismore. He was educated at St. Augustine's College, Dungarvan, (when the old "Friary" was located at Main Street in the town) and later at Ruskin College, Oxford and at Warwick

University.

He taught English at Warwick from 1976-80 and became Assistant Professor of English at Vassar University in New York from 1980-84 and at Georgetown University, Washington D.C. where he currently lives with his wife and two children.

George O'Brien won the Hennessy New Irish Writings Award in 1973, the Ulster Talter Story Prize in 1977 and the Irish Book Award Silver Medal in 1988 for his previous volume "The Village Of Longing" concerning which another Lismore Literati, Dervla Murphy, writing in the "Irish Times" stated: "The grace and power of his prose are exhilarating . . . one of the brightest stars in Ireland's literary firmament".

OLD CINEMAS ETC

Reading through "Dancehall Days" we came across references which set us reminiscing and rummaging down our own memory lane, references such as those to the several old cinemas that operated in the West Waterford towns in those days of the 1960's — the Desmond in Cappoquin, the Regal in Tallow and the Palladium in Lismore where the author records Dr. Healy and Kevi Noonan ruled supreme!

Our own paper, the 'Leader', also receives honourable mention and the author indicates its influence on the local community then, when he refers to an item which was a regular feature in the Lismore Notes published weekly in the paper in those years.

This was "Pot Pourri" and for those of the present generation who may be learning about this for the first time, there is no better way for us to explain it than by quoting what author O'Brien himself has to say about it.

It is as follows: — "What I was really afraid of was that my erring uncle and my wayward aunt would be mentioned in Pot Pourri, the paragraph of rumour and innuendo that appeared in the "Lismore Notes" carried weekly by the *Dungarvan Leader* (the pot was pronounced pott as though to underline the fact that the paragraph's intention was to stew certain reputations in gossiper's acidulous salivations). Full names were never used, just first name initials or identification by means of place. "The Chapel Street colleen wouldn't be pleased if she saw the couple that went up the Green Road Thursday evening A little bird told me that Paddy F— is off his grub on account of the new employee at the Hotel. . . . "All good clean fun; mostly made up, perhaps to cause a stir".

And that was how Pot Pourri went in the Lismore Notes in those days. It was, as author O'Brien records, all good clean fun. There's nothing like it now — perhaps we should get the item re-started???

We will return to "Dancehall Days" again next week (D.V.) and would recommend it to all as a good read.

THE MOORISH DOME AT DROMANA

At the usual monthly meeting of Waterford County Council held in Dungarvan last week, Cappoquin Councillor James A. Walsh proposed a motion "that the Council take steps to see that the Moorish Dome and surrounds at Dromana are maintained and preserved". In moving the motion Cllr. Walsh stressed the need which existed for the preservation of such unique old monuments.

However the County Manager, Mr. Dan Hurlley pointed out that while they would all like to do this, the problem was that the monument referred to was not in the possession of the Council. He added that he was to meet those who were interested in repairing the dome to discuss the cost implication of the work involved and said

that what had been done there already was done in order to ensure the preservation of the pieces of the dome and to ensure that they did not disappear.

It is of interest to note in this regard that the matter was raised recently in the Dail and in reply to a question asked by Deputy Deasy, the Minister for Finance, under whose Department the Office of Public Work operates, stated that the Tower and Dome at Dromana has not been afforded protection under the National Monument Acts.

A WONDERFUL PARADE

Dungarvan was indeed humming on St. Patrick's Day as the bright sunshine encouraged the biggest crowd ever to watch the annual St. Patrick's Day Parade as it passed on its usual route from Abbeyside through the town.

Six bands, plenty of marchers, a huge collection of colourful and innovative floats, thrilled the thousands who flocked into the town throughout the afternoon for the wonderful spectacle.

Indeed the weather made up for all the disappointments of the last few years and it was a joy to watch everyone in such happy mood.

On checking the list of prize-winning floats, we were more than surprised to note that the Kilmac' Macra entry, "Night Rider" — a most comical one indeed and that of Clonea man, Dan Dineen, which was a send-up of the current Health Services cutbacks, were omitted.

Anyway congratulations to the Dungarvan Pipe Band and their helpers for bringing such activity and excitement to the town on St. Patrick's Day.

AMENITY WORK AT BEACHES

The County Secretary, Mr. B. J. McNally, informed members of Waterford County Council at their March monthly meeting that submissions for special amenity grants had been made to the Department of the Environment in respect of the beaches at Ardmore, Bonmahon, Clonea and Tramore.

The submissions had been made in accordance with the special programme of amenity and environmental at a number of beaches announced in the budget and for which a sum of £540,000 had been allocated.

THE BONNY BUNCH OF ROSES O

Our choice for the ballad corner this week is "The Bonny Bunch of Roses O." It is one of several fine songs about the wars and deeds of Napoleon, which were widely sung in Ireland for over a century.

By the margin of the ocean, one pleasant evening in the month of June
Whilst the feathered warbling songsters their liquid notes did sweetly tune
It was there I spied a damsel, who seemed to be in grief and woe
Conversing with young Bonaparte, concerning the Bonny Bunch of Roses O.

Then up speaks young Napoleon, and takes his mother by the hand,
Saying: "Mother dear, be patient until I'm able to take command;
And I'll raise a mighty army, and through tremendous dangers go,
And I never will return again till I've conquered the Bonny Bunch of Roses, O.

"When first you saw great Bonaparte, you fell upon your bended knee,
And you asked your father's life of him, he granted it right manfully.
And 'twas then he took his army, and o'er the frozen Alps did go,
And he said: 'I'll conquer Moscow, and return for the Bonny Bunch of Roses, O."

"He took three hundred thousand men, and kings likewise to bear his train,
He was so well provided for, that he could sweep the world for gain;
But when he came to Moscow, he was overpowered by the sleet and snow,
And with Moscow all a-blazing, he lost the Bonny Bunch of Roses, O."

So son, be not too venturesome, for England is the heart of oak,
And England, Ireland, Scotland, their unity shall ne'er be broke;
Remember your brave father, in Saint Helena he lies low,
And if you follow after, beware of the Bonny Bunch of Roses, O."

"O mother, adieu for ever, for now I lie on my dying bed,
If I lived I'd have been clever, but now I droop my faithful head;
But when our bones lie mouldering and weeping willows o'er us grow,
The name of young Napoleon will enshrine the Bonny Bunch of Roses, O.

Road Junction At Kilrush, Dungarvan

While the recommendations of the Consultants, Messrs. McCarthy and Partners, Dublin, in relation to the junction at Kilrush on the Dungarvan Ring Road were at present being implemented and were scheduled to be completed by March 31, it was again stated at the March monthly meeting of Waterford County Council in Dungarvan last week that the only real solution to the problem was a roundabout. Cllr. Tom Cunningham stated that since the Coun-

cil's last meeting, he and Cllr. O'Riordan had met the County Engineer as arranged to discuss the recommended alterations at the junction. However he expressed disappointment that the Consultant was not present at the meeting as they had hoped he would be.

"While the work proposed to be done at the junction will improve the situation," said Cllr. Cunningham, "I still think that a roundabout is the only solution to the problem at Kilrush."

The Chairman, Cllr. B. Kyne, who tendered apologies for being unable to attend the meeting with the Co. Engineer, posed the question that in view of the accident record at the junction, would not a roundabout be the solution to the problem there? He pointed out that the members of Dungarvan Urban Council had approved of this also.

NOT FEASIBLE

Cllr. Kyne then said that he would like to know who it was in the Department of the Environment that had said in the first place that a roundabout was not feasible at Kilrush. He went on to say that without doubt the new road markings at the junction have had a tremendous effect. "They have," he said, "acted in a big way to slow down the traffic as speed has been a major element of the problem and I unreservedly welcome this and the other work which is now being done at the junction."

Mr. E. Mansfield, Acting Co. Engineer, said that the green arrows to indicate straight through and right turn movements at the junction which were scheduled to be completed on the green signal heads by March 31, should take care of the other major problem there.

The Chairman remarked that traffic travelled very fast approaching the junction and there was a need to slow it down. "Speed is one of the major problems there," he said, "and slowing it down will minimise the risks there."

Nicky Dee also rode a second at the same fixture with Mr. T. Archdeacon's "Fredis VI" in the 6-years Old and Upwards Maiden.

ARDMORE NOTES

ARDMORE TIDY TOWNS COMMITTEE

The Tidy Towns Committee have started work on their various projects for 1989 and great progress has been made.

The members of the committee travelled to Dublin to collect £100 worth of plant material for the Village at Mackey's Nurseries, Sandyford and planting of these shrubs will commence in Easter week. This was the prize won by the Village for winning the Waterford County Award for 1988.

Planting of a Grisilina hedge has been completed on Upper College Road, thanks to the generous co-operation of the residents of College Rd. whose gardens bound the new hedge. This planting was recommended by the Tidy Town

judges and will greatly enhance both terraces. The committee is most grateful for this co-operation.

The committee also received great co-operation and encouragement from the landowners on the Dungarvan approach road and great improvements will shortly be seen in this area. Also, as a result of such co-operation

it is hoped that householders in the Village and on the approaches will commence painting operations as soon as the weather improves. The committee have acquired some paint at very low cost — first come first served.

Litter could be a problem at the holiday weekend and members of the committee and the public at large are asked to "Keep Ardmore Tidy" please!

BALLYRAFTER EQUESTRIAN CENTRE

The finals of the pony leagues take place on Easter Monday and as anyone who has attended the qualifying shows will know there are some great contests in store.

Pat Meagher, Cahir has dominated in the 138 cms classes with his ponies Jonnies Cornmill and the well known stallion Limbo Jack. Mark Daly, Glanmire and the grey Ocean Mist have also won a round and are very consistent performers. There is a further strong challenge from Cork riders Susie Horgan, Danc O'Neill and Brian O'Driscoll who each have two ponies through to the final. Susie's brother Pete rides Rubi Cube and Zeida O'Callaghan has the multiple Dublin winner The Grey Guy. The Waterford challenge comes from Edward Widger who has two ponies and Dian Beecher with Loughnatausa Alive and Alert. From Kilkenny Brian Sheehan rides Gortageer Princess.

The 148 cms A and B is something to really look forward to. The standard is tremendously high and the competition is a real open affair. Killarney rider Fiona Finn has her two top ponies, Mr. Boogie a winner of two qualifying rounds and Kylecrow qualified. Michael Buckley, Cappoquin won the first round with Knocky Lad and has also been consistently well placed on his other ride Flaming Star.

Pat Meagher won a real thriller last Sunday on Pat Angus and he is always a danger against the clock. Both Tammy Twomey and Janet Hyde who ride Merry Colleen and Go Easy respectively have excellent chances as does Amanda Daly with Dunstar and Rosskeane all of them being in the first three placings regularly. Shane Breen, Cashel has also been a winner already with Olympic Star and Albert Maher, Cork has Monchichi, well placed last Sunday.

Other who will be there to challenge in the final include — Brian O'Callaghan, Fanore Queen, Danc O'Neill, Innisfallen, Aedh McGinn, Fianait, Eric O'Driscoll, Dan Doran, Eddie Moloney, Lakeview Lady and Ann-Marie O'Gorman, and Kiltewan Lass. Kieran Gould has Camross Lady back in action and Linda Fahey, Brendan Ryan, Owen O'Malley and Mark Dorgan qualified last Sunday.

SMALL PONIES
The small ponies give the spectators the greatest thrills and this class has its stars already. Maria Costelloe, Carrick-On-Suir is the one to beat in this, her two ponies Easter Lady and Whitechurch Missy being very fast on the clock. However Dian Beecher is well up to the challenge

with Loughnatausa Champ also winning a qualifying round. Triona McGinn and Fair Trial and Cecelia O'Mullane with Dolly Dolly Dimbo and Firstfarm Billy have been in the ribbons regularly.

The Moloney family from Kilkenny are always competitive and both Ellie and Richie go in this. Billy

Twomey, Cork has the very good pony Barnard and both Susan Maher and Jordan O'Neill go well each week too. The line-up is completed by another of the Daly family, Joseph jnr., who rides Gorey Country Girl and Helen Gould and Silver Tricks all having been placed in the qualifiers.

LETTER TO THE EDITOR

The Editor, Dungarvan Leader.

GETS NO DIRECTOR'S FEE

Dear Sir,
A news item in the issue of "Dungarvan Leader" of March 10, conveyed a wrong impression, and caused me a certain amount of embarrassment. The item stated (correctly) that I was reappointed as the Urban Council's Representative as a Director of the South East Tourism Organisation. It then stated that it was agreed to increase the director's fee from £1,750 to £2,000. This is not correct. The directors of the Regional Tourist Boards do not receive any fee whatever.

The £2,000 referred to is the Urban Council's contribution to the South East Tourism Organisation. Trusting that you will include this letter in your widely-read paper to clear up the matter.

Yours sincerely,

RICHIE WALSH, U.D.C.

ABBEYSIDE SCOUT NOTES

ST. PATRICK'S DAY PARADE

On Friday, March 17th we took part in the annual St. Patrick's Day parade, when as last year we entered one very large float. Our engineer and designers were A.S.L. Kieran Veale, P.L. Aidan Mullarkey and their crew of little helpers. The theme of this years float was "Home and Away" which was based on an Irish camp (home) and a foreign camp (away).

With the weather so kind this year we had a very large turnout with our away stars Michael Sheehan, Michael Kelleher, William Fennell and Co. kitted out in their shorts, tee-shirts and sunglasses. A.L. Brian Mulvihill was doing waiter for us while A.R.L. Neil O'Sullivan made a guest appearance and livened up the proceedings. On the home front P.L. John Paul Cosgrave was in control in his oil skins. He was joined by the two Keiths, Mossie and Ollie while many of our new recruits from the Monday nights, including Thomas Moore, John Kyne and Brian MacNamara were aboard. One of four artists Martin Whelan was aboard with his "Mascot", no not John Paul Mills, but

his teddy bear, while Liam Moore paddled away contented in his canoe.

Thanks to the beautiful weather conditions a very enjoyable evening was had by all. We would like to say a very special thanks to Maurice Fennell of William Fennell and Sons, for very kindly giving us the use of his magnificent artic-lorry for the evening and for taking the time off himself to drive it.

SCOUTING HELPING THE THIRD WORLD!

Last week some of our P.L.'s led by John Paul Cosgrave were very busy selling St. Patrick's Day badges for a very worthy cause. Every "bob" they collected went to the "Goal" society for the third world.

Another nice gesture by the lads for the third world was any monies collected during lent at our Tuesday Sportsnights plus all entry fees for our annual badminton doubles were put into our Trocaire fund to help our less well off folk in the third world.

TROOP MEETING

We had a divided troop meeting this week as twelve of our older scouts under the watch of S.P.L.

DUNGARVAN SCOUT NOTES

TUESDAY SCOUTS HIKE TO GLEN

After a very eventful Saturday night, playing games and watching video's, we headed off on Sunday morning to the Glen and the Regional Quiz. As soon as we got to the Glen we did our badgewood cooking, as we had no time to waste.

A.S.L. Tom decided to show us a new route to Melleray, little did he know that the group would split up and the second group get lost. Eventually the two groups met up in Melleray for the Regional Quiz.

In a very exciting and close quiz, our scout team of Aidan, Derek, Raymond and Cormac won and now go forward to the All-Ireland's to be held in Galway. The venturer team came third in their group. This was to be our first trophy of the week. With the quiz over, we headed home after a very tiring day, but a very happy one indeed.

P.S. — Thank's Frank for bringing home the boys with punctures — Nugie, Sean, "Gismo" and Jonathan.

TROOP MEETING

Tonight, was full of games and testwork. After these games, we studied the art of map reading with the lads showing plenty of interest, especially Jason.

We would like to thank Neil A.R.C. of scouts, for coming down and presenting

the Quiz trophy and plaques to the winning team. Finally we ended with a few announcements and the scout prayer.

ST. PATRICK'S DAY

On Friday morning a massive amount of scouts and cubs turned up for the Church parade. In all only three people were missing from all sections.

In the afternoon, we marched in the parade. We were the only scouting unit to do so.

This was a glorious day as we won our second trophy within a week. We won the "Best Club Float". This was undoubtedly one of our finest scouting weeks.

WEDNESDAY CUBS

As usual, the meeting began with our prayer and roll call quickly followed by a popular game called 'fun-fair'.

Then Ray paid us a special visit. The purpose of the visit was to try and teach the lads to march properly or at least in an orderly fashion. He did a good job and the lads enjoyed it.

Then it was down to going through the arrows — we hope all the lads going for bronze have all their good deed diaries for next week.

Congrats to our scouts on winning best club float in the St. Patrick's Day parade. Another trophy for our collection.

—Bi Ullamh.

Ciaran Walsh and A.S.L. Kieran Veale went to the Sports Centre to take on Dungarvan Scouts in indoor soccer, where I'm glad to report we fared better than we did last weekend in Melleray.

Meanwhile back at the den we opened with the scout prayer, after which we divided the remaining scouts and new boys into four patrols for the night — While the subs were being collected all the scout badge knots and their uses were studied.

At 7.30 p.m. the knots were examined in a relay style game and here Aian Hackett, Neil Moore and Mark Hourigan represented the new boys well, while we hear John Organ was on tutoring duty to some of our older scouts at the back of the den.

Crab football was next where Patrick "Vinny Jones" Power was on tough form as was Anthony Hackett. Best goal of the contests went to Ollie "Maradona" Keith with a stunning free kick which sent the crowd wild (well his brother Mossie anyway).

Some relays were then held — straight, commando, prisoner, duck and swamp all on the menu. Anthony Carroll, Neil O'Kennedy and Theo Dorman Kade were some of our quickest performers here.

We ended the meeting with notices followed by the closing prayer.

MONDAY NIGHT CUBS

On Monday night, March 13, we held our annual investiture in the den. After months of testwork, 18 cubs were now ready to be invested.

At 7.30 when all the parents had arrived, Noreen started the investiture and Catherine gave out the caps and neckerchiefs to the new cubs. Noreen then presented six bronze and six gold arrows to cubs who had passed other tests.

Then it was C.L. Sean's turn to say a few words. He thanked the parents for the large turn-out and welcomed the cubs into the section. This was followed by a party, and a great night was had by all.

A special word of thanks to Mrs. Rita Preston who helped out with the party, also to Noreen who did such a good job. She wants to do it again next year!

The club are grateful to Hyland Builders on two counts. Firstly for the very generous sponsorship for the Spring League and secondly for the superb entertainment they provided on St. Patrick's night. With Tommy as a very capable M.C. it was a truly traditional Irish Night and really enjoyed by the large crowd. Go raibh maith agaibh.

Tim Murphy represented the club on the Waterford team in the Inter Counties championship and after beating Kerry were narrowly beaten by Clare on their home course at Lahinch.

FIXTURES

Friday, March 24 — 9 Hole competition; Sat/Sun., March 25/26 — Open 18 — Hole Stableford; Monday, March 27 — Open Mixed Foursomes.

Social on Easter Sunday night. Tickets available from committee members.

LISMORE A.C.

On Sunday March 12, three athletes from Lismore Athletic Club travelled to Ballycotton, Co. Cork to compete in the Ballycotton 10k. Carol Landers, Eric Flynn and John Cahill all ran great races in very bad weather conditions.

Lismore A.C. are training every Tuesday, Thursday and Friday evening at 5 p.m. in the Christian Brothers School field. Anyone interested in Athletics are welcome to attend. — P.R.O.

WIDOWS ASSOCIATION

The March meeting of the West Waterford Branch of the N.A.W.I. was held at Lismore Hotel on Tuesday last. The members who at-

tended the Seminar at the Tara Towers Hotel, Dublin gave a detailed account of the Seminar. The speech given by Dr. Michael Woods T.D., Minister for Social Welfare was read to the members. Alan Shatter's T.D. paper Planning for Retirement and some legal aspects which he had photocopied was given out to the members present. The paper contained some very useful information — making a Will probate, Spouses legal right etc.

The arrangements for the National A.G.M. to be held at the Corrib Great Southern Hotel, Galway, week ending April 7-9, were given. The members from the Branch will attend. Sheila Conroy, Dublin Branch was nominated to contest the election for National Chairman to be held at the A.G.M.

Since our last meeting we have suffered another loss of a member — Mary Cotter, Tallow. Mary was one of our founder members. Arrangements were made to have Holy Mass offered for the repose of her soul before the next meeting — Tuesday, April 4, at 7.30 p.m.

Our guest speaker was Mr. Michael Twomey A.I.B., Bank Lismore. He told us about the Bank's new scheme for Senior Citizens and Widows, One To One. He gave us some useful literature about this service and answered several questions from the floor. For further details he advised us to call to the local Bank. Next meeting Tuesday, April 4, 1989. — P.R.O.

SENIOR HURLING

On Sunday next our senior hurlers swing into action when they play Passage in the first round of the Sargent Cup. Let's hope we get off to a good start in this competition and that all the panel of players make an all out effort to attend

training sessions — twice weekly — Tuesdays and Saturdays.

FIXTURES

Sunday, March 26 — v. Passage (Sargent Cup); Sunday, April 2 — v. Cappoquin (Keaneland Cup); Sunday, April 16 — v. Dungarvan (Senior Championship).

LISMORE F.C.

We're back! The big news from last Sunday after defeating Cappoquin is that we are promoted and back in Division 1 again next season. Two goals from Tommy Pratt and one each from Paul Prendergast and Dave Landers gave us a comfortable 4-1 victory.

Team — Ml. Fitzgerald, S. Prendergast, K. Foley, B. Shanahan, Dave Landers, B. Lawton, B. Prendergast, Donal Landers, Paul Prendergast, T. Pratt, K. Lawton. Res. — E. Cusack for P. Prendergast, J. Tobin for K. Lawton.

This Saturday at 5 p.m. we play our final league game when Ballysaggart are visitors. One point here will leave us Div. 2 champions. At present we are level with Glenview, but they have all their games played. So hopefully we will be celebrating Easter as champions.

Unfortunately we were not celebrating last St. Patrick's Day when we were comprehensively beaten by Ballyduff in the semi-final of the Dungarvan Tyre Centre Cup. This is a game all players will want to forget as we just never got going, after giving our opponents presents of goals. Final score was 3-0

On the day we were not good enough and we wish our neighbours the best of

luck in the Cup Final.

Team — Ml. Fitzgerald, E. Cusack, K. Foley, B. Shanahan, Dave Landers, C. Barry, T. Pratt, B. Landers, Donal Landers, Paul Prendergast, B. Prendergast. Res. — S. Prendergast for Cusack, K. Lawton for P. Prendergast.

Finally we would like to congratulate Ballyduff on winning the Red House League on Sunday last.

On Easter Monday at the Cricket Grounds, the Red House League play the Waterford Junior League at 3.30 p.m. This game is sponsored by M. O'Leary, Red House, Lismore. It will be preceded by an Under 14 game representing both leagues, at 2 p.m. Lismore and Cappoquin Credit Union Ltd., are very kindly sponsoring this game.

LISMORE BADMINTON NOTES

It was an active week for the ladies again this week. On Monday night, March 13, the ladies 'G' team played their final match in the league and ended their season on a very good note.

They met Ardmore in Lismore and after a few hard games they managed to secure a win by 4-0.

On Wednesday night, March 15, the ladies 'D' team played Ring in Ring and ended on level scores 2-2.

Now I would like to take this opportunity to remind everyone of the annual Badminton Social, which will take place on April 15. Anyone interested should contact members of the committee as soon as possible, as tickets are now available. The badminton club would like to wish all our members a happy and restful Easter. — P.R.O.

RECENT DEATHS

MRS. KATHLEEN POWER

The passing in the early hours of Sunday, March 12, of Kathleen Power (nee O'Donnell), Clashmore, brought an air of sadness to the area and the community in general. The deceased was relict of John J. Power who predeceased her by some years and fifteen years ago Kathleen mourned the loss of her daughter Marion Hynes.

Kathleen was a native of Newcastle, Co. Tipperary and had reached the great age of 89 years and in fact all but a few months of her life span was free of illness. A truly Christian lady, she personified all that was good and all through her life she was a daily Massgoer. A quiet, inoffensive person who possessed a lovely personality, she was one of the best neighbours that one could ever wish to meet and she earned the respect of all who knew her.

To her sons, daughter, relatives and friends we offer our sincerest sympathy on their loss.

Last Sunday evening Kathleen's remains were brought from the Kiely Funeral Home to Clashmore Church where they were received and blessed by Rev. W. Meehan, C.C., assisted by Very Rev. W. Callanan, P.P., Aglish.

Following Requiem Mass on Tuesday celebrated by Very Rev. Canon J. Murphy, P.P., Kathleen was laid to rest in the adjoining cemetery. Graveside prayers were recited by Rev. W. Meehan, C.C., assisted by Very Rev. W. Callanan, P.P., Aglish and Rev. W. Carey, C.C., Dungarvan.

The numbers present at the funeral obsequies was proof of the high esteem in which she was held by all sections of the community.

Chief mourners — John and Michael (sons), Kay (daughter), Angela (sister), Sheila and Mary (daughters-in-law), Billy Hallahan, Ed. Hynes (sons-in-law), Kevin, Triona, John, Ann, Jenny, Elaine, Clashmore, Michelle, Yvonne, Eoin, Jacinta, Mark, Ringnabullagh, Paula, Kieran, Aileen, Brian, Aglish, and John Hynes, Ballyheency (grandchildren); Ida, Mallow (sister-in-law), and a wide circle of nephews, nieces, relatives and friends which include Kathleen's great life-long friend May Walsh, Grange.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

MRS. ELLEN NORRIS

It is with sincere regret that we record the death of Mrs. Ellen Norris, which occurred at her residence 3, Keating Street, Dungarvan, on Wednesday, March 1. She was in her nineties.

Relict of John Norris, she was a gifted conversationalist who was extremely popular with all who knew her. She had been involved with the Old IRA during the fight for freedom and she also had a full knowledge of the history of the Comeragh Mountains.

She was a great and helpful neighbour and a loving mother who will be sadly missed by all her family to whom we extend deep and sincere sympathy in their sad loss.

Her remains were removed on Wednesday evening to St. Mary's Parish Church and were blessed and received by Rev. W. Carey, C.C. Fr. Carey celebrated the Requiem Mass on Thursday morning for the happy repose of her soul and also officiated afterwards at the burial in the adjoining cemetery, assisted by Fr. Hooper, O.S.A.

Chief mourners — Mary McGrath, Norah Pierce, Bridget Lock (daughters); Larry, John, Paddy, Michael, Joseph and Thomas (sons); Mossie McGrath, Bill Pierce (sons-in-law), Grace Norris, Christeen Norris, Teresa Norris, Lucy Norris and Rita Norris (daughters-in-law) and a large circle of grandchildren and great-grandchildren, relatives and friends.

(Funeral arrangements were by Tom Drohan, Dungarvan.)

MRS. PEIG McGRATH

We record with regret the death of Mrs. Peig McGrath (nee Power), which occurred unexpectedly at her residence at Coolnasmear, Dungarvan, on Sunday, March 5.

She was relict of Johnny McGrath of Brickey Rangers and Camogie fame who had been member of a well known Twomilebridge family and who was also well known as a greyhound breeder.

Peig was a valued member of Glenbeg Fianna Fail and socially she enjoyed a game of 45 which she played regularly at her brother's pub, Power's of Kiely's Cross. She also had success as an owner and trainer of greyhounds.

She was extremely popular with all who knew her and her passing has been the cause of much sorrow to all her friends but more especially to her son and other family relatives to whom we extend deep and sincere sympathy on their sad loss.

Removal was from her residence on Monday evening to St. Mary's Parish Church where the coffin was received by Rev. T. Rogers, C.C., assisted by Very Rev. Canon Power, P.P.

Following Requiem Mass on Tuesday, celebrated by Fr. Rogers, C.C., assisted by Rev. T. Flynn, C.C., Holy Family, Waterford, Rev. W. Carey, C.C. and Fr. Hooper, O.S.A., interment took place in the adjoining cemetery. Fr. Rogers officiated at the graveside assisted by the

other clergy present.

At the Mass the Lessons were read by Fr. Tom Flynn and Jim Quinn, while Audrey Fraher rendered appropriate music.

Chief mourners — Pat (son), Johnny and Michael (brothers), Mrs. Nonie Crotty, Mrs. Maureen Rees, England, Mrs. Sheila Quinn (sisters), Claire, Sarah and John (grandchildren), Sandra (daughter-in-law), sisters-in-law, brothers-in-law, nephews, nieces, relatives and friends.

(Funeral arrangements were by Tom Drohan, Dungarvan.)

MR. WILLIAM SUPPLE

It is with deep and profound regret that we record the passing of Mr. William Supple, Ballinamona, Ardmore, which occurred on Tuesday evening, March 14, after a relatively short illness. Willie, who was a native of the Grange area, was member of a well known and highly respected family, and was predeceased by his brother Deaglain four years ago.

Willie loved the outdoor life and being very industrious he liked nothing better than to work the land and in the social get-togethers with his friends to discuss the agricultural industry and the many changes therein. He was a man who liked to reflect about yester-years and the social fabric of his community and many is the story he related of the past.

Possessed of a kind and sincere nature, Willie was a quiet, inoffensive man who endeared himself to all and his demise after 86 years of toil has evoked feelings of regret and sorrow, especially to his wife, family, relatives and friends, to whom we extend sincere sympathy.

On Wednesday evening his remains were brought from his residence to St. Declan's Church, Ardmore where they were received and blessed by Rev. Fr. M. Reide, C.C., assisted by Rev. Fr. G. Desmond, C.C., An Rinn. His son Liam read the lessons and his other son John sang appropriate hymns.

Following concelebrated Mass on Thursday with Very Rev. Canon D. O'Connor, P.P. chief celebrant, assisted by Very Rev. D. O'Dalaigh, P.P., An Rinn, Willie was laid to rest in the nearby new cemetery.

Chief mourners — Laura (wife), Liam, Michael, John (sons), Ann and Nell (daughters-in-law); Aine, Caoimhe agus Liam, An Rinn, Michael, Anita, Ardmore (grandchildren), Maureen Lee, Gortroe, Youghal, Kathleen Seaward, Ballybrusa, Grange (nieces) and a wide circle of relatives and friends.

(Funeral arrangements by James Kiely & Sons, Dungarvan.)

CAUSEWAY TENNIS CLUB

Good news is that seven of our talented juniors were summoned to the Tennis Village (Cork) to try out against a Cork selection, also trying out for an under-12 Munster squad. Singled out were Claire Dalton, Elizabeth Moloney, Julianne Veale, Pauric Verling, David Brennan, Ray O'Brien and Colin Keane.

Much useful experience was gained at the hands of some very useful opponents.

RUSHBROOKE CONVERGE ON CAUSEWAY

A coachload containing 38 juniors in the company of Joe Kavanagh, Resident Coach in Rushbrooke, arrived in the Causeway at 12.30 on Saturday, March 18, to play against a Causeway selection mustered up by Elizabeth Donnelly and Mary Verling.

Despite a forbidden weather forecast, the real downpour held off to allow many a good match to be played. Many thanks to the people power that made the day such a success, crowned by an over-all victory of 21-18 for the Causeway.

YOUGHAL v. CAUSEWAY

On March 29 (Wednesday) some of our other juniors will get a chance to play a Youghal team in another friendly. Players will be named later.

MUNSTER SCHOOLS CUP

In the aftermath of Dungarvan CBS's success as 1988 cup finalists, there is much interest in the 1989 competition, with entries from the Mercy, Presentation and CBS and with the Friary putting in a team for the first time. Teams are currently being chosen and we wish them all the best of luck in their matches.

THE COLOUR OF MONEY

We would like to thank all who helped with and contributed to our very successful Grocery Grab held with the co-operation of Darrers Stores. The winning ticket, drawn at 9 p.m. on Thursday, March 16, was that of Mrs. Creine O'Sullivan, Ashcroft, Abbeyside, Dungarvan, who wins a £100 shopping voucher or the proceeds of a 2 minute "grab" with a trolley. Second prize went to Claire Langan, Villierstown, who wins £25 or 1 minute's shopping with a basket. Get on your skates, girls!

ALL-FEMALE FUN QUIZ

Another first for the Causeway Tennis Club with Dungarvan's first ladies-only Table Quiz. A very enjoyable night was held in Lawlor's Hotel with spot prizes generously contributed by local businesses. Thank you one and all for your interest and co-operation in making this event a success.

RUGBY

DUNGARVAN ADVANCE IN CORK CUP

Dungarvan 10, Mallow 9

Dungarvan's 2nd XV travelled to Mallow last Sunday to play this match in atrocious conditions. They had the wind and hill in the first half and had Mallow under pressure from the off.

With everyone playing well and young Sean Killigrew outstanding, Kieran Mansfield and Dermot Coghlan scored their first tries for Dungarvan to leave it 10-0 at half time. One wondered if this was enough.

Having conceded an early second half penalty, Dungarvan came at their opponents and were unlucky not to score. A long clearance resulted in an easy try for Mallow.

The last twenty minutes was heart-stopping stuff with the home side trying everything to get the winning score, but the visitors tackling was resolute and Davey Salmon gave an exhibition in catching and

clearing and as the Mallow supporters put it "broke their hearts."

Dungarvan — D. Salmon, J. Clarke, M. Donovan, P. McGrath, K. Mansfield, S. Dower, F. Ahearne, N. Hannigan, J. Phelan, N. Parkes (capt.), E. Lonergan, D. Coghlan, M. Hanrahan, S. Killigrew.

FIXTURES

2nds, Ballyrandle Cup game with Waterford City next Sunday; 3rd team play Clonmel in a friendly on Easter Monday in Clonmel.

TOURANEENA NOTES

SET CLUB NOTES

A big thank you to all who gave so generously to our recent Church Gate Collection and who also supported our Irish Nights. Your support is very much appreciated.

PIONEER NOTES

Our two teams, despite some extremely stiff opposition, answered enough correct questions in a round table quiz on March 9 to come a very gallant second in the PTAA Diocesan Area final held in St. Saviour's Hall, Ballybeg in Waterford.

The junior team of Tomas Keane, Raymond Ryan, Aisling Grace and Pat Keane actually tied for first place with Newcastle. They were still tied after a play-off round. It was decided that the team to miss the next question would be second. Unfortunately, Touraneena answered it wrongly. But the unfortunate situation was that an answer given to a particular question was based on a correct answer given in the West Waterford heat. Otherwise they would have been winners.

Our senior team of Dan Cullinan, James Condon, Alan Looby, Pat Hearn and Michael Keane also gave an excellent performance to come second to an excellent Ardfinnan team who have now won the competition for the third year in a row.

The Munster final will be held in Freemount near Mallow on April 9 at 2 p.m. We wish both teams the very best of luck. A very special thanks to our loyal supporters, which the teams really appreciate.

WEDDING

The marriage of Anthony Butler, Lackendarra, Ballinamult and Lorraine Kelly, N.T., Abbeypark, Baldoy, took place in St. Patrick's College, Drumcondra, on Saturday, March 11. The celebrant was Fr. Sean Melody, C.C. The bridesmaids were Yvonne and Mairead Kelly, sisters of the bride. The best man was James Butler and the groomsmen were Michael Butler, brothers of the groom. The flower girls were Jane Butler and Mary Gorey; the organist was Therese Butler; flautist, Clare O'Brien; folk group, Anne O'Donoghue and members of Westland Row Folk Group.

Anthony is a playing member of the Sliabh gCua football team and was a member of the side that won the 1981 junior football championship.

The reception was held in Setanta House Hotel, Celbridge.

We wish the happy couple many long and happy years in their wedded bliss.

ATHLETICS

DUNGARVAN'S 10k.

The countdown is now on the 1989 "Dungarvan 10k" which takes place on Sunday, April 2, at 2.30 p.m. It is expected that the race will, as usual, attract a large number of top class athletes and fun runners.

Former Olympian, Brendan Quinn has signified his intention to run this year and if Liam O'Brien of East Cork should defend his title it should prove to be a most exciting race.

The local challenge will be headed by Michael Roche and Tony Ryan. Tony will be hoping to improve on his third place of last year and after his excellent run in Ballycotton he should be well in contention.

In the ladies section the main challenge should come from the Cork-based athletes, but Helen Dwyer should lead the local charge.

The course this year will follow the same route as last year. The start will be at the cinema and will proceed through the Square around Abbeyside via the

Friary and back in the new road, new park, back onto the new road and home to the Square via Mitchel Street and Mary Street.

Dungarvan Athletic Club invite all the townspeople to support this event and ask for the co-operation of all drivers along the route in obeying the instructions of the Civil Defence who will be stewarding the event.

A wide variety of prizes, many sponsored by the business people of the town, will be on offer. There will also be a special commemorative plaque for all finishers. Changing facilities will be provided in the Presentation Convent.

Dungarvan A.C. look forward to your support for this — one of the biggest sporting events to be held in the town in 1989.

NEW REGULATIONS FOR LISMORE REFUSE DUMP

In the course of a report submitted to the March monthly meeting of Waterford Co. Council, the Co. Secretary, Mr. B. J. McNally, stated that an improved management system designed to ensure that the refuse dump at Lismore (and also at Tramore) was not environmentally objectionable was being introduced and would, it was hoped, be in operation by the end of March.

Among the new regulations would be the employment of a full-time caretaker; a 44-hour week, (9-5 Monday to Friday and including Saturday morning opening 9-1) and the introduction of a scale of charges for non-domestic material payable by means of special dockets.

The report added that it was proposed to prosecute any person found dumping at the entrance to the dump during the closed periods under the Litter Act and "with the co-operation of the public that the considerably increased resources being expended on the improved management of the tip will eliminate the causes of complaint that have arisen".

Cllr. O. Wilkinson welcomed the proposal to employ a full-time caretaker at the dump and said that this should solve the problem of lighting fires at the dump

which was the cause of many complaints by the people in the locality.

The Co. Manager, Mr. Dan Hurley said that it should also put an end to the practice of indiscriminate dumping there.

Cllr. W. McDonnell raised the question of the "lifetime" of the dump and asked whether there were any proposals for a new site.

Mr. E. Mansfield, Acting Co. Engineer, said that a number of alternative possibilities were being examined as to their suitability.

Cllr. McDonnell, pointing out that all the people in Tallow used the Lismore dump for their refuse, said that the location of any new dump should not, for that reason, be too far removed from Tallow.

The report as submitted by the Co. Engineer was unanimously approved.

DUNGARVAN UNITED YOUTHS TEAM WHO ARE UNBEATEN THIS SEASON.

SCORELESS DRAW FOR DUNGARVAN 2A SIDE

Dungarvan United 0
Kilmacow 0

Our second division squad brought the curtain down on their league campaign for this season when they played a scoreless draw at home to visitors Kilmacow. The visitors needed just one point from this game to clinch the title and after being outplayed for almost the entire game they just about scraped home.

The Blues went into this game determined to make it tough for the visitors and although they failed to score they turned in a magnificent display. Dungarvan set their stall out from the start and even though short four regulars they played some superb football and it took some desperate defending and an inspired display by goalkeeper Grace to keep them at bay.

Youth player "Dinger" Kenneally got an early chance but shot inches wide. The same player broke through again minutes later and it took a brilliant stop by the keeper to deny him a goal.

With Cummins and Burke completely snuffing out the threat of danger man W. Grace, Kilmacow's attack rarely troubled the Blues back four and it was Dungarvan who finished the first half on top.

The trend continued on the turn-over with Dungarvan in total command — Crotty, Beresford and Hamilton were controlling midfield while Donnelly and Hickey pushed forward at every opportunity.

The Blues almost broke the deadlock after 70 minutes when Donovan was taken down outside the box and Ferncombe's tremendous free kick was brilliantly pushed away by the keeper. With the visitors reeling under the fierce onslaught, O'Dwyer in the Blues goal was almost a spectator and just before the finish Donnelly's header was kicked clear off the line.

So, sincere congratulations to Kilmacow on winning the league, but I'm sure they will be the first to agree that Dungarvan were more than a little unlucky to finish behind them in this year's campaign.

Team — M. O'Dwyer, S. Cummins (capt.), M. Donnelly, M. Hickey, G. Burke, G. Hamilton, D. Crotty, G. Beresford, T. Kenneally, T. Donovan, P. Ferncombe.

Referee: Tom Browne. Man of the Match: "Dinger" Kenneally.

MARQUIS CUP Dungarvan 1, Abbeyside 3

Dungarvan's 3rd division side's remarkable season came to an end at Killrush park on Sunday last when they had to give way to a much fancied Abbeyside outfit. Dungarvan took a shock lead midway through the first half, but the Villagers equalised shortly afterwards and it remained that way until the break.

Ten minutes into the second half Abbeyside went ahead and wrapped the game up in the 75th minute with a third and ran out very deserving winners.

Dungarvan lineout — T. Wright, J. O'Shea, D. Deegan, J. Power, J. Desmond, E. Morrissey, M. Walsh, J. W. Power, P. J. Drummy, L. Sandford, P. Ferncombe. Res. — J. P. Power, J. Fitzgerald (both used).

MUNSTER YOUTHS CUP

DUNGARVAN REACH SEMIS AFTER THRILL-PACKED ENCOUNTER

Dungarvan 4, Villa 2 (After Extra Time)

Dungarvan advanced to the semi-final stage of the provincial cup at a wet and windy Kilrush Park on Sunday last. Goalkeeper B. McGrath failed a late fitness test and with reserve keeper D. Kirwan also out, team managers J. Walsh and K. O'Neill had to move G. Leahy into goal, with D. Walsh coming into the centre of midfield.

Dungarvan had first use of the strong wind and dominated the proceedings. A long clearance by G. Leahy found L. Barron, but his shot was well saved, while R. Flynn also missed a good chance on the half hour. The pitch cut up badly and the heavy underfoot conditions didn't allow attractive football. Just before half time the homesters forced four corners in a spell of sustained pressure but they yielded no reward.

It took Dungarvan just four minutes to grab the lead on the resumption. A C. Flynn free kick was headed into the roof of the net by Liam Barron. Soon

afterwards a K. Hallahan cross was headed inches wide by D. Wyse. However, on the hour, a mistake at the back allowed Villa to equalise with a well struck shot.

At this stage Villa began to dominate midfield and but for the good work of D. Walsh, Dungarvan would have been in serious trouble. L. Barron shot over from 7 yards in the 68th minute. Then in the 78th minute a cross from the right was fisted out by G. Leahy but a Villa player volleyed the clearance into the net to put the city side 2-1 ahead.

A half-fit B. McGrath went into goal releasing G.

Leahy to his familiar midfield role and T. Kenneally was also introduced in a last throw of the dice. However Dungarvan could not break down the Villa defence and just when they seemed to be out of the cup, referee J. O'Neill Jnr., awarded a penalty for handball. Despite strong Villa protests, the official (who was perfectly positioned) refused to change his mind. The ice-cool Liam Barron duly converted the spot kick and earned Dungarvan a dramatic reprieve.

In the final seconds Villa forced a corner from which a goalbound shot was blocked on the line by C. Flynn.

final on a date to be arranged.

The Dungarvan Club would like to thank Dungarvan Crystal for the use of their pitch when Kilrush Park was deemed unplayable. Also the youths team would like to thank Pat Walsh, Don Sheil and Billy Kyne for ensuring that the pitch was prepared and ready at such short notice.

Dungarvan — G. Leahy, B. Kirwan, J. Shanahan, B. Whelan, J. Walsh, K. Hallahan, D. Walsh, D. Wyse, C. Flynn, L. Barron, R. Flynn. Res. — S. Duggan, B. McGrath, T. Kenneally.

Referee — Jimmy O'Neill Jnr.

EXTRA TIME

So the game went into extra time and now Dungarvan's superior fitness began to show. T. Kenneally scored with a shot from almost on the touchline that curled into the corner of the net to make it 3-2. Indeed the same player almost scored again a minute later.

In the second half of extra time Ger Leahy dominated the midfield and it was his astute pass that enabled Barron to break clear and his cross found T. Kenneally who duly made it 4-2 with a clinical finish. Indeed both L. Barron and T. Kenneally were both unlucky not to complete their hat-tricks in the last final moments before J. O'Neill Jnr. called a halt to the proceedings.

Dungarvan will now play Limerick City in the semi-

CONGRATS. FOR DUNGARVAN UTD YOUTH TEAM

On the proposal of Cllr. Billy Kyne, Dungarvan Urban Council at their monthly meeting last Monday night unanimously congratulated the Dungarvan Soccer Club Youth Team on qualifying for the semi-final of the Youths F.A. Cup.

Cllr. Kyne said that in qualifying, Dungarvan had beaten the Home Farm (Dublin) side, a club which was a household name in international soccer circles. "We now wish Dungarvan the best of luck in the remaining two games coming up", he said.

G.A.A. NOTES

MINOR HURLING

Waterford minor hurlers suffered their third defeat on the trot on Sunday morning last when losing to South Tipperary at Ballymacarbry in round three of the Munster minor league. It is now unlikely that their game against Kerry in the fourth and final round will take place as scheduled on April 1 as our own minor championships are due to begin on that weekend and anyway the game is now of no consequence as both are gone well out of contention.

Last Sunday's game was played in atrocious weather conditions and Waterford had to field without three of their defenders and lost another before half time. Nonetheless, we led by 0-6 to 0-5 at half-time, but failed to score in the second half against the very strong wind. Tipperary added 1-8 in this half and won comfortably in the end, but the score does less than justice to a very spirited effort by an improving Waterford side who meet Limerick in the championship at Thurles on April 19.

Scorers for Waterford — T. Fives 0-3, Michael Hickey 0-1, S. Daly 0-1, J. Brenner 0-1.

Team — R. Barry, E. Wall, O. Dunphy, C. Cunningham, T. Mansfield, K. O'Gorman, B. Coughlan, J. Brenner, M. Geary, N. Dalton, T. Fives, M. Hickey, J.

Kennedy, S. Daly, C. Sweeney. Subs. — N. Power for Cunningham, K. McGrath for Hickey and G. Kennedy for J. Kennedy.

WATERFORD v. GALWAY/OFFALY

Over the Easter weekend the minor hurling party will undertake a trip up country, similar to that of the minor footballers last year. On Saturday morning a bus will leave the city at 9.30 a.m. and pick up the Western members of the 23-man panel before going on to Galway where they play Galway in either Pearse Stadium or Athenry.

They will stay overnight and on Sunday will move south again and will play Offaly at Birr before travelling home on Sunday evening.

The trip will be paid for out of the cash earned by the sponsored cycle and the sale of the Limerick/Waterford NHL programme. Hope they have a pleasant and fruitful weekend.

OVER-AGE PLAYERS

At the annual Congress in Bundoran last year the rule (123 T.O.) concerning the playing of over-age players in the under-age championships was extended to include a twelve months suspension on the person or persons in charge of the team and using the said over-age player.

Up to last year, the chairman and secretary of the club playing an over-age player were both suspended for a two year term and the player was suspended for twelve months. Those suspensions will still apply. In the case of the additional suspension, the offending club will be compelled to identify the person in charge.

The idea behind the Clare motion which brought about this change was that the persons named as the chairman and secretary are very often not involved with the team and the offending official who played the over-age player usually got off without penalty.

MUNSTER UNDER 16 HURLING

Details of the provincial under 16 hurling championship which was won by East Waterford last year and in which the Western team did so very well, have now been announced.

Both East and West teams will play on April 15th. The Western team will play South Kerry or Carrigdown (Cork) at Carrigwohill and the Eastern team will play East Cork at Ardmore. Incidentally it will be a nice double bill at the popular Ardmore venue on the same day with, Waterford minor footballers playing Cork South in the Munster league.

The special function to honour the Eastern under 16 Munster champions which was due to be held on next Monday evening, has been postponed. It will now be held at the Mount Sion Centre on April 7th. The team will be presented with their medals at this function.

FOOTBALL COACHING

It is now more than a possibility that a football coach will operate within the county this year. A new Munster Council scheme offers generous financial help to the four weak counties who decide to undertake such a scheme this year. Tipperary are already at work in the coaching business with no less a personality than Kerry's Mick O'Connell in charge.

Cisde na Peil, who advise on football matters in this county, will meet on tonight Wednesday, to discuss the scheme and make recommendations to the County Board at their meeting to be held on April 10.

PREMIER FOOTBALL

This competition which was run only once and won by the Nire/Kilrossanty group, is to be revived this year and may be run before the summer. It was a competition for eight teams and played on a knockout basis.

MINOR FOOTBALL v. TIPPERARY

This will be our first game in the special Munster league and it will be played at Clonmel on next Saturday. Over the past several weeks, training has been carried out at St. Augustine's College grounds and the panel have been in action in the South Eastern league. Two weeks later we play South Kerry in the same competition at Ballyhooley.

MINOR REGISTRATION

With the minor championship due to begin on next Sunday week, clubs in the division should heed the warning given recently by the chairman, relating to registration of players in accordance with rule and before the start of the championships. Club are also reminded that in giving the registration particu-

lars the fathers name and the mothers maiden name are no longer required. The date of birth of the players with his/her address is now sufficient to satisfy the rule.

The change is included in the latest Official Guide.

DE LA SALLE FOR U.S.A.

The sixty-one year old city club who have made public their championship ambitions for '89, will take a break from competition on the home front in mid-summer to fulfil a promise to their friends in their twin-city of Rochester, to travel out there for a couple of weeks. The trip begins on July 15th and while in the U.S.A. they will play games against a few teams, including a Waterford selection.

OFFICER MEETING

The Western Board officers will meet tonight, Wednesday, to draft a further list of fixtures, which will be published here next week. Now that the senior masters fixtures list is announced, the Divisional Boards can fit in their championships where dates and venues are available.

YOPLAIT SPONSORSHIP

As announced last week, Yoplait are to continue their sponsorship of the under-age hurling championships being run by Bord na nOg for 1989.

Mr. Paddy Cummins, Asst. Chief Executive of Waterford Foods in confirming the sponsorship stated, "last year we were confident that our sponsorship would be put to good use for the young hurlers of the county. Yoplait are very pleased that our sponsorship has helped in a very positive sense, the development of the great ancient game of hurling in the Deise county. It was evident that 1988 was a very good year for under-age hurling with Lismore winning the All-Ireland 'B' Feile competition and East Waterford winning the Munster under 16 inter-divisional championship while West Waterford reached the semi-finals,

from 18 teams. We wish Bord na nOg continued success in 1989".

John Harnedy who presented the cheque on behalf of the firm and Michael Cass also spoke, while John Moore, chairman Bord na nOg spoke in reply, thanking the firm for their continued interest in the well-being of the game of hurling in the county. He said Yoplait had demonstrated in a very positive and generous way, their genuine interest in the young hurlers of this county. Eamon O'Murchu, on behalf of the Adult Board also spoke and thanked the firm, also for their interest in the juvenile section of the G.A.A. in the county.

SHANDON ROVERS?

A couple of days ago, I received a letter from a Dungarvan man living in Kilburn, in London which read:

"On 21-12-81, you published a very good photograph of Erin's Hope football team which were the best in the county at the end of the last century. At the time I met a few old Dungarvan friends who had also seen the photo, hence this letter. We were hoping that you would follow up with a picture of the Shandon Rovers who were also very prominent around the same time. You didn't. Could you do so. It would be much appreciated, etc."

I don't have such a photograph and have often wondered where one could be obtained. Perhaps some readers who may have a

copy would be good enough to let us have a loan just for publication. It's safe return will be guaranteed.

SENIOR AND INTERMEDIATE FIXTURES

The senior hurling league championship commences on Sunday, April 22, as will the intermediate hurling. The senior football championship commences on Sunday, April 9.

Full fixture list will be published next week.
